

## Maps: Holdings

*This listing was last updated on November 21, 2002.*

*The most recently acquired maps are listed first.*

2000 Reprodución reducida del portulano de Pedro Reinel, 1521-1522. reproduced by Academia Nacional de Geografía, Gallipoli, Turkey; reproduced in Buenos Aires.

Keywords: Antarctica /Falkland Islands /Pedro Reinel map /16th century.

Call Number: 2538

Abstract: Color reproduction of 1523 map on parchment by Pedro Reinel, one of the first known Portuguese cartographers. Shows the southern oceans surrounding the south pole, and the southern reaches of Africa, South America and an unidentified third land mass (Australia?). The Falkland Islands are included, but Antarctica is not shown. For additional background on this map, see p. 215 of the book cited below. The original is in the Topkapi Sarayi Muzesi, Istanbul. This is one of four folded maps originally included in a book: Arnaud, Vicente Guillermo. Las islas Malvinas: descubrimiento, primeros mapas y ocupación, siglo XVI. Buenos Aires: Academia Nacional de Geografía, 2000 (LAL Stacks F 3031.A69 2000).

2000 Reprodución reducida de la fotografía del mapa de Henricus Martellus Germanus, 1489. reproduced by Academia Nacional de Geografía, Roma(?); reproduced in Buenos Aires.

Keywords: Mappamundi /Heinrich Hammer map /15th century.

Call Number: 2537

Abstract: Color reproduction of 1489 map by Henricus Martellus Germanus, a German cartographer also known as Heinrich Hammer. Shows the entire known world, in the style of "mappamundi" maps. This map is based on prior works of Portuguese origin. For additional background on this map, see p. 51 of the book cited below. This is one of four folded maps originally included in a book: Arnaud, Vicente Guillermo. Las islas Malvinas: descubrimiento, primeros mapas y ocupación, siglo XVI. Buenos Aires: Academia Nacional de Geografía, 2000 (LAL Stacks F 3031.A69 2000).

2000 Reproducción reducida del portulano de Piri Reis, 1513. reproduced by Academia Nacional de Geografía, Gallipoli, Turkey; reproduced in Buenos Aires.

Keywords: Atlantic Ocean /Falkland Islands /Piri Reis map /16th century.

Call Number: 2536

Abstract: Color reproduction of 1523 map by Piri Reis, a Turkish admiral and cartographer. Shows the entire Atlantic Ocean including trade routes between Iberia, West Africa and the coasts of North and South America. This naval chart is the first European map known to represent the Falkland Islands. For additional background on this map, see p. 89 of the book cited below. This is one of four folded maps originally included in a book: Arnaud, Vicente Guillermo. Las islas Malvinas: descubrimiento, primeros mapas y ocupación, siglo XVI. Buenos Aires: Academia Nacional de Geografía, 2000 (LAL Stacks F 3031.A69 2000).

2000 Reproducción reducida del mapa de Andreas Walsperger, 1448. reproduced by Academia Nacional de Geografía, Constanza; reproduced in Buenos Aires.

Keywords: Mappamundi /Walsperger map /15th century.

Call Number: 2535

Abstract: Color reproduction of 1448 Andreas Walsperger map, a spherical map, on parchment, derived from Ptolemy's mappamundi (maps showing the entire known world) but with many additions, showing the south in the upper part of the map. Original map is located in the Biblioteca Apostólica Vaticana (Vatican City). For additional background on this map, see p. 46 of the book cited below. This is one of four folded maps originally included in a book: Arnaud, Vicente Guillermo. Las islas Malvinas: descubrimiento, primeros mapas y ocupación, siglo XVI. Buenos Aires: Academia Nacional de Geografía, 2000 (LAL Stacks F 3031.A69 2000).

[c.2000] El Salvador. Colaboración del Ministerio del Interior, [San Salvador?].

Keywords: El Salvador /San Salvador.

Call Number: 2534

Abstract: Shows major roads, cities, landmarks and political boundaries of El Salvador. Inset map shows distances between major cities. On reverse: Map of the main streets and landmarks of the central area of the city of San Salvador.

? Provincia de S. Diego de México en la nueva España. Tiene 14 conventos y desde el a Oaxaca que está en 17 grados a el lesueste hasta el de Aguascalientes, que está en 22 al Noroeste hay de distancia 160 leguas. Por el Oriente confina con el Obispado de la Puebla y Oaxaca, por el Poniente con el Obispado de Michoacan y Guadaluara, por el Norte y Sur con el Arzobispado de Mexico. ?, ?

Keywords: San Diego de Mexico /New Spain /colonial Mexico.

Call Number: 2533

Abstract: Nineteenth century reproduction [?]of an engraved, stylized map showing the province of San Diego of New Spain. Among the cities depicted are Acapulco (bottom center); Oaxaca (bottom right); Mexico and Puebla (center); Aguascalientes and Guanajuato (top left). Written at top of the map: "NOVA DELINEATIO SRICISSIMAE. S. DIDACI PROVINCIAE IN NOVA HISPANIA."; and at bottom of the map: "Autor inuenit Antonius Ysartü Excud Mexici." [Bill Nájñez thinks the paper is nineteenth century, suggesting that this is a reproduction of an original engraving from the colonial period.].

1981 [Rio Tocantins and Rio Araguaia confluence, Brasil, aerial photograph]. Ministério das Minas e Engergia / Departamento Nacional da Produção Mineral, [Brasil].

Keywords: Rio Tocantins /Rio Araguaia /aerial photography.

Call Number: 2532

Abstract: Black and white aerial photograph of the area surrounding the confluence of the Tocantins River and the Araguaia River, in north-central Brazil. Photograph taken in 1971/72 from an unmanned Caravelle-PT-DUW aircraft flying at 11,000 meters.

"Executado por LASA Engenharia e Prospecções S.A. Includes diagrams showing the location of the area within Brazil, and adjoining charts in the series, Projeto Radambrasil / Mosaico Semicontralodo de Radar. This sheet is Folha SB.22-X-D.

1977 Caribbean. Rand McNally, ?

Keywords: Caribbean.

Call Number: 2531

Abstract: Shows the main islands, cities, roads and landmarks of the Caribbean region, including coastal areas on the mainland. Includes an index of cities and islands, locating

them on the map. On reverse: inset maps of Grand Bahama, New Providence Island, Dominican Republic, Jamaica, Netherland Antilles and Aruba, Trinidad and Tobago, Puerto Rico & the Virgin Islands, and Lesser Antilles, with another city index.

1998 Puerto Rico / Travel Maps / 1998. Travel Maps, [Puerto Rico].

Keywords: Puerto Rico /San Juan.

Call Number: 2530

Abstract: Main map (8" x 22") of the entire island of Puerto Rico shows cities and towns, roads, landmarks and sites of touristic interest. Includes inset maps of Ponce, Palmas del Mar, Vieques Island and Culebra Island. On reverse: Maps of San Juan Vicinity (6" x 14") and Old San Juan (8" x 11") show streets and landmarks. Includes an inset map of the eastern Caribbean. Includes lists of recommended tourist services in San Juan and Puerto Rico.

1979 Araguaia. Fundação IGBE, Brasilia(?).

Keywords: Araguaia.

Call Number: 2529

Abstract: Shows towns, rivers, roads, elevations and landmarks along the Rio Araguais and areas to the west in the state of Pará, including the Reserva Florestal do Gorotire, Rio Xingu, Rio Iriri, and Serra dos Carajas. Includes an index diagram showing adjoining maps in the series, and a sheet reference showing this area within Brazil. Folha SB-22 in the series, Carta Internacional do Mundo ao 1 000 000.

1979 Belém. Fundação IGBE, Brasilia(?).

Keywords: Belém.

Call Number: 2528

Abstract: Shows towns, rivers, roads, elevations and landmarks along the lower reaches and near the mouth of the Amazon River. Includes areas in the state of Paraná and the Territorio do Amapá, Ilha de Marajó, Ilha Grande de Gurupá, Reserva Florestal de Caxiuaana, Rio Xingu, Rio Paru, Rio Tocantins, and the city of Belém. Includes an index diagram showing adjoining maps in the series, and a sheet reference showing this area

within Brazil. Folha SA-22 in the series, Carta Internacional do Mundo ao 1 000 000.

1993 Urubamba. Instituto Geográfico Nacional, Lima, Perú.

Keywords: Urubamba /Peru.

Call Number: 2527

Notes: Compiled in 1993 by stereophotogrammetric methods from aerial photography taken in 1976, 1989 and 1991. Field classification in 1993.

Abstract: Shows topographical contour lines, towns, roads, and other geographical features in the mountainous area surrounding the town of Urubamba, Perú. Also shows the towns of Chinchero, Zurite and Cachimayo, as well as sections of the Río Vilcanota and the Río Huarcocondo. Includes diagrams that show the adjoining topographical quadrangle maps in this series, boundaries of this map; and an elevation guide for this map. Sheet 2444 in the series, Perú 1:100,000.

1990 Chivay, Departamento de Arequipa. Peru. Instituto Geográfico Militar, Lima, Peru.

Keywords: Peru /Chivay /Arequipa (department).

Call Number: 2526

Abstract: Topographical map of the area surrounding the town of Chivay in Arequipa department shows contour elevation lines, latitude/longitude, mountain peaks, main landmarks, and roads. Hoja 32-s in the series, Carta Nacional 1:100,000.

1977 Orcopampa, Departamento de Arequipa. Peru. Instituto Geográfico Militar, Lima, Peru.

Keywords: Peru /Orcopampa /Arequipa (department).

Call Number: 2525

Abstract: Topographical map of the area surrounding the town of Orcopampa in Arequipa department shows contour elevation lines, latitude/longitude, mountain peaks, main landmarks, and roads. Hoja 31-r in the series, Carta Nacional 1:100,000.

1998 Carhuás. Instituto Geográfico Nacional, Lima, Perú.

Keywords: Carhuas /Peru.

Call Number: 2524

Notes: Compiled in 1970 and 1971, by stereophotogrammetric methods from aerial photography taken in 1962 and 1963. Field classification in 1969, 1973 and 1997.

Abstract: Shows topographical contour lines, towns, roads, and other geographical features in the mountainous area surrounding the town of Carhuás, Perú. Also shows the towns of Yungay and Caras, as well as a section of the Río Santa. Prominent mountain peaks include Nevados Huascarán, Nevado Hualcán, Nevado Yahuina, Nevado Chopicallqui, Nevado Chacrarajo, Nevado Yanapacha, and Nevados Huandoy, among others. Includes diagrams that show the adjoining topographical quadrangle maps in this series, boundaries of this map; and an elevation guide for this map. Sheet 1352 in the series, Perú 1:100,000.

1998 Pomabamba. Instituto Geográfico Nacional, Lima, Perú.

Keywords: Pomabamba /Peru.

Call Number: 2523

Notes: Compiled in 1968 by stereophotogrammetric methods from aerial photography taken in 1962. Field classification in 1968 and 1997. Map updated in 1998.

Abstract: Shows topographical contour lines, towns, roads, and other geographical features in the mountainous area largely to the east of the town of Pomabamba, Perú. Includes diagrams that show the adjoining topographical quadrangle maps in this series, boundaries of this map; and an elevation guide for this map. Sheet 1453 in the series, Perú 1:100,000.

1998 Corongo. Instituto Geográfico Nacional, Lima, Perú.

Keywords: Corongo /Peru.

Call Number: 2522

Notes: Compiled in 1968 by stereophotogrammetric methods from aerial photography taken in 1962. Field classification in 1968 and 1997. Map updated in 1998.

Abstract: Shows topographical contour lines, towns, roads, and other geographical features in the mountainous area largely to the south and east of the town of Corongo, Perú. Includes diagrams that show the adjoining topographical quadrangle maps in this

series, boundaries of this map; and an elevation guide for this map. Sheet 1453 in the series, Perú 1:100,000.

1988 Alausi. Instituto Geográfico Militar, Quito.

Keywords: Ecuador /Pintag.

Call Number: 2521

Notes: Prepared in cooperation with Inter-American Geodetic Survey. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Alausi region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

Transverse Mercator Projection. Photocopy.

1990 Pintag. Instituto Geográfico Militar, Quito.

Keywords: Ecuador /Pintag.

Call Number: 2520

Notes: Prepared in cooperation with Inter-American Geodetic Survey. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Pintag region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

Transverse Mercator Projection. Photocopy.

200? Archaeology's 1999/2000 Guide to the Mundo Maya. Archaeology Magazine, ?

Keywords: Maya region /Central America.

Call Number: 2519

Notes: Designed by Lynda D'Amico. Purchased in March 2002 from Mario Argueta.

Abstract: Shows the location of principal archaeological sites in the Maya world, in southern Mexico, Belize, Guatemala, Honduras and El Salvador. On reverse: descriptive list of Maya archaeological sites in those countries.

1997 Departamento Ayacucho: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Ayacucho (department).

Call Number: 2517

Abstract: Shows towns, roads, railroads, landmarks, elevations, and departmental and provincial boundaries in the Department of Ayacucho, in the southern part of Peru. Includes a list of basic geographic information, and an inset map showing the location of the department within Peru.

1994 Peninsula Valdes Ecomapa / Provincia de Chubut / Patagonia / Argentina. Zagier & Urruty Publications, Buenos Aires, Argentina.

Keywords: Peninsula Valdes.

Call Number: 2516

Abstract: Shows main roads, towns and landmarks of the Península Valdés in the Patagonia region of Argentina's Chubut Province. Includes diagrams indicating the best locations for viewing local marine mammals. Insets show the location of the Peninsula within Patagonia, and the area including the towns of Rawson, Trelew, Gaiman and Dolavon. Also includes a list of services in each town, and a table of distances between the towns.

199? Carretera Longitudinal Austral "Presidente Pinochet". Instituto Geográfico Militar, Santiago(?).

Keywords: Chile.

Call Number: 2515

Abstract: Shows main roads, towns and services, and islands, glaciers, and other landmarks along the highway through a section of southern Chile, between Puerto Montt on the north and Villa O'Higgins on the south. Inset shows the location of this section within Chile. On reverse: inset of the main street of the regional capital, Coihaique. Also includes a brief text about the geography and history of the region and highway, a list of services in each town, and a table of distances between the towns.

1988 Mapa de Vegetação do Brasil. Secretaria de Planejamento e Coordenação da Presidência da República / Fundação Instituto Brasileiro de Geografia e Estatística / Ministério da Agricultura / Instituto Brasileiro de Desenvolvimento Florestal, Rio de Janeiro.

Keywords: Brazil.

Call Number: 2514

Abstract: Color-coded map shows the principal 13 categories of vegetation covering the national territory of Brazil. Also shows main cities, landmarks and roads; and includes an extensive text about the categories of vegetation used in the map, as well as a list of conservation preserves.

1989 República Federativa do Brasil Mapa Político 1989. Fundação Instituto Brasileiro de Geografia e Estatística, Rio de Janeiro.

Keywords: Brazil /States /Brasil /Estados.

Call Number: 2513

Abstract: Color map shows the principal cities, towns, landforms and landmarks, and state and international boundaries of Brazil. Includes six inset maps showing the Brazilian state boundaries in 1940, 1945, 1950, 1960, 1970 and 1980. These inset maps are of particular interest because they show the approximate date when the following states became states during the 20th century: Amapá, Roraima, Acre, Rondônia, Tocantins and Mato Grosso do Sul. Other changes in the names of the states and territories are noted in small print on the inset maps.

1997 Departamento Moquegua: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Moquegua (department).

Call Number: 2512

Abstract: Shows towns, roads, railroads, landmarks, elevations, and departmental and provincial boundaries in the Department of Moquegua, Peru, along the southern Pacific coast. Includes a list of basic geographic information, and an inset map showing the location of the department within Peru.

1995 Huari. Instituto Geográfico Nacional, Lima, Perú.

Keywords: Huari /Departamento Ancash /Peru.

Call Number: 2511

Notes: Levantado por el Instituto Geográfico Militar, Lima-Peru: 1969-1970 por métodos estereofotogramétricos de fotografías aéreas tomadas 1962-1963; areas levantada 3,040.50 kilómetros cuadrados.

Abstract: Shows topographical contour lines, towns, roads, and other geographical features in the area surrounding the town of Huari, Perú in the Departamento Ancash. Includes a diagram that shows the adjoining topographical quadrangle maps in this series.

1995 Quillabamba. Instituto Geográfico Nacional, Lima, Perú.

Keywords: Quillabamba /Peru.

Call Number: 2510

Notes: Compilado por métodos estereofotogramétricos de fotografías aéreas tomadas en 1989 y 1993.

Abstract: Shows topographical contour lines, towns, roads, and other geographical features in the area surrounding Quillabamba, Perú, along the Río Vilcanota and adjoining area along the Río Urubamba. Includes a diagram that shows the adjoining topographical quadrangle maps in this series.

1993 Líneas y Geoglifos de Nasca. Instituto Geográfico Nacional / Instituto de Investigaciones Aeroarqueológicas, Lima, Peru.

Keywords: Nazca.

Call Number: 2509

Abstract: Topographical map of the Nasca site shows geological and archaeological features including glyphs and lines. Also shows trails, waterways, roads, elevations, contour lines and other landmarks.

1997 Departamento Apurimac: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Apurimac (department).

Call Number: 2508

Abstract: Shows towns, roads, railroads, landmarks, elevations, and departmental and provincial boundaries in the Department of Apurimac, Peru. Includes a list of basic geographic information, and an inset map showing the location of the department within Peru.

1999 Yanahuanca. Instituto Geográfico Nacional, Lima, Perú.

Keywords: Yanahuanca /Pasco (department) /Peru.

Call Number: 2507

Notes: Levantado por el Instituto Geográfico Militar, Lima-Perú: 1969-1970 por métodos estereofotogramétrico multiplex--B-8 de fotografías aéreas tomadas en 1962; control horizontal y vertical por el IGM en colaboración con el I.A.G.S.; clasificación de campo en 1966; escala de compilación 1:25,000.

Abstract: Shows topographical contour lines, towns, roads, and other geographical features in the vicinity of Yanahuanca, Perú, in the Departamento de Pasco.

Includes a diagram that shows the adjoining topographical quadrangle maps in this series. The region of mountains, lakes and valleys is situated to the northwest of the town of Yanahuanca, and to the northeast of the town of Cajatambo, and covers some 3,000 square kilometers.

2000 Argentina Chile. Collins, London.

Keywords: Argentina /Chile.

Call Number: 2506

Abstract: Shows the main cities, towns, roads and landmarks in Chile and Argentina, including international and internal administrative boundaries. Includes inset maps of the main streets and landmarks in the downtown areas of Santiago and Buenos Aires.

On reverse: Index of place names. ISBN: 0004490541.

2000 Brazil. Collins, London.

Keywords: Brazil.

Call Number: 2505

Abstract: Shows the main cities, towns, roads and landmarks of Brazil, including its international and internal administrative boundaries. Includes a distance chart and inset maps of the main streets and landmarks in the downtown areas of Brasília, Salvador, Rio de Janeiro and São Paulo. On reverse: Index of place names. ISBN: 000449055X.

2000 Venezuela Colombia Ecuador. Collins, London.

Keywords: Venezuela /Colombia /Ecuador.

Call Number: 2504

Abstract: Shows the main cities, towns, roads and landmarks in Venezuela, Colombia and Ecuador, including international and internal administrative boundaries. Includes inset maps of the main streets and landmarks in the downtown areas of Guayaquil and Quito, Ecuador, Bogotá and Cartagena, Colombia and Caracas, Venezuela. On reverse: Index of place names. ISBN: 0007102461.

2000 Peru Bolivia Ecuador. Collins, London.

Keywords: Peru /Bolivia /Ecuador.

Call Number: 2503

Abstract: Shows the main cities, towns, roads and landmarks in Peru, Bolivia and Ecuador, including international and internal administrative boundaries. Includes inset maps of the main streets and landmarks in the downtown areas of Lima and Cusco, Peru, Guayaquil and Quito, Ecuador, and La Paz, Bolivia. On reverse: Index of place names. ISBN: 0004490568.

2001? Copacabana & Islands of the Sun and Moon: Map & Guide. Editorial Quipus, La Paz, Bolivia.

Keywords: Copacabana /Lake Titicaca.

Call Number: 2502

Abstract: Shows the towns, landmarks and shoreline and islands surrounding the town of Copacabana, Bolivia, on the shores of Lago Titicaca. Includes inset maps of Isla del Sol and the larger region surrounding Lago Titicaca in Bolivia and Peru. On reverse: A brief

text on the history and geography of Lago Titicaca, and the towns and archaeological sites located on its shores. Photographs by Peter McFarren and design by Lenin Gutierrez C.

2001? Cochabamba The Map and Guide. Editorial Quipus, La Paz, Bolivia.

Keywords: Cochabamba.

Call Number: 2501

Abstract: Shows the main streets and landmarks in the city of Cochabamba, Bolivia. On reverse: A brief text on the history, geography and tourist sites of the city.

1998 An International Travel Map of Tierra del Fuego. International Travel Maps / a division of ITMB Publishing, Vancouver, B.C., Canada.

Keywords: Tierra del Fuego /Straits of Magellan.

Call Number: 2500

Notes: ISBN: 0921463138.

Abstract: Shows major towns, roads, landmarks, waterways, islands and elevations (color coded) in the Tierra del Fuego region of Chile and Argentina, at the southern tip of South America including the Straits of Magellan and the international boundaries. Includes an inset map of the city streets of Usuaia, Argentina.

2001? Tiwanaku The Map and Guide. Editorial Quipus, La Paz, Bolivia.

Keywords: Tiwanaku.

Call Number: 2499

Abstract: Archeological site plan shows the temples and other features of the ancient city of Tiwanaku, Bolivia, with explanatory text about each. On reverse: "Majestic Tiwanaku" by J. Antonio Sagarnaga M., a brief essay on history of the site.

2001? Potosi: The Map and Guide. Editorial Quipus / Dirección Nacional de Turismo, La Paz, Bolivia.

Keywords: Potosi.

Call Number: 2498

Abstract: Shows the main city streets and landmarks of Potosí, Bolivia. On reverse: "The Mining City of Potosi, a Colonial Treasure" by Peter McFarren, a brief history of the city and its attractions, and a list of practical information and addresses.

1997 Departamento Puno: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Puno (department).

Call Number: 2497

Abstract: Shows towns, roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Puno, Peru, including Lago Titicaca. Includes a list of basic geographic information, and an inset map showing the location of the department within Peru.

2000 A Travel Map of Bolivia Highlighting the National Park System. 2nd edition. O'Brien Cartographics, ?

Keywords: Bolivia /Parks.

Call Number: 2496

Abstract: Color map shows roads, cities and geographical features of Bolivia, and highlights the 21 national parks. Map legend describes the size, attractions and facilities available in each national park. According to the map legend, the first edition of this map was produced with the aid of Carlos Ayaviri Vargas and Anibal Herrera Tellez, both of the Instituto Geográfico Militar of Bolivia.

199? Amazônia Legal: estrutura econômica da rede urbana 1991. ?, Brazil.

Keywords: Brazil /Amazonia /Economic Activity.

Call Number: 2495

Abstract: Based on IGBE's Censos Econômicos-Agropecuário, Industrial, do Comércio e dos Serviços (1985) and Setores Básicos da Economia Municipal - Informações Básicas

Municipais (1989), shows the approximate size of the main cities and towns in the Amazonian region of Brazil, and the predominant types (industrial, commercial/industrial, agricultural, etc.) of economic activity in each city or town. Also shows main roads, cities, towns, and state and international boundaries.

199? Amazônia Legal: o urbano e a qualidade ambiental / saneamento básico 1991. ?, Brazil.

Keywords: Brazil /Amazonia /Public Health /Sanitation.

Call Number: 2494

Abstract: Based on IGBE's Sinopse Preliminar do Censo Demográfico (1991) and Pesquisa Nacional de Saneamento Básico (1989), shows the percentages of the urban population without water service in the Amazonian region of Brazil, and the types of sewage systems (rede unitária or rede separadora) prevalent in the larger cities and towns. Urban areas shown include the municipality and district seats with population greater than 5,000. Also shows main roads, cities, towns, and state and international boundaries.

1982 Belize City Map. Cupola Productions, Belize.

Keywords: Belize City.

Call Number: 2493

Abstract: Shows city streets, parks and other landmarks of Belize City. On back: picture views of the "City of Yesteryear" a table of of road distances between the main cities and towns of Belize and neighboring countries.

199? Amazônia Legal: Mesorregiões, Microrregiões e Municípios 01/01/89. Variação da População Urbana - Rural 1980/1991. ?, Brazil.

Keywords: Brazil /Amazonia /Population.

Call Number: 2492

Abstract: Based on the Censos Demográficos of 1980 and 1991, shows the variations between the rates of growth or decline in urban and rural areas, in ten states of the Amazonian region of Brazil. Also shows state and international boundaries, and the limits of "geographical mesoregions" and "geographical microregions".

[2001?] Mapa de Honduras para Inversionistas / Identificando Oportunidades de Negocios. [Tegucigalpa, Miami or New Orleans?: Fundación para la Inversion y Desarrollo de Exportaciones].

Keywords: Honduras.

Call Number: 2491

Abstract: Color map of Honduras. Shows roads, cities, towns, departmental boundaries, parks, airports, ports, archaeological sites, and the principal agricultural and other economic activities in each area of the country. Includes a distance chart, photographs of industrial and recreational activities. On the back: city maps of Tegucigalpa, San Pedro Sula, and La Ceiba (each city map is accompanied by a list of points of interest), a map of the Islas de la Bahía, and a national population centers map, a national relief map, and a national soil use map. Telephone numbers printed in a section about the Fundación para la Inversion y Desarrollo de Exportaciones correspond to the Miami and New Orleans areas. Purchased from Argueta, 1/25/02, for \$2.00.

? Estado de Vera Cruz. Barcelona: Establecimiento editorial de Alberto Martin.

Keywords: Veracruz (state).

Call Number: 2490

Abstract: Bound color folding map of the state of Veracruz, Mexico. Shows roads, railroads, principal cities and towns, state and municipal boundaries, and bishoprics. Extracted from: Atlas Ibero-Americano. On cover: Colección de Cartas Corográficas cuadrosamente rectificadas por personal facultativo y bajo la dirección del capitán de ingenieros, D. Benito Chías y Carbó.

? Amazônia legal: cidades e vilas 1960. Brazil.

Keywords: Brazil /Amazonia /Population.

Call Number: 2489

Abstract: Based on the IGBE Sinapse Preliminaar do Censo Demográfico, shows the size of urban population centers with greater than 5,000 inhabitants in 1960, in the Amazonian region of Brazil, including insets of the urban areas surrounding the cities of

Belém and São Luís. Also shows state and international boundaries, principal roads, and municipal and state capitals.

? Amazônia legal: tamanho e crescimento populacional urbano 1980/1991. ?, Brazil.

Keywords: Brazil /Amazonia /Population.

Call Number: 2488

Abstract: Based on the IGBE Sinapse Preliminar do Censo Demográfico, shows the size of urban population centers in 1991, and the rate of population growth between 1980 and 1991, in the Amazonian region of Brazil, including insets of the urban areas surrounding the cities of Belém and São Luís. Also shows state and international boundaries, principal roads, and municipal and state capitals.

Julio Popper

1883 Mapa de las Lineas de Transporte Tributarias a los Intereses Comerciales de Nueva Orleans. Preparado para la Bolsa Mercantil Mexicana, Centro y Sur Americana. edited by Julio Popper, Mexican, Central American & South American Commercial Exchange / M.F. Dunn & Bro. Lithographers, New Orleans.

Keywords: Mexico /New Orleans /Central America /Cuba /United States.

Call Number: 2487

Abstract: Map on extremely delicate paper, shows the United States, Mexico, Central America, NW South America, Cuba, Jamaica, including railroads real and projected and shipping connections with New Orleans (indicating name of shipping lines, distances in nautical miles, and duration of passage); and the routes of the planned "Intercolonial Railway Survey Panamerican 1890-99" connecting Central and South America.

1995 La Habana. Editorial SI-MAR, Habana.

Keywords: Cuba /Havana.

Call Number: 2486

Notes: Accompanies a book: Cuba le ofrece... Havana, Cuba: Editorial SI-MAR, c1995. LAL F 1754.7.C799 1997.

Abstract: Color map shows streets, neighborhoods, parks, landmarks, etc., in the main area of Havana, Cuba. On reverse: inset maps of Cuba, Cayo Largo, Playas del Este, and Cayo Coco y Cayo Guillermo.

199? Lo esencial de las haciendas y la Península de Yucatán. Editorial Dante, Mérida, Yucatán.

Keywords: Yucatan /Haciendas.

Call Number: 2485

Notes: ISBN: 970-605-145-7.

Abstract: Fold-out color brochure includes a 11" x 11" map, "Haciendas de Yucatán," of the Yucatán Peninsula, showing the location of the principal haciendas in the vicinity of Mérida, indicating whether each is open to the public. Also shows the main roads, towns and landmarks throughout the Peninsula. On reverse: a color drawing of a typical henequen hacienda, with pictures of and brief texts about 11 haciendas in the vicinity of Mérida.

1995 Mapa Brasil. Editora Abril, [São Paulo].

Keywords: Brazil.

Call Number: 2484

Notes: Suplemento especial do Guia Quatro Rodas.

Abstract: Two-sided road map shows cities, towns, landforms and landmarks, and state and international boundaries of Brazil. Includes an index of placenames, and inset maps of Amazônia, the Brazilian time zones, and of border areas between Brazil and Uruguay.

199? [untitled Campeche map]. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2483

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A33.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Villahermosa. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Villahermosa. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2482

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16C11.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Villahermosa. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Altamira. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2481

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16C12.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Altamira. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Civalito. Instituto Nacional de Estadística Geografía e Informática, ?

Keywords: Quintana Roo.

Call Number: 2480

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16C13.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of El Civalito. Includes an index map showing the location of this map in relation to the other maps in this series.

199? La Union. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2479

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16C14.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of La Union. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Petcacab. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2478

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A36.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Petcacab. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Chanchah Veracruz. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2477

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A37.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Chanchah Veracruz. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Punta Herrero. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2476

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A38.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Punta Herrero. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Reforma. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2475

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A55.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Reforma. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Buenavista. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2474

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A56.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Buenavista. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Villa De Cortes. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2473

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A57.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Villa de Cortes. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Uvero. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2472

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A58.  
Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including El Uvero. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Conhuas. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2471

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A61.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Conhuas. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Zoh Laguna. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2470

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A62.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Zoh Laguna. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Nuevo Becar. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo, Campeche.

Call Number: 2469

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A63.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Quintana Roo, including the town of Nuevo Becar. Includes an index map showing the location of this map in relation to the other maps in this series.

199? San Pedro Peralta. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2468

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A64.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of San Pedro Peralta. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Majagual. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2467

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A67.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Majagual. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Senor. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2466

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A16.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Senor. Includes an index map showing the location of this map in relation to the other maps in this series.

199? La Esperanza. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan, Quintana Roo.

Call Number: 2465

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A15.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Quintana Roo, including the town of La Esperanza. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Hopelchen. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2464

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A21.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Hopelchen. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Iturbide. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan, Campeche.

Call Number: 2463

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A22.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Yucatan, including the town of Iturbide. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Dziuche. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2462

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A14.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the town of Dziuche. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Benito Juarez. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan, Campeche.

Call Number: 2461

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A12.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Yucatan, including the town of Benito Juarez. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Becanchen. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2460

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A13.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the town of Becanchen. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Cenote Azul. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2459

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A17.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Cenote Azul. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Othon P. Blanco. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2458

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A23.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the town of Othon P. Blanco. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Jose Maria Morelos. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo, Yucatan.

Call Number: 2457

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A24.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Quintana Roo, including the town of Jose Maria Morelos. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Chunhuhub. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2456

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A25.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the city of Chunhuhub. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Punta Allen. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2455

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A18.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Punta Allen. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Felipe Carrillo Puerto. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2454

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A26.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the city of Felipe Carrillo Puerto. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Isla Gaytanes. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2453

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A27.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Isla Gaytanes. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Dzibalchen. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2452

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A31.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Dzibalchen. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Chunchintok. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2451

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A32.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the valley of San Juan Bautista. Includes an index map showing the location of this map in relation to the other maps in this series.

199? San Juan Bautista. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche, Yucatan.

Call Number: 2450

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A11.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Campeche, including the town of San Juan Bautista. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Gavilanes. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo, Yucatan.

Call Number: 2449

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A34.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Quintana Roo, including the town of Gavilanes. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Presidente Juarez. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2448

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A35.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Presidente Juarez. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Chetumal. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Quintana Roo.

Call Number: 2447

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A66.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Chetumal. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Bacalar. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Quintana Roo.

Call Number: 2446

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E16A65.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Bacalar. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Nueva Chontalpa. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2445

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B76.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Nueva Chontalpa. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Hool. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2444

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B28.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Hool. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Calkini. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan, Campeche.

Call Number: 2443

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 /F15-9-12.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Campeche, including the town of Calkini. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tizimin. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2442

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 /F16-7.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the town of Tizimin. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Campeche. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2441

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 /E15-3.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Campeche. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Frontera. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.  
Keywords: Tabasco, Campeche.

Call Number: 2440

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 /E15-5.

Abstract: Shows roads, cities, towns, landforms and landmarks in Tabasco and Campeche, including Frontera. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Cancun. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.  
Keywords: Quintana Roo, Yucatan.

Call Number: 2439

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 /F16-8.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo and Yucatan, including Cancun. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Merida. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.  
Keywords: Quintana Roo, Yucatan, Campeche.

Call Number: 2438

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 /F16-10.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, Yucatan, and Campeche, including the city of Merida. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Cozumel. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.  
Keywords: Quintana Roo, Yucatan.

Call Number: 2437

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 /F16-11.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo and Yucatan, including Cozumel. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tenosique. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche, Tabasco, Chiapas.

Call Number: 2436

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 /E15-9.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, Tabasco, and Chiapas, including the town of Tenosique. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Chan Laguna. Instituto Nacional de Estadística Geografía e Informática, ?

Keywords: Campeche.

Call Number: 2435

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B79.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Chan Laguna. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Aguacatal. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche, Tabasco.

Call Number: 2434

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B85.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Tabasco, including El Aguacatal. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Candelaria. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche, Tabasco.

Call Number: 2433

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B86.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Tabasco, including the city of Candelaria. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Monclova. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2432

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B87.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Monclova. Includes an index map showing the location of this map in relation to the other maps in this series.

199? La Esperanza. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2431

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B89.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including La Esperanza. Includes an index map showing the location of this map in relation to the other maps in this series.

199? La Misteriosa. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2430

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B88.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including La Misteriosa. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Zapote. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche, Tabasco.

Call Number: 2429

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B84.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Tabasco, including El Zapote. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Sabancuy. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2428

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B56.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Sabancuy. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Isla Aguada. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2427

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B55.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Isla Aguada. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Chichbul. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2426

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B57.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Chichbul. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Pixoyal. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2425

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B58.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Pixoyal. Includes an index map showing the location of this map in relation to the other maps in this series.

199? X-Bonil. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2424

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B59.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including X-Bonil. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Ciudad del Carmen. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2423

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B64.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Ciudad del Carmen. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Laguna de Terminos. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2422

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B65.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Laguna de Terminos. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Mamantel. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2421

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B66.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Mamantel. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Escarcega. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2420

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B67.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the city of Escarcega. Includes an index map showing the location of this map in relation to the other maps in this series.

199? La Libertad. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2419

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B68.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of La Libertad. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Constitucion. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2418

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B69.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Constitucion. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Santa Rita. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2417

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B75.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Santa Rita. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Porvenir. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2416

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /E15B74.  
Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including El Porvenir. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tecoh. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2415

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C62.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Tecoh. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Opichen. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2414

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C61.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Opichen. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Merida. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2413

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C52.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Merida. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Muna. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan, Campeche.

Call Number: 2412

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C71.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Campeche, including the town of Muna. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Ticul. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2411

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C72.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Ticul. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tekax. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2410

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C83.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Tekax. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Peto. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2409

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C84.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Peto. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tepich. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2408

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C86.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Tepich. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tihosuco. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan, Quintana Roo.

Call Number: 2407

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C85.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Quintana Roo, including the city of Tihosuco. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Bolonchen. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan, Campeche.

Call Number: 2406

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C81.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Campeche, including the town of Bolonchen. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Xul. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan, Campeche.

Call Number: 2405

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C82.  
Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Campeche, including the town of Xul. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Chikindzonot. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2404

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C75.  
Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the town of Chikindzonot. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Yaxcaba. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2403

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C64.  
Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Yaxcaba. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Chichen-Itza. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2402

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C65.  
Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including Chichen-Itza. Includes an index map showing the location of this map in relation to the other maps in this series.

199? X-Uilub. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan, Quintana Roo.

Call Number: 2401

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C76.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Quintana Roo, including the town of X-Uilub. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Chumayel. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2400

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C73.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the town of Chumayel. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tixcacaltuyub. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2399

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C74.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Tixcacaltuyub. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Dzitas. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2398

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C55.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Dzitas. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Temax. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2397

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C44.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Temax. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tixbakab. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2396

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C45.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the town of Tixbakab. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tizimin. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2395

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 /F16C46.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Tizimin. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Calakmul. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2394

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A81.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Calakmul. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Carmen. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2393

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A82.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of El Carmen. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tomas Garrido. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo, Campeche.

Call Number: 2392

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A83.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Quintana Roo, including the town of Tomas Garrido. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Cacao. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2391

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A84.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Cacao. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Pucte. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2390

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A85.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Pucte. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Santa Cecilia. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2389

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A87.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Santa Cecilia. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Laguna Ik. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2388

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A41.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Laguna Ik. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Telchac Puerto. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2387

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C33.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including Telchac Puerto. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Dzilam Gonzalez. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2386

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C34.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including Dzilam Gonzalez. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Yalsihon. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2385

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C35.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the town of Yalsihon. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Panaba. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2384

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C36.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the town of Panaba. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Punta de Bachul. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2383

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C25.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including Punta de Bachul. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Rio Lagartos. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2382

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C26.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including Rio Lagartos. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Puerto Progreso. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2381

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C32.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including Puerto Progreso. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Hunucma. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2380

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C41.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Hunucma. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Conkal. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2379

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C42.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Conkal. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Motul. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2378

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C43.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Motul. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Valladolid. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2377

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C66.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Valladolid. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tunkas. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2376

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C54.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Tunkas. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Solferino. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan, Quintana Roo.

Call Number: 2375

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C38.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo and Yucatan, including Solferino. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Las Coloradas. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2374

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C27.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including Las Coloradas. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Colonia Yucatan. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2373

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C47.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including Colonia Yucatan. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Kantunilkin. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan, Quintana Roo.

Call Number: 2372

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C48.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo and Yucatan, including the town of Kantunilkin. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Dzonot Carretero. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2371

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C37.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including Dzonot Carretero. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Laguna Conil. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2370

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C39.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Laguna Conil. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Emiliano Zapata. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2369

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C49.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the town of Emiliano Zapata. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Ukum. Instituto Nacional de Estadística Geografía e Informática, ?

Keywords: Campeche.

Call Number: 2368

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A42.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Ukum. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Xmaben. Instituto Nacional de Estadística Geografía e Informática, ?

Keywords: Quintana Roo, Campeche.

Call Number: 2367

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A43.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Quintana Roo, including the town of Xmaben. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Dieciocho de Marzo. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2366

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A44.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Dieciocho de Marzo. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Los Divorciados. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2365

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A45.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Los Divorciados. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Nohbec. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2364

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A46.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Nohbec. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Cenote La Esperanza. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2363

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A47.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Cenote La Esperanza. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tampalan. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2362

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A48.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Tampalan. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Desempeno. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2361

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A51.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Desempeno. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Refugio. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2360

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A52.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including El Refugio. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Cinco de Mayo. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo, Campeche.

Call Number: 2359

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A53.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo and Campeche, including Cinco de Mayo. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Altos de Sevilla. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2358

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A54.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including Altos de Sevilla. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Champoton. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2357

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B37.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Champoton. Includes an index map showing the location of this map in relation to the other maps in this series.

199? San Pablo Pixtun. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2356

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B47.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including San Pablo Pixtun. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Seybaplaya. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2355

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B27.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Seybaplaya. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Campeche. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2354

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B18.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Villa de Guadalupe. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2353

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B38.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Villa de Guadalupe. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Tinun. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2352

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B19.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the city of Tinun. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Alfredo V. Bonfil. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2351

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B29.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the city of Alfredo V. Bonfil. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Ignacio Zaragoza. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche, Tabasco, Chiapas.

Call Number: 2350

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15D14.

Abstract: Shows roads, cities, towns, landforms and landmarks in Chiapas, Campeche and Tabasco, including the city of Ignacio Zaragoza. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Balancan. Instituto Nacional de Estadística Geografía e Informática, ?

Keywords: Campeche, Tabasco.

Call Number: 2349

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15D15.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Tabasco, including the city of Balancan. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Triunfo. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche, Tabasco.

Call Number: 2348

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15D16.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Tabasco, including the city of El Triunfo. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Miguel Hidalgo. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche, Tabasco.

Call Number: 2347

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15D17.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Tabasco, including the town of Miguel Hidalgo. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Ramonal. Instituto Nacional de Estadística Geografía e Informática, ?

Keywords: Campeche.

Call Number: 2346

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15D18.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of El Ramonal. Includes an index map showing the location of this map in relation to the other maps in this series.

199? La Abundancia. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2345

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15D19.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of La Abundancia. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Frontera. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche, Tabasco.

Call Number: 2344

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B62.

Abstract: Shows roads, cities, towns, landforms and landmarks in Tabasco and Campeche, including the city of Frontera. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Nuevo Progreso. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2343

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B63.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the city of Nuevo Progreso. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Palizada. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche, Tabasco.

Call Number: 2342

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B73.

Abstract: Shows roads, cities, towns, landforms and landmarks in Tabasco and Campeche, including the city of Palizada. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Jonuta. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche, Tabasco.

Call Number: 2341

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B83.

Abstract: Shows roads, cities, towns, landforms and landmarks in Tabasco and Campeche, including the city of Jonuta. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Yohaltun. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2340

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B49.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the city of Yohaltun. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Pich. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2339

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B39.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the city of Pich. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Calkini. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche, Yucatan.

Call Number: 2338

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F15D79.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan and Campeche, including the city of Calkini. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Isla Jaina. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2337

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F15D88.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including Isla Jaina. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Hecelchakan. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2336

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15D89.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Hecelchakan. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Haro. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2335

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B77.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Haro. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Champas Quemadas. Instituto Nacional de Estadística Geografía e Informática, ?  
Keywords: Campeche.

Call Number: 2334

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B78.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Champas Quemadas. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Felipe Carrillo Puerto. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche.

Call Number: 2333

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B48.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the town of Felipe Carrillo Puerto. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Galeon. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2332

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E15B46.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including El Galeon. Includes an index map showing the location of this map in relation to the other maps in this series.

199? El Romonal. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2331

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A71.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the archaeological site El Romonal. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Polo Norte. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2330

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A72.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche, including the city of Polo Norte. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Caobas. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo, Campeche.

Call Number: 2329

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A73.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Quintana Roo, including the city of Caobas. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Nicolas Bravo. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2328

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A74.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the city of Nicolas Bravo. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Nuevo Alvaro Obregon. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2327

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A75.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the city of Nuevo Alvaro Obregon. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Punta Calentura. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2326

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A76.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the city of Punta Calentura. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Xcalak. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 2325

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / E16A77.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, including the city Xcalak. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Isla Arena. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan, Campeche.

Call Number: 2324

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F15D68.

Abstract: Shows roads, cities, towns, landforms and landmarks in Isla Arena, Campeche and Yucatan. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Santa Maria. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2323

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F15D59.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Santa Maria. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Chunchucmil. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche, Yucatan.

Call Number: 2322

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F15D69.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Yucatan, including the city of Chunchucmil. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Isla Piedra. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Campeche.

Call Number: 2321

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F15D78.

Abstract: Shows roads, cities, towns, landforms and landmarks in Isla Piedra, Campeche. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Celestun. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2320

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F15D58.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Celestun. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Izamal. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2319

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C53.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Izamal. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Uman. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2318

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C51.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Uman. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Huhi. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2317

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C63.

Abstract: Shows roads, cities, towns, landforms and landmarks in Yucatan, including the city of Huhi. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Ciudad del Carmen. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Campeche, Tabasco.

Call Number: 2316

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 / E15-6.

Abstract: Shows roads, cities, towns, landforms and landmarks in Campeche and Tabasco, including the city of Ciudad del Carmen. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Felipe Carrillo Puerto. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes.

Keywords: Yucatan.

Call Number: 2315

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 / E16-1.

Abstract: Shows roads, cities, towns, landforms and landmarks in Quintana Roo, Yucatán, and Campeche, including the city of Felipe Carrillo Puerto. Includes an index map showing the location of this map in relation to the other maps in this series.

199? Temozon. Instituto Nacional de Estadística Geografía e Informática, Mexico, D.F.

Keywords: Yucatan.

Call Number: 2314

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:50,000 / F16C56.

Abstract: Shows roads, cities, towns, landforms and landmarks in part of the state of Yucatán, including the city of Temozon. Includes an index map showing the location of this map in relation to the other maps in this series.

1998 Chetumal. Instituto Nacional de Estadística Geografía e Informática, Aguascalientes, Mexico.

Keywords: Quintana Roo /Campeche.

Call Number: 2313

Notes: Series: Estados Unidos Mexicanos / Carta Topográfica 1:250,000 / E16-4-7.

Abstract: Shows roads, cities, towns, landforms and landmarks in parts of the states of Quintana Roo and Campeche, along the Guatemalan border and Bahía de Chetumal, including the city of Chetumal. Includes an index map showing the location of this map in relation to the other maps in this series.

2000 Atlas de Carreteras / Guía Turística de la República Mexicana. Distribuidora de Ediciones Independencia, Mexico, D.F.

Keywords: Mexico.

Call Number: 2312

Abstract: Spiral bound booklet includes 12 pages of maps of roads between specific cities (pages A-L) ; and 60 pages with maps of the regions of Mexico - showing roads, cities, landmarks and state boundary lines; and includes tables on surface area and total population of the states, as well as tourist information on specific cities. Includes a table showing distances between major cities, and city maps of Mexico, D.F., Monterrey, N.L., Guadalajara, Jal., Acapulco, Gro., Puebla, Pue., and Toluca, Méx., as well as a brief factual text about each state of Mexico, in English and Spanish. Also includes maps showing the watersheds, including interior river basins; vegetation, climate, and physical geography of the various parts of Mexico.

18th century? Charte von Paraguay und Buenos-Ayres. A. Burck.

Keywords: Uruguay.

Call Number: 2311

Notes: Goes with a book on 18th century colonial Uruguay: "Die Entstehung einer Grenzregion..." (LAL F1401.L322 Bd.28).

Abstract: Shows places and landmarks near the mouth and upper reaches of the Rio de la Plata and other its major tributaries in a large region to the north of Buenos Aires, Argentina, and nearby areas of modern Uruguay, Paraguay, Bolivia and Brazil, as charted in the 18th century.

Jordán, R. F. i. t. d. F. C. N. d. T.

1906 Río Jaltepec / Proyecto de Defensas. edited by Jordán, R. F. i. t. d. F. C. N. d. T., Comisión Hidrográfica de los EE.UU. Mexicanos / División de Costas y Ríos / Sección "Ríos de Sotavento de Veracruz", Tlacotalpam.

Keywords: Río Jaltepec /Tehuantepec Railway.

Call Number: 2310

Abstract: Foldout maps and charts showing proposed defenses against flooding on a section of the Río Jaltepec near Santa Lucrecia where the Tehuantepec Railway passes along the flood plain. Includes cross-sections of the banks in the area of the proposed defenses. #6 of several maps in a booklet.

Jordán, R. F. i. t. d. F. C. N. d. T.

1906 Río Jaltepec (afluente del Coatzacoalcos) / Secciones Transversales. edited by Jordán, R. F. i. t. d. F. C. N. d. T., Comisión Hidrográfica de los EE.UU. Mexicanos / División de Costas y Ríos / Sección "Ríos de Sotavento de Veracruz", Tlacotalpam.

Keywords: Río Jaltepec /Tehuantepec Railway.

Call Number: 2309

Abstract: Foldout chart shows transverse profiles (for the years 1905 and 1906) of a section of the Río Jaltepec near Santa Lucrecia where the Tehuantepec Railway passes along the flood plain. #5 of several maps in a booklet.

Jordán, R. F. i. t. d. F. C. N. d. T.

1906 Río Jaltepec (afluente del Coatzacoalcos) / Perfil de las Márgenes y Fondo. edited by Jordán, R. F. i. t. d. F. C. N. d. T., Comisión Hidrográfica de los EE.UU. Mexicanos / División de Costas y Ríos / Sección "Ríos de Sotavento de Veracruz", Tlacotalpam.

Keywords: Río Jaltepec /Tehuantepec Railway.

Call Number: 2308

Abstract: Foldout chart shows hydrographic profile of a section of the Río Jaltepec near Santa Lucrecia where the Tehuantepec Railway passes along the flood plain. #4 of several maps in a booklet.

Jordán, R. F. i. t. d. F. C. N. d. T.

1906 Plano Hidrográfico del Río Jaltepec (afluente del Coatzacoalcos) cerca de Santa Lucrecia, donde amenaza a la vía del F.C.N de Tehuantepec. edited by Jordán, R. F. i. t. d. F. C. N. d. T., Comisión Hidrográfica de los EE.UU. Mexicanos / División de Costas y Ríos / Sección "Ríos de Sotavento de Veracruz", Tlacotalpam.

Keywords: Río Jaltepec /Tehuantepec Railway.

Call Number: 2307

Abstract: Foldout map shows hydrographic features of a section of the Río Jaltepec near Santa Lucrecia where the Tehuantepec Railway passes along the flood plain. Inset map compares the banks of the river in 1905 and 1906. #3 of several maps in a booklet.

Jordán, R. F. i. t. d. F. C. N. d. T.

1906 Plano Hidrográfico del Río Jaltepec (afluente del Coatzacoalcos) cerca de Santa Lucrecia, donde amenaza a la vía del F.C.N de Tehuantepec. edited by Jordán, R. F. i. t. d. F. C. N. d. T., Comisión Hidrográfica de los EE.UU. Mexicanos / División de Costas y Ríos / Sección "Ríos de Sotavento de Veracruz", Tlacotalpam.

Keywords: Río Jaltepec /Tehuantepec Railway.

Call Number: 2306

Abstract: Foldout map shows hydrographic features of a section of the Río Jaltepec near Santa Lucrecia where the Tehuantepec Railway passes along the flood plain. Inset map shows the entire region covered by the series of maps. #2 of several maps in a booklet.

19?? Municipio de Tamahu / Departamento de Alta Verapaz. Dirección General de Estadística[?], [Guatemala].

Keywords: Tamahu (municipio).

Call Number: 2305

Notes: Collected by Frank Keller (?).

Abstract: Sketch map shows the town of Tamahu, main roads and boundaries of the municipio of Tamahu (Departamento de Alta Verapaz), Guatemala. Also shows the names of neighboring municipios.

19?? Municipio de Cobán / Departamento de Alta Verapaz. Dirección General de Estadística, [Guatemala].

Keywords: Cobán (municipio).

Call Number: 2304

Notes: Collected by Frank Keller (?).

Abstract: Shows roads, towns, landmarks, and boundaries of the municipio of Cobán (Departamento de Alta Verapaz), Guatemala. Also shows the names of neighboring municipios.

19?? Croquis del Municipio de Chamelco / Departamento de Alta Verapaz. Dirección General de Estadística[?], [Guatemala].

Keywords: Chamelco (municipio).

Call Number: 2303

Notes: Collected by Frank Keller (?).

Abstract: Sketch map shows roads, towns, fincas, landmarks, and boundaries of the municipio of Chamelco (Departamento de Alta Verapaz), Guatemala.

19?? Croquis del Municipio de Santa Cruz Verapaz / Departamento de Alta Verapaz. Dirección General de Estadística[?], [Guatemala].

Keywords: Santa Cruz Verapaz (municipio).

Call Number: 2302

Notes: Collected by Frank Keller (?).

Abstract: Sketch map shows roads, towns, fincas, landmarks, and boundaries of the municipio of Santa Cruz Verapaz (Departamento de Alta Verapaz), Guatemala.

19?? Alta Verapaz. Dirección General de Cartografía / Ministerio de Comunicaciones y Obras Públicas, Guatemala.

Keywords: Alta Verapaz (department).

Call Number: 2301

Notes: Collected by Frank Keller (?).

Abstract: Shows roads, towns, landmarks, departmental and municipal boundaries of the department of Alta Verapaz, Guatemala. Also shows the names of neighboring departments.

19?? Croquis del Municipio de Cahabón / Departamento de Alta Verapaz. Dirección General de Estadística, [Guatemala].

Keywords: Cahabón (municipio).

Call Number: 2300

Notes: Collected by Frank Keller (?).

Abstract: Sketch map shows roads, towns, fincas, landmarks, and boundaries of the municipio of Cahabón (Departamento de Alta Verapaz), Guatemala. Also shows the names of neighboring municipios and departamentos.

19?? Municipio de Lanquín / Departamento de Alta Verapaz. Dirección General de Estadística[?], [Guatemala].

Keywords: Lanquín (municipio).

Call Number: 2299

Notes: Collected by Frank Keller (?).

Abstract: Shows towns, fincas, landmarks, and boundaries of the municipio of Lanquín (Departamento de Alta Verapaz), Guatemala.

19?? Municipio de San Cristóbal Verapaz / Departamento de Alta Verapaz. Dirección General de Estadística, [Guatemala].

Keywords: San Cristóbal Verapaz (municipio).

Call Number: 2298

Notes: Collected by Frank Keller (?).

Abstract: Shows roads, towns, landmarks, and boundaries of the municipio of San Cristóbal Verapaz (Departamento de Alta Verapaz), Guatemala. Also shows the names of neighboring municipios and departamentos.

19?? Croquis del Municipio de Panzos / Departamento de Alta Verapaz. Dirección General de Estadística, [Guatemala].

Keywords: Panzos (municipio).

Call Number: 2297

Notes: Collected by Frank Keller (?).

Abstract: Sketch map shows roads, towns, landmarks, and boundaries of the municipio of Panzos (Departamento de Alta Verapaz), Guatemala. Also shows the names of neighboring municipios and departamentos.

19?? Municipio de Chisec / Departamento de Alta Verapaz. Dirección General de Estadística[?], [Guatemala].

Keywords: Chisec (municipio).

Call Number: 2296

Notes: Collected by Frank Keller (?).

Abstract: Shows roads, towns, landmarks, and boundaries of the municipio of Chisec (Departamento de Alta Verapaz), Guatemala. Also shows the names of neighboring municipios.

19?? Municipio de Chahal / Departamento de Alta Verapaz. Dirección General de Estadística[?], [Guatemala].

Keywords: Chahal (municipio).

Call Number: 2295

Notes: Collected by Frank Keller (?).

Abstract: Shows roads, towns, landmarks, and boundaries of the municipio of Chahal (Departamento de Alta Verapaz), Guatemala. Also shows the names of neighboring municipios and departments.

19?? Municipio de Tactic / Departamento de Alta Verapaz. Dirección General de Estadística[?], [Guatemala].

Keywords: Tactic (municipio).

Call Number: 2294

Notes: Collected by Frank Keller (?).

Abstract: Shows roads, railroads, towns, landmarks, and boundaries of the municipio of Tactic (Departamento de Alta Verapaz), Guatemala.

19?? Municipio de San Pedro Carcha / Departamento de Alta Verapaz. Dirección General de Estadística, [Guatemala].

Keywords: San Pedro Carcha (municipio).

Call Number: 2293

Notes: Collected by Frank Keller (?).

Abstract: Shows roads, towns, landmarks, and boundaries of the municipio of San Pedro Carcha (Departamento de Alta Verapaz), Guatemala. Also shows the names of neighboring municipios.

19?? Municipio de Cobán / Departamento de Alta Verapaz. Dirección General de Estadística[?], [Guatemala].

Keywords: Cobán (municipio).

Call Number: 2292

Notes: Collected by Frank Keller (?).

Abstract: Shows roads, towns, landmarks, and boundaries of the municipio of Cobán (Departamento de Alta Verapaz), Guatemala. Also shows the names of neighboring municipios. On reverse: hand-drawn map apparently showing one particular coffee finca along the Río Sachichá.

19?? Municipio de Tukurú / Departamento de Alta Verapaz. Dirección General de Estadística[?], [Guatemala].

Keywords: Tukurú (municipio).

Call Number: 2291

Notes: Collected by Frank Keller (?).

Abstract: Shows roads, towns, landmarks, and boundaries of the municipio of Tukurú (Departamento de Alta Verapaz), Guatemala. Also shows the names of neighboring municipios.

19?? Departamento de Alta Verapaz / República de Guatemala. Dirección General de Estadística, [Guatemala].

Keywords: Alta Verapaz (department).

Call Number: 2290

Notes: Collected by Frank Keller (?).

Abstract: Shows roads, railroads, towns, landmarks, departmental and municipal boundaries of the department of Alta Verapaz, Guatemala. Also shows the names of neighboring departments.

1998 Carta Aeronáutica de la República de Honduras, C.A. Instituto Geográfico Nacional (con la colaboración de la National Imagery and Mapping Agency), Tegucigalpa.

Keywords: Aeronautic /Honduras.

Call Number: 2289

Notes: Aeronautic information: Dirección General de Autonomía Civil, 1997. Map purchased from Mario Argueta, 2000.

Abstract: Color map shows topographic contours, mountain peaks, airports including height and length of runways, radio and navigational installations, special air space use areas, latitudes and longitudes, cities, roads landmarks, and national and departmental boundaries of Honduras.

Carranza Eckardt, V.

1980 Canalizaciones - Canal de Maracaibo y Canales de Lago. edited by Carranza Eckardt, V., C.A. Constructora Heerema, Maracaibo, Venezuela.

Keywords: Lake Maracaibo /Canal /Shipping.

Call Number: 2288

Abstract: Shows the region of Lago Maracaibo, Venezuela, including the shipping canal into the lake from the Golfo de Venezuela (Caribbean Sea); and shipping canals in the lake. Indicates water depths, navigation buoys, and main placenames along the shore.

1984 Gulf of Mexico / North Atlantic Ocean. Defense Mapping Agency  
Hydrographic/Topographic Center, Washington, D.C.

Keywords: Gulf of Mexico /Cuba /Yucatan.

Call Number: 2287

Notes: Mercator Projection.

Abstract: Shows depths in meters and Omega readings in the entire Gulf of Mexico, the northwestern Caribbean Sea as far east as Port-au-Prince, and the Atlantic Ocean to the east of Florida, including coastal areas of the United States, Mexico, Belize and Honduras. Includes Cuba, Jamaica, the Yucatán Peninsula and the Bahama Islands.

1968 Atlantic Ocean / Trinidad to Montevideo and Freetown to Cape of Good Hope. U.S.  
Naval Oceanographic Office, Washington, D.C.

Keywords: South Atlantic Ocean /Nautical Chart.

Call Number: 2286

Notes: Mercator Projection. Also see map #2284 (later edition).

Abstract: Shows soundings in fathoms and magnetic variation curves (for 1965) in a large section of the South Atlantic Ocean including coastal areas of South America and Africa, including the South American coast between Trinidad (on the north) and Punta Medianos, Argentina (on the south) and the African coast between Guinea-Bissau (on the north) and the Cape of Good Hope (on the south). Includes main placenames and landmarks on the mainland and islands including Fernando de Noronha, Ascension, and São Tomé and Príncipe.

1976 Oceano Atlântico de Trinidad a Baía Blanca e do Cabo Blanco ao Cabo da Boa  
Esperança. Marinha do Brasil / Hidrografia e Navegação.

Keywords: South Atlantic Ocean /Nautical Chart.

Call Number: 2285

Notes: Mercator Projection.

Abstract: Shows soundings in meters and magnetic variation curves (for 1980) in a large section of the South Atlantic Ocean including coastal areas of South America and Africa, including the South American coast between the Leeward Islands (on the north) and Bahía Blanca, Argentina (on the south) and the African coast between the southern frontier of Spanish Sahara (on the north) and the Cape of Good Hope (on the south).

Includes main placenames and landmarks on the mainland and islands including Fernando de Noronha, Ascension, and São Tomé and Príncipe.

1976 Atlantic Ocean / Trinidad to Montevideo and Freetown to Cape of Good Hope. Defense Mapping Agency Hydrographic Office, Washington, D.C.

Keywords: South Atlantic Ocean /Nautical Chart.

Call Number: 2284

Notes: Mercator Projection. Also see map #2286 (earlier edition).

Abstract: Shows soundings in fathoms and magnetic variation curves (for 1975) in a large section of the South Atlantic Ocean including coastal areas of South America and Africa, including the South American coast between Trinidad (on the north) and Punta Medianos, Argentina (on the south) and the African coast between Guinea-Bissau (on the north) and the Cape of Good Hope (on the south). Includes main placenames and landmarks on the mainland and islands including Fernando de Noronha, Ascension, and São Tomé and Príncipe.

1975 South Atlantic Ocean / Southern Part. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: South Atlantic Ocean /Nautical Chart.

Call Number: 2283

Notes: Mercator Projection.

Abstract: Shows soundings in fathoms and feet, and magnetic variation curves (for 1976) in a large section of the southern South Atlantic Ocean, between the Antarctic Peninsula (bottom left), coastal Chile, Argentina and Uruguay (center and upper left), and a small corner of the Republic of South Africa (upper right). Includes main placenames and landmarks on the mainland and islands including the Falkland Islands, South Georgia Island, Southt Orkney Islands, Sandwich Islands, Tristan da Cunha Islands, etc.

1966 West India Islands and Caribbean Sea / Comprising the Lesser Antilles and Coasts of South and Central America from Trinidad to Yucatan. The Admiralty, London.

Keywords: West Indies /Caribbean /Nautical Chart.

Call Number: 2282

Notes: Mercator Projection.

Abstract: Shows soundings in fathoms and magnetic variation curves (for 1965) in the Caribbean Sea, comprising the Lesser Antilles and coasts of South and Central America from Trinidad to Yucatan, including the north coast of Venezuela and Colombia; and all of Puerto Rico, Dominican Republic, Haiti, Jamaica and southeast Cuba. Shows an excellent perspective of the east coast of Central America. Also shows main placenames and landmarks along the coasts.

1973 Da I. de Maracá ao Rio Parnaíba (Carta de Pesca) / Brasil-Costa Norte. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /North Coast /Nautical Chart /Fishing.

Call Number: 2281

Notes: Mercator Projection; compilation of Brazilian Navy surveys from 1956 to 1969.

Abstract: Color map shows soundings in meters and magnetic declination curves (ocean navigation aids) along the northern coast of Brazil between Rio Parnaíba (on the southeast) and Ilha de Maracá (on the northwest), in the states of Piauí, Maranhão, Pará, and territory of Amapá. Also shows main placenames and landmarks along the coast. On reverse: charts showing water temperature and surface salinity in different seasons of the year in the region; information about the principal commercial fish species along the north coast of Brazil; and data on currents and winds in the region.

1967 Do Rio de Janeiro ao Rio da Prata / Uruguai e Argentina - Rio da Prata / Brasil - Costa Sul / Atlântico Sul. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /Uruguay /South Coast /Nautical Chart.

Call Number: 2280

Notes: Mercator Projection; compilation of surveys to 1964.

Abstract: Color map shows soundings in meters and magnetic variation curves (ocean navigation aids) along the south coast of Brazil between Cabo Frio (on the north, in the state of Rio de Janeiro), extending south through the states of São Paulo, Paraná, Santa Catarina and Rio Grande do Sul, to the Rio de La Plata estuary between Uruguay and Argentina. Also shows main placenames and landmarks along the coast.

1978 Do Rio Parnaíba a Fortaleza (Carta de Pesca) / Brasil-Costa Norte. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /North Coast /Nautical Chart /Fishing.

Call Number: 2279

Notes: Mercator Projection; compilation of Brazilian Navy surveys from 1956 to 1976.

Abstract: Color map shows soundings in meters and magnetic variation curves (ocean navigation aids) along the northern coast of Brazil between Rio Parnaíba and some distance southeast of Fortaleza, in the states of Ceará and Piauí. Also shows main placenames and landmarks along the coast. On reverse: charts showing water temperature and surface salinity in different seasons of the year in the region; information about the principal commercial fish species along the north coast of Brazil; and data on currents and winds in the region.

1978 Do Cabo Orange ao Recife / Brasil-Costa Norte. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /North Coast /Nautical Chart.

Call Number: 2278

Notes: Mercator Projection; compiled from surveys to 1976.

Abstract: Color map shows soundings in meters and magnetic variation curves (ocean navigation aids) along the northern coast of Brazil between Baía do Oiapoque (Cabo Orange, at the border of French Guiana) and Recife (in the south), in the states of Pernambuco, Paraíba, Rio Grande do Norte, Ceará, Piauí, Maranhão, Pará, and territory of Amapá. Also shows main placenames and landmarks along the coast.

1956 Straits of Florida and Approaches. U.S. Coast and Geodetic Survey, Washington, D.C.

Keywords: Straits of Florida /Florida Keys /Cuba /Florida (south coast) /Bahama Islands.

Call Number: 2277

Notes: Mercator Projection.

Abstract: Shows soundings in fathoms along the south coast of Florida, all of Cuba and most of the Bahamas; and the adjoining areas of the Straits of Florida, Gulf of Mexico, Caribbean Sea and Atlantic Ocean. Also shows main placenames and landmarks.

1983 Havana to Tampa Bay / United States-Gulf Coast. Department of Commerce / National Oceanographic and Atmospheric Administration / National Ocean Service, Washington, D.C.

Keywords: Straits of Florida /Florida Keys /Cuba (north coast) /Florida (southwest coast).

Call Number: 2276

Notes: Mercator Projection. "This chart has been corrected from the Notice to Mariners published weekly by the Defense Mapping Agency Hydrographic / Topographic Center..."; "Offshore mineral leasing areas and blocks indicated in red from Bureau of Land Management data furnished to July 1974."

Abstract: Shows soundings in fathoms and Loran lines along the southeast coast of Florida between Tampa Bay (in the north) and the Florida Keys (in the south); and the adjoining area of the Gulf of Mexico and Straits of Florida as far south as the northwest coast of Cuba (including Havana).

1978 Gulf of Mexico and Caribbean Sea including the West Indies. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Gulf of Mexico /Caribbean Sea /West Indies /Nautical Chart.

Call Number: 2275

Notes: Mercator Projection.

Abstract: Shows soundings in fathoms in the Gulf of Mexico and the Caribbean Sea, including the mainland coasts of southern U.S., eastern Mexico and Central America and northern South America; and the islands in the West Indies. Also shows Omega lines (magnetic variation curves) for the entire section of ocean shown, and main placenames and landmarks.

1956 Serpent's Mouth to Rio Orinoco including approaches to Boca Grande / Venezuela-Northeast Coast. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Venezuela (northeast coast) /Trinidad (south coast) /Nautical Chart.

Call Number: 2274

Notes: Mercator Projection; from surveys by U.S.S. Hannibal between 1931 and 1938 in collaboration with the Venezuelan government with additions from British surveys to 1938.

Abstract: Shows soundings in fathoms along the northeast Venezuelan coastline between the mouth of the Rio Pedernales (in the west, near the "Serpent's Mouth" channel between Venezuela and Trinidad) to some distance east of the mouth of the Rio Orinoco (in the east), including to approaches to the "Boca Grande" (off the coast of the mouth of the Orinoco). Shows main landmarks and towns along the coasts of Venezuela and Trinidad.

1970 Port of Ilhéus to Ponta Cumuruxatiba / Brazil-East Coast. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Brazil /East Coast /Bahia /Nautical Chart.

Call Number: 2273

Notes: Mercator Projection; compiled from surveys to 1960 with additions to 1969.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the state of Bahia, between the port of São Jorge dos Ilhéus (in the north) to Ponta Cumuruxatiba (in the south). Shows main landmarks, towns and elevations along the coast.

1967 Baía de Todos os Santos Northeast Part / Brazil-East Coast. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Brazil /East Coast /Baía de Todos os Santos /Nautical Chart.

Call Number: 2272

Notes: Mercator Projection; from a Brazilian survey of 1956.

Abstract: Shows soundings in meters along the east coast of the state of Bahia, Brazil focusing on the northeast part of the Baía de Todos os Santos, near the city of Salvador (not shown), including Ilha da Maré and Ilha do Frade. Shows topographical contours and main landmarks and towns along the coast.

1965 Rio Itariri to Ilheus / Brazil-East Coast. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Brazil /East Coast /Bahia /Nautical Chart.

Call Number: 2271

Notes: Mercator Projection; from Brazilian surveys to 1960.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the state of Bahia, between the mouth of the Rio Itariri (in the north) the city of Ilheus (in the south). Includes the city of Salvador among other main landmarks and towns. Shows topographical contours along the coast.

1976 Pôrto do Salvador / Brazil-East Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Salvador /Harbor /Nautical Chart.

Call Number: 2270

Notes: Mercator Projection; From Brazilian surveys in 1959 with additions to 1976.

Abstract: Shows soundings in meters along the coastline at the port of Salvador, Bahia, Brazil. Also shows main landmarks and streets in the harbor area of the city of Salvador, as well as topographic contour lines indicating elevations.

1973 Maceió to Rio Itariri / Brazil-East Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Brazil /East Coast /Alagoas /Bahia /Sergipe /Nautical Chart.

Call Number: 2269

Notes: Mercator Projection; from Brazilian surveys to 1962.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Bahia, Sergipe, and Alagoas between the mouth of the Rio Itariri (on the south) the city of Maceió (on the north). Also shows main landmarks and towns, and topographical contours along the coast.

1964 Do Maceió a Rio Itariri / Brazil-Costa Leste. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /East Coast /Alagoas /Bahia /Sergipe /Nautical Chart.

Call Number: 2268

Notes: Mercator Projection; From surveys to 1962.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Bahia, Sergipe, and Alagoas between the mouth of the Rio Itariri (on the south) the

city of Maceió (on the north). Also shows main landmarks and towns, and topographical contours along the coast.

1973 Cabo Branco to Maceió / Brazil-East Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Brazil /East Coast /Alagoas /Pernambuco /Paraíba /Nautical Chart.

Call Number: 2267

Notes: Mercator Projection; From Brazilian surveys to 1964 with additions and corrections to 1972.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Alagoas, Pernambuco and Paraíba, between the cities of Maceió (on the south) and João Pessoa (at Cabo Branco, on the north). Also shows main landmarks and towns, and topographical contours along the coast.

1964 Do Cabo Branco a Maceió / Brazil-Costa Leste. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /East Coast /Alagoas /Pernambuco /Paraíba /Nautical Chart.

Call Number: 2266

Notes: Mercator Projection; From surveys to 1964.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Alagoas, Pernambuco and Paraíba, between the cities of Maceió (on the south) and João Pessoa (at Cabo Branco, on the north). Also shows main landmarks and towns, and topographical contours along the coast.

1973 Fortaleza to Ponta dos Três Irmãos / Brasil-North Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Brazil /North Coast /Ceará /Rio Grande do Norte /Nautical Chart.

Call Number: 2265

Notes: Mercator Projection; From Brazilian Navy surveys to 1973.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Ceará and Rio Grande do Norte, between the city of Fortaleza and the Ponta dos Três

Irmãos. Also shows main landmarks and towns along the coast. Includes an inset map of the area at the mouth of the Rio Jaguaribe.

1974 De Fortaleza à Ponta dos Três Irmãos / Brasil-Costa Norte. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /North Coast /Ceará /Rio Grande do Norte /Nautical Chart.

Call Number: 2264

Notes: Mercator Projection; From Brazilian Navy surveys to 1973.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Ceará and Rio Grande do Norte, between the city of Fortaleza and the Ponta dos Três Irmãos. Also shows main landmarks and towns along the coast. Includes an inset map of the area at the mouth of the Rio Jaguaribe and Punta Maceió.

1983 Approaches to Pôrto do Salvador / Brazil-East Coast. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Salvador /Harbor /Nautical Chart.

Call Number: 2263

Notes: Mercator Projection; From Brazilian surveys, 1957 to 1959.

Abstract: Shows soundings in meters along the coast in the vicinity of Salvador, Bahia, Brazil, featuring the Ilha de Itaparica, the port of Salvador and its oceanic approaches. Also shows main landmarks and streets in the harbor area of the city of Salvador, as well as topographic contour lines indicating elevations.

1975 Da Baía do Oiapoque ao Rio Parnaíba / Brasil-Costa Norte. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /North Coast /Nautical Chart.

Call Number: 2262

Notes: Mercator Projection; compiled from surveys to 1973. Also see map 2261.

Abstract: Color map shows soundings in meters and magnetic variation curves (ocean navigation aids) along the northern coast of Brazil between Baía do Oiapoque (in the north, at the border of French Guiana) and Rio Parnaíba (in the south), in the states of Piauí, Maranhão, Pará, and territory of Amapá. Also shows main placenames and

landmarks along the coast, including the mouths of Rio Pará and Rio Amazonas, Ilha Marajó and Cabo Orange.

1977 Baía do Oiapoque to Rio Parnaíba / Brazil-North Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Brazil /North Coast /Nautical Chart.

Call Number: 2261

Notes: Mercator Projection; compiled from surveys to 1973.

Abstract: Shows soundings in meters and omega readings (magnetic variation curves - ocean navigation aids) along the northern coast of Brazil between Baía do Oiapoque (in the north, at the border of French Guiana) and Rio Parnaíba (in the south), in the states of Piauí, Maranhão, Pará, and territory of Amapá. Also shows main placenames and landmarks along the coast, including the mouths of Rio Pará and Rio Amazonas, Ilha Marajó and Cabo Orange.

1976 Rio de Janeiro to Santos/ Brazil-South Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Brazil /East Coast /Nautical Chart.

Call Number: 2260

Notes: Mercator Projection; compiled from Brazilian surveys to 1938.

Abstract: Shows soundings in fathoms along the south coast of Brazil between Rio de Janeiro and Santos, including Baía de Guanabara, Baía de Sepetiba, Baía da Ilha Grande, Ilha de São Sebastião, and Ilha de Santo Amaro. Also shows main topographic features along the coast.

1975 Cabo de São Tomé to Rio de Janeiro / Brazil-East Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Brazil /East Coast /Nautical Chart.

Call Number: 2259

Notes: Mercator Projection; compiled from Brazilian surveys to 1962.

Abstract: Shows soundings in meters along the east coast of Brazil between Rio de Janeiro (Estado de Guanabara) and the Cabo de São Tomé, including Bahia de

Guanabara, Cabo Frio and Cabo Búzios. Also shows main topographic features along the coast. Includes an inset map of Macaé Bay which is located about two-thirds of the distance from Rio de Janeiro to Cabo de São Tomé.

1975 Golfo de Urubá to Puerto Cabello / Colombia and Venezuela-North Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Colombia /Venezuela /North Coast /Nautical Chart.

Call Number: 2258

Notes: Mercator Projection; compiled from foreign and U.S. Naval surveys to 1941.

Abstract: Shows soundings in fathoms, and magnetic variation curves (for 1970), along the north coast of Venezuela and Colombia (and southeast Panama) and out some distance to sea. Also shows main topographic features along the coast.

1977 Belmonte to Rio de Janeiro / Brasil-East Coast. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Brazil /East Coast /Nautical Chart.

Call Number: 2257

Notes: Mercator Projection; compiled from surveys to 1964.

Abstract: Shows soundings in meters along the east coast of Brazil in the states of Rio de Janeiro, Espírito Santo, and Bahia, including (south to north) the cities of Niteroi, Campos, Vitoria, and Belmonte. Also shows topography and main landmarks along the coast; and Omega lines (magnetic variation curves) for the entire area of ocean shown.

1976 Falkland Islands / Islas Malvinas / UK-Claimed by Argentina / South Atlantic Ocean. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Falkland Islands /Nautical Chart.

Call Number: 2256

Notes: Mercator Projection. From a British survey between 1838 and 1845 with additions to 1883. Navigation aids and hazards corrected to 1975.

Abstract: Shows soundings in fathoms in the region of the South Atlantic Ocean surrounding the Falkland Islands. Includes main placenames and landmarks on the islands.

1955 Gulf of Paria to Maroni River / South America-Northeast Coast / Preliminary Chart. Hydrographic Office under the authority of the Secretary of the Navy, Washington, D.C.  
Keywords: Cuba /West Indies /Navigation Charts.

Call Number: 2255

Notes: From U.S. Naval surveys to 1940 and other sources to 1939.

Abstract: Shows soundings in fathoms along the northeast coast of South America, from the Gulf of Paria (Venezuela), British Guiana, Surinam, and as far east as the Maroni River in French Guiana. Also shows the islands of Trinidad and Tobago, and main landmarks, placenames and elevations in feet on the mainland.

1977 Recife to Belmonte / Brasil-East Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Brazil /Northeast Coast /Recife /Belmonte /Nautical Chart.

Call Number: 2254

Notes: Mercator Projection; compiled from surveys to 1964.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Bahia, Sergipe, Alagoas, Pernambuco and Paraíba, including (south to north) the cities of Belmonte, Ilhéus, Salvador, Aracaju, Maceió, Recife, and João Pessoa. Also shows main landmarks along the coast; and Omega lines (magnetic variation curves) for the entire area of ocean shown.

1981 Plans in Guatemala and El Salvador / Central America-Pacific Coast. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Champerico /Puerto de San José /La Libertad /Ports.

Call Number: 2253

Notes: Mercator Projection. Compilation Data. Former U.S. Naval Oceanographic Office Charts.

Abstract: Three maps (on one sheet) showing soundings in fathoms at ports and approaches off the Pacific Coast of Central America, including: Champerico, Guatemala (1:20,000) from a survey by U.S.S. Tuscarora in 1879; Puerto de San José, Guatemala (1:20,000) from a survey by U.S.S. Tuscarora in 1879; and La Libertad, El Salvador

(1:18,000) from a survey by U.S.S. Ranger in 1883. The maps also show main placenames and geographic features on land.

1978 Do Rio Parnaíba ao Recife / Brasil-Costa Norte. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /Northeast Coast /Nautical Chart.

Call Number: 2252

Notes: Mercator Projection; compilation of surveys to 1976.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Pernambuco, Paraíba, Rio Grande do Norte, Ceará, and Piauí, including (south to north) the cities of Recife, João Pessoa, Natal, Fortaleza, and Parnaíba. Also shows main landmarks along the coast.

1966 Do Recife a Belmonte / Brasil-Costa Sul. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /South Coast /Nautical Chart.

Call Number: 2251

Notes: Mercator Projection; compilation of surveys to 1964.

Abstract: Shows soundings in meters along the southern Brazilian coastline in the states of Santa Catarina, Paraná, São Paulo, and Rio de Janeiro. Also shows main placenames, elevations, and landmarks along the coast.

1980 Río de la Plata to Bahía Blanca / Argentina-East Coast. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Patagonia /Nautical Chart.

Call Number: 2250

Notes: Mercator Projection. From Argentine and Uruguayan charts to 1942, with additions from various sources to 1943.

Abstract: Shows soundings in fathoms along the east coast of Argentina and Uruguay (as far northeast as Cabo Polonio, Uruguay, and as far south as Río Colorado, Argentina), including the cities of Bahía Blanca, Mar del Plata and Buenos Aires, Argentina, and Montevideo and Punta del Este, Uruguay. Also shows the mouth of the Río de la Plata;

and Omega lines (magnetic variation curves) for the entire section of ocean shown, and main placenames, elevations and landmarks on land; and an index to next larger scale charts.

1980 Bahía Blanca to Golfo Nuevo / Argentina. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Patagonia /Nautical Chart.

Call Number: 2249

Notes: Mercator Projection. From Argentine charts to 1933, with additions from various government sources.

Abstract: Shows soundings in fathoms along the southeast coast of Argentina (as far northeast as Mar del Plata and as far south as Golfo Nuevo), including the city of Bahía Blanca. Also shows Omega lines (magnetic variation curves) for the entire section of ocean shown, and main placenames, elevations and landmarks on land; and an index to next larger scale charts.

1981 Golfo Nuevo to Bahía San Julian / Argentina. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Patagonia /Nautical Chart.

Call Number: 2248

Notes: Mercator Projection. From Argentine charts to 1934, with additions from other sources to 1935.

Abstract: Shows soundings in fathoms along the southeast coast of Argentina (as far north as Golfo Nuevo and as far south as Bahía San Julian), including the town of Comodoro Rivadavia. Also shows Omega lines (magnetic variation curves) for the entire section of ocean shown, and main placenames and landmarks on land.

1966 Islas Morton to Isla Nueva including Cabo de Hornos (Cape Horn) / Chile-Argentina-Chile / South America-South Coast. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Cape Horn /Tierra del Fuego /Nautical Chart.

Call Number: 2247

Notes: Mercator Projection. From a Chilean chart of 1960 with additions to 1963.  
Abstract: Shows soundings in fathoms along the southern tip of South America (Cape Horn) including sections of the South Pacific Ocean and South Atlantic Ocean adjacent to Argentina and Chile, including eastern parts of the Beagle Channel, numerous small islands, Isla Navarino, Isla Hoste, and southern Tierra del Fuego. Also shows main placenames, landmarks, and topographical contour lines indicating elevations on land; and an index to next larger scale charts.

1977 Primera Angostura to Punta Dungeness / Estrecho de Magallanes / Argentina-Chile / South America-East Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Straits of Magellan /Tierra del Fuego /Patagonia /Nautical Chart.

Call Number: 2246

Notes: Mercator Projection. From surveys by the Chilean Naval Hydrological Office.  
Abstract: Shows soundings in meters in the Straits of Magellan along the north coast of Tierra del Fuego and southern Patagonia (Chile and Argentina), including the eastern mouth of the Straits of Magellan, and some distance out to sea. Also shows main placenames, landmarks, and topographical contour lines indicating elevations on land; and three profile views of the topographical contours encountered along this stretch of the Straits of Magellan.

1977 Bahía San Julian to Estrecho de Magallanes with part of Falkland Islands (Islas Malvinas) / South America-East Coast of Argentina. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Straits of Magellan /Tierra del Fuego /Patagonia /Falkland Islands /Nautical Chart.

Call Number: 2245

Notes: Mercator Projection. From Argentine Government charts to 1936, British surveys to 1883 and other data.

Abstract: Shows soundings in fathoms along the northeast coast of Tierra del Fuego and southern Patagonia (as far north as Bahía San Julian), Argentina, including the eastern mouth of the Straits of Magellan, and out to sea as far as the western part of West Falkland Island (Islas Malvinas, indicated as "UK-Claimed by Argentina"). Also shows Omega lines (magnetic variation curves) for the entire section of ocean shown, and main placenames and landmarks on land.

1974 Magellan Strait to Islas Ildefonso / South America / Southwest Coast of Chile.  
Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Straits of Magellan /Tierra del Fuego /Nautical Chart.

Call Number: 2244

Notes: Mercator Projection. From British and Chilean surveys from 1828 to 1904.  
Topography from other sources to 1948.

Abstract: Shows soundings in fathoms along the west coast of Tierra del Fuego, Chile, including the western mouth of the Straits of Magellan, numerous small islands to the south and north of the Straits, and the southernmost part of mainland Patagonian Chile. Shows the city of Punta Arenas on the Península Brunswick. Also shows placenames, landmarks, and topographical contour lines on land.

Captain W.J.L Wharton, H.

1969 Cabo Mala to Bahía Elena with the Northern Coast from Chagres to Greytown / Central America. edited by Captain W.J.L Wharton, H., The Admiralty, London.

Keywords: Trinidad /Tobago /Nautical Chart.

Call Number: 2243

Notes: Mercator Projection; The Southern Coast from the United States Government Charts, 1885-1936. The Northern Coast by Commr. E. Barnett, R.N., 1837.

Abstract: Shows soundings in fathoms along the coastlines of Costa Rica (as far north as Bahía Elena and Greytown) and Panama (as far south as Cabo Mala and Chagres) and main landmarks and placenames on land, showing heights in feet. Also shows the approximate boundary between the two countries.

1972 Magellan Strait to Cape Horn / South America-East and South Coasts. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Cape Horn /Tierra del Fuego /Nautical Chart.

Call Number: 2242

Notes: Mercator Projection. From various sources to 1960.

Abstract: Shows soundings in fathoms along the south and east coasts of Tierra del Fuego, Chile and Argentina, including the eastern mouth of the Straits of Magellan, and

several small islands to the south of Tierra del Fuego, including Isla de Hornos, the location of Cape Horn.

1973 Cabo Deseado to Isla Noir Including the Western Part of Estrecho de Magallanes / Chile-Southwest Coast. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Chile /Straits of Magellan /Nautical Chart.

Call Number: 2241

Notes: Mercator Projection; From Chilean charts to 1958 with additions from other sources to 1965.

Abstract: Shows soundings in fathoms along the southwest Chilean coastline between Cabo Deseado and Isla Noir., including the town of Punta Arenas and the western part of the Straits of Magellan. Includes the northern part of Tierra del Fuego, the Península de Brunswick, and several large islands along the western part of the Straits of Magellan. Also shows main landmarks, towns and roads along the coast.

1968 Ponta dos Três Irmãos to Cabo Branco / Brasil-North Coast. U.S. Naval Hydrographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Brazil /North Coast /Pará /Rio Grande do Norte /Nautical Chart.

Call Number: 2240

Notes: Mercator Projection; From Brazilian surveys to 1966.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Paraíba and Rio Grande do Norte, including the cities of Joao Pessoa and Natal. Also shows main landmarks, towns and roads along the coast.

1945 Tobago Island (British) / West Indies. Hydrographic Office / U.S. Navy, Washington, D.C.

Keywords: Tobago.

Call Number: 2239

Notes: From British surveys in 1864 and 1865.

Abstract: Shows soundings in fathoms along the coast of the island of Tobago, in the West Indies, as well as main placenames and landmarks on the island. Shows the eastern tip of the island of Trinidad to the southwest.

1981 Do Recife a Belmonte / Brasil-Costa Leste. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /Northeast Coast /Recife /Belmonte /Nautical Chart.

Call Number: 2238

Notes: Mercator Projection; compilation of surveys to 1979.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Bahia, Sergipe, Alagoas, Pernambuco and Paraíba, including (south to north) the cities of Belmonte, Ilhéus, Salvador, Aracaju, Maceió, Recife, and João Pessoa. Also shows main landmarks along the coast.

1976 Pôrto de Belém / Rio Pará / Brazil-North Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Belém /Harbor /Nautical Chart.

Call Number: 2236

Notes: Mercator Projection; From Brazilian surveys, 1958 to 1960.

Abstract: Shows soundings in meters along the north coast of Brazil in the immediate vicinity of the port of Belém, including the the following waterways: Rio Guama, Rio Guajará-Açu, Baía de Guajara. Also shows parts of the following adjoining landforms: Ilha do Cumbu and Ilha das Onças. Shows main landmarks and streets in the port area of the city of Belém.

1977 Baixo do Espadarte to Mosqueiro / Brazil-Rio Pará. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Baixo do Espadarte /Ilha de Marajó /Mosqueiro /Nautical Chart.

Call Number: 2235

Notes: From Brazilian Navy surveys of 1959 and 1960.

Abstract: Shows soundings in meters between the Ilha de Marajó and the Baixo do Espadarte, along the northern coast of Brazil, including the town of Mosqueiro. Also shows main placenames and landmarks along the coast.

1983 Baía de São Marcos / Brazil-North Coast. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Baía de São Marcos /Nautical Chart.

Call Number: 2234

Notes: From Brazilian Navy surveys to 1974.

Abstract: Shows soundings in meters in the Baía de São Marcos, along the northern coast of Brazil in the state of Maranhão (including the city of São Luís). Also shows main placenames and landmarks, and topographic contour lines indicating elevations in meters along the coast.

1979 Baía de São Marcos / Brazil-North Coast. Hydrographic Office [British Navy], Taunton.

Keywords: Baía de São Marcos /Nautical Chart.

Call Number: 2233

Notes: Published under the superintendence of Rear-Admiral D.W. Haslam, Hydrographer of the Navy.

Abstract: Shows depths in meters in the Baía de São Marcos, along the northern coast of Brazil in the state of Maranhão (including the city of São Luís). Also shows main placenames and landmarks along the coast. Includes a large inset map (1:20,000) of the Porto de Itaqui.

1977 Cabo Gurupi to Ilha de Santana / Brazil-North Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Maranhão /Pará /Nautical Chart.

Call Number: 2232

Notes: Mercator Projection; From Brazilian surveys 1962-1969.

Abstract: Shows soundings in meters and omega readings (magnetic variation curves) along the northern coast of Brazil between the Cabo Gurupi and the Ilha de Santana, in

the states of Maranhão (including the city of São Luis) and Pará. Also shows main placenames and landmarks along the coast. Includes a large inset map (1:55,000) of the Recife Manuel Luís.

1978 De Ilha de Santa a Camocim / Brasil-Costa Norte. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /North Coast /Ceará /Piauí /Maranhão /Nautical Chart.

Call Number: 2231

Notes: Mercator Projection; From Brazilian Navy surveys to 1976.

Abstract: Shows soundings in meters along the northern Brazilian coastline in the states of Ceará, Piauí, and Maranhão, between the Ilha de Santana and the city of Camocim. Also shows main landmarks, towns and roads along the coast.

1983 Approaches to Port of Mucuripe (Fortaleza) / Brazil-North Coast. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Fortaleza /Harbor /Nautical Chart.

Call Number: 2230

Notes: Mercator Projection; From Brazilian Naval surveys to 1973.

Abstract: Shows soundings in meters along the northeast coast of Brazil in the vicinity of Fortaleza, Ceará, featuring the port of Mucuripe (Fortaleza). Also shows main landmarks and streets in the harbor area of the city of Fortaleza.

1983 Porto do Mucuripe (Fortaleza) / Brazil-North Coast. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Fortaleza /Harbor /Nautical Chart.

Call Number: 2229

Notes: Mercator Projection; From Brazilian surveys to 1980.

Abstract: Shows soundings in meters along the northeast coast of Brazil in the immediate vicinity of the port of Mucuripe (city of Fortaleza). Also shows main landmarks and streets in the port area of the city of Fortaleza.

1975 De Camocim a Fortaleza / Brasil-Costa Norte. Marinha do Brasil / Hidrografia e Navegação.

Keywords: Brazil /North Coast /Ceará /Nautical Chart.

Call Number: 2228

Notes: Mercator Projection; From Brazilian Navy surveys to 1974.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the state of Ceará, between the cities of Fortaleza and Camocim. Also shows main landmarks, towns and roads along the coast.

1970 Camocim to Fortaleza / Brazil-North Coast. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Brazil /North Coast /Ceará /Nautical Chart.

Call Number: 2227

Notes: Mercator Projection; From surveys to 1968.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the state of Ceará, between the cities of Fortaleza and Camocim. Also shows main landmarks, towns and roads along the coast.

1983 Approaches to Porto do Natal / Brazil-East Coast. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Natal /Harbor /Nautical Chart.

Call Number: 2226

Notes: Mercator Projection; From Brazilian surveys in 1971.

Abstract: Shows soundings in meters along the northeast coast of Brazil in the vicinity of Natal, Rio Grande do Norte, featuring the port of Natal. Also shows main landmarks and streets in the harbor area of the city of Natal, as well as topographic contour lines indicating elevations.

1975 Porto do Natal / Brazil-East Coast. Defense Mapping Agency  
Hydrographic/Topographic Center, Washington, D.C.

Keywords: Natal /Harbor /Nautical Chart.

Call Number: 2225

Notes: Mercator Projection; From Brazilian surveys in 1973.

Abstract: Shows soundings in meters along the northeast coast of Brazil in the immediate vicinity of the port of Natal. Also shows main landmarks and streets in the harbor area of the city of Natal, as well as topographic contour lines indicating elevations.

1969 Porto do Recife. U.S. Naval Oceanographic Office under the authority of the  
Secretary of the Navy, Washington, D.C.

Keywords: Recife /Harbor /Nautical Chart.

Call Number: 2224

Notes: Mercator Projection; From Brazilian surveys in 1965 and 1966.

Abstract: Shows soundings in meters along the northeast coast of Brazil in the immediate vicinity of the port of Recife. Also shows main landmarks and streets in the harbor area of the city of Recife.

1972 Da Ponta dos Tres Irmaos ao Cabo Branco / Brasil-Costa Norte. Marinha do Brasil /  
Hidrografia e Navegação.

Keywords: Brazil /North Coast /Pará /Rio Grande do Norte /Nautical Chart.

Call Number: 2223

Notes: Mercator Projection; From Brazilian Navy surveys to 1971.

Abstract: Shows soundings in meters along the northeast Brazilian coastline in the states of Pará and Rio Grande do Norte, including the cities of Joao Pessoa and Natal. Also shows main landmarks, towns and roads along the coast.

1939 Bocas del Dragón (Dragon's Mouths) / North Entrance to Gulf of Paria / South  
America-Northeast Coast. Hydrographic Office under the authority of the Secretary of  
the Navy, Washington, D.C.

Keywords: Trinidad /Gulf of Paria /Nautical Chart.

Call Number: 2222

Notes: Mercator Projection; From British surveys between 1924 and 1936 and a survey by the U.S.S. Hannibal in 1931 and 1932.

Abstract: Shows soundings in fathoms along the coastline of the Venezuelan mainland between the Promontorio de Paria and the islands of Chachacare, Huevos, Monos, Gaspar Grande, and Patos, in the Boca Grande channel leading to the Gulf of Paria (near Trinidad whose western tip is shown). Also shows topography and main landmarks, towns and roads on Trinidad and the mainland coast, showing heights in feet.

1970 Plans on the East Coast of Mexico. U.S. Naval Hydrographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Mexico /East Coast /Tampico /Navigation.

Call Number: 2221

Abstract: Main map, of Tampico harbor (42" x 16"; 1:20,000), shows soundings in fathoms along the coast and up the mouth of the Río Pánuco, as well main landmarks in the city. Large inset maps show similar features for navigation around the Isla de Lobos, and Río Tuxpan.

1972 Tampico to Punta del Morro / Mexico-East Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Mexico /East Coast /Tampico /Nautical Chart.

Call Number: 2220

Notes: Mercator Projection; From U.S. Navy surveys in 1947 and 1949; with additions from U.S. Navy surveys in 1873 and 1874.

Abstract: Shows soundings in fathoms along the east coast of Mexico between Tampico on the north and Punta del Morro on the south. Also shows main landmarks, topography and roads on the mainland coast.

1967 Port of Veracruz / North America / Mexico-East Coast. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Veracruz /Harbor /Nautical Chart.

Call Number: 2219

Notes: Mercator Projection; From a U.S. Navy survey in 1946 with additions from a Mexican survey in 1947.

Abstract: Shows soundings in fathoms along the east coast of Mexico in the immediate vicinity of Veracruz harbor, and within the harbor itself. Also shows main landmarks and roads on the mainland coast. Functions as a basic map of the port area of the city of Veracruz.

1974 Punta del Morro to Puerto de Alvarado / Mexico-East Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Veracruz /Nautical Chart.

Call Number: 2218

Notes: Mercator Projection; From U.S. Navy surveys between 1946 and 1949.

Abstract: Shows soundings in fathoms along the east coast of Mexico between Puerto de Alvarado on the south and Punta del Morro on the north, featuring Veracruz harbor and nearby areas. Also shows main landmarks and roads on the mainland coast.

1967 Veracruz Harbor and Approaches / North America / Mexico-East Coast. U.S. Navy Hydrographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Veracruz /Harbor /Nautical Chart.

Call Number: 2217

Notes: Mercator Projection; From a U.S. Navy survey in 1947 with additions from a Mexican survey in 1947.

Abstract: Shows soundings in fathoms along the east coast of Mexico between Punta Mocambo on the south, and Punta Gorda on the north, featuring Veracruz harbor. Also shows main landmarks and roads on the mainland coast. Functions as a very basic map of the city of Veracruz.

1938 Victoria. American Geographical Society of New York, New York.

Keywords: Victoria (region).

Call Number: 2216

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Victoria region of Brazil, along the Atlantic coast in the states of Espírito Santo and Rio de Janeiro. Includes ocean soundings. Also includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1940 Uruguayana. American Geographical Society of New York, New York.

Keywords: Uruguayana (region).

Call Number: 2215

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Uruguayana region of Brazil, Argentina, and Uruguay. The Río Uruguay delineates the border between Brazil and Argentina and between Argentina and Uruguay in much (if not all) of the area shown. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1936 Tucuman. American Geographical Society of New York, New York.

Keywords: Tucumán (region).

Call Number: 2214

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Tucumán region of Argentina, including the cities of Jujuy, Salta, Tucumán, and Santiago del Estero. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1949 Santiago - Mendoza. American Geographical Society of New York, New York.

Keywords: Santiago /Mendoza (region).

Call Number: 2213

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Santiago (Chile) - Mendoza (Argentina). Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1930 Santa Cruz. American Geographical Society of New York, New York.

Keywords: Santa Cruz (region) /Patagonia.

Call Number: 2212

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, towns, landmarks, and elevations in the Santa Cruz region of southern Argentina. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1935 Rosario. American Geographical Society of New York, New York.

Keywords: Rosario (region).

Call Number: 2211

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Rosario region of Argentina. Shows mostly the region to the south and west of the city of Rosario. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1940 Rio Pilcomayo. American Geographical Society of New York, New York.

Keywords: Río Pilcomayo (region).

Call Number: 2210

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Río Pilcomayo region of Paraguay and Brazil, and an adjoining area of Bolivia. The Río Pilcomayo delineates the border between Argentina and Paraguay in much of the area

shown. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1938 Rio de Janeiro. American Geographical Society of New York, New York.

Keywords: Rio de Janeiro (region).

Call Number: 2209

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Rio de Janeiro region of Brazil, including sections of Rio de Janeiro, São Paulo, and Minas Geraes states. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1940 Rio Apa. American Geographical Society of New York, New York.

Keywords: Río Apa (region).

Call Number: 2208

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Río Apa region of Paraguay and Brazil, and a small adjoining area of Bolivia. The Río Apa and the Río Paraguay delineate the border between Brazil and Paraguay in much of the area shown. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1928 Península de Taitao. American Geographical Society of New York, New York.

Keywords: Península de Taitao (region).

Call Number: 2207

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, towns, landmarks, glaciers, and elevations in the Península de Taitao region of Chile, and a small adjoining section of Argentina. Includes

ocean soundings. Also includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1930 Parral - Neuquen. American Geographical Society of New York, New York.

Keywords: Parral /Neuquén (region).

Call Number: 2206

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Parral (Chile) - Neuquen (Argentina). Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1935 Mar del Plata. American Geographical Society of New York, New York.

Keywords: Mar del Plata (region).

Call Number: 2205

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Mar del Plata, Argentina. Includes ocean soundings. Also includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1930 Lago Nahuel Huapi. American Geographical Society of New York, New York.

Keywords: Lago Nahuel Huapi (region).

Call Number: 2204

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Lago Nahuel Huapi, Argentina; and a small adjoining section of Chile. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1928 Isla Wellington - Lago Argentino. American Geographical Society of New York, New York.

Keywords: Isla Wellington /Lago Argentino (region).

Call Number: 2203

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, towns, landmarks, glaciers and elevations in the region of Isla Wellington - Lago Argentino, Chile and Argentina. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1943 Iquique. American Geographical Society of New York, New York.

Keywords: Iquique (region).

Call Number: 2202

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Iquique in northern Chile, and adjoining areas in Bolivia and Argentina. Also includes the city of Antofagasta, Chile. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1935 Golfo San Matias. American Geographical Society of New York, New York.

Keywords: Golfo San Matías (region).

Call Number: 2201

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Golfo San Matias region of southern Argentina, including the towns of Carmen de Patogenes and Trelew. Also includes ocean soundings. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1937 Curityba. American Geographical Society of New York, New York.

Keywords: Curitiba (region).

Call Number: 2200

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Curityba region of southern Brazil, including sections of Paraná, São Paulo, Santa Catharina, and Rio Grande do Sul states, and a small adjoining portion of Argentina. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1942 Coquimbo - San Juan. American Geographical Society of New York, New York.

Keywords: Coquimbo /San Juan (region).

Call Number: 2199

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Coquimbo - San Juan, Argentina and Chile. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1935 Cordoba - Santa Fe. American Geographical Society of New York, New York.

Keywords: Córdoba /Santa Fe (region).

Call Number: 2198

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Córdoba - Santa Fe region of Argentina. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1930 Concepcion. American Geographical Society of New York, New York.

Keywords: Concepción (region).

Call Number: 2197

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Concepción region of Chile. Also includes the city of Valdivia. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1947 Comodoro Rivadavia. American Geographical Society of New York, New York.

Keywords: Comodoro Rivadavia (region) /Patagonia.

Call Number: 2196

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Comodoro Rivadavia region of Argentina, and a small adjoining section of Chile. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1940 Buenos Aires - Montevideo. American Geographical Society of New York, New York.

Keywords: Buenos Aires /Montevideo (region) /Río de la Plata.

Call Number: 2195

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Buenos Aires - Montevideo region of Argentina and Uruguay. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1934 Bahía Blanca. American Geographical Society of New York, New York.

Keywords: Bahía Blanca (region).

Call Number: 2194

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Bahía Blanca region of Argentina. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1942 Atacama. American Geographical Society of New York, New York.

Keywords: Atacama (region).

Call Number: 2193

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Atacama, Argentina and Chile. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1943 Asuncion. American Geographical Society of New York, New York.

Keywords: Asunción (region).

Call Number: 2192

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Asunción, Paraguay, and adjoining areas in Argentina and Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1938 Trujillo. American Geographical Society of New York, New York.

Keywords: Trujillo (region).

Call Number: 2191

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Trujillo, Peru. Also includes ocean soundings. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1949 Teresina. American Geographical Society of New York, New York.

Keywords: Teresina (region).

Call Number: 2190

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Teresina, Brazil, including parts of the states of Maranhão, Piauí, Goiás, and Pará. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1940 Sucre. American Geographical Society of New York, New York.

Keywords: Sucre (region).

Call Number: 2189

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Sucre, Bolivia; and small adjoining areas in Brazil and Paraguay. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1950 São Luiz. American Geographical Society of New York, New York.

Keywords: São Luiz (region).

Call Number: 2188

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of São Luiz de Maranhão, Brazil. Also includes ocean soundings. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1930 Santarém. American Geographical Society of New York, New York.

Keywords: Santarém (region).

Call Number: 2187

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Santarém region of Brazil, including parts of the states of Pará and Amazonas, and parts of the Amazonas and Tapajóz rivers. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1940 Roraima. American Geographical Society of New York, New York.

Keywords: Roraima (region).

Call Number: 2186

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Roraima region of Venezuela, British Guiana, and Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1939 Rio Uaupés. American Geographical Society of New York, New York.

Keywords: Rio Uaupés (region).

Call Number: 2185

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Rio Uaupés region of Brazil, and adjoining parts of Colombia and Venezuela, including Guaviare, Inirida, Atabapo, Negro, and Uaupés rivers. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1932 Rio Tocantins. American Geographical Society of New York, New York.

Keywords: Rio Tocantins (region).

Call Number: 2184

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Rio Tocantins region of Brazil, including parts of Matto Grosso, Goyaz, and Pará states, and the Xingú, Araguaya, and Tocantins rivers. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1934 Rio Tapajóz. American Geographical Society of New York, New York.

Keywords: Rio Tapajóz (region).

Call Number: 2183

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Tapajóz region of Brazil, including parts of Amazonas and Pará states. The Rio Tapajóz bisects the map. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1934 Rio São Francisco. American Geographical Society of New York, New York.

Keywords: Rio São Francisco (region).

Call Number: 2182

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Rio São Francisco region of Brazil, including parts of Bahia, Goyaz, Piauhy, and Maranhão states. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1929 Rio Purús. American Geographical Society of New York, New York.

Keywords: Rio Purús (region).

Call Number: 2181

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Rio Purús region of Brazil, including the Rio Purus and Rio Madeira rivers. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1949 Río Mira - Islas Galápagos. American Geographical Society of New York, New York.

Keywords: Río Mira (region).

Call Number: 2180

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Río Mira region of Ecuador and Colombia. Also includes a large inset map of the Galápagos Islands (Archipiélago de Colón). Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1930 Rio Madeira. American Geographical Society of New York, New York.

Keywords: Rio Madeira (region).

Call Number: 2179

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Rio Madeira region of Brazil, including parts of the states of Matto Grosso and Amazonas, and part of Bolivia. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1935 Rio Juruena. American Geographical Society of New York, New York.

Keywords: Rio Juruena (region).

Call Number: 2178

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Rio Juruena region of Brazil, including parts of the states of Matto Grosso, Pará, and Amazonas. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1930 Rio Juruá. American Geographical Society of New York, New York.

Keywords: Rio Juruá (region).

Call Number: 2177

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Rio Juruá region of Brazil and Peru. The Rio Guaporé is shown as bisecting the map from southwest to northeast. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1930 Rio Guaporé. American Geographical Society of New York, New York.

Keywords: Rio Guaporé (region).

Call Number: 2176

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Rio Guaporé region of Bolivia and Brazil. The Rio Guaporé is shown as delineating the border between the two countries. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1931 Rio Araguaya. American Geographical Society of New York, New York.

Keywords: Rio Araguaya (region).

Call Number: 2175

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Rio Araguaya, Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1939 Recife. American Geographical Society of New York, New York.

Keywords: Recife (region).

Call Number: 2174

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Recife, in northeast Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1948 Quito. American Geographical Society of New York, New York.

Keywords: Quito (region).

Call Number: 2173

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Shows roads, railways, towns, landmarks, and elevations in the region of Quito, Ecuador. Also includes the cities of Guayaquil, Riobamba, and Cuenca. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1927 Puno - Río Beni. American Geographical Society of New York, New York.

Keywords: Puno /Río Beni (region).

Call Number: 2172

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Shows roads, railways, towns, landmarks, and elevations in the region of Puno - Río Beni, Peru. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1948 Piura. American Geographical Society of New York, New York.

Keywords: Piura (region).

Call Number: 2171

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Piura, Peru. Also includes the cities of Cajamarca and Lambayeque. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1940 Parahyba. American Geographical Society of New York, New York.

Keywords: Parahyba (region).

Call Number: 2170

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Parahyba, Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1939 Mucury. American Geographical Society of New York, New York.

Keywords: Mucury (region).

Call Number: 2169

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Mucury, Brazil (along the Atlantic Ocean and including sections of Bahia, Espírito Santo, and Minas Gerais states). Also includes ocean soundings. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1928 Manáos. American Geographical Society of New York, New York.

Keywords: Manaus (region).

Call Number: 2168

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Manaus, Brazil. Shows sections of the Amazonas and Negro rivers. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1938 Loreto. American Geographical Society of New York, New York.

Keywords: Loreto (region).

Call Number: 2167

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Loreto, Peru; and adjoining areas in Brazil. Shows sections of the Amazonas and Ucayali rivers. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1938 Lima. American Geographical Society of New York, New York.

Keywords: Lima (region).

Call Number: 2166

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Lima, Peru. Also includes the cities of Huancavelica, Abancay, and Mollendo. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1949 Paraíba. American Geographical Society of New York, New York.

Keywords: Paraíba (region).

Call Number: 2165

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Paraíba, Brazil. Includes an inset of the island of Fernando de Noronha; and a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1936 Jaguaribe. American Geographical Society of New York, New York.

Keywords: Jaguaribe (region).

Call Number: 2164

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Jaguaribe, in northeast Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1949 Iquitos. American Geographical Society of New York, New York.

Keywords: Iquitos (region).

Call Number: 2163

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Iquitos, Peru; and adjoining areas in Ecuador and Colombia. Shows sections of the Amazonas, Putumayo, and Coquetá rivers. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1935 Goyaz. American Geographical Society of New York, New York.

Keywords: Goyaz (region).

Call Number: 2162

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Goyaz, Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1950 Fortaleza. American Geographical Society of New York, New York.

Keywords: Fortaleza (region).

Call Number: 2161

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Fortaleza, in northeast Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1931 Cuyabá. American Geographical Society of New York, New York.

Keywords: Cuyabá (region) /Matto Grosso (state).

Call Number: 2160

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Cuyabá, Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1930 Corumbá. American Geographical Society of New York, New York.

Keywords: Corumbá (region) /Matto Grosso (state).

Call Number: 2159

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Corumbá, Brazil, and adjoining areas in Bolivia. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1938 Cerro de Pasco. American Geographical Society of New York, New York.

Keywords: Cerro de Pasco (region).

Call Number: 2158

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore (2 copies). Copy 2 is Frank Keller Map Collection #79.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Cerro de Pasco, Peru. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1949 Cayenne. American Geographical Society of New York, New York.

Keywords: Cayenne (region).

Call Number: 2157

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Cayenne, French Guiana. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1933 Carinhanha. American Geographical Society of New York, New York.

Keywords: Carinhanha (region).

Call Number: 2156

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Carinhanha, in northeast Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1945 Caracas. American Geographical Society of New York, New York.

Keywords: Caracas (region).

Call Number: 2155

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Caracas, Venezuela. Also shows the cities of Maracaibo, Valencia, and others; and the islands of Aruba, Curaçao and Bonaire. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1942 Cali. American Geographical Society of New York, New York.

Keywords: Cali (region).

Call Number: 2154

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Cali, Colombia. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1945 Bogotá. American Geographical Society of New York, New York.

Keywords: Bogotá (region).

Call Number: 2153

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Bogotá, Colombia. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1940 Boca del Orinoco. American Geographical Society of New York, New York.

Keywords: Boca del Orinoco (region).

Call Number: 2152

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Boca del Orinoco region of Venezuela. Also shows the islands of Trinidad, Tobago, and Margarita; and the cities of Barcelona, Ciudad Bolívar and others. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1940 Bello Horizonte. American Geographical Society of New York, New York.

Keywords: Belo Horizonte (region).

Call Number: 2151

Notes: Series: South America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Belo Horizonte, Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1952 Barranquilla. American Geographical Society of New York, New York.

Keywords: Barranquilla (region).

Call Number: 2150

Notes: Series: South America 1:1,000,000.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Barranquilla, Colombia. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1949 Pará. American Geographical Society of New York, New York.

Keywords: Pará (region).

Call Number: 2149

Notes: Series: South America 1:1,000,000. Reproduced and printed by A. Hoen and Company, Baltimore.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the region of Pará, Brazil. Includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

[French colonial map of Mexico].

Keywords: Mexico.

Call Number: 2148

Notes: Marked MARI 422a and later crossed out; that number does not correspond to the map listed in the database or the published WPA guide to the collection.

Abstract: French map mounted on cardboard, showing Central Mexico as far south as the isthmus of Tehuantepec (not named) and as far north on the "Golfe du Mexique" coast as the R. de Palmas, and as far (north)west on the "Mer Pacifique" coast as the town of Hutatlan. The map has the appearance of a colonial period map, and shows major towns, rivers and lakes.

1937 Bahia. American Geographical Society of New York, New York.

Keywords: Bahia (region).

Call Number: 2147

Notes: Photolithographed and printed by A. Hoen and Company, Baltimore. Series: South America 1:1,000,000.

Abstract: Shows main towns, roads, railroads, topographical contour lines, and other geographical features of the Bahia region of northern Brazil. Includes an index to adjoining map sheets in the series.

Guastecan Reg. / Sinus Magnus Orientalis Novae Hisp.

Keywords: Huasteca region.

Call Number: 2146

Notes: Marked MARI 369b and later crossed out; that number does not correspond to the map listed in the database or the published WPA guide to the collection.

Abstract: Color map mounted on cardboard, showing the Huasteca region of Mexico as far north as the "Río de las Palmas" (where it enters the Gulf of Mexico and inland to the "Sal(t)us Lacus"; and as far south as the towns of Tilicipozapan, Tacetuco, Nexpa, Topla, and Taxitlan. The map has the appearance of a colonial period map, and shows major towns, rivers, mountains and lakes.

19?? [Cortes' routes to and in Mexico, 1519 and 1524].

Keywords: Cortes /Mexico /Cuba /Exploration /Nueva España.

Call Number: 2145

Abstract: Photograph of a map showing the Fernando Cortés' expedition from Cuba to Mexico in 1519, and the route of Cortés' expedition to Nito (near the site of modern Puerto Barrios, Guatemala) in 1524.

M.A. Custer Neff

19?? Town Site of La Gloria [Cuba] / Looking North. edited by M.A. Custer Neff, Cuban Land and Steamship Co., New York City.

Keywords: La Gloria /Puerto Príncipe /Cuba.

Call Number: 2144

Notes: "Engraved by Bormay & Co., New York.

Abstract: Shows grid of 64 blocks of the town site of La Gloria, Cuba, including central plaza, streetnames, public buildings, parks, business blocks, and number and size of residential lots. On reverse: "Town Site and Plantations of La Gloria / Puerto Príncipe, Cuba." - a larger scale (1"=900") map of the town site and surrounding plantations, which are numbered in a grid approximately one mile outward from the town site in each direction. The central portion of the larger map is equivalent to the area shown on the smaller one.

19?? Croquis de México Tenochtitlan.

Keywords: Mexico Tenochtitlan.

Call Number: 2143

Abstract: Photograph of a map showing the outline of Mexico-Tenochtitlan, its main causeways, "neighborhoods," (Zoquipan, Moyotla, Atzacualco, Cuepopam), and 31 named landmarks.

1967 Linguistic Map of Middle America. University of Texas Press, Austin.

Keywords: Linguistics /Languages /Middle America.

Call Number: 2142

Notes: From the Handbook of Middle Americans, Robert Wauchope, gen. ed., Vol. 5: Linguistics, Norman A. McQuown, ed. Austin: University of Texas Press, c. 1967, opp. p. 120.

Abstract: Photograph of a map showing the geographic distribution of linguistic groups throughout Mexico and Central America as far south as western Honduras, El Salvador, western Nicaragua, and northwestern Costa Rica. Languages are classified into four main groups (Hokaltecan, Utoaztecan, Macromayan, and Otomanguean), and a number of subgroups, indicated by shading particular areas of the map.

A. Squier, r. e.

1909 Profile showing estimated quantity of Material to be excavated after Dec. 31, 1908 to complete the Panama Canal. edited by A. Squier, r. e., Isthmian Canal Commission / Central Division, [Panama?].

Keywords: Panama Canal.

Call Number: 2141

Notes: "This Profile is a copy of a part of Profile published by I.C.C. in 1901, and has been revised to show Proposed location of Locks and Dams. Also to show quantity of material to be excavated by all Divisions of the Canal after Dec. 31, 1908."

Abstract: Shows a profile of the topography of the Panama Canal route from the Atlantic to the Pacific, through the Atlantic, Central and Pacific Divisions of the Canal, including cubic yards of material to be excavated or dredged. Identifies places and landmarks along the route. Also includes cross sections of proposed lock canal, and diagram of yardage on the Central Division.

1999? Que Hacer en San Cristóbal de las Casas. Gobierno del Estado de Chiapas / Secretaría de Desarrollo Turístico, Tuxtla Gutiérrez, Chiapas.

Keywords: San Cristóbal de las Casas /Chiapas.

Call Number: 2140

Abstract: Shows the street grid and main landmarks of the central area of San Cristóbal de las Casas (Chiapas, Mexico). Includes brief text on the history and tourist attractions of the city. On reverse: images and brief text descriptions of the main tourist attractions of Chiapas, with sketch maps showing how to get to them from San Cristóbal.

1999? Plano Urbano de Tuxtla. Gobierno del Estado de Chiapas / Secretaría de Turismo, Tuxtla Gutiérrez, Chiapas.

Keywords: Tuxtla Gutiérrez.

Call Number: 2139

Abstract: Shows the street grid and main landmarks of the central area of Tuxtla Gutiérrez (Chiapas, Mexico). Small inset shows the area surrounding the central plaza. Also includes a small inset locating the city and state within a map of southeast Mexico, and a table of distances between Tuxtla and the main towns of Chiapas. On reverse: images and brief text descriptions of the main tourist attractions in and around Tuxtla, with a sketch map showing the location of nearby towns.

1999? Plano Urbano de Comitán. Gobierno del Estado de Chiapas / Secretaría de Turismo, Tuxtla Gutiérrez, Chiapas.

Keywords: Comitán.

Call Number: 2138

Abstract: Shows the street grid and main landmarks of Comitán (Chiapas, Mexico). Also includes a small inset locating the town and state within a map of southeast Mexico, and a table of distances between Comitán and the main towns of Chiapas. On reverse: images and brief text descriptions of the main tourist attractions in and around Comitán, with a sketch map showing the location of nearby landmarks.

1999? Plano Urbano de Palenque. Gobierno del Estado de Chiapas / Secretaría de Turismo, Tuxtla Gutiérrez, Chiapas.

Keywords: Palenque.

Call Number: 2137

Abstract: Shows the street grid and main landmarks of Palenque (Chiapas, Mexico). Also includes a small inset locating the town and state within a map of southeast Mexico, and a table of distances between Palenque and the main towns of Chiapas. On reverse: images and brief text descriptions of the main tourist attractions in and around Palenque, with a sketch map showing the location of nearby ruins. Also includes a small inset of the archaeological zone of Palenque.

1999? Plano Urbano de San Cristóbal. Gobierno del Estado de Chiapas / Secretaría de Turismo, Tuxtla Gutiérrez, Chiapas.

Keywords: San Cristóbal de las Casas.

Call Number: 2136

Abstract: Shows the street grid and main landmarks of the central area of San Cristóbal de las Casas (Chiapas, Mexico). Small inset shows the area surrounding the central plaza. Also includes a small inset locating the city and state within a map of southeast Mexico, and a table of distances between San Cristóbal and the main towns of Chiapas. On reverse: images and brief text descriptions of the main tourist attractions in and around San Cristóbal, with a sketch map showing the location of nearby towns.

1908 Map of Canal Zone to Accompany the Annual Report of the Commission. Isthmian Canal Commission, Culebra, Canal Zone.

Keywords: Panama Canal.

Call Number: 2135

Notes: 2 copies.

Abstract: Shows topography, canal route, railroads, canal zone boundary line, dams, and locks in the Panama Canal Zone.

1997 Departamento Arequipa: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Arequipa (department).

Call Number: 2134

Abstract: Shows towns, roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Arequipa, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1998 Departamento Pasco: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Pasco (department).

Call Number: 2133

Abstract: Shows towns, roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Pasco, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1986 Departamento Cajamarca: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Cajamarca (department).

Call Number: 2132

Abstract: Shows towns, roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Cajamarca, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1977 Mexico - East Coast. Tampico to Progreso. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Mexico /Gulf of Mexico coast /nautical chart.

Call Number: 2131

Notes: "Loran A Edition".

Abstract: Shows soundings in fathoms and feet along the east coast of Mexico (as far southeast as Progreso, Yucatán, and as far north as Laguna de Morales), as well as ocean approaches in the Gulf of Mexico and Bay of Campeche.

1977 Yucatán Channel and Approaches. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Mexico /Caribbean coast /Yucatán Channel /nautical chart.

Call Number: 2130

Notes: From United States Naval and British surveys to 1929.

Abstract: Shows soundings in fathoms along the Caribbean coastline of Mexico (as far south as Turneffe Island off Belize), and the Gulf coast of Mexico as far west as Punta Piedras (several km. west of Progreso, Yucatán), as well as ocean approaches. Also shows the coastline of the far western tip of Cuba.

1974 Punta Herrero to Cabo Gracias a Dios including adjacent banks. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Honduras /Belize /Caribbean coasts /nautical chart.

Call Number: 2129

Notes: From British and U.S. Navy surveys between 1830 and 1938 with additions to 1968.

Abstract: Shows soundings in fathoms along the Caribbean coastline of Honduras and Nicaragua (as far south as Laguna Carata), and the Caribbean coasts of Guatemala, Belize and Mexico (as far north as Bahía del Espíritu Santo), as well as topographic contours and principal landmarks on the coasts. Prominently shows the ocean approaches to the Islas de la Bahía (off the coast of Honduras).

1964 Grand and Lesser Caymans. U.S. Navy Hydrographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Cayman Islands.

Call Number: 2128

Notes: From British surveys to 1881.

Abstract: Three maps showing soundings in fathoms along the coastline of 1) Grand Cayman Island; 2) Lesser Cayman Islands; and 3) George Town Anchorage, on Grand Cayman Island. The maps also show elevations and principal landmarks on the islands.

1991 Mapa de la Habana Vieja. Instituto Cubano de Geodesia y Cartografía, Havana.

Keywords: Havana /old city.

Call Number: 2127

Abstract: Main map (18"x13") shows streets and principal landmarks in old Havana. Includes three smaller maps which show detail of 1) Plaza de Armas; 2) Plaza de la

Catedral; and 3) Plaza Vieja. Includes an index to numbered landmarks on each map. On reverse: pictures and drawings of old Havana, and a short text in five languages.

1968 Anchorages and Harbors on the Northwest Side of the Great Bahama Bank. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: nautical charts /Bahamas.

Call Number: 2126

Notes: From British surveys in 1836 to 1839.

Abstract: Five charts showing soundings in fathoms near various landforms on the northwest side of the Great Bahama Bank, including anchorages and harbors and principal landmarks. The titles of the maps are Great Isaac Anchorage, South Cat Cay (including an inset of Dollar Harbor), Riding Rock Anchorage, Bimini Islands, Barnett Harbor, and Gun Cay Anchorage.

1973 Freeport Harbor and Approaches (Bahama Islands / Grand Bahama Island).

Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Freeport /nautical chart /Bahamas.

Call Number: 2125

Notes: From a British survey in 1959 with corrections to 1964.

Abstract: Shows soundings in fathoms along the coastline of Grand Bahama Island, focusing specifically on the area around Freeport Harbor including principal landmarks on the coast.

1977 Cuba. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Cuba /nautical chart.

Call Number: 2124

Abstract: Shows soundings in fathoms along the coastline of Cuba, as well as principal landmarks on the island, as well as ocean approaches in every direction. Shows the extremities of Haiti, Jamaica and Florida, as well as the Cayman Islands. Also indicates several "explosives dumping areas" in the ocean to the northwest of Cuba.

1957 Port Royal and Kingston Harbors and Approaches (Jamaica - South Coast). U.S. Navy Hydrographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Jamaica /South Coast /nautical chart /Kingston /Port Royal.

Call Number: 2123

Notes: From British surveys to 1954.

Abstract: Shows soundings in fathoms along the south coastline of Jamaica in the Caribbean Sea, focusing specifically on the area around Kingston Harbor and Port Royal including principal landmarks on the coast. Includes an inset of the ship channel.

1973 Harbors on the North Coast of Jamaica. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Jamaica /North Coast /nautical chart /Montego Bay.

Call Number: 2122

Notes: From British or Canadian surveys.

Abstract: Includes four maps showing soundings in meters along the north coastline of Jamaica in the Caribbean Sea, as well as topographic contours and principal landmarks on the coast. In descending order of size, the four maps show Montego Bay (1:12,500); Discovery Bay (1:7,500); Lucea Harbor (1:12,500); and Rio Bueno (1:12,500).

1980 Jamaica including Pedro Bank. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Jamaica /nautical chart.

Call Number: 2121

Notes: From British surveys to 1962.

Abstract: Shows soundings in fathoms and feet along the coastline of Jamaica in the Caribbean Sea, as well as topographic contours and principal landmarks on the island. Includes the shoals of Pedro Bank, to the southwest, as well as ocean approaches in every other direction.

1922 Old Providence Island. Hydrographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Old Providence Island /Colombia.

Call Number: 2120

Notes: From a British survey in 1835.

Abstract: Shows soundings in fathoms along the coastline of Old Providence Island (Republic of Colombia) in the Caribbean Sea, as well as topographic contours and principal landmarks and ocean approaches to the island.

1943 St. Andrews Island. Hydrographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: St. Andrews Island.

Call Number: 2119

Notes: From a British survey in 1834.

Abstract: Shows soundings in feet along the coastline of St. Andrews Island in the Caribbean Sea, as well as topographic contours and principal landmarks and ocean approaches to the island. Also includes inset maps of Albuquerque Cays, Courtown Cays, and Southwest Cove of St. Andrews Island.

1996 [Mapa hidrogeológico de la República de Honduras. Sector Central]. Instituto Geográfico Nacional / Secretaría de Comunicaciones, Obras Públicas y Transporte, Tegucigalpa, Honduras.

Keywords: Honduras (central) /hydrology /geology.

Call Number: 2118

Notes: #2 of 3.

Abstract: Shows geological and aquifer classification in the central third of Honduras, including topographical, geological, hydrological, and hydrogeological formations and landmarks. Includes smaller (1:2,950,000) map of precipitation (in milimeters) in the entire nation., showing the amount of annual rainfall in each region. On top of map #2085: "Texto explicativo" (a 45-page booklet including text, tables, charts and maps about the "Mapa Hidrogeologico de la Republica de Honduras").

1996 [Mapa hidrogeológico de la República de Honduras. Sector Oriental]. Instituto Geográfico Nacional / Secretaría de Comunicaciones, Obras Públicas y Transporte, Tegucigalpa, Honduras.

Keywords: Honduras (eastern) /hydrology /geology.

Call Number: 2117

Notes: #3 of 3.

Abstract: Shows geological and aquifer classification in the eastern third of Honduras, including topographical, geological, hydrological, and hydrogeological formations and landmarks. Includes smaller (1:2,950,000) map of groundwater quality and production in the entire nation., including the amount of production of wells in each region. On top map #2085: "Texto explicativo" (a 45-page booklet including text, tables, charts and maps about the "Mapa Hidrogeologico de la Republica de Honduras").

Nelson Gómez E.

1999 Cuenca y la Región de los Cañaris. Tourist Plan / Plano Turístico. edited by Nelson Gómez E., Ediguas C. Ltda., Quito, Ecuador.

Keywords: Cuenca /Cañaris.

Call Number: 2116

Abstract: Foldout map in a small blue cover. Shows streets and main landmarks of Cuenca, Ecuador. On reverse side: map legend, guide to principal services and basic facts about the city of Cuenca. Also includes an inset map showing the main attractions of the region surrounding Cuenca, including archaeological sites, crafts centers, indian fairs, religious shrines, etc.

Nelson Gómez E.

1990s Guayaquil. Pocket guide / Guía de bolsillo. edited by Nelson Gómez E., Ediguas C. Ltda., Quito, Ecuador.

Keywords: Guayaquil.

Call Number: 2115

Abstract: Three foldout maps in a small blue cover ("Guayaquil Centro Oriente;" "Guayaquil Norte;" "Guayaquil Sur"). Each map shows streets and main landmarks in its section of Guayaquil, Ecuador. On reverse sides: An index of public services, cultural centers and universities, consulates, government ministries, museums, hotels, and city

streets. Also on reverse of the "Guayaquil Centro Oriente" map: smaller map of "Guayaquil Centro Occidente."

Nelson Gómez E.

1990s Galápagos. Pocket guide / Guía de bolsillo. edited by Nelson Gómez E., Ediguías C. Ltda., Quito, Ecuador.

Keywords: Galapagos Islands.

Call Number: 2114

Abstract: Foldout map in a small blue cover. Main map shows the main points of interest in the Galapagos islands, including geographical features. Includes a smaller map showing the location of the Galapagos in relation to the Ecuadorean mainland and main ocean currents. On reverse: descriptive text about the Galapagos, including geography and geology. Also includes a second foldout including inset maps of the towns of Puerto Baquerizo Moreno and Puerto Ayora. On reverse: more descriptive text about the Galapagos, including flora and fauna.

1993 AIDS and HIV in Latin America and the Caribbean. CIA?, Washington.

Keywords: AIDS /HIV.

Call Number: 2113

Abstract: Color-coded map shows the total reported AIDS cases (according to WHO statistics, June 1993) and estimated HIV infections per 100,000 persons (according to PAHO, USAID, and official estimates, November 1993) in each country of Latin America and the Caribbean.

1989 Otavalo. Instituto Geográfico Militar, Quito.

Keywords: Ecuador/Otavalo (region).

Call Number: 2112

Notes: Prepared in cooperation with Inter-American Geodetic Survey. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Otavalo region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1993 Puno, Perú. Instituto Geográfico Nacional, Lima.

Keywords: Peru/Puno (region).

Call Number: 2111

Notes: Series: Peru 1 : 100,000. Copyright by the United States Government.

Abstract: Shows topographical contour lines, cities, towns, rivers, roads, and other landmarks in the region including Puno, Peru and approximately 50 kilometers to the west and northwest. Includes elevation guide, and a list of adjoining sheets in the series.

Legend is bilingual (Spanish and English).

1997? Plano de Lima Metropolitana. Editorial Lima 2000, Lima.

Keywords: Lima.

Call Number: 2110

Notes: ISBN: 9972654036. "Este plano ha sido elaborado en el Centro de Promoción de la Cartografía en el Perú (CPCP), a partir de una base de datos georeferencial integrada en un Sistema de Información Geográfica (SIG).".

Abstract: Color map shows main streets, highways, railroads, neighborhoods, municipal boundaries, and other landmarks, in the metropolitan area of Lima, Peru. Includes inset maps of San Juan de Lurigancho and the surrounding Provincia de Huarochiri; Comas.; Pachacamac/Villa Marí del Triunfo/Villa El Salvador; and Ate/La Capitana/Huachipa Norte. Also includes inset index map locating the area covered within Lima and surrounding departments. On reverse: indices of streets, municipalities and places of interest.

1985 Departamento La Libertad: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: La Libertad (department).

Call Number: 2109

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of La Libertad, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1993 Departamento Lambayeque: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Lambayeque (department).

Call Number: 2108

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Lambayeque, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1986 Departamento Loreto: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Loreto (department).

Call Number: 2107

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Loreto, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1998 Departamento Madre de Dios: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Madre de Dios (department).

Call Number: 2106

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Madre de Dios, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1995 Departamento Huancavelica: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Huancavelica (department).

Call Number: 2105

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Huancavelica, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1996 Departamento Ica: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Ica (department).

Call Number: 2104

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Ica, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1993 Departamento Huanuco: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Huanuco (department).

Call Number: 2103

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Huanuco, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1986 Departamento Junin: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Junín (department).

Call Number: 2102

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Junin, Peru. Includes a list of basic

geographic information, and a inset map showing the location of the department within Peru.

1997 Departamento Moquega: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Moquega (department).

Call Number: 2101

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Moquega, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1985 Departamento de Piura: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Piura (department).

Call Number: 2100

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Piura, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

19?? Mapa de Nicaragua.

Keywords: Nicaragua.

Call Number: 2099

Abstract: Map mounted on cardboard, showing railroads, roads, major cities and rivers, and provincial boundaries of Nicaragua.

1985 Departamento de Tumbes: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Tumbes (department).

Call Number: 2098

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Tumbes, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1986 Departamento de Tacna: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Tacna (department).

Call Number: 2097

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Tacna, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1985 Departamento de San Martin: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: San Martin (department).

Call Number: 2096

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of San Martin, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1985 Departamento Ancash: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Ancash (department).

Call Number: 2095

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Ancash, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1986 Departamento Amazonas: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Amazonas (department).

Call Number: 2094

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Amazonas, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1997 Departamento Arequipa: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Arequipa (department).

Call Number: 2093

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Arequipa, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1997 Departamento Otavalo: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Otavalo (department).

Call Number: 2092

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Otavalo, Peru. Includes a list of basic geographic information, and a inset map showing the location of the department within Peru.

1997 Departamento Cusco: Mapa Físico Político. Instituto Geográfico Nacional, Lima, Peru.

Keywords: Cuzco (department).

Call Number: 2091

Abstract: Shows roads, railroads, airports, landmarks, elevations, and departmental and provincial boundaries in the Department of Cusco, Peru. Includes a list of dbasic geographic information, and a inset map showing the location of the department within Peru..

1999? An International Travel Map of Guyana. ITMB Publishing / International Travel Maps, Vancouver.

Keywords: Guyana.

Call Number: 2090

Notes: ISBN: 1895907705.

Abstract: Shows cities and towns, elevations, roads, railroads, ferry routes, amerindian reserves, nature preserves, other landmarks, and international and district boundaries. Includes inset map of Georgetown; and a list of facts and figures about Guyana.

1999? An International Travel Map of Surinam. ITMB Publishing / International Travel Maps, Vancouver.

Keywords: Surinam.

Call Number: 2089

Notes: ISBN: 1895907705.

Abstract: Shows cities and towns, elevations, roads, railroads, ferry routes, amerindian reserves, nature preserves, other landmarks, and international and district boundaries. Includes inset map of Paramaribo. Also includes a list of facts and figures about Surinam; and charts showing rainfall and population distribution.

Uncharted Waters Mapping Corporation

1999? The Guianas (Guyana, Surinam, French Guiana). edited by Uncharted Waters Mapping Corporation, ITMB Publishing / International Travel Maps, Vancouver.

Keywords: French Guiana /Surinam /Guyana.

Call Number: 2088

Notes: ISBN: 1895907683.

Abstract: Shows cities and towns, elevations, roads, railroads, ferry routes, amerindian reserves, nature preserves, other landmarks, and international and district boundaries. Includes inset maps of the capital cities (Paramaribo, Surinam; Cayenne, French Guiana; and Georgetown, Guyana). Also includes insets listing facts and figures for Guyana, Surinam and French Guiana.

Sulzer, P.

1903a Mapa vial del Peru. edited by Sulzer, P., Editorial Lima 2000, Lima.

Keywords: Peru.

Call Number: 2087

Notes: ISBN: 9972654087.

Abstract: Road map of Peru, shows cities, towns, railroads, airports and other landmarks, and national, departmental and provincial boundaries. Inset map (1 : 35,000,000) shows principal highways of South America, including national borders and main cities.

Gutiérrez, D.

1999 *Americae sive quartae orbis partis nova et exactissima descriptio / autore Diego Gutiero Philippi Regis Hisp. Etc. cosmographo; Hiero. Cock excude 1562; Hieronymus Cock excude cum gratia et priuilegio 1562.* edited by Gutiérrez, D., Library of Congress, Washington, D.C.

Keywords: Caribbean /Americas.

Call Number: 2086

Notes: Facsimile of the original version, printed in Antwerp, 1562.

Abstract: Engraved map shows the entirety of South America, Central America, modern Mexico (without Baja California), the West Indies, and the south and east coasts of the modern United States as far north as Labrador in Canada. Includes elaborate artwork and shows geographical features including rivers, mountains, lakes and major place names. The "largest engraved map of America to that time." Engraved by Hieronymus Cock. Accompanied by an 8-page booklet of scholarly text and images, "The 1562 Map

of America by Diego Gutiérrez" by John R. Hebert, Senior Specialist in Hispanic Bibliography, Hispanic Division, Library of Congress.

1996? Mapa Hidrogeologico de la Republica de Honduras / Hydrological Map of the Republic of Honduras. Servicio Autonomo Nacional de Acueductos y Alcantarillados; Overseas Development Administration; British Geological Survey; Instituto Geografico Nacional.

Keywords: Honduras (western).

Call Number: 2085

Notes: Este mapa, producido con la colaboración del BGS, SANNA e IGN; forma parte del programa de cooperación técnica que desde 1984 se suscribiera entre los gobiernos de Gran Bretaña y de Honduras, con financiamiento de Overseas Development Administration (ODA). Además, la publicación de este mapa ha sido financiada por la Embajada Británica y UNESCO - ROSTLAC. Información hidrogeológica fue obtenida del inventario nacional de pozos del SANNA, de levantamientos hidrogeológicos de campo y de informes geológicos e hidrogeológicos por: SANNA, RECURSOS NATURALES, DIMA, KFW, UNITED STATES PEACE CORPS. Elaborado con base del mapa topográfico oficial del país 1:500,000 (1994) y del mapa geológico nacional 1:500,000 (1991), publicados por el Instituto Geográfico Nacional (IGN) y el Interamerican Geodetic Survey (IAGS).

Abstract: Shows hydrological features of western Honduras. Includes inset land use map showing which areas of Honduras are used for particular commercial purposes. On reverse: list of references. On top of map: "Texto explicativo" (a 45-page booklet including text, tables, charts and maps about the "Mapa Hidrogeologico de la Republica de Honduras").

1998 Municipio del Distrito Central. Instituto Geográfico Nacional / Secretaría de Obras Públicas, Transporte y Vivienda, Tegucigalpa.

Keywords: Honduras /Departamento de Francisco Morazán /Distrito Central.

Call Number: 2084

Notes: Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Límites departamentales y municipales obtenidos de la Dirección General de Estadísticas y Censos. Límite urbano proporcionado por la Alcaldía Municipal de Distrito Central.

Abstract: Shows administrative boundaries and main towns, roads and landmarks in the Municipio del Distrito Central, surrounding Tegucigalpa, Honduras.

1996 Mapa Geológico: Orica-Guayape, Honduras C.A. Instituto Geográfico Nacional / Secretaría de Comunicaciones, Obras Públicas, y Transporte, Tegucigalpa.

Keywords: Honduras /Geology /Orica /Guayape.

Call Number: 2083

Notes: Mercator Projection. "Preparado dentro de un programa de cooperación entre el Instituto Geográfico Nacional de Secretaría de Comunicaciones, Obras Públicas y Transporte; y la Dirección General de Minas e Hidrocarburos del Ministerio de Recursos Naturales. Levantamiento geológico efectuado por el Ingeniero Geológico José María Gutierrez Sosa. Durante el año de 1991; quien agradece la valiosa colaboración de los geólogos del Cuerpo de Paz: Michael J. Kozuch, Richard Harwood, Robert D. Rogers.". Abstract: Color-coded map shows fault lines, topographical countour lines, soil types and other geological features of the region of Orica-Guayape, Honduras. Also shows main cities, roads, and landmarks. Includes a chart showing the location of this map within the grid of geological maps of Honduras; and an index of adjacent maps.

1996 Mapa Geológico: Yuscarán, Honduras C.A. Instituto Geográfico Nacional / Secretaría de Comunicaciones, Obras Públicas, y Transporte, Tegucigalpa.

Keywords: Honduras /Geology /Yuscarán.

Call Number: 2082

Notes: Mercator Projection. "Preparado dentro de un programa de cooperación entre el Instituto Geográfico Nacional de la Secretaría de Comunicaciones, Obras Públicas y Transporte: el Cuerpo de Paz de los EE.UU. en Honduras y la Dirección General de Minas e Hidrocarburos del Ministerio de Recursos Naturales. Levantamiento geológico efectuado por Richard Harwood durante el año de 1992.".

Abstract: Color-coded map shows fault lines, topographical countour lines, soil types and other geological features of the region of Yuscarán, Honduras. Also shows main cities, roads, and landmarks. Includes a chart showing the location of this map within the grid of geological maps of Honduras; and an index of adjacent maps.

1996 Mapa Geológico: Valle de Jamastran, Honduras C.A. Instituto Geográfico Nacional / Secretaría de Comunicaciones, Obras Públicas, y Transporte, Tegucigalpa.

Keywords: Honduras /Geology /Valle de Jamastran.

Call Number: 2081

Notes: Mercator Projection. Preparado dentro de un programa de cooperación entre el Instituto Geográfico Nacional de la Secretaría de Comunicaciones, Obras Públicas y Transporte: el Cuerpo de Paz de los EE.UU. en Honduras y la Dirección General de Minas e Hidrocarburos del Ministerio de Recursos Naturales. Levantamiento geológico efectuado por Robert D. Rogers en el año de 1992.

Abstract: Color-coded map shows fault lines, topographical countour lines, soil types and other geological features of the region of the Valle de Jamastran, Honduras. Also shows main cities, roads, and landmarks. Includes a chart showing the location of this map within the grid of geological maps of Honduras; and an index of adjacent maps.

1996 Mapa Geológico: Morocelí, Honduras C.A. Instituto Geográfico Nacional / Secretaría de Obras Públicas, Transporte y Vivienda, Tegucigalpa.

Keywords: Honduras /Geology /Morocelí.

Call Number: 2080

Notes: Mercator Projection. "Preparado dentro de un programa de cooperación entre el Instituto Geográfico Nacional de la Secretaría de Comunicaciones, Obras Públicas y Transporte: el Cuerpo de Paz de los EE.UU. en Honduras y la Dirección General de Minas e Hidrocarburos del Ministerio de Recursos Naturales levantamiento geológico efectuado por Richard Markey en el año de 1993."

Abstract: Color-coded map shows fault lines, topographical countour lines, soil types and other geological features of the region of Morocelí, Honduras. Also shows main cities, roads, and landmarks. Includes a chart showing the location of this map within the grid of geological maps of Honduras; and an index of adjacent maps.

1997 Mapa Geotectónico de la República de Honduras. Instituto Geográfico Nacional / Secretaría de Obras Públicas, Transporte y Vivienda, Tegucigalpa.

Keywords: Honduras /Geology.

Call Number: 2079

Notes: Mercator Projection. "Elaborado por métodos cartográficos, basados en mapas topográficos a escala 1:50,000 y en datos geográficos y cartográficos recopilados hasta 1994."

Abstract: Color-coded map shows fault lines, volcanoes, soil types and other geological features of Honduras. Also shows main cities, roads, and landmarks in Honduras. Small inset map shows main geological features in the region between Mexico and Nicaragua.

Text on reverse: "Texto explicativo del mapa geotectónico" by geologist Reniery Elvir Aceituno.

1919 West Indies / Grand Cayman to Haiti Including Jamaica. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Caribbean Sea /Haiti /Jamaica /Cayman Islands /Nautical Chart.

Call Number: 2078

Notes: Mercator Projection; from United States Navy and British surveys to 1932.

Abstract: Shows soundings in fathoms in the area of the Caribbean Sea surrounding Haiti and extending to the south and west of Haiti, including the tip of southeastern Cuba, Jamaica and the Cayman Islands. Shows main cities and topography of the landforms, including heights in feet.

1929 Caribbean Sea; Eastern Part. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Caribbean Sea /Dominican Republic /República Dominicana /Haiti /Puerto Rico /Jamaica /Nautical Chart.

Call Number: 2077

Notes: Mercator Projection.

Abstract: Shows soundings in fathoms in the eastern Caribbean Sea, including the north coast of Venezuela, Colombia and Panama, and the islands of Hispaniola, Puerto Rico and Jamaica, as well as the far eastern end of Cuba. Shows main cities.

1912 Coast of Venezuela; Entrance to Lago de Maracaibo; Approaches to Maracaibo. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Colombia /Maracaibo /Nautical Chart.

Call Number: 2076

Notes: Mercator Projection; From Venezuelan surveys to 1956 with additions from Venezuelan charts to 1962.

Abstract: Two main maps show soundings in fathoms along the coastline of Colombia in the area of the entrance to the Lago de Maracaibo. The second of the two main maps ("Approaches to Maracaibo"; scale: 1:50,000) shows a larger scale view of the channel

between the Sea and the Lago de Maracaibo. Also shows selected landmarks and roads along the coast.

1928 Colombia-North Coast; Península de Guajira; Bahía Honda. Hydrographic Office, under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Colombia /Bahía Honda /Nautical Chart.

Call Number: 2075

Notes: From a survey by USS Niagara in 1927.

Abstract: Shows soundings in fathoms along the coastline of Colombia in the area of Bahía Honda, Colombia, on the west side of the Península de Guajira. Also shows selected landmarks and roads along the mainland coast.

1910 Colombia-Venezuela; Golfo de Venezuela. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Colombia /Venezuela /Golfo de Venezuela /Nautical Chart.

Call Number: 2074

Notes: Mercator Projection; From a survey by the USS Hannibal in 1940.

Abstract: Shows soundings in fathoms along the coastline of the Colombian and Venezuelan mainland eastward from the Península de Guajira to the Península de Paraguaná, including the Golfo de Venezuela and a few miles northward; and the area northeastward including the island of Aruba. Also shows selected landmarks and roads on the mainland coast, showing heights in feet.

1975 Venezuela--Netherlands Antilles / Cabo San Román to Punta San Juan Including Aruba, Curaçao, and Bonaire. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Venezuela /Aruba /Curacao /Bonaire /Nautical Chart.

Call Number: 2073

Notes: Mercator Projection; From surveys by U.S. Navy in 1939 and 1940; Aerial photography by U.S. Navy in 1944; Netherlands surveys between 192 and 1939; Topography from Netherlands topographic maps.

Abstract: Shows soundings in fathoms along the coastline of the Venezuelan mainland eastward from the Península de Paraguaná; and the area northeastward including the islands of Aruba, Curaçao and Bonaire. Also shows topography and main landmarks and roads on the islands and mainland coast, showing heights in feet.

Rear Admiral K St. B. Collins, H.

1965 Approaches to Trinidad Including the Gulf of Paria. edited by Rear Admiral K St. B. Collins, H., The Admiralty, London.

Keywords: Trinidad /Tobago /Nautical Chart.

Call Number: 2071

Notes: Mercator Projection; From British surveys to 1925. Topography from a map by Government of Trinidad and Tobago in 1926.

Abstract: Shows soundings in fathoms along the coastlines of the island of Trinidad and Tobago, and the Gulf of Paria and surrounding landforms along the Venezuelan coast. Also shows main landmarks and roads on Trinidad and Tobago and along the mainland coast, showing heights in feet.

1910 Island of Trinidad and Eastern Part of Gulf of Paria. U.S. Navy Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Trinidad /Nautical Chart.

Call Number: 2070

Notes: Mercator Projection; From British surveys to 1925. Topography from a map by Government of Trinidad and Tobago in 1926.

Abstract: Shows soundings in fathoms along the coastline of the island of Trinidad, and the eastern part of the Gulf of Paria (along the Venezuelan coast). Also shows main landmarks and roads on Trinidad, showing heights in feet.

1921 Trinidad--West Coast; San Fernando and Approaches. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Trinidad /San Fernando /Nautical Chart.

Call Number: 2069

Notes: Mercator Projection; From British surveys to 1925. Topography is from the Topographical Survey of Trinidad.

Abstract: Shows soundings in feet along the coastline at San Fernando, Trinidad, west to Brighton, and north to Claxton Bay, as well as ocean approaches to those areas. Also shows outlines of street grid in San Fernando, and main landmarks and roads.

1977 Trinidad and Tobago; Trinidad--West Coast; Port-of-Spain. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Trinidad /Port-of-Spain /Nautical Chart.

Call Number: 2068

Notes: Mercator Projection.

Abstract: Shows soundings in feet along the coastline at Port-of-Spain, Trinidad, and west to Chaguaramas Bay. Also shows outlines of street grid in Port-of-Spain, and main landmarks and roads.

1998 Mapa municipios de Honduras. Instituto Geográfica Nacional / Secretaría de Obras Públicas, Transporte y Vivienda, Tegucigalpa.

Keywords: Honduras /Municipalities /Departments /Political.

Call Number: 2067

Notes: "Los datos estadísticos de aldeas y caseríos que se encuentran en este cuadro sinóptico, fueron obtenidos del censo de 1988." Colaboración: Secretaría de Salud Pública (Dpto. Estadísticas); Dirección General de Estadísticas y Censo.

Abstract: Color map shows the boundaries and capital towns of the municios in each department of Honduras. On reverse: A series of ten small maps showing the historical changes in the administrative boundaries within Honduras, from 1825 to 1957; and a statistical table detailing the date of founding, population, región sanitaria, patron saint's day, land area, and number of aldeas and caseríos in each municipio in the 18 department of Honduras.

1990s Mapa Turístico de Nicaragua. Instituto Nicaraguense de Turismo (INTUR).

Keywords: Nicaragua /Managua.

Call Number: 2066

Abstract: Glossy, undetailed color map shows main roads, towns, landmarks, and tourist attractions. Includes table of distances between the main cities, and an inset map of the central region. On reverse: Mapa Turístico de Managua (similar to main map) shows main sites of interest and main streets and barrios. Includes lists of addresses and phone numbers of main hotels, travel agencies, car rental agencies, etc., and brief texts about Managua and Nicaragua.

1927 North Coast of Cuba. Puerto Matanzas. From a survey by the U.S.S. Nokomis in 1925 and 1926 / Punta Maya Lt., Lat. 23°05'52".81N. \_Long.81°28'25".14W. Hydrographic Office, under the authority of the Secretary of the Navy, Washington, D.C. Keywords: Cuba /Puerto Matanzas /Nautical Chart.

Call Number: 2065

Notes: Mercator Projection. Stamped: U.S. Naval Supply DepoT, Scotia, N.Y.

Abstract: Shows soundings in feet along the coastline at Puerto Matanzas, Cuba. Also shows outlines of street grid in Matanzas, and main landmarks and roads.

1996 Mapa de América Central. "Elaborado por el Instituto Geográfico Nacional de Honduras, con la revisión técnica de los Institutos Geográficos Nacionales de América Central; auspiciado y editado por el Instituto Interamericano de Geografía e Historia IPGH, y el Instituto Geográfico Nacional de España." "Impreso por el Instituto Geográfico Nacional de España.", México, D.F.(?).

Keywords: Central America.

Call Number: 2064

Notes: received from the Instituto Interamericano de Geografía e Historia, Secretaría General, México, D.F., 12/7/99.

Abstract: Shows national capitals, departmental or provincial capitals, main towns, highways, railroads, airports, main ports, elevations and ocean depths in and along the coasts of Central America, including Guatemala, Belize, Honduras, El Salvador, Nicaragua, Costa Rica and Panama.

Meten, R. and and Hoogendoorn, B.

1996 Geological map of ARUBA. edited by Meten, R. and Hoogendoorn, B., Foundation for Scientific Research in the Caribbean Region; and Geological Survey of the Netherlands, Printed by De Grafische, Haarlem, Netherlands.

Keywords: Aruba /Geology.

Call Number: 2063

Notes: Topography simplified after the Topographic Map of Aruba 1:25,000, published in 1962 by the Cadastral Department of the Netherlands Antilles and KLM-Aerocarto.

Abstract: Color-coded map shows soil types and other geological features. Includes a topographical cross-section showing elevations, and a brief text on the geology of Aruba.

1987 Mapa de los Parques Nacionales de Costa Rica. Editorial Heliconia (Una división de Fundación Neotrópica)., [San José].

Keywords: National Parks /Costa Rica.

Call Number: 2062

Notes: Con la colaboración de: Instituto Geográfico Tinker, Fundación Tinker, Servicio de Parques Nacionales. Basado en el Mapa físico-político de Costa Rica escala 1:500,000 publicado por el IGN Edición 1983.

Abstract: Shows national parks, topographical contour lines, roads, cities and towns, elevations, and other major landmarks in Costa Rica. On reverse: photographs, and a textual and statistical overview of 29 national parks.

Mirabal, R. L.

1949 Panoramic and Monumental Map of Havana (Plano Panorámico y Monumental de la Habana). edited by Mirabal, R. L., Cuban Tourist Commission (Corporación Nacional del Turismo), Havana.

Keywords: Havana.

Call Number: 2061

Abstract: Detailed panoramic map shows main streets, buildings, and other landmarks of the central area of Havana, Cuba. Includes indexes of principal buildings and places of public interest. On reverse: index of streets.

Presencia Simbólica de Honduras.

Keywords: Honduras.

Call Number: 2060

Abstract: Color map shows major cities, towns, roads, topographical contour lines, and departmental boundaries of Honduras. In the margin: drawings of major historical figures, the national flag, seal, and pledge of allegiance.

LeBlanc, A. T. b. m.

Hurricane Tracking Map. edited by LeBlanc, A. T. b. m..

Keywords: Caribbean /Gulf of Mexico /Hurricanes.

Call Number: 2059

Notes: Nash C. Roberts, Jr., consulting meteorologist.

Abstract: Shows the region affected by Atlantic hurricanes, including the Caribbean Sea and Gulf of Mexico, Cuba, Jamaica, Haiti, Dominican Republic, Puerto Rico, and Windward and Leeward Islands; mainland areas of South and Central America, Mexico, United States (Texas to North Carolina) affected by Atlantic hurricanes, including Venezuela, Colombia, Panama, Costa Rica, Nicaragua, Honduras, El Salvador, Guatemala, and British Honduras (Belize). Includes latitudes and longitudes, written hurricane safety rules, and explanations of what hurricanes are, where they occur, and what Weather Bureau advisories mean, and handwritten pencil marks tracking the paths of several hurricanes around 1979 and 1980, including Allen, Dave, Frederick, and Henri.

1997 Idiomas de Guatemala. Editorial Piedra Santa, Guatemala.

Keywords: Guatemala /Languages /Linguistics.

Call Number: 2058

Notes: Acquired from Shawcross Book Service, 3/99.

Abstract: Color-coded map shows the predominant language in areas of Guatemala and Belize, divided into five main "ramas" of Mayan origin, including 21 languages or dialects, and three languages not of Mayan origin. The map also indicates areas in which Spanish and two or more Mayan languages are spoken. On reverse: Reduced-size version of the same map, with textual information about each of the languages or dialects represented on the map, including approximate number of speakers, principal municipalities where spoken, and linguistic attributes. BEST; USAID - Guatemala. Poster Idiomas de Guatemala y Belice Editorial Piedra Santa, 1988. Colección Identidad Prensa Libre, 1995.

1973 South America - Sheet North. Defense Mapping Agency Topographic Center, Washington, D.C.

Keywords: South America (northern half) /Colombia /Venezuela /Ecuador /Peru /Guianas /Bolivia.

Call Number: 2057

Notes: Reprint of a map copyright by American Geographical Society of New York. On top of the map 2052: The American Geographical Society's index to the Map of the Americas (1:5,000,000) - to the three sheets, "Mexico, Central America and the West Indies," "South America, Sheet North," (an earlier version of this map) and "South America, Sheet South." (See LAL maps 2052, 2055, and 2056.).

Abstract: Large color map shows main cities, roads, railroads, international boundaries and other geographical features of the northern half of South America, including Colombia, Venezuela, Ecuador, Peru, the Guianas, and most of Bolivia and Brazil. Includes an index to adjoining map sheets in the series. Also see maps #2052 and #2056.

1973 South America - Sheet South. Defense Mapping Agency Topographic Center, Washington, D.C.

Keywords: South America (northern half) /Argentina /Uruguay /Chile.

Call Number: 2056

Notes: Reprint of a map copyright by American Geographical Society of New York. On top of map 2052: The American Geographical Society's index to the Map of the Americas (1:5,000,000) - to the three sheets, "Mexico, Central America and the West Indies," "South America, Sheet North," and "South America, Sheet South" (an earlier version of this map). (Also see LAL maps 2052, 2055 and 2057.).

Abstract: Large map shows main cities, roads, railroads, international boundaries and other geographical features of the southern half of South America, including Argentina, Chile (almost all), Uruguay, and parts of Bolivia and Brazil. Includes an index to adjoining map sheets in the series. Also see maps # 2057 and #2055.

1973 South America - Sheet South. Defense Mapping Agency Topographic Center, Washington, D.C.

Keywords: South America (southern half) /Argentina /Uruguay /Chile.

Call Number: 2055

Notes: Reprint of a map copyright by American Geographical Society of New York. On top of map 2052: The American Geographical Society's index to the Map of the Americas (1:5,000,000) - to the three sheets, "Mexico, Central America and the West Indies," "South America, Sheet North," and "South America, Sheet South" (an earlier version of this map). (Also see LAL maps 2052, 2056 and 2057.).

Abstract: Large color map shows main cities, roads, railroads, international boundaries and other geographical features of the southern half of South America, including Argentina, Chile (almost all), Uruguay, and parts of Bolivia and Brazil. Includes an index to adjoining map sheets in the series. Also see map #2052.

1973 Mexico, Central America, and the West Indies. Defense Mapping Agency Topographic Center, Washington, D.C.

Keywords: Mexico /Central America /Caribbean.

Call Number: 2054

Notes: Reprint of a map copyright by American Geographical Society of New York. On top of map 2052: The American Geographical Society's index to the Map of the Americas (1:5,000,000) - to the three sheets, "Mexico, Central America and the West Indies," (an earlier version of this map) "South America, Sheet North," and "South America, Sheet South." (See LAL maps 2052, 2055, 2056 and 2057.).

Abstract: Large color map shows main cities, roads, railroads, international boundaries, topographical contour lines and other geographical features of Mexico, Central America and the West Indies.

1993 Mexico. Central Intelligence Agency.

Keywords: Mexico /Borderlands.

Call Number: 2053 (a&b)

Notes: Additional copy on file.

Abstract: Large color map shows main cities, roads, ports, airports and other geographical features of Mexico, Belize, Guatemala and the U.S. borderlands. Includes enlarged (44" x 24" [irregular]; 1:2,000,000) inset of Mexico-U.S. Borderlands, and small (7"x 7"; 1:620,000) inset of the Valley of Mexico. On reverse: Gazetteer of placenames marked on the map.

1973 South America - Sheet North. Defense Mapping Agency Topographic Center, Washington, D.C.

Keywords: South America (northern half) /Colombia /Venezuela /Ecuador /Peru /Guianas /Bolivia.

Call Number: 2052

Notes: Reprint of a map copyright by American Geographical Society of New York. On top of the map: The American Geographical Society's index to the Map of the Americas (1:5,000,000) - to the three sheets, "Mexico, Central America and the West Indies," "South America, Sheet North," (an earlier version of this map) and "South America, Sheet South." (See LAL maps 2055, 2056 and 2057.).

Abstract: Large color map shows main cities, roads, railroads, international boundaries and other geographical features of the northern half of South America, including Colombia, Venezuela, Ecuador, Peru, the Guianas, and most of Bolivia and Brazil. Includes an index to adjoining map sheets in the series.

1971 Rio Uaupés. U.S. Army Topographic Command, Washington, D.C.

Keywords: Brazil /Venezuela /Colombia /Rio Uaupés.

Call Number: 2051

Notes: Reprint of map copyright 1939 by the American Geographical Society of New York.

Abstract: Shows main towns, roads, railroads, topographical contour lines, and other geographical features of the Rio Uaupés region of northern Brazil, southern Colombia and southern Venezuela. Includes an index to adjoining map sheets in the series.

1971 Manaus. U.S. Army Topographic Command, Washington, D.C.

Keywords: Brazil /Manaus.

Call Number: 2050

Notes: "Map information as of 1950".

Abstract: Shows main towns, roads, rivers, airports, and other geographical features of the Manaus region of northern Brazil. Includes an index to adjoining map sheets in the series.

1971 Pará. U.S. Army Topographic Command, Washington, D.C.

Keywords: Brazil /Pará.

Call Number: 2049

Notes: "Map information as of 1950".

Abstract: Shows main towns, roads, railroads, rivers, and other geographical features of the Pará region of northern Brazil. Includes an index to adjoining map sheets in the series.

1971 Sao Luis. U.S. Army Topographic Command, Washington, D.C.

Keywords: Brazil /Sao Luis.

Call Number: 2048

Notes: "Map information as of 1959".

Abstract: Shows main towns, roads, railroads, topographical contour lines, and other geographical features of the Sao Luis region of northern Brazil. Includes an index to adjoining map sheets in the series.

1971 Fortaleza. U.S. Army Topographic Command, Washington, D.C.

Keywords: Brazil /Fortaleza.

Call Number: 2047

Notes: "Map information as of 1959".

Abstract: Shows main towns, roads, railroads, topographical contour lines, and other geographical features of the Fortaleza region of northern Brazil. Includes an index to adjoining map sheets in the series.

1971 Parima. U.S. Army Topographic Command, Washington, D.C.

Keywords: Brazil /Venezuela /Parima.

Call Number: 2046

Notes: "Map information as of 1960".

Abstract: Shows main towns, roads, railroads, topographical contour lines, and other geographical features of the Parima region of northern Brazil and southern Venezuela. Includes an index to adjoining map sheets in the series.

1971 Amapá. U.S. Army Topographic Command, Washington, D.C.

Keywords: Brazil /Amapá.

Call Number: 2045

Notes: "Map information as of 1960".

Abstract: Shows main towns, roads, railroads, topographical contour lines, ocean soundings, and other geographical features of the Amapá region of northern Brazil. Includes an index to adjoining map sheets in the series.

1968 Tegucigalpa. Army Map Service / Corps of Engineers, Washington, D.C.

Keywords: Honduras /Central America.

Call Number: 2044

Notes: Reprint of 1937 map copyright by American Geographical Society of New York.

Abstract: Shows main towns, roads, railroads, administrative boundaries, elevations, topographical contour lines, ocean soundings, and other geographical features of Honduras, northern Nicaragua, all but westernmost El Salvador, and southeastern Guatemala. Includes an index to adjoining map sheets in the series.

1971 Kingston -- Port-au-Prince. U.S. Army Topographic Command, Washington, D.C.

Keywords: Haiti /Jamaica.

Call Number: 2043

Abstract: Shows main towns, roads, railroads, administrative boundaries, elevations, topographical contour lines (above and below sea level), and other geographical features of Jamaica. Includes an index to adjoining map sheets in the series.

1962 La Habana (Havana). Army Map Service, Corps of Engineers, Washington, D.C.

Keywords: Cuba.

Call Number: 2042

Abstract: Shows main towns, roads, railroads, administrative boundaries, elevations, topographical contour lines, and other geographical features of the western half of Cuba (including part of Camaguey province). Includes an index to adjoining map sheets in the series.

1969 Lago de Nicaragua. American Geographical Society of New York / Printed by the U.S. Army Topographic Command, Washington, D.C.

Keywords: Nicaragua /Costa Rica.

Call Number: 2041

Abstract: Shows main placenames, elevations, topographical contour lines (above and below sea level), and other geographical features of southwestern Nicaragua and northwestern Costa Rica. Includes inset of Isla del Coco, and an index to adjoining map sheets in the series.

1971 Lesser Antilles - North. U.S. Army Topographic Command, Washington, D.C.

Keywords: Lesser Antilles.

Call Number: 2040

Abstract: Shows main placenames, elevations, topographical contour lines (above and below sea level), and other geographical features of the Lesser Antilles area of the Caribbean, including eastern Puerto Rico, the Virgin Islands, Leeward Islands, and Guadeloupe. Includes index to adjoining map sheets in the series.

1964 Roraíma. American Geographical Society of New York / Reprinted by Army Map Service, Corps of Engineers, Washington, D.C.

Keywords: Roraíma.

Call Number: 2039

Abstract: Shows main placenames, roads, rivers, state and international boundaries, elevations, topographical contour lines, and other geographical features of the Roraíma

region of eastern Venezuela, northern Brazil and western British Guiana. Includes index to adjoining map sheets in the series.

1979 Costa Rica: Mapa Físico-Político. Instituto Geográfico de Costa Rica, [San José].

Keywords: Costa Rica.

Call Number: 2038

Notes: See also map #1646 (1966 provisional edition).

Abstract: Shows towns, roads, other geographic features, topographic contour lines, and provincial and international boundaries. Color shaded to indicate elevation. Includes insets of Zona Central (1:250,000) and Isla del Coco (1:100,000).

1998 Montaña de Almendares, Honduras, C.A. Secretaría de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa.

Keywords: Honduras /Montaña de Almendares (region) /topographical.

Call Number: 2037

Notes: Hoja 2859 II.

Abstract: Topographical map of the Montaña de Almendares region of Honduras shows main roads, towns, rivers, elevations, and landmarks. Includes topographical contour lines at 20 meter intervals. Numbered lines demarcate 1 square kilometer quadrangles; total area covered is approximately 27km by 18 km. Includes a small map locating the region within Honduras, in the departamentos of Francisco Morazán, Olancho and El Paraíso.

1998 San Francisco de la Paz, Honduras, C.A. Secretaría de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa.

Keywords: Honduras /San Francisco de la Paz (region) /topographical.

Call Number: 2036

Notes: Hoja 2960 I.

Abstract: Topographical map of the San Francisco de la Paz region of Honduras shows main roads, towns, rivers, elevations, and landmarks. Includes topographical contour lines at 20 meter intervals. Numbered lines demarcate 1 square kilometer quadrangles;

total area covered is approximately 27km by 18 km. Includes a small map locating the region within Honduras, in the department of Olancho.

1998 Salazapa, Honduras. Instituto Geográfico Nacional / National Imagery and Mapping Agency, Tegucigalpa.

Keywords: Honduras /Sazalapa region /topographical.

Call Number: 2035

Notes: Hoja 2458 III.

Abstract: Topographical map of the Sazalapa region of Honduras shows main roads, towns, rivers, elevations, and landmarks. Includes topographical contour lines at 20 meter intervals. Numbered lines demarcate 1 square kilometer quadrangles; total area covered is approximately 27km by 18 km. Includes an elevation guide, a small map locating the Sazalapa region within Honduras (along the border of El Salvador, including a small part of the department of Lempira), and indicates the names of adjoining series maps.

1998 Guarita, Honduras. Instituto Geográfico Nacional / National Imagery and Mapping Agency, Tegucigalpa.

Keywords: Honduras /Guarita region /topographical.

Call Number: 2034

Notes: Hoja 2458 IV.

Abstract: Topographical map of the Guarita region of Honduras shows main roads, towns, rivers, elevations, and landmarks. Includes topographical contour lines at 20 meter intervals. Numbered lines demarcate 1 square kilometer quadrangles; total area covered is approximately 27km by 18 km. Includes an elevation guide, a small map locating the Guarita region within Honduras (along the border of El Salvador, including parts of the departments of Lempira and Ocotepeque), and indicates the names of adjoining series maps.

1998 Ojojona: Mapa Geológico de Honduras. Ministerio de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa.

Keywords: Honduras /geology /Ojojona region.

Call Number: 2033

Notes: Hoja 2757-IVG. "Preparado dentro de un programa de cooperación entre el Instituto Geográfico Nacional de la Secretaría de Obras Públicas, Transporte y Vivienda; el Cuerpo de Paz de los EE.UU. en Honduras; y la Dirección General de Minas e Hidrocarburos del Ministerio de Recursos Naturales y Ambiente. Levantamiento geológico efectuado por Richard Harwood en el año de 1991.

Abstract: Geological map of the Ojojona region of Honduras, color-coded to indicate types of geological formations, shows main roads, towns, rivers, elevations, mines, faults and other geological features. Includes topographical contour lines at 20 meter intervals. Numbered gray lines demarcate 1 square kilometer quadrangles; total area covered is approximately 27km by 18 km. Includes a small map of Honduras locating the Ojojona region, and indicates the names of adjoining series maps.

1973 Cedros: Mapa Geológico de Honduras. Ministerio de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa.

Keywords: Honduras /geology /Cedros region.

Call Number: 2032

Notes: Hoja 2759 IG. "Preparado dentro de un programa de cooperación entre el Instituto Geográfico Nacional del Ministerio de Comunicaciones, Obras Públicas y Transporte; el Cuerpo de Paz de los EE.UU. en Honduras; y la Dirección General de Minas e Hidrocarburos del Ministerio de Recursos Naturales. Levantamiento geológico efectuado por Allen P. King durante los años de 1971-72. Base cartográfica preparada por el Instituto Geográfico Nacional (IGN), en colaboración con el Inter-American Geodetic Survey (IAGS). Restituido en 1961 por el método estereofotogramétrico "MULTIPLEX" y "KELSH", basado en fotografías aéreas tomadas en enero de 1955. Control horizontal y vertical establecido por el Instituto Geográfico Nacional e IAGS en 1959."

Abstract: Geological map of the Cedros region of Honduras, color-coded to indicate types of geological formations, shows main roads, towns, rivers, elevations, mines, faults and other geological features. Includes topographical contour lines at 20 meter intervals. Numbered gray lines demarcate 1 square kilometer quadrangles; total area covered is approximately 27km by 18 km. Includes a small map of Honduras locating the Cedros region, and indicates the names of adjoining series maps.

1980 República de Colombia. Division Política - Uso Escolar. Ministerio de Hacienda y Crédito Público / Instituto Geográfico "Agustín Codazzi" / Subdirección Cartográfica, [Bogotá].

Keywords: Colombia.

Call Number: 2031

Abstract: Color map shows main cities, rivers, roads, railroads, ports, airports, and boundaries between departamentos, intendencias and comisarias of Colombia. Insets include small maps of San Andrés and Providencia islands, and a table indicating the capital, size in square kilometers, and number of inhabitants and municipios for each departamento, intendencia and comisaria, as well as the length of Colombia's coastlines and international boundaries with neighboring countries.

León, N. c.

1903 Bosquejo de la carta lingüística de México según la clasificación del Dr. Nicolás León. Sinopsis de las familias idiomas y dialectos de las lenguas indígenas de México según la clasificación del Dr. Nicolás León. edited by León, N. c., Imprenta del Museo Nacional, Mexico City.

Keywords: Mexico /Languages /Linguistics.

Call Number: 2030

Notes: Part of León's article, "Familias lingüísticas de México."

Abstract: Foldout map shows political and linguistic boundaries within Mexico, color-coded to indicate the indigenous languages and dialects spoken in the various regions. Also includes a diagram showing the relationships among the languages.

1994 Ciudad de Puebla. Guía Roji, Mexico.

Keywords: Puebla (city).

Call Number: 2029

Abstract: Large color map shows streets, neighborhoods, and landmarks in the city of Puebla, Mexico. On reverse: continuation of map and indexes to streets and colonias.

1998 Ciudad de Monterrey: Area Metropolitana. Guía Roji, Mexico.

Keywords: Monterrey (city).

Call Number: 2028

Abstract: Large color map shows streets, neighborhoods, and landmarks in the city of Monterrey, Mexico. On reverse: map of metro system and indexes to streets and colonias.

1994 Tabasco: Mapa Turístico de Comunicaciones y Transportes. Secretaría de Comunicaciones y Transportes, Mexico.

Keywords: Tabasco (state).

Call Number: 2027

Abstract: Large color map shows cities, towns, roads, landmarks, and state boundaries of the state of Tabasco, Mexico.

1994 Campeche: Mapa Turístico de Comunicaciones y Transportes. Secretaría de Comunicaciones y Transportes, Mexico.

Keywords: Campeche (state).

Call Number: 2026

Abstract: Large color map shows cities, towns, roads, landmarks, and state boundaries of the state of Campeche, Mexico.

1994 Oaxaca: Mapa Turístico de Comunicaciones y Transportes. Secretaría de Comunicaciones y Transportes, Mexico.

Keywords: Oaxaca (state).

Call Number: 2025

Abstract: Large color map shows cities, towns, roads, landmarks, and state boundaries of the state of Oaxaca, Mexico.

1994 Yucatán: Mapa Turístico de Comunicaciones y Transportes. Secretaría de Comunicaciones y Transportes, Mexico.

Keywords: Yucatán (state).

Call Number: 2024

Abstract: Large color map shows cities, towns, roads, landmarks, and state boundaries of the state of Yucatán, Mexico.

1994 México: Mapa Turístico de Comunicaciones y Transportes. Secretaría de Comunicaciones y Transportes, Mexico.

Keywords: Mexico (state).

Call Number: 2023

Abstract: Large color map shows cities, towns, roads, landmarks, and state boundaries of the state of México, Mexico.

1994 Quintana Roo: Mapa Turístico de Comunicaciones y Transportes. Secretaría de Comunicaciones y Transportes, Mexico.

Keywords: Quintana Roo (state).

Call Number: 2022

Abstract: Large color map shows cities, towns, roads, landmarks, and state boundaries of the state of Quintana Roo, Mexico.

1994 Puebla: Mapa Turístico de Comunicaciones y Transportes. Secretaría de Comunicaciones y Transportes, Mexico.

Keywords: Puebla (state).

Call Number: 2021

Abstract: Large color map shows cities, towns, roads, landmarks, and state boundaries of the state of Puebla, Mexico.

1994 Veracruz: Mapa Turístico de Comunicaciones y Transportes. Secretaría de Comunicaciones y Transportes, Mexico.

Keywords: Veracruz (state).

Call Number: 2020

Abstract: Large color map shows cities, towns, roads, landmarks, and state boundaries of the state of Veracruz, Mexico. Includes large insets of the Coatzacoalcos region (1:300,000) and the central region (1:300,000) bounded by Veracruz, Orizaba, and Xalapa.

Leonardo Berges A., D. o. C.

1996 Guatemala: Guatemalan Highlands & Pacific Coast. edited by Leonardo Berges A., D. o. C., Colección Verás, Ciudad de Guatemala.

Keywords: Guatemala.

Call Number: 2019

Notes: 3 copies.

Abstract: Color picture-map ("Altiplano indígena") shows main towns, geographical features, landmarks and roads of the western Guatemalan highlands. On reverse: inset city maps of Quetzaltenango, Panajachel, Chichicastenango, Huehuetenango, Puerto Quetzal, and area map of the Pacific coast. Also includes 88 page visitor guide booklet.

Leonardo Berges A., D. o. C.

1996 Guatemala: Modern & Colonial: Guatemala / La Antigua Guatemala. edited by Leonardo Berges A., D. o. C., Colección Verás, Ciudad de Guatemala.

Keywords: Guatemala.

Call Number: 2018

Notes: 3 copies.

Abstract: Color picture-map shows main landmarks and streets. One side shows Guatemala City and the other shows Antigua Guatemala. Also includes 90 page visitor guide booklet.

Leonardo Berges A., D. o. C.

1997 Guatemala: Mayan Paradise: Petén / Tikal / Las Verapaces / the Caribbean / Eastern Guatemala. edited by Leonardo Berges A., D. o. C., Colección Verás, Ciudad de Guatemala.

Keywords: Guatemala.

Call Number: 2017

Notes: 3 copies.

Abstract: Color picture-map shows main landmarks, roads, towns, archeological sites. One side shows the Peten and Belize, with an inset of Tikal; the other side shows the Verapaces, and eastern Guatemala. Also includes 96 page visitor guide booklet.

1960s Mapa ESSO República de Cuba. ESSO Standard Oil Company (Cuba) / General Drafting Co., New York.

Keywords: Cuba /Havana /Sugar.

Call Number: 2016

Notes: Frank Keller Collection; 38.

Abstract: Shows towns, roads, landmarks, and provincial boundaries of Cuba. Includes inset maps of the Habana-Matanzas region, the Santiago-Guantanamo region, the city of Santiago, an index of placenames, and an index of centrales azucareros. On reverse: "La Habana (Zona Central), a 17"x17" map showing city streets and landmarks in downtown Havana. Also includes a smaller inset of Havana and surroundings, a brief text entitled, "Cuba: Perla de las Antillas," a distance chart and placename index.

1960s Carte de la Republique d'Haiti. ESSO Standard Oil S.A. / General Drafting Co., New York.

Keywords: Haiti /Dominican Republic.

Call Number: 2015

Notes: Frank Keller Collection.

Abstract: Shows main towns, roads, landmarks, and provincial boundaries of Haiti. Includes inset map of Port-au-Prince and placename indexes. On reverse: "Mapa de la Republica Dominicana". Includes inset of Ciudad Trujillo and placename indexes.

1960s Mapa de la Republica Dominicana. ESSO Standard Oil (Caribbean) S.A. / General Drafting Co., New York.

Keywords: Dominican Republic /Haiti.

Call Number: 2014

Notes: Frank Keller Collection; 65.

Abstract: Shows main towns, roads, landmarks, and provincial boundaries of the Dominican Republic. In hand-drawn ink, also identifies regions by their main agricultural land use, including coffee, cacao, tobacco, sugar irrigated, sedentary subsistence crops, and grazing (without forage). Includes inset map of Ciudad Trujillo and a placename index. On reverse: "Carte de la Republique d'Haiti" (labelled exactly as the other map, but also includes a region of henequen along the north coast). Includes inset of Port-au-Prince and a placename index.

1978 Puerto de San José, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 2013

Notes: América Central series; Hoja ND15-12.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the region of Puerto de San José, Guatemala, along the Pacific Ocean and the Guatemala-El Salvador border.

1978 Guatemala, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 2012

Notes: América Central series; Hoja ND15-8.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the central region of Guatemala, including Guatemala City and Lago de Atitlán.

1978 Quezaltenango, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 2011

Notes: América Central series; Hoja ND15-7.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the region of Quezaltenango, Guatemala, along the Pacific Ocean and the Guatemala-Mexico border.

1978 Chiquimula, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 2010

Notes: América Central series; Hoja ND16-5.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the region of Chiquimula, Guatemala, along the Guatemala-Honduras and Guatemala-El Salvador borders.

1978 Cuilco, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 2009

Notes: América Central series; Hoja ND15-3, NE15-11.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the region of Cuilco, Guatemala, along the Guatemala-Mexico border.

1978 Cobán, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 2008

Notes: América Central series; Hoja ND15-4.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the region of Cobán, Guatemala.

1978 Puerto Barrios, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 2007

Notes: América Central series; Hoja ND16-1.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the region of Puerto Barrios and Lago de Izabal, along the Golfo de Honduras and the Guatemala-Honduras border.

1998 Plano de la Ciudad de Mexico / Líneas del S.T.C. (Metro). [Mexico City].

Keywords: Mexico City /Subway.

Call Number: 2006

Notes: alternate title: "Mexico City Map"; donated to the library by Paul Bary after his summer 1998 trip to Mexico.

Abstract: Shows main streets and landmarks of Mexico City, with subway lines and stations prominently displayed. Includes a table that locates each metro station by its map coordinates and the metro line or lines that stop there; and another table that locates main points of interest by their map coordinates. On reverse: advertisements for tourist hotels and a road map showing distances between major cities in Mexico.

1951 Curacao: Netherlands West Indies.

Keywords: Curacao, Netherlands West Indies.

Call Number: 2005

Notes: Keller collection, 147.

Abstract: part missing, tourist info (attractions, sightseeing).

1949 Panoramic and Monumental Map of Havana. Cuban Tourist Commission, Havana.

Keywords: Havana.

Call Number: 2004

Notes: Keller collection, 25.

Abstract: panoramic view of city and monuments, illustrated 3 dimensional representations of public buildings.

Canet, G. a. R. E.

Mapa de los Paisajes de Cuba por Gerarso Canet con la colaboración de Erwin Raisz.  
edited by Canet, G. a. R. E..

Keywords: Cuba.

Call Number: 2003

Notes: Keller collection, 168.

Abstract: very colorful, pictures of the different climates of Cuba; map of Cuba:  
topographic markings, vegetation, roads, cities; small map of Habana : vegetation,  
physical, streets and surrounding agricultural areas.

1928 Principal Soil and Topographic Regions of Cuba. The American Geographical  
Society of New York, New York.

Keywords: Cuba, soil.

Call Number: 2002

Notes: Keller 135.

Abstract: black and white, indicates different soil compositions with key which gives  
brief info on each region. small map of Cuba gives basic topography.

1943 Vegetation Map of Cuba. The American Geographical Society of New York, New  
York.

Keywords: Cuba, vegetation.

Call Number: 2001

Notes: Keller collection 136.

Abstract: black and white, detailed vegetation markings, railways; small map of Cuba (1:  
8,000,000) shows different regions and major cities. from The Geographical Review, Vol.  
XXXIII, No. 3, 1943, Pt. I.

1973 Honduras: Texaco. Randall McNally & Co., USA.

Keywords: Honduras.

Call Number: 2000

Abstract: front- map of Honduras: topographical markings, cities, political boundaries;  
map of La Ceiba: (1 cm=406m)streets; map of San Pedro Sula: (1 cm=606m) streets; map

of Tegucigalpa - Comayagûela (1 cm=310m): streets etc.; distance between cities in kilometers; general info on Honduras. reverse- map of Central America: rivers, roads, cities, political boundaries, pictures of cultural events, general info in Spanish and English, distance between cities in kilometers.

1962 Plano de la Ciudad de San Salvador. Dirección General de Cartografía, San Salvador.

Keywords: San Salvador, El Salvador.

Call Number: 1999

Abstract: front- map of El Salvador: yellow, streets, rivers, railroads and points of interest: reverse- pictures of different public points of interest.

Esso: Mapa de Cuba. General Drafting Co., New York.

Keywords: Cuba and Havana (and Santiago de Cuba).

Call Number: 1998

Notes: Keller collection, 67.

Abstract: front- map of Cuba: roads, railways, cities, airports, industry and agriculture markings, pictures of different agricultural and cultural scenes, and Keller's notes on crops of different regions drawn in pen; map of Habana - Matanzas: roads and etc. marked but no agricultural indications, Habana and surrounding area, including stretch of land roughly between Habana and Bahía de Cárdenas; map of Santiago de Cuba - Guantanamo and surrounding area, noticeable topographic markings; map of Santiago de Cuba y sus alrededores, a basic layout of the streets. reverse- Mapa de Habana: layout of city, mainly streets and points of interest; Cuba: Perla de las Antillas (general information about Cuba); distances between cities in kilometers; Mapa de Habana y sus alrededores: major roads and pictures of different activities and places. Geared for tourists.

Tropical Plant Research Foundation

1928 Soil Map of Cuba (a & b). edited by Tropical Plant Research Foundation, Tropical Plant Research Foundation, Washington D.C.

Keywords: Cuba, soil analysis.

Call Number: 1997

Notes: Keller collection, 381.

Abstract: folded in a black sleeve; map (a): detailed soil analysis, differentiated by color, cities and towns, roads marked; key to map(b): chart of principle soils of Cuba, includes info .

1978 Tikal, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 1996

Notes: América Central series; Hoja NE16-9.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the region of Tikal, along the Mexico-Guatemala border and the Belize-Guatemala border.

1978 Flores, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 1995

Notes: América Central series; Hoja NE16-13.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the region of Flores, Petén, Guatemala.

1978 Paso Caballos, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 1994

Notes: América Central series; Hoja NE15-12.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the region of Paso Caballos, along the Mexico-Guatemala border.

1978 La Libertad, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 1993

Notes: América Central series; Hoja NE15-16.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in the region of La Libertad, along the Mexico-Guatemala border.

1978 Stann Creek, El Cinchado, El Colorado, Orange Walk; Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Guatemala.

Call Number: 1992

Notes: América Central series; Hojas NE16-14, ND16-2, ND16-9, NE16-5.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in a coastal area of Belize near Stann Creek. Includes barrier reefs off the coast. Includes smaller maps of areas near El Cinchado, El Colorado, and Orange Walk.

1978 Belice, Guatemala. Instituto Geográfico Nacional, Guatemala.

Keywords: Belize.

Call Number: 1991

Notes: América Central series; Hoja NE16-10.

Abstract: Shows geographical features, roads, towns, landmarks, and topographical contour lines in a coastal area of Belize near Belize City. Includes barrier reefs off the coast.

1884 Map of Mexico, Central America, and the West Indies. S. Augustus Mitchell, copyright..

Keywords: Mexico /Central America /West Indies /Cuba.

Call Number: 1990

Notes: Part of an atlas, p. 100-101; purchased from Prints Old & Rare in Pacifica, California.

Abstract: Shows major placenames and landmarks, subnational and international boundaries in Mexico, and somewhat less detail for the countries of Central America

and the West Indies. Includes inset maps of Bermuda, Jamaica, Panama Railroad and Proposed Canal, Proposed Nicaragua Canal Route, and Proposed Ship Rail Route across the Isthmus of Tehuantepec. On reverse: full-page color map of Cuba.

1873 Central America (Southern Part) Including the United States of Colombia and Venezuela. J. David Williams, New York, Boston & Chicago.

Keywords: Panama /Costa Rica /Colombia /Venezuela.

Call Number: 1989

Notes: Part of an atlas; purchased from Prints Old & Rare in Pacifica, California.

Abstract: Color map shows major landmarks, placenames, international and subnational boundaries in Colombia, Venezuela, northern parts of Brazil and Ecuador; and Panama, Costa Rica, and eastern parts of Nicaragua and Honduras.

1850 Mexico & Guatemala. Thomas, Cowperthwait & Co., Philadelphia.

Keywords: Mexico /Guatemala.

Call Number: 1988

Notes: Part of an atlas; purchased from Prints Old & Rare in Pacifica, California.

Abstract: Color map shows major placenames and landmarks, international and subnational boundaries of Mexico. Includes insets of the Valley of Mexico, Central America (including Guatemala south to Costa Rica), the Isthmus of Nicaragua, and the Isthmus of Tehuantepec.

1855 Central America. J.H. Colton & Co., New York.

Keywords: Central America.

Call Number: 1987

Notes: Part of an atlas; purchased from Prints Old & Rare in Pacifica, California.

Abstract: Color map shows major landmarks and placenames, international and subnational boundaries. Includes small insets of Aspinwall City (Manzanilla Island) Navy Bay, Panama City, The "Nicaragua Route," Isthmus of Panama, and harbor of San Juan de Nicaragua.

1847 Mapa de los Estados Unidos de México, según lo organizado y definido por las varias actas del Congreso de dicha república: y construido por las mejores autoridades. J. Disturnell, Nueva York.

Keywords: Mexico.

Call Number: 1986

Notes: Department of State - Map Series No. 5; revised edition; "The earliest of five or more 1847 editions." Donated by Professor Rod Camp, 7/98.

Abstract: Large colored map of Mexico and the western United States shows landmarks, placenames, roads, state and international boundaries. Includes table of distances, statistical table, and inset map showing roads between Veracruz and Alvarado and Mexico City, and profile maps of the areas between Veracruz and Mexico City and between Acapulco and Mexico City.

1997 Ciudad de Guadalajara / Red Vial / Area Metropolitana / City Map. Guia Roji, Mexico, D.F.

Keywords: Guadalajara.

Call Number: 1985

Abstract: Detailed color map shows streets, neighborhoods, roads, landmarks. On reverse: indexes to streets and colonias.

1955 World Aeronautical Chart: Point Angamos. The Aeronautical Chart and Information Center, United States Air Force, Washington D.C.

Keywords: Point Angamos, Bolivia - Chile.

Call Number: 1984

Notes: Keller collection, 252.

Abstract: aeronautical chart with aeronautical and topographic markings.

1956 World Aeronautical Chart: Rio Chico. The Aeronautical Chart and Information Center, United States Air Force, Washington D.C.

Keywords: Rio Chico, Chile.

Call Number: 1983

Notes: Keller collection, 248.

Abstract: aeronautical chart with aeronautical and topographic markings.

1995 World Aeronautical Chart: Mount Aconcagua. The Aeronautical Chart and Information Center, United States Air Force, Washington D.C.

Keywords: Mount Aconcagua, Chile.

Call Number: 1982

Notes: Keller collection, 250.

Abstract: Aeronautical chart with aeronautical and topographic markings.

Chile [a, b, c, d, e, f, g]. Government of Chile.

Keywords: Chile.

Call Number: 1981 a, b, c, d, e, f, g

Notes: Keller collection, 31.

Abstract: A is Northern Chile, B - D is Central Chile, E - G is Southern Chile; physical and trans. markings.

Esso Guía Turística [a & b]. General Drafting Co., New York.

Keywords: Chile, Santiago.

Call Number: 1980

Notes: Keller collection, 32.

Abstract: two-sided, one:three maps of Chile(Mapa de Chile: Véanse los signos Convencionales del Mapo Caminero abajo; Mapa caminero de Chile; Mapa panorámico de Chile), the other: Map of Santiago and La Región de los Lagos, for travellers mainly .

the American Geographical Society of New York

1935 Belize. edited by the American Geographical Society of New York, A. Hoen and Company, Baltimore.

Keywords: Belize, South America.

Call Number: 1979

Notes: Keller collection, 9.

Abstract: physical and political markings, concerned with the area of the Caribbean Sea by Belize.

1943 World Aeronautical Chart: Cordillera Macarena. The USAF Aeronautical Chart and Information Service, Washington D.C.

Keywords: Cordillera Macarena.

Call Number: 1978

Notes: Keller collection, 249.

Abstract: physical features, elevations, etc., is to be used as an aeronautical chart, on back there is a world aeronautical chart index, aeronautical and topographic symbols and their meaning.

Esso Mapa Nordeste e Leste.

Keywords: Brazil.

Call Number: 1977b

Notes: Keller collection, 181.

Abstract: see 1977a for information.

1952 Esso Mapa Nordeste e Leste do Brasil. General Drafting Co., New York.

Keywords: Brazil, Recife, Salvador.

Call Number: 1977a

Notes: Keller collection, 181.

Abstract: two-sided, one: map of Brasil Nordeste with inlaid maps of Salvador, Recife, the other: Brasil Leste; streets listings, road markers and their definition, landmarks and public facilities marked, distances from towns charted.

1926 Route Traverse in Southern Maranhão. the American Geographic Society of New York, New York.

Keywords: Southern Maranhão.

Call Number: 1976

Notes: Keller collection, 139.

Abstract: excerpt from "The Geographical Review" Vol. XVI, No. 2, 1926, plate I, indicates the route taken by E.W. Shaw and J.L. Darnell, 1924, indicates physical features.

1950? Brazil: an economic sketch. Brazilian Government Trade Bureaus: National Department of Industry and Commerce of Brazil, New York.

Keywords: Brazil.

Call Number: 1975

Notes: Keller collection, 5.

Abstract: green, indicates industry and agriculture, inlaid maps showing climate, rivers, airways, railroads, and highways, also indicated is Brazil's population, main exports, education, history, foreign investments, hydro-electric power, immigration, production, foreign trade.

The Chief of Engineers by the Army Map Service

1948 La Paz NE. edited by The Chief of Engineers by the Army Map Service, Army Map Service, Corps. of Engineers, Department of the Army, Washington D.C.

Keywords: La Paz, Bolivia.

Call Number: 1974

Notes: Keller collection, 119.

Abstract: shows strategic info of area, land marks, railroads, etc.

Bolivia: Mapa General de la Republica de Bolivia. United Nations.

Keywords: Bolivia.

Call Number: 1973

Notes: Keller collection, 380.

Abstract: colorful, shows bordering countries, elevations, major roads and rail-roads.

Gottret, J. L.

Bolivia: Mapa General - Formado expresamente para "Bolivia en el Primer Centenario de su Independencia". edited by Gottret, J. L., C.S. Hammond & Co., New York.

Keywords: Bolivia.

Call Number: 1972

Notes: Keller collection, 196.

Abstract: canvas, political markings and land marks (roads), boundaries outlined in color.

1936 Mapa aproximado de Bolivia en 70 hojas: Hoja N' 20 Sorata. Ministerio de Colonización Comisión Cartográfica, La Paz, Bolivia.

Keywords: Sorata, Bolivia.

Call Number: 1971

Notes: Keller collection, 116.

Abstract: copy, coordinates.

Pucarani, Bolivia.

Keywords: Pucarani, Bolivia.

Call Number: 1970

Notes: Keller collection, 178.

Abstract: on wax paper, extremely delicate (brittle), land marks.

1933 Mapa aproximado de Bolivia en 70 hojas: Hoja N' 34 Santa Cruz. Ministerio de Colonización Comisión Cartografica, La Paz, Bolivia.

Keywords: Santa Cruz, Bolivia.

Call Number: 1969

Notes: Keller collection, 129c.

Abstract: copy, physical and political markings, Planos Principales aprovechados, coordinates, observations.

Bolivia: InterAmerican Geodetic Base - Rio, Mulatos, Punchuni, Cochabamba, Santa Cruz, Tarabuco. Instituto Geografico Militar y de Catastración Nacional División Cartografica, La Paz, Bolivia.

Keywords: Bolivia, InterAmerica, Rio, Mulatos, Punchuni, Cochabamba, Santa Cruz, Tarabuco.

Call Number: 1968

Notes: Keller collection, 174.

Abstract: for aeronautical use, shows flight paths between cities, inlaid diagram of different cities, indicates location of air bases.

1947 World Aeronautical Chart: Lake Poopo (a & b). The Aeronautical Chart Service, U.S. Army Airforces, Washington D.C.

Keywords: Lake Poopo, Bolivia.

Call Number: 1967 (a & b)

Notes: Keller collection, 175 - a & b.

Abstract: Two copies, very thorough geographic info, on back of both detailed aeronautical info, notes on flight plan written in pencil.

The U.S. Coast and Geodetic Survey

1942 Regional Aeronautical Chart: Lago Poopo, Bolivia. edited by The U.S. Coast and Geodetic Survey, Army Map Service, U.S. Army, Washington D.C.

Keywords: Lago Poopo, Bolivia.

Call Number: 1966

Notes: keller collection, 176.

Abstract: for War and Navy dept. Agencies only, designed for military use, military stations marked.

1935 Mapa aproximado de Bolivia en 70 hojas: Hoja N' 40 Samaipata. Ministerio de Colonización Comisión Cartográfica, La Paz, Bolivia.

Keywords: Samaipata, Bolivia.

Call Number: 1965

Notes: Keller collection, 99c.

Abstract: copy of original, detailed coordinates of surrounding cities and towns, planos principales aprovechados.

Esso Mapa de La Republica de Guatemala. General Drafting Co., New York.

Keywords: Guatemala, Central America, Panama Canal.

Call Number: 1964

Notes: Keller collection, 39.

Abstract: fold out, color, info on Guatemala, "physical - trans. - political," 2 sided, one: map of Guatemala, other: map of Central America, la zona del Canal, and la carretera interAmericana.

1944 Alta Verapaz, Guatemala. Alta Verapaz, Guatemala.

Keywords: Alta Verapaz, Guatemala.

Call Number: 1963

Notes: Keller collection, 2.

Abstract: map on wax paper, delicate, simplistic markings of cities and provinces, "Sapper y CIA fincas (Intervención de los fincas Alemanes c. 1944)".

Municipio de Coban. Departamento de Alta Verapaz, Alta Verapaz, Guatemala.

Keywords: Coban.

Call Number: 1962

Notes: Keller collection, 4a.

Abstract: "political - Trans. - coffee fincas," mostly just markings of the towns, rivers, and boundaries.

1935 Mapa aproximado de Bolivia en 70 hojas: Hoja No' 26 Chulumani - Coroico.  
Ministerio de colonización Comision Cartografica, La Paz, Bolivia.

Keywords: Corocio, Bolivia.

Call Number: 1961

Notes: Keller collection, 118.

Abstract: copy, physical and political markings, detailed coordinates of cities/towns around Coroico, planos principales aprovechados.

1933 Mapa aproximado de Bolivia en 70 hojas: Hoja No' 32 Oruro - Cochabamba.  
Ministerio de Colonización Comision Cartografica, La Paz, Bolivia.

Keywords: Cochabamba, Bolivia.

Call Number: 1960

Notes: Keller collection, 117b.

Abstract: physical and political markings, detailed coordinates for cites around Cochabamba, planos principales aprovechados.

1933 Mapa aproximado de Bolivia en 70 hojas: No' 32 Oruro - Cochabamba. Ministerio de Colonización, La Paz, Bolivia.

Keywords: Cochabamba, Bolivia.

Call Number: 1959

Notes: Keller collection, 117c.

Abstract: physical and political, detailed coordinates for cities around Cochabamba, lists planos principales aprovechados, and observations of land markings.

1940 Aiquile Valle Grande: Mapa aproximado de Bolivia en 70 hojas. Instituto Geografico Militar y de Catastración Nacional División Cartografica, La Paz, Bolivia.

Keywords: Aiquile Valle Grande, Bolivia.

Call Number: 1958

Notes: Keller collection, 98b.

Abstract: physical and political distinctions, land marks.

Cornejo, H. M. M.

1939 Plano de la Ciudad de La Paz. edited by Cornejo, H. M. M., L. Perez Velasco.

Keywords: La Paz, Bolivia.

Call Number: 1957

Notes: Keller collection, 16.

Abstract: fold out, local map, symbols used to distinguish local points of interest, roads.

1942 Map No. 3 To accompany a survey of Bolivia: City Plan of La Paz. Army Map Service, U.S. Army, Washington D.C.

Keywords: La Paz, Bolivia.

Call Number: 1956

Notes: Keller collection, 15.

Abstract: map of La Paz, inlaid map of Villa Obras, detailed info of lot assignments, land marks, symbols used to identify drug stores, churches, markets, etc.

Bemporat

1941 Plano de la Ciudad de La Paz. edited by Bemporat, Administrador de la junta de Obras Políticas de La Paz, Buenos Aires.

Keywords: La Paz, Bolivia.

Call Number: 1955

Notes: Frank Keller Collection; 13.

Abstract: plan of city, including detailed lot info, colors and symbols used to distinguish such areas as public and city property, inlaid is map of Villa Obrajes w/ lot assignments, in moderately poor condition.

1940 Mapa aproximado de Bolivia en hojas:Hoja N' 34 Santa Cruz. Instituto Geografico Militar y de Catastración Nacional División Cartografica, La Paz, Bolivia.

Keywords: Santa Cruz, Bolivia.

Call Number: 1954

Notes: Keller collection, 129b.

Abstract: physical and political boundries distinguished, most info on roads.

Bonne, M.

1824 Amérique Méridionale. edited by Bonne, M..

Keywords: South America, french.

Call Number: 1953

Notes: was exept from book, "liv. VII et X...No. 29".

Abstract: countries distinguished by color, written in french, concerned with countries, cities, and land marks.

Gibson, J. s.

1747 A Chart of the Southern Part of South America; with the Track of the Centurion from the Island of St. Catherines to the Island of St. Fernandes. edited by Gibson, J. s..

Keywords: South America, Cape Horn, the Centurion.

Call Number: 1952

Notes: is an actual exerpt from book (unknown), "To face page 20 vol III."

Abstract: no details of inland South America, concern strictly with charting the path of ship from on island to the other around Cape Horn, detailed relevant to ship's journey and notes on current .

Rapkin, J. m. d. a. e. b.

South America. edited by Rapkin, J. m. d. a. e. b., J & F. Tallis, London, Edinburgh, & Dublin.

Keywords: South America.

Call Number: 1951

Abstract: illustrated with scenes of interesting cultural practices, the borders of the countries have been highlighted with different colors (added), concerned with port cities.

F. Montesdeoca. R.

1889 Mapa de la República de Costa- Rica (America Central): Dibujado y enmendado. edited by F. Montesdeoca. R. A. Giard, Libraire- Éditeur, Paris.

Keywords: Costa- Rica, Central America.

Call Number: 1950

Notes: call #: 972.86 B615c.

Abstract: fold out, concerned with countries, rivers and other land marks, cities and town of Central America, written in french.

1875 Central America (Southern Part): including the United States of Colombia.

Keywords: Central America, southern part, Columbia.

Call Number: 1949

Abstract: 2-sided, one side: map of southern Central America with countries and land marks indicated, other side: a map of (or plan for) Eagleville and Weston (towns?), detailed info about lots (land property), insufficient explanation of map.

Departamento Geográfico oficina de Cartografía y Cálculo - de Estados Unidos Mexicanos, I. F. R.

1961 Mapa de Yucatan: carreteras, ferrocarriles, rios y montañas. edited by Departamento Geográfico oficina de Cartografía y Cálculo - de Estados Unidos Mexicanos, I. F. R., Secretaria de Agricultura y Ganaderia - Direccion de Geografia y Meteorologia, Mexico.

Keywords: Yucatan.

Call Number: 1948

Abstract: from the library of Richard E. Greenleaf, fold out, simplistic, indicates cities and roads and train tracks.

Puerto Rico Tourism Company

1998 Puerto Rico: Travel & Sports Planner. edited by Puerto Rico Tourism Company, Travel & Sports, Inc., Puerto Rico.

Keywords: Puerto Rico, tourism.

Call Number: 1947

Abstract: magazine, map of Puerto Rico and San Juan (p. 1,2), tourist info, color photos throughout, map of Old San Juan and points of interest (p. 6), and tourist info, map of San Juan Beach & Resort Area and list of major annual events (p.12, 13), color photos and list of hotels, map of East Coast & El Yunque and color photos (p. 19), tourist info and list and photos of hotels, map of Southwest Coast & Ponce and tourist info and photos (p. 22, 23), tourist info, photos and list of hotels, map of Northwest Coast & Camuy and photos and info (p. 26, 27), photos and list of hotels, map of Central Mountains and photos and tourist info, photos and list of hotels, sports info and photos.

General Drafting Co.

1956 Mapa Esso República de Cuba. edited by General Drafting Co., General Drafting Co., Convent Station, New Jersey.

Keywords: Cuba, Habana.

Call Number: 1946

Abstract: of Cuba, Habana, Matanzas, Pinar del Rio, Camagüey, Santiago de Cuba, 2-sided, one side: detailed map of Habana, other: map of Cuba with illustrations of agricultural and cultural highlights.

illustracion: Ruiz, I. H. d. g.

Campeche: vegetacion. edited by ilustracion: Ruiz, I. H. d. g., gobierno del estado de Campeche - sociedad mexicana de historia natural.

Keywords: Campeche.

Call Number: 1945

Abstract: glossy, colorful, indicates location of various plant life.

ilustracion: Ruiz, I. H. d. g. H. N.

Campeche: climas y recursos renovables. edited by ilustracion: Ruiz, I. H. d. g. H. N.,  
gobierno del estado de Campeche - sociedad mexicana de historia natural.

Keywords: Campeche.

Call Number: 1944

Abstract: glossy, colorful, indicates location of different crops and livestock.

ilustracion: Ruiz, I. H. d. g. H. N.

Campeche: y sus recursos naturales. edited by ilustracion: Ruiz, I. H. d. g. H. N.,  
gobierno del estado de Campeche - sociedad mexicana de historia natural.

Keywords: Campeche.

Call Number: 1943

Abstract: glossy, dark colors, illustrations of animals and culture.

ilustracion: Ruiz, I. H. d. g. H. N.

Campeche: division politica. edited by ilustracion: Ruiz, I. H. d. g. H. N., gobierno del  
estado de Campeche - sociedad mexicana de historia natural.

Keywords: Campeche.

Call Number: 1942

Abstract: glossy, colorful, indicates political regions (ex: monumentos prehispanicos).

ilustracion: Ruiz, I. H. d. g. H. N. c. c. M. E.

Campeche: fauna. edited by ilustracion: Ruiz, I. H. d. g. H. N. c. c. M. E., gobierno del  
estado de Campeche - socuedad mexicana de historia natural.

Keywords: Campeche.

Call Number: 1941

Abstract: glossy, colorful, indicates location of various fauna and wildlife in Campeche.

Ilustración: Ruiz, I. H. d. g. H. N. c. c. M. E.

Campeche: geología y fosiles. edited by Ilustración: Ruiz, I. H. d. g. H. N. c. c. M. E.,  
Gobierno del estado de Campeche - sociedad mexicana de historia natural.

Keywords: Campeche.

Call Number: 1940

Abstract: Glossy colorful view of the state of Campeche; indicates location of geology  
and fossils.

Trelawny Saunders

1851 Map of the West Indies & Central America Shewing the Countries Where the  
Mahogany & Other Fine Forest Trees abound: Also the Projected Passages across the  
Great American Isthmus. edited by Trelawny Saunders, Drawn & Engraved for Chaloner  
& Fleming, Liverpool.

Keywords: West Indies /Caribbean /Central America.

Call Number: 1939

Abstract: Shows geographic forms and major placenames in the West Indies, Central  
America, southern U.S., and northern South America. Red "pecked" lines show  
projected passages by way of the Isthmus of Tehuantepec, Lake Nicaragua, Panama, and  
the River Atrato.

Thome de Gamond

1858 Carte d'etude...du Canal Interocéanique de Nicaragua... edited by Thome de  
Gamond, Dalmont et Dunod, Paris.

Keywords: Nicaragua /Canal.

Call Number: 1938

Notes: Also see similar map: #178.

Abstract: Impressive folding map mounted on cloth and contained within a rare book  
shows the route of the proposed interoceanic canal across Nicaragua, including  
topography and vegetation, placenames and landmarks, and soundings in fathoms along  
the coasts. Includes a profile view of the canal route at bottom, and a large inset  
showing the location of the canal route within Central America.

Rand McNally New Library Atlas of Panama. Rand, McNally & Co., Chicago.

Keywords: Panama.

Call Number: 1937

Notes: Taken from Rand McNally's Commercial Atlas of America, p. 398-399.

Abstract: Color map shows major placenames, subnational and international boundaries of Panama. Includes insets, "Map of the Canal Zone (Isthmus of Panama) Showing the Panama Canal" and "Profile of Canal" showing a horizontal section of the canal route.

On reverse: index of placenames in Panama.

South America, Southern Part. Rand, McNally & Co., Chicago.

Keywords: Argentina /Chile /Uruguay.

Call Number: 1936

Notes: Taken from Rand McNally's Commercial Atlas of America, p. 602-603. The library lacks the Northern Part, but together the two parts make up the "Rand McNally Standard Map of Chile, Bolivia, Peru, Ecuador, Uruguay, Paraguay and the Argentine Republic".

Abstract: Color map shows major placenames, steamship lines, subnational and international boundaries of Argentina and Uruguay (except the northernmost regions), and most of Chile. Includes inset, "Detail Map of Southern Part of the Argentine Republic and Chile" (Tierra del Fuego and adjacent islands and mainland). On reverse:

index of placenames in Bolivia, Chile, and República Argentina.

Keith Johnson

1868? South America (Northern Sheet). edited by Keith Johnson, William Blackwood & Sons, Edinburgh.

Keywords: Brazil /Peru /Ecuador /Venezuela /Colombia.

Call Number: 1935

Notes: Taken from "Keith Johnson's General Atlas," p. 46-47.

Abstract: Detailed color map shows placenames, geographical features, subnational and international boundaries, railways, landmarks, elevations, and dates of battles in the northern half of South America, including most of Brazil and Bolivia, and Peru, and all of Ecuador, the Granadian Confederation (Colombia), Venezuela, and the Guianas. Includes small inset of the Galapagos Isles.

Central America. Guatemala, British Honduras, Honduras, Salvador, Nicaragua, Costa Rica and Panama. George F. Cram, Chicago.

Keywords: Central America /Guatemala /Belize /Honduras /El Salvador /Nicaragua /Costa Rica /Panama /Bermuda.

Call Number: 1934

Notes: Taken from an atlas, p. 98-99.

Abstract: Color map shows major placenames, geographical features, steamship routes, and international boundaries of Central America. Includes insets of El Salvador, Panama Canal Zone ("United States Canal Zone Showing Line of Proposed Lock Canal..."), and Costa Rica. On reverse: text about the Panama Canal, and map of the Bermuda Islands (14" x 10).

Map of the River of San Juan de Nicaragua.

Keywords: Río San Juan de Nicaragua.

Call Number: 1933

Abstract: Shows major placenames and geographical features along the course of the River of San Juan de Nicaragua, from Lake Nicaragua to its mouth at San Juan on the Atlantic Ocean.

W. Williams

1867 Map of South America, Showing its Political Divisions. edited by W. Williams, S. Augustus Mitchell Jr., Philadelphia.

Keywords: South America.

Call Number: 1932

Notes: Taken from an atlas (p. 59).

Abstract: Color map shows major placenames and geographical features, and international boundaries of South America, including Brazil, Colombia, Venezuela, Guiana, Peru, Bolivia, Paraguay, Uruguay, Chili, Argentine Confederation, and Patagonia. Includes small inset, "Map Showing the Proposed Atrato-Inter-Oceanic Canal Routes, for Connecting the Atlantic and Pacific Oceans."

1855 Venezuela, New Granada and Ecuador. J.H. Colton & Co., New York.

Keywords: Venezuela /Colombia /Ecuador.

Call Number: 1931

Notes: Taken from an atlas (No. 61). On reverse: text on "The Republic of Ecuador."

Abstract: Color map shows major placenames, geographical features, and subnational and international boundaries of Venezuela, New Granada (Colombia) and Ecuador.

1855 Peru and Bolivia. J.H. Colton & Co., New York.

Keywords: Peru /Bolivia.

Call Number: 1930

Notes: Taken from an atlas (No. 62). On reverse: text on "The Empire of Brazil, and Guayana."

Abstract: Color map shows major placenames, geographical features, and subnational and international boundaries of Peru and Bolivia. Includes small inset of the city of Lima.

1867 Map of Brazil, Bolivia, Paraguay, and Uruguay.

Keywords: Brazil /Chile /Bolivia /Paraguay /Uruguay.

Call Number: 1929

Notes: Taken from an atlas (apparently p.64).

Abstract: Color map, with a border of vines, shows subnational and international boundaries and major placenames. Main map includes insets of the harbors of Bahia and of Rio (de) Janeiro. Similar map of Chile shows all but southernmost part of the country and includes an inset of the Island of Juan Fernandez.

Central America. Geo. F. Cram, Chicago, Ill.

Keywords: Central America.

Call Number: 1928

Abstract: Color map shows international boundaries and major placenames of Panama, Veragua, Costa Rica, Nicaragua, Honduras, San Salvador (El Salvador), Guatemala, and

British Honduras (Belize). Inset shows western Guatemala and adjoining region in Mexico.

1903 Panama. C.S. Hammond & Co., New York.

Keywords: Panama.

Call Number: 1927

Abstract: Color map shows topography, placenames, and the routes of the proposed Panama Canal and the Panama Railroad. Includes a horizontal section of the Panama Canal (vertical scale exaggerated 100 fold), showing the excavated portion and main places along the route.

J.W. Lowry, F. R. G. S.

1875 Brazil, Bolivia, Peru, & Ecuador. edited by J.W. Lowry, F. R. G. S..

Keywords: Brazil /Bolivia /Peru /Ecuador.

Call Number: 1926

Notes: Taken from an atlas. Purchased from Prints Old & Rare, Pacifica, California, for \$25, 2/98.

Abstract: Shows placenames, geographical features, and international and subnational boundaries outlined in purple. On reverse: text on Peru, Guiana and Brazil.

1892 Central America. Rand, McNally & Co., Chicago.

Keywords: Central America.

Call Number: 1925

Notes: Taken from Rand-McNally's Indexed Atlas. Purchased from Prints Old & Rare, Pacifica, California, for \$25, 2/98.

Abstract: Color map shows towns, provinces, international boundaries, geographical features of British Honduras (Belize), Guatemala, El Salvador, Honduras, Nicaragua, Costa Rica, and part of Panama. 1996 Caribbean Ports. A Map Guide to the Best Destinations. Cruise Map Publishing Company, Sonoma, California.

Keywords: Caribbean.

Call Number: 1919

Notes: ISBN: 1887910018. Editorial, Maps, Design and Production--Eureka Cartography, Berkeley, CA.

Abstract: Partially obstructed map of the western Caribbean shows the location of principal islands and important towns. On reverse: partially obstructed map of the eastern Caribbean showing the location of principal islands and important towns. On both sides: Small maps of principal streets in central areas of Freeport, Bahamas; Nassau, Bahamas; Ocho Rios, Jamaica; Montego Bay, Jamaica; Cozumel, Mexico; George Town, Cayman Islands; Charlotte Amalie, U.S. Virgin Islands; Philipsburgh, St. Maarten; Pointe-a-Pitre, Guadeloupe; Fort-de-France, Martinique; Bridgetown, Barbados; St.

George's, Grenada; Oranjestad, Aruba; San Juan, Puerto Rico; Roseau, Dominica; and Castries, St. Lucia.

1997 Karibik Französische Antillen. Hildebrand's Urlaubskarte / The Caribbean.

Hildebrand's TravelMap. KARTO+GRAFIK, Frankfurt.

Keywords: Caribbean.

Call Number: 1918

Notes: "Nachdruck oder Vervielfältigungen - auch auszugsweise - nur mit ausdrücklicher Genehmigung des Verlages."

Abstract: Shows cities, towns, roads, landmarks in the French Caribbean islands of Guadeloupe (23"x15"; 1:165,000), Martinique (23"x10"; 1:125,000), St. Lucia (5"x10"; 1:180,000), St. Martin (5"x7"; 1:105,000), Barthélemy (6"x5"; 1:60,000), Dominica (11"x8"; 1:175,000). Includes an overview map of the Caribbean (11"x8"; 1:7,000,000), small insets of Marie-Galante, Les Saintes, and La Désirade, a distance chart, and index of placenames. On reverse: geographical, historical, and tourist information in French, German and English.

1997 Cuba. Hildebrand's Urlaubskarte / Cuba. Hildebrand's Travel Map. KARTO+GRAFIK, Frankfurt.

Keywords: Cuba.

Call Number: 1917

Notes: "Nachdruck oder Vervielfältigungen - auch auszugsweise - nur mit ausdrücklicher Genehmigung des Verlages."

Abstract: Shows cities, towns, roads, landmarks of Cuba. Includes insets of the Caribbean, Habana and Habana Vieja, distance chart, and index of places and accommodations. On reverse: geographical, historical, and tourist information in French, German and English.

1997 A Traveller's Reference Map of Puerto Rico. ITMB Publishing / International Travel Maps, Vancouver.

Keywords: Puerto Rico.

Call Number: 1916

Notes: ISBN: 1895907020.

Abstract: Shows cities, towns, roads, airports, elevations (color coded), and landmarks in Uruguay. Includes brief text on history and tourism in Puerto Rico, and insets of San Juan, Ponce, Aguadilla, Viejo San Juan, Isla de Culebra / Isla de Vieques, Mayaguez, Aguadilla, and Arecibo.

Volker Schniepp

1997 An International Travel Map of Uruguay. edited by Volker Schniepp, ITMB Publishing Ltd. Vancouver.

Keywords: Uruguay.

Call Number: 1915

Notes: ISBN: 0921463847.

Abstract: Shows cities, towns, roads, airports, elevations (color coded), and landmarks in Uruguay. Includes an inset of Montevideo.

1993 Martinique Carte Touristique au 1:100 000. Institut Geographique National, Paris.

Keywords: Martinique.

Call Number: 1914

Abstract: Shows towns, roads, landmarks on the island of Martinique. Includes insets of Fort-de-France and St. Pierre.

1997? Rio de Janeiro. RV Reise- und Verkehrsverlag. Kartographie: Geodata, Germany.

Keywords: Rio de Janeiro.

Call Number: 1913

Notes: ISBN: 0841608156.

Abstract: Detailed color map shows streets and landmarks in the city of Rio de Janeiro. On reverse: street index and listings of hotels, restaurants, museums, parks, and other sites of touristic interest.

1997? Buenos Aires. RV Reise- und Verkehrsverlag. Kartographie: Geodata, Germany.

Keywords: Buenos Aires.

Call Number: 1912

Notes: ISBN: 35753366326.

Abstract: Detailed color map shows streets and landmarks in the city of Buenos Aires. Includes inset of central district (Recoleta / Retiro / San Nicolás). On reverse: street index, subway map, and listings of hotels, restaurants, museums, parks, and other sites of touristic interest.

1997? Central America Costa Rica. Nelles Verlag, Munich.

Keywords: Central America /Costa Rica.

Call Number: 1911

Abstract: Shows cities, roads, landmarks, national boundaries of Central America. On front side: Yucatan Peninsula and Mexico as far west as the Isthmus of Tehuantepec, Belize, Guatemala, and parts of El Salvador, Honduras and Nicaragua. On reverse side: remaining parts of El Salvador and Honduras, and all of Nicaragua, Costa Rica and Panama. Also includes an enlarged inset (15"x16"; 1:900,000) of Costa Rica.

1997? Bermuda, Bahamas Greater Antilles. Nelles Verlag, Munich.

Keywords: Caribbean.

Call Number: 1910

Notes: Series: Caribbean Islands 1.

Abstract: Map on front side ("Caribbean Islands") shows cities, roads, landmarks of Cuba, the Bahamas, Haiti, Dominican Republic, Puerto Rico, Jamaica, and south Florida. Includes insets of Bermuda Island and its capital city of Hamilton, and of North & South Bimini (Bahamas). On reverse: insets of Miami / Ft. Lauderdale (Florida, USA), Grand Bahama (Bahamas), New Providence (Bahamas), Grand Cayman (United Kingdom), Little Cayman (United Kingdom), Cayman Brac (United Kingdom), Freeport, Nassau, and George Town.

1997? Lesser Antilles. Nelles Verlag, Munich.

Keywords: Caribbean.

Call Number: 1909

Notes: Series: Caribbean Islands 2.

Abstract: Map on front side ("Caribbean Islands") shows cities, roads, landmarks of all the main islands of the Caribbean, excluding Cuba, and the coastal area of Venezuela. Includes insets of Trinidad and Tobago. On reverse: insets of the Virgin Islands, Anegada, St. Croix, Curacao, Aruba, Bonaire, Barbados, Anguilla and St. Martin, St. Barts, Saba, St. Eustatius, the Grenadines, Grenada, St. Kitts and Nevis, Montserrat, St. Vincent and the Grenadines, Barbuda, Antigua, Saint Lucia, Guadeloupe, Martinique, La Desirade, and Dominica.

1991 Belize Ambergris Cay includes adjacent cays and inset map of San Pedro. Ordnance Survey (the national mapping organisation of Great Britain), Southampton, England.

Keywords: Ambergris Cay /Belize.

Call Number: 1908

Notes: "Edition 5 revised by Ordnance Survey from information supplied by the Lands and Surveys Department, Belize, 1989." Crown copyright. Series: Worldmaps 6. On cover: photograph of San Pedro.

Abstract: Shows roads, towns, landmarks and topography of the island of Ambergris Cay, Belize. Includes brief text on the history and geography of Ambergris Cay, and inset map (5"x5"; 1:5,000) of San Pedro, the capital city, and a small map that locates Ambergris Cay's position in the Caribbean. Includes brief text on the history and geography of the island.

1991 St. Lucia with tourist information and inset map of Castries. Ordnance Survey (the national mapping organisation of Great Britain), Southampton, England.

Keywords: Saint Lucia.

Call Number: 1907

Notes: "Edition 8 redesigned and revised by Ordnance Survey, 1990, from materials supplied by the Lands and Surveys Department, St. Vincent, 1989." Map is produced in association with the Land Survey, Registry and Mapping Department, St. Lucia, and is copyright of the Government of Saint Lucia. Series: Worldmaps 4. On cover: photograph of Soufriere Bay and Petit Piton.

Abstract: Shows roads, towns, landmarks and topography of the island of St. Lucia. Includes brief text on the history and geography of St. Lucia, and inset map (11"x10";

1:10,000) of Castries, the capital city, and a small map that locates St. Lucia's position in the Antilles. Includes brief text on the history and geography of the island.

1991 St. Vincent and the Grenadines with tourist information and inset map of Kingstown. Ordnance Survey, Southampton, England.

Keywords: Saint Vincent /Grenadines.

Call Number: 1906

Notes: "Edition 8 redesigned and revised by Ordnance Survey, 1990, from materials supplied by the Lands and Surveys Department, St. Vincent, 1989." Map is copyright of the Government of Saint Vincent and the Grenadines. Series: Worldmaps 14. On cover: photograph of Indian Bay, St. Vincent with Battowia beyond.

Abstract: Shows roads, towns, landmarks and topography of the island of St. Vincent. Includes brief text on the history and geography of St. Vincent, and inset map (11"x10"; 1:10,000) of Kingstown, the capital city. On reverse: The Grenadines (1:50,000) shows roads and landmarks of the main islands in the Grenadines, including Canouan, Mayreau, Union Island, Bequia, Battowia, Baliceaux, and Mustique. Includes brief text on the history and geography of each island.

1689 Camino que el año de 1689 hizo el Governador Alonso de Leon desde Coahuila hasta hallar cerca del Lago de Sto. Bernardo el lugar donde havían poblado los Franceses. Siguenza.

Keywords: Coahuila /Colonial.

Call Number: 1905

Notes: 3 copies.

Abstract: Photostat negative of handrawn colonial map showing the route (including daily stopover points and distances travelled) of the party of Governor Alonso Leon between Coahuila to near the Lago de Santo Bernardo, along the Gulf of Mexico, where they encountered a French settlement in 1689.

Guatemala Capital del Reyno.

Keywords: Guatemala.

Call Number: 1904

Notes: At bottom: "los que oiran hacia las Plays. correspte. a las quatro Provincias que contiene de este Plano." Stamped on reverse: "Property of France Scholes". Map is cut off at left.

Abstract: Photostat negative of a colonial relief map of the Pacific coast drainage of Guatemala, showing the Pacaya Volcano near the right margin, and the Quesaltenango Volcano near the left margin. The original is likely in the AGI or AGN (according to Guillermo Nájuez).

Nuova y corretta carta dell' Indie Occidentali cavata dalle migliori autorità.

Keywords: West Indies.

Call Number: 1903

Notes: Also see #73.

Abstract: Photograph of map of the West Indies. Towns, settlements, forts.

*Insulae Americanae in Oceano Septentrionali, cum Terris adiacentibus.*

Keywords: West Indies /Mexico /Cuba /Dominican Republic /Puerto Rico /Central America /Caribbean.

Call Number: 1902

Notes: Also see maps # 74, 1458, and 1489.

Abstract: Photograph of map showing the West Indies and the Caribbean sea and its coasts. At lower left: "D. Alberto Conradi Vander Burch...".

*Insulae Americanae in Oceano Septentrionali, cum Terris adiacentibus.*

Keywords: West Indies /Mexico /Cuba /Dominican Republic /Puerto Rico /Central America /Caribbean.

Call Number: 1901

Notes: 2 copies; also see maps # 74, 1458, and 1489.

Abstract: Photograph of map showing the West Indies and the Caribbean sea and its coasts.

HERMAN MOLL

1710-1720? A Chart of ye West Indies or the Islands of America in the North Sea. edited by HERMAN MOLL, LONDON?

Keywords: WEST INDIES.

Call Number: 1900

Notes: Photograph of map 1371; 3 copies.

Abstract: Photograph of map shows Louisiana, Mexico and Terra Firma; towns, tracts.

1967 Linguistic Map of Middle America.

Keywords: Linguistics /Mexico /Guatemala /El Salvador Ethnography.

Call Number: 1899

Notes: From the Handbook of Middle American Indians, Robert Wauchope, general editor, Vol. 5: Linguistics, Norman A. McQuown, editor. Austin, University of Texas Press, c. 1967, opp. p. 120.

Abstract: Photograph of map showing geographic ranges of Hokaltecan, Utoaztecan, Macromayan, and Otomanguanean languages (and unclassified extinct languages) in Mexico, Guatemala, El Salvador, and parts of Honduras, Nicaragua, and Costa Rica. Also classified by subgroups within those major language groupings. Includes modern national boundaries.

Dudley Costello Esqre.

1854 Map of Yucatan and the Adjacent Territories of the Itzaex or Maya Indians, the Tipuans, Quecheachés, Mopanés, Lacandones, Cholés, &c. with the district of Vera Paz; as they were known to the Spaniards from the first discovery of the Peninsula, in 1506, to the close of the Seventeenth Century, showing also the probable route of Cortes on his march from Mexico to Honduras. / Compiled from the earliest and corrected by the latest authorities. edited by Dudley Costello Esqre., John Murray, London.

Keywords: Yucatan Peninsula /Ethnography /Guatemala /Belize /Chiapas /Tabasco.

Call Number: 1898

Notes: From Squier Papers. Lith. by A. Petermann, 9, Charing Cross.

Abstract: Shows placenames, geographical features, local Indians, and routes taken by Spanish explorers in the Yucatan Peninsula and surrounding territories, including parts of modern Tabasco, Quintana Roo, Belize, Guatemala, and Honduras.

De la grande cité de Temistitan. Mexico. [or] Le Vray Pourtrait de la Grande Cite de Temistitan ou Tenutilan, chef du royaume, & Prouince puissante du Mexique.

Keywords: Mexico City /Colonial.

Call Number: 1897

Notes: apparently from a book. u.l.: "2138" / u.r.: "2139"; text on reverse includes "2140" (u.l.) and "2141" (u.r.).

Abstract: Europeanized view of a colonial Mexican city (Mexico City / Tenochtitlan?) shown from above includes a surrounding lake and hills, causeways, buildings, and people in the foreground. On reverse: part of a passage in French text, titled "De la grande cité".

Panama Map of Panama and Ancon. Vibert & Dixon.

Keywords: Panama City.

Call Number: 1896

Abstract: Shows streets, landmarks, topographical contour lines in Panama City and Ancon (Panama Canal Zone). Includes boundary line between Panama and the Canal Zone.

Mapa Geografico que presento con su Informe al Virrey de la Na. España, [don?] Juan de Olivar Rebolledo...Audiencia en Mexico el 18 [de octubre?] en 1717; y a consecuencia del reconocimto. que hizo en estas Provincias...

Keywords: Mexico /Colonial /Gulf of Mexico.

Call Number: 1895

Notes: Handwritten at top: "Howard Memorial Library from P.J. Hamilton / Mobile, Oct. 7, 1909"; lower right: "No. 110 - paga. 82. 61-6-35".

Abstract: Handrawn map of eastern New Spain shows the Gulf of Mexico coast between Veracruz and Pensacola (in modern Florida). Also shows Mexico City, Guadalajara, Monterrey, New Mexico, Texas and many other placenames. Handwritten, lower right: "En este mapa reconocerá...con mas extension...expreso en el Informe de 18 de [1717], a que acompaña".

Chiapas.

Keywords: Chiapas.

Call Number: 1894

Notes: Stamped u.l.: "Department of Middle American Research Tulane University of Louisiana"; Typewritten u.r.: "Not much good".

Abstract: Shows cities, towns, railroads, state, departmental, and international boundaries. Handrawn lines indicate two routes followed on archaeological expeditions in 1922; and handwritten placenames indicate the location of several archaeological sites, including the ruins of Piedras Negras, Yaxchilan, and Palenque. The handwritten notations are apparently in German or Danish, suggesting that this could have been a map used by Frans Blom.

W.T. Sanders and J.W. Michels (Co-Directors, T. K. P. N. S. F. G. G. 3.

1971 Kaminaljuyú. edited by W.T. Sanders and J.W. Michels (Co-Directors, T. K. P. N. S. F. G. G. 3., Penn State University.

Keywords: Kaminaljuyú /Archaeology.

Call Number: 1893

Abstract: Site map for Kaminaljuyú, Guatemala (based on the Carnegie contour map by Edwin Shook (nd) showing location of all settlement pattern test trenches (3-digit numbers) excavated by the PSU KJ Project, together with the location of all recorded Mounds (Carnegie Grid designations).

1758 Nouveau Mexico.

Keywords: Mexico City.

Call Number: 1892

Notes: At lower right: "Tom. XII, No. VI." Martha Robertson apparently lists these as possible sources: [Manuel Carrera Stampa, Planos de la Ciudad de Mexico. Mexico, Soc. Mex. de Geog. y Estad., 1949 (in Boletín de la Soc. Mex. de Geog. y Estad., 67:2-3, marzo-junio de 1949), p. 357, item XXIII. Plano de J. Vander Schleg] and [from Pierre de Hondt?, Histoire générale des voyages...XII, p. 402-403.].

Abstract: Lithographic view of (Mexico City) as seen from a nearby hill, showing buildings and surrounding landscape, and figures and horses in the foreground.

1758 Ancien Mexico.

Keywords: Mexico City.

Call Number: 1891

Notes: 2 copies. At lower right: "Tom. XII, No. VII." Martha Robertson apparently lists these as possible sources: [Manuel Carrera Stampa, Planos de la Ciudad de Mexico. Mexico, Soc. Mex. de Geog. y Estad., 1949 (in Boletín de la Soc. Mex. de Geog. y Estad., 67:2-3, marzo-junio de 1949), p. 357, item XXIII. Plano de J. Vander Schleg] and [from Pierre de Hondt?, Histoire générale des voyages...XII, p. 402-403.].

Abstract: Lithographic view of a Europeanized city (Mexico City?) as seen from a nearby hill, showing boats, causeways, city walls, buildings, and figures and horses in the foreground.

Chiapas.

Keywords: Chiapas.

Call Number: 1890

Notes: Stamped: Department of Middle American Research Tulane University of Louisiana.

Abstract: Shows cities, towns, roads, haciendas, archaeological sites, geographical features, and state and international boundaries of Chiapas.

John F. Shupe, C. C.

1997 Ancient Mesoamerica. edited by John F. Shupe, C. C., National Geographic Society, Washington, D.C.

Keywords: Mesoamerica /Mexico /Guatemala /Belize /Honduras /Archaeology /Maya /Aztec /Mixtec /Toltec /Huastec /Tenochtitlan /Zapotec /Olmec.

Call Number: 1889

Notes: Supplement to National Geographic Magazine, December 1997.

Abstract: Color map shows archaeological sites, cultural regions (Central Highlands, Gulf Coast, Maya Highlands, North and West, Northern Maya Lowlands, Oaxaca, and Southern Maya Lowlands), geographical features, and international boundaries from the Río Pánuco in Mexico on the north, southward to western Honduras and Nicaragua. Includes color pictures of many archaeological artifacts, and brief text and maps of the

Mesoamerican region in the preclassic, classic, postclassic, and colonial to modern periods. On reverse: color diagram by Chris Evans, depicting Palenque as it may have appeared in its preconquest glory; and a timeline and brief texts about Mesoamerican cultures from 1500 B.C. to 1521 A.D.

Gerhard Kramer, d. and research by S.K. Lowe

1940 Section V Archaeological Sites in The Maya Area. edited by Gerhard Kramer, d. and research by S.K. Lowe, Middle American Research Institute, New Orleans.

Keywords: Guatemala /Chiapas.

Call Number: 1888

Notes: For use with "Index of Maya Sites" (1940) in Middle American Research Institute. Revision of the Frans Blom - O.G. Ricketson, Jr. Map, "Ruins in the Maya Area" (1924). Prepared under a grant from the Carnegie Institution of Washington. Based on Sheets NE-14 (Ciudad de Mexico) and D-15 (Ciudad Guatemala) of the American Geographical Society's "Map of Hispanic America" (1:1,000,000).

Abstract: Shows towns, railways, highways, geographical features, departmental and international boundaries of coastal parts of Oaxaca and Chiapas states, Mexico, and southwest Guatemala. Identifies adjoining map sections.

Sant Domingo.

Keywords: Santo Domingo.

Call Number: 1887

Notes: From Howard-Tilton 2/73.

Abstract: Reproduction of engraving shows the harbor and city of Santo Domingo (Dominican Republic), and surrounding geographical features. Shows alligators, turtles other beasts, and a fleet of sailing ships in the harbor.

Venezuela, New Grenada & Equador.

Keywords: Venezuela /Colombia /Ecuador /Panama.

Call Number: 1886

Notes: 3/26/42 Conwell gift; l.r. corner: "39".

Abstract: Reproduction of shaded map shows main placenames, geographical features and subnational and international boundaries of New Grenada (colonial Colombia), Ecuador, Venezuela. Includes inset, "Plan of a Proposed Communication Between the Atlantic & Pacific Oceans." (4.5"x 4.5"), showing the proposed line of a railroad across the Panama isthmus.

Hispaniae Novea Sive Magnae, regens et Vera Descriptio. 1579.

Keywords: Mexico.

Call Number: 1885

Notes: See also maps #373 and #74.

Abstract: Central and western section of Mexico showing main placenames (in Latin) and geographical features. On verso: a page of Latin text on New Spain.

1714 Mexique ou Nouvelle Espagne, Suivant les Nouvelles Observations de Messrs. de l'Academie Royale des Sciences, etc. Pierre Vander, Leiden.

Keywords: Mexico /New Spain.

Call Number: 1884

Notes: Donated by William Griffith of the History Department.

Abstract: Shows main placenames, geographical features, and political boundaries of New Spain, including Guatemala.

Dudley Costello, E.

Map of Yucatan and the Itzaex or Maya Indians, the Tipuans, Quecheachés, Mopanées, Lacandones, Cholés &c, with the district of Verapaz; as they were known to the Spaniards from the first discovery of the Peninsula, in 1506, to the close of the Seventeenth Century. Showing also the probable route of Cortes on his march from Mexico to Honduras. edited by Dudley Costello, E., [London].

Keywords: Yucatan /Ethnology /Mexico /Guatemala.

Call Number: 1883

Notes: Lith. by A. Petermann, Charing Cross; Acquired 3/16/73; Clark Cat. No.73, p.9.

Abstract: Reproduction of 1854 map showing main placenames and geographical features of the Yucatan Peninsula, identifying the Indians who inhabit each region and the location and date of discovery by particular Spanish explorers.

Yucatan Conventus Iuridici Hispania Novae Pars Occidentalis, et Guatimala Conventus Iuridicus.

Keywords: Central America /Guatemala /Honduras /Yucatan.

Call Number: 1882

Abstract: Shows main placenames and geographical features of southeast Mexico (New Spain) and Central America (Guatemala, Honduras, Nicaragua, Costa Rica, and Veragua), as they appeared at an unidentified time during the colonial period.

1881 Deep Sea Soundings in the Gulf of Mexico and Caribbean Sea. Coast and Geodetic Survey, [Washington, D.C.].

Keywords: Caribbean /Gulf of Mexico /Navigation /Nautical Chart.

Call Number: 1881

Abstract: Shows deep sea soundings in fathoms in the Gulf of Mexico and the Caribbean Sea, and shows the coastlines of the United States (southeast), Mexico (east), Central America, northern South America, and the Greater and Lesser Antilles.

Plano del Camino de Matanzas a Cidra.

Keywords: Matanzas /Cidra /Cuba.

Call Number: 1880

Abstract: Shows towns and landmarks along the road from Matanzas to Cidra, Cuba.

Ricardo T. Jordán, E. F. R. R. V. G. A. B.

1906 Plano de una parte del Río Jaltepec, (afluente del Coatzacoalcos) cerca de Santa Lucrecia, donde amenaza a la vía del F.C.N. de Tehuantepec. edited by Ricardo T. Jordán,

E. F. R. R. V. G. A. B., Comisión Hidrográfica de los E.U. Mexicanos -- División de Costas y Rios. Seccion "Rios de Sotavento de, Tlacotalpam.

Keywords: Jaltepec (river) /Hydrography.

Call Number: 1879

Notes: "Las sondas están referidas al estiaje de 1906 (19 de Junio)".

Abstract: Shows five curves of the Jaltepec River (tributary of the Coatzacoalcos River), Mexico. Shows the Mexican National Railway line, the town of Santa Lucrecia, and other main geographical and survey features.

Formado por Félix Roberto Shiels (agrimensor geómetra) and Calcado por F.(?) N. F.(?)ous.

1870 Plano Corografico de una Parte del Estado de Campeche, que comprende todo el margen derecho del rio Usumacinta has sus confines, en el que esta incluso el partido del Cármen. edited by Formado por Félix Roberto Shiels (agrimensor geómetra) and Calcado por F.(?) N. F.(?)ous., Sociedad de Geografia y Estadistica, [Mexico City?].

Keywords: Campeche (state) /Tabasco y Chiapas (state) /Cármen (partido) /19th century /Usumacinta (river).

Call Number: 1878

Notes: Stamped in l.r. corner: "Archivo de Mapas Calcas Seccion\_\_\_\_ Num.1077 Azules Folder No.\_\_\_\_Letra\_\_\_\_"; written in orange: "12-1".

Abstract: Blueprint map of part of the state of Campeche, Mexico, including the partido of Cármen (near the top, on the Gulf of Mexico), shows placenames, geographical features, elevation contours. The center area is labelled "Estado de Tabasco y Chiapas". Near the bottom is a large area labelled "Terrenos Ocupados por las Tribus Lacandones".

José E. Ybarra

19th century? Plano de Soconusco. edited by José E. Ybarra, [Mexico].

Keywords: Soconusco.

Call Number: 1877

Notes: Lit. de H. Iriarte.

Abstract: Shows placenames, roads, geographical features, and topographical contour lines in the Department of Soconusco, Chiapas state, Mexico. Map is centered on two pages taken from an atlas. The two pages measure 26" x 21", are entitled "Departamento de Soconusco (Estado de Chiapas.), and include text on the geography, politics, climate and population of Soconusco, a table of distances, and explanatory notes on the map.

16th century? [Mexico City, Mexico]. [Italy].

Keywords: Mexico City /Tenochtitlan.

Call Number: 1876

Notes: from Howard-Tilton, 2/73. See Carrera Stampa, 1949, p. 331, #33? (after Bordone).

Abstract: Italianite engraving of Mexico City with its canals derived from Cortes' map of 1524. Very Italianite (Europeanized) idea of the town, including streets, plazas, buildings.

Attributed to Hernan Cortes, a. r. b. M. T.

16th century [Map of Tenochtitlan]. edited by Attributed to Hernan Cortes, a. r. b. M. T..

Keywords: Tenochtitlan /Mexico City.

Call Number: 1875

Abstract: Photostat (?) reproduction of a map of Teotihuacan, attributed to Hernan Cortes, as redrawn by Manuel Touissaint. Shows city streets, buildings, and walls. Includes inscriptions in Latin.

Cora Van Millingen and R. Machado

Explorers' Map of the main drag in Mexico City ~ Zocalo to Chapultepec, via the Paseo de la Reforma. edited by Cora Van Millingen and R. Machado, Drawn for Mexico / this month..

Keywords: Mexico City.

Call Number: 1874

Abstract: Sketch map shows the downtown area of Mexico City, including main sites of touristic interest.

Cora Van Millingen

1958 Explorers' Map of the Ancient Land of the Papaloapan as Drawn Beteen Bites of Seafood. edited by Cora Van Millingen, Drawn for Mexico / this month..

Keywords: Veracruz /Papaloapan.

Call Number: 1873

Abstract: Sketch map shows the coastal area near the mouth of the Papaloapan River, in Veracruz state, Mexico, including San Juan Ulua fort, Island of Sacrifices, Boca del Río, Alvarado, Tlacotalpan, San Cristóbal, Cosamaloapan, General Alemán dam, Ciudad Alemán, Santiago Tuxtla, and an inset of the city of Veracruz.

Machado, V. R.

Explorers' Map of Taxco. edited by Machado, V. R., [Compiled for Mexico / this month.].

Keywords: Taxco.

Call Number: 1872

Abstract: Sketch map shows the central part of Taxco, Mexico, including several landmarks of touristical interest.

Machado, V. R.

19?? Teotihuacan: Explorers' Map. edited by Machado, V. R., [Compiled for Mexico / this month.].

Keywords: Teotihuacan.

Call Number: 1871

Notes: received 6/18/73.

Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches.

Integración Territorial del Estado de Puebla (entre 1849 y 1853). edited by Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches., U.N.A.M. / Instituto de Geografía, [Mexico, D.F.].

Keywords: Puebla (state) /Departments /Municipalities /Partidos /19th century.

Call Number: 1866

Abstract: Shows the departmental and approximate state boundaries of Puebla state, in the period 1849 to 1853. Also shows the state capital, cabeceras municipales, cabeceras departamentales, and cabeceras de partido.

Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches.

Interpretación Cartográfica del Obispado de Puebla (según la real cédula de 1550). edited by Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches., U.N.A.M. / Instituto de Geografía, [Mexico, D.F.].

Keywords: Puebla (bishopric) /Colonial.

Call Number: 1865

Abstract: Shows the cabecera del obispado, cabeceras de jurisdicciones eclesiásticas, otras localidades mencionados en la Real Cédula (of 1550), present political boundaries, and ancient boundaries of the bishopric.

Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches.

El Obispado de Puebla a Fines del Siglo XVI. Interpretación Cartográfica de una Relación de la Epoca del Obispo Diego Romano (1578-1606). edited by Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches., U.N.A.M. / Instituto de Geografía, [Mexico, D.F.].

Keywords: Puebla (bishopric) /Colonial.

Call Number: 1864

Abstract: Shows the sede del obispado, curatos, visitas de curatos, doctrinas franciscanas, agustinas, and dominicas, present political boundaries, and ancient boundaries of the bishopric.

Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches.

1968 La Intendencia de Puebla al Finalizar la Epoca Virreinal (interpretación del informe del Conde de la Cadena, 1806). edited by Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches., U.N.A.M. / Instituto de Geografía, Mexico, D.F.

Keywords: Puebla (intendancy) /Colonial.

Call Number: 1863

Abstract: Shows the cabecera de intendencia, cabeceras de subdelegación, pueblos sujetos, and present and ancient boundaries of the Intendencia de Puebla, according to the report of the Conde de la Cadena, 1806.

Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches.

Idea Aproximada de la Intendencia de Puebla (según ordenanza de 1786). edited by Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches., U.N.A.M. / Instituto de Geografía, [Mexico, D.F.].

Keywords: Puebla (intendancy) /Colonial.

Call Number: 1862

Abstract: Shows the cabecera de intendencia, cabeceras de subdelegación, and present and ancient boundaries of the Intendencia de Puebla, according to the Ordenanza of 1786.

Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches.

Integración Territorial del Estado de Puebla (entre 1824 y 1849). edited by Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches., U.N.A.M. / Instituto de Geografía, [Mexico, D.F.].

Keywords: Puebla (state) /Departments /Municipalities /Partidos /19th century.

Call Number: 1861

Abstract: Shows the departmental and approximate state boundaries of Puebla state, in the period 1849 to 1853. Also shows the state capital, cabeceras municipales, cabeceras departamentales, and cabeceras de partido.

Trazó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches.

División Municipal del Estado de Puebla según el censo de 1970. edited by Trazó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches., U.N.A.M. / Instituto de Geografía, [Mexico, D.F.].

Keywords: Puebla (state) /Municipalities.

Call Number: 1860

Abstract: Shows the names and boundaries of municipalities in the state of Puebla, and shows the state capital and the cabecera municipal of each municipality.

Investigó: Aurea Commons de la Rosa. Dibujó: José Humberto Robles Ubaldo.

División Política del Imperio Mexicano en 1519. Región Oriental. (Basada en la obra de Borah-Cook). edited by Investigó: Aurea Commons de la Rosa. Dibujó: José Humberto Robles Ubaldo., U.N.A.M. / Instituto de Geografía, [Mexico, D.F.].

Keywords: Aztec Empire /Mexico /Tlaxcala /Colonial.

Call Number: 1859

Notes: 2 copies.

Abstract: Shows cabeceras, localidades, and present and ancient boundaries of the Mexican (i.e. Aztec?) empire in 1519, centering on the Señorío Independiente de Tlaxcala and surrounding political jurisdictions.

Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches.

Integración Territorial del Estado de Puebla (entre 1824 y 1849). edited by Investigó: Aurea Commons de la Rosa. Dibujó: José Luis Sedano Perches., U.N.A.M. / Instituto de Geografía, [Mexico, D.F.].

Keywords: Puebla (state) /Departments /Municipalities /Partidos /19th century.

Call Number: 1858

Abstract: Shows the state and departmental boundaries of Puebla state, in the period 1824 to 1849. Also shows the state capital, cabeceras municipales, cabeceras departamentales, and cabeceras de partidos.

1630? Hispaniae Novae Nova Descriptio.

Keywords: Mexico /New Spain /Indian Tribes.

Call Number: 1857

Notes: Similar map in Phillips, List of Maps of America, p. 404; See Argosy catalogue No. 440...item No. 192 for similar map.

Abstract: Shows Indian tribes, placenames, and geographical features of Western Mexico.

[Bellin, J. N.

1764? Carte du Lac de Mexico, et de ses Environs Lors de la Conquete des Espagnols pour servir a l'Histoire Generale des Voyages. edited by [Bellin, J. N., Paris?

Keywords: Valley of Mexico /Mexico City.

Call Number: 1856

Notes: Probably from Bellin's Le petit atlas maritime, Paris, 1764, v. ?. I.I.: "Tome XIII in 4<sup>o</sup> No. 9"; I.r.: "Tome II in 8<sup>o</sup>, Page 79(9)".

Abstract: Shows the whole Valley of Mexico and surrounding towns and geographical features.

Ing. Manuel R. Gomez

1916 Plano del Canton de Tuxpam (E. de Veracruz) con el fraccionamiento de las Haciendas repartidas, indicación de los Campos Petrolíferos, oleoductos, ferrocarriles, terminales, etc. edited by Ing. Manuel R. Gomez, Petrolera Valle de Amatlan, Mexico, D.F.

Keywords: Veracruz (state) /Tuxpam (canton) /Petroleum /Oil /Pipelines.

Call Number: 1855

Notes: "registrada la propiedad conforme a ley por Armando L. Sanchez"; "Company's Leased Lands, 1,438 Acres. [16 Lots] Certified Correct {signed ???? President}.

Abstract: Large blue map shows petroleum fields, oil pipelines, railroads, ports, roads, rivers, towns, placenames, and hacienda, canton, and state boundaries, in the Canton of Tuxpam (Veracruz state), along the Gulf of Mexico.

Perfil y Plano de las Obras Proyectadas por el Sur, para el Desague del Valle de México.

Keywords: Valley of Mexico /Hydrography.

Call Number: 1854

Abstract: Map and profile view of planned water drainage projects in the southern part of the Valley of Mexico, including the area between the Lago de Chalco and San Lucas, including part of the Lago de Texcoco.

Descripcion de la Comarca de Mexico i Obra del Desague de la Laguna.

Keywords: Valley of Mexico /Hydrography.

Call Number: 1853

Abstract: Reproduction of a colonial map shows towns, churches, and elements of the water drainage system in the Valley of Mexico, including the Laguna de Mexico and Laguna de Chalco.

1866 Desague del Valle de Mexico. Plano Topográfico Entre Zumpango y Tequisquiac con el Trazo de la Linea Definitiva para el Tunel. Mexico.

Keywords: Valley of Mexico /Hydrography.

Call Number: 1852

Abstract: Shows the topographic features of the the area of Zumpango and Tequisquiac, in the Valley of Mexico. Includes a vertical sectional view, and a geological profile view along the line A-B from a point near Zumpango to a point near Tequisquiac, the projected route of a tunnel in the local water drainage system.

Ramón Gil de la Cuadra

1837 Carta Esferica de una Parte de la Costa Setentrional y Meridional de la Isla de Cuba desde punta Icacos y Cayo de Piedras hasta el Cabo San Antonio, con la Isla de Pinos y Cayos adyacentes. edited by Ramón Gil de la Cuadra, Dirección Hidrográfica, [Havana].

Keywords: Cuba (western) /Isle of Pines /Navigation /Nautical Chart.

Call Number: 1851

Abstract: Shows soundings in fathoms along the coasts of western Cuba, from the western tip of the island at Cabo San Antonio, as far east as Punta Icacos on the northern coast and Cabo de Piedras (Bay of Pigs) on the southern coast. Also shows the Isla de Pinos and nearby islets.

Alfonso Cervantes F.

1940 Densidad de la Poblacion Indigena de Mexico. Estado de Hidalgo. edited by Alfonso Cervantes F., Departamento de Asuntos Indigenas / Oficina de Economica y Cultura / Seccion Tecnica y Consultiva, Mexico, D.F.

Keywords: Hidalgo /Population /Indigenous.

Call Number: 1850

Abstract: Color-coded map shows the percentages of indigenous population of Yuto-Azteca, Otomiana, Maya Quiche, or Totonacana language groups in relation to the overall population (older than five years) in each municipality of the state of Hidalgo, Mexico.

Luis Jorge Mejía, O. P. L. A. C. I. c. d. J. B.

1986 Edición Preliminar Mapa de Ocurrencias Minerales de Colombia. edited by Luis Jorge Mejía, O. P. L. A. C. I. c. d. J. B., Ministerio de Minas y Energía / Instituto Nacional de Investigaciones Geológico - Mineras, Bogotá (?).

Keywords: Colombia /Minerals /Geology.

Call Number: 1849

Abstract: Color-coded map shows the mineral composition and geographical features and placenames of the southeast quadrant of Colombia, including geological age and type of minerals found in each area. Fourth in a set of four maps.

Luis Jorge Mejía, O. P. L. A. C. I. c. d. J. B.

1986 Edición Preliminar Mapa de Ocurrencias Minerales de Colombia. edited by Luis Jorge Mejía, O. P. L. A. C. I. c. d. J. B., Ministerio de Minas y Energía / Instituto Nacional de Investigaciones Geológico - Mineras, Bogotá (?).

Keywords: Colombia /Minerals /Geology.

Call Number: 1848

Abstract: Color-coded map shows the mineral composition and geographical features and placenames of the southwest quadrant of Colombia, including geological age and type of minerals found in each area. Third in a set of four maps.

Luis Jorge Mejía, O. P. L. A. C. I. c. d. J. B.

1986 Edición Preliminar Mapa de Ocurrencias Minerales de Colombia. edited by Luis Jorge Mejía, O. P. L. A. C. I. c. d. J. B., Ministerio de Minas y Energía / Instituto Nacional de Investigaciones Geológico - Mineras, Bogotá (?).

Keywords: Colombia /Minerals /Geology.

Call Number: 1847

Abstract: Color-coded map shows the mineral composition and geographical features and placenames of the northeast quadrant of Colombia, including geological age and type of minerals found in each area. Second in a set of four maps.

Luis Jorge Mejía, O. P. L. A. C. I. c. d. J. B.

1986 Edición Preliminar Mapa de Ocurrencias Minerales de Colombia. edited by Luis Jorge Mejía, O. P. L. A. C. I. c. d. J. B., Ministerio de Minas y Energía / Instituto Nacional de Investigaciones Geológico - Mineras, Bogotá (?).

Keywords: Colombia /Minerals /Geology.

Call Number: 1846

Abstract: Color-coded map shows the mineral composition and geographical features and placenames of the northwest quadrant of Colombia, including geological age and type of minerals found in each area. First in a set of four maps.

1866 Desague del Valle de Mexico. Perfil de la Linea Definitiva Entre Zumpango y Tequisquiac. Mexico.

Keywords: Valley of Mexico /Hydrography.

Call Number: 1845

Abstract: Shows a profile view of the water drainage system along a line between Zumpango and Tequisquiac, in the Valley of Mexico. Indicates the locations of the Barranca de Acatlán, Rancho de Acatlán, Puerto de Acatlán, Barranca de Navarrete, Rancho de Bocanegra, Mojonera de Tlila, and Laguna de Zumpango. Includes cross-sectional views of the tunnel and the open trench.

1866 Desague del Valle de Mexico. Perfil de la Linea Definitiva Entre Zumpango y Tequisquiac. Mexico.

Keywords: Valley of Mexico /Hydrography.

Call Number: 1845

Abstract: Shows a profile view of the water drainage system along a line between Zumpango and Tequisquiac, in the Valley of Mexico. Indicates the locations of the Barranca de Acatlán, Rancho de Acatlán, Puerto de Acatlán, Barranca de Navarrete, Rancho de Bocanegra, Mojonera de Tlila, and Laguna de Zumpango. Includes cross-sectional views of the tunnel and the open trench.

1900 Carta Hidrográfica del Valle de México con indicación del trayecto del gran canal y del túnel para el desague del mismo Valle y de la ciudad de México.

Keywords: Valley of Mexico /Mexico City /Hydrography.

Call Number: 1844

Abstract: Shows lakes, canals, and other hydrographic features, as well as towns, roads, railroads and other geographic features of the Valley of Mexico.

Carta Topografica que Comprende el Terreno Condvcnte a la Inteligencia del Extravio del Rio de Guautitlan, que actualmente se haze por el Canal de Huehuetoca, y de los proyectos del Desague General de la Laguna de Mexico...

Keywords: Valley of Mexico /Mexico City.

Call Number: 1843

Abstract: Facsimile of 1774 topographic map showing the Laguna de Mexico y Tezcuco, the Laguna de Xaltocan y Tonatitlan, the Laguna de San Cristobal, and the Laguna de Sitlaltepec y Zumpango, and the lands in between and to the west and south, including

Mexico City and surrounding towns, ranches, churches, canals, roads and geographical features.

Plano de Yucatan 1848.

Keywords: Yucatan.

Call Number: 1842

Abstract: Small-scale reproduction shows geographical features and political subdivisions in the Yucatan Peninsula in the year 1848, including distritos de Valladolid, Tekax, Izamal, Merida, and Campeche.

L'Isle St. Domingue ou Espagnole. Decouverte en 1492, par les Espagnols.

Keywords: Dominican Republic /Haiti.

Call Number: 1841

Notes: "Part. V. Pag. 199."

Abstract: Shows main geographic features of Hispaniola (St. Domingue) and surrounding small islands.

Ten. M.L. Smith, c. d. I. I. T. and y E.L. V. Hardcastle, I. T.

Plano de Una Parte del Valle de México con el correspondiente corte desde la laguna de Chalco hasta el Valle del rio de Tula. (Corte del valle que manifiesta las alturas relativas de las lagunas y el perfil del terreno según la linea ABCDEFGyK). edited by Ten. M.L.

Smith, c. d. I. I. T. and y E.L. V. Hardcastle, I. T..

Keywords: Valley of Mexico.

Call Number: 1840

Abstract: Shows the elevations in a section of the Valley of Mexico, including the Laguna de Tezcuco, Laguna de S. Cristobal, Laguna de Zumpango, and parts of the Laguna de Chalco and the Laguna de Xaltocan. Also includes transversal and longitudinal views of three sections of the region shown.

1976 Centro de Ciudad de Mexico / Downtown Mexico City. Creative Sales Corporation, Arlington Heights, Illinois.

Keywords: Mexico City /Acapulco /Guadalajara /Mexico.

Call Number: 1839

Abstract: Shows streets and landmarks of downtown Mexico City. Also includes smaller maps of the Mexico City region (10"x4"), the main streets and landmarks of Acapulco (10.5"x8"), the main streets and landmarks of Guadalajara (10.5"x8"). On reverse: Map of Mexico (1" =approx. 120 miles; 15"x10.5") shows main roads, towns and distances, including a placename index.

Carte contient une description des îles & terres que les anglais possèdent dans l'Amerique Septentrionale, et en particulier de la Jamaïque des îles Barbades, de la Nouvelle Angleterre, des Bermudes, de la Caroline, de la Pensilvanie, et du Newfoundland, avec un état de chaque pays, du tems de sa découverte, de ses différentes productions, et de la nature du commerce qui s'y fait.

Keywords: Jamaica /Barbados /Caribbean.

Call Number: 1838

Abstract: Sheet contains a series of small maps showing English possessions along the Atlantic coast of North America and in the Caribbean, including Jamaica, the Gulf of Mexico, the Carolinas, Pennsylvania, eastern Canada, New England, Bermuda and Barbados. Includes text on the geography of each map.

A Map of Jamaica.

Keywords: Jamaica /Barbados.

Call Number: 1837

Abstract: Top half ("A Map of Jamaica") shows precincts, towns, hills, and landmarks of the island of Jamaica. Bottom half ("Barbados"; 1"=approx. 3.5 miles; 20"x7.5") shows towns, hills, and landmarks on the island of Barbados. On reverse: one page each of textual description of the geography of Barbados and Jamaica.

Eman Bowen

A New and Accurate Map of the Island of Antigua or Antego, taken from Surveys, and adjusted by Astronl. Observations, containing all the towns, parish churches, forts, castles, windmills, roads &c. edited by Eman Bowen.

Keywords: Antigua.

Call Number: 1836

Abstract: Shows towns, roads, hills, harbors, landmarks, and soundings in fathoms.

America Centrale, Colombia, Ecuador, Perú, Venezuela. Ufficio Cartografico della C.T.I., Milan, Italy.

Keywords: Central America /Colombia /Ecuador /Peru /Venezuela.

Call Number: 1835

Notes: From an atlas, p. 153-154. Handwritten note: "2/21/48 - C.S. Hammond & Co.".

Abstract: Color map shows main cities, towns, roads, geographical features and national and subnational boundaries of Colombia, Venezuela, Ecuador, Peru, northern Bolivia, northwest Brazil, Central America and the Caribbean. Includes inset (5x6"; 1:500,000) of the Panama Canal Zone. On reverse: map key.

Hidrologia na Regiao de Campos. Hidrologia Comercial Ltda. / Departamento Nacional de Obras de Saneamento, Brazil.

Keywords: Campos (region) /Brazil.

Call Number: 1834

Notes: "A planta da regio de Campos mostra a localizacao das diversas obras realizadas pelo convenio entre o Departamento Nacional de Obras de Saneamento e o Instituto do Acucar e do Alcool".

Abstract: Shows the location of various water projects and geographical features in the Campos region of Brazil (along the Atlantic Ocean northeast of Rio de Janeiro).

1970 Kamuk, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Kamuk.

Call Number: 1833

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features in the region of Kamuk, Costa Rica (including parts of Limón and

Puntarenas provinces). Includes a diagram showing the location of the region within Costa Rica.

1968 Sixaola, Costa Rica; Panama. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Sixaola.

Call Number: 1832

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features in the region of Sixaola, Costa Rica (including parts of Limón province on the Atlantic coast, and adjacent parts of Panama). Includes a diagram showing the location of the region within Costa Rica.

1968 Dúrika, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Durika.

Call Number: 1831

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features in the region of Dúrika, Costa Rica (including parts of Limón, San José, and Puntarenas provinces). Includes a diagram showing the location of the region within Costa Rica.

1968 Telire, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Telire.

Call Number: 1830

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features in the region of Telire, Costa Rica (including parts of Limón province). Includes a diagram showing the location of the region within Costa Rica.

1968 Matama, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Matama.

Call Number: 1829

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features in the region of Matama, Costa Rica (including parts of Limón and Cartago provinces). Includes a diagram showing the location of the region within Costa Rica.

1968 Chirripó, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Chirripo.

Call Number: 1828

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features in the region of Chirripó, Costa Rica (including parts of Limón and Cartago provinces). Includes a diagram showing the location of the region within Costa Rica.

1968 Siola, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Siola.

Call Number: 1827

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features in the region of Siola, Costa Rica (including parts of Limón province). Includes a diagram showing the location of the region within Costa Rica.

1969 Estrella, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Estrella.

Call Number: 1826

Notes: 2 copies.

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features in the region of Estrella, Costa Rica (including parts of Limón province). Includes a diagram showing the location of the region within Costa Rica.

1969 Abra, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Abra /San Jose.

Call Number: 1825

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features in the region of Abra, Costa Rica (including San José and adjoining areas). Includes a diagram showing the location of the region within Costa Rica.

1969 Cahuita, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Cahuita.

Call Number: 1824

Notes: 2 copies.

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features in the region of Cahuita, Costa Rica (on the Atlantic coast). Includes a diagram showing the location of the region within Costa Rica.

1969 Amubri, Costa Rica; Panama. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Amubri.

Call Number: 1823

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features of parts of Limón province, Costa Rica, and adjacent parts of Panama. Includes a diagram showing the location of the area within Costa Rica.

1969 Quepos, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Quepos.

Call Number: 1822

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features of parts of Puntarenas, San José and Cartago provinces, Costa Rica. Includes a diagram showing the location of the area within Costa Rica.

1969 Limón, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica /Limón.

Call Number: 1821

Abstract: Shows contour elevation lines, latitude, longitude, mountain peaks and other geographical features of parts of Limón and Cartago provinces, Costa Rica. Includes a diagram showing the location of the area within Costa Rica.

Dibujo: F.A. Dominguez

Camino de Buenos Aires a Rosario y Cordoba / Plano Esquemático. edited by Dibujo: F.A. Dominguez, Dirección Nacional de Vialidad, Buenos Aires?

Keywords: Argentina /Buenos Aires /Cordoba.

Call Number: 1820

Abstract: Shows the main roads (Ruta Nacional No. 9 and side roads) connecting Buenos Aires and Córdoba, Argentina. Includes a distance chart, brief background on the construction of Ruta Nacional No. 9 and other roads, and insets of Buenos Aires, Córdoba, Pergamino, San Nicolás, Rosario, and Villa María.

Ingeniero Francisco de Garay

1856 Plano General de la Mesa del Valle de Mexico con indicacion de los canales de desague navegacion y riego. edited by Ingeniero Francisco de Garay, Mexico.

Keywords: Mexico City /Valley of Mexico.

Call Number: 1819

Notes: Lit. R. Adalid Castillo. Mexico / reducción del original por Mauricio C. Castro.

Abstract: Shows cities, canals, and geographical features of the Valley of Mexico, including Mexico City, Chalco, Texcoco, Zumpango, and Xochimilco.

Carta del Istmo de Tehuantepec. Casa de Ackermanny Compa., London.

Keywords: Tehuantepec /Isthmus.

Call Number: 1818

Abstract: Shows towns, roads, latitudes and longitudes, and geographical features of the Isthmus of Tehuantepec, in Mexico. Includes inset map, "Plano de la Boca del Río Coatzacoalcos".

1993 San Lorenzo. Secretaría de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Honduras /Comayagua.

Call Number: 1817

Abstract: Shows city streets, neighborhoods, buildings and landmarks. Includes indexes to major buildings and public places.

1992 Tegucigalpa / Hoja No. 2 / Sector N.E. Secretaría de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Honduras /Tegucigalpa.

Call Number: 1816

Abstract: Shows city streets, neighborhoods, buildings and landmarks in the northwest quadrant of Tegucigalpa. Includes index to public buildings and adjacent map pages.

1992 Tegucigalpa / Hoja No. 4 / Sector S.O. Secretaría de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Honduras /Tegucigalpa.

Call Number: 1815

Abstract: Shows city streets, neighborhoods, buildings and landmarks in the southwest quadrant of Tegucigalpa. Includes index to public buildings and adjacent map pages.

1992 Tegucigalpa / Hoja No. 3 / Sector S.E. Secretaría de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Honduras /Tegucigalpa.

Call Number: 1814

Abstract: Shows city streets, neighborhoods, buildings and landmarks in the southeast quadrant of Tegucigalpa. Includes index to public buildings and adjacent map pages.

1992 Tegucigalpa / Hoja No. 1 / Sector N.O. Secretaría de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Honduras /Tegucigalpa.

Call Number: 1813

Abstract: Shows city streets, neighborhoods, buildings and landmarks in the northwest quadrant of Tegucigalpa. Includes index to public buildings and adjacent map pages.

1995 Comayagua. Secretaría de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Honduras /Comayagua.

Call Number: 1812

Abstract: Shows city streets, neighborhoods, buildings and landmarks. Includes indexes to banks, cinemas, hotels, and other commercial, industrial, educational, religious, medical and public buildings and places.

1997 Mapa Vial de Honduras. Secretaría de Obras Públicas, Transporte y Vivienda / Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Honduras /Roads.

Call Number: 1811

Notes: Segunda Edición.

Abstract: Shows national, departmental and municipal capitals and other towns, various categories of roads, airports, ports, landmarks, and departmental and international boundaries. Includes an explanation of road signs and a chart of distances in kilometers between major towns.

1997 Mapa Geotectónico de la República de Honduras. Secretaría de Obras Públicas y Transporte y Vivienda / Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Honduras /Geology.

Call Number: 1810

Notes: Primera Edición.

Abstract: Shows towns, roads, boundaries, and geological features of Honduras, including faults, volcanoes, and simplified stratigraphic categories of rock types.

1995 Mapa de la República de Honduras. Secretaría de Comunicaciones, Obras Públicas y Transporte / Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Honduras.

Call Number: 1809

Notes: 11ava. Edición.

Abstract: Shows towns, roads, airports, ports, landmarks, and departmental and international boundaries. Includes an inset ("Posesiones Insulares de Honduras en el Mar Caribe") showing the location of Honduras and Honduras' Caribbean island possessions in relation to Central America.

1969 San Salvador, El Salvador; Guatemala; Honduras. U.S. Army Topographic Command, Washington, D.C.

Keywords: San Salvador /El Salvador.

Call Number: 1808

Notes: Series: "1501"; Sheet ND 16-9; Edition 1.

Abstract: Shows airports, heliports, visual aids and obstructions, towns, roads, landmarks, terrain types, topographic contour lines, and spot elevations in the quadrangle of the San Salvador region, El Salvador, including parts of the departments of San Salvador, La Libertad, Ahuachapan, Santa Ana, Sonsonate, Cuscatlán, Chalatenango, San Vicente, Cabañas, San Miguel, La Paz, and Usulután. Includes a diagram identifying the codes of the surrounding quadrangle maps.

1990 San Pedro Sula, Honduras. U.S. Defense Mapping Agency, Fairfax, Virginia.

Keywords: San Pedro Sula /Honduras.

Call Number: 1807

Notes: Series: "1501 Air"; Sheet ND 16-2; Edition 3.

Abstract: Shows airports, heliports, radio facilities, visual aids and obstructions, towns, roads, landmarks, terrain types, topographic contour lines, and spot elevations in the quadrangle of the San Pedro Sula region, Honduras, including parts of the departments of Cortés, Yoro, Comayagua, Santa Bárbara, Atlántida, Francisco Morazán, and Olancho. Includes a diagram identifying the codes of the surrounding quadrangle maps.

1988 Tegucigalpa, Honduras. U.S. Defense Mapping Agency, Fairfax, Virginia.

Keywords: Tegucigalpa /Honduras.

Call Number: 1806

Notes: Series: "1501 Air"; Sheet ND 16-6; Edition 3.

Abstract: Shows airports, heliports, radio facilities, visual aids and obstructions, towns, roads, landmarks, terrain types, topographic contour lines, and spot elevations in the quadrangle of the Tegucigalpa region, Honduras, including parts of the departments of Cortés, Comayagua, Intibucá, Lempira, Santa Bárbara, Francisco Morazán, Yoro, Olancho, and La Paz. Includes a diagram identifying the codes of the surrounding quadrangle maps.

1977 Puerto Lempira, Honduras; Nicaragua. U.S. Defense Mapping Agency, Fairfax, Virginia.

Keywords: Puerto Lempira /Honduras.

Call Number: 1805

Notes: Series: "1501 Air"; Sheet ND 17-1; Edition 2.

Abstract: Shows airports, heliports, radio facilities, visual aids and obstructions, towns, roads, landmarks, terrain types, topographic contour lines, and spot elevations in the quadrangle of the Puerto Lempira region, Honduras, including part of the department of Gracias a Dios. Includes a diagram identifying the codes of the surrounding quadrangle maps.

1991 Santa Rosa de Copán, Honduras. U.S. Defense Mapping Agency, Fairfax, Virginia.

Keywords: Santa Rosa de Copán /Honduras.

Call Number: 1804

Notes: Series: "1501 Air"; Sheet ND 16-5; Edition 2.

Abstract: Shows airports, heliports, radio facilities, visual aids and obstructions, towns, roads, landmarks, terrain types, topographic contour lines, and spot elevations in the quadrangle of the Santa Rosa de Copán region, Honduras, including parts of the departments of Lempira, Ocotepeque, Intibucá, and Copán. Includes a diagram identifying the codes of the surrounding quadrangle maps.

1983 Brus Laguna. Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Brus Laguna /Honduras.

Call Number: 1803

Notes: Series: "Americas 1:250,000"; Hoja ND 16-4.

Abstract: Shows towns, roads, landmarks, terrain types, topographic contour lines, and spot elevations in the quadrangle of the Brus Laguna region, Honduras, including parts of the departments of Gracias a Dios, Colón, and Olancho. Includes a diagram identifying the codes of the surrounding quadrangle maps.

1989 Juticalpa. Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Juticalpa /Honduras.

Call Number: 1802

Notes: Series: "Americas 1:250,000"; Hoja ND 16-7.

Abstract: Shows towns, roads, landmarks, terrain types, topographic contour lines, and spot elevations in the quadrangle of the Juticalpa region, Honduras, including parts of the departments of Francisco Morazán, El Paraíso, and Olancho. Includes a diagram identifying the codes of the surrounding quadrangle maps.

1988 Leimus. Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Leimus /Honduras.

Call Number: 1801

Notes: Series: "Americas 1:250,000"; Hoja ND 16-8.

Abstract: Shows towns, roads, landmarks, terrain types, topographic contour lines, and spot elevations in the quadrangle of the Leimus region, Honduras (along the Nicaragua border, including parts of the departments Olancho and Gracias a Dios). Includes detailed mapping of the adjoining area in Nicaragua; and a diagram identifying the codes of the surrounding quadrangle maps in Honduras.

1980 Valle del Aguán. Instituto Geográfico Nacional, Tegucigalpa, Honduras.

Keywords: Valle del Aguán /Honduras.

Call Number: 1800

Notes: Series: "Americas 1:250,000"; Hoja ND 16-3.

Abstract: Shows towns, roads, landmarks, terrain types, topographic contour lines, and spot elevations in the quadrangle of the Valle del Aguán region, Honduras, including parts of the departments of Atlántida, Yoro, Colón, and Olancho. Includes a diagram identifying the codes of the surrounding quadrangle maps.

1995 Departamento de Francisco Morazán. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Francisco Morazán (department) /Honduras.

Call Number: 1799

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Limites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974, 1987. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población) según proyecciones para 1987."

Abstract: Shows national, departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departmental and municipal boundaries in the department of Francisco Morazán, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1992 Departamento de Islas de la Bahía. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Islas de la Bahía (department) /Honduras.

Call Number: 1798

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Limites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población) según proyecciones para 1986."

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departmental and municipal boundaries in the department of Islas de la Bahía, Honduras, including the islands of Utila, Roatán, and Guanaja. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1990 Departamento de Gracias a Dios. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Gracias a Dios (department) /Honduras.

Call Number: 1797

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Limites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1988. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población)".

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departmental and municipal boundaries in the department of Gracias a Dios, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1996 Departamento de Intibucá. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Intibuca (department) /Honduras.

Call Number: 1796

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Límites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974, 1987. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población) según proyecciones para 1987."

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departmental and municipal boundaries in the department of Intibucá, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1997 Departamento de Lempira. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Lempira (department) /Honduras.

Call Number: 1795

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Límites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población) según proyecciones para 1988."

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departmental and municipal boundaries in the department of Lempira, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1990 Departamento de Olancho. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Olancho (department) /Honduras.

Call Number: 1794

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Límites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974."

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departmental and municipal boundaries in

the department of Olancho, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1989 Departamento de La Paz. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: La Paz (department) /Honduras.

Call Number: 1793

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Limites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población)".

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departmental and municipal boundaries in the department of La Paz, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1988 Departamento de Santa Bárbara. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Santa Barbara (department) /Honduras.

Call Number: 1792

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Limites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población) según proyecciones para 1987".

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departmental and municipal boundaries in the department of Santa Bárbara, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1997 Departamento de Ocotepeque. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Ocotepeque (department) /Honduras.

Call Number: 1791

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Limites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974, 1987. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población) según proyecciones para 1987."

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departamental and municipal boundaries in the department of Ocotepeque, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1989 Departamento de Yoro. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Yoro (department) /Honduras.

Call Number: 1790

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Limites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población) según proyecciones para 1986."

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departamental and municipal boundaries in the department of Yoro, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1986 Departamento de Valle. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Valle (department) /Honduras.

Call Number: 1789

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Límites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974."

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departamental and municipal boundaries in the department of Valle, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1995 Departamento de Comayagua. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Comayagua (department) /Honduras.

Call Number: 1788

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Límites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974, 1987. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población) según proyecciones para 1987".

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departamental and municipal boundaries in the department of Comayagua, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1989 Departamento de Colón. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Colón (department) /Honduras.

Call Number: 1787

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Límites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población) según proyecciones para 1987".

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departamental and municipal boundaries in

the department of Colón, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1993 Departamento de Atlántida. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Atlántida (department) /Honduras.

Call Number: 1786

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Limites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1988. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población) según proyecciones para 1992".

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departamental and municipal boundaries in the department of Atlántida, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1986 Departamento de Copán. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Copán (department) /Honduras.

Call Number: 1785

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Limites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974.

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departamental and municipal boundaries in the department of Copán, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1989 Departamento de Cortés. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Cortés (department) /Honduras.

Call Number: 1784

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Límites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población)".

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departmental and municipal boundaries in the department of Cortés, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1988 Departamento de Choluteca. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Choluteca (department) /Honduras.

Call Number: 1783

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Límites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población)".

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departmental and municipal boundaries in the department of Choluteca, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1989 Departamento de El Paraíso. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: El Paraiso (department) /Honduras.

Call Number: 1782

Notes: "Compilaciones cartográficas elaboradas con base en el mapeo básico escala 1:50,000 del Instituto Geográfico Nacional. Límites departamentales y municipales obtenidos de planos de la Dirección General de Estadística y Censos, utilizados para el Censo de Población y Vivienda de 1974. Secretaría de Planificación, Coordinación y Presupuesto (SECPLAN, Depto. de Población)".

Abstract: Shows departamental and municipal capitals, smaller towns, roads, railroads, topographic contour lines, and international, departamental and municipal boundaries in the department of El Paraiso, Honduras. Municipalities are shown in different colors. Small map shows the location of the department within Honduras; and table indicates surface area in kilometers and population density of each municipality.

1992 Honduras. Mapa de Relieve Sombreado. Secretaria de Comunicaciones, Obras Publicas y Transporte / Instituto Geografico Nacional, Tegucigalpa, Honduras.

Keywords: Honduras.

Call Number: 1781

Abstract: Shows towns, roads, railroads, airports, ports, international and departamental boundaries. Shading indicates general elevation changes.

1978 Ciudad de Campeche. Cartografos y Publicistas, S.A., Mexico, D.F.

Keywords: Campeche /Mexico.

Call Number: 1780

Abstract: Shows the main city streets, landmarks and colonias of the city of Campeche. Includes a short text on the history of Campeche. On reverse: roadmap of Mexico (22"x17") includes a table of distances and inset roadmap of Campeche state.

[Yucatán]. Gobierno del Estado de Yucatán, Dirección Estatal y Delegación Federal de Turismo del Estado de Yucatán., Merida (?).

Keywords: Yucatán (state).

Call Number: 1779

Notes: Tall. Guerra.

Abstract: Shows the main roads, towns, and attractions of Yucatan state.

Ayre, L. a. V. S.

1978 Distribucion del Grupo Etnolingüístico Zapoteco por Municipios: Estado de Oaxaca. edited by Ayre, L. a. V. S., Centro Regional de Oaxaca, INAH, Oaxaca.

Keywords: Oaxaca (state) /Indigenous Populations (Mexico)--Languages.

Call Number: 1778

Notes: dibujo: Angel Ramírez M.; acquired by Thomas Niehaus, 1980.

Abstract: Shows the distribution of the Zapotec ethnolinguistic population of Oaxaca state, broken down into municipalities. Shows towns where Zapotec is spoken.

1981 Carta Nacional de Informacion Pesquera. Departamento de Pesca, México.

Keywords: Mexico /Fishing.

Call Number: 1777

Abstract: Shows fishing ports and facilities throughout Mexico, indicating the species of fish that grow in each region. Includes a list of services offered to the public by the Departamento de Pesca, and a series of informational tables on the Mexican fishing industry and promotional entities.

19?? Oaxaca. Centro Regional de Oaxaca / Instituto Nacional de Antropología e Historia, Oaxaca.

Keywords: Oaxaca.

Call Number: 1776

Notes: Sección de Arquitectura, dibujo: Angel Ramírez Montes.

Abstract: Tour map shows the main towns and archeological sites within 55 km. of the city of Oaxaca. On reverse: street map of the city of Oaxaca, indicating the location of main sites of interest.

Mr. Bonne, I.-H. d. I. M.

1781 Partie Méridionale de l'Ancien Mexique our de la Nouvle. Espagne. edited by Mr. Bonne, I.-H. d. I. M., Paris (?).

Keywords: New Spain /Mexico /Central America.

Call Number: 1775

Notes: Taken from an atlas (?), "Liv. VI.X. No. 27."

Abstract: Color map shows placenames and geographical features of New Spain, including Central America and modern Mexico as far north as Mazatlán, Zacatecas, and Pánuco.

1891 Map of Mexico. Rand, McNally & Co., Chicago.

Keywords: Mexico.

Call Number: 1774

Notes: Taken from Rand, McNally & Co.'s Atlas of the World.

Abstract: Color map shows towns, tramways, operating and proposed railways, seaports, geographical features, international and state boundaries in Mexico. Includes detailed inset map showing the Valley of Mexico on enlarged scale, indicating railways, tramways, and geographical features. On reverse: index of placenames, and background text on Mexico's geography.

1892 Map of Central America. Rand, McNally & Co., Chicago.

Keywords: Central America /Costa Rica /Nicaragua /Salvador /Honduras /British Honduras /Guatemala.

Call Number: 1773

Notes: Taken from Rand, McNally & Co.'s Atlas of the World.

Abstract: Shows towns, geographical features, international and subnational boundaries in Central America. Includes detailed inset map showing proposed line of Nicaragua canal.

1884 Mexico. Wm. M. Bradley & Bro..

Keywords: Mexico.

Call Number: 1772

Notes: Taken from an atlas (p. 73).

Abstract: Shows towns, roads, geographical features, state and international boundaries in Mexico. Includes insets of "Veracruz to Mexico" (City) and "South Eastern part of Mexico including British Honduras and part of Guatemala".

1892 West Indies and Central America. D. Appleton & Co..

Keywords: West Indies /Central America /Caribbean.

Call Number: 1771

Notes: Taken from an atlas (p. 42).

Abstract: Color map shows towns, railways, steam routes, canals, forts, lighthouses, heights, geographical features in the West Indies, Central America, south Florida, the north coast of South America and the Yucatan Peninsula. Inset maps show the Isthmus of Panama, the Nicaragua Route, and Bermuda.

1900 [Mexico]. Rand McNally & Co. Engr's., Chicago.

Keywords: Mexico.

Call Number: 1770

Notes: Taken from an atlas (p. 106-107).

Abstract: Color map shows towns, roads, national and international boundaries, and major geographical features of Mexico. On reverse: map of Central America (9"x13"), including Costa Rica, Nicaragua, Honduras, San Salvador, Guatemala, and British Honduras; and map of the Caribbean (9"x13"), including Cuba, Bahama Islands, Jamaica, San Domingo and Porto Rico and inset map of the Lesser Antilles.

Johnson & Browning

1862(?) Johnson's Central America. edited by Johnson & Browning.

Keywords: Central America.

Call Number: 1769

Notes: Taken from an atlas.

Abstract: Color map shows towns, subnational and international boundaries, and geographical features of Guatemala, Belize, "San Salvador", Honduras, Nicaragua, Costa Rica, Mexico as far north as the Isthmus of Tehuantepec, and the Veraguas / Panama

region in New Granada. Includes insets of Aspinwall City (Panama), City of Panama, Harbor of San Juan de Nicaragua, Isthmus of Panama, and the "Nicaragua Route".

Drawn & Engraved by John Dower

1856 Map of Central America, shewing the proposed routes of communication between the Atlantic & Pacific Oceans and the Disputed Territories of British Honduras (Belize) & the Mosquito Shore. edited by Drawn & Engraved by John Dower, Illustrated London News, London.

Keywords: Central America /Canals /Railroads /Communication.

Call Number: 1768

Notes: Taken from the Illustrated London News of June 7, 1856 (p. 648; assorted classified advertisements on reverse).

Abstract: Shows the proposed canals or railways crossing Central America from Ocean to Ocean between the Isthmus of Tehuantepec and the Isthmus of Panama, including routes through the Isthmus of Tehuantepec, Lake Nicaragua and Rio Sapoa, Rio Lajas to Port San Juan, Lake Managua to Port of Tamarinda; Lake Managua to Realejo, Lake Managua to Gulf of Fonseca, and Rio Coazacalco (Gulf of Campeche) to Rio Chicapaca (Gulf of Tehuantepec); also shows national boundaries. Inset ("Enlarged Map of British Honduras & the Islands of Ruatan, Bonacca &c."; 7"x6"; 1"=approx. 32 miles) shows geographical features in the Gulf of Honduras, along the north coast of Honduras, Atlantic coast of Guatemala, and coast of Belize, including cays and the Islands of Ruatan and Bonacca.

1993 República de Nicaragua. Mapa Escolar Orográfico e Hidrográfico. Instituto Nicaraguense de Estudios Territoriales, Managua.

Keywords: Nicaragua.

Call Number: 1767

Abstract: Shows towns, rivers, reefs, ports, international boundaries, and color-coded elevations and the exact elevation of mountain peaks. On reverse: "República de Nicaragua. Mapa Escolar Político-Administrativo" (1:1,000,000; 25"x20") shows towns, airports, roads, railroads, and municipal, departmental and international boundaries. Departments shown in bright colors.

A. J. Johnson and Ward

1864 Johnson's West Indies. edited by A. J. Johnson and Ward.

Keywords: West Indies /Caribbean.

Call Number: 1766

Notes: Taken from an atlas.

Abstract: Color map shows towns, subnational boundaries, and geographical features of the West Indies, including Cuba, Jamaica, St. Domingo, and the Lesser Antilles. Includes inset of the Bermuda Islands.

E.G. Squire, G. A., J.C. Trautwine, C. E., and Com. W.N. Jeffers, U. S. N. H. E. & D. A.

1858(?) Map and Vertical Section of the Proposed Honduras Interoceanic Railway.

Located 1857 & 58. edited by E.G. Squire, G. A., J.C. Trautwine, C. E., and Com. W.N.

Jeffers, U. S. N. H. E. & D. A..

Keywords: Honduras /Railways.

Call Number: 1765

Notes: Drawn by G. Thompson. Bowen and Co. lith. Phila.

Abstract: Shows the route of the proposed Honduras Interoceanic Railway between the Bay of Honduras and the Bay of Fonseca, indicating located line, proposed improvements, and discretionary lines. Includes a cross-section profile view of elevations along the route of the proposed railway. The map and vertical section were drawn to accompany the report of Rear Admiral C.H. Davis, U.S.N., ordered by Resolution of the Senate of the United States of March 19, 1866.

Roger Sherman

1884 Mexico Central America and the West Indies. edited by Roger Sherman, J.M.

Stoddart Co. Limited, Philadelphia, Pa.

Keywords: Mexico /Central America /West Indies.

Call Number: 1764

Notes: Drawn and Engraved expressly for the Encyclopaedia Britannica. American Reprint.

Abstract: Shows towns, geographical features, national and subnational boundaries, and railroads completed and in progress in Mexico, Guatemala, El Salvador, Honduras, Nicaragua, Costa Rica, Panama, and the southern United States. Inset map (12"x7") shows the islands of the West Indies, color-coded according to which European colonizing nation possessed them.

1860 Mexico and Central America / Central America. J.H. Colton, New York(?).

Keywords: Mexico /Central America.

Call Number: 1763

Notes: Taken from an atlas, p. 44.

Abstract: Map of Mexico and Central America (10"x6"; 1"=approx. 160 miles) shows main placenames, geographical features, and national boundaries of Mexico, Guatemala, Honduras, Nicaragua, Costa Rica, modern Panama, and the southern United States. Map of Central America (10"x5"; 1"=approx. 115 miles) shows main placenames and national boundaries of the Central American countries in slightly greater detail.

1850(?) Jamaica. John Tallis & Co., London & New York.

Keywords: Jamaica.

Call Number: 1762

Notes: Drawn & Engraved by J. Rapkin.

Abstract: Shows towns, roads, geographical features and subnational boundaries. Includes engravings of Jamaican scenes (Port Royal Harbour, Kingston, Port Antonio, Sugar Mill, illustrated by H. Windles and engraved by W. Lacey).

1861 The Geffrard Map of the Island of Haiti: Drawn for James Redpath's Guide to Hayti. Haytian Bureau of Emigration, Boston, Massachusetts.

Keywords: Haiti /Dominican Republic.

Call Number: 1761

Notes: Engraved & Printed by G. Woolworth Colton, No. 18 Beekman St., N.Y. See Guide to Hayti, LAL 917.294R321.

Abstract: Shows townws, roads, geographical features on the island of Hispaniola, including national boundary between Republique d'Haiti and "Parti Espagnole". Haiti is color coded by political subdivisions but otherwise the Domincan Republic is just as detailed.

Adam Cutler and J.W. Gallup, c. e. a. b. Dr. R. F. g. g. o. H.

1885 Map of the Republic of Honduras, Central America. edited by Adam Cutler and J.W. Gallup, c. e. a. b. Dr. R. F. g. g. o. H., Cutler & Gallup; Rand McNally & Co., Engravers and Printers, Chicago.

Keywords: Honduras.

Call Number: 1760

Notes: "Copies of this Map can be obtained by applying to Charles Hedges, General Agent, Galveston, Texas, or Rand, McNally & Co., Chicago." In poor condition.

Abstract: Color map shows towns, roads, railroads, geographical features, departmental and international boundaries of Honduras. Inset (approx. 12x12") shows the geographical location of Honduras in Central America and the Caribbean.

José Weber

1971 Caminos de Chiapas. edited by José Weber, Ed. Part, San Cristóbal de las Casas, Mexico.

Keywords: Chiapas.

Call Number: 1759

Notes: 2a. edicion.

Abstract: Detailed hand-drawn map shows roads, towns, landmarks in the state of Chiapas. Includes a list of hotels and prices. On reverse: sectional maps of main highways, inset maps, and meteorological and touristic information.

19th century Native Races of the Pacific States / Mexican Group.

Keywords: Mexico /Ethnicity.

Call Number: 1758

Notes: From the papers of Porter Cornelius Bliss; and originally part of Hubert Howe Bancroft, *The Native Races of the Pacific States of North America*, vol. 1, *Wild Tribes*. New York, D. Appleton and Company, 1874.

Abstract: Shows geographical features and native ethnic groups of central and southern Mexico and Guatemala, El Salvador and part of Honduras. Also shows northern Mexico as far as parts of Sinaloa, Durango, Coahuila, Nuevo Leon and Tamaulipas. Includes state and national boundaries.

19th century Native Races of the Pacific States / New Mexican Group.

Keywords: Mexico /United States /Ethnicity.

Call Number: 1757

Notes: From the papers of Porter Cornelius Bliss; and originally part of Hubert Howe Bancroft, *The Native Races of the Pacific States of North America*, vol. 1, *Wild Tribes*. New York, D. Appleton and Company, 1874.

Abstract: Shows geographical features and native ethnic groups of northern Mexico and southwestern U.S. Includes state and national boundaries.

19th century Native Races of the Pacific States / Central American Group.

Keywords: Guatemala /Honduras /El Salvador /Nicaragua /Costa Rica /Panama /Ethnicity.

Call Number: 1756

Notes: From the papers of Porter Cornelius Bliss; and originally part of Hubert Howe Bancroft, *The Native Races of the Pacific States of North America*, vol. 1, *Wild Tribes*. New York, D. Appleton and Company, 1874.

Abstract: Shows geographical features and native ethnic groups of the Central American region, including Guatemala through Panama.

1848 Mapa de la Frontera de la República Mexicana con los Estados Unidos del Norte, en el que se expresa la situación que debe darse a las nuevas colonias militares.

Keywords: Mexico.

Call Number: 1755

Notes: From the papers of Porter Cornelius Bliss.

Abstract: Shows cities, towns and geographical features in the Mexico-U.S. border region.

A.K. Owen and Alberto von Motz, i. c.

1882 Nuevo Mapa Estadístico y Ferrocarrillero de Mexico y la Frontera del Norte, en que se marcan los productos de las diferentes zonas, las líneas de ferrocarriles actuales y proyectadas, las líneas telégraficas, cables, alturas, y poblaciones. edited by A.K. Owen and Alberto von Motz, i. c., J.L. Smith, Philadelphia, Pa.

Keywords: Mexico /Railroads /Telegraph Lines /Steamship Lines.

Call Number: 1754

Abstract: Color map shows cities, geographical features, cables, steamship and telegraph lines, and existing and planned railroads in Mexico and along the southern frontier of the United States, particularly in Texas and Louisiana. Includes state and national boundaries, a table of census figures showing the population of each Mexican state in 1877, and a chart of the Mexican telegraph network.

1840 Carte des Antilles, du Golfe du Mexique et du Guatemala. Paris?

Keywords: Caribbean.

Call Number: 1753

Notes: "Gravé par Thierry, rue des Mathurins St. Jacques No. 1."

Abstract: Color map shows the Greater and Lesser Antilles, the Gulf coasts of the United States and Mexico, the Pacific and Caribbean coasts of Guatemala and the rest of Central America, and a section of the north coast of South America. Includes national boundaries and major geographical features.

Thomas Cowperthwait

1850 Brazil. edited by Thomas Cowperthwait.

Keywords: Brazil.

Call Number: 1752

Abstract: Color map shows cities and towns, geographical landmarks, national and subnational boundaries of Brazil, Uruguay, Paraguay and the Guianas. Insets show: 1. Paraguay (3"x6") and 2. Environs of Rio de Janeiro (5"x3").

Thomas Cowperthwait

1850 Venezuela, New Grenada & Equador. edited by Thomas Cowperthwait.

Keywords: Venezuela /Colombia /Ecuador /Panama.

Call Number: 1751

Abstract: Color map shows cities and towns, geographical landmarks, national and subnational boundaries of Venezuela, New Grenada and Ecuador. Inset (4"x4") shows the route of the railroad across the Isthmus of Darien from Victor Bay to Panama.

Thomas Cowperthwait

1850 Peru and Bolivia. edited by Thomas Cowperthwait.

Keywords: Peru /Bolivia.

Call Number: 1750

Abstract: Color map shows cities and towns, geographical landmarks, national and subnational boundaries of Peru and Bolivia.

Sydney Edwards Morse (1794-1871) and Samuel Breese (?)

1842-1945 Ecuador, New Granada, Venezuela, English, French, Dutch, and Brazilian Guiana. edited by Sydney Edwards Morse (1794-1871) and Samuel Breese (?).

Keywords: Ecuador /Colombia /Venezuela /Guiana.

Call Number: 1749

Notes: on reverse: "wax process".

Abstract: Color map shows geographical landmarks, national and subnational boundaries of Ecuador, New Granada, Venezuela; and English, French, Dutch, and Brazilian Guiana.

Sydney Edwards Morse (1794-1871) and Samuel Breese (?)

1842-1945 Peru, Chile, Bolivia, La Plata, Paraguay and Uruguay. edited by Sydney Edwards Morse (1794-1871) and Samuel Breese (?).

Keywords: Brazil /Peru /Chile /Bolivia /Argentina /Paraguay /Uruguay.

Call Number: 1748

Notes: on reverse: "wax process".

Abstract: Color map shows cities, mountains, rivers, national and subnational boundaries of Brazil, southern Peru, central and northern Chile, Bolivia, La Plata (northern Argentina), Paraguay and Uruguay.

Sydney Edwards Morse (1794-1871) and Samuel Breese (?)  
1842-1945 South America. edited by Sydney Edwards Morse (1794-1871) and Samuel Breese (?).  
Keywords: South America.  
Call Number: 1747  
Notes: on reverse: "wax process".  
Abstract: Color map shows cities, rivers, mountain ranges, national boundaries.

1842 Peru and Bolivia. G.R. French, Brattleboro, Vt.  
Keywords: Peru /Bolivia.  
Call Number: 1746  
Notes: This is #61 from Jeremiah Greenleaf (1791-1864), A New Universal Atlas, Brattleboro, Vt.: G.R. French, 1842. [Phillips (1909), v.1, item 784.].  
Abstract: Shows rivers, towns, cities, and political boundaries in Peru and Bolivia.

1842 New Grenada, Venezuela & Ecuador. G.R. French, Brattleboro, Vt.  
Keywords: Colombia /Venezuela /Ecuador /Amazon /New Grenada.  
Call Number: 1745  
Notes: This is #60 from Jeremiah Greenleaf (1791-1864), A New Universal Atlas, Brattleboro, Vt.: G.R. French, 1842. [Phillips (1909), v.1, item 784.].  
Abstract: Shows rivers, towns, cities, and political boundaries in New Grenada (including present-day Colombia and Panama), Venezuela, Ecuador, and a section of the Amazon region of Brazil.

F.A. Brockhaus  
1882 Die Antillen. edited by F.A. Brockhaus, Leipzig.  
Keywords: Caribbean /Antilles.  
Call Number: 1744

Notes: "Brockhaus' Conversations-Lexicon. 13. Aufl."; purchased 2/72 by Martha Robertson on Dumaine(?) Street.

Abstract: Small but detailed color map shows major geographical features of the Caribbean, including cities, roads and undersea cables in the greater and lesser antilles and along the coast of Venezuela, Colombia and eastern Central America. Color-coding indicates countries colonized by the British, Danish, French, Dutch, or Spanish.

F.A. Brockhaus

19th century Columbia, Venezuela, Ecuador, Peru und Bolivia. edited by F.A. Brockhaus, Leipzig.

Keywords: Colombia /Venezuela /Ecuador /Peru /Bolivia.

Call Number: 1743

Notes: "Brockhaus' Conversations-Lexicon. 13. Aufl."; purchased 2/72 by Martha Robertson on Dumaine(?) Street.

Abstract: Small but detailed color map shows major geographical features of Colombia (including present-day Panama), Venezuela, British Guiana, Ecuador, Peru and Bolivia. Indicates cities, rivers, etc.

F.A. Brockhaus

1882 Physikalische Karte von Amerika. II. Sudamerika. edited by F.A. Brockhaus, Leipzig.

Keywords: South America.

Call Number: 1742

Notes: "Brockhaus' Conversations-Lexicon. 13. Aufl."; purchased 2/72 by Martha Robertson on Dumaine(?) Street.

Abstract: Small but detailed color map shows major geographical features of South America, including cities, rivers, etc. Color-coding indicates elevations.

Mappa Geral da Cia. Rede Telephonica Bragantina. Imp. da G. Castiglione, Brazil.

Keywords: Brazil /Sao Paulo /Minas Geraes /Telephones.

Call Number: 1741

Notes: On reverse: "found in but seemingly unrelated [to] HC187.C64" (Brazil on the March..., 1944).

Abstract: Shows the telephone installations of the Cia. Rede Telephonica Bragantina in Sao Paulo and Minas Geraes states, Brazil. Includes existing and projected telephone lines and company facilities. Also shows state boundaries, towns and cities.

Judith Durán Casillas

Carta Sísmica del Sur de la Altiplanicie Mexicana. Paralelos 18-21. edited by Judith Durán Casillas.

Keywords: Mexico /Geology.

Call Number: 1740

Notes: 2 copies.

Abstract: Shows seismic features of the Mexican altiplano extending from the Pacific coast of Nayarit, Jalisco, Colima and Michoacán states to the Gulf of Mexico in the state of Veracruz. Includes towns, lakes, mountain peaks, and unidentified coded markings with numbers and red dots.

Jorge A. Vivó (arreglo cartográfico) and Humberto Robles Ubaldo (dibujo)

La Depresion Chapala-Acambay-Mexico-Oriental. edited by Jorge A. Vivó (arreglo cartográfico) and Humberto Robles Ubaldo (dibujo).

Keywords: Chapala /Acambay /Mexico /Oriental /Geology.

Call Number: 1739

Abstract: Shows the geological depression, outlined in red, extending from Lake Chapala in the west of Mexico, eastward through Acambay, Mexico City, and Oriental (west of Veracruz). Of major cities marked on the map, the depression passes to the north of Colima, Morelia, Toluca and Tlaxcala, but to the south of Pachuca. Shading indicates changes in elevations.

1963 Desarrollo Demografico de Mexico 1521-1960. Seminario de Demografía de México, Colegio de Geografía, UNAM., México.

Keywords: Mexico /Population.

Call Number: 1738

Notes: 3 copies.

Abstract: 13-page booklet includes 9 maps showing various aspects of the composition of Mexico's population in 1960, including regional immigration; urban and rural populations, fertility, general mortality, infant mortality, birthrate, marital status and analfabetism; and 6 graphs indicating changes in Mexico's population between 1521 and 1960; and breakdowns of urban and rural populations, immigration and emigration; birthplace by "federative entity" and fertility and mortality in 1960.

Zaida Falcón de Gyves (Dirección) and Jorge Saad Alvarado (Colaborador)  
1966 Chilpancingo, Gro. Regimen de Tenencia. Segundo Semestre 1966. edited by Zaida Falcón de Gyves (Dirección) and Jorge Saad Alvarado (Colaborador), Instituto de Geografía, Universidad Nacional Autónoma de México, México.

Keywords: Chilpancingo /Housing.

Call Number: 1737

Notes: Plano No. 4.

Abstract: Shows the types and location of housing residency in the city of Chilpancingo, Guerrero, Mexico, including owned, rented, and uninhabited properties. Includes roads and landmarks.

Zaida Falcón de Gyves (Dirección), Jorge Saad Alvarado (Colaborador), and Humberto Robles Ubaldo, J. L. S. P. D.

1966 Chilpancingo, Gro. Estructural Funcional de la Ciudad en el Segundo Semestre de 1966. edited by Zaida Falcón de Gyves (Dirección), Jorge Saad Alvarado (Colaborador), and Humberto Robles Ubaldo, J. L. S. P. D., Instituto de Geografía, Universidad Nacional Autónoma de México, México.

Keywords: Chilpancingo.

Call Number: 1736

Notes: Plano No. 3.

Abstract: Map in three parts (Planos 3A, 3B, 3C which are contiguous from the left to the right) shows the "functional structure" of the city of Chilpancingo, Guerrero, Mexico. Indicates locations of housing, government offices, hospitals, schools, and various types of businesses. Includes roads and landmarks.

Zaida Falcón de Gyves (Dirección), Jorge Saad Alvarado (Colaborador), and J. Luis Sedano Perches (Dibujo)

1966 Chilpancingo, Gro. Segundo Semestre 1966. Distribución de la Población. edited by Zaida Falcón de Gyves (Dirección), Jorge Saad Alvarado (Colaborador), and J. Luis Sedano Perches (Dibujo), Instituto de Geografía, Universidad Nacional Autónoma de México, México.

Keywords: Chilpancingo.

Call Number: 1735

Notes: Plano No. 2.

Abstract: Shows population distribution in the city of Chilpancingo, Guerrero, Mexico. Each dot represents five inhabitants. Includes roads and major buildings and other landmarks.

Zaida Falcón de Gyves (resp.) and Humberto Robles Ubaldo (dibujo)

1966 Chilpancingo, Gro. Plano Topografico. edited by Zaida Falcón de Gyves (resp.) and Humberto Robles Ubaldo (dibujo), Instituto de Geografía, Universidad Nacional Autónoma de México, México.

Keywords: Chilpancingo.

Call Number: 1734

Notes: Plano No. 1.

Abstract: Shows coordinates, topographic contour lines, roads and major buildings in the city of Chilpancingo, Guerrero, Mexico. "Basado en la Carta Fotogramétrica de la Secretaría de Recursos Hidráulicos. \_Agua Potable y Alcantarillado. \_Dirección de Estudios y Proyectos. Feb. 1962".

Hector Sanchez Campero

Localidades de 10000 o Más Habitantes en las Zonas Geoeconomicas. Censo 1960. edited by Hector Sanchez Campero.

Keywords: Mexico /Population.

Call Number: 1733

Abstract: Shows towns and cities of over 10,000 inhabitants in Mexico, indicating the population of each locality to the nearest thousand based on information from the 1960 census. The map is divided into eight geoeconomic zones.

Hector Sanchez Campero

Localidades de 10000 o Más Habitantes en las Zonas Geoeconomicas. Censo 1940.

edited by Hector Sanchez Campero.

Keywords: Mexico /Population.

Call Number: 1732

Abstract: Shows towns and cities of over 10,000 inhabitants in Mexico, indicating the population of each locality to the nearest thousand based on information from the 1940 census. The map is divided into eight geoeconomic zones.

Aurelio Gallegos Bartolo

1961 Oleaginosas. Ajonjoli Cacahuete Copra Coquito de Aceite Cartamo y Linaza. edited by Aurelio Gallegos Bartolo.

Keywords: Sesame Oil /Peanut Oil /Palm Oil /Coconut Oil /Safflower Oil /Linseed Oil /Mexico.

Call Number: 1731

Abstract: Shows the total production in tons of sesame oil, peanut oil, palm oil, coconut oil, safflower oil and linseed oil in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Aurelio Gallegos Bartolo

1961 Fibras. Algodón Henequén. edited by Aurelio Gallegos Bartolo.

Keywords: Cotton /Henequen /Mexico.

Call Number: 1730

Abstract: Shows the total production in tons of cotton and henequen fiber in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Aurelio Gallegos Bartolo

1961 Cultivos de Tipo Mediterráneo. Naranja Limón Uva Aceituna. edited by Aurelio Gallegos Bartolo.

Keywords: Oranges /Lemons /Grapes /Olives /Mexico.

Call Number: 1729

Abstract: Shows the total production in tons of oranges, lemons, grapes and olives in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Aurelio Gallegos Bartolo

1961 Tabaco. edited by Aurelio Gallegos Bartolo.

Keywords: Tobacco /Mexico.

Call Number: 1728

Abstract: Shows the total production in tons of tobacco in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Gilberto Hernandez Silva

1961 Otros Cultivos. Melón y Sandía. edited by Gilberto Hernandez Silva.

Keywords: Melons /Watermelons /Mexico.

Call Number: 1727

Abstract: Shows the total production in tons of melons and watermelons in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Aurelio Gallegos Bartolo

1961 Aguacate. edited by Aurelio Gallegos Bartolo.

Keywords: Avocados /Mexico.

Call Number: 1726

Abstract: Shows the total production in tons of avocados in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Gilberto Hernandez Silva

1961 Frutales Templados. Durazno Fresa y Manzana. edited by Gilberto Hernandez Silva.

Keywords: Peaches /Strawberries /Apples /Mexico.

Call Number: 1725

Abstract: Shows the total production in tons of peaches, strawberries and apples in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Gilberto Hernandez Silva

1961 Frutales Tropicales. Guayaba Mango y Piña. edited by Gilberto Hernandez Silva.

Keywords: Guava /Mango /Pineapple /Mexico.

Call Number: 1724

Abstract: Shows the total production in tons of guava, mango and pineapple in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Gilberto Hernandez Silva

1961 Cultivos Tropicales. Cacao Café Caña de Azúcar y Vainilla. edited by Gilberto Hernandez Silva.

Keywords: Cocoa /Coffee /Sugar Cane /Vanilla /Mexico.

Call Number: 1723

Abstract: Shows the total production in tons of cocoa, coffee, sugar cane, and vanilla in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Gilberto Hernandez Silva

1961 Frutas Tropicales. Coco / Plátano Diversas Variedades / Plátano Roatán. edited by Gilberto Hernandez Silva.

Keywords: Coconuts /Bananas /Plantains /Mexico.

Call Number: 1722

Abstract: Shows the total production in tons of coconuts, bananas and plantains in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Gilberto Hernandez Silva

1961 Hortalizas. Cebolla Chile Seco Chile Verde y Jitomate. edited by Gilberto Hernandez Silva.

Keywords: Onions /Peppers /Tomatoes /Mexico.

Call Number: 1721

Abstract: Shows the total production in tons of onions, green and dried peppers, and tomatoes in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Manuel Antonio Guerrero Gonzalez

1961 Forrajas. Alfalfa. edited by Manuel Antonio Guerrero Gonzalez.

Keywords: Alfalfa /Mexico.

Call Number: 1720

Abstract: Shows the total production in tons of alfalfa in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Manuel Antonio Guerrero Gonzalez

1961 Tuberculos. Papa Camote. edited by Manuel Antonio Guerrero Gonzalez.

Keywords: Potatoes /Sweet Potatoes /Mexico.

Call Number: 1719

Abstract: Shows the total production in tons of potatoes and sweet potatoes in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Manuel Antonio Guerrero Gonzalez

1961 Leguminosas. Garbanzo Haba Soya. edited by Manuel Antonio Guerrero Gonzalez.

Keywords: Chickpeas /Fava Beans /Soybeans /Mexico.

Call Number: 1718

Abstract: Shows the total production in tons of chickpeas, fava beans (broadbeans), and soybeans in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Manuel Antonio Guerrero Gonzalez

1961 Leguminosas. Frijol. edited by Manuel Antonio Guerrero Gonzalez.

Keywords: Kidney Beans /Mexico.

Call Number: 1717

Abstract: Shows the total production in tons of kidney beans in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Manuel Antonio Guerrero Gonzalez

1961 Cereales. Maíz. edited by Manuel Antonio Guerrero Gonzalez.

Keywords: Corn /Mexico.

Call Number: 1716

Abstract: Shows the total production in tons of corn in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Manuel Antonio Guerrero Gonzalez

1961 Cereales. Trigo Cebada Avena Arroz Sorgo. edited by Manuel Antonio Guerrero Gonzalez.

Keywords: Wheat /Barley /Oats /Rice /Sorghum /Mexico.

Call Number: 1715

Abstract: Shows the total production in tons of wheat, barley, oats, rice and sorghum in each municipality of Mexico, as measured in 1961. Includes state boundaries.

Raquel Guzman Villanueva

1959 Ganado Ovino. edited by Raquel Guzman Villanueva.

Keywords: Sheep /Mexico.

Call Number: 1714

Abstract: Shows the number of heads of sheep in each municipality of Mexico, as measured in 1959. Includes state boundaries.

Raquel Guzman Villanueva

1959 Ganado Porcino. edited by Raquel Guzman Villanueva.

Keywords: Pigs /Mexico.

Call Number: 1713

Abstract: Shows the number of heads of pigs in each municipality of Mexico, as measured in 1959. Includes state boundaries.

Raquel Guzman Villanueva

1959 Ganado Asnal. edited by Raquel Guzman Villanueva.

Keywords: Donkeys /Mexico.

Call Number: 1712

Abstract: Shows the number of heads of donkeys in each municipality of Mexico, as measured in 1959. Includes state boundaries.

Raquel Guzman Villanueva

1959 Ganado Mular. edited by Raquel Guzman Villanueva.

Keywords: Mules /Mexico.

Call Number: 1711

Abstract: Shows the number of heads of mules in each municipality of Mexico, as measured in 1959. Includes state boundaries.

Raquel Guzman Villanueva

1959 Ganado Caballar. edited by Raquel Guzman Villanueva.

Keywords: Horses /Mexico.

Call Number: 1710

Abstract: Shows the number of heads of horses in each municipality of Mexico, as measured in 1959. Includes state boundaries.

Raquel Guzman Villanueva

1959 Ganado Caprino. edited by Raquel Guzman Villanueva.

Keywords: Goats /Mexico.

Call Number: 1709

Abstract: Shows the number of heads of goats in each municipality of Mexico, as measured in 1959. Includes state boundaries.

Raquel Guzman Villanueva

1959 Ganado Bovino. edited by Raquel Guzman Villanueva.

Keywords: Cattle /Mexico.

Call Number: 1708

Abstract: Shows the number of heads of cattle in each municipality of Mexico, as measured in 1959. Includes state boundaries.

Luis G. Tufiño

1922 Mapa Escolar del Ecuador. edited by Luis G. Tufiño, Ministerio de Instrucción Pública, Quito?

Keywords: Ecuador /Galápagos.

Call Number: 1707

Notes: Georg Westermann, lithographer/printer, Braunschweig, Germany. Stamped in lower corner: "Consulado General del Ecuador / Nueva Orleans, La." .

Abstract: Huge color map shows elevations, sea depths, towns and cities (including population density), railroads, geographical features, national and provincial capitals and boundaries. Includes 26x27" inset of the Archipiélago de Colón (Galápagos Islands).

Official Map of Cuba. Cuban Land and Steamship Co., New York.

Keywords: Cuba.

Call Number: 1706

Notes: Bormay & Co., Engravers, N.Y.

Abstract: Shows towns, roads, railroads, geographical features, provincial boundaries, and steamship lines between La Gloria and Nuevitas (Puerto Príncipe province) marked as leading to New Orleans, Miami, Charleston, and New York. Red dots show location of lands owned by the company in Puerto Príncipe and Santa Clara provinces. Includes inset map of the city of La Gloria.

F. A. Godoy

1908 Products of South America. edited by F. A. Godoy, International Bureau of American Republics, Washington, D.C.

Keywords: South America /Central America /Mexico /West Indies.

Call Number: 1705

Abstract: Shows an outline of geographical features and the principal products of each country in Latin America. Includes a smaller map, "Products of Mexico, Central America, and the West Indies". Also includes a bar graph, "Values of Latin-American Exports" (16"x10") representing combined annual exports, in U.S. gold, of coffee, wheat, wool, etc.).

Tracing by Atkins

1904 Plan of the Estate of Ceballos owned by the Development Company of Cuba. edited by Tracing by Atkins, Development Company of Cuba, Ceballos, Cuba.

Keywords: Ceballos, Cuba.

Call Number: 1704

Abstract: Shows planned and numbered city blocks of the townsite of Ceballos, Cuba, including "sold" lots. Annotations include Sold to Denison Syndicate; Cuba Citrus Culture groves; John H. Kydd Plantation; Akron Ohio Colony; Boston Colony; Ceballos Country Club; Las Minas; and Fiske Fruit Company of Cuba.

189? West Indies. The Island of Cuba. U.S. Department of the Navy. Bureau of Equipment. Hydrographic Office., Washington, D.C.

Keywords: Cuba /Spanish-American War.

Call Number: 1703b

Notes: Compiled from the following sources of information: Chart of the Island of Cuba, published in 1874 by the Office of the Chief of Engineers, U.S. Army; Map of the Island of Cuba, in 86 sheets, printed by the Spanish Government; British Admiralty Charts, Nos. 1217, 2009, 2579, and 2580.

Abstract: Shows roads, towns, provincial divisions, geographical features and ocean soundings in the eastern half of Cuba, including Puerto Príncipe and Santiago de Cuba provinces. This map goes with 1703a which shows the western half of Cuba.

189? West Indies. The Island of Cuba. U.S. Department of the Navy. Bureau of Equipment. Hydrographic Office., Washington, D.C.

Keywords: Cuba /Spanish-American War.

Call Number: 1703a

Notes: Compiled from the following sources of information: Chart of the Island of Cuba, published in 1874 by the Office of the Chief of Engineers, U.S. Army; Map of the Island of Cuba, in 86 sheets, printed by the Spanish Government; British Admiralty Charts, Nos. 1217, 2009, 2579, and 2580.

Abstract: Shows roads, towns, provincial divisions, geographical features and ocean soundings in the western half of Cuba, including Pinar del Río, Habana, Matanzas, and Santa Clara provinces. This map goes with 1703b which shows the eastern half of Cuba.

1898 Cuba. Part of Chart "E" (Special Edition). U.S. Coast and Geodetic Survey / Treasury Department, Washington?

Keywords: Cuba /Spanish-American War.

Call Number: 1702

Abstract: Colored map shows towns, roads, railroads, ocean soundings, geographic features.

Eman. Bowen (d. 1767)

1752? A New & Accurate Map of the Island of Cuba, Drawn from the most approved Maps & Charts and Regulated by Astronomical Observations. edited by Eman. Bowen (d. 1767), London?

Keywords: Cuba /Puerto Rico /Dominican Republic /Haiti.

Call Number: 1701

Notes: On same sheet with: A new and accurate map of the Islands of Hispaniola or St. Domingo and Porto Rico drawn from the most approved Maps and Charts and regulated by Astron. Observatns. (17 x 42 cm.; 1" = approx. 50 miles). Possibly from Emanuel Bowen, A Complete atlas or distinct view of the known world. (London, 1752). See Phillips (1901), A List of Maps of America, p. 774.

Abstract: Shows towns, geographical features of Cuba. Second map shows towns and geographical features of Hispaniola and Porto Rico.

Jorge A. Vivó

1966 Carta Industrial de la República Mexicana. Numero de Obreros y Empleados, Sueldos y Salarios. VII Censo Industrial de 1960. edited by Jorge A. Vivó, Comisión Nacional de los Salarios Mínimos; Colegio de Geografía de la Facultad de Filosofía y Letras de la Universidad Nacional de México, Mexico, D.F.

Keywords: Mexico /Industry /Salaries /Labor.

Call Number: 1700b

Abstract: Shows the number of workers and the average yearly wage (in pesos) in each of 111 zones nationally. This map shows eastern Mexico only, and goes with 1700a, which shows the corresponding zones for western Mexico.

Jorge A. Vivó

1966 Carta Industrial de la República Mexicana. Numero de Obreros y Empleados, Sueldos y Salarios. VII Censo Industrial de 1960. edited by Jorge A. Vivó, Comisión Nacional de los Salarios Mínimos; Colegio de Geografía de la Facultad de Filosofía y Letras de la Universidad Nacional de México, Mexico, D.F.

Keywords: Mexico /Industry /Salaries /Labor.

Call Number: 1700a

Abstract: Shows the number of workers and the average yearly wage (in pesos) in each of 111 zones nationally. This map shows western Mexico only, and goes with 1700b, which shows the corresponding zones for eastern Mexico.

1969 Chile / Distribución de la Población Urbana y Rural. Organización de los Estados Americanos, Unidad de Recursos Naturales, Departamento de Asuntos Económicos; and the Instituto de Investigación de Recursos Naturales (IREN), Corporación de Fomento de la Producción (CORFO)., Washington, D.C.

Call Number: 1699

Notes: "Basado en el Mapa: 'Distribución de la Población Urbana y Rural' IREN-CORFO 1:500,000.

Abstract: Map, divided in two sections, shows the geographical distribution of the Chilean population, as well as roads, railroads, towns, main geographical features, and provincial boundaries. Includes a table of the exact population of towns over 1,000 inhabitants; and an index of towns.

Fernando S. Benevenuto

1965 Esboço Geomorfológico da Area de Rio Claro. edited by Fernando S. Benevenuto, Brazil.

Keywords: Rio Claro /Soil.

Call Number: 1698

Abstract: Shows geomorphological features of the soil in the area of Rio Claro, Brazil. Includes topographical contour lines.

Jorge A. Vivó, c.

1966 Carta Industrial de la República Mexicana / Valor de la Producción y Energía Eléctrica Consimida / Vii Censo Industrial de 1960. edited by Jorge A. Vivó, c., Comisión Nacional de los Salarios Mínimos; and Colegio de Geografía de la Facultad de Filosofía y Letras, Universidad Nacional de México., Mexico, D.F.

Keywords: Mexico /Industry /Energy.

Call Number: 1697

Abstract: Shows the monetary worth (in pesos) of annual industrial production; and the electric energy (in thousands of kilowatt hours) consumed annually in each of 111 geographic zones in Mexico, based on the 1960 industrial census.

Mario Macías Villada

Mapa de Suelos de México. edited by Mario Macías Villada, Secretaría de Recursos Hidráulicos / Dirección de Aprovechamientos, Mexico.

Keywords: Mexico /Soil.

Call Number: 1696

Abstract: Black and white coded map shows soiltypes throughtout Mexico.

Guillermo P. Salas, F. G. P. F. G. C.

1967 Mapa Fotogeologico del Norte de Baja California, Mexico. edited by Guillermo P. Salas, F. G. P. F. G. C., Consejo de Recursos Naturales No Renovables / Instituto de Geología de la Universidad Nacional Autónoma de México, Mexico, D.F.

Keywords: Baja California Norte /Geology.

Call Number: 1695

Notes: "Elaborado por interpretación de las fotografías especiales No. 1, 2 y 3 tomadas por el Geminis IV en su orbita 32."

Abstract: Color-coded map shows geological formations and features of the northern part of Baja California, from the Golfo de California as far south as San Felipe and westward to Bahía de Todos Santos (Ensenada). Inset shows the location of the area on the main map within the national territory of Mexico.

Rafael Reyna Castillo

Mapa de Uso del Suelo en la Zona de Cuautla. edited by Rafael Reyna Castillo.

Keywords: Cuautla /Land Use.

Call Number: 1694

Abstract: Color-coded map shows land uses in the area of Cuautla, Mexico, including towns, roads, type of cultivation, non-productive land, and eroded soil.

Le Comte Vincent Piccolomini

1830s? Carte des Etats-Unis du Mexique tracée conformément aux nouvelles divisions de la Republique avec la situation des mines d'or et d'argent. edited by Le Comte Vincent Piccolomini, F. de Harscher, Munich.

Keywords: Mexico.

Call Number: 1693

Abstract: Shows cities, towns, geographical features, as far southeast as Laguna de Términos, and as far north as Santa Fé.

1899 Outline Map of Puerto Rico. War Department / Adjutant General's Office / Military Information Division, Washington, D.C.

Keywords: Puerto Rico.

Call Number: 1692

Notes: Graham Photo. Lith.

Abstract: Shows cities, towns, roads, railroads, landmarks.

Geological Map and Profiles of some of the principal mining districts of Mexico.

Geographical Institute, Baron F. W. von Egloffstein, New York.

Keywords: Mexico /Geology /Mining.

Call Number: 1691

Abstract: Shows cities, roads and geological features of central Mexico. Includes geological profiles of 11 principal mining regions, primarily Michoacán, México, San Luis Potosí, Querétaro, Puebla.

1893 Laredo Route / Bird's Eye View of Mexico, Showing Line of Mexican National R.R.

and Connections Presented by the Traffic Department of the Mexican National R.R.

Knight, Leonard & Co., Engravers and Printers, Chicago.

Keywords: Mexico /Railroads.

Call Number: 1690

Abstract: Colored map shows railroads of the Mexican National Railroad between Mexico City and Nuevo Laredo, including connecting line as far as Lafayette, Louisiana, and other lines to Veracruz, Oaxaca, Patzcuaro, Guadalajara, Durango, Chihuahua, Tampico, etc. Includes profile view of elevations on the route between Mexico City and Nuevo Laredo.

19?? Town Site of Boston, Cuba / Looking Toward the Sea. Cuban Fruit Growers Association, New York City.

Keywords: Boston /Cuba.

Call Number: 1689

Abstract: Shows grid of 48 blocks of the town site of Boston, Cuba, including central "Boston Commons," streetnames schools, parks, number and size of lots, and location of proposed La Gloria Colony Railroad to Nuevitas Bay.

P.E. Trastour

1850 Chart of the Entrance and Channel of the Boca-Barra according to the survey made in November 1850 for the Tehuantepec Rail Road Company of New Orleans. edited by P.E. Trastour, New Orleans.

Keywords: Isthmus of Tehuantepec /Boca Barra /Nautical Chart.

Call Number: 1688

Notes: Lith. of Endicott & Co., N.Y.; Entered according to act of Congress by B. Fallon, Sect., Tehuantepec R. Road Co., New Orleans. One of a series of eight maps published in New York by D. Appleton & Co., under the title Maps Illustrating the Isthmus of Tehuantepec.

Abstract: Shows geographical features on land and soundings in fathoms in the Lower Lake and the Boca Barra channel to the Pacific Ocean, near the terminus of the planned railroad across the Isthmus of Tehuantepec.

P.E. Trastour

1851 Chart of the Ports of La Ventosa & Salina Cruz. edited by P.E. Trastour, New Orleans.

Keywords: Isthmus of Tehuantepec /La Ventosa /Salina Cruz /Nautical Chart.

Call Number: 1687

Notes: Engr. by J. Schedler; Lith. of Sarony & Major, N. York; Entered according to act of Congress in the year 1852 by B. Fallon, Sect., Tehuantepec R. Road Co., New Orleans. One of a series of eight maps published in New York by D. Appleton & Co., under the title Maps Illustrating the Isthmus of Tehuantepec.

Abstract: Shows geographical features on land, including the Laguna de Salina Cruz and the mouth of the Tehuantepec River, and the Pacific Ocean coastline with soundings in fathoms in the ports of La Ventosa and Salina and along the coast between them.

J. Mc. L. Murphy U.S.N.

1851 Map of the River Usapanapa, to the Playa del Tigre. edited by J. Mc. L. Murphy U.S.N..

Keywords: Usapanapa River /Isthmus of Tehuantepec.

Call Number: 1686

Notes: Above title: "Tehuantepec Survey"; Lith. of Sarony & Major, N. York; Entered according to act of Congress in the year 1852 by B. Fallon, Sect., Tehuantepec R. Road Co., New Orleans. One of a series of eight maps published in New York by D. Appleton & Co., under the title Maps Illustrating the Isthmus of Tehuantepec.

Abstract: Shows soundings in fathoms along the Usapanapa River from its mouth at the Coatzacoalcos River to the Playa del Tigre. This map adjoins another in the eight map series of the Isthmus of Tehuantepec. Includes two inset maps, "Map of the Village of Mina-Titlan" surveyed and drawn by Chas. C. Smith, 1851; and "Map of the Tancochapa River, from the Hacienda of San José to la Isla de Xucuapa," 1851.

J.C. Barnard U.S.A. Engineer in Chief

1851 Map of the Coatzacoalcos River, from Mina-Titlan to the Isla del Suchil, and of the Jaltepec River, from its Junction to the Railroad Crossing. Surveyed by the Hydrographic Party, under the Command of Wm. G. Temple. edited by J.C. Barnard U.S.A. Engineer in Chief.

Keywords: Coatzacoalcos River.

Call Number: 1685

Notes: Above title: "Tehuantepec Survey"; Drawn by Louis R. O. Townsend; Lith. of Sarony & Major, N. York; Entered according to act of Congress in the year 1852 by B. Fallon, Sect., Tehuantepec R. Road Co., New Orleans. One of a series of eight maps published in New York by D. Appleton & Co., under the title Maps Illustrating the Isthmus of Tehuantepec.

Abstract: Shows soundings in fathoms along the length of the Coatzacoalcos River from Mina-Titlan to the Isla del Suchil, and of the Jaltepec River. This map adjoins another in the eight map series, which shows Mina-Titlan to the mouth.

James M. Darley, C. C.

1960 South America. edited by James M. Darley, C. C., Washington, D.C., Cartographic Division, National Geographic Society.

Keywords: South America.

Call Number: 1684

Abstract: Mounted on cardboard, map shows cities, towns, roads, principal geographic features, and national boundaries. Insets of Malpelo Island, Galapagos Islands, Sala y Gomez, Easter Island, San Ambrosio and San Felix Islands, Mas Afuera Island, Mas a Tierra Island (Juan Fernandez Islands), Straits of Magellan, Falkland Islands (Islas Malvinas), Trindade, Fernando de Noronha, Martin Vaz Islands, Saint Peter and Saint Paul Rocks, and Atol das Rocas.

Mouth of the Coatzacoalcos River Surveyed Jan. 1848 by order of Com M.C. Perry. United States Hydrographic Office.

Keywords: Coatzacoalcos River.

Call Number: 1683

Notes: Eng. by Sherman & Smith, N.Y.

Abstract: Shows the mouth of the Coatzacoalcos River, including the last mile of the river and about half a mile out to sea, indicating water depths. One of a series of eight maps published in New York by D. Appleton & Co., under the title Maps Illustrating the Isthmus of Tehuantepec.

1847 Sketch from the Mouth of the Coatzacoalcos River to the Town of Mina-Titlan. Made by the order of Commodore M.C. Perry, Comdg. Home Squadron. United States Hydrographic Office.

Keywords: Coatzacoalcos River.

Call Number: 1682

Abstract: Shows the mouth of the Coatzacoalcos River and upstream to the town of Mina-Titlan. Shows the entrance into the Coatzacoalcos River of the Rio de Tierra Nueva o de las Calzadas. Includes a artist's sketch of the view of the entrance of the river, from a distance of about 1.5 miles. Soundings in fathoms by Lieuts Alden, Blunt & May. One of a series of eight maps published in New York by D. Appleton & Co., under the title Maps Illustrating the Isthmus of Tehuantepec.

J.G. Barnard, C. E.

Plan of that part of the Isthmus of Tehuantepec between the Jaltepec River and the Pacific Plains; Embracing all of the Engineering difficulties on the route of survey. edited by J.G. Barnard, C. E..

Keywords: Isthmus of Tehuantepec.

Call Number: 1681

Notes: Lith. of Endicott & Co., N.Y.; Entered according to act of Congress by B. Fallon, Sect., Tehuantepec R. Road Co., New Orleans. One of a series of eight maps published in New York by D. Appleton & Co., under the title Maps Illustrating the Isthmus of Tehuantepec.

Abstract: Shows towns, roads, geographical features of the Isthmus of Tehuantepec in the region between the Jaltepec River and the Pacific Plains. Includes a profile on the line as surveyed - 1851.

1851 Map of the Isthmus of Tehuantepec embracing all the surveys of the engineering and hydrographic parties and shewing the proposed route of the Tehuantepec Rail Road. Surveyed under the direction of Maj. J. G. Barnard U.S. Engrs., Chief Engineer.

Keywords: Isthmus of Tehuantepec /Railroads.

Call Number: 1680

Notes: Lith. of Sarony and Major, N.Y.; drawn by Chas. C. Smith; Entered according to act of Congress in the year 1853 by B. Fallon, Sect., Tehuantepec R. Road Co., New Orleans. One of a series of eight maps published in New York by D. Appleton & Co., under the title Maps Illustrating the Isthmus of Tehuantepec.

Abstract: Shows railroad lines surveyed and proposed to cross the Isthmus of Tehuantepec, including towns, roads, geographical features. Includes a profile of the railroad route from Minatitlan, on the Gulf of Mexico, to La Ventosa, on the Pacific Ocean.

Arquitecto Luis Gonzalez Aparicio

1968 Plano Reconstructivo de la Región de Tenochtitlán al Comienzo de la Conquista. edited by Arquitecto Luis Gonzalez Aparicio, Impreso en los Talleres de la Dirección de Geografía y Met(eorogía?), Mexico, D.F.

Keywords: Tenochtitlan.

Call Number: 1679

Notes: Dibujo: Prof. Manuel Najera Zamora. Donated to LAL by Dr. Richard Greenleaf, 4/97.

Abstract: Shows buildings, geographical features, topographical contour lines, and explanations of events associated with sites in Tenochtitlán, Tlatelolco, and other places along the Lago de Texcoco, Lago de Xochimilco, and Lago de Chalco, as they have been described in the historical literature about the time of Spanish conquest.

Luis Garcia Meza

1908 Mapa General de la Republica de Bolivia. edited by Luis Garcia Meza, Kartographia Winterthur A-G., Winterthur, Switzerland.

Keywords: Bolivia.

Call Number: 1678

Notes: 7th edition; extensive water damage.

Abstract: Shows towns, roads, landmarks, geographical features. Includes a profile map showing elevation changes.

J.N. Buache

1780 Carte du Golphe du Mexique et des Isles Antilles... edited by J.N. Buache, Chez Dezauche, gravr. successeur de Srs. Del'isle et Buache, Paris.

Keywords: West Indies /Mexico /Central America.

Call Number: 1677

Notes: "reduite de la grande carte angloise de Popple par Ph. Buache, ler geographe de l'Ac.

Abstract: Shows the Caribbean, West Indies, Gulf of Mexico, southern U.S., most of New Spain including Central America, and northern South America. Color coding indicates areas controlled by the Spanish, English, French, Dutch, and Danish.

Julio Popper

1883 Mapa de las Lineas de Transporte Tributarias a los Intereses Comerciales de Nueva Orleans. Preparado para la Bolsa Mercantil Mexicana, Centro y Sur Americana. edited by Julio Popper, Mexican, Central American & South American Commercial Exchange / M.F. Dunn & Bro. Lithographers, New Orleans.

Keywords: Mexico /New Orleans /Central America /Cuba /United States.

Call Number: 1676

Notes: Goes with uncataloged book without cover, 'Mexican, Central American & South American Commercial Exchange'.

Abstract: Shows the United States, Mexico, Central America, NW South America, Cuba, Jamaica, including railroads real and projected and shipping connections with New Orleans (indicating name of shipping lines, distances in nautical miles, and duration of passage).

Drawn by W. Morey, Jr.

1898 Havana Province - Cuba. edited by Drawn by W. Morey, Jr., U.S. War Department, Military Information Division., [Washington, D.C.].

Keywords: Havana (province) /Spanish-American War.

Call Number: 1675

Notes: Julius Bien & Co. Photo. Lith.

Abstract: Colored map shows towns, roads, landforms in Habana province.

Drawn by C.H. Ourand

1898 Military Map of the Island of Cuba. edited by Drawn by C.H. Ourand, U.S. War Department, Military Information Division, [Washington, D.C.].

Keywords: Cuba /Spanish-American War.

Call Number: 1674h

Notes: Julius Bien & Co. Photo. Lith.; Cuba Sheet No. 1.

Abstract: Shows towns, provincial capitals, provincial boundaries, roads, railroads, and landforms in the second westernmost part of Cuba (Pinar del Río province). Index map locates this section of Cuba within the 8-map series.

Drawn by C.H. Ourand

1898 Military Map of the Island of Cuba. edited by Drawn by C.H. Ourand, U.S. War Department, Military Information Division, [Washington, D.C.].

Keywords: Cuba /Isla de Pinos /Spanish-American War.

Call Number: 1674g

Notes: Julius Bien & Co. Photo. Lith.; Cuba Sheet No. 2.

Abstract: Shows towns, provincial capitals, provincial boundaries, roads, railroads, and landforms in the second westernmost part of Cuba (Pinar del Río and Habana provinces and Isla de Pinos). Index map locates this section of Cuba within the 8-map series.

Drawn by C.H. Ourand

1898 Military Map of the Island of Cuba. edited by Drawn by C.H. Ourand, U.S. War Department, Military Information Division, [Washington, D.C.].

Keywords: Cuba /Spanish-American War.

Call Number: 1674f

Notes: Julius Bien & Co. Photo. Lith.; Cuba Sheet No. 3.

Abstract: Shows towns, provincial capitals, provincial boundaries, roads, railroads, and landforms in the third westernmost part of Cuba (Matanzas and Santa Clara provinces). Index map locates this section of Cuba within the 8-map series.

Drawn by C.H. Ourand

1898 Military Map of the Island of Cuba. edited by Drawn by C.H. Ourand, U.S. War Department, Military Information Division, [Washington, D.C.].

Keywords: Cuba /Spanish-American War.

Call Number: 1674e

Notes: Julius Bien & Co. Photo. Lith.; Cuba Sheet No. 4.

Abstract: Shows towns, provincial capitals, provincial boundaries, roads, railroads, and landforms in the fourth westernmost part of Cuba (Santa Clara province). Index map locates this section of Cuba within the 8-map series.

Drawn by C.H. Ourand

1898 Military Map of the Island of Cuba. edited by Drawn by C.H. Ourand, U.S. War Department, Military Information Division, [Washington, D.C.].

Keywords: Cuba /Spanish-American War.

Call Number: 1674d

Notes: Julius Bien & Co. Photo. Lith.; Cuba Sheet No. 5.

Abstract: Shows towns, provincial capitals, provincial boundaries, roads, railroads, and landforms in the fourth easternmost part of Cuba (Puerto Príncipe province). Index map locates this section of Cuba within the 8-map series.

Drawn by C.H. Ourand

1898 Military Map of the Island of Cuba. edited by Drawn by C.H. Ourand, U.S. War Department, Military Information Division, [Washington, D.C.].

Keywords: Cuba /Spanish-American War.

Call Number: 1674c

Notes: Julius Bien & Co. Photo. Lith.; Cuba Sheet No. 6.

Abstract: Shows towns, provincial capitals, provincial boundaries, roads, railroads, and landforms in the third easternmost part of Cuba (Santiago de Cuba and Puerto Príncipe provinces). Index map locates this section of Cuba within the 8-map series.

Drawn by C.H. Ourand

1898 Military Map of the Island of Cuba. edited by Drawn by C.H. Ourand, U.S. War Department, Military Information Division, [Washington, D.C.].

Keywords: Cuba /Spanish-American War.

Call Number: 1674b

Notes: Julius Bien & Co. Photo. Lith.; Cuba Sheet No. 7.

Abstract: Shows towns, provincial capitals, provincial boundaries, roads, railroads, and landforms in the second easternmost part of Cuba (Santiago de Cuba province). Index map locates this section of Cuba within the 8-map series.

Drawn by C.H. Ourand

1898 Military Map of the Island of Cuba. edited by Drawn by C.H. Ourand, U.S. War Department, Military Information Division, [Washington, D.C.].

Keywords: Cuba /Spanish-American War.

Call Number: 1674a

Notes: Julius Bien & Co. Photo. Lith.; Cuba Sheet No. 8.

Abstract: Shows towns, provincial capitals, provincial boundaries, roads, railroads, and landforms in the easternmost part of Cuba (Santiago de Cuba province). Index map locates this section of Cuba within the 8-map series.

J.R. Bartlett, C. U. S. N. H. t. t. B. o. N.

1886 West Indies: Island of Cuba: Cape San Antonio to Longitude 76 West with adjacent part of Great Bahama Bank / Eastern Part of Bahama Islands with part of Cuba and North Coast of Santo Domingo. edited by J.R. Bartlett, C. U. S. N. H. t. t. B. o. N., Hydrographic Office, Navy Department, Washington, D.C.

Keywords: Cuba /West Indies /Navigation Charts.

Call Number: 1673

Notes: Drawn by Chas. Mahon; Engraved by H.C. Evans.

Abstract: Two attached navigation charts of waters surrounding Cuba and areas to the east (nos. 946, 947 of a series), indicating soundings in fathoms and heights in feet.

Ysarti, A.

1682 Nova Delineatio S. Didaci Provinciae in Nova Hispania. Provincia de S. Diego de Mexico en la nueva España tiene 14 conventos y desde el... Oaxaca que esta en 17 gras. ael lesueste Hasta el de Aguas calientes, que esta en 22 al Norueste, ay de distancia 160 leguas Porel oriente... con el Obispado de la Puebla y Oaxaca, por el poniente con el Obispado de Michoacan y Guadalajara. Por Norte y Sur Con el Arzobispado de Mexico. edited by Ysarti, A., Mexico.

Keywords: Mexico.

Call Number: 1672

Notes: Purchased from W. Graham Arader, agent, 12/3/82, for \$150.00.

Abstract: Beautiful engraved map shows the territory of the Franciscan Order of San Diego de Mexico, 1682.

18th century? West Indies Drawn and Engraved from the best Maps and Charts.

Keywords: West Indies /Mexico /New Spain /Central America.

Call Number: 1671

Abstract: Detailed map shows West Indies, U.S. gulf coast, Mexico and Central America, and northern South America.

1929? Puerto de Buenos Aires. Ministerio de Obras Públicas / Dirección General de Navegación y Puertos, Buenos Aires.

Keywords: Buenos Aires /Port.

Call Number: 1670

Notes: "Publicado por Comisión de Tráfico y Comunicaciones / Cámara de Comercio de los Estados Unidos de América en Argentina".

Abstract: Detailed plan of the port of Buenos Aires, showing docks and canals, railroad terminuses, and surrounding city streets and blocks.

M. Aranda Cruz

1930? Carta General del Estado de Oaxaca. edited by M. Aranda Cruz, Oaxaca?

Keywords: Oaxaca (state).

Call Number: 1669

Notes: 3 copies, including one copy showing image in reverse.

Abstract: Shows cities, towns, roads, railroads. Indicates communities with schools and communities lacking schools, and classifies the schools by type.

Approaches and Entrance to Santiago Harbor, Cuba. Norris Peters Co., Photo-Litho, Washington, D.C.

Keywords: Santiago /Harbor.

Call Number: 1668

Abstract: Shows the approaches and entrance to Santiago harbor, extending 6,000 yards away from the harbor entrance in both directions along the shore, and extending 12,000 yards out to sea. Shows major landmarks in the harbor entrance. The circles in dash lines are drawn every 1,000 yards from Morro Castle light as center.

18th century? A New & Correct Map of the West Indies Drawn from the best Authorities. London?

Keywords: West Indies /Central America.

Call Number: 1667

Abstract: Shows the West Indies, Central America (labelled as part of New Spain), northern South America, and eastern Mexico and southern United States.

1775 Chart, containing the Coasts of California, New Albion, and Russian Discoveries to the North; with the Peninsula of Kamtschatka, in Asia, opposite thereto; and Islands, dispersed over the Pacific Ocean, to the North of the Line / North America and the West Indies, with the opposite Coasts of Europe and Africa. R. Sayer & J. Bennett, London.

Keywords: West Indies /Mexico /California.

Call Number: 1666

Notes: Acquired 1951 - J. Bennett Nolan.

Abstract: Two attached maps, one showing the north Pacific Ocean and western North America, and the other showing the north Atlantic Ocean, Caribbean Sea, eastern North America, Mexico, Central America and northern South America. Shows the routes of famous sea voyages. Landforms are outlined in green. Includes charts of astronomical observations and sailing distances between major landmarks.

Jean Covens et Corneille Mortier

1700 Archipelague du Mexique ou sont les Isles de Cybam Espagnole, Iamaïque, &c.  
edited by Jean Covens et Corneille Mortier, Amsterdam.

Keywords: West Indies.

Call Number: 1665

Notes: Across top: "Teatre de la Guerre en Amerique telle qu'elle est á present possedée par les Espagnols, Anglois, François, et Hollandois, &c.

Abstract: Shows routes of fleet treasure galleons in N. South America; Central America; Mexico; S. United States; Caribbean; Gulf of Mexico. Very decorative cartouches; engraving of ships landing, Indians, treasure, etc. Insets: Plans of Vera Cruz; Havana; Baye de Porto Bello; Isthmus of Panama (shows part of NW Columbia).

N. de Fer

1715 L'Isle St. Domingue ou Espagnole. Decouverte en 1492, par les Espagnols. Dressée sur les memoires de deffunt Mr. de Cussy qui Commandoit dans la partie de l'Isle que les François possèdent. edited by N. de Fer, Chez l'auteur dans l'Isle du Palais sur le Quay de l'orloge a la Sphere Royale, Paris.

Keywords: Hispaniola /Haiti /Dominican Republic /Saint Domingue.

Call Number: 1664

Notes: may be part of Levis and Weaver atlas (#616).

Abstract: Shows towns, landmarks, natural features of the island. Attached page, "Description de l'Isle St. Domingue," includes a brief text on the island's geography.

N. de Fer

1705 Les Isles de L'Amerique connues sous le nom d'Antilles, our sont les Isles de Cuba, St. Domingue et Jamaïque les Lucayes, les Caribes, et celles du Vent. edited by N. de Fer, Chez l'Auteur dans l'Isle du Palais a la Sphere Royale, Paris.

Keywords: Caribbean /Gulf of Mexico /Cuba /Hispaniola /Antilles.

Call Number: 1663

Notes: "avec privilege du roy"; may be part of Levis and Weaver atlas (#616).

Abstract: Shows Cuba, Hispaniola, Porto Rico and the Lesser Antilles, as well as the Bahamas, south tip of Florida, parts of Yucatan, Honduras and Terre Ferme.

1782 A Draught of the Harbours of Port Royal and Kingston, in Jamaica, with the fortifications correctly laid down; also all the keys and shoals adjacent. J. Bew, London.

Keywords: Port Royal /Kingston /Jamaica.

Call Number: 1662

Notes: In The Political Magazine, v.3, Feb. 1782. "Published as the Act directs"; identified in Phillips (LAL Rare 016.912U58li).

Abstract: Shows roads, towns, harbors, reefs, and soundings in fathoms.

1782 An Accurate Map of the Island of St. Christophers, from an actual survey; shewing the parishes, churches, and rivers; Also the bays, rocks, shoals, and soundings, that surround the whole. J. Bew, London.

Keywords: St. Christophers.

Call Number: 1661

Notes: "Published as the Act directs".

Abstract: Shows towns, landmarks, soundings in fathoms.

1782 A New and Exact Map of the Island of Antigua in America, according to an Actual and Accurate Survey, with the different Parishes, the Churches, Divisions, Boundaries; and a Plan of English Harbour. J. Bew, London.

Keywords: Antigua.

Call Number: 1660

Notes: In The Political Magazine, v.3, Jan. 1782. "Published as the Act directs"; identified in Phillips (LAL Rare 016.912U58li).

Abstract: Shows towns, hills, harbors, landmarks, administrative parishes, and soundings in fathoms.

Map of the American Colonies Surrounding La Gloria Province of Puerto Principe Cuba. C.S. Hammond & Co., New York.

Keywords: La Gloria.

Call Number: 1659

Abstract: Shows numbered tracts of land surrounding the city of La Gloria, Cuba. Tracts are located in areas labelled as Las Mercedes, San Lorenzo or Viaro, and San Agustin.

1910 Plan of the City of Buenos Aires Capital of the Argentine Republic with the general delineation of squares. Department of Public Works of the Municipality, Buenos Aires.

Keywords: Buenos Aires.

Call Number: 1658

Abstract: Shows the plan of the city of Buenos Aires, including streets and landmarks.

Wm. M. Gabb, g. i. c.

1872 Geological Map of the Republic of Santo Domingo. edited by Wm. M. Gabb, g. i. c..

Keywords: Dominican Republic.

Call Number: 1657

Notes: Prepared and published by order of His Excellency Buenaventura Baez, President of the Republic. Part of the Province of Axua and all of Hayti copied from the Map of Sir Robert Schomoburgh.

Abstract: Shows geological formations, roads, towns in the Republic of Santo Domingo. Includes cross-sections of the Cibao Valley, Monte Cristi Range, Samana, Main Range and south side of the island.

Thomas Jefferys, G. t. H. M.

1775 The Bay of Honduras. edited by Thomas Jefferys, G. t. H. M., Printed for Robt. Sayer, Map and Printseller., London.

Keywords: Honduras /Guatemala /Belize.

Call Number: 1656

Abstract: Shows the countries granted to the logwood-cutters by the late Treaty of Peace; and the English Settlement of Black-River on the Mosquito-Shore (north coast of Honduras west to the Río Dulce of modern Guatemala and north to Ambergreese Key of modern Belize.).

1763 A New & Accurate Map of the Seat of the late War in the West Indies with a Plan of the City and Harbour of Havannah. London?

Keywords: Havana.

Call Number: 1655

Abstract: Small map (9"x3") shows Cuba, Jamaica, Hispaniola, Porto Rico, Leeward and Windward Islands, Iucatan, Guatemala, Honduras, Nicaragua, and Sta. Martha (Colombia). A second small map (9"x4") shows the city and harbor of Havana, including major landmarks and buildings.

1820s Carte Géographique, Statistique et Historique de Guatimala. Paris.

Keywords: Guatemala /Chiapas /Nicaragua /Honduras /El Salvador /Costa Rica /Panama /Belize.

Call Number: 1654

Notes: Gravé par B. de Beaupré; écrit par Arnoul; fonderie et imprimerie de J. Carez.

[Taken from an atlas?].

Abstract: Shows the Republic of Guatemala from modern Costa Rica on the south to the modern Mexican State of Chiapas on the north. Territory shown as part of Guatemala is shaded in green, but excludes the Colombian province of Panama. The Mosquito region of the Atlantic coast is shaded in orange, and the "Colonie Anglaise de Balize" is shaded in pink. Includes an extensive text, "Guatimala, ou Provinces-Unies de l'Amerique Centrale," including geographic, political, economic and statistical information; and two text appendices on the attached second page (including a French translation of the Guatemalan constitution).

1701 Passage par Terre a la Californie Decouvert par le Rev. Pere Jesuite Eusebe-François Kino depuis 1698 jusqu'a 1701 ou l'on voit encore les Nouvelles Missions des PP. de la Compagne. de Jesus. Cutganes?, France?

Keywords: California /Mexico.

Call Number: 1653

Notes: Gravée par Inselin (?).

Abstract: Shows land area surrounding the northern end of the Gulf of California ("Mer de la Californie") including the land passage to California discovered by Father Kino between 1698 and 1701.

1860? Mexico, Central America, & West Indies. Blackie & Son, Edinburgh.

Keywords: Mexico /Central America /West Indies.

Call Number: 1652

Notes: Acquired from Prints Old & Rare, Pacifica, California, 8/97.

Abstract: Color map shows national boundaries, Mexican state boundaries, and main cities and landmarks.

1850s? Isthmus of Nicaragua. C.B. Graham's Litho., Washington.

Keywords: Nicaragua /Canal.

Call Number: 1651

Notes: Acquired from Prints Old & Rare, Pacifica, California, 8/97.

Abstract: Shows lakes, rivers and towns. It is believed that this map was produced to show the proposed route of the Isthmian Canal planned for Nicaragua.

J.W. Lowry

1850? Mexico. edited by J.W. Lowry, Blackie & Son, London.

Keywords: Mexico.

Call Number: 1650

Notes: Acquired from Prints Old & Rare, Pacifica, California, 8/97.

Abstract: Color map shows state boundaries, roads, towns and landmarks.

1996? Puerto Rico / San Juan: Fastmap. H.M. Gousha / A Division of Simon & Schuster.

Keywords: Puerto Rico /San Juan.

Call Number: 1649

Notes: Sold under license from Wood-Howard Products, San Francisco.

Abstract: Color map, encased in plastic, shows roads, towns, landmarks. Includes index to cities and towns. Includes small insets of Isla Culebra and Isla Vieques. On reverse: Map of San Juan (1 cm.=approx. 0.29 km.) shows streets, major buildings and landmarks. Includes street index.

1996 Dominican Republic: Road Map. Berndtson & Berndtson, Ferstenfeldbruck, Germany.

Keywords: Dominican Republic.

Call Number: 1648

Notes: 4th edition.

Abstract: Color map, encased in plastic, shows towns, roads, and landmarks. Includes placename index and chart of mean daily maximum temperatures, mean humidity in percentages, sunshine duration (hours per day) and precipitation (in mm). On reverse:

Smaller maps of Santiago (1:17,500), Santo Domingo (1:22,500) Puerto Plata (1:20,000), Colonial Santo Domingo (1:10,000), Santo Domingo and environs, and Puerto Plata and environs, including street or placename indexes.

1996 Costa Rica: Road Map. Berndtson & Berndtson, Ferstenfeldbruck, Germany.

Keywords: Costa Rica /San José.

Call Number: 1647

Notes: 3rd edition.

Abstract: Color map, encased in plastic, shows towns, roads, and landmarks. Includes placename index and chart of mean daily maximum temperatures, mean humidity in percentages, sunshine duration (hours per day) and precipitation (in mm). On reverse: 11 x 9" maps of San José (1:20,000) and the Meseta Central (1:300,000), both including street or placename indexes.

1966 Costa Rica / Mapa Fisico-Politico. Instituto Geografico de Costa Rica / Servicio Geodesico Interamericano, San Jose?

Keywords: Costa Rica.

Call Number: 1646

Abstract: Shows towns, roads, other geographic features, and topographic contour lines. Color shaded to indicate elevation. Includes inset of the Zona Central (1:250,000). See also map #2038 (1979 edition).

1980 Mapa de Capacidad Productiva de la Tierra. Secretaría General del Consejo Nacional de Planificación Económica; Instituto Nacional Forestal; Instituto Geográfico Nacional, [Guatemala].

Keywords: Guatemala /Land.

Call Number: 1645

Notes: Acquired from Libros Centroamericanos, 1977; "Elaborado con el apoyo técnico del PNUD y el Departamento de Cooperación Técnica para el Desarrollo de NACIONES UNIDAS".

Abstract: Shows regional classifications of land use in the northwest sector of Guatemala. One of a series of four maps (#1642-1645).

1980 Mapa de Capacidad Productiva de la Tierra. Secretaría General del Consejo Nacional de Planificación Económica; Instituto Nacional Forestal; Instituto Geográfico Nacional, [Guatemala].

Keywords: Guatemala /Land.

Call Number: 1644

Notes: Acquired from Libros Centroamericanos, 1977; "Elaborado con el apoyo técnico del PNUD y el Departamento de Cooperación Técnica para el Desarrollo de NACIONES UNIDAS".

Abstract: Shows regional classifications of land use in the northwest sector of Guatemala. One of a series of four maps (#1642-1645). Includes the key to color classifications of the eight land use categories.

1980 Mapa de Capacidad Productiva de la Tierra. Secretaría General del Consejo Nacional de Planificación Económica; Instituto Nacional Forestal; Instituto Geográfico Nacional, [Guatemala].

Keywords: Guatemala /Land.

Call Number: 1643

Notes: Acquired from Libros Centroamericanos, 1977; "Elaborado con el apoyo técnico del PNUD y el Departamento de Cooperación Técnica para el Desarrollo de NACIONES UNIDAS".

Abstract: Shows regional classifications of land use in the southwest sector of Guatemala. One of a series of four maps (#1642-1645).

1980 Mapa de Capacidad Productiva de la Tierra. Secretaría General del Consejo Nacional de Planificación Económica; Instituto Nacional Forestal; Instituto Geográfico Nacional, [Guatemala].

Keywords: Guatemala /Land.

Call Number: 1642

Notes: Acquired from Libros Centroamericanos, 1977; "Elaborado con el apoyo técnico del PNUD y el Departamento de Cooperación Técnica para el Desarrollo de NACIONES UNIDAS".

Abstract: Shows regional classification of land use in the southeast sector of Guatemala. One of a series of four maps (#1642-1645).

Jamaica.

Keywords: Jamaica.

Call Number: 1641

Notes: T. Clerk, sc.

Abstract: Shows cities, towns, roads, geographical features. Includes colored outlines (pink). Insets: Harbour of Bluefields; Harbours of Kingston and Port Royal (16x20.5 cm.).

Map of the Island of Jamaica.

Keywords: Jamaica.

Call Number: 1640

Notes: Taken from an atlas, p. 352-3.

Abstract: Shows cities, towns, roads, provincial boundaries, geographical features.

Special American Navy Supplement Map of Cuba.

Keywords: Cuba.

Call Number: 1639

Notes: Navy Edition of the Scientific American Supplement, No. 1165.

Abstract: Color map shows provincial boundaries, elevation contours, roads, railroads, placenames. Includes insets of Caribbean area, Havana, and Porto Rico.

Brazil.

Keywords: Brazil.

Call Number: 1638

Notes: Taken from an atlas, p. 366-7.

Abstract: Color map shows national and state boundaries, towns, rivers, roads. Excludes part of the western Brazilian Amazon.

Venezuela, Colombia, Ecuador / British, Dutch and French Guiana.

Keywords: Colombia /Venezuela /Ecuador /Panama.

Call Number: 1637

Notes: Taken from an atlas, p. 370-1.

Abstract: Color map shows towns, rivers, mountains, national boundaries. Panama is shown as part of Colombia. Also shows a large part of the Brazilian Amazon. Includes inset of Galapagos Islands.

1903 Mexico. George F. Cram, Chicago.

Keywords: Mexico.

Call Number: 1636

Abstract: Shows towns, railroads, roads, state and national boundaries; and index to placenames on reverse.

Official Map of Cuba. George F. Cram, Chicago.

Keywords: Cuba.

Call Number: 1635

Notes: Taken from an Atlas, p. 494-5.

Abstract: Shows provincial boundaries, towns and roads. Includes inset of the province of Havana; and index on reverse.

Caraibische Inseln.

Keywords: West Indies (eastern).

Call Number: 1634

Abstract: Old mounted map shows the islands of the eastern West Indies.

1835 The British Islands in the West Indies. Baldwin & Cradock, London.

Keywords: British West Indies.

Call Number: 1633

Notes: Published under the Superintendence of the Society for the Diffusion of Useful Knowledge. Engraved by J & C Walker.

Abstract: Series of 14 small maps of the British islands in the West Indies, including the Jamaica, Virgin Islands, Grenadines, Grenada, Trinidad, New Providence, Grand Cayman, Anguila, Roatan, Dominica, Tobago, St. Vincent, Barbadoes, St. Lucie, and the Leeward Islands.

1851 Mapa de los Estados Unidos Mejicanos, Arreglado a la distribucion que en diversos decretos ha hecho del territorio el Congreso General Mejicano. Rosa, Paris.

Keywords: Mexico.

Call Number: 1632

Notes: Also see map #34.

Abstract: Color maps shows state and national boundaries, towns, geographical features. Includes inset: "Mapa de los Caminos de Vera Cruz y Alvarado a Mejico".

1963 Status of Soil Mapping of OAS Member Countries. Northern South America. Inter-American Committee for Agricultural Development.

Keywords: South America (northern) /Soil.

Call Number: 1631

Notes: Compiled and drafted by the Unit of Engineering and Natural Resources, Department of Economic Affairs, Pan American Union. Preliminary edition based on compilation sources available as of Dec., 1962.

Abstract: Shows areas where soil mapping has been conducted in Venezuela, Colombia, Ecuador, Peru, Bolivia, and northern Brazil. Shading indicates the size of maps that are available for various areas.

Blaeuw, G.

Nova Hispania et Nova Galicia. edited by Blaeuw, G..

Keywords: Mexico.

Call Number: 1630

Notes: From Dutch atlas.

Abstract: Shows western New Spain and New Galicia, including Mexico City to the coast coast, extending north to Guadalajara and Mechoacan.

Robert de Vaugondy

1705 Amerique Septentrionale, dressée sur les Relations les plus modernes des Voyageurs et Navigateurs, et divisée suivant les différentes possessions des Européens. edited by Robert de Vaugondy, Paris.

Keywords: North America /Central America /Caribbean.

Call Number: 1629

Abstract: Shows geographical features and political boundaries.

Edmonde Mentelle (1730-1815)?

Carte de l'Isle de Cuba et des Isles Lucayes. edited by Edmonde Mentelle (1730-1815)?, Paris?

Keywords: Cuba.

Call Number: 1628

Notes: Also see Map #616e.

Abstract: Shows towns and geographical features on the island of Cuba and in the "Isles Lucayes" - the Bahamas. Also shows the Florida Keys and the southern tip of Florida.

19?? Cuba, Jamaica and San Domingo.

Keywords: Cuba /Jamaica /Haiti /Dominican Republic.

Call Number: 1627

Notes: Taken from an Atlas, p. 340-1.

Abstract: Shows towns, provincial boundaries and other geographical features of Cuba, Jamaica, Haiti and San Domingo. Includes inset of the city of Habana (6 x 6").

19?? Map of Porto Rico. George F. Cram, Chicago.

Keywords: Puerto Rico.

Call Number: 1626

Notes: Taken from an Atlas, p. 442-3.

Abstract: Color map shows towns, roads, provincial boundaries in Puerto Rico. Includes insets of Crab and Culebra Islands and of San Juan, city and harbor. On reverse: index to Map of Porto Rico Territory.

John Cary

1821 A New Map of the West India Isles, from the latest authorities. edited by John Cary, London.

Keywords: West Indies /Caribbean /Central America.

Call Number: 1625

Abstract: Color map shows rivers, towns, and national boundaries in the West Indies, Central America, southeast United States, and northern South America.

John Cary

1807 A New Map of South America, from the latest authorities. edited by John Cary, London.

Keywords: South America (northern) /West Indies.

Call Number: 1624

Abstract: Color map shows rivers, mountains, towns, national boundaries in the northern half of South America and the West Indies, up to eastern Cuba.

1853 Plano Pintoresco de la Habana con los numeros de las casas. B. May y Ca., Havana.

Keywords: Havana.

Call Number: 1623

Notes: Map goes with LAL Rare 972.91A345 ("Album Pintoresco de la Isla de Cuba").

Abstract: Map (14"x10"), showing streets, landmarks and house numbers, is centered on the page and surrounded by magnificent engravings of historical scenes and public buildings in Havana.

185? Mapa Historico Pintoresco Moderno de la Isla de Cuba. Havana.

Keywords: Cuba.

Call Number: 1622

Notes: Map goes with LAL Rare 972.91A345 ("Album Pintoresco de la Isla de Cuba").

Abstract: Map (14"x10"), showing towns, ports, railroads and roads, including a table of distances between towns, is centered on the page and surrounded by magnificent engravings of historical scenes and public buildings in Cuba.

N. de Fer

1700 Cette carte de California et du Nouveau Mexique, est tirée de celle qui a été envoyée par un grand d'Espagne pour être communiquée à Mrs. de l'Académie Royale des Sciences. edited by N. de Fer, Paris.

Keywords: California (lower) /New Mexico /Mexico (northern).

Call Number: 1621

Notes: "Avec privilege du Roy"; from N. de Fer, L'atlas..(Paris, chez l'auteur, 170?). Also see Lowery, Descriptive List of Maps, p. 213.

Abstract: Shows coastlines, rivers, indian tribes and towns of the island of California, as well as northern and western Mexico down to Mexico City, including Gran Quivira and Nuevo Mexico. Includes an index of placenames.

1924 Pilot Chart of the Central American Waters. Hydrographic Office, Department of the Navy, Washington, D.C.

Keywords: Central America /Pilot Chart.

Call Number: 1620

Abstract: Shows derelicts and wrecks, drifting buoys, radio stations, magnetic variation, ocean currents, and prevailing winds and calms in the waters surrounding Central America, including the entire Gulf of Mexico and Caribbean Sea, and parts of the Pacific and Atlantic Oceans.

1952 Caminos de Mexico / Mapas Pemex.

Keywords: Mexico.

Call Number: 1619

Abstract: Foldout contains small maps of highway routes, including Mexico-Guadalajara-Mazatlan and Mexico-Durango (12"x9"). Includes Mexico a Puertos del Golfo; Mexico-Cd. Victoria; and Cd. Victoria-N. Laredo, Matamoros-Reynosa-Monterrey-Salttillo and Saltillo-Piedras Negras (all 8" x 9"); and Mazatlan-Nogales; Durango-Cd. Juarez and Torreon-Durango; Mexico-Oaxaca; Oaxaca-Cd. Cuauhtemoc; Tuxtla-Gutierrez-Merida; Mexico-Acapulco (all 4"x9").

Tikal: A Map of the Central Portion of a Famous Maya Ruin in the Lowlands of Guatemala.

Keywords: Tikal.

Call Number: 1618

Notes: Received by LAL in Fall 1977.

Abstract: Shows principal ruins, roads, and trails at the Tikal site. On reverse: Brief text by Froelich Rainey, director of the University Museum, on the University of Pennsylvania's excavation and restoration project at Tikal.

Prof. Orville A. Derby

1884 Geological Map of the Coffee-Area of Central Brazil. edited by Prof. Orville A. Derby.

Keywords: Brazil /Coffee /Geology.

Call Number: 1617

Abstract: Color-coded map shows the geologic composition of coffee-growing areas in Minas Geraes, Rio de Janeiro, and Sao Paulo provinces, with railways and projected railway routes.

1901 Geologische Karte der Alta Verapaz; nach eigenen Aufnahmen aus den Jahren 1899-1900 entworfen von Dr. Karl Sapper. L. Friederichsen & Co., Hamburg, Germany.

Keywords: Alta Verapaz /Guatemala.

Call Number: 1616

Notes: Originally an insert in a book: Die Alta Verapaz (Guatemala). Eine landeskunliche skizze mit funf originalkarten, by Karl Sapper (LAL Rare 910.6G3452 v.17). Printer(?): Geograph. Anstalt von Wagner & Debes, Leipzig.

Abstract: Geological map of Alta Verapaz shows the geological composition the terrain. Also shows towns, roads and landmarks.

C.F. Van Delden Laerne

1884 Map of the Coffee-Area of Central Brazil. edited by C.F. Van Delden Laerne.

Keywords: Brazil /Coffee.

Call Number: 1615

Abstract: Shows the range and topography of coffee-growing areas in Minas Geraes, Rio de Janeiro, and Sao Paulo provinces, with railways and projected railway routes, and. a longitudinal profile of the railway from Santos to Sao Paulo and Jundiahy.

Mapa Superior Hammond de América Latina.

Keywords: Latin America.

Call Number: 1614

Abstract: Color map mounted on cardboard shows latitude and longitude, national boundaries and major cities and rivers in Latin America and the Caribbean. Includes insets of the metropolitan areas of Rio de Janeiro, Buenos Aires and Santiago de Chile.

1906 Registro Grafico de las Propiedades Rurales de Avellaneda y sus Alrededores. Casa Jacobo Peuser, Avellanada.

Keywords: Avellaneda.

Call Number: 1613

Abstract: Color map shows rural properties in the area surrounding the city of Avellaneda, Argentina, including Lomas de Zamora, Bernal and Barracas al Norte. Shows roads and landmarks.

Herndon's Valley of the Amazon Maps. Part I.

Keywords: Amazon /Brazil /Peru.

Call Number: 1612

Abstract: Published booklet includes 60 x 26" foldout, "Map of the Rivers Huallaga, Ucayan & Amazon from the Observations of Luet W. L. Herndon, U.S.N." (drawn by John Tyssowski), tracing the route of the rivers from the Peruvian Andes through Brazil to the Atlantic Ocean; and the smaller foldouts, "Plan del curso de los Rios Huallaga y Ucayali y de la pampa del Sacramento...corregido y añadido en 1830" (Peru); "Map of the Valley of the Amazon to Accompany Lt. Herndon's Report / Vertical section of route from Callao to Para".

Ernesto Marroquin / Karl Sapper

1901 Karte der Alta Verapaz (Guatemala). edited by Ernesto Marroquin / Karl Sapper, L. Friederichsen & Co., Hamburg, Germany.

Keywords: Alta Verapaz.

Call Number: 1611

Notes: Originally an insert in a book: Die Alta Verapaz (Guatemala). Eine landeskunliche skizze mit funf originalkarten, by Karl Sapper (LAL Rare 910.6G3452 v.17). Printer(?): Geograph. Anstalt von Wagner & Debes, Leipzig. Same map as #224, which is a photostat of this one.

Abstract: Topographical map of Alta Verapaz includes an overlay transparency graphing the location of German landholdings. Also shows towns, roads and landmarks.

Drawn by Gabriel Tatton and Engaved by Benjamin Wright  
The New World 1600. edited by Drawn by Gabriel Tatton and Engaved by Benjamin Wright.

Keywords: Mexico /Honduras /New Mexico /California /Florida.

Call Number: 1610

Notes: "Reproduced by AMERICAN HERITAGE, The Magazine of History, from the original copy in the notable American collection of Thomas W. Streeter, Morristown, N.J. Printed by gravure in Switzerland."

Abstract: Color map shows Nova Hispania, Iucatan, Honduras, Florida, Nova Granada and California as known in the year 1600. On reverse: brief historical commentary.

199? Planta Turística de Salvador. Trieste Ltda., Sao Paulo.

Keywords: Salvador /Brazil.

Call Number: 1609

Abstract: Laminated color map of the city of Salvador, Brazil, showing streets, parks and landmarks. Includes index of neighborhoods and inset map of the city center.

Nelson Gomez E.

1993 Guia Informativa de Quito. edited by Nelson Gomez E., Ediguas C. Ltda., Quito, Ecuador.

Keywords: Quito.

Call Number: 1608

Notes: Con autorizacion del Instituto Geografico Militar. ISBN: 9978890041.

Abstract: Booklet includes 14 foldout maps of the city and surroundings of Quito; and 82 pages of text including indexes of public buildings and principal businesses, city streets, neighborhoods.

Oliver Perrottet

1995 Plano de Lima Metropolitana: Edicion Mini Mural. edited by Oliver Perrottet, Editorial Lima, Lima, Peru.

Keywords: Lima.

Call Number: 1607

Abstract: Large color map shows city streets, neighborhoods, landmarks. Includes indexes of streets, neighborhoods, and principal sites.

199? Santa Fe de Bogota D.C. 1994. Cartur?, Bogota?

Keywords: Bogota.

Call Number: 1606

Notes: "Fuentes de Informacion: Instituto Geografico Agustin Codazzi. Direccion Nacional de Estadistica. Secretaria de Obras Publicas del D.E.".

Abstract: Shows major streets, landmarks, parks, elevations; includes index of principal sites.

[1958] Historical Map of the Life of Simón Bolívar. General Drafting Co., Convent Station, N.J.

Keywords: Simon Bolivar.

Call Number: 1605

Notes: Distributed by Creole Petroleum Corp.

Abstract: Shows Bolivar's major campaigns in northwest South America, between 1813 and 1824. On reverse: smaller map shows the travels of Bolivar between the Americas and Europe and depicts the major events of his life during the years 1799-1830. John Hamilton

1996 "The" Inca Trail: South American Explorers Club, Km 88 to Machu Picchu. edited by John Hamilton, South American Explorers Club, Ithaca, N.Y.

Keywords: Machu Picchu.

Call Number: 1604

Notes: "This map was prepared 11/89 by John Hamilton, from the base map prepared by the South American Explorers Club 1978 and the personal observations of John & Gina Hamilton, summer 1989.".

Abstract: Includes descriptions of km. 88 of the Inca Trail (leaving Machu Picchu in the direction of Cuzco), topographic contour lines, distances, campsites, a "section view" indicating elevation changes, and a Machu Picchu detail map.

Alonso de Santa Cruz

1988 Mexico City med omgivningar. edited by Alonso de Santa Cruz, Uppsala universitetsbibliotek (Uppsala University Library), Uppsala, Sweden.

Keywords: Mexico City /Colonial /16th century.

Call Number: 1603

Notes: Captions in Swedish, English, and Spanish; printed in Sweden by Offset Center AB. Also see LAL Rare Oversize G4414.M6L46 1986; its TULANET record says the original was "probably produced at the Colegio de Santa Cruz de Tlatelolco".

Abstract: Map on parchment of Mexico City and environs, in the year 1555. Hand-drawn in color, showing thoroughfares, buildings, water and wooded areas. Size of the original: 75 x 114 cm.

1991 Ciudad de San Jose. Instituto Geografico Nacional, San Jose, Costa Rica.

Keywords: San Jose, Costa Rica.

Call Number: 1602

Notes: Printed in Costa Rica by Jimenez & Tanzi.

Abstract: Doublesided map shows streets and landmarks of San Jose; includes street index.

199? Honduras: Mapa Turistico de Honduras, C.A. CASMI Publicitaria / Texaco, Tegucigalpa, Honduras.

Keywords: Honduras.

Call Number: 1601

Notes: Printed in Honduras by Sigma Editorial.

Abstract: On reverse: inset maps, tourist information and photographs of Tegucigalpa, San Pedro Sula, La Ceiba, and Choluteca.

1995 National Parks and Other Protected Areas of Costa Rica. Fundacion Neotropica, San Jose, Costa Rica.

Keywords: Costa Rica /Parks.

Call Number: 1600

Abstract: Color map shows cities, geographical features, and national parks and other wilderness areas of Costa Rica. Includes tourist information on each wilderness area, and inset maps of the San Jose metropolitan area. Text in English and Spanish.

1997? Hispaniola / Dominican Republic / Haiti: Hildebrand's Travel Map.

KARTO+GRAFIK, Frankfurt, Germany.

Keywords: Haiti /Dominican Republic /Hispaniola.

Call Number: 1599

Notes: ISBN: 3889892507.

Abstract: Includes city plans of Port-au-Prince, Cap-Haitien, and Santo Domingo; and an index to placenames, tourist information, and a mileage chart.

1995 The Panama Canal, featuring maps, diagrams and a Canal history. Cruise Map Publishing Company, Sonoma, California.

Keywords: Panama Canal.

Call Number: 1598

Notes: Editorial, Maps, Design and Production--Eureka Cartography, Berkeley, California. ISBN: 188791000x.

Abstract: Shows the route of the Panama Canal accross the Isthmus of Panama. Includes a summary of the Canal's history.

199? Plano de Santiago. Informaciones Unidas Para America Latina (INUPAL), Santiago, Chile.

Keywords: Santiago, Chile.

Call Number: 1597

Abstract: Large black and white map shows streets, parks and landmarks of greater Santiago. On reverse: index of placenames and metro stations.

1997? Patagonia y Tierra del Fuego: Mapa Carretero. AUTOMAPA, Buenos Aires.

Keywords: Argentina /Chile.

Call Number: 1596

Abstract: Large color map shows the roads, geographical features and political boundaries of Patagonia and Tierra Fuego, focusing on the Argentine sections but not excluding Chile. Includes tables on population and distances, "Guia Hotelera" and inset maps of "Peninsula Valdes" (1:500,000) and "Parques Nacionales" (1:1,000,000) and Ushuaia, Rio Gallegos, Islas Malvinas, Puerto Madryn, Bariloche, Trelew, and Comodoro Rivadavia. On reverse: "Los Glaciares, Torres Del Paine y Tierra Del Fuego: Mapa Carretero" (1:1,000,000).

1995 Plano de Montevideo. 4ta edicion corregida y actualizada. TEC Asociados, Montevideo, Uruguay.

Keywords: Montevideo.

Call Number: 1595

Notes: Visado por el Servicio Geografico Militar.

Abstract: Large color map shows streets and landmarks of Montevideo. On reverse: streetname index and directory of public buildings.

1997 Mexico. Guatemala / Belize / El Salvador. World-Country Map. American Map Corp. / Langenscheidt Publishing Group, Maspeth, N.Y.

Keywords: Mexico.

Call Number: 1594

Notes: Printed in Germany by RV Reise- und Verkehrsverlag; Kartografie: GeoData. ISBN: 3575332517.

Abstract: Large color map shows cities and geographical features in Mexico, Guatemala, Belize and El Salvador.

1995 Guyane: Carte Touristique. Institut Geographique National, Paris, France.

Keywords: French Guiana.

Call Number: 1593

Notes: 2nd edition.

Abstract: Large color map shows cities and landmarks of French Guiana. Includes inset maps of Cayenne and Kourou, the administrative regions of French Guiana, a chart of small scale maps which are available from the IGN, and an index of placenames.

Mexico City / World-City Map. American Map Corp. / Langenscheidt Publishing Group, Maspeth, N.Y.

Keywords: Mexico City.

Call Number: 1592

Notes: Printed in Germany by RV Reise- und Verkehrsverlag; Kartographie: Geo Data. ISBN: 3575336408.

Abstract: Large color map shows city streets, parks and landmarks in the downtown area. On reverse: street index and directory of principal landmarks.

1995 Argentina, Chile, Paraguay & Uruguay / World Travel Map. Bartholomew, London.

Keywords: Argentina /Chile /Paraguay /Uruguay.

Call Number: 1591

Notes: Printed in Czech Republic by Kartographie Praha. ISBN: 0702821993.

Abstract: Large color map shows major geographical features, roads, state boundaries. Includes inset maps of Buenos Aires, Montevideo, Asuncion, Santiago.

1996? Buenos Aires. AUTOMAPA Editora, Buenos Aires.

Keywords: Buenos Aires.

Call Number: 1590

Notes: Shows streets, parks, and landmarks in the downtown area.

Abstract: Includes streetname index, and inset maps of subterranean train lines and of access routes into the city.

1995 Venezuela, Peru, Ecuador, Colombia & Colombia / World Travel Map.  
Bartholomew, London.

Keywords: Venezuela, Peru, Ecuador, Colombia, Guyana, Surinam.

Call Number: 1589

Notes: Printed in Czech Republic by Kartographie Praha. ISBN: 0702830976.

Abstract: Large color map shows major geographical features, roads, state boundaries.  
Includes inset maps of Lima-Callao, Bogota, Caracas, Quito.

1996 Brazil & Bolivia / World Travel Map. Bartholomew, London.

Keywords: Brazil /Bolivia.

Call Number: 1588

Notes: Printed in Czech Republic by Kartographie Praha. ISBN: 0702831263.

Abstract: Large color map shows major geographical features, roads, state boundaries.  
Includes inset maps of La Paz, Rio de Janeiro, Sao Paulo, Brasilia.

Carlos Alberto Goncalves

1936? Brasil, Mappa Economico: recursos-possibilidades. edited by Carlos Alberto  
Goncalves.

Keywords: Brazil.

Call Number: 1587

Abstract: Color map shows agricultural and industrial products of each region of Brazil.

Mexico. Harper and Brothers, New York.

Keywords: Mexico.

Call Number: 1586

Notes: this map shares its call # with a map of Argentine Roadways.  
Abstract: Map of Toltec Migration after the Explorations of Desire Charney.

Estado de Mexico Direccion de Comunicaciones y Obras Publicas.

Keywords: Mexico /State.

Call Number: 1585

Notes: 3 copies, including one copy showing image in reverse.

Abstract: blueprint map of the state of Mexico showing cities and towns, ranches, neighborhoods, and airports.

J.G. Barnard

Plan of that part of the Isthmus of Tehuantepec, between the Jaltepec River and the Pacific Plains; Embracing all of the Engineering difficulties on the route of Survey. edited by J.G. Barnard, Endicott, New York.

Keywords: Mexico/Railways.

Call Number: 1584

Abstract: Proposed and existing railways, ranches, rivers, elevation.

E.P. Mayes

1907 Mapa de la Republica de Honduras. edited by E.P. Mayes, Rand, McNally & Co., New York.

Keywords: Central America/Honduras.

Call Number: 1583

Notes: gift of geology dept., Nov. 1976.

Abstract: Cities and towns, roads, railways, rivers, mountain ranges, provinces, Caribbean Ocean, Fonseca Bay.

1957 Republica de Colombia, Departamento de Santander, Bucaramanga.

Keywords: South America/Colombia/Bucaramanga.

Call Number: 1582

Abstract: a very detailed map showing roads and streets, parks, airports, railways, rivers, and elevations.

1958 Republica de Colombia, Departamento del Valle, Cali.

Keywords: South America /Colombia /Cali.

Call Number: 1581

Abstract: Detailed map of the city showing the streets and roads, parks, rivers, lakes, railways, and elevations.

1955 Republica de Colombia Departamento de Antioquia, Medellin Carta General.

Keywords: South America/Colombia/Medellin.

Call Number: 1580

Notes: copy on file.

Abstract: cities and towns, rivers, and elevations.

1952 Republica de Colombia Carta General Plancha Bogota.

Keywords: South America/Colombia/Bogota.

Call Number: 1579

Abstract: map showing cities and towns, rivers, and elevations.

[Yucatan peninsula, central america, west indies].

Keywords: Mexico/Central America/Cuba/West Indies/United States.

Call Number: 1578

Notes: map appears to be an enlargement of a section from another map.

Abstract: Yucatan peninsula, central america, west indies, cuba, southern parts of the U.S. Shows territorial possession. Color.

Lieut. Samuel Phillips Lee

1952 Track of the U.S. Surveying Brig Dolphin. edited by Lieut. Samuel Phillips Lee, D. Chillas, Philadelphia.

Keywords: Atlantic Ocean/volcanoes.

Call Number: 1577

Abstract: map showing the volcanic regions in the Atlantic ocean between Africa, Brazil, and parts of the Caribbean.

1910 Rand, McNally & Co's indexed pocket map and shipper's guide of Mexico...showing in detail the entire railroad system, 1910. Rand, McNally & Co., Chicago and New York.

Keywords: Mexico/Railroads.

Call Number: 1576

Notes: map not previously entered. Includes booklet.

Abstract: Color map of Mexico showing the railway systems. Inset: State of Mexico and surrounding country (enlarged).

Ministerio de Obras Publicas

1909 Mapa de los Ferro Carriles de la Republica de Argentina Enero de 1909. edited by Ministerio de Obras Publicas.

Keywords: South America/Argentina/Railways.

Call Number: 1575

Notes: This map has not been previously recorded.

Abstract: Cities and towns, railways, rivers, and provinces.

1994 La ciudad de Puebla.

Keywords: Puebla (city).

Call Number: 1574

Notes: Map goes with a book on Puebla: LAL F1391.P9L67 1994.

Abstract: Shows main downtown streets and landmarks, focusing on the city's colonial heritage. On reverse: list of hotels in Puebla, sketch map of Puebla and approaches, and a distance table between major Mexican cities.

Compilado por A. Goubaud Carrera y A. Arriaga. Dibujó: Julia Roltmann

1946 Mapa de las Lenguas Indígenas Actuales de Guatemala. edited by Compilado por A. Goubaud Carrera y A. Arriaga. Dibujó: Julia Roltmann, Instituto Indigenista Nacional / Ministerio de Educación Pública, [Guatemala].

Keywords: Guatemala /Indians /Languages.

Call Number: 1573

Notes: Pamphlet title:Distribución de las Lenguas Indígenas Actuales de Guatemala.

Abstract: Color-coded map of Guatemala shows the regional distribution of speakers of the main language groups, including subdivisions of Quiche, Mam, Pocomam, Chol, Maya, Caribe, and areas where no indigenous language predominates.

1942 South America. American Geographical Society, New York.

Keywords: South America.

Call Number: 1572

Abstract: Large map shows the southern half of South America, including topography, landmarks, borders, cities, roads.

1942 South America. American Geographical Society, New York.

Keywords: South America.

Call Number: 1571

Abstract: Large map shows the northern half of South America, including topography, landmarks, borders, cities, roads.

1948? Mexico, Central America, and the West Indies. American Geographical Society, New York.

Keywords: Mexico /Central America /West Indies.

Call Number: 1570

Notes: "C.S. Hammond & Co."

Abstract: Large map shows topography, landmarks, borders, cities, roads.

1940 Santiago de Cuba. American Geographical Society, New York.

Keywords: Cuba.

Call Number: 1569

Abstract: Shows the topography and landmarks in the eastern half of Cuba.

1937 Monterrey. American Geographical Society, New York.

Keywords: Nuevo Leon /eastern Mexico.

Call Number: 1568

Abstract: Shows the topography, borders, and landmarks in parts of Nuevo Leon, Coahuila, and Tamaulipas, Mexico. The city of Monterrey is located near the left-center of the map.

1940 Kingston - Port au Prince. American Geographical Society, New York.

Keywords: Jamaica /Haiti.

Call Number: 1567

Abstract: Shows the topography and landmarks in Jamaica, Haiti, and surrounding waters.

1942 Habana. American Geographical Society, New York.

Keywords: Cuba.

Call Number: 1566

Abstract: Shows the topography and landmarks in the western half of Cuba.

1940 Guadalajara. American Geographical Society, New York.

Keywords: Nayarit /Jalisco /western Mexico.

Call Number: 1565

Abstract: Shows the topography, borders, and landmarks in the state of Nayarit, Mexico, and in parts of several adjoining states, including Jalisco, Sinaloa, Aguascalientes, Zacatecas. The city of Guadalajara is located near the bottom of the map.

1933 Culiacan. American Geographical Society, New York.

Keywords: Culiacan (state).

Call Number: 1564

Abstract: Shows the state of Culiacan, Mexico, including topography, landmarks, borders.

1935 Colima. American Geographical Society, New York.

Keywords: Colima (state).

Call Number: 1563

Abstract: Shows the coastal region of the state of Colima, Mexico, including topography, landmarks, borders, cities, roads.

1942 Mexico, Central America, and the West Indies. American Geographical Society, New York.

Keywords: Mexico /Central America /West Indies.

Call Number: 1562

Abstract: Large map shows topography, landmarks, borders, cities, roads.

Eduardo de Habich and Oscar Lopez Aliaga

1902 Perfiles del camino recorrido por el Ing. Eduardo de Habich entre (A) ETEN y PTO. MELENDEZ; (B) Camino de regreso por tierra entre Nazaret y Bagua Chica, 1902.

Reducido a la mitad de la escala del original y dibujado por Oscar Lopez Aliaga. edited by Eduardo de Habich and Oscar Lopez Aliaga, Lit. Tip. Carlos Fabbri, Lima.

Keywords: Eten; Puerto Melendez; Nazaret; Bagua Chica.

Call Number: 1561

Abstract: Shows vertical and horizontal profiles of the route taken by Engineer Eduardo de Habich between A) Eten and Puerto Melendez, Peru; and B) His return route by land between Nazaret and Bagua Chica, 1902, showing towns and landmarks reached.

Reduced to half the original scale and drawn by Oscar Lopez Aliaga.

Eduardo de Habich and Rafael E. Baluarte

1902 Croquis del camino recorrido entre el puerto de Eten, Provincia de Chiclayo y Puerto Melendez en el Rio Marañon. edited by Eduardo de Habich and Rafael E.

Baluarte, Lit.-Tip. C. Fabbri Suc. de Fabbri Hnos., Lima.

Keywords: Peru; Baluarte; López Aliaga; Eten; Melendez.

Call Number: 1560

Abstract: Shows towns, roads, railroads, elevations, etc., along the road between Puerto de Eten, Chiclayo Province, on the Pacific Coast of Peru, northeastward to Puerto Melendez on the Río Marañon.

1996 Kuba - Cuba. Cartographia, Budapest, Hungary.

Keywords: Cuba /Havana.

Call Number: 1559

Notes: ISBN: 9633529344 CM.

Abstract: Shows cities, towns, mountains, roads, provincial boundaries and other landmarks. Includes inset maps of Camaguey, Cienfuegos, La Habana, Playas del Este, Santiago de Cuba, and Varadero. On reverse: Indexes of places in Cuba, and of streets shown in inset maps on reverse side.

1988 Mexico. American Automobile Association, Falls Church, Virginia.

Keywords: Mexico, Central America.

Call Number: 1558

Abstract: Detailed map shows cities, towns, landmarks, major and minor roads and state boundaries; includes large inset of central Mexico, including Puebla, Pachuca, Toluca, and Mexico City. On reverse: 14' x 10' road map of Central America, insets of Monterrey and Acapulco, and downtown Mexico City, and indexes of Mexican cities and towns and Mexico City streets.

1979 Road Map of / Carta de Caminos de Mexico. Rand McNally & Co..

Keywords: Mexico, Central America.

Call Number: 1557

Abstract: Shows main roads, cities, and landmarks, with mileage chart and index of states, cities and towns. On reverse: similar road map of Central America.

Central America: Colonial Administrative Organization 1650 and 1785.

Keywords: Central America/Guatemala/Nicaragua/Belize/Costa Rica/El Salvador/Honduras/Chiapas.

Call Number: 1556

Notes: Both maps are mounted in a board.

Abstract: The two maps depicting colonial administrative organization show how the current nations became slowly defined. They also reveal the extraordinary variety and rather great confusion of administrative and political jurisdiction. Up to about 1650, Central America was a mosaic of administrative units, governing bodies and magistrates (Alcaldías Mayores, Gobiernos, Corregimientos). At the close of the eighteenth century, the situation is simpler thanks to the effects of the regulations governing Quartermasters General (Ordenanzas de Intendentes) of 1785-86.

Early 1500s? The New World Divided between Spain and Portugal.

Keywords: Caribbean/Brazil/Yucatan/Florida.

Call Number: 1555

Notes: Originally part of an unknown atlas.

Abstract: Photostat map shows the Eastern coast of America, with the Caribbean islands as seen in the early sixteenth century. It shows the lines that divided the world between Spain and Portugal (Tordecillas Treaty, 1494).

Antilhas del rei de Castella [descubiertas] per Collombo almirante.

Keywords: Caribbean/Cuba/Dominican Republic/Jamaica.

Call Number: 1554

Notes: Originally part of an unknown book.

Abstract: Map shows the Caribbean islands as they were seen in the early sixteenth century.

J. Arrowsmith

1834 Colombia. Dedicated to Colonel Belford Hinton Wilson, late aid de camp to the Liberator Simon Bolivar, by his obliged servant J. Arrowsmith. edited by J. Arrowsmith, J. Arrowsmith, London.

Keywords: Colombia/Venezuela/Ecuador/British Guayana/South America.

Call Number: 1553

Abstract: Shows latitude/longitude lines, mountains, rivers, international boundaries, and main cities in Colombia, Venezuela, Ecuador, North of Peru, West of Brazil, West of British Guayana, and the East of Panama.

J. Arrowsmith

1834 Peru and Bolivia. edited by J. Arrowsmith, J. Arrowsmith, London.

Keywords: Peru/Bolivia/South America.

Call Number: 1552

Notes: Colored.

Abstract: Shows latitude/longitude lines, mountains, rivers, international boundaries, and main cities in Peru, Bolivia, North Chile and West Brazil.

Theodore de Bry?

1590s? Cartagena de Indias, Columbia. Civitas Carthagera in India Occidentalis... edited by Theodore de Bry?.

Keywords: Colombia/Cartagena.

Call Number: 1551

Notes: Neg. stat.; Latin Cartouches.

Abstract: Shows Cartagena de Indias, Colombia as seen in 1590?

1937 Mapa Lingüístico de Sudamerica Según Krickeberg / Bajo la Dirección de Wigberto Jimenez Moreno Filologo Auxiliar del Museo Nacional / Lo Dibujo Agustín Villagra.

Instituto Panamericano de Geografía e Historia / Museo Nacional / Instituto Mexicano de Investigaciones Lingüísticas.

Keywords: South America /Linguistics.

Call Number: 1550

Abstract: Color-coded map shows the areas of the South American continent inhabited by speakers of various languages, grouped into linguistic families.

Jesse Levine

1982 Un nuevo mundo de comprensión. edited by Jesse Levine, Turnabout Map, San José, Cal. USA.

Keywords: America.

Call Number: 1549

Notes: Map shows the American Continent in an inverted perspective.

Abstract: Map shows international boundaries, main cities.

Guiljelmo Blaeuw

1962 Nova totium Terrarum Orbis Geographica ac Hydrographica Tabula. edited by Guiljelmo Blaeuw, Theatrum Orbis Terrarum., Amsterdam, Netherlands.

Keywords: World.

Call Number: 1548

Abstract: World map from Johan Blaeu's Le Grand Atlas, shows the world as was visualized by scholars in the middle of the seventeenth century. Surrounding decorations symbolize everything thought to have formed the world as it is: the four elements, the four seasons, the Seven Planets, and the Seven Wonders.

C.S. Hammond & Co

1960s? Map of Brazil. edited by C.S. Hammond & Co, Brazilian Government Trade Bureau. Ministry of Foreign Affairs/ C.S. Hammond & Co., New York, USA.

Keywords: Brazil.

Call Number: 1547

Notes: Small inset map of Brazil's location in South America; small inset map of Western part of Brazil. On the reverse includes a list of states and cities, with the approximate population in parenthesis and their location in the map.

Abstract: Map shows latitude/longitude lines, international boundaries, state boundaries, state capitals, national capital, railroads, main cities.

Mapa de Belo Horizonte

City Map. Belo Horizonte.

Keywords: Brazil/Belo Horizonte.

Call Number: 1546

Notes: On the reverse has a list of streets and a guide for city busses.

Abstract: City map shows streets, some main public buildings, and names of neighbours.

Posible Extensión de Mesoamérica en Distintas Epocas.

Keywords: Mexico/Mesoamerica.

Call Number: 1545

Notes: Originally an insert of an unknown book.

Abstract: Map of Mexico showing the probable geographical limits of Mesoamerica in three different periods: classical, toltec, and sixteenth century (according to Kirchhoff). also shows the sites associated to each age.

1914 Rand McNally new commercial atlas map of Mexico. The Mexican situation. Rand-McNally and Company, New York.

Keywords: Mexico.

Call Number: 1544

Abstract: Shows state and international boundaries, U.S. and Mexican military forts and garrisons, and the position of U.S. and Mexican warships stationed off the Pacific and Atlantic coasts. On reverse: The Rand McNally new commercial atlas map of North America. 1912 (colored; 48 x 31cm.). Inset: Lesser Antilles.

1913 Hammond's Railroad Map of Mexico Based on Latest Surveys. C.S. Hammond and Co..

Keywords: Mexico /Revolution /Railroads.

Call Number: 1543

Abstract: Shows state and international boundaries (color coded) and major cities and towns, roads, and landmarks.

1995 Mapa de la República de Honduras. Instituto Geografico Nacional, Secretaría de Comunicaciones, Obras Públicas y Transporte., Tegucigalpa.

Keywords: Honduras.

Call Number: 1542

Notes: Based on the IGN series of 1:50,000 topographic maps.

Abstract: Shows contour elevation lines, international and provincial boundaries, geographic features, coastline, roads and towns. Includes inset (7" x 6"; 1:10,000,000) of Honduras' Caribbean island possessions.

1992 Baracoa, Honduras. Instituto Geografico Nacional, Secretaría de Comunicaciones, Obras Públicas y Transporte., Tegucigalpa.

Keywords: Baracoa/Cortés/Atlántida/Yoro /Honduras.

Call Number: 1541

Notes: Prepared in collaboration with the U.S. Defense Mapping Agency.

Abstract: Topographic map of Baracoa region, Cortés, Atlántida, and Yoro Departments, Honduras. Shows contour elevation lines, landmarks, coastline, roads and towns.

Includes an index of adjacent maps.

1963 Azacualpa de Yamaranguila, Honduras, C.A. Instituto Geografico Nacional, Ministerio de Comunicaciones y Obras Públicas., Tegucigalpa.

Keywords: Azacualpa de Yamaranguila/Departamento de Intibuca/Honduras.

Call Number: 1540

Notes: Prepared in collaboration with the Inter-American Geodetic Survey.

Abstract: Topographic map of Azacualpa de Yamaranguila region, Intibuca Departments, Honduras. Shows contour elevation lines, landmarks, roads and towns. Includes an

index of adjacent maps.

1992 Río Tocoa, Honduras. Instituto Geografico Nacional, Secretaría de Comunicaciones, Obras Públicas y Transporte., Tegucigalpa.

Keywords: Río Tocoa/Departamentos de Colón y Olancho/Honduras.

Call Number: 1539

Notes: Prepared in collaboration with the U.S. Defense Mapping Agency.

Abstract: Topographic map of Río Tocoa region, Colón and Olancho Departments, Honduras. Shows contour elevation lines, landmarks, roads and towns. Includes index of adjacent maps.

1981 La Ceiba, Honduras, C.A. Instituto Geografico Nacional, Ministerio de Comunicaciones, Obras Públicas y Transporte., Tegucigalpa.

Keywords: La Ceiba/Departamento de Atlántida/Honduras.

Call Number: 1538

Abstract: Topographic map of La Ceiba region, Atlántida Department, Honduras. Shows contour elevation lines, landmarks, coastline, roads and towns. Includes index of adjacent maps.

1981 Tela, Honduras, C.A. Instituto Geografico Nacional, Ministerio de Comunicaciones, Obras Públicas y Transporte., Tegucigalpa.

Keywords: Tela/Departamento de Atlántida/Honduras.

Call Number: 1537

Abstract: Topographic map of Tela region, Atlántida Department, Honduras. Shows contour elevation lines, landmarks, coastline, roads and towns. Includes index of adjacent maps.

1980 La Paz, Honduras, C.A. Instituto Geografico Nacional, Ministerio de Comunicaciones, Obras Públicas y Transporte., Tegucigalpa.

Keywords: La Paz/Departamentos de La Paz y Comayagua/Honduras.

Call Number: 1536

Abstract: Topographic map of La Paz region, La Paz and Comayagua Departments, Honduras. Shows contour elevation lines, landmarks, roads and towns. Includes index of adjacent maps.

1970 Santa Rosa de Aguán, Honduras, C.A. Dirección General de Cartografía, Ministerio de Comunicaciones y Obras Públicas., Tegucigalpa.

Keywords: Santa Rosa de Aguán/Departamento de Colón/Honduras.

Call Number: 1535

Notes: Prepared in collaboration with the Inter-American Geodetic Survey.

Abstract: Topographic map of Santa Rosa de Aguán region, Colón Department, Honduras. Shows contour elevation lines, landmarks, coastline, roads and towns. Includes index of adjacent maps.

1985 Mezapa, Honduras, C.A. Instituto Geografico Nacional, Secretaría de Comunicaciones, Obras Públicas y Transporte., Tegucigalpa.

Keywords: Mezapa/Departamentos de Atlántida y Yoro/Honduras.

Call Number: 1534

Abstract: Topographic map of Mezapa region, Atlántida and Yoro Departments, Honduras. Shows contour elevation lines, landmarks, roads and towns. Includes index of adjacent maps.

1993 Santa Fe, Honduras. Instituto Geografico Nacional, Secretaría de Comunicaciones, Obras Públicas y Transporte., Tegucigalpa.

Keywords: Santa Fe/Departamento de Colón/Honduras.

Call Number: 1533

Notes: Prepared in collaboration with the U.S. Defense Mapping Agency.

Abstract: Topographic map of Santa Fe region, Colón Department, Honduras. Shows contour elevation lines, landmarks, roads and towns, and coastline. Includes index of adjacent maps.

1986 Dulce Nombre, Honduras, C.A. Dirección General de Cartografía, Ministerio de Comunicaciones y Obras Públicas., Tegucigalpa.

Keywords: Dulce Nombre/Departamento de Copán/Honduras.

Call Number: 1532

Abstract: Topographic map of Dulce Nombre region, Copán Department, Honduras. Shows contour elevation lines, landmarks, roads and towns. Includes index of adjacent maps.

Hernán Cantillano A.

Costa Rica Magia de la Naturaleza: Mapa Turístico. edited by Hernán Cantillano A., Instituto Costarricense de Turismo, San José.

Keywords: Costa Rica/San Jose.

Call Number: 1531

Abstract: Shows cities, roads, international and provincial boundaries, railroads, airports, ports and landmarks. Color coding indicates altitude. Includes insets of Alajuela, Cartago, Heredia, Liberia, Limón, and Puntarenas. On reverse: Street map of San José (24" x 16"; 1:12,500) shows neighborhoods and landmarks.

1959 Carta Altimetrica. Instituto de Geografia, UNAM., Mexico.

Keywords: Mexico /topography.

Call Number: 1530

Notes: taken from a book: LAL F1219.C44 t.1 copy 2.

Abstract: Shows Mexico, southern U.S., Guatemala, El Salvador, and parts of Honduras and Nicaragua, with color-coded shading to indicate elevation contours, in 5 zones (0 to 200 meters; 200 to 1000; 1000 to 2000; 2000 to 3000; over 3000).

Wellman Chamberlin, C. C.

1968 Archeological Map of Middle America. Land of the Feathered Serpent. edited by Wellman Chamberlin, C. C., National Geographic Society, Washington, D.C.

Keywords: Middle America.

Call Number: 1529

Abstract: Shows archaeological sites of southern Mexico, British Honduras, Guatemala, El Salvador and western Honduras. Includes inset maps of Teotihuacan, Monte Alban, Chichen Itza, and Tikal. On reverse: map index, an archaeological map of the Valley of Mexico and a timeline of Middle America.

United States Geological Survey

1952 Puerto Rico e Islas Limítrofes. edited by United States Geological Survey, Departamento del Interior., Puerto Rico.

Keywords: Puerto Rico.

Call Number: 1528

Notes: Removed from Pico Rafael, Geografía de Puerto Rico, Parte I, Rio Piedras: Editorial Universitaria, 1954.

Abstract: Topographical map of Puerto Rico shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks, roads, provincial borders, main towns and cities. Includes the Isla de Vieques and the Isla de Culebra. Inset map shows senatorial districts.

n.d. West Indies.

Keywords: Caribbean/West Indies/Bahamas/Cuba/Dominican Republic/Haiti/Jamaica/Puerto Rico/Central America.

Call Number: 1527

Notes: The map is divided in two because it was originally part of an unknown book of maps.

Abstract: Maps shows Caribbean islands and Central America, latitude/longitude, rivers, mountains, lakes, harbours, main cities and the routes of several navigation companies.

A.H. Dufour

(After 1822) Archipel Colombien ou des Antilles. edited by A.H. Dufour.

Keywords: Caribbean/Cuba/Haiti/Jamaica/Dominican Republic/Puerto Rico/West Indies.

Call Number: 1526

Notes: Longitude compte du Meridien de Paris.

Abstract: Shows the Caribbean islands, and after the name of each one is the name of the name of the European power which possesses them.

1822 West Indies and Central America.

Keywords: Caribbean/Central America/Yucatan/West Indies.

Call Number: 1525

Notes: Originally an insert of an unknown book.

Abstract: Map shows Caribbean Islands, Yucatan (Mexico), United States of Central America, Costa Rica, South America; main steamer belonging to the US., Great Britain, France, Spain, Germany and Netherlands. Shows latitude/longitude and capital cities of countries and capital cities of colonies, railroads, and telegraph lines.

National Geographic Magazine.

1906 New and Complete Map of Cuba. edited by National Geographic Magazine., Hammond and Co., New York, USA.

Keywords: Cuba.

Call Number: 1524

Notes: Supplement to the National Geographic Magazine, Washington, D.C., October, 1906. On verso includes: a table with the six provinces, their area in square miles and their population according to the 1899 census; and an index of islands, mountains and peaks, rivers, and places. It also indicates railroad stations.

Abstract: Map shows latitude/longitude, mountains, rivers, province boundaries, capital of provinces, railroads, submarine telegraph cable, lighthouses.

1898 Official Map of Cuba. Trumbull White, US?

Keywords: Cuba/Havana.

Call Number: 1523

Notes: Inset map of Havana (city). Also list officers of the Cuban Revolutionary Government. On verso: Map of the World on Mercator's Projection 29 x 45cm.

Colored. Includes some notes and figures about the economic situation of Spain; the geography of Cuba and the Naval power of the US.

Abstract: Maps shows Cuba (including Isla de Pinar), province boundaries, capital cities, large and medium size towns, ports, harbours, longitude/altitude and main roads.

190? West Indies.

Keywords: Caribbean/Cuba/Haiti/Jamaica/Dominican Republic/Puerto Rico/West Indies.

Call Number: 1522

Notes: Includes a note "The West India Islands comprise four principal groups, viz the Bahama or Lucayas Islands, the Great Antilles, the Lesser Antilles and the Caribbean Islands. The latter are divided into the Virgin the Leeward and the Windward. The Bahamas comprise all the Islands situated North of Cuba and Hayti, the Great Antilles are Cuba, Hayti, Jamaica and Porto Rico, the Virgin Islands lie immediately East of Porto Rico, the Leeward group consists of Dominica and the islands North of it, the Windward group consists of Martinico and the islands South of it to Tobago, the Lesser Antilles include Trinidad and the islands which lie along the coast of Venezuela.

Abstract: Maps shows the West Indies, capital cities, and important towns. With color code identifies the possessions of the European Powers. Includes a chart listing such possessions; and asserts that "The island of Hayti is now an Independent Republic".

J & C Walker Sculpt.

1835 The Antilles or West-India Islands. edited by J & C Walker Sculpt., Baldwin and Cradock, London.

Keywords: West Indies/Yucatan/Cuba/Dominican Republic/Puerto Rico/Central America/Caribbean.

Call Number: 1521

Notes: Includes a chart with the territorial extension (in squared miles) and the population of 41 islands, gathered according to the metropolis that controlled them.

Abstract: Map shows bays, capes, harbours, lakes, mountains, ports, pions, rivers, towns and volcanos of the Caribbean islands. It shows also main landmarks of South Florida, Central America, and North of South America.

G.P.Busch (?)

n.d. Antille-Inseln an dem Mexicanischen Meerbusen. edited by G.P.Busch (?), Berolini (?).

Keywords: West Indies/Mexico/Cuba/Dominican Republic/Puerto Rico/Central America/Caribbean/Florida/Caribbean.

Call Number: 1520

Abstract: Maps shows Caribbean, Mexico (Nova Hispania) South of US (Florida, Nova Mexico), Central America and North of South America.

Peter Martyr (Pietro Martiere of Anghiera and Petrus Martyrus)

1511 Peter Martyr Map, 1511 (Reproduction). edited by Peter Martyr (Pietro Martiere of Anghiera and Petrus Martyrus), Peter Martyr.

Keywords: Cuba/Dominican Republic/Haiti/West Indies.

Call Number: 1519

Notes: The map has a page attached with the following note:"This was drawn by a Milanese Italian, Pietro Martiere of Anghiera. He has early become reputed for learning and eloquence, and was invited to the Spanish court, where he met all the celebrities, and probably talked much with Colombus. He was a natural reporter, very curious and fond of writing letters with all the latest news. The map was a wood-cut, probably made for the first or second edition of the Legatio Babilonica, the first of Martyr's famous Decades."

Abstract: Maps shows Gulf of Mexico and the West Indies.

n.d. A plan of the City and Harbour of Havanna, capital of the Island of Cuba.

Keywords: Cuba/Havana.

Call Number: 1518

Abstract: Shows soundings in harbor, walls of city, old roads, location of main public buildings, monasteries.

Rt. Laurie & Js. Whittle.

1801 The West India Islands with the adjacent part of the Spanish continent. edited by Rt. Laurie & Js. Whittle., Jones and Smith, sc., Pentoville, London.

Keywords: West Indies/Mexico/Cuba/Dominican Republic/Puerto Rico/Central America/Caribbean.

Call Number: 1517

Notes: Corners looked burned.

Abstract: Maps shows longitude/latitude, main rivers and some cities of the Caribbean islands, Florida, Central America y North of South America.

West Indies.

Keywords: Bahamas/Caribbean/Cuba/Haiti/Jamaica/Dominican Republic/Puerto Rico/West Indies.

Call Number: 1516

Notes: Originally insert in an unknown book.

Abstract: Maps shows longitude/latitude, main rivers and some cities of the Caribbean islands, Florida, Central America and northern South America.

1769 De Hoofstad en Haven, van't Eiland PORTO RICO, in the West-indien. I. Tirion., Amsterdam.

Keywords: West Indies/Puerto Rico/San Juan.

Call Number: 1515

Notes: In Hedendaagsche historie of tegenwoordige staat van Amerika. Anon. 8o., v.3, p.173. Listed in Phillips, List of Maps of America, p,781.

Abstract: Maps shows forts and ofrtification of San Juan: Castillo del Morro, Castillo de la Perla, Fort Sn. Antonio.

Sr. Robert

1750 Isles de Saint-Domingue on Hispaniola et de Martinique. Par le Sr. Robert, Geographe ord. du Roy, avec privilege. edited by Sr. Robert.

Keywords: Caribbean/Dominican Republic/Haiti/Martinique.

Call Number: 1514

Notes: Inset map shows isle de la Matinique (16 x 19 cm), colored outlines.

Abstract: Shows Haiti and Dominican Republic, rivers, mountains, main harbors. Colored outlines shows the international boundaries.

.  
1948 Bahama Islands. edited by., Directorate of Colonial Surveys D.C.S;  
Photolithographed and Printed by War Office, England?

Keywords: Bahamas/Nassau.

Call Number: 1513

Notes: Includes and inset map showing the location of Bahama Islands regarding the Caribbean. Originally an insert of an unknown book.

Abstract: Shows latitude/longitude, principal roads, and main cities and harbors. Shows North-West of Cuba.

Johann Christoph Weigel (son of Christopher Weigel [1654-1725])

n.d. Insulae Antillae Franciscae Sveriores cum vicinis insulis ex commentariis  
manuscriptis et variis navigantium observationibus, descriptae a Petito Geometra Regio.

Editore Christophoro Weigelio Norib. edited by Johann Christoph Weigel (son of  
Christopher Weigel [1654-1725]), Johann Christoph Weigel.

Keywords: Caribbean/West Indies/Guadeloupe/Dominique/Martinique.

Call Number: 1512

Notes: Two copies. Colored.

Abstract: Shows Islands and its main cities.

Johann Christoph Weigel (son of Christopher Weigel [1654-1725])

n.d. *Insulae Franciscae Inferiores commentariis manuscriptis et variis navigantium observationibus, descriptae a Petito Geometra Regio*. Editore Christophoro Weigelio Noribergae. edited by Johann Christoph Weigel (son of Christopher Weigel [1654-1725]), Johann Christoph Weigel.

Keywords: Grenada/Barbados/Caribbean/St. Vincent/St. Alousie.

Call Number: 1511

Notes: Two copies. Colored.

Abstract: Shows the islands and its main cities.

1807 *Carte Générale du Golfe du Mexique et de L'Archipel des Antilles Dressée pour le service des Vaisseaux Française, sous le Ministère de son Excellence le Vice-Almiral Decres Ministre la Marine et des Colonies, Inspecteur Général des Côtes & c. Dépôt Général de la Marine, Paris.*

Keywords: West Indies /Yucatan /Cuba /Dominican Republic /Puerto Rico /Central America /Caribbean /Nautical Chart.

Call Number: 1510

Notes: Seal of Dépôt Général de la Marine.

Abstract: Map shows Caribbean, Florida, Central America, Gulf of Mexico, and the Northern coast of South America. The longitude is measured using Paris as the starting point. Soundings around shore.

S. Bellin, I. d. I. M. e. d. D. C. R. d. I. d. M. e. d. I. S. R. d. L.

1774 *Carte Réduite du Golphe du Mexique et des Isles de l'Amérique dressée au Deposts des Cartes et Plans de la Marine pour le Service des Vaisseaux du Roy. Par ordre de M. le Duc de Praslin, Ministre de la Marine.* edited by S. Bellin, I. d. I. M. e. d. D. C. R. d. I. d. M. e. d. I. S. R. d. L., Paris.

Keywords: West Indies/Mexico/Cuba/Dominican Republic/Puerto Rico/Central America/Caribbean.

Call Number: 1509

Notes: Uncolored but intended to be colored. Phillips, List of Maps of America, p.1056.  
Seal of Dépôt de la Marine.

Abstract: Map shows Caribbean, Florida, Central America, Gulf of Mexico, and the Northern coast of South America. The longitude is measured using Paris as the starting point. Intended to show the territories controlled by European countries in the Caribbean using color code.

M. Lapie, C. d. M. e. M. L. f. C. a. m. c.

1838 Carte des Antilles, du Golfe du Mexique et d'une partie des états voisins. edited by M. Lapie, C. d. M. e. M. L. f. C. a. m. c., Chez P.C. Lehubey; Imp. Kaepelin et Cie.; Gravé par Tardieu., Paris.

Keywords: West Indies/Yucatan/Cuba/Dominican Republic/Puerto Rico/Central America/Caribbean.

Abstract: Insets of the following Harbors: St.Augustin and its Harbour; La Vera Cruz; Bay & City of Havana; The Bay of Porto Bella; Citty of Cartagena Its Harbour & Forts. Also shows S. US; Mexico, Central America, N.S.America; Florida.

Julio Popper

1883 Mapa de las Líneas de Transporte Tributarias de los Intereses Comerciales de Nueva Orleáns. edited by Julio Popper, Bolsa Mercantil Mexicana Centro y SurAmericana, Mexico?

Keywords: Caribbean/Cuba/Haiti/Jamaica/Florida/Yucatan/New Orleans.

Call Number: 1496

Notes: The map is in a frame.

Abstract: Map shows the Caribbean Cost, its main harbors, and the maritime commercial routes connecting New Orleans in 1883.

1970 Talamanca, Costa Rica. Instituto Geográfico Nacional, San José.

Keywords: Costa Rica/Talamanca.

Call Number: 1495

Notes: a photocopy of the map, in 9 pages.

Abstract: Topographical map of the region shows contour elevation lines, latitude, longitude, mountain peaks, rivers..

1968 San José, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica/San José.

Call Number: 1494

Notes: a photocopy of the map, in 9 pages.

Abstract: Topographical map of the region shows contour elevation lines, latitude, longitude, mountain peaks, rivers..

1970 San Carlos, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica/San Carlos.

Call Number: 1493

Notes: a photocopy of the map, in 9 pages.

Abstract: Topographical map of the region shows contour elevation lines, latitude, longitude, mountain peaks, rivers.

1969 Quepos, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica/Quepos.

Call Number: 1492

Notes: a photocopy of the map, in 9 pages.

Abstract: Topographical map of the region shows contour elevation lines, latitude, longitude, mountain peaks, rivers.

1970 Nicoya, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica/Nicoya.

Call Number: 1491

Notes: a photocopy of the map, in 9 pages.

Abstract: Topographical map of the region shows contour elevation lines, latitude, longitude, mountain peaks, rivers..

1969 Limón, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica/Limón.

Call Number: 1490

Notes: a photocopy of the map, in 9 pages.

Abstract: Topographical map of the region shows contour elevation lines, latitude, longitude, mountain peaks, rivers..

*Insulae Americanae in Oceano Septentrionali, cum Terris adiacentibus.*

Keywords: West Indies/Mexico/Cuba/Dominican Republic/Puerto Rico/Central America/Caribbean.

Call Number: 1489

Notes: Very much like [1653] West Indies map by Jansson, call number 1458.

Abstract: Map shows the West Indies and the Caribbean sea and its coasts.

Weller Cartographic Services Ltd.

1996 An International Travel Map HONDURAS. edited by Weller Cartographic Services Ltd., International Travel Maps, Vancouver, Canada.

Keywords: Honduras/Tegucigalpa.

Call Number: 1488

Notes: Shows an inset map of the archeological site of Copan, and a small city map of Tegucigalpa and Comayagüela.

Abstract: Shows major cities, towns, roads, airports, elevations (color coded), lakes, rivers, swamps, mountain peaks, international boundaries, and state and provincial boundaries, historical reserves and monuments, national parks and scientific and ecological reserve zones. Includes short texts on history and geography of the country.

1994 Hildebrand's Travel Map PUERTO RICO, VIRGIN ISLANDS, ST. CROIX. Kartografik, Germany.

Keywords: Puerto Rico/Virgin Islands/Anegada/St. Croix/Caribbean.

Call Number: 1487

Notes: Includes maps of the Virgin Islands, Anegada, St. Croix and a general map of the Caribbean. On the other side includes notes about climate, history, flora and fauna, food, accommodations, sports, places of interest, and other useful information: currency, customs regulations, medical care, business hours. Abstract: Topographical map of Puerto Rico, shows contour elevation lines, latitude/longitude, mountain peaks, rivers, roads, provincial borders, main towns and cities, natural parks. Includes an index of cities and towns and a table of distances between main cities.

Hector F. Esparza Torres

1983 Plano Urbano/ Urban Plan CANCUN. edited by Hector F. Esparza Torres, HFET, S.A., Mexico, D.F.

Keywords: Mexico/Cancun/Isla Mujeres/Cozumel/Costa Turquesa/Chetumal.

Call Number: 1486

Notes: On the other side shows maps of Isla Mujeres, Cozumel, Costa Turquesa and Chetumal, notes about facilities, and history, indexes of points of interest, facilities and services, public buildings, and hotels.

Abstract: City map of Cancun, shows sites of tourist interest, hotels, public buildings, facilities and restaurants, car rentals, and other services.

1995 Mapa político, físico, Vial del PERU. Librería Internacional del Perú, Lima, Peru.

Keywords:

Peru/Lima/Cajamarca/Chiclayo/Ica/Piura/Moyobamba/Huancavélica/Chachapoyas/Huaraz/Huanuco,

Huancayo/Ayacucho/Cuzco/Puno/Trujillo/Arequipa/Moquegua/Tacna/Puerto Maldonado/Tumbes/Cerro de Pasco/Abancay/Iquitos/Pucallpa.

Call Number: 1485

Notes: On the other side shows city maps of Lima (and downtown Lima), Cajamarca, Chiclayo, Ica, Piura, Moyobamba, Huancavélica, Chachapoyas, Huaraz, Huanuco, Huancayo, Ayacucho, Cuzco, Puno, Trujillo, Arequipa, Moquegua, Tacna, Puerto Maldonado, Tumbes, Cerro de Pasco, Abancay, Iquitos y Pucallpa.

Abstract: Topographical map of Peru, shows contour elevation lines, latitude/longitude, mountain peaks, rivers, roads, provincial borders, main towns and cities. Includes a table of distances between main cities.

nd Ciudad de Tijuana. Guia Roji, Mexico, D.F.

Keywords: Mexico/Baja California/Baja California Sur/Tijuana.

Call Number: 1484

Notes: On the other side shows maps of Baja California and Baja California Sur (states).

Abstract: City map shows also the suburbs, and part of San Diego, Cal. Includes an index of streets. Maps of the states show roads, railways, cities, towns, airports, parks, and state and municipal boundaries. Includes an index of main cities and a table of distances.

1988 Morelos y Cuernavaca. Guia Roji, Mexico, D.F.

Keywords: Mexico/Morelos/Cuernavaca.

Call Number: 1483

Notes: On the other side shows a city map of Cuernavaca (scale= 1:25,000).

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Morelos.

David Sami, C. A. a. O. M.

and An International Travel Map. CUBA. edited by David Sami, C. A. a. O. M., ITMB Publishing, Vancouver, B.C., Canada.

Keywords: Cuba.

Call Number: 1482

Notes: ISBN: 0921463413.

Abstract: Shows major cities, towns, roads, airports, elevations (color coded), lakes, rivers, swamps, mountain peaks, historical reserves and monuments, national parks and scientific and ecological reserve zones of Cuba. Includes an inset map of Havana, and short texts on history and geography of the area.

1964 Mapa del Perú.

Keywords: Peru.

Call Number: 1481

Abstract: Map shows latitudes/longitud, main cities and towns, and rivers.

Instituto Geográfico Nacional

1979 Guatemala. Mapa Turístico- Tourist map. edited by Instituto Geográfico Nacional, Instituto Guatemalteco de Turismo, Guatemala.

Keywords: Guatemala/Guatemala City.

Call Number: 1480

Notes: On the other side shows maps of the Guatemala City and Quetzaltenango qith an index of points of interests.

Abstract: Map shows rivers, lakes, main landmarks, roads, main towns and cities, provincial boundaries. Includes an index of archeological sites, and a distance table among main cities.

Instituto Geográfico Nacional

1978 Panama. edited by Instituto Geográfico Nacional, Instituto Panameño de Turismo, Panama.

Keywords: Panama.

Call Number: 1479

Notes: Includes inset maps of the cities of David and Colon; a distance table, index of places and notes about wheahter, history, tourist accomodations and facilities. On the other side shows a map of Panama City with an index of streets.

Abstract: Map shows rivers, main landamarks, roads, main towns and cities, provincial boundaries. Includes an index of tows and cities.

1977? Uruguay. Dirección Nacional dec Turismo, Uruguay.

Keywords: Uruguay.

Call Number: 1478

Notes: The map is atached to a touristic guide.

Abstract: Map shows big cities and the main routes connecting them.

Stanford Stevens

1955 Guanajuato, Gto. edited by Stanford Stevens, Editorial de Arte, S.A., México, D.F., Mexico.

Keywords: Mexico/Guanajuato.

Call Number: 1477

Notes: On the other side has notes about history, mining, and architecture of Guanajuato.

Abstract: City map shows main streets and points of interest.

A Pocket Guide of Sao Paulo. The State Department of Sports and Tourism, Sao Paulo, Brasil.

Keywords: Brazil/Sao Paulo.

Call Number: 1476

Notes: Includes a guide of Sao Paulo and a map of downtown Sao Pulo.

Abstract: Map shows main cities and towns, roads, and airplane routes.

General Drafting Co.

Chile Guía Turística. edited by General Drafting Co., Esso Standard Oil Company (Chile)S.A.C., New York, N.Y.,USA.

Keywords: Chile/Santiago.

Call Number: 1475

Notes: Includes a Panoramic map of Chile showing places of turistic interest. On the other side shows a map of Santiago, with an index of streets and points of interest, a an inset map of the Region of the Lakes.

Abstract: Topographical map shows countour elevation lines, latitude/ longitude, mountain peaks, roads, provincial borders, main towns and cities. Includes an index of tows and cities, and a table of distances between main cities. The map shows Chile in two parts.

1970 Mapa Vial de Venezuela. Editorial Color para la Oficina de Planificación de la Dirección de Vialidad, Ministerio de Obras Públicas. Venezuela.

Keywords: Venezuela.

Call Number: 1474

Notes: Includes an inset map of the provinces of Venezuela. (scale: 1: 4,000,000).

Abstract: Topographical map of the northern region of Venezuela, shows countour elevation lines, latitude/ longitude, mountain peaks, forested areas, main landamarks, roads, provincial borders, national parks and reserves, main towns and cities. Includes an index of tows and cities, and a table of distances between main cities. The map shows on one side the West and on the other side, the East part of the northern region.

1988 Urban Plan / Plano Urbano MERIDA. HFET, S.A..

Keywords: Merida/Uxmal/Chichen Itza/Valladolid/Tizimin.

Call Number: 1473

Notes: It includes an inset map of downtown Merida. and on the other side has maps of the cities of Progreso, Tizimín, and Valladolid, and maps of the archeological sites of Uxmal and Chichén Itzá.

Abstract: City map of Merida, shows sites of tourist interest, hotels, public buildings, facilities and restaurants, other services and car rentals.

1986 Touristic "Pronto" Map of Peninsula of Yucatan. SIGSA- PROEESA, Mexico City, Mexico.

Keywords: Yucatan/Merida/Campeche/Villahermosa/Tuxtla Gutierrez, Tapachula/Ciudad Del Carmen/Chetumal.

Call Number: 1472

Notes: The touristic PRONT MAP of Peninsula of Yucatan is composed by six maps numbered from 1 to 6. The maps 1, 2 and 3 are divided in squares.

Abstract: Maps shows airports, historical sites, campgrounds, turistic resorts, main landmarks, archeological sites, colonial monuments for the seven major cities of the peninsula: Mérida, Campeche, Villahermosa, Tuxtla gutiérrez, Tapachula, Cd. Del Carmen, and Chetumal. The map of the peninsula shows also other major cities, and towns, main roads, swamps, streams and lakes. Includes an index of the cities and towns.

1963 Official Road Map: Puerto Rico. The H.M. Goushá Company / Shell., Chicago, Ill. USA.

Keywords: Puerto Rico, San Juan.

Call Number: 1471

Notes: As inset maps of Mayagüez and Ponce; on the other side has an indexed map of San Juan.

Abstract: Topographical map of Puerto Rico shows countour elevation lines, latitude/ longitude, forested areas, rivers, main landamarks, roads, main towns and cities. Includes an index of tows and cities, maps of San Juan, Mayagüez, and Ponce showing main streets, and main public buildings.

1979 Rio: Planta da Cidade. Editora Abril Ltda. / Departamento Cartografico, Rio de Janeiro.

Keywords: Brazil, Rio de Janeiro.

Call Number: 1470

Notes: Supplement to Guia Quatro Rodas do Rio.

Abstract: Shows city streets, parks, landmarks, etc. On reverse: insets of Barra de Tijuca, Acessos ao Rio de Janeiro, Baia de Guanabara, and Centro.

1976 Rio: Planta da Cidade. Editora Abril Ltda. / Departamento Cartografico, Rio de Janeiro.

Keywords: Brazil, Rio de Janeiro.

Call Number: 1469

Notes: Supplement to Guia Quatro Rodas do Rio.

Abstract: Shows city streets, parks, landmarks, etc. On reverse: insets of Barra de Tijuca, Acessos ao Rio de Janeiro, Baia de Guanabara, and Centro.

Johannes Walch

1828 Neueste Carte von Süd-America aus den zuverlässigsten Hilfsmitteln u. besten Quellen entworfen nebst dem betraechtlichsten Theile von Westindien. edited by Johannes Walch, Augsburg im Verlag.

Call Number: 1468

mid-19th c.? Brazil.

Keywords: South America/Brazil/Paraguay/Uruguay/Bolivia.

Call Number: 1467

Notes: Originally part of a Dictionary, still attached to one page of text about Brazil.

Abstract: Shows latitude/longitudes, main rivers, mountain systems, main cities, of Brazil, Paraguay, Uruguay, Bolivia, and North part of Chile and Argentina.

181? Amerique Meridional. Paris?

Keywords: South America.

Call Number: 1466

Notes: Shows "peculiar" international boundaries and ancient names of South American countries.

Abstract: Shows latitude/longitudes lines, main rivers, and mountain systems, and international boundaries.

19th c.? Colombia y Guiana.

Keywords: South America/Colombia/Guaiana/Venezuela.

Call Number: 1465

Notes: Originally an insert of an unknown book.

Abstract: Shows latitude/longitude, main rivers, mountain systems, and main cities of Colombia, Venezuela, and Guaiana.

Sieur Robert, G. t. t. F. K.

Approx. 18th century An Accurate Map of South America drawn from the Sieur Robert, Geographer to the French King, with improvements. edited by Sieur Robert, G. t. t. F. K..

Keywords: South America.

Call Number: 1464

Abstract: Shows latitude/longitude lines, main rivers, main towns and islands.

Brazil, Bolivia and Peru.

Keywords: Brasil/Bolivia/Peru/South America.

Call Number: 1463

Notes: Originally an insert of an unknown book.

Abstract: Shows latitude/longitude, rivers, mountain peaks, main cities of Brazil, Bolivia, Peru, and North part of Argentina.

James M. Darley, C. C.

1962 West Indies. edited by James M. Darley, C. C., The National Geographic Magazine, Washington D.C.

Keywords: Caribbean/Cuba/Haiti/Jamaica/Dominican Republic/Puerto Rico/Panama/Costa Rica/West Indies.

Call Number: 1462

Abstract: Shows latitude/longitude, sea depth lines, the West Indies and parts of Central America, north coast of Colombia and Venezuela, and tip of Florida. 26 inset maps of island, including Puerto Rico, Bermuda, Barbados, Trinidad, Tobago, Grenada, St. Vincent, Antigua, St. Lucia, Dominica, Jamaica, Martinique, Bermuda, Aruba, etc.

1967 Ethno-Linguistic Distribution of South American Indians. edited by John I. Wolfe and Elaine Erlandson, Association of American Geographers., Washington D.C.

Keywords: Caribbean/Central America/South

America/Argentina/Bolivia/Brasil/Colombia/Colombia/Chile/Costa Rica/Cuba/Dominican

Republic/Ecuador/Guyana/Honduras/Haiti/Jamaica/Nicaragua/Panama/Paraguay/Peru/Surinam/Uruguay/Venezuela.

Call Number: 1461

Notes: Map Supplement number 8, Annals of the Association of American Geographers, Vol. 57, no. 2, 1967.

Abstract: Shows distribution of languages of South American peoples, classified in three broad categories: Paleo-American Tribes, Tropical Forest Tribes, and Languages of Andean Tribes; includes an index of the languages.

1996 An International Travel Map: El Salvador. International Travel Maps, Vancouver, B.C., Canada.

Keywords: El Salvador/Central America.

Call Number: 1460

Notes: ISBN: 0921463618.

Abstract: Topographical map of El Salvador shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks, roads, provincial borders, national parks and reserves, main towns and cities and estimated population. Includes an Index of towns and cities, and a map of San Salvador, showing main streets, and main public buildings.

1803 A Map of the West India Isles, from the latest Authorities. John Cary, London, England.

Keywords: Central America/Caribbean/Florida/Mexico/Cuba/Dominican Republic/Jamaica/Guatemala/El Salvador/Honduras/Costa Rica/Panama/Colombia/Venezuela.

Call Number: 1459

Notes: In John Cary, *New Universal Atlas*, London, 1808. Listed in Phillips, *List of Maps of America*, p.1060.

Abstract: Shows the West India Isles, the Gulf of Mexico, and Caribbean sea coasts.

1653 *Insulae Americanae in Oceano Septentrionali, cum Terris adiacentibus*. Jansson, Jan (Ioannem Ianssonium), Amsterdam.

Keywords: West Indies/Mexico/Cuba/Dominican Republic/Puerto Rico/Central America/Caribbean.

Call Number: 1458

Notes: Published in Jansson (Jan) *Nuevo Atlas*, v.2. Listed in Phillips, *List of Maps of America*, p.1053.

Abstract: Map shows the West Indies and the Caribbean sea and its coasts.

Albert H. Bumstead

1937 *South America*. edited by Albert H. Bumstead, *The National Geographic Magazine*, Baltimore, MD, USA.

Keywords: South America/Colombia/Peru/Ecuador/Bolivia/Venezuela/British Guiana/Surinam/French Guiana/Brasil/Chile/Argentina/Paraguay/Uruguay.

Call Number: 1457

Notes: Frank Keller Collection.

Abstract: Topographical map, shows latitude, longitude, contour elevation lines (color coded), mountain peaks, rivers, lakes, forested areas, swamps, deserts, main landmarks, roads, harbors, cities, international and domestic boundaries. Includes three smaller maps showing chief natural resources, precipitation and temperature, and airways and relief.

Luis M. Gamio

1947 Mapa Turístico del Perú. edited by Luis M. Gamio, Instituto Geográfico Militar, jointly with Coporación Nacional de Turismo., Lima, Peru.

Keywords: Peru/South America.

Call Number: 1456

Abstract: Map shows latitude/longitude, rivers, departmental and international boundaries, capital cities, towns, archeological zones, main roads, railroads routes, and airports.

Pablo Arnoldo Guzman

1973 San Salvador. edited by Pablo Arnoldo Guzman, Instituto Geográfico Nacional de El Salvador, San Salvador, El Salvador, CA.

Keywords: El Salvador/San Salvador/Central America.

Call Number: 1455

Notes: On the other side shows a map of El Salvador (scale 1:500,000).

Abstract: Map shows contour elevation lines, rivers, main highways, avenues, and streets, and the location of parks, education centers, government agencies, banks, theatres, churches, military facilities, and embassies which are indexed.

?

1975 República de Nicaragua. edited by ?, Instituto Geográfico Nacional, jointly with Dirección Nacional de Turismo., Managua, Nicaragua.

Keywords: Managua/Nicaragua/Central America.

Call Number: 1454

Notes: On the other side it includes a city map of Managua (scale 1:21,000).

Abstract: Map shows latitude/longitude, rivers, lakes, main cities and towns, main roads, departmental and international boundaries, and includes a distance table.

Luis M. Gamio

1946 Mapa Arqueológico del Perú. edited by Luis M. Gamio, Corporación Nacional de Turismo, Lima.

Keywords: Peru/South America.

Call Number: 1453

Notes: Includes extensive text about the archeological zones and a bibliography on Peruvian archeology.

Abstract: Map shows archeological sites, main rivers and lakes, provincial and international boundaries.

?

? Guatemala. edited by ?, ?, ?

Keywords: Guatemala/Central America.

Call Number: 1452

Notes: Originally an insert of an unknown book.

Abstract: Shows latitude/longitude, contour elevation.

?

? Mapa Turisitico do Estado de Minas Gerais. edited by ?, ?, ?

Keywords: Minas Gerais/Brasil/South America.

Call Number: 1451

Notes: Includes an index of cities and towns.

Abstract: Map shows latitude/longitude, rivers, cities and towns, mountain peaks, main landmarks, roads, and plane routes.

?

? Latin America. edited by ?, ?, ?

Keywords: Latin America.

Call Number: 1450

Notes: Originally an insert of an unknown book.

Abstract: Map shows latitude/longitude international boundaries and national capital cities.

?

? EL Salvador. edited by ?, ?, ?

Keywords: El Salvador/Central America.

Call Number: 1449

Notes: Originally an insert of an Unknown book.

Abstract: Map shows latitude/longitude, lakes, rivers, elevation lines (color code), international and departament boundaries, capital cities, main roads and railroad routes.

?

? Colombia. edited by ?, ?, ?

Keywords: Colombia/South America.

Call Number: 1448

Notes: Originally an insert of an unknown book.

Abstract: Map shows latitude/longitude, rivers, capitali cities, international and internal boundaries, main roads and railroad routes.

?

? Ecuador. edited by ?, ?, ?

Keywords: Ecuador/South America.

Call Number: 1447

Notes: Originally an insert of an unknown book.

Abstract: Map shows latitude/longitud, elevation lines (color code), rivers, capital cities, international and provincial boundaries, main roads and railroad routes.

?

1975? Guia-Plano Flecha de la Ciudad de México. edited by ?, Librería Patria, Mexico City.

Keywords: Mexico City/Mexico.

Notes: ISBN: 0921463634. Includes a map of Managua.

Abstract: Topographical map of Nicaragua shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks, roads, provincial borders, national parks and reserves, main towns and cities and estimated population.

1994-1996 An International Travel Map PANAMA. ITMB Publishing/World Wide Books and Maps, Vancouver, B.C., Canada.

Keywords: Panama/Central America.

Call Number: 1425

Notes: ISBN: 0921463650. Includes a map of the Canal Zone (scale 1:400,000) and brief historical and geographical notes.

Abstract: Topographical map of PANAMA shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks, roads, provincial borders, national parks and reserves, main towns and cities and estimated population.

Frans Blom

1953 La Selva Lacandona y Tierras Colindantes. Chiapas, Mexico. edited by Frans Blom, Biblioteca Fray Barlolomé de las Casas., San Cristobal las Casas, Chiapas, México.

Keywords: Chiapas/Mexico.

Call Number: 1424

Notes: The map was given by the author to Louis Hanke. It is considered a rare map. Apparently is the copy 2.

Abstract: Topographic map shows longitude, latitude, contour elevations, rivers, main landmarks, roads and towns of Lacandona region.

1963 Status of Geologic Mapping of OAS Members Countries. Southern South America. Inter-American Committee for Agricultural Development.

Keywords: South America.

Call Number: 1423

Notes: Compiled and drafted by the Unit of Engineering and National Resources, Department of Economic Affairs, Pan American Union.

Abstract: Map shows the status of geological mapping of Southern South America, classifying maps by type of scale: large, medium and small.

1963 Status of Geologic Mapping of OAS Member Countries. Northern South America. Inter-American Committee for Agricultural Development.

Keywords: South America.

Call Number: 1422

Notes: Compiled and drafted by the Unit of Engineering and National Resources, Department of Economic Affairs, Pan American Union. Based on data supplied by official governmental agencies.

Abstract: Map shows the status of geological mapping of Northern South America, classifying maps by type of scale: large, medium and small.

1963 Status of Geologic Mapping of OAS Member Countries. Middle America. Inter-American Committee for Agricultural Development.

Keywords: Mexico/Central America.

Call Number: 1421

Notes: Compiled and drafted by the Unit of Engineering and National Resources, Department of Economic Affairs, Pan American Union.

Abstract: Map shows the status of geological mapping of Mexico and Central America, classifying maps by type of scale: large, medium and small.

1963 Status of Topographic Mapping of OAS Member Countries. Southern South America. Inter-American Committee for Agricultural Development.

Keywords: South America.

Call Number: 1420

Notes: Compiled and drafted by the Unit of Engineering and National Resources, Department of Economic Affairs, Pan American Union. Based on data supplied by official governmental agencies.

Abstract: Map shows the status of topographic mapping of Southern South America classifying maps by type of scale: large, medium and small.

1963 Status of Topographic Mapping of OAS Member Countries. Northern South America. Inter-American Committee for Agricultural Development.

Keywords: South America.

Call Number: 1419

Notes: Compiled and drafted by the Unit of Engineering and National Resources, Department of Economic Affairs, Pan American Union. Based on data supplied by official governmental agencies.

Abstract: Map shows the status of topographic mapping of Northern South America classifying maps by type of scale: large, medium and small.

1963 Status of Topographic Mapping of OAS Member Countries. Middle America. Inter-American Committee for Agricultural Development.

Keywords: Mexico/Central America.

Call Number: 1418

Notes: Compiled and drafted by the Unit of Engineering and National Resources, Department of Economic Affairs, Pan American Union. Based on data supplied by official governmental agencies.

Abstract: Map shows the status of topographic mapping of Mexico and Central America, classifying maps by type of scale: large, medium and small.

1963 Status of Vertical Aerial Photography of AOS Member Countries. Southern South America. Inter-American Committee For Agricultural Development.

Keywords: South America.

Call Number: 1417

Notes: Compiled and drafted by the Unit of Engineering and Natural Resources. Department of Economic Affairs, Pan American Unit. Based on data supplied by official governmental agencies.

Abstract: Map shows the status of aerial photography mapping of Southern South America, classifying maps by type of scale: large, medium and small.

1963 Status of Vertical Aerial Photography of OAS Member Countries. Northern South America. Inter-American Committee for Agricultural Development..

Keywords: South America.

Call Number: 1416

Notes: Compiled and drafted by the Unit of Engineering and Natural Resources. Department of Economic Affairs, Pan American Unit. Base on data supplied by official governmental agencies.

Abstract: Map shows the status of aerial photography mapping of Southern South America, classifying maps by type of scale: large, medium and small.

1963 Status of Vertical Aerial Photography of OAS Member Countries. Middle America. Inter-American Committee for Agricultural Development, ?

Keywords: Mexico/Central America.

Call Number: 1415

Notes: Compiled and drafted by the UNit of Engineering and Natural Resources. Department of Economic Affairs, Pan American Union. Based in data supplied by official governmental agencies.

Abstract: Map shows the status of aerial photography mapping of Mexico and Central America, classifying maps by type of scale: large, medium and small.

1963 Status of Soil Mapping of OAS Member Countries Southern South America. Inter-American Committee for Agricultural Development, ?

Keywords: South America.

Call Number: 1414

Notes: Compiled and drafted by the Unit of Engineering and Natural Resources, Department of Economic Affairs, Pan American Union. Based on data supplied by official governmental agencies.

Abstract: Map shows the status of soil mapping of Southern South America, classifying maps by type of scale: large, medium and small.

1963 Status of Soil Mapping of OAS Member Countries. Northern South America. Inter-American Committee for Agricultural Development, ?

Keywords: South America.

Call Number: 1413

Notes: Compiled and drafted by the Unit of Engineering and Natural Resources, Department of Economic Affairs Pan American Union. Based on data supplied by official governmental agencies.

Abstract: Map shows the status of soil mapping of Northern South America, classifying maps by type of scale: large, medium and small.

1963 Status of Soil Mapping of OAS Member Countries. Middle America. Inter-American Committee for Agricultural Development.

Keywords: Mexico/Central America.

Call Number: 1412

Notes: Compiled and drafted by the Unit of Engineering and Natural Resources, Department of Economic Affairs Pan American Union. Based on data supplied by official governmental agencies.

Abstract: Map shows the status of soil mapping of Mexico and Central America, classifying maps by type of scale: large, medium and small.

1912 Mapa de Costa Rica segun los levantamientos efectuados de 1891 a 1898. edited by H. Pittier, M. Heilungen, Germany.

Keywords: Costa Rica.

Call Number: 1411

Notes: Dibujado por el Asistente Enrique Silva R.; acquired from Ohio Bookhunter in 1982 for \$35.00; reprint of 1903 map.

Abstract: Shows topographical contours, mountain peaks, rivers, roads, landmarks, railroads, national boundaries. Elevations are shown in color-coded areas.

1970 Liberia, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Liberia/Costa Rica.

Call Number: 1410

Notes: a photocopy of the map, in 9 pages.

Abstract: Topographical map of the region shows contour elevation lines, latitude, longitude, mountain peaks, rivers.

1970 Golfito, Costa Rica. Instituto Geográfico Nacional, San José, Costa Rica.

Keywords: Costa Rica/Golfito Quadrant.

Call Number: 1409

Notes: It is a photocopy of the map, made in 10 pages.

Abstract: Topographical map of the region shows contour elevation lines, latitude, longitude, mountain peaks, rivers.

1979 Republica Argentina (Politico). Instituto Geografico Militar, Buenos Aires (?).

Keywords: Argentina.

Notes: Originally an insert of AeronOutica Civil Mexicana: 972(387.7)M611g.

Abstract: Shows the aeronautical routes, national and international, indicating the airlines companies which operate them.

? Aerovias que tocan Guadalajara Jalisco. Secretaría de Comunicaciones y Obras Públicas., Mexico City, Mexico.

Keywords: Mexico/Guadalajara/Jalisco.

Call Number: 1404

Notes: Originally an insert in Aeronáutica Civil Mexicana. 972(387.7)M611g.

Abstract: Shows the political division of Mexico, Capital cities and airline routes that get Guadalajara.

Maximilian von Sonnenstern

1858 Mapa General de la República de Salvador. edited by Maximilian von Sonnenstern, Kraetzer, New York, N.Y.

Keywords: San Salvador/Central America.

Call Number: 1403

Abstract: Topographical map of El Salvador shows contour elevation lines, longitudes, latitudes, mount peaks, rivers, towns, cities, roads, mining sites, and the administrative division of the country into departamentos and distritos.

1934 Veracruz. Secretaria de Agricultura y Fomento., Mexico City, Mexico.

Keywords: Veracruz/Mexico.

Call Number: 1402

Notes: It includes a small map of the city and the harbour of Veracruz.

Abstract: Topographical map of the state of Veracruz shows contour elevation lines, latitude, longitude, mountain peaks, rivers, large cities and small towns, and main roads.

1977 Ciudad de San Salvador de Jujuy. Dirección Provincial de Turismo de Jujuy., San Salvador de Jujuy, Argentina.

Keywords: Argentina,/Jujuy.

Call Number: 1401

Notes: On the other side it has a map of the Jujuy Province showing main cities and main roads.

Abstract: City map of downtown San Salvador de Jujuy.

1978? Provincia del Neuquén. Red Caminera. Dirección Provincial de Turismo, Neuquén, Argentina.

Keywords: Argentina/Neuquén.

Call Number: 1400

Abstract: Topographical map of the province shows contour elevation lines, latitude, longitude, mountain peaks, rivers, lakes and lagoons, main cities and towns main roads.

1995 Peru invites you. Promperu: Commission for the Promotion of Peru, Ministeeio de Industria, Lima, Peru.

Keywords: Peru.

Call Number: 1399

Notes: On other other side has text describing historical sites, traditions and turistic attractions.

Abstract: The map shows the geographical regions of the country, main cities and towns, main roads and airport locations.

M. Elena Simielli

1994 A Geografia dos Assentamentos Rurais do Brasil. edited by M. Elena Simielli, Instituto de Colonizacao e Reforma Agraria / Movimento dos Trabalhadores Rurais Sem Terra, Sao Paulo?

Keywords: Brazil.

Call Number: 1398

Abstract: Shows the location and number of rural settlements by municipality within each state of Brazil. Includes a bar graph comparing the number of settlements within the four regions of Brazil, and a brief text, "Reforma Agraria: Uma Luta de Todos".

1965 Plan of Downtown Oaxaca City. Casa Cervantes, Oaxaca, Mexico.

Keywords: Mexico/Oaxaca City.

Call Number: 1397

Notes: The map is part of commercial advertisement.

Abstract: Street map of Downtown Oaxaca City.

1965 Venezuela. Mapa de Carreteras con el Plano de Caracas. Creole Petroleum Corporation, Covent Station, N.J.

Keywords: Venezuela/Caracas.

Call Number: 1396

Notes: On the other side includes a map of Caracas.

Abstract: General Map of Venezuela shows main landmarks, mountain chains, rivers, cities, towns, main roads.

Antigua Guatemala. Junta Departamental de Turismo, Antigua, Guatemala.

Keywords: Antigua. Guatemala.

Call Number: 1395

Abstract: Street map of the city shows the main points of interest.

1971 Guatemala's General Guide. Commercial, Industrial and Touristic. Guía General de la Ciudad de Guatemala. Aviación, Turismo and Automovilismo, Guatemala.

Keywords: Guatemala City.

Call Number: 1394

Notes: The map is based on maps published by the Instituto Geográfico Nacional.

Abstract: Street map of Guatemala City.

General Drafting Co.

1966 Mapa Turístico. Centro-Sul do Brasil. edited by General Drafting Co., Esso Brasileira de Petroleo, Sao Paulo, Brasil.

Keywords: Brazil/Southcentral region.

Call Number: 1393

Notes: Shows small maps of the ten capital cities of the states.

Abstract: Map shows main road, cities and towns of ten states of the South-central region of Brazil.

1960 Mapa Rodoviario dos Estados de Espírito Santo, Minas Gerais, Rio de Janeiro, Sao Paulo e parte dos Estados limítrofes. Shell Brazil Limited, Sao Paulo, Brazil.

Keywords: Brazil. Espirito Santo. Minas Gerais, Rio de Janeiro. Sao Paulo.

Call Number: 1392

Notes: Road Map attached to an index of the cities and towns of the region.

Abstract: Map shows main cities, towns, and roads.

1966 Mapa Rodoviario dos Estados do Paraná, Santa Catarina, Rio Grande do Sul, e da República do Uruguay. Com indices das localidades desses Estados e países limítrofes. Shell Brasil, Sao Paulo, Brasil.

Keywords: Brazil. Sao Paulo, Parana, Santa Catarina, Rio Grande do Sul.

Call Number: 1391

Notes: Folded map attached to an index of towns and cities.

Abstract: Map shows main cities, towns, and roads.

Ligações Atualizadas Rio de Janeiro-Brasilia, Sao Paulo-Brasilia.

Keywords: Brasil. Rio de Janeiro. Brasilia. Sao Paulo.

Call Number: 1390

Abstract: Shows main roads connecting Rio de Janeiro-Brasilia and Sao Paulo-Brasilia.

1966 Mapa Turístico. Centro-Norte do Brasil. Esso Brasileira de Petroleo, Brasil.

Keywords: Brazil/Northcentral region.

Call Number: 1389

Abstract: Map shows main cities, towns, and roads of eleven departments of the North-central region of Brazil. Includes small maps of the eleven capital cities.

1963 Mapa de La República Dominicana. Esso Standard Oil, Convent Station, N.J.

Keywords: Dominican Republic. Santo Domingo.

Call Number: 1388

Notes: On the other side it has a map of Santo Domingo.

Abstract: The map shows main cities, towns, and main roads.

The Dominican Republic. Tourist map. Ministry of Turism, Santo Domingo.

Keywords: Dominican Republic.

Call Number: 1387

Abstract: Turism map the Dominican republic shows points of interest, and main mountain chains.

1860 Barbados. Directorate of Overseas Surveys, Bridgetown, Barbados.

Keywords: Barbados.

Call Number: 1386

Abstract: Topographic map of Barbados shows contours elevation lines, latitude/longitude, mountain peaks, main landmarks, towns, cities and roads.

1972 Jamaica. Esso Standard Oil, Covent Station, N.J.

Keywords: Jamaica/Kingston.

Call Number: 1385

Abstract: Map road shows cities, towns, main roads, and on the other side, the streets of Kingston.

1964 Jamaica. Esso Standard Oil, Covent Station, N.J.

Keywords: Jamaica/Kingston.

Call Number: 1384

Abstract: Road map shows cities, towns, main roads, and Kingston streets.

1956 The Caribbean, with the Bahamas and Bermudas. Esso Standard Oil, Covent Station, N.J.

Keywords: Caribbean/Bahamas/Bermuda.

Abstract: Shows WEST INDIES and its divisions: CUBA, HISPANIOLA, JAMAICA, PUERTO RICO, ANTILLA,...; TOWNS, RIVERS, "SEA ROADS".

HERMAN MOLL

1710-1720? A Chart of ye West Indies or the Islands of America in the North Sea. edited by HERMAN MOLL, LONDON?

Keywords: WEST INDIES.

Call Number: 1371

Notes: Shelved with 1371a (nearly identical but edged with preservation tape); also see #1900, a photograph of this map.

Abstract: Shows Louisina, Mexico and Terra Firma; towns, tracts.

BOWEN EMAN

17th OR 18th century ? WEST INDIES. edited by BOWEN EMAN, LONDON?

Keywords: WEST INDIES.

Call Number: 1370

Abstract: Shows different divisions, states, towns, rivers.

P.CORONELLI

1689 L'AMERIQUE MERIDIONALE ou la partie meridionale des indes occidentales.  
Dressée sur les memoires les plus nouveaux et dediée a Monsieur Jacques Colombo,  
secretaire de la serenissime republique de Venise. edited by P.CORONELLI, I.B.NOLIN,  
PARIS, FRANCE.

Keywords: South America.

Call Number: 1369

Notes: Some damage at u.r. and u.l. corners.

Abstract: explanations and comments in french.Shows the divisions of south Africa in  
that period, towns, provinces, mountains.

199? An International Travel Map JAMAICA. International Travel Map, Vancouver,  
Canada.

Keywords: Jamaica.

Call Number: 1368

Notes: ISBN 0921463316.

Abstract: Shows the isle of Jamaica: state divisions, roads, railway,cities, towns; a  
distance chart (distances between principal towns) ; maps of different towns  
(KINGSTON,PORT ANTONIO, OCHO RIOS, MANDEVILLE, MONTEGO BAY, SPANISH  
TOWN) with its index streets.

199? An International Travel Map RIO DE JANEIRO. International Travel Map, Vancouver  
Canada.

Keywords: RIO DE JANEIRO.

Call Number: 1367

Notes: ISBN 0921463405.

Abstract: Shows roads, avenues, streets, the city center, parks, directions of the  
consulates.

David Sami Chandra Ali and Darla Zutter

1994 An International Travel Map DOMINICAN REPUBLIC. edited by David Sami Chandra Ali and Darla Zutter, International Travel Map, Vancouver Canada.

Keywords: DOMINICAN REPUBLIC.

Call Number: 1366

Notes: ISBN: 0921463456.

Abstract: Shows cities, towns, roads, rivers, landmarks, elevations (colour coded), state and international boundaries, parks and scientific reserves, archeological sites.

1982 Belize City Map. Cubola Productions, Belize.

Keywords: Belize.

Call Number: 1365

Abstract: Shows main streets, parks, landmarks in Belize City.

1992 Guia Mananac Ciudad de Managua. Compania de Servicios Publicitarios Geograficos, Managua.

Keywords: Managua/Nicaragua.

Call Number: 1364

Notes: cataloged in Tulanet (G4854.M3 1992.C6); wooden dummy in stacks says to ask in LAL office.

Abstract: 36-page booklet includes historical background and general information on services and addresses for business and tourism. Attached fold-out map shows locations of embassies and consulates, principal landmarks, streets, neighborhoods, and bus routes. On reverse: Republica de Nicaragua (24" x 21"; 1:1,000,000), shows provinces, main cities, roads, airports, ports, railroads, reefs; includes distance chart.

1957 Plano de la Ciudad de Guatemala. Publicitaria Excelsior / Oficina de Urbanismo del Departamento de Ingeniera Municipal / Direccion General de Cartografia, Guatemala.

Keywords: Guatemala (city).

Call Number: 1363

Abstract: Shows streets, zones, neighborhoods, landmarks; alternate title: Plano Esquemático de la Ciudad de Guatemala. On reverse: sketch map of Guatemala.

198? Estado de Chiapas. Secretaria de Asentamientos Humanos y Obras Públicas, Mexico.

Keywords: Chiapas (state).

Call Number: 1362

Abstract: Shows the soil surface uses in Chiapas by infrared photography, indicating state and national boundaries, latitude/longitude, roads, railroads, cities, lakes, airports, and landmarks. Color variations show differences in vegetation, urbanization, and other landscape features.

198? Estado de Aguascalientes. Secretaria de Asentamientos Humanos y Obras Públicas, Mexico.

Keywords: Aguascalientes (state)/Mexico.

Call Number: 1361

Abstract: Shows the soil surface uses in Aguascalientes state by infrared photography, indicating state boundaries, latitude/longitude, roads, railroads, cities, lakes, airports, and landmarks. Color variations show differences in vegetation, urbanization, and other landscape features.

Campana de los Andes - 1817 Teatro de operaciones del oeste - Carta de conjunto.

Keywords: Chile/Argentina/Andes.

Call Number: 1360

Abstract: Shows the entire region in Chile and western Argentina in which military operations were carried out in the "Campaign of the Andes" in 1817. The individual battles are highlighted in greater detail in maps 1350-1359.

Batalla de Chacabuco 12 de febrero de 1817.

Keywords: Chile/Andes.

Call Number: 1359

Abstract: Shows the position and movement of troops in the third stage of the Battle of Chacabuco, including topographical contour lines and landmarks; attached see-through paper overleafs show the position and movement of troops in the first and second stages of the Battle.

Campana de los Andes - 1817 Expedicion del comandante Zelada por la ruta Come-caballos.

Keywords: Chile/Argentina/Andes.

Call Number: 1358

Abstract: Shows the Come-caballos route of the expedition of Commander Zelada.

Campana de los Andes - 1817 Avance Estrategico del Ejercito Patriota.

Keywords: Chile/Andes.

Call Number: 1357

Abstract: Shows the strategic advance of the nationalist army in the area surrounding Santiago, Chile.

Combate de Las Coimas 7 de febrero de 1817.

Keywords: Chile/Andes.

Call Number: 1356

Abstract: Shows the position and movement of troops in the first stage of the Battle of Las Coimas, including topographical contour lines and landmarks; attached see-through paper overleaf shows the position and movement of troops in the second stage of the Battle.

Campana de los Andes - 1817 Expedicion del comandante Cabot por la ruta Pismanta.

Keywords: Chile/Argentina/Andes.

Call Number: 1355

Abstract: Shows the Pismanta route of the expedition of Commander Cabot.

Combate de Picheuta 24 de enero de 1817.

Keywords: Chile/Andes.

Call Number: 1354

Abstract: Shows the position and movement of troops in the Battle of Picheuta, including topographical contour lines and landmarks.

Combate de Potrerillos 25 de enero de 1817.

Keywords: Chile/Andes.

Call Number: 1353

Abstract: Shows the position and movement of troops in the Battle of Potrerillos, including topographical contour lines and landmarks.

Combate de Achupallas 4 de febrero de 1817.

Keywords: Chile/Andes.

Call Number: 1352

Abstract: Shows the position and movement of troops in the Battle of Achupallas, including topographical contour lines and landmarks.

Campana de los Andes Distribucion Estrategica de las Fuerzas Realistas.

Keywords: Chile/Andes.

Call Number: 1351

Abstract: Shows the strategic distribution and movement of royalist troops in the area surrounding Santiago, Chile.

Campana de los Andes - 1817 Expedicion del comandante Freire por la ruta Planchon.

Keywords: Chile/Argentina/Andes.

Call Number: 1350

Abstract: Shows the Planchon route of the expedition of Commander Freire.

Kevin Healey

1994 An International Travel Map VENEZUELA. edited by Kevin Healey, International Travel Maps, Vancouver, Canada.

Keywords: Venezuela.

Call Number: 1349

Notes: ISBN: 0921463596.

Abstract: Shows cities, towns, roads, rivers, railways, landmarks, elevations (color coded), state and international boundaries; includes a table showing land area, capital, and 1990 population of the 20 states and Federal District. Insets show 1) Environs of Caracas 2) Venezuela's national parks, wildlife reserves, indigenous areas, forest reserves, and natural monuments 3) Auyan-tepui 4) Roraima/Kukenan 5) Isla de Margarita (each with accompanying text).

1973 Nicaragua-East Coast / Cabo Falso to Bragman Bluff / Including Morrison Dennis Cays and Cayos Miskitos. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Nicaragua (east coast) /Navigation.

Call Number: 1348

Notes: From U.S. Naval surveys between 1910 and 1923 and British surveys between 1830 and 1843.

Abstract: Shows ocean soundings and principal placenames and geographic features along the east coast of Nicaragua and some distance out into the Caribbean.

Fortune's Map of South America. Fortune Magazine (?).

Keywords: South America.

Call Number: 1347

Notes: "Enlargement of Original Map Drawn for FORTUNE," December 1937 issue.

Abstract: Shows a "globular perspective looking northwest from a height of about eight thousand miles." Black & white sketch map shows main geographical features and national boundaries; includes insets of Buenos Aires and Rio de Janeiro.

Richard J. Darley

1982 Indians of South America. edited by Richard J. Darley, National Geographic Society, Washington.

Keywords: Indigenous Populations (South America).

Call Number: 1346

Notes: supplement to National Geographic, March 1982. 2 copies.

Abstract: Shows South America divided into six regions (Circum-Caribbean, Amazonia, East Brazil, Gran Chaco, South, and Andes), with names of native cultures; includes text, drawings, and photographs on the cultures. On reverse: "Archaeology of South America," (15" x 24"; 1:5,540,000) shows landmarks and archaeological sites in the Andean region; includes inset (12" x 9") showing main the main map's area within South America, text and small maps on the Incan empire, 20 examples of pottery of native cultures, and a time line on concurrent cultural developments between 4000 B.C. and 1600 A.D. in four Andean regions.

Kevin Healey

1993 An International Travel Map. SOUTH AMERICA: NORTH WEST. edited by Kevin Healey, ITMB Publishing/World Wide Books and Maps, Vancouver.

Keywords: Colombia/Venezuela/Ecuador/Peru/Bolivia.

Call Number: 1345

Notes: ISBN: 0921463081.

Abstract: Shows major cities, towns, roads, airports, elevations (color coded), and landmarks of Colombia, Venezuela, Ecuador, Peru, and Bolivia, and parts of Brazil, Panama, Guyana, Chile, and Paraguay; includes extensive text on history and geography of many areas, and insets of the Darien Gap region, and Isla Margarita, Isla San Andres and Isla Providencia.

Kevin Healey

1993 An International Travel Map. SOUTH AMERICA: NORTH EAST. edited by Kevin Healey, ITMB Publishing/World Wide Books and Maps, Vancouver, Canada.

Keywords: Brasil/Suriname/French Guiana/Suriname.

Call Number: 1344

Notes: ISBN: 0921463103.

Abstract: Shows major cities, towns, roads, airports, elevations (color coded), and landmarks of eastern Brazil and Paraguay, French Guiana, Suriname, and eastern Guyana; includes extensive text on history and geography of many areas, and insets of Cataratas del Iguazu, Distrito Federal (Brasil), Isle du Salut (French Guiana), and Fernando de Noronha.

1993 South America & Caribbean. Kartographischer Verlag R. Ryborsch, Frankfurt am Main.

Keywords: South America/Caribbean.

Call Number: 1343

Abstract: Shows cities, roads, rivers and lakes, landmarks, vegetation types, elevations (color coded), and national boundaries of South America, Central American Isthmus, north to Honduras, Belize, and eastern El Salvador, Guatemala, and the Yucatan. Includes insets of 1) population; 2) agriculture and forestry; 3) history; 4) Mexico, Central America, Caribbean, and parts of southern U.S. and northern South America.

Kevin Healey

1993 An International Travel Map SOUTH AMERICA: SOUTHERN. edited by Kevin Healey, ITMB Publishing: World Wide Books and Maps, Vancouver.

Keywords: Argentina/Chile/Uruguay.

Call Number: 1342

Notes: ISBN: 0921463162. Date of acquisition: 1/20/95. Price: \$8.00.

Abstract: Shows major cities, towns, roads, airports, elevations (color coded), and landmarks in Argentina, Chile, and Uruguay; includes extensive text on history and geography of many areas, and insets of Isla Robinson Crusoe and Falkland Islands - Islas Malvinas.

James M. Darley, C. C.

1958 Southern South America. edited by James M. Darley, C. C., National Geographic Society, Washington, D.C.

Keywords: South America/Argentina/Chile/Paraguay/Uruguay.

Call Number: 1341

Abstract: Shows all of Argentina, Chile, Paraguay, Uruguay, and parts of southern Brazil and Bolivia, indicating major cities, railroads, highways and elevations and ocean depths. Color changes mark national boundaries. Inset maps show areas surrounding Buenos Aires, Santiago, and Montevideo.

William T. Peele, C. C.

1972 South America. edited by William T. Peele, C. C., National Geographic Society, Washington.

Keywords: South America.

Call Number: 1340

Notes: Insert in National Geographic Magazine, October 1972.

Abstract: Shows the entire continent of South America, including Panama and coastal islands. Color shaded to represent each country; shows major cities, highways, railroads, and airports.

1971 Puerto Limón / Central America / Caribbean Sea / Costa Rica. U.S. Naval Oceanographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Costa Rica (east coast) /Navigation /Puerto Limón.

Call Number: 1339

Notes: From surveys in 1968 by the National Geographic Institute and the Port Authority of Costa Rica, with the assistance of the U.S. Naval Oceanographic Office and the Inter-American Geodetic Survey. Topography from aerial photography of 1968.

Abstract: Shows topographic contour lines, placenames and geographic features along the east coast of Costa Rica near Puerto Limón, as well as ocean soundings for some distance out into the Caribbean. Includes a large inset map (1:10,000) of Puerto Limón,

including principal streets and landmarks in the harbor area, and ocean soundings in surrounding waters.

1993 Peru Mapa Politico Vial. Instituto Geografico Nacional, Lima.

Keywords: Peru.

Call Number: 1338

Abstract: Shows cities, towns, highways, railroads, airports, ports, rivers, lakes, landmarks, and international and departmental boundaries; includes an 8" x 6" map showing Peru's geographical location within South America, and a table of distances.

1990 Departamento de Lima. Instituto Geografico Nacional, Lima.

Keywords: Lima (department).

Call Number: 1337

Abstract: Shows cities, towns, highways, roads, ports, airports, beaches, elevations (color coded), mines, provincial and departmental boundaries, and other landmarks; insets show the location of Lima department in a sketch map of Peru, population and land area of the 11 provinces of Lima department, and length of the border with surrounding departments.

1976 Mapa Geologico. Ministerio de Comercio e Industrias / Direccion General de Recursos Minerales, Panama.

Keywords: Panama/Geology.

Call Number: 1336

Notes: pencil notation: Received 12/79 from Geo Center, Stuttgart.

Abstract: Outline map of Panama shows the geological age of rock formations found in each color-coded area of the country, including Coiba and Las Perlas islands; shows faults, volcanoes, and other geological features.

198? Encuentro con la Cutura de Nicaragua. Republica de Nicaragua. Instituto Geografico Nacional, Managua.

Keywords: Nicaragua.

Call Number: 1335

Abstract: Shows major cities, towns, roads, and departmental and international boundaries; inset shows Nicaragua's geographical position within Central America and the Caribbean; includes table of distances and brief text on geography and culture. On reverse: "Encuentro con la cultura nicaraguense," a series of color photographs of Nicaragua in the 1980s.

19?? Guia-Plano Flecha de la Ciudad de Mexico. Libreria Patria, Mexico City (?).

Keywords: Mexico City.

Call Number: 1334

Abstract: Shows streets, highways, railroads, subways, parks, Federal District and postal zone boundaries, names of barrios, and landmarks. On reverse: map of downtown, and indexes to major points of interest, metro stations, and streets and colonias of Mexico City and the State of Mexico.

David Bylund

The Archeological Zone of Palenque. edited by David Bylund.

Keywords: Palenque.

Call Number: 1333

Notes: purchased at Quinta Mesa Redonda de Palenque, 6/83 (excerpt from Merle Green Robertson, *The Sculpture of Palenque*, Princeton, v. 1, 1983.

Abstract: Site map of the archeological zone of Palenque, with line drawings compiled from maps drawn by H.W. Price in 1891, Blom/La Farge in 1925, Instituto Nacional de Antropologia e Historia in 1965, Linda Schele in 1964, and A.A. Penate, Moises Morales M., and M.G. Robertson in 1980.

1982 The Historic Center of the City of Mexico Walking Guide. SAC BE, S.A. de C.V., Mexico.

Keywords: Mexico City.

Call Number: 1332.5

Abstract: Pictographic map of the streets of downtown Mexico City; includes a diagram of seven suggested walking tours, an index to the major landmarks on the tours, and line drawings of the Church of Regina Coeli, College of the Vizcainas of San Ignacio, Plaza de Santo Domingo, and other landmarks. On reverse: text about each of the landmarks, and cross-references to their locations in particular map quadrants.

Bassols Batalla, A.

1961 Zonas y regiones geoeconomicas de Mexico 1961. edited by Bassols Batalla, A..

Keywords: Mexico.

Call Number: 1332

Abstract: Shows boundaries of eight geoeconomic zones (Noroeste, Norte, Noreste, Centro Occidente, Centro Sur, Pacifico Sur, Golfo de Mexico, Peninsula de Yucatan), over 100 geoeconomic regions, and state and national borders.

Quesada Salcedo, M. d. S.

1961 Poblacion de los municipios, clasificada por grupos, segun su importancia absoluta de acuerdo con el censo de poblacion de 1960. edited by Quesada Salcedo, M. d. S., Departamento de Geografia, Facultad de Filosofia y Letras, UNAM, Mexico.

Keywords: Mexico/Oaxaca.

Call Number: 1331

Abstract: Shows the population of each municipio in Mexico, placed within one of six population categories (under 2500; 2501-5000; 5001-10,000; 10,001-50,000; 50,001-500,000; over 500,000); inset shows population of the municipal divisions of Oaxaca state. B&W.

1979 Mexican oil and gas at a glance. Oil and Gas Journal / Petroleum Publishing Co., Tulsa, Oklahoma.

Keywords: Mexico/Tabasco/Oil/Gas.

Call Number: 1330

Abstract: Shows oil fields, gas and condensate fields, crude oil pipelines, natural gas pipelines, product and petrochemical pipelines, refineries, petrochemical plants, cities,

and state and international boundaries; includes insets of Tabasco (one each for oil and gas) and Baja California.

Helbig, K.

1972 Mapa turistico para el estado de Chiapas, Mexico. edited by Helbig, K., "Ed. Part."-- printed on order form, Hamburg (?).

Keywords: Chiapas.

Call Number: 1329

Abstract: Pictographical map shows major roads, towns, ruins, landmarks, agricultural products, state and national borders; includes table of distances and sketch map showing the location of Chiapas within Mexico. B&W.

Mapa de las Mixtecas. publisher and date unknown.

Keywords: Oaxaca (state)/Mixteca.

Call Number: 1328

Abstract: Sketch map of Mixteca region in southern Mexico showing cities, towns, roads, and limits of the area populated by the Oaxacan Mixtecs; B&W.

Jorge L. Tamayo

195? Carta General del Estado de Oaxaca. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Oaxaca (state).

Call Number: 1327

Notes: companion to 1326, of the western and central parts of Oaxaca state; stamped "Ex Libris Donald Robertson".

Abstract: Shows towns, railroads, roads, contour elevation lines, airports, air routes, ports, latitude and longitude, and state and district boundaries in eastern part of Oaxaca state; insets show the surroundings of Oaxaca city, and the location of the state in a sketch map of Mexico.

Jorge L. Tamayo

195? Carta General del Estado de Oaxaca. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Oaxaca (state).

Call Number: 1326

Notes: companion to 1327, showing the eastern part of Oaxaca state and a large inset of the area around Oaxaca city; stamped "Ex Libris Donald Robertson".

Abstract: Shows towns, railroads, roads, contour elevation lines, airports, air routes, ports, latitude and longitude, and state and district boundaries in western and central parts of Oaxaca state; inset shows location of the state in a sketch map of Mexico.

1978 Grupo etnico-zapoteco Distribucion etno-linguistica zapoteca en el distrito de Villa Alta, Oaxaca. Centro Regional de Oaxaca, INAH, Oaxaca.

Keywords: Oaxaca (state)/Villa Alta (region).

Call Number: 1325

Abstract: Shows the percentage of Zapotec speakers among the overall population of each municipio in Villa Alta district of Oaxaca state; and the capital of each municipio.

1965 Estado de Oaxaca. s.n..

Keywords: Oaxaca (state).

Call Number: 1324

Notes: stamped: Ex Libris Donald Robertson.

Abstract: Shows main roads, cities, towns, and state boundaries. B&W; lacks detail. Includes figures on population, area, altitude, and latitude and longitude, and small inset of the city of Oaxaca.

Kevin Healey

1992 An International Travel Map MEXICO SOUTH. edited by Kevin Healey, International Travel Map Productions, Vancouver.

Keywords:

Mexico/Puebla/Oaxaca/Veracruz/Chiapas/Morelos/Tlaxcala/Guerrero/Tabasco.

Call Number: 1323

Notes: ISBN: 0921463204.

Abstract: Shows roads, cities, towns, airports, parks, elevations, landmarks, and state and international boundaries, covering the region bounded by Guerrero, Veracruz, Tabasco, and Chiapas; includes extensive background text on geography and history, and insets of cities of Puebla and Acapulco, and ruins of Monte Alban.

Kevin Healey

1992 An International Travel Map MEXICO: BAJA CALIFORNIA. edited by Kevin Healey, International Travel Map Productions, Vancouver.

Keywords: Baja California.

Call Number: 1322

Notes: ISBN: 092146309X.

Abstract: Shows roads, cities, towns, airports, parks, elevations, landmarks, and state and international boundaries; includes extensive background text on geography and history, and insets of Ensenada and La Paz. On back cover: inset map of distances and average driving times on Baja California roads.

Kevin Healey

1994 An International Travel Map MEXICO. edited by Kevin Healey, International Travel Maps, Vancouver.

Keywords: Mexico.

Call Number: 1321

Notes: ISBN: 0921463200.

Abstract: Shows roads, cities, towns, airports, parks, ruins, elevations, landmarks, and state and international boundaries; includes inset maps of distances/driving times/time zones, and indian groups of Mexico, and a table showing each state's land area and 1990 census population.

Kevin Healey

1994 An International Travel Map YUCATAN PENINSULA. edited by Kevin Healey, International Travel Maps, Vancouver.

Keywords: Yucatan Peninsula/Peten/Belize/Quintana Roo/Campeche.

Call Number: 1320

Notes: ISBN: 0921463154.

Abstract: Shows roads, cities, towns, ruins, parks and reserves, elevations, reefs, landmarks, state and international boundaries; includes insets of Chichen Itza, Uxmal, Palenque, Isla Mujeres, Tulum, and Tikal.

1963 Touring Map of Mexico. H. M. Gousha Co., Chicago.

Keywords: Mexico.

Call Number: 1319

Notes: Texaco map.

Abstract: Shows major roads, cities, towns, landmarks, and political boundaries in Mexico, Guatemala, El Salvador, and southern U.S.; includes inset of the Pan-American highway's route through Central America, table of distances and index of states, cities and towns. 1971-1972 Plano de la Ciudad de Mexico (Map of Mexico City). Asociacion Nacional Automovilistica, Mexico City.

Keywords: Mexico City.

Call Number: 1318

Abstract: Foldout 2-sided map shows streets, railroads, airports, subway lines, parks, landmarks, and names of barrios. Attached 80-page booklet includes indexes to streets (p. 8-53), colonias and pueblos (p. 53-56), points of interest (p. 60-61) and government offices (p. 66-68).

19?? Mexico The Friendly Land Highway Routes. Departamento de Turismo, Mexico.

Keywords: Mexico.

Call Number: 1317

Abstract: Schematic map of major roads, cities, and landmarks; includes distance chart, and insets of central Mexico and air routes. On reverse of copy 1: map of main streets in downtown Mexico City (15" x 11"); reverse of copy 2 includes text and photographs related to tourism.

1964 Mexico City and Environs. Petroleos Mexicanos, Mexico.

Keywords: Mexico City.

Call Number: 1316

Abstract: Pictographic tourist map shows only main streets and landmarks, with numbers referring to short text in English and French (see reverse) on sites of interest. The Colonial downtown area is highlighted in yellow.

Ayre, L. a. V. S.

1978 Grupos etnolingüísticos del estado de Oaxaca por distrito. edited by Ayre, L. a. V. S., Centro Regional de Oaxaca, INAH, Oaxaca.

Keywords: Oaxaca (state)/Indigenous Populations (Mexico)--Languages.

Call Number: 1315

Abstract: Shows the ethnolinguistic composition of the population of Oaxaca state, broken down into districts; includes pie charts showing percentage of population groups speaking indigenous languages and bar graphs showing percentages of particular languages spoken in districts.

C.A. Rivero L.

1978 Plano Actualizado de la Península y del Estado de Yucatán. edited by C.A. Rivero L., Libromaya, Mérida.

Keywords: Yucatán (state).

Call Number: 1314

Abstract: Schematic blue/white map shows highways, railways, towns, airports, landmarks, and state and municipal boundaries of Yucatán state; includes table of distances. On reverse: schematic color map of the Yucatán peninsula showing highways, airports, archeological sites, and colonial monuments; includes northern sections of

Quintana Roo and Campeche and inset of Cozumel island, and historical outline in English and Spanish.

1994 Mexico Carreteras. Sistemas de Informacion Geografica, S.A. de C.V., Mexico.

Keywords: Mexico.

Call Number: 1313

Notes: ISBN: 9687365005.

Abstract: Paperback booklet contains seven regional maps showing main highways, cities, towns, airports, railroads, parks, and other landmarks, and main border area cities in U.S., Belize, and Guatemala. Six of seven maps ("Hermosillo," "Culiacan," "Chihuahua," "Monterrey," "Cd. de Mexico," and "Veracruz") cover facing pages, making each map 16" x 10" ("Merida" map and national map showing driving time/distance cover single pages); includes map of destinations of commercial jets and flying times; index to 2500 towns locating page and map quadrant; and national map on back cover showing geographical connection between regional maps.

1992 Hildebrand's Travel Map Mexico. KARTO+GRAFIK, Frankfurt, Germany.

Keywords: Mexico.

Call Number: 1312

Abstract: Shows cities, towns, roads, airports, railways, national parks, ruins, elevations, shipping routes, and state boundaries; includes placenames index, mileage table, and city maps of Mexico City and Guadalajara. On reverse: extensive tourist information in English/French/German.

1981 Mexico Mapa Turistico. Guia Roji, Mexico.

Keywords: Mexico.

Call Number: 1311

Abstract: Shows major cities, towns, roads, airports, state boundaries; includes inset map of Mexico D.F. and surrounding area, and table of distances between major cities. On reverse: sketch map of Mexico showing mileage and travel time between major cities, and a chart of tourist information for major cities.

1968 Mexico68 Mapa Turistico de Carreteras. Secretaria de Obras Publicas, Mexico.

Keywords: Mexico/Mexico City.

Call Number: 1310

Notes: Shows cities, state capitals, roads, ports, and recreational attractions; includes inset map (13" x 11"; 1:750,000) of central Mexico, index of placenames, and table of distances between major destinations. On reverse: small maps showing streets/roads of metropolitan Mexico City, downtown Mexico City, and 5 major cities; and table showing venues and dates of sporting events of the 1968 Olympic Games.

1966 Mexico Mapa Turistico de Carreteras. Secretaria de Obras Publicas, Mexico.

Keywords: Mexico/Mexico City.

Call Number: 1309

Abstract: Shows cities, state capitals, roads, ports, and recreational attractions; includes inset map (14" x 9"; 1:750,000) of central Mexico, index of placenames, and table of distances between major destinations. On reverse: small maps showing streets/roads of metropolitan Mexico City, downtown Mexico City, and 18 major cities.

Jorge L. Tamayo

1968 Carta General del Estado de Oaxaca. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Oaxaca (state).

Call Number: 1308

Notes: cover title: Mapas de Mexico Oaxaca.

Abstract: Shows cities, towns, roads, railways, airports, ports, topographicala contour lines, and state and municipal boundaries; insets show municipal boundaries in the central portion of the state, and the state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on mining, forestry, and agricultural production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Territorio de Quintana Roo. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Quintana Roo (territory).

Call Number: 1307

Notes: cover title: Mapas de Mexico Quintana Roo.

Abstract: Shows cities, towns, roads, towns, airports, ports, topographical contour lines, and state and municipal boundaries; inset highlights Quintana Roo in a sketch map of Mexico. On reverse: Brief essay on geography, history, economy, and population, with statistical tables on fishing, agricultural, and forestry production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Yucatan. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Yucatan (state).

Call Number: 1306

Notes: cover title: Mapas de Mexico Yucatan.

Abstract: Shows cities, towns, roads, railways, airports, ports, topographical contour lines, and state and municipal boundaries; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on agricultural, fishing, and forestry production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Zacatecas. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Zacatecas.

Call Number: 1305

Notes: cover title: Mapas de Mexico Zacatecas.

Abstract: Shows cities, towns, airports, railways, roads, topographical contour lines, and state and municipal boundaries; inset highlights state in a sketch map of Mexico. On reverse: Essay on history, geography, economy, and population, with statistical tables on forestry, mining, and agricultural production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Tamaulipas. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Tamaulipas.

Call Number: 1304

Notes: cover title: Mapas de Mexico Tamaulipas.

Abstract: Shows cities, towns, roads, railways, airports, ports, topographical contour lines, and state and municipal boundaries; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry, fishing, mining, and agricultural production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Tabasco. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Tabasco.

Call Number: 1303

Notes: cover title: Mapas de Mexico Tabasco.

Abstract: Shows cities, towns, roads, railways, airports, topographical contour lines, and state and municipal boundaries; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry, fishery, and agricultural production, and population of municipios.

Jorge L. Tamayo

195? Carta General del Estado de Sonora. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Sonora.

Call Number: 1302

Notes: cover title: Mapas de Mexico Sonora.

Abstract: Shows cities, towns, roads, railways, airports, ports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Brief essay on geography, history, economy, and population, with

statistical tables on mining, forestry, and agricultural production, and population of municipios.

Jorge L. Tamayo

195? Carta General del Estado de Sinaloa. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Sinaloa.

Call Number: 1301

Notes: cover title: Mapas de Mexico Sinaloa.

Abstract: Shows cities, towns, roads, railways, airports, ports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry, mining, and agricultural production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de San Luis Potosi. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: San Luis Potosi.

Call Number: 1300

Notes: title on cover: Mapas de Mexico San Luis Potosi.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry and agricultural production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Queretaro. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Queretaro.

Call Number: 1299

Notes: cover title: Mapas de Mexico Queretaro.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry and agricultural production, and population of municipios.

Jorge L. Tamayo

195? Carta General del Estado de Morelos. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Morelos.

Call Number: 1298

Notes: cover title: Mapas de Mexico Morelos.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry and agricultural production, and population of municipios.

Jorge L. Tamayo

195? Carta General del Estado de Puebla. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Puebla.

Call Number: 1297

Notes: cover title: Mapas de Mexico Puebla.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry, mining, and agricultural production, and population of municipios.

Jorge L. Tamayo

195? Carta General del Estado de Nuevo Leon. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Nuevo Leon.

Call Number: 1296

Notes: cover title: Mapas de Mexico Nuevo Leon.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy and population, with statistical tables on forestry, agricultural, and mining production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Nayarit. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Nayarit.

Call Number: 1295

Notes: cover title: Mapas de Mexico Nayarit.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; insets show Islas Marias, and Nayarit in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry, agricultural, and mining production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Michoacan. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Michoacan.

Call Number: 1294

Notes: cover title: Mapas de Mexico Michoacan.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry, mining, and agricultural production.

Jorge L. Tamayo

196? Carta General del Estado de Mexico. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Mexico (state).

Call Number: 1293

Notes: cover title: Mapas de Mexico Mexico.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry, mining, and agricultural production, and population of municipios.

Jorge L. Tamayo

195? Carta General del Estado de Jalisco. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Jalisco.

Call Number: 1292

Notes: cover title: Mapas de Mexico Jalisco.

Abstract: Shows cities, towns, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, economy, history, and population, with statistical tables on forestry, mining, and agricultural production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Hidalgo. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Hidalgo.

Call Number: 1291

Notes: cover title: Mapas de Mexico Hidalgo.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, economy, and population, with statistical tables on forestry, mining, and agricultural production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Guerrero. edited by Jorge L. Tamayo, Libreria Patria, Mexico.

Keywords: Guerrero.

Call Number: 1290

Notes: cover title: Mapas de Mexico Guerrero.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on forestry, mining, and agricultural production, and population of municipios.

Jorge L. Tamayo

195? Carta General del Estado de Guanajuato. edited by Jorge L. Tamayo, Libreria Patria, Mexico, D.F.

Keywords: Guanajuato.

Call Number: 1289

Notes: cover title: Mapas de Mexico Guanajuato.

Abstract: Shows, cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, economy, history, and population, with statistical tables on forestry, mining, and agricultural production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Durango. edited by Jorge L. Tamayo, Libreria Patria, Mexico, D.F.

Keywords: Durango.

Call Number: 1288

Notes: cover title: Mapas de Mexico Durango.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, economy, history, and population, with statistical tables on agricultural, mining, and forestry production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Colima. edited by Jorge L. Tamayo, Libreria Patria, Mexico, D.F.

Keywords: Colima.

Call Number: 1287

Notes: cover title: Mapas de Mexico Colima.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, economy, history, and population, with statistical tables on agricultural and forestry production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Coahuila. edited by Jorge L. Tamayo, Libreria Patria, Mexico, D.F.

Keywords: Coahuila.

Call Number: 1286

Notes: cover title: Mapas de Mexico Coahuila.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, economy, history, and population, with statistical tables on agricultural, forestry, and mining production, and population of municipios.

Jorge L. Tamayo

195? Carta General del Estado de Chihuahua. edited by Jorge L. Tamayo, Libreria Patria, Mexico, D.F.

Keywords: Chihuahua.

Call Number: 1285

Notes: cover title: Mapas de Mexico Chihuahua.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, economy, history, and population, with statistical tables on agricultural, forestry, and mining production, and population of municipios.

Jorge L. Tamayo

195? Carta General del Estado de Chiapas. edited by Jorge L. Tamayo, Libreria Patria, Mexico, D.F.

Keywords: Chiapas.

Call Number: 1284

Notes: cover title: Mapas de Mexico Chiapas.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, economy, history, and population, with statistical tables on forestry, mining, and agricultural production, and population of municipios.

Jorge L. Tamayo

196? Carta General del Estado de Campeche. edited by Jorge L. Tamayo, Libreria Patria, Mexico, D.F.

Keywords: Campeche.

Call Number: 1283

Notes: cover title: Mapas de Mexico Campeche.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, economy, history, and population, with statistical tables on forestry, fishery, and agricultural production, and population of municipios.

Jorge L. Tamayo

195? Carta General del Territorio de Baja California. edited by Jorge L. Tamayo, Libreria Patria, Mexico, D.F.

Keywords: Baja California.

Call Number: 1282

Notes: cover title: Mapas de Mexico Baja California Territorio Sur.

Abstract: Shows cities, towns, roads, railways, airports, and territorial and municipal boundaries; insets show the entire peninsula of Baja California, and territory in a sketch map of northwest Mexico. On reverse: Essay on geography, history, economy, and population, with statistical tables on population of municipios, and mining, fishery, forestry, and agricultural production.

Jorge L. Tamayo

196? Carta General del Estado de Baja California. edited by Jorge L. Tamayo, Libreria Patria, Mexico, D.F.

Keywords: Baja California.

Call Number: 1281

Notes: cover title: Mapas de Mexico Baja California [Estado].

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of northwest Mexico. On reverse: Essay on geography, economy, history and population, with statistical tables on population of municipios, and fishery, agricultural, and forestry production.

Jorge L. Tamayo

195? Carta General del Estado de Aguascalientes. edited by Jorge L. Tamayo, Libreria Patria, Mexico, D.F.

Keywords: Aguascalientes.

Call Number: 1280

Notes: cover title: Mapas de Mexico Aguascalientes.

Abstract: Shows cities, towns, roads, railways, airports, state and municipal boundaries, and topographical contour lines; inset highlights state in a sketch map of Mexico. On reverse: Essay on geography, economy, and population, with statistical tables on forestry, agricultural, and mining production, and population of municipios.

1983 Yucatan. Guia Roji, Mexico, D.F.

Keywords: Yucatan (state).

Call Number: 1279

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Yucatan.

1982 Veracruz. Guia Roji, Mexico, D.F.

Keywords: Veracruz.

Call Number: 1278

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Veracruz.

1985 Tlaxcala. Guia Roji, Mexico, D.F.

Keywords: Tlaxcala.

Call Number: 1277

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Tlaxcala.

1983 Tamaulipas. Guia Roji, Mexico, D.F.

Keywords: Tamaulipas.

Call Number: 1276

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Tamaulipas.

1980 Tabasco. Guia Roji, Mexico, D.F.

Keywords: Tabasco.

Call Number: 1275

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Tabasco.

1984 Sonora. Guia Roji, Mexico, D.F.

Keywords: Sonora.

Call Number: 1274

Abstract: Shows roads, railways, towns, cities, airports, parks, and state and municipal boundaries of the state of Sonora.

1983 Sinaloa. Guia Roji, Mexico, D.F.

Keywords: Sinaloa.

Call Number: 1273

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Sinaloa.

1983 Quintana Roo. Guia Roji, Mexico, D.F.

Keywords: Quintana Roo.

Call Number: 1272

Abstract: Shows roads, cities, towns, airports, parks, and state and municipal boundaries of the state of Quintana Roo.

198? Queretaro. Guia Roji, Mexico, D.F.

Keywords: Queretaro.

Call Number: 1271

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Queretaro.

1987 Puebla y Ciudad de Puebla. Guia Roji, Mexico, D.F.

Keywords: Puebla.

Call Number: 1270

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Puebla. On reverse: City map (1:20,000; 21" x 20") showing main streets and landmarks, with insets of Cholula de Rivadavia and Recuadro B, and index of streets and colonias.

1983 Oaxaca y Ciudad de Oaxaca. Guia Roji, Mexico, D.F.

Keywords: Oaxaca.

Call Number: 1269

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Oaxaca. On reverse: City map of Oaxaca and surroundings (1:15,000; 34" x 22") showing major streets and landmarks, with index of streets and colonias.

1980 Nvo. Leon y Monterrey. Guia Roji, Mexico, D.F.

Keywords: Nuevo Leon/Monterrey.

Call Number: 1268

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Nuevo Leon. On reverse: City map of Monterrey (25" x 18"; 1:42,000) showing streets and landmarks.

Nayarit. Guia Roji, Mexico, D.F.

Keywords: Nayarit.

Call Number: 1267

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Nayarit.

1987 Morelos y Cuernavaca. Guia Roji, Mexico, D.F.

Keywords: Morelos/Cuernavaca.

Call Number: 1266

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Morelos. On reverse: City map of Cuernavaca (21" x 29"; 1:25,000; 1988) showing major streets and landmarks.

1987 Mexico y Ciudad de Toluca. Guia Roji, Mexico, D.F.

Keywords: Mexico (state)/Toluca.

Call Number: 1265

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Mexico. On reverse: City map of Toluca showing streets and landmarks.

1983 Michoacan. Guia Roji, Mexico, D.F.

Keywords: Michoacan.

Call Number: 1264

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Michoacan.

Jalisco y Guadalajara. Guia Roji, Mexico, D.F.

Keywords: Jalisco/Guadalajara.

Call Number: 1263

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Jalisco. On reverse: City map of Guadalajara (28" x 21"; 1:35,000) shows streets and landmarks in the city and surrounding areas, including Tlaquepaque and Zapopan.

1985 Hidalgo. Guia Roji, Mexico, D.F.

Keywords: Hidalgo.

Call Number: 1262

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Hidalgo.

1984 Guerrero y Acapulco. Guia Roji, Mexico, D.F.

Keywords: Guerrero.

Call Number: 1261

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of Guerrero state. On reverse: City map of Acapulco and surroundings (26" x 18") shows main streets and landmarks, with insets of Area Pie de la Cuesta, Tres Palos, and Area Revolcadero.

1987 Guanajuato y Ciudad de Guanajuato. Guia Roji, Mexico, D.F.

Keywords: Guanajuato.

Call Number: 1260

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of Guanajuato State. On reverse: Map (21" x 11") of main streets and landmarks of the city of Guanajuato.

1985 Durango. Guia Roji, Mexico, D.F.

Keywords: Durango.

Call Number: 1259

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Durango.

1983 Colima. Guia Roji, Mexico, D.F.

Keywords: Colima.

Call Number: 1258

Abstract: Shows roads, railways, cities, towns, airports, and state and municipal boundaries of Colima state; includes inset map of Islas Revillagigedo.

1983 Coahuila. Guia Roji, Mexico, D.F.

Keywords: Coahuila.

Call Number: 1257

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Coahuila.

1985 Chihuahua. Guia Roji, Mexico, D.F.

Keywords: Chihuahua.

Call Number: 1256

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Chihuahua.

198? Chiapas. Guia Roji, Mexico, D.F.

Keywords: Chiapas.

Call Number: 1255

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Chiapas.

1900 Campeche. Guia Roji, Mexico, D.F.

Keywords: Campeche.

Call Number: 1254

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Campeche.

1981 Baja California Sur. Guia Roji, Mexico, D.F.

Keywords: Baja California Sur.

Call Number: 1253

Abstract: Shows roads, cities, towns, airports, parks, and state and municipal boundaries of the state of Baja California Sur.

1984? Baja California Norte. Guia Roji, Mexico, D.F.

Keywords: Baja California Norte.

Call Number: 1252

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Baja California Norte.

1984 Aguascalientes. Guia Roji, Mexico, D.F.

Keywords: Aguascalientes.

Call Number: 1251

Abstract: Shows roads, railways, cities, towns, airports, parks, and state and municipal boundaries of the state of Aguascalientes.

Richard J. Darley, C. C.

1980 Mexico and Central America. edited by Richard J. Darley, C. C., National Geographic Society, Washington.

Keywords: Mexico/Central America.

Call Number: 1250

Notes: 3 copies; insert in National Geographic Magazine, December 1980.

Abstract: Shows the Mexican state boundaries, major cities, roads, rivers, canals, railroads, oil pipelines, and airports, and indicates elevations of mountain peaks and depths of ocean trenches; shows Guatemala, El Salvador, and south U.S. Inset map (10" x 8") Shows Honduras, Nicaragua, Costa Rica, and Panama. Two maps on reverse under the title "Visitor's Guide to the Aztec World": 1) Valley of Mexico (15" x 12") and 2) Mexico City (20" x 12") showing major roads, parks. Each includes brief text about and index of archeological and other sites to visit.

1973 Coatzacoalcos and Pajaritos / Gulf of Mexico / Mexico-East Coast. Defense Mapping Agency Hydrographic Center, Washington, D.C.

Keywords: Coatzacoalcos /Navigation.

Call Number: 1249

Notes: From Mexican surveys in 1971.

Abstract: Shows street, landmarks and geographic features along the east coast of Mexico at the mouth of the Río Coatzacoalcos. Functions as a very general map of the city of Coatzacoalcos. Shows ocean soundings in adjacent areas of the Gulf of Mexico, and in the river mouth, as well as in the Darsena de Pajaritos.

1970 Mexico Mapa Turistico de Carreteras. Secretaria de Obras Publicas; Departamento de Turismo; Petroleos Mexicanos, Mexico.

Keywords: Mexico/Mexico City/Guadalajara/Puebla/Ciudad Juarez/Acapulco.

Call Number: 1248

Abstract: Shows major roads and cities, state boundaries and capitals. Includes inset map of central Mexico (14" x 11"); table of distances; and index of place names. Reverse side contains city maps of Mexico City, Guadalajara, Puebla, Ciudad Juarez, and Acapulco; and a checklist of tourist facilities in a number of cities; in color.

1987 Ciudad de Guadalajara. Guia Roji, Mexico, D.F.

Keywords: Guadalajara.

Call Number: 1247

Abstract: Shows streets of Zapopan, Tlaquepaque, Tonalá, and Sectores Libertad, Reforma, Hidalgo, and Juárez; street index on reverse.

1987 Ciudad de Monterrey. Guia Roji, Mexico, D.F.

Keywords: Monterrey.

Call Number: 1246

Abstract: Shows streets of General Escobedo, Santa Catarina, Apodaca, Garza Garcia, Guadalupe, San Nicolas de los Garza; and street index on reverse.

Lopez Santoyo, A.

1967 Plano de la Ciudad Universitaria: CU 1968. edited by Lopez Santoyo, A., UNAM Instituto de Geografia, Mexico, D.F.(?).

Keywords: Universidad Nacional Automoma de Mexico.

Call Number: 1245

Abstract: Plan of buildings, roads, facilities at the University of Mexico. Black and White (orange areas indicate seating areas for 1968 Olympic Games); includes topographical countour lines.

1941 Tabasco: Mapa para el Turista. Secretaria de Agricultura y Fomento / Direccion de Geografia e Hidrologia, Mexico, D.F.(?).

Keywords: Tabasco.

Call Number: 1244

Abstract: Shows Tabasco State and surroundings, including towns, rivers, ranches.

1967 Mapa de Oaxaca: Olimpiada 1968 Mexico.

Keywords: Oaxaca (state).

Call Number: 1243

Abstract: Shows Oaxaca State and immediate surroundings, indicating highways and railroads, cities, towns and haciendas. Color.

Ewald, U.

1984 Colonial New Spain. edited by Ewald, U..

Keywords: Mexico (colonial).

Call Number: 1242

Notes: Insert in Jahrbuch fur Geschichte von Staat, Wirtschaft und Gesellschaft Lateinamerikas, 970.J25 vol.21; copy 1 of map is in the book.

Abstract: Shows Central Mexico (Tampico-Durango-Guadalajara on the north to the Isthmus of Tehuantepec on the south). Includes seats of archbishops, bishops, residences of alcaldes mayores, corregidores and gobernadores; and diocesan or provincial boundaries. B&W.

1968 Archeological Map of Middle America: Land of the Feathered Serpent. National Geographic Society, Washington.

Keywords: Mexico/Guatemala/Belize/El Salvador/Yucatan.

Call Number: 1241

Notes: supplement to National Geographic, October 1968.

Abstract: Shows the south of Mexico (south of Acapulco/Mexico City/Tampico), Guatemala, Belize, El Salvador, and western Honduras, including archeological sites, cities, roads, landmarks, state boundaries in Mexico, and international boundaries; text on aspects of native cultures, small insets of Teotihuacan, Monte Alban, Chichen Itza, and Tikal. On reverse: map index, inset (10" x 8") of the Valley of Mexico, timeline, and text on "Middle America Before Cortes."

Wigberto Jimenez y Moreno

1937 Mapa Linguistico de Norte- y Centro-America: Segun los ultimos estudios de Swanton, Kroeber y Dixon, Lehmann, Schmidt, Sapir, Mendizabal y Jimenez Moreno. edited by Wigberto Jimenez y Moreno, Instituto Panamericano de Geografia e Historia; Instituto Mexicano de Investigaciones Linguisticas, Mexico.

Keywords: Mexico.

Call Number: 1240

Notes: undefined role in publication: Museo Nacional.

Abstract: Shows color-coded regions where indigenous languages are spoken in Mexico, the United States, southern Canada, Central America, and the Caribbean; shows national borders of Central America, and state/provincial borders in Mexico, the U.S., and southern Canada; includes a classification key which places the languages within language groups.

1968 Atlantic Ocean. National Geographic Society, Washington.

Keywords: Latin America (west coast)/Atlantic Ocean.

Call Number: 1239

Abstract: Shows the entire Atlantic Ocean and surrounding countries in Africa, Europe, and the Americas (east coast of South America, Central America, and Mexico), including warm and cold currents, ocean depths, fracture zones, longitude and latitude, major cities and national boundaries; includes a chart of distances across the Atlantic. On reverse: pictographic map of Atlantic Ocean floor covering the same area, including ocean floor depths.

1969 Pacific Ocean. National Geographic Society, Washington.

Keywords: Latin America (west coast)/Pacific Ocean.

Call Number: 1238

Notes: Supplement to National Geographic, October 1969.

Abstract: Shows the entire Pacific Ocean and surrounding countries in Asia and the Americas (west coast of South America, Central America, and Mexico), including warm and cold currents, ocean depths, fracture zones, longitude and latitude, major cities and national boundaries; includes a chart of distances across the Pacific. On reverse: pictographic map of Pacific Ocean floor covering the same area, including ocean floor depths.

Alfred A. Bumstead

1934 Mexico, Central America and the West Indies. edited by Alfred A. Bumstead, National Geographic Society, Washington.

Keywords: Mexico/Central America/Caribbean/Cuba.

Call Number: 1237

Abstract: Shows Mexico, Central America, northern Colombia and Venezuela, and southern U.S., including major cities, towns, roads, rivers, and landmarks, and international and Mexico and U.S. state boundaries; includes inset map of Cuba (18" x 6"), and smaller maps of Jamaica, Puerto Rico, Panama Canal Zone, and Bermuda.

William T. Perle, C. C.

1977 Colonization and Trade in the New World. edited by William T. Perle, C. C., National Geographic Society, Washington.

Keywords: Central America/Mexico/Caribbean.

Call Number: 1236

Notes: Supplement to National Geographic Magazine, December 1977.

Abstract: Shows Mexico, Central America and Caribbean; most of North America; and northern South America; includes text describing major events of colonization and related naval or land battles; "This map is a composite based on charts designed about 1720 by cartographer Herman Moll, a Dutchman who lived in London. Spellings and typefaces are contemporary with that period. Map colors reflect the claims of rival nations: France--green; Spain--orange; Britain--yellow." On reverse: "History Salvaged from the Sea": text and drawings of remnants of the colonial era salvaged from New World shipwrecks.

1964 1965 Airline Map of Central America and South America. Official Airline Guide, Chicago.

Keywords: Latin America.

Call Number: 1235

Notes: Insert in Official Airline Guide, November 1964. Part III.

Abstract: Shows commercial airline routes in Mexico, Central America, the Caribbean, and southern U.S. cities; includes insets of southern Brazil/Uruguay/Buenos Aires/Paraguay, central Brazil, Colombia, Central America, and the Caribbean "airline key" identifying two-letter codes assigned to each airline with routes shown on the map.

John F. Shupe

1992 Spain in the Americas. edited by John F. Shupe, National Geographic Society, Washington.

Keywords: Spanish America.

Call Number: 1234

Abstract: Shows the extent of Spanish colonization in the Americas in 15th/16th centuries, major Indian cultures (Aztec/Maya/Inca), discovery routes of explorers, boundary of Spanish and Portuguese territory under Treaty of Tordesillas (1494) and brief text on major colonial figures (Columbus, Ferdinand and Isabella, Magellan, Vespucci, Pizarro, Las Casas, Balboa, Malinche, Cortes, Cabeza de Vaca, Ponce de Leon,

De Soto, Coronado). On reverse: "The Grand Exchange" (13" x 13"), shows agricultural products exchanged between Old and New Worlds, with accompanying text/drawings.

1979 Jamaica. General Drafting Co., Convent Station, N.J.

Keywords: Jamaica.

Call Number: 1233

Notes: Based on the 1/50,000 topographical map series in the Survey Department, Jamaica.

Abstract: Shows roads, cities, towns, landmarks, and county and parish boundaries; includes inset maps of Ocho Rios and Port Antonio, sightseeing guide, mileage chart and indexes to placenames, principal hotels, public beaches and principal points of interest. On reverse: city map of Kingston and Lower St. Andrew (21 x 17") with street index, and smaller street maps of Montego Bay, Spanish Town, and Mandeville.

Cervantes, L.

1976 Mapa General Republica de Honduras. edited by Cervantes, L., Ministerio de Comunicaciones, Obras Publicas y Transporte / Departamento de Estudios y Proyectos, Tegucigalpa.

Keywords: Honduras.

Call Number: 1232

Abstract: Shows department and national boundaries, latitude and longitude, towns, and roads, categorized as paved, all-weather, or summer; lists distances in kilometers of all roads (paved/all-weather/summer) in Honduras.

1976 Republica de Honduras Mapa General. Instituto Geografico Nacional, Tegucigalpa.

Keywords: Honduras.

Call Number: 1231

Notes: workroom map case, MARI/LAL map collection drawer.

Abstract: Shows cities, towns, roads, railways, ports, topographical contour lines, latitude and longitude, and department and national boundaries.

1976 Mapa Geologico Minas de Oro, Honduras, C. A. Instituto Geografico Nacional, Tegucigalpa.

Keywords: Honduras/Minas de Oro (province)/Geology.

Call Number: 1230

Notes: Prepared in cooperation with Inter-American Geodetic Survey and Wesleyan University.

Abstract: Geological map of Minas de Oro region shows contour elevation lines, latitude/longitude, and type of rock formations (shown in color-coded areas), fault lines, and other geological features; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

Geo. F, C.

Bermuda Islands. edited by Geo. F, C., F. Cram, Chicago, Ill, USA.

Keywords: Bermuda; Bahamas.

Call Number: 1229

Notes: Originally part of an atlas.

Abstract: Shows political divisions of Bermuda, roads, towns and landmarks. Includes 2 maps on reverse: United States; and Bahamas Islands.

1989 Honduras y Centroamerica. Graficentro Editores, Honduras.

Keywords: Honduras/Central America.

Call Number: 1229

Abstract: Shows Honduras' main roads, cities, towns, and provincial and international boundaries; includes distance chart, placename index, several paragraphs of geographical information, and insets of Tegucigalpa/Comayaguela, San Pedro Sula, and La Ceiba. On reverse: Central America, showing main highways, cities, airports, international boundaries; includes distance chart, placename index, and several paragraphs of geographical information. Color.

Aguilar Paz, J.

1954 Mapa General de la Republica de Honduras. edited by Aguilar Paz, J..

Keywords: Honduras; Tegucigalpa (city).

Call Number: 1228

Notes: Designed in cartography division, National Geography Council of Brasil; Pencil notation on reverse: Received 1986 (or 1987).

Abstract: Shows cities, towns, roads, rivers, ranches, mines, islands, ports, ruins, swamps, departmental boundaries; includes chart of departmental capitals, area, populations, and 7 inset maps; Plano de las Ciudades de Tegucigalpa y Comayagua (7" x 8"); Honduras en la America Central (12" x 9"); and a series of 5 maps (7" x 4") showing terrain type, population density, climatic zones, mountain ranges, and annual rainfall. Color.

1969 A Guide to the Ruins of Tikal Guatemala. copyright applied for by the Asociacion Tikal, Guatemala.

Keywords: Tikal, Guatemala (ruins).

Call Number: 1227

Notes: map removed from, Excavations at Tajumulco, Guatemala (LAL F1465.1T5C6); copy 2 a gift of Carroll Mace 12/29/78; also cataloged as #1083.

Abstract: Shows buildings, causeways, reservoirs, paths, airfield, and topographical contour lines. B&W.

183? The Territory of Verapas Ceded by the Federal Government of Central America to the Directors of the British Company of Agriculture, Commerce and Colonization With Part of the Surrounding Country, Compiled and Corrected from the Latest Authorities and Original Surveys Never Before Published. London (?).

Keywords: Guatemala.

Call Number: 1226

Notes: negative photostat; original map is in Rare 972.81E13b (published 1839).

Abstract: Shows the entire region known as Verapas, including all of present-day Guatemala and Belize, the southern Yucatan Peninsula west to the Isthmus of Tehuantepec, and parts of El Salvador and Honduras; shows rivers, lakes, coastlines, mountain ranges, and latitude and longitude.

1963 La Antigua Guatemala. Instituto Guatemalteco de Turismo.

Keywords: Antigua Guatemala (city).

Call Number: 1225

Notes: 2nd title: La muy noble y muy leal ciudad de Santiago de los Caballeros de Goathemala.

Abstract: Shows the streets and monuments of the center of Antigua, including an index to hotels and monuments and a dotted line indicating the route of processions through the city.

1976 Mapa de la Republica de Guatemala Listado de Departamentos y Municipios.

Direccion General de Estadistica / Seccion de Cartografia y Dibujos, Guatemala.

Keywords: Guatemala.

Call Number: 1224

Abstract: Shows national, department, and municipal boundaries; includes a list of departments and municipios and cross-references indicating map location.

1978 Mapa de Fracturas Sismos de Febrero 1976 Valle de Guatemala. Instituto Geografico Nacional, Guatemala.

Keywords: Guatemala (city).

Call Number: 1223

Abstract: Shows seismic fractures and topographical contour lines on a map of roads, buildings, and landmarks in Guatemala City and surrounding area.

1960 Mapa de la Republica de Guatemala. General Drafting Co., Convent Station, N.J.

Keywords: Guatemala/Belize.

Call Number: 1222

Notes: "Este mapa lo autoriza la Direccion General de Cartografia como segunda edicion del publicado en 1953, con actualizacion de carreteras principales unicamente."

Abstract: Shows main roads, cities, landmarks, and departmental and international boundaries; shows all of Guatemala and Belize and parts of El Salvador, Honduras, and

Mexico; includes index of placenames. On reverse: inset (23" x 8") of Panamerican Highway's route through the isthmus and a smaller inset of the Highway's route through southern Mexico, photographs of major sites of interest and text on Guatemala's geography and history.

1962 Zacapa, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Zacapa (region).

Call Number: 1221

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Zacapa region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, and main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Totonicapan, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Totonicapan (region).

Call Number: 1220

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Totonicapan region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, and main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Timushan, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Timushan (region).

Call Number: 1219

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Timushan region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, and main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Tesoro, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Tesoro (region).

Call Number: 1218

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Tesoro region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, and main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Tecpan Guatemala, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Tecpan Guatemala (region).

Call Number: 1217

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of U.S. Army Corps of Engineers. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Tecpan Guatemala region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, and main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Tahuexco, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Tahuexco (region).

Call Number: 1216

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of U.S. Army Corps of Engineers. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Tahuexco region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, and main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Solola, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Solola (region)/Lake Atitlan.

Call Number: 1215

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Solola region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, north side of Lake Atitlan, and main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Secocbol, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Secocbol (region).

Call Number: 1214

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Secocbol region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Sebol, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Sebol (region).

Call Number: 1213

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Sebol region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Searranx, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Searranx (region).

Call Number: 1212

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Searranx region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 San Marcos, Guatemala. Direccion General de Cargo, Guatemala.

Keywords: Guatemala/San Marcos (region).

Call Number: 1211

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of San Marcos region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Santa Catarina Ixtahuacan. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Santa Catarina Ixtahuacan (region).

Call Number: 1210

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Santa Catarina region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 San Lucas Toliman, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/San Lucas Toliman (region).

Call Number: 1209

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of San Lucas Toliman region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 San Lorenzo, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/San Lorenzo (region).

Call Number: 1208

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of San Lorenzo region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Retalhuleu, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Retalhuleu (region).

Call Number: 1207

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Retalhuleu region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Quezaltenango, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Quezaltenango (region).

Call Number: 1206

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Quezaltenango region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Pasaco, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Pasaco (region).

Call Number: 1205

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Pasaco region shows contour elevation lines, latitude/longitude, mountain peaks, lakes, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Ocos, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Ocos (region).

Call Number: 1204

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Ocos region shows contour elevation lines, latitude/longitude, mountain peaks, lakes, ocean expanses, forested areas, main

landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Moyuta, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Moyuta (region).

Call Number: 1203

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Moyuta region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Manchon, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Manchon (region).

Call Number: 1202

Notes: Prepared in cooperation with Inter-American Geodetic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Manchon region shows contour elevation lines, latitude/longitude, mountain peaks, lakes, ocean expanses, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Malacatan, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Malacatan (region).

Call Number: 1201

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Malacatan region shows contour elevation lines, latitude/longitude, mountain peaks, lakes, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Los Cerritos, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Los Cerritos (region).

Call Number: 1200

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Los Cerritos region shows contour elevation lines, latitude/longitude, mountain peaks, lakes, forested areas, ocean expanses, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Las Lisas, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Las Lisas (region).

Call Number: 1199

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of Las Lisas region shows contour elevation lines, latitude/longitude, landmarks, and ocean expanses; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Laguna de Retana, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Laguna de Retana (region).

Call Number: 1198

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Laguna de Retana region shows contour elevation lines, latitude/longitude, mountain peaks, lakes, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Lago de Guija, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Lago de Guija (region).

Call Number: 1197

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Lago de Guija region shows contour elevation lines, latitude/longitude, mountain peaks, lakes, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 La Union, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/La Union (region).

Call Number: 1196

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of La Union region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Jutiapa, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Jutiapa (region).

Call Number: 1195

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Jutiapa region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Joyabaj, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Joyabaj (region).

Call Number: 1194

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Joyabaj region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Jocotan, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Jocotan (region).

Call Number: 1193

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Jocotan region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Jerez, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Jerez (region).

Call Number: 1192

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Jerez region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Jalapa, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Jalapa (region).

Call Number: 1191

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Jalapa region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Ipala, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Ipala (region).

Call Number: 1190.5

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Ipala region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Granados, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Granados (region).

Call Number: 1190

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Granados region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Garita Chapina, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Garita Chapina (region).

Call Number: 1189

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Garita Chapina region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series, and "indice de cuadrangulos" shows location of region within a sketch map of Guatemala.

1961 Flores Costa Cuca, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Flores Costa Cuca (region).

Call Number: 1188

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Flores Costa Cuca region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Esquipulas, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Esquipulas (region).

Call Number: 1187

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Esquipulas region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Escuintla, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Escuintla (region).

Call Number: 1186

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Escuintla region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 El Colorado, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/El Colorado (region).

Call Number: 1185

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of El Colorado region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 El Chol, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/El Chol (region).

Call Number: 1184

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of El Chol region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Comapa, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Comapa (region).

Call Number: 1183

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Comapa region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Colomba, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Colomba (region).

Call Number: 1182

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Colomba region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Coatepeque, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Coatepeque (region).

Call Number: 1181

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Coatepeque region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Ciudad Tecun Uman, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Ciudad Tecun Uman (region).

Call Number: 1180

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Ciudad Tecun Uman region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Chichicastenango, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Chichicastenango (region).

Call Number: 1179

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Chichicastenango region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Chicacao, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Chicacao (region).

Call Number: 1178

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Chicacao region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Chanmagua, Guatemala. Direccion General de Guatemala, Guatemala.

Keywords: Guatemala/Chanmagua (region).

Call Number: 1177

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Chanmagua region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Champerico, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Champerico (region).

Call Number: 1176

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Champerico region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Chahal, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Chahal (region).

Call Number: 1175

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Chahal region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Chacalte, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Chacalte (region).

Call Number: 1174

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Chacalte region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Cerro Montecristo, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Cerro Montecristo (region).

Call Number: 1173

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Cerro Montecristo region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Caballo Blanco, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Caballo Blanco (region).

Call Number: 1172

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Caballo Blanco region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice

de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1960 Bracitos, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Bracitos (region).

Call Number: 1171

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Bracitos region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1962 Bolonco, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Bolonco (region).

Call Number: 1170

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Bolonco region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1961 Asuncion Mita, Guatemala. Direccion General de Cartografia, Guatemala.

Keywords: Guatemala/Asuncion Mita (region).

Call Number: 1169

Notes: Prepared in cooperation with Inter-American Geodesic Service and "Servicio Cartografico Militar" (AMS) of the U.S. This series is similar in appearance to USGS quadrangle series.

Abstract: Topographical map of the Asuncion Mita region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks and roads; "indice de hojas adjacentes" shows geographical relation to adjacent maps in the series.

1978 Guatemala Mapa Turistico-Tourist Map. Instituto Geografico Nacional, Guatemala City.

Keywords: Guatemala.

Call Number: 1168

Abstract: Shows highways, principal cities and towns, railways; and prominently displays archeological sites; also shows nearly all of Belize; includes distance chart. On reverse: Street maps of central Guatemala City (12 x 19) and Quezaltenango (9" x 7"), identifying main points of interest.

Kevin Healey

1991 An International Travel Map GUATEMALA

EL SALVADOR. edited by Kevin Healey, International Travel Map Productions, Vancouver, Canada.

Keywords: Guatemala/El Salvador.

Call Number: 1167

Notes: ISBN: 0921463642.

Abstract: Shows cities, towns, roads, airports, parks, elevations (color coded), and departmental and international boundaries; includes insets of Guatemala City environs, ruins of Tikal, Quirigua, and Zaculeu, and textual information on the geography and history of the two countries.

1979 Guatemala. Rand McNally & Co..

Keywords: Guatemala.

Call Number: 1166

Notes: Based on Instituto Geografico Nacional 1959 edition.

Abstract: Shows cities, towns, department capitals and boundaries, highways and lesser roads, and archeological sites; includes mileage chart, index of towns, city maps of Guatemala City and Quezaltenango, a brief geographical essay, and photographs of tourism sites. On reverse: Map of Central America (17" x 17"; 1cm=29km) showing main cities and roads; includes mileage chart index of towns.

1974 Guatemala Mapa Turistico de Carreteras... Instituto Geografico Nacional, Guatemala.

Keywords: Quezaltenango (city).

Call Number: 1165

Abstract: Shows the main streets, points of interest, parks, etc.; includes an inset map (9" x 7"; 1:25,000) of the city of Quezaltenango. On reverse: Map of archeological sites (17" x 23") in the entire country, showing main highways, railways, rivers, and cities, and locations of 60 sites; includes a table of distances between major destinations.

1993 Guatemala: Mapa Turistico / Tourist Map. Instituto Geografico Militar.

Keywords: Guatemala.

Call Number: 1164

Abstract: Contains a map of Guatemala (15" x 21"), an inset map of southern Guatemala; and plans of Guatemala City (15" x 21"), Antigua, Chichicastenango, Huehuetenango, Quetzaltenango, and several other towns on verso. Includes index of placenames and table of distances. Color.

Shawe, W.

Map of Guatemala and the Adjacent Countries. edited by Shawe, W..

Keywords: Guatemala/British Honduras/Yucatan/Campeche/Tabasco.

Call Number: 1163

Notes: Insert in Biologia Centrali Americana, LAL Rare F1465.M3 1979.

Abstract: Shows Guatemala, British Honduras, Yucatan, Campeche, Tabasco and most of Chiapas, El Salvador and Honduras; shows geographical contours. B&W.

1973 Republica de El Salvador. Ministerio de Obras Publicas / Instituto Geografico Nacional, San Salvador.

Keywords: El Salvador.

Call Number: 1162

Abstract: Shows towns, roads, rivers, capitals, and department and national boundaries; inset shows location of El Salvador within Central America. On reverse: tables on distances, river lengths, lake sizes, peak elevations, and small maps of El Salvador showing elevations in relief, and population (rural/urban) and area of departments. Color.

1976 El Salvador Centro America Mapa Turistico. Instituto Salvadoreno de Turismo, San Salvador.

Keywords: El Salvador/San Salvador.

Call Number: 1161

Abstract: Shows major cities, towns, ruins, roads, landmarks, agricultural products, department and national boundaries; includes distance chart and index of towns. On reverse: map of San Salvador (1:15,000; 23" x 13") showing streets, parks, and landmarks, with index to major sites of interest; and small insets of San Miguel and Santa Ana.

1979 El Salvador America Central. Rand McNally.

Keywords: El Salvador/Central America.

Call Number: 1160

Abstract: Shows El Salvador on one side; with inset maps of San Salvador, San Miguel, and Santa Ana; includes a chart of distances and placename index. Shows Central America on the other side (26" x 13"), with a separate chart of distances and placename index; in color.

1992 Plano de la Ciudad de Quito Plano Guia. Instituto Geografico Militar, Quito (?).

Keywords: Quito.

Call Number: 1159

Abstract: Introductory section (16 pages) includes instructions on using the guide, and general information about Quito, including emergency phone numbers. Main section includes sectional maps showing streets, neighborhoods, public buildings, parks, and

elevations (p. 1-48); Quito and surroundings map (p. 49-50); bus map (p. 51-52); indexes to streets, public buildings, and parks (p. 54-79); and table of distances (p. 81-82).

Kevin Healey

1993 An International Travel Map ECUADOR. edited by Kevin Healey, International Travel Map, Vancouver, Canada.

Keywords: Ecuador.

Call Number: 1158

Notes: ISBN: 0921463278.

Abstract: Shows cities, towns, airports, elevations (color coded), and international and provincial boundaries; includes small insets of Quito, Guayaquil, and Ecuador and the Galapagos Islands.

Plano Llave de Santo Domingo / Key Map of Santo Domingo. publisher and date unknown.

Keywords: Santo Domingo/Dominican Republic.

Call Number: 1157

Abstract: City street map shows neighborhoods, airports, parks, suburbs, industrial and forested areas. Black, White and Pink. Map runs from one side of the sheet to the other.

1985 Mapa de la Republica Dominicana. Instituto Geografico Universitario, Santo Domingo.

Keywords: Shows provincial boundaries and capitals, roads, airports and lighthouses; and the elevations of major peaks. Color.

Call Number: 1156

Ramiro E. Iglesias

1947 Panoramic Map of Havana. edited by Ramiro E. Iglesias, Cuban Tourist Commission, Havana.

Keywords: Havana (city)/Cuba.

Call Number: 1155

Abstract: Pictographic map of streets, squares, parks, buildings, piers, and landmarks, with an index to major sites of touristic interest.

1972 Mapas de Costa Rica y San Jose. Departamento de Promocion del Instituto Costarricense de Turismo / Instituto Geografico Nacional, San Jose.

Keywords: Costa Rica/San Jose.

Call Number: 1154

Notes: .

Abstract: Shows major cities, towns, roads, railroads, airports, provincial and national boundaries; includes inset of San Jose and environs, mileage chart, and short text on each provincial capital. On reverse: central San Jose (24" x 19"; 1:10,000) showing streets, parks, landmarks, with index to business and government offices.

199? San Jose Historico Mapa de Edificios Patrimoniales. Asociacion Costarricense del Consejo Internacional de Monumentos y Sitios, San Jose.

Keywords: San Jose, Costa Rica/Historic Buildings.

Call Number: 1153

Abstract: Schematic map of downtown streets of San Jose, indicating the location of each of 39 historic buildings. On reverse: list of the 39 buildings, with a photograph and brief text on each building.

Dengo, G.

1944 Mapa Geologico Generalizado de la Provincia de Guanacaste y Zonas Adyacentes. edited by Dengo, G., Instituto Geografico de Costa Rica, San Jose.

Keywords: Costa Rica (Guanacaste Province).

Call Number: 1152

Abstract: Shows topographical contour lines, elevations, seismic faults, types of rock formations (classed igneous or sedimentary and by geologic eras), rivers, lakes, and major towns.

1962 Mapa de Costa Rica. Instituto Geografico de Costa Rica, San Jose.

Keywords: Costa Rica.

Call Number: 1151

Abstract: Shows main cities, towns, highways, railways, rivers, elevations (color coded), and departmental and international boundaries; includes insets of Isla del Coco and the altitudes of volcanoes and mountain peaks (shown in profile); and table showing land area and population of departments.

1961 Mapa Politico de Costa Rica. Instituto Geografico de Costa Rica, San Jose.

Keywords: Costa Rica.

Call Number: 1150

Abstract: Shows major cities, towns, roads, railways, rivers, and departmental and international boundaries (color shaded); includes inset of Isla del Coco and table showing land area and population of departments.

Kevin Healey

1993 An International Travel Map COSTA RICA. edited by Kevin Healey, ITMB Publishing/World Wide Books & Maps, Vancouver, Canada.

Keywords: Costa Rica.

Call Number: 1149

Notes: ISBN: 0921463022.

Abstract: Shows cities, towns, roads, airports, landmarks, swamps, beaches, national parks and protected areas, elevations (color coded), and provincial and international boundaries; includes insets of San Jose and environs, and Isla del Coco, and several text paragraphs of historical and geographical information.

1955 Ciudad de Pasto Plano Aerofotogrametrico. Instituto Geografico de Colombia "Agustin Codazzi", Bogota (?).

Keywords: Pasto, Colombia (city).

Call Number: 1148

Abstract: Shows topographical lines, roads, parks, buildings, and landmarks in the city of Pasto, Colombia (Departamento de Nariño).

Republic of Colombia. Colombia Information Service, New York.

Keywords: Colombia.

Call Number: 1147

Abstract: Shows department capitals, rivers, ports, and department and national borders; small inset shows the geographical location of Colombia. Color.

1959 Republica de Colombia Carta General (Dpto. de Bolivar) Plancha 23. Instituto Geografico "Agustin Codazzi", Bogota (?).

Keywords: Colombia/Bolivar (department).

Call Number: 1146

Abstract: Shows topographical lines, cities, towns, roads, airports, parks, landmarks, departmental and municipal boundaries of sections of the department of Bolivar, Colombia. On reverse: sketch map shows the location within Colombia of region shown on reverse.

1959 Republica de Colombia Carta General (Dptos. de Magdalena, Atlantico, y Bolivar) Planchas 16-17. Instituto Geografico "Agustin Codazzi", Bogota (?).

Keywords: Colombia/Magdalena (department)/Atlantico (department)/Bolivar (department).

Call Number: 1145

Abstract: Shows topographical lines, cities, towns, roads, airports, parks, landmarks, departmental and municipal boundaries of sections of the departments of Magdalena,

Atlantico, and Bolivar, Colombia. On reverse: sketch map shows the location within Colombia of region shown on reverse.

1958 Republica de Colombia Carta General (Dptos. de Tolima y Cundinamarca) Plancha 245. Instituto Geografico de Colombia "Agustin Codazzi", Bogota (?).

Keywords: Colombia/Tolima (department)/Cundinamarca (department).

Call Number: 1144

Abstract: Shows topographical lines, cities, towns, roads, airports, parks, landmarks, departmental and municipal boundaries of sections of the departments of Tolima and Cundinamarca, Colombia. On reverse: sketch map shows the location within Colombia of region shown on reverse.

Caro, E.

1958 Bogota, D.E. edited by Caro, E., Eduardo Caro, Bogota (?).

Keywords: Bogota (city).

Call Number: 1143

Abstract: Shows commercial and residential buildings, roads, parks, landmarks, topographic lines, and planned areas of urbanization.

Santa Fe de Bogota Colombia Vial y Turistico. Cartur.

Keywords: Colombia.

Call Number: 1142

Abstract: Shows highways, roads, rivers, railways, airports, ports, landmarks, and departmental and international boundaries; includes small insets of San Andres, Providencia, and Malpelo islands, an index of placenames, and table of distances between departmental capitals.

1986 Plano de la Ciudad Santiago de CALI 1986. Departamento Administrativo de Planeacion Municipal, Cali.

Keywords: Cali, Colombia.

Call Number: 1141

Abstract: Detailed street map shows parks, airports, universities, topographical contour lines, with index of neighborhoods and sites of interest. On reverse: panoramic photographs of Cali and tourist information.

1990 Chile. Ministerio de Relaciones Exteriores. Embajada de Chile en los Estados Unidos de America, Washington (?).

Keywords: Chile.

Call Number: 1140

Notes: Production by American Marketing & Graphics, Inc., Annapolis, Maryland.

Artwork: Jose Perez de Arce, Eduardo Osorio. Text ("Historical View of Chile") by Carlos Aldunate, Ricardo Couyoumdjian, and Juan E. Vargas Cariola. Translated by Richard C. Baker. ISBN: 0943082277.

Abstract: Shows major highways, towns, and international and regional boundaries, highlighting the 12 geographical regions of Chile in text and drawings of commercial, cultural, and recreational points of interest. On reverse: "Historical View of Chile," including text and drawings of major historical developments; list of general geographical facts; and map of Chile's location within South America and Chile's Antarctic territory.

1990 Gran Mapa Caminero de Chile Geografico y Turistico. Informaciones Unidas Para America Latina (INUPAL), Santiago.

Keywords: Chile.

Call Number: 1139

Notes: Contains four maps (two 2-sided foldouts), each covers a section of the country: 1) Arica-La Serena 1:2,000,000 2) La Serena-Concepcion 1:1,400,000 3) Parral-Quellon 1:1,400,000 4) Pto. Montt-Polo Sur 1:3,000,000. Key at bottom of 4).

Abstract: Shows cities, towns, roads, landmarks, and provincial boundaries. La Serena-Concepcion map includes an inset of Santiago to the coast; includes a table of distances between major destinations. Color.

John B. Garver, Jr.

1986 Where Did Columbus Discover America? New Evidence Marks Landfall at Samana Cay. edited by John B. Garver, Jr., National Geographic Society, Washington.

Keywords: Columbus.

Call Number: 1138

Notes: Supplement to National Geographic Magazine, November 1986.

Abstract: Shows day-by-day tracking of Columbus' transatlantic route to Samana Cay in 1492; includes brief essay on methods used to track the route. On reverse: "Threading the islands: Which track fits?" (15" x 14"), shows the area near Samana Cay and "Samana Cay and the Columbus log" (7" x 4") shows the approach to Samana Cay, with passages from the ship log.

Caribbean & Central America. International Map Services, Ltd., Grand Cayman, Cayman Islands.

Keywords: Caribbean.

Call Number: 1137

Abstract: Shows all Caribbean islands and coastal areas in U.S., Mexico, Central America, Colombia, Venezuela, and Guyana, including major cities and roads; ocean depth variations are shown by shading; inset map (5" x 10") shows the Lesser Antilles on a larger scale (17mm=50km). Color.

John B. Garver, Jr.

1987 West Indies. edited by John B. Garver, Jr., National Geographic Society, Washington.

Keywords: Caribbean; Cuba; Haiti; Jamaica; Dominican Republic; Puerto Rico; Panama; Costa Rica.

Call Number: 1136

Abstract: Shows the greater and lesser antilles, north coast of Venezuela and Colombia, Panama and Costa Rica, east coast of Nicaragua and Honduras, and south Florida, including major cities, roads, airports, reefs, swamps, and elevations and sea depths; includes one paragraph on each country or island group. On reverse: The Making of America: West Indies, 5 maps illustrating the history of the region, with general text and 1-4 paragraphs on each map, agricultural and industrial products, trade and migration routes, etc., including 1) 1492-1625 Spanish Caribbean; 2) 1625-1763 Imperial Rivalries;

3) 1763-1898 European Sea; 4) 1898-1945 American Sea; 5) 1945-Present Forces of Change.

Richard J. Darley

1981 West Indies and Central America. edited by Richard J. Darley, National Geographic Society, Washington (?).

Keywords: Caribbean/West Indies/Central

America/Colombia/Venezuela/Yucatan/PuertoRico/Jamaica/Martinique/Bermuda/Aruba.

Call Number: 1135

Notes: Insert in National Geographic Magazine, February 1981.

Abstract: Shows the West Indies and Central America, north coast of Colombia and Venezuela, Yucatan Peninsula, and tip of Florida. On reverse: "Tourist Islands of the West Indies": 40 small maps of island groups, including Puerto Rico, Jamaica, Martinique, Bermuda, Aruba, etc.

Gabriel Dengo, Enrique Levy, Otto Bohnenberger, and Roberto Caballeros

1969 Mapa Metalogenetico de America Central. edited by Gabriel Dengo, Enrique Levy, Otto Bohnenberger, and Roberto Caballeros, Instituto Centroamericano de Investigacion y Tecnologia Industrial / Division de Geologia y Minería, Guatemala.

Keywords: Central America/Geology.

Call Number: 1134

Notes: companion to 1133 which shows the southern half of Central America.

Abstract: Shows the northern half of Central America ("America Central Setentrional" - Belize, Guatemala, El Salvador, and western Honduras and Nicaragua), color coded to indicate types of quarternary sedimentary and volcanic rock formations composing the geology of the region; also indicates geologic fault lines.

Gabriel Dengo, Enrique Levy, Otto Bohnenberger, and Roberto Caballeros

1969 Mapa Metalogenetico de America Central. edited by Gabriel Dengo, Enrique Levy, Otto Bohnenberger, and Roberto Caballeros, Instituto Centroamericano de Investigacion y Tecnologia Industrial / Division de Geologia y Minería, Guatemala.

Keywords: Central America/Geology.

Call Number: 1133

Notes: companion to 1134 which shows the northern half of Central America.

Abstract: Shows the southern half of Central America ("America Central Meridional" - Panama, Costa Rica, and eastern Nicaragua and Honduras), color coded to indicate types of quarternary sedimentary and volcanic rock formations composing the geology of the region; also indicates geologic fault lines.

Helbig, K. M.

1966 Zentralamerika Wirtschaft. edited by Helbig, K. M., Veröffentlichung des Instituts für Iberoamerika, Hamburg.

Keywords: Central America.

Call Number: 1132

Notes: insert in a book: Helbig, Karl M. Die Wirtschaft Zentralamerikas... Hamburg: Übersee-Verlag (LAL HC141.H4).

Abstract: Shows main cities and towns, roads, airports, ports, mines, products, landmarks, latitude and longitude, and national borders of Belize, Guatemala, Honduras, El Salvador, Nicaragua, Costa Rica, and Panama.

Kevin Healey

1992 An International Travel Map CENTRAL AMERICA. edited by Kevin Healey, International Travel Map Productions, Vancouver, Canada.

Keywords: Central America/Guatemala/Belize/El Salvador/Honduras/Nicaragua/Costa Rica/Panama.

Call Number: 1131

Notes: ISBN: 0921463170.

Abstract: Shows cities, towns, roads, rivers, elevations (color coded), ocean depths, and national and provincial boundaries. Includes insets of Panama Canal Area, Isla del Coco, and San Andres; a table of geographical facts about each country; and text paragraphs on the Barrier Reef, Bay Islands, Mosquito Coast, Panama Canal, Tortuguero, San Andres, Quezaltenango, Inter-American Highway, Leon, Managua, Lago de Nicaragua, Volcanoes, and Columbus in Central America.

John B. Garver, Jr.

1989 Land of the Maya: A Traveler's Map. edited by John B. Garver, Jr., National Geographic Society, Washington.

Keywords: Guatemala/El Salvador/Belize/Honduras/Yucatan/Chiapas/Maya.

Call Number: 1130

Notes: Insert in National Geographic Magazine, October 1989.

Abstract: Shows the Maya region (Yucatan, Chiapas, Belize, Guatemala, El Salvador, and Honduras) including national parks and protected areas, roads, causeways, airports, railroads, museums, archeological sites, and geographic spread of Mayan languages; includes a general introduction and brief text on major sites, including Quirigua, Copan, Tikal, Calakmul, Chichen Itza, Coba, Uxmal, Palenque; and Kaminaljuyu. On reverse: "The Ancient Maya World" (10" x 25"; 1:2,205,000) shows trade routes and goods, all known archeological sites, and paragraphs on geology, landscape, rainfall, and vegetation; and "Epic of the Ancient Maya", a timeline showing concurrent cultural developments in four subregions (Mexico, Pacific Coast and Maya Highlands, Southern Maya Lowlands, and Northern Maya Lowlands), 1500 B.C. to present; and a geological cross section between the Pacific coast and the north coast of Yucatan.

John B. Garver, Jr.

1986 Central America. edited by John B. Garver, Jr., National Geographic Society, Washington.

Keywords: Central America/Panama/Costa Rica/Nicaragua/El Salvador/Honduras/Guatemala/Belize.

Call Number: 1129

Notes: Insert in National Geographic Magazine, April 1986.

Abstract: Shows major cities, roads, railroads, airports, pipelines, oilfields, elevations, ocean depths, and provincial and national boundaries. Includes text/statistics about each country, including population, area, literacy, life expectancy, and per capita income. On reverse: "Central America Past and Present"--5 maps showing migration and shipping routes, farm products and industrial and archeological sites: 1) Before 1500: Pre-Columbian Glory (22" x 15"); 2) 1500-1821: Conquests and Colonies (10" x 8"); 3) 1821-1900: Time of Independence (9" x 6"); 4) 1900-1945: Prelude to Change (9" x 6"); 5) 1945-Present: Upheaval and Uncertainty. The 5 maps are accompanied by text on each period and drawings of Mayan artifacts, tropical birds, and historical figures (Alvarado, Tecum, Sandino, Dario, Rufino Barrios, Carrera, and Morazan). Color.

J. Forest

1948 Estados de la America Central: Nuevo Mapa Fisico, Politico y Economico. edited by J. Forest, Anciens Etablissements Dufrenoy, Paris.

Keywords: Central America/Guatemala/Honduras/El Salvador/Nicaragua/Costa Rica/Panama.

Call Number: 1128

Notes: mounted on canvas.

Abstract: Shows major cities, rivers, roads, ports, ruins; and products of each region and their common shipping routes indicated in writing. Color. Includes two color-coded inset maps: one indicates elevations, ocean depths and names of native peoples in each region, and the other indicates population density, and size and population of each country.

1944 Trujillo Bay / Central America / Honduras. Hydrographic Office under the authority of the Secretary of the Navy, Washington, D.C.

Keywords: Trujillo Bay /Navigation.

Call Number: 1127

Abstract: Shows placenames and geographic features along the coast of Honduras at Trujillo Bay, with ocean soundings. Includes the towns of Puerto Castilla and Trujillo.

1975 Belize Central America Tourist Map. CUBOLA for Belize Tourist Board, Belize City.

Keywords: Belize.

Call Number: 1126

Abstract: Shows cities, towns, ruins, roads, airports, reefs, and district and international boundaries; includes a series of large maps (6" x 10") of the major cities, towns, ruins, and cayes, with brief written text about each map; and 2 small maps of Belize in a larger geographical context.

1958 British Honduras Potential Land Use Map Sheet 2. Directorate of Overseas Surveys, London (?).

Keywords: Belize.

Call Number: 1125

Abstract: Shows areas of land use type (forest or agricultural uses, subdivided into numerous color-coded categories); and major roads and landmarks. Covers the southern border with Guatemala, north to Southern Lagoon.

1958 British Honduras Potential Land Use Map Sheet 1. Directorate of Overseas Surveys, London (?).

Keywords: Belize.

Call Number: 1124

Abstract: Shows areas of land use type (forest or agricultural uses, subdivided into numerous color-coded categories); and major roads and landmarks. Covers the northern border with Mexico, south to Manatee Bar.

Kevin Healey

1993 An International Travel Map BELIZE. edited by Kevin Healey, An International Travel Map Productions, Vancouver, Canada.

Keywords: Belize.

Call Number: 1123

Notes: ISBN: 0921463243. (NOTE: 1123b, also located in the Belize folder, is the 3rd edition of this map, published in 1995.).

Abstract: Shows towns, roads, airports, archeological sites, parks, landmarks, elevations, and national and district boundaries; includes inset of Lighthouse Reef and short table of geographical/political information.

Dirceu Aguirre

1985 Povos Indigenas no Brasil e Presenca Missionaria. edited by Dirceu Aguirre, Conselho Indigenista Missionario.

Keywords: Brazil/Indigenous Peoples .

Call Number: 1122

Notes: linguistic classification: Professor Aryon D. Rodrigues.

Abstract: Shows cities, roads, rivers, state boundaries; and the name, location, language, linguistic family, and population of 221 indigenous groups in Brazil; lists indigenous

groups in alphabetical and geographical order, and missionary organizations in the territory of the various groups.

1974 Estado da Bahia. Secretaria do Planejamento Ciencia e Tecnologia, Departamento de Geografia e Estatistica, Salvador (?).

Keywords: Bahia (state)/Brazil.

Call Number: 1121

Notes: gift of Maria Izabel Davico, 2/77.

Abstract: Shows roads, cities, towns, airports, rivers, contour lines, latitude/longitude, state and municipal capitals, and state and municipal borders; includes inset (14" x 12"; 1:500,000) of Salvador and environs.

1990 Guia Rodoviario. Editora Abril, Sao Paulo (?).

Keywords: Brazil.

Call Number: 1120

Abstract: Paperback plastic-encased road atlas containing 64 maps; includes legend (p. 3); chart of traffic laws and penalties (p. 4); maps showing Brazil's regions, time zones, and location in the world (p. 5); states, territories, and Federal District, with inset maps of main cities and large maps of Greater Sao Paulo, Sao Paulo approach routes, city of Rio de Janeiro, Greater Rio de Janeiro, and Ilha de Fernando de Noronha (p. 6-58); highway names (p. 59); distance tables and diagrams (p. 60-85); index of national parks (p. 86); and placename index (p. 86-106).

199? Guia de Estradas Mapa do Brasil em formato pratico. Editora Abril, Sao Paulo.

Keywords: Brazil.

Call Number: 1119

Abstract: 82-page ringbound road atlas includes sectional maps showing highways, cities, towns, airports, railroads, parks, and other landmarks; national map (p. 2) shows geographical connection between sectional maps; table of distances (p. 50-55); list of highway names (p. 56-58); index to 5900 localities indicating page and map quadrant (p. 59-81); and map of time zones (p. 81). Regional maps (p. 6-45) are printed on facing pages, making each sectional map 10" x 8", but maps of access routes from Asuncion,

Montevideo, and Buenos Aires (p. 4), western Rio Grande do Sul (p. 5), and Ilha de Fernando de Noronha (p. 47) cover single pages.

1987 Republica Federativa do Brasil Mapa Escolar. Fundacao Instituto Brasileiro de Geografica e Estatistica, Brasilia (?).

Keywords: Brazil.

Call Number: 1118

Abstract: Shows major cities and towns, rivers, roads, ports, airports, railways, and state and international boundaries. Regions are demarcated by color coding as follows: South/Brown; Southeast/Yellow; Central-West/Purple; Northeast/Orange; and North/Green.

199? Planta Turistica Sao Paulo Centro Expandido. Editora Grafica Trieste Ltda., Sao Paulo.

Keywords: Sao Paulo (city).

Call Number: 1117

Notes: on laminated paper.

Abstract: Shows streets, highways, parks, airports, landmarks, subway and railway lines and names of neighborhoods, including Liberdade, Bela Vista, Santa Cecilia, Vila Formosa, Perdizes, etc.; includes inset of Jabaquara.

Kevin Healey

1990 An International Travel Map AMAZON BASIN. edited by Kevin Healey, International Travel Map Productions, Vancouver, Canada.

Keywords: Amazon Basin/Brazil/Venezuela/Colombia/Peru/Ecuador.

Call Number: 1116

Notes: ISBN: 0921463421.

Abstract: Shows cities, towns, roads, parks, rivers, waterfalls, canals, swamps, elevations (color coded), and international boundaries; includes several text paragraphs of geographical information.

1979 Sistema Rodoviario Federal Regiao Norte. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Brazil/Amazonia (state)/Acre (state)/Para (state)/Rondonia (territory)/Roraima (territory)/Amapa (territory).

Call Number: 1115

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the North region, defined as the states of Amazonia, Acre, and Para, and the territories of Rondonia, Roraima, and Amapa. Color.

1979 Sistema Rodoviario Federal Regiao Sudeste. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Brazil/Sao Paulo (state)/Minas Gerais (state)/Rio de Janeiro (state)/Espirito Santo (state).

Call Number: 1114

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the Southeast region, defined as the states of Sao Paulo, Rio de Janeiro, Minas Gerais, and Espirito Santo. Color.

1979 Sistema Rodoviario Federal Regiao Sul. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Brazil/Parana (state)/Santa Catarina (state)/Rio Grande do Sul (state).

Call Number: 1113

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the South region, defined as the states of Parana, Santa Catarina, and Rio Grande do Sul. Color.

1979 Sistema Rodoviario Federal Regiao Centro-Oeste. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Brazil/Mato Grosso (state)/Mato Grosso do Sul (state)/Goias (state).

Call Number: 1112

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the Central-West region, defined as the states of Mato Grosso, Mato Grosso do Sul, and Goias. Color.

1979 Mapa Rodoviario Santa Catarina. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Santa Catarina (state).

Call Number: 1111

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Santa Catarina. Color.

1979 Mapa Rodoviario Parana. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Parana (state).

Call Number: 1110

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Parana. Color.

1979 Mapa Rodoviario Piaui. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Piaui (state).

Call Number: 1109

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Piaui. Color.

1979 Mapa Rodoviario Rondonia. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Rondonia (territory).

Call Number: 1108

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and territorial boundaries of the territory of Rondonia. Color.

1979 Mapa Rodoviario Maranhao. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Maranhao (state).

Call Number: 1107

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Maranhao. Color.

1979 Mapa Rodoviario Rio Grande do Norte. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Rio Grande do Norte (state).

Call Number: 1106

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Rio Grande do Norte. Color.

1979 Mapa Rodoviario Ceara. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Ceara (state).

Call Number: 1105

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Ceara. Color.

1979 Mapa Rodoviario Alagoas. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Alagoas (state).

Call Number: 1104

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Alagoas. Color.

1979 Mapa Rodoviario Paraiba. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Paraiba (state).

Call Number: 1103

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Paraiba. Color.

1979 Mapa Rodoviario Bahia. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Bahia (state).

Call Number: 1102

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Bahia. Color.

1979 Mapa Rodoviario Sergipe. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Sergipe (state).

Call Number: 1101

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Sergipe. Color.

1979 Mapa Rodoviario Acre. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Acre (state).

Call Number: 1100

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Acre. Color.

1979 Mapa Rodoviario Rio Grande do Sul. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Rio Grande do Sul.

Call Number: 1099

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Rio Grande do Sul. Color.

1979 Mapa Rodoviario Sao Paulo. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Sao Paulo (state).

Call Number: 1098

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Sao Paulo. Color.

1979 Mapa Rodoviario Para. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Para (state).

Call Number: 1097

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Roraima. Color.

1979 Mapa Rodoviario Roraima. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Roraima (territory).

Call Number: 1096

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and territorial boundaries of the territory of Roraima. Color.

1979 Mapa Rodoviario Amazonas. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Amazonas (state).

Call Number: 1095

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Amazonas. Color.

1979 Mapa Rodoviario Amapa. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Amapa.

Call Number: 1094

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Goias. Color.

1979 Mapa Rodoviario Goias. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Goias.

Call Number: 1093

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Goias. Color.

1978 Mapa Rodoviario Pernambuco. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Pernambuco.

Call Number: 1092

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the state of Pernambuco. Color.

1979 Mapa Rodoviario Distrito Federal. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Brasilia.

Call Number: 1091

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state boundaries of the Federal District (Brasilia and surrounding areas). Color.

1979 Mapa Rodoviario Minas Gerais. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos., Brasilia (?).

Keywords: Minas Gerais.

Call Number: 1090

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state and municipal boundaries of the state of Minas Gerais. Color.

1979 Mapa Rodoviario Rio de Janeiro. Diretoria de Planejamento. Divisao de Planos e Programas. Grupo de Trabalho de Projetos Cartograficos. Brasilia (?).

Keywords: Rio de Janeiro.

Call Number: 1089

Notes: Issued and/or distributed by Ministerio dos Transportes. Departamento Nacional de Estradas de Rodagem.

Abstract: Shows cities, towns, highways, airports, landmarks, and state and municipal boundaries of the state of Rio de Janeiro. Color.

1975 Brazil. Brazilian Institute of Geography and Statistics Foundation. Superintendency of Cartography., Brasilia (?).

Keywords: Brazil.

Call Number: 1088

Abstract: Shows state boundaries, rivers, and major cities and roads; includes a table of statistics on the Brazilian economy in 1975. Supplement to "Brazil" published by the Ministry of External Relations. Color.

1905 Map of the Island of Jamaica. Aston and Gardner & Co., Kingston, Jamaica.

Keywords: Jamaica.

Call Number: 1087

Abstract: Topographical map of the island shows contour elevation lines, altitude, longitude, rivers, roads, heights of some of the principal elevation and chief places, counties, parishes, cities and towns.

199? Rutas de la Argentina Mapa Carretero. Automapa, Buenos Aires.

Keywords: Argentina.

Call Number: 1086

Notes: .

Abstract: Shows cities, towns, roads, airports, national parks, landmarks, elevations of major peaks, and provincial and international boundaries; includes index of placenames, distance chart, small city maps of Buenos Aires and environs, Mar del Plata, Rosario, Cordoba, and 16 other cities, and inset maps of the Islas Malvinas and South Pole area.

1980 South America. National Geographic Society, Washington, D.C.

Keywords: South America.

Call Number: 1085

Abstract: Map of South America showing cities, rivers, etc.

1853 Plano General de la Ciudad de México, formado según los datos mas recientemente adquiridos, para servir a la Guia de Forasteros, publicada por el señor General D. Juan Y.(?) Almonte.

Keywords: Mexico City.

Call Number: 1084

Notes: Removed from a book: LAL Rare 972 (910) G943 1852.

Abstract: Shows city streets and buildings, and includes a key showing the location of parroquias, conventos, iglesias, colegios, hospitales, and notable plazas.

19?? A Guide Map of the Ruins of Tikal.

Keywords: Central America /Guatemala /Ruins.

Call Number: 1083

Notes: 2nd copy located in map case 2.

Abstract: Shows causeways, buildings, other landmarks, and topographical contours of the ruins of Tikal, Guatemala.

T.O. Wansleben

Geological section showing bottom of excavation for plan of Commission of 1899-1901, plan of new French Company and sea level canal. edited by T.O. Wansleben, [U.S.] Isthmian Canal Commission, [Washington, D.C.].

Keywords: Panama Canal Zone.

Call Number: 1082

Notes: In pencil upper right: "94" (circled).

Abstract: Blueprint profile of Panama Canal from Bohio Locks to Miraflores Lock.

Thos. O. Wansleben

Borings at Gamboa Dam Site [with 3 profiles]. edited by Thos. O. Wansleben, [U.S.] Isthmian Canal Commission, [Washington].

Keywords: Panama Canal Zone /Gamboa (region).

Call Number: 1081

Abstract: Blueprint; rock contours in red 5 feet apart & holes made by French Company shown in red [on Profile Along Center Line]. On verso: Purple stamp - "Blue Print Department / H.A. Far... / Feb 27 1906 / 930 F St., N.W. / Washington, D.C. / Commercial".

Arquitecto Luis Gonzalez Aparicio

1968 Plano Reconstructivo de la Region de Tenochtitlan al Cominezo de la Conquista. edited by Arquitecto Luis Gonzalez Aparicio, Direccion de Geografia y Meteorologia, [Mexico].

Keywords: Mexico City /Valley of Mexico /Ruins.

Call Number: 1080

Notes: Construccion y Dibujo: Prof. Manuel Najera Zamora. Accompanies Luis Gonzalez Aparicio, Plano reconstructivo de la región de Tenochtitlán, Mexico, INAH, 1973 (LAL G4414.M6G55).

Abstract: Shows a reconstruction of the region of Tenochtitlan at the time of the Spanish conquest, including Tlatelolco, Tezcoco, Lago de Texcoco, Laguna de Mexico, Lago de Xochimilco, Lago de Chalco, etc. Includes placenames and brief texts about many sites, and topographic contour lines.

A. H. Dufour, d., Desbuissons, S., and Bénard, S.

Rio de Janeiro and environs. edited by A. H. Dufour, d., Desbuissons, S., and Bénard, S., Jules Renouard Librairie, Paris.

Keywords: Rio de Janeiro.

Call Number: 1079

Abstract: Shows surrounding terrain, fortifications and aqueducts. On verso: Purple stamp - "Julian's Book Store, Hy. Roubion, Manager...Royal St. New Orleans, La.".

W. Kennish C.E.

1855 Map of the Isthmus of Darien and Valley of Atrato showing the line of the Inter-oceanic River Aqueduct Province of Choco New Granada. edited by W. Kennish C.E., Sarony and Co., New York.

Keywords: Central and South America/Panama/Colombia.

Call Number: 1078

Abstract: Topographical map showing rivers, mountains and cities.

1891 Map of Venezuela. Wm. M. Bradley & Co., Philadelphia.

Keywords: Venezuela.

Call Number: 1077

Abstract: Shows mines, railroads (completed, under construction, and projected), highways, national telegraph lines, roads, navigable rivers, colonies, and political boundaries and subdivisions.

U.S. Department of Commerce, O. o. I. t.

Mining and Petroleum Exploitation in Colombia. edited by U.S. Department of Commerce, O. o. I. t..

Keywords: South America/Colombia/Natural Resources/Oil/Mines.

Call Number: 1076

Abstract: Shows the specific minerals and locations.

C. Huerta

Monumentos Coloniales de la Ciudad de Atlixco. edited by C. Huerta.

Keywords: Mexico/Cities.

Call Number: 1075

Notes: additional copy on file.

Abstract: Sketch map of the city showing streets and monuments.

A. De Lono

1855 Plan of the City of Havana and its Environs. edited by A. De Lono, New Orleans.

Keywords: Cuba/Cities.

Call Number: 1074

Notes: Entered according to Act of Congress.

Abstract: Map showing streets, the port of Havana, and various buildings. There is a key explaining the numbered locations.

Morse's Map of Central America.

Keywords: Central America.

Call Number: 1073

Abstract: Colored map of Central America from the Yucatan to Panama. Shows cities and towns, railroads and proposed railroads, mountains.

[Jacques Nicolas] Bellin Ingr. de la Marine

1754 Carte du Golphe du Méxique et des Isles de l'Amérique. Pour servir a l'Histoire Générale des Voyages. edited by [Jacques Nicolas] Bellin Ingr. de la Marine, [Paris].

Keywords: Gulf of Mexico /Caribbean /Antilles /West Indies.

Call Number: 1072

Notes: Probably from Jean François de La Harpe, *Abrégé de l'histoire générale des voyages*, Paris, hotel de Thou, 1780, v. 10, p. 1. See Lowery (1912), p. 305, WL405 note. At lower left: "Tome 10. in 8<sup>o</sup>. Page 1."

Abstract: Mounted, shaded map shows the routes of early explorers in the Caribbean area, including Central America, Florida and Louisiana, Cuba, St. Domingue (Haiti / Dominican Republic), and the east coast of Mexico.

Von M. [Jacques Nicolas] Bellin Ingr. de la Marine.

1754 Karte von dem Mexicanischen Meerbusen und dem Inseln von America zur allgemeinen Historie der Reisen. edited by Von M. [Jacques Nicolas] Bellin Ingr. de la Marine., [Arkstee & Merkus], [Leipzig].

Keywords: Caribbean /West Indies /Central America /Antilles /Gulf of Mexico.

Call Number: 1071

Notes: At upper right: "No. 1."; at lower right: "T. 13. J."

Abstract: Mounted, shaded map shows routes of early explorers in the Caribbean area; route of Ponce de Leon in 1512 erroneously marked "1712". Extracted from Allgemeine Historie der Reisen zu Wasser und zu Lande..., Leipzig, Arkstee & Merkus, 1755, v. 13, opp. p. 10. See Lowery (1912), p. 305, WL405.

1817 Peru, Chili and La Plata. For John Thomson and Company, [Edinburgh].

Keywords: Peru /Bolivia /Paraguay /Uruguay /Chile /Argentina.

Call Number: 1070

Abstract: Hand watercolored, mounted map shows the main geographical features of the area now encompassing Peru, Bolivia, Paraguay, Uruguay, and Chile and Argentina to the 45th parallel. Map no. 70 extracted from John Thomson, A New General Atlas Consisting of a Series of Geographical Designs..., Edinburgh, for John Thomson and Company, 1817. (H-T incomplete copy - A912T483n). See also Phillips, v.1 (1909), item 731.

[1816] West India Islands. [Grenada, Tobago, Curaçao, and Trinidad]. Edinburgh.

Keywords: Grenada /Tobago /Curaçao /Trinidad.

Call Number: 1069

Notes: Drawn and Engraved for Thomson's New General Atlas 1816.

Abstract: Hand watercolored map in four parts shows the main geographical features of the islands of Grenada (24.8x29.8 cm.), Tobago (24.8x29.8 cm.), Curaçao (24.7x29.8 cm.; inset: Fort Amsterdam, 8.8x8.3cm.), and Trinidad (24.7x29.8 cm.). Map (no.68?) extracted from John Thomson, A New General Atlas Consisting of a Series of Geographical Designs..., Edinburgh, for John Thomson and Company, 1817. (H-T incomplete copy - A912T483n). See also Phillips, v.1 (1909), item 731.

West India Islands. [St. Vincent and Barbados]. Engraved by Kirkwood & Son, Edinburgh.  
Keywords: St. Vincent /Barbados.

Call Number: 1068

Abstract: Hand watercolored map in two parts shows the main geographical features of the islands of St. Vincent (50.2x29.2cm.) and Barbadoes (50.2x30.7cm.). Map no. 67 extracted from John Thomson, *A New General Atlas Consisting of a Series of Geographical Designs...*, Edinburgh, for John Thomson and Company, 1817. (H-T incomplete copy - A912T483n). See also Phillips, v.1 (1909), item 731.

West India Islands. [Martinique and Dominica]. Engraved by Kirkwood & Son, Edinburgh.  
Keywords: Martinique /Dominica.

Call Number: 1067

Abstract: Hand watercolored map in two parts shows the main geographical features of the islands of Martinico (49.3x41.3cm.; inset: Cul de Sac Royal, 13.8x22.2cm.) and Dominica (49.3x26.5cm.). Map no. 66 extracted from John Thomson, *A New General Atlas Consisting of a Series of Geographical Designs...*, Edinburgh, for John Thomson and Company, 1817. (H-T incomplete copy - A912T483n). See also Phillips, v.1 (1909), item 731.

[1817] West India Islands. [Guadeloupe, Marie Galante &c., and Antigua]. Engraved by Kirkwood & Son, Edinburgh.

Keywords: Guadeloupe /Marie Galante /Antigua.

Call Number: 1066

Abstract: Hand watercolored map in three parts shows the main geographical features of the islands of Guadeloupe (50x59.4cm.), Marie Galante (13.9x30.8cm.), and Antigua (25.6x35.2cm.). Map no. 65 extracted from John Thomson, *A New General Atlas Consisting of a Series of Geographical Designs...*, Edinburgh, for John Thomson and Company, 1817. (H-T incomplete copy - A912T483n). See also Phillips, v.1 (1909), item 731.

West India Islands. [St. Kitts, St. Lucia, and Nevis]. Engraved by Kirkwood & Son, Edinburgh.

Keywords: St. Kitts /St. Lucia /Nevis.

Call Number: 1065

Abstract: Hand watercolored map in three parts shows the main geographical features of the islands of St. Christophers (49.8x59.2cm.), St. Lucia (29.2x22.2cm.) and Nevis (24.4x18.7 cm.). Map no. 64 extracted from John Thomson, A New General Atlas Consisting of a Series of Geographical Designs..., Edinburgh, for John Thomson and Company, 1817. (H-T incomplete copy - A912T483n). See also Phillips, v.1 (1909), item 731.

1815 West India Islands. [Puerto Rico, Virgin Islands, and Hispaniola]. Engraved by Kirkwood & Son, Edinburgh.

Keywords: Puerto Rico /Virgin Islands /Santo Domingo /Hispaniola /Haiti.

Call Number: 1064

Notes: Drawn and Engraved for Thomson's New General Atlas, Feb. 1815; J & G. Menzies sculpt.

Abstract: Hand watercolored map in two parts shows the main geographical features of Porto Rico and Virgin Isles (23.5x60.4 cm.) and Hispaniola (27.4x60.4 cm.). Map no. 63 extracted from John Thomson, A New General Atlas Consisting of a Series of Geographical Designs..., Edinburgh, for John Thomson and Company, 1817. (H-T incomplete copy - A912T483n). See also Phillips, v.1 (1909), item 731.

1980 Bahía de Campeche / Gulf of Mexico. Defense Mapping Agency Hydrographic/Topographic Center, Washington, D.C.

Keywords: Bay of Campeche.

Call Number: 1063

Notes: From United States Naval and British surveys to 1929.

Abstract: Shows soundings in fathoms along the Gulf of Mexico coastline of Mexico (as far northeast as Punta Piedras, Yucatán, and as far southwest as the mouth of the Río Grijalva, west of Laguna de Términos). Shows main landmarks and placenames along the coast. Includes Loran markings.

West Indies. Engraved by Kirkwood & Son, Edinburgh.

Keywords: West Indies /Caribbean.

Call Number: 1062

Abstract: Hand watercolored, mounted map shows the islands of the West Indies and surrounding mainland areas in South America, Central America, and North America, including main geographical features and political divisions. Map no. 60 extracted from John Thomson, *A New General Atlas Consisting of a Series of Geographical Designs...*, Edinburgh, for John Thomson and Company, 1817. (H-T incomplete copy - A912T483n). See also Phillips, v.1 (1909), item 731.

1816 Spanish North America. Southern Part. [Edinburgh].

Keywords: Central America /New Spain /Guatemala /Honduras /Nicaragua /Costa Rica /Panama.

Call Number: 1061

Notes: Drawn and Engraved for Thompsons New General Atlas, 1816.

Abstract: Hand watercolored map shows the main geographical features and political divisions of Central America, including Verapaz, Guatemala, Honduras, Mosquito Shore, Nicaragua, Costa Rica, Veragua, and Panama. Also shows the island of Jamaica. Map no. 59 extracted from John Thomson, *A New General Atlas Consisting of a Series of Geographical Designs...*, Edinburgh, for John Thomson and Company, 1817. (H-T incomplete copy - A912T483n). See also Phillips, v.1 (1909), item 731.

1814 Spanish North America. [Edinburgh].

Keywords: Mexico /New Spain.

Call Number: 1060

Notes: Drawn and Engraved for Thompsons New General Atlas.

Abstract: Hand watercolored map shows the main geographical features and political divisions of Spanish North America, including the states of Mexico, the Louisiana Territory (French) and a section of the United States (east of the Mississippi River). Map no. 58 extracted from John Thomson, *A New General Atlas Consisting of a Series of Geographical Designs...*, Edinburgh, for John Thomson and Company, 1817. (H-T incomplete copy - A912T483n). See also Phillips, v.1 (1909), item 731.

General Drafting Co.

? Mapa de la República de El Salvador. edited by General Drafting Co., Esso Standard Oil (central America) S.A., New York, N.Y.

Keywords: El Salvador, Central America.

Call Number: 1059

Notes: On the other side has a map of Central America, and a small map of the Canal Zone.

Abstract: Topographical map of the region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks, roads, towns cities, and provincial boundaries. Includes a table with the name of cities and towns, and their location on the map.

General Drafting Co.

19?? Mapa de la República de Nicaragua. edited by General Drafting Co., Esso Standard Oil (Central America), S.A., New York, N.Y.

Keywords: Nicaragua, Central America.

Call Number: 1058

Notes: On other side: a map of Central America, and a small map of the Canal Zone.

Abstract: Topographical map of the region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks, roads, towns cities, and provincial boundaries. Includes a table with the name of cities and towns, and their location on the map.

General Drafting Co.

? Mapa de la República de Honduras. edited by General Drafting Co., Esso Standard Oil (Central America), S.A., New York, N.Y.

Keywords: Honduras, Central America.

Call Number: 1057

Notes: On other side: a map of Central America, and a small map of the Canal Zone.

Abstract: Topographical map of the region shows contour elevation lines, latitude/longitude, mountain peaks, forested areas, main landmarks, roads, towns cities, and provincial boundaries. Includes a table with the name of cities and towns, and their location on the map.

F. Bianconi

1891 Carte Commerciale de Honduras et du Salvador. edited by F. Bianconi, Librairie Chaix, Paris.

Keywords: Honduras /El Salvador.

Call Number: 1056

Notes: Collection des Etudes Generales Geographiques.

Abstract: Shows cities, towns, roads, railroads, submarine cables, mines, international and departmental boundaries of Honduras and El Salvador. Mounted on canvas. Inset map (8" x 6"; 1 : 13,000,000), "Carte de l'Amerique Centrale," shows the position of Honduras and El Salvador within Central America, including international boundaries, railroads, telegraph lines, and submarine cables.

Ministerio de Comunicaciones y Obras Publicas, I. G. N.

1969 Tegucigalpa. edited by Ministerio de Comunicaciones y Obras Publicas, I. G. N., Offset Calderon, Tegucigalpa, Honduras.

Keywords: Central America/Honduras/Cities.

Call Number: 1055

Abstract: Detailed map showing the streets and avenues, parks, neighborhoods, buildings, and rivers. Includes a brief historical sythesis of the city. On reverse is a sketch map of the central area of Tegucigalpa. Sketch is in perspective.

1910 Map of the Republic of Guatemala. Guatemala Central Occidental and Oco's Railroads. The Pan-American of Guatemala. Guatemala Central Railroad Co.; Engraved by American Bank Note Co., New York.

Keywords: Guatemala /Railroads.

Call Number: 1054

Abstract: Shows railroads completed, under construction, and projected; and location of Guatemala Central lands. Also shows main towns, rivers, lakes, and steamship lines, and indicates the main crop or mineral products of each region. Insets: 1) Map Showing Route of the Pan-American Railway through Central America from Tehuantepec to Panama, 11x10.2 cm.; 2) Profile from Pacific Ocean to Guatemala [City] showing Heights

above Sea Level, 5.8x11.1 cm. On right border and on verso: Text and photos of different aspects of Guatemala, and a train timetable.

1889 Mapa de la República de Costa-Rica (America Central) Dibujado y enmendado por F. Montesdeoca. R. Grabado y Imprimado por Erhard, Paris.

Keywords: Costa Rica.

Call Number: 1053

Abstract: Shows provinces, projected and constructed railroads, and international and subnational boundaries, and gives altitudes of principal mountains and volcanoes.

Mexico. [Cia. de la Guía Oficial Mexicana, S.A.] Rand, McNally & Co.'s Indexed Atlas of the World Map of Mexico. Rand, McNally & Co..

Keywords: Mexico /Mexico City /Railroads /Valley of Mexico.

Call Number: 1052

Notes: Similar to LAL Map Collection nos. 964, 997, and 1051.

Abstract: Shows placenames, geographical features, roads, railroads (labelled), ports, state and international boundaries. Inset: Map of the Valley of Mexico on Enlarged Scale (19.3x17cm.) shows railways and tramways in the Valley of Mexico. On verso: "Plano General de la ciudad de Mexico. Formado de esproceso pa. la Ca. de la Guía Oficial Mexicana. Contiene todas las colonias aun las mas recientes." [Signed] Luis G. Becerril. Registrada la propiedad artística de este plano en la Secretaría de Justicia e Instrucción Pública de México, en Septiembre de 1.903. (48.4x59.7cm.; 1:15,000; cut off at top and bottom).

1906 Mexico. Cia. de la Guía Oficial Mexicana, S.A. Rand, McNally & Co.'s New Business Atlas Map of Mexico. Rand, McNally & Co..

Keywords: Mexico /Mexico City /Railroads /Valley of Mexico.

Call Number: 1051

Notes: Similar to LAL Map Collection nos. 964, 997, and 1051. Transferred from Howard-Tilton, 2/73.

Abstract: Shows the main business section of Guatemala City and the location of principal business firms. Black, white, and red. On reverse: Guatemala City (17.8 x 40.3).

n.d. Texaco mapa turista de Puerto Rico / Texaco Touring Map of Puerto Rico. Rand McNally & Co., Chicago.

Keywords: Puerto Rico.

Call Number: 1032

Abstract: Shows the whole island and main landmarks. Insets: Culebra, 2.8 x 5.1; Isla Vieques, 2.9 x 9.3. On reverse: San Juan, 16 x 50.6; Ponce, 7.5 x 7.6; Mayaguez, 7.5 x 7.6; Caguas, 7.5 x 7.6; Fajardo, 7.5 x 7.6.

M. Alonso Criado

n.d. Mapa de la Republica del Paraguay. edited by M. Alonso Criado, A. Barreiro y Ramos, Montevideo.

Keywords: South America/Paraguay/Rivers/Indigenous Populations/Argentina/Uruguay/Brazil.

Call Number: 1031

Abstract: Map showing cities and towns, rivers, territory in which reside indigenous populations. 3 insets: 1. Paraguay in relation to the Americas; 2. Detailed map of Asuncion; 3. Mouth of the Rio de La Plata.

n.d. Mapa de Carreteras del norte de Venezuela. General Drafting Co. (obsequio del distribuidor ESSO de su vecindad y de la Creole Petroleum Corporation), New York.

Keywords: Venezuela.

Call Number: 1030

Abstract: Shows roads, railroads, airports and airlines, and oil fields. Inset: Oficinas y agenciasw distribuidoras al pormayor en Venezuela (8.8 x 7.8).

Colombia.

Keywords: South America/Colombia.

Call Number: 1029

Mision Atilo Pena Macha.

Call Number: 1028

1951 Brazil. Ministry of Foreign Relations, Cultural Division..

Keywords: Brazil.

Call Number: 1027

Abstract: Shows the whole country and main landmarks. Insets: Santos (6.1 x 5.7); Sao Paulo (5.8 x 8.2); Rio de Janeiro and environs (9.2 x 11.8). Statistical tables: population of largest cities; production in metric tons; and Brazilian exports (1950).

1962 Mapa del Perú. Ministerios de Relaciones Exteriores y Educación Pública., Lima?

Keywords: Peru.

Call Number: 1026

Abstract: Shows departments, provinces, roads, and railroads.

1950 Mapa (preliminar) de la República de Colombia. Instituto Geográfico Militar y Catastral / Banco de la República., Bogota?

Keywords: Colombia.

Call Number: 1025

Abstract: Shows departments, altitudes, and transportation. Inset: Archipiélago de San Andrés y Providencia (17.2 x 15.8).

n.d. Mapa Panorámico de la República Oriental del Uruguay. Esso Standard Oil Co. (Uruguay) / General Drafting Co..

Keywords: Uruguay.

Call Number: 1024

Abstract: Shows provincial boundaries, cities, highways, railroads. at bottom: small map (7" x 22") of Rio de la Plata beaches, place index and distance chart. On reverse: Montevideo street map (22" x 16"), "panoramic" map (15" x 15") of Uruguay showing main products and tourist attractions of each region, and brief essay on history of Montevideo, and major sights in Uruguay.

n.d. Mapa Turístico de América del Sur. Esso Touring Service, Foreign Department, New York.

Keywords: South America.

Call Number: 1023

Abstract: Pictorial map with historical texts and flags of South American countries.

Insets: Mapa físico de América del Sur (28.3 x 20.3); Antártida (8.4 x 7.6). On reverse:

Mapa panorámico de América del Sur (84.7 x 60.8).

1950 Geologic Map of South America. The Geological Society of America.

Keywords: South America/Geology/Ecuador.

Call Number: 1022

Notes: Map in 2 parts. Map prepared under the direction of a Committee of The Geological Society and The U.S. Geological Survey from maps contributed by Government Bureaus of South American Countries and Other Sources by Georg W. Stose.

Abstract: Inset: Galapagos Is.

Walter H. Bucher

1950 Geologic-Tectonic Map of the United States of Venezuela (Except the Territory of Amazonas and Part of the State of Bolivar). edited by Walter H. Bucher, The Geological Society of America.

Keywords: South America/Venezuela/Oil/Natural Resources/Geology.

Call Number: 1021

Notes: Additional copy on file. Base of map furnished by the Shell Co., 1945; polyconic projection; drafted by H. Pimentel (Venezuela) and Nevin Johnson (USA).

Abstract: Colored. Insets: Gran Sabana and Oil Company Leases.

1950 Tribal and Linguistic Distributions of South America. United States Government Printing Office, Washington, D.C.

Keywords: South America/Language/Indigenous Populations.

Call Number: 1020

Notes: Tribal locations after Julian H. Steward and linguistic distributions after J. Alden Mason.

Abstract: Colored map of South America.

1939 South America (America del Sur). Geographical Publishing Company, Chicago, IL.

Keywords: South America/Ecuador/Peru/Conflict/Border.

Call Number: 1019

Notes: Published as a supplement to Newsmap Magazine -- Vol. III, No. 11, Sept., 1941.

Abstract: Colored. Inset: Archipiélago de Colon. Shows disputed area between Peru and Ecuador.

1906 South America. National Geographic Society, Washington, D.C.

Keywords: South America/Ecuador.

Call Number: 1018

Abstract: Colored. Inset: Galapagos Is.

n.d. Pictorial map of the American Continent featuring the Pan American Highway and showing some of the natural resources, scenic wonders, and points of interest. General Drafting Co., Inc., New York.

Keywords: Americas/American Continent.

Call Number: 1017

Notes: "For additional copies of this map write to Standard Oil Co. (New Jersey)..."

Abstract: On verso: "Know your Neighbors Better." Statistical and historical data and flags of Latin American countries.

1943 Recuerdos de las Americas para la guerra y la paz. Productos de 20 republicas ayudan a derrotar al eje. Washington, D.C.

Keywords: South America/Central America/natural resources.

Keywords: Antigua, Guatemala.

Call Number: 1011

Notes: Cortesia de Junta Departamental de Turismo, Palacio de los Capitanes Generales. Gift of Jo Anne Weaver, 8/74.

Abstract: Map of Antigua city streets and landmarks; green and white with buildings keyed in red, index in blue. Shows itineraries of all the processions in the city.

James M. Darley

1962 West Indies. edited by James M. Darley, National Geographic Society, Washington, D.C.

Keywords: West Indies/Caribbean/Lesser Antilles.

Call Number: 1010

Notes: Atlas Plate 23: December 1962.

Abstract: 26 Insets of the Caribbean islands.

1954 West Indies. National Geographic Society, Washington, D.C.

Keywords: West Indies/Caribbean/Lesser Antilles.

Call Number: 1009

Notes: additional copy on file.

Abstract: 30 Insets of all the Caribbean Islands.

1955 Eastern South America. Brazil, Paraguay, Uruguay, and the Guianas. National Geographic Society, Washington, D.C.

Keywords: South America, Brazil, Paraguay, Uruguay, Guianas.

Call Number: 1008

Notes: 3 copies; copies 2 and 3 from Howard-Tilton 12/74.

Abstract: Insets: Rio de Janeiro and environs (22.7 x 25.6); Continuation of Brazil on same scale as main map (31.6 x 20.8).

Wellman Chamberlin

1966 South America. edited by Wellman Chamberlin, National Geographic Society, Washington, D.C.

Keywords: South America.

Call Number: 1007

Abstract: 14 Insets.

James M. Darley

1950 South America. edited by James M. Darley, National Geographic Society, Washington, D.C.

Keywords: South America.

Call Number: 1006

Notes: 2 additional copies on file.

Abstract: 10 Insets.

James M. Darley

1942 South America. edited by James M. Darley, National Geographic Society, Washington, D.C.

Keywords: South America.

Call Number: 1005

Notes: 2 additional copies on file. Copy 3 is from the Frank Keller Map Collection, #1.

Abstract: Shows main cities, roads, landmarks, international boundaries of South America. Insets: 1) Galapagos Islands; 2) Chief Natural Resources; 3) Airways and Relief; 4) Precipitation and Temperature.

Albert H. Bumstead

1937 South America. edited by Albert H. Bumstead, National Geographic Society, Washington, D.C.

Keywords: South America.

Call Number: 1004

Abstract: Shows main cities, roads, landmarks, international boundaries of South America. Insets: 1) Galapagos Islands; 2) Chief Natural Resources; 3) Airways and Relief; 4) Precipitation and Temperature.

James M. Darley

1958 Southern South America. edited by James M. Darley, National Geographic Society, Washington, D.C.

Keywords: South America/Argentina/Uruguay/Chile/Southern Cone.

Call Number: 1003

Notes: Compiled and Drawn in the Cartographic Division of the National Geographic Society for the National Geographic Magazine.

Abstract: Insets: 1) Montevideo to Punta del Este; 2) Buenos Aires and environs, including La Plata; 3) Santiago and central area of Chile.

James M. Darley

1962 Eastern South America. edited by James M. Darley, National Geographic Society, Washington, D.C.

Keywords: South America/Brazil/Eastern.

Call Number: 1002

Abstract: Insets: 1) Sao Paulo and Environs; 2) Rio de Janeiro; 3) Brasilia; 4) Continuation of Brazil.

Ralph E. McAleer

1964 Northwestern South America. edited by Ralph E. McAleer, National Geographic Society, Washington, D.C.

Keywords: South America/Northwest.

Call Number: 1001

Notes: Atlas Plate 26: Feb. 1964. Additional copy on file.

Abstract: South America. Insets: 1) Caracas and Environs; 2) Bogota and Environs; 3) Lima and Environs.

James M. Darley

1960 South America. edited by James M. Darley, National Geographic Society, Washington, D.C.

Keywords: South America.

Call Number: 1000

Notes: Atlas Plate 25: February 1960. Additional copy on file.

Abstract: 14 insets.

M.B. Ingr. de la Marine (Jacques Nicolas Bellin?)  
1764? Carte des Provinces de Tabasco, Chiapa, Verapaz, Guatemala, Honduras et Yucatan, Situées dans l'Amérique Meridionale pour l'Histoire Générale des Voyages.  
edited by M.B. Ingr. de la Marine (Jacques Nicolas Bellin?), Paris?  
Keywords: Guatemala/Honduras /Mexico (southeast).

Call Number: 995

Abstract: Southwest part of the island of Santo Domingo. Includes Mesle Bay.

Jacques Nicolas Bellin

n.d. Plan de la Baye Saint Louis dans l'Isle de St. Domingue. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo/Cities.

Call Number: 994

Abstract: City of St. Louis on the island of Santo Domingo. Shows fortifications, sandbars, and soundings in brasses.

Jacques Nicolas Bellin

n.d. Plan de la Rade et Ville du Petit Goave dans l'Isle de St. Domingue. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo/Cities.

Call Number: 993

Abstract: City of Petit Goave on the island of Santo Domingo. Shows fortifications, sandbars, and soundings in brasses.

Jacques Nicolas Bellin

n.d. Le Port au Prince dans l'Isle de St. Domingue. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo/Cities.

Call Number: 992

Abstract: Port au Prince on the island of Santo Domingo. Shows batteries of fortifications, sandbars, and soundings in brasses.

Jacques Nicolas Bellin

n.d. Environs de Leogane et du Port au Prince dans l'Isle de St. Domingue. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo.

Call Number: 991

Abstract: East Central portion of the Island of Santo Domingo and the city Port au Prince.

Jacques Nicolas Bellin

n.d. La Partie Fancoise de l'Isle de Saint Domingue. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo.

Call Number: 990

Abstract: Western part of the Island of Santo Domingo. Shows sandbars and soundings in brasses.

Jacques Nicolas Bellin

n.d. Baye et Ville de Bayaha ou Port-Dauphin dans l'Isle de St. Dominge. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo/Cities.

Call Number: 989

Abstract: Shows batteries of fortifications, sandbars, and soundings in brasses. City of Port Dauphin on the Island of Santo Domingo.

Jacques Nicolas Bellin

n.d. Ville du Cap dans l'Isle de St. Domingue. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo.

Call Number: 988

Abstract: Key to important buildings. Village of Cap on the Island of Santo Domingo.

Jacques Nicolas Bellin

n.d. Plan du Port du Cap dans l'Isle de St. Domingue. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo/Cities.

Call Number: 987

Abstract: Shows batteries of fortifications, feefs, sandbars, and sounding in brasses.

Jacques Nicolas Bellin

n.d. Carte des Environs du Cap Francois et des Paroisses qui en dependent. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo/Cities.

Call Number: 986

Abstract: Shows coastal area including Cap Francois and Port Dauphin and environs and roads connection towns.

Jacques Nicolas Bellin

1763 Carte des Isles situees au nord de St. Domingue Avec les Passages pour le retour appellees Debouquemens. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo/Islands.

Call Number: 985

Abstract: Shows reefs, channels, and soundings in brasses. Map of the islands situated north of Santo Domingo.

Jacques Nicolas Bellin

n.d. Isle de Saint Domingue. edited by Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo.

Call Number: 984

Abstract: Island of Santo Domingo.

n.d West Indies.

Keywords: West Indies/Caribbean.

Call Number: 983

Notes: from various authorities.

Abstract: mounted on cloth.

1842 Karte der vereinigten Staaten von Mittel-Amerika. München.

Keywords: Central America.

Call Number: 982

Abstract: Mounted on cloth. Map of Central America. Major volcanoes located by key.

M. Jacques Nicolas Bellin

n.d. Carte de l'Isle de Saint Domingue, Pour servir a l'Histoire Generale de Voyages.  
edited by M. Jacques Nicolas Bellin.

Keywords: Caribbean/Santo Domingo.

Call Number: 981

Notes: additional copy on file.

Abstract: Mounted. Shaded.

John Arrowsmith

1852 Mexico. edited by John Arrowsmith, London.

Keywords: Mexico.

Call Number: 980

Notes: From John Arrowsmith, London Atlas, 4 volumes.

Abstract: Inset: Mexico, shewing its connection with the Ports of Acapulco, Vera Cruz, and Tampico.

D. McLellan

1851 Cuba in 1851. edited by D. McLellan, J.H.Colton, New York.

Keywords: Cuba.

Call Number: 979

Notes: Additional copy on file.

Abstract: Map of Cuba. Insets: City of Havanna and Republican flag of Cuba.

Jas. G. Shirley

1941 Shirley's Guide to Mexico City and Environs. edited by Jas. G. Shirley.

Keywords: Mexico/Cities/Travel.

Call Number: 978

Abstract: 1) Map of entry and exit of Mexico City; 2) The center of Mexico City.

General Carlos Pacheco, M. o. P. W.

1886 Map of the environs of the City of Mexico authorized for publication with The Mexican Guide. edited by General Carlos Pacheco, M. o. P. W..

Keywords: Mexico/Valley of Mexico.

Call Number: 977

Abstract: Shows steam and horse railways; major hills in relief.

General Carlos Pacheco, M. o. P. W.

1885 Map of the City of Mexico authorized for publication with the Mexican Guide.  
edited by General Carlos Pacheco, M. o. P. W..

Keywords: Mexico/Cities.

Call Number: 976

Notes: Additional copy on file.

Abstract: Black and white map with red. Shows locations of old churches, hospitals, theaters, etc., and railway lines.

Mexico.

Keywords: Mexico.

Call Number: 975

1973 Mapa ofiical de la Republica de El Salvador. Ministerio de Obras Publicas, Instituto Geografico Nacional.

Keywords: Central America/El Salvador/Geology.

Call Number: 974

Abstract: Indicates locations of volcanoes but not a true relief map with contour lines.

1973 San Slavador y alrededores. Republica de El Salvador. Ministerio de Obras Publicas, Instituto Geografico Nacional, El Salvador.

Keywords: Central America/El Salvador/Cities/San Salvador.

Call Number: 973

Abstract: Extremely detailed map of area; contour lines give elevations. On side: Guide for buildings and numbered locations.

Grupos indigenas de Mexico.

Keywords: Mexico/Indigenous Populations.

Call Number: 972

Notes: From Accion Indigenista, Mexico, nov. 1973.

Abstract: Mexican indigenous groups. On verso: Instituto Nacional Indigenista, Centros Coordinadores. Table gives list of Centros, where they are located, for which ethnic group they work, and the date created.

Keywords: Mexico/Central America.

Call Number: 958

Notes: 4 additional copies on file. Copy 3 is damaged and is located in the vertical file, Mexico folder. Copy 4 is from the Frank Keller Map Collection, #1B.

Abstract: 4 insets: 1) Continuation South of Main Map on Same Scale; 2) Canal Zone; 3) Guadalupe Island; 4) Revilla Gigedo Islands.

Dorantes Survey

n.d. Map of the Mexican Rubber Culture Company Showing Location of the Plantation. edited by Dorantes Survey, Felloes & Faust, Portland, OR.

Keywords: Mexico/Natural Resources/Rubber.

Call Number: 957

Abstract: Location of Mexican Rubber Culture Company near Palenque, railroads, and shipping lines and mileage to various United States ports and Liverpool from Frontera.

E.E. Court

n.d. Mexico showing railways built and projected. edited by E.E. Court, The Norris Peters Co., Washington, D.C.

Keywords: Mexico/Railways.

Call Number: 956

Notes: Map to accompany the report of the U.S. delegate. Map drawn under the direction of Lieut. Geo. A. Zinn, U.S. Army.

Abstract: Railways and cities. Black and white with red boundary lines. Inset: South eastern part of Mexico.

M. Ross.

1937 Panama, Balboa, & Ancon. edited by M. Ross., Panama Government's Tourist Bureau.

Keywords: Central America/Panama/Cities.

Call Number: 955

Abstract: black and white map with locating key in red.

Pan American World Airways

1958? Pan American Flight Map. Mexico and Central America. edited by Pan American World Airways, Pan American World Airways.

Keywords: Mexico/Central America/Airplanes/Travel.

Call Number: 954

Abstract: Color. Shows airplanes and distances. Some historical data on map.

Cecil R. Welte.

1969 Approximate locations of towns and villages of the Mixteca Alta including all cabeceras of municipios as of the general census of 1960; other villages cited in 16th century sources; and cabeceras of 18th century parishes, (which are lettered in large capitals. Related bordering towns are in lower case. edited by Cecil R. Welte., Mexico.

Keywords: Mexico/Oaxaca.

Call Number: 953

Notes: Map compiled from published sources by Cecil R. Welte. Users are requested to send corrections or additions to the Oficina de Estudios de Humanidad del Valle de Oaxaca, Aptdo. Postal 518, Oaxaca de Juarez, Oaxaca, Mexico (Calle Garcia Vigil, No. 100-4).

Abstract: Blue and white print. Shows continental divide, other divides (watersheds), and 2000, 3000, and over 3000 meter contour lines.

Howard F. Cline

1961 Mixteca, Oaxaca. edited by Howard F. Cline.

Keywords: Mexico/Oaxaca/Indigenous populations.

Call Number: 952

Notes: Photostatic copy of map in 2 parts. Part 1): Northern half; Part 2) Southern half. Private circulation, not for publication.

Abstract: Preliminary map for research in connection with Handbook of Middle American Indians, vols. 12-15 (Ethnohistory). Shows numerous communities, cabeceras (ex-Distritos) and cerros.

Oaxaca.

Keywords: Mexico/Oaxaca.

Call Number: 951

Notes: this map is in the map case and requires a description.

ALM/Dutch Antillean Airlines

n.d. Routemap. Welcome on board/Bienvenido a bordo/Welkom aan boord/Bon bini na bordo. edited by ALM/Dutch Antillean Airlines, ALM/Dutch Antillean Airlines.

Keywords: West Indies/Travel/Airplanes.

Call Number: 950

Abstract: Shows air routes from eastern United States and northern South America to West Indies. Also shows most of Central America.

1972 Route Map. British West Indian Airways International. R.T. West & Co., London.

Keywords: Caribbean/Lesser Antilles.

Call Number: 949

Abstract: Shows BWIA routes from eastern North America and northern South America to West Indies. Inset: BWIA and LIAT routes in Lesser Antilles (Puerto Rico and Trinidad).

1972 Texaco Map of West Indies. Rand McNally & Co..

Keywords: West Indies/Trinidad/Tobago.

Call Number: 948

Abstract: Shows most of West Indies and northern South America. On verso: 1) Trinidad; 2)Tobago; 3) San Fernando, Trinidad; 4) Port of Spain, Trinidad.

n.d. A Map of Port of Spain, Trinidad. Hamburg.

Keywords: Trinidad/Caribbean.

Call Number: 947

Notes: Presented with the compliments of Barclays Bank DCO.

Abstract: Shows central part of Port of Spain, Trinidad.

Mexico and California.

Keywords: Mexico/California.

Call Number: 946

Notes: There is presently no description of this map.

Honduras.

Keywords: Honduras.

Call Number: 946

Notes: This map must be entered properly.

Ministerio de Agricultura y Cria

n.d. Mapa pictorico del Estado Aragua. edited by Ministerio de Agricultura y Cria,  
Departamento de Divulgacion Agropecuaria.

Keywords: South America/Venezuela/States/Aragua.

Call Number: 945

Notes: Extracted from El Agricultor Venezolano, 12:128, dic., 1947, issue dedicated to  
the State of Aragua.

Abstract: Pictorial economic map showing agriculture, cattle, and some industry with  
text of vital statistics.

M. Bonne

1782 Carte des Isles de St. Domingue et Porto-Rico. edited by M. Bonne, Juillet.

Keywords: Santo Domingo/Puerto Rico.

Call Number: 944

Abstract: Hand watercolored map of Santo Domingo and Puerto Rico.

M. Bonne

1782 Carte des Isles de Cuba et de la Jamaïque. edited by M. Bonne, Juillet.

Keywords: Cuba/Jamaica/Caribbean.

Call Number: 943

Abstract: Hand watercolored map of Cuba and Jamaica.

M. Monnier

1825 Plan de la rade et de la ville de St. Pierre (Ile d la Martinique). edited by M. Monnier.

Keywords: Martinique/Winward Islands/St. Pierre.

Call Number: 942

Abstract: Detailed relief map of city and environs. Soundings in harbour and indication of location of sand and rocks.

M. Bonne

n.d. L'Isle de Cuba. edited by M. Bonne.

Keywords: Cuba.

Call Number: 941

Abstract: map of Cuba.

M. Bonne

n.d. Carte de l'Isle de St. Domingue une des Grandes Antilles, Colonies Francoise et Espagnole. edited by M. Bonne.

Keywords: Santo Domingo/Greater Antilles.

Call Number: 940

Notes: Probably from: Guillaume Thoms Francois Raynal, Atlas de toutes les parties connues du Globe Terrestre... Geneve, 1780.

Abstract: Santo Domingo.

1972 Techialoyan Documents.

Keywords: Mexico.

Call Number: 939

Notes: Xerox of map. Lower right corner is written: "hfc" (Howard F. Cline); lower left corner is written: "Revised by Donald Robertson." See also #938.

Abstract: Locates towns from which there are known to be Techialoyan codices in the State of Mexico, also in D.F., Hidalgo, Tlaxcala, and Morelos.

Donald and Martha Robertson

1972 Techialoyan Documents. edited by Donald and Martha Robertson, New Orleans, LA.

Keywords: Mexico/State.

Call Number: 938

Notes: 2 parts taped together. Xerox of manuscript map.

Abstract: Locates towns from which there are known to be Techialoyan codices in the State of Mexico, also in D.F., Hidalgo, Tlaxcala, and Morelos. Insets: 1) Distrito Federal; 2) Techialoyan Distribution.

Comision Nacional de Turismo (Mexican Tourist Association).

1940 Road Map of the Valley of Mexico. edited by Comision Nacional de Turismo (Mexican Tourist Association), Eliseo Villegas de San Martin, Mexico, D.F.

Keywords: Mexico/Valley/Cities/Roads.

Call Number: 937

Notes: Postive photostat. From an original belonging to and marke by Donald Robertson during his investigation of towns from which Techialoyan codices come.

Abstract: Shows a larger region than the Valley of Mexico: D.F., State of Mexico from Toluca east, and northern Morelos.

David W. Amram, Jr.

1947 Valley of Lacanha: Locating Bonampak ruins. edited by David W. Amram, Jr..

Keywords: Mexico/Ruins/Chiapas.

Call Number: 936

Notes: Positive photostat of manuscript map. Several notations in red and blue pencil and blue ink. Probably sketch for David W. Amram, Jr., "Eastern Chiapas Revisited," *The Geographical Review*, 38:1, Jan., 1948, pp. 120-126, Fig. 1, Map of Eastern Chiapas, p. 121.

Abstract: Shows Maya ruins, airstrips, trails, Usumacinta River Valley, etc.

Erwin Raisz -- Geography Branch of the Office of Naval Research

1959 *Landforms of Mexico*. edited by Erwin Raisz -- Geography Branch of the Office of Naval Research, Geography Branch of the Office of Naval Research, Cambridge, MA.

Keywords: Mexico/Topography/Landforms.

Call Number: 935

Abstract: Map based primarily on airplane photographs and the author's flights and travels as well as numerous published sources. Description of physiographic provinces.

Insets: 1) Physiographic symbols; 2) Physiographic provinces; 3) States and territories.

Charles Copley

n.d. *Central America and the West Indies, from the latest and best Authorities*. edited by Charles Copley, Harper & Brothers, New York.

Keywords: Central America/West Indies/Jamaica/Cuba.

Call Number: 934

Abstract: Map of Central America and the West Indies. Also shows Mexico, northern South America, and southern U.S. Insets: 1) The Harbors of Port Royal and Kingston; 2) Jamaica; 3) The Harbor and city of Havana.

H. Morse

n.d. *West India Islands*. edited by H. Morse, Samuel Walker, Boston.

Keywords: West Indies/Caribbean/Americas.

Call Number: 933

Notes: Additional copy on file.

Abstract: Shows central america, northern south america, southeast mexico and florida.

Harrisen

n.d. West Indies. edited by Harrisen.

Keywords: West Indies/Caribbean/Americas.

Call Number: 932

Abstract: Shows Mexico, Central America, northern South America, and southern United States.

n.d. West Indies.

Keywords: West Indies/Caribbean/Americas.

Call Number: 931

Abstract: Shows central america, northern South America, southeast Mexico and Florida.

Dr. Robertson

n.d. Carte du Mexique ou de la Nouvelle Espagne ou l'on peut suivre les Mouvements des Cortes. edited by Dr. Robertson, Ambroise Tardieu, Paris.

Keywords: Mexico/New Spain/United States.

Call Number: 930

Abstract: Map of Mexico or New Spain. Shows southwestern U.S. and Mississippi River Valley. Inset: Valley of Mexico.

Dr. Robertson

n.d. Carte de l'Amerique Merid. edited by Dr. Robertson, Ambroise Tardieu, Paris.

Keywords: South America.

Call Number: 929

Notes: For another copy see: William Robertson, Histoire de l'Amerique, M. de la Roquette, ed., 4th ed., Paris, Chex Janet et Cotelle, Libraires, 1828, v.1, Pl. II, facing p. 321.

Abstract: Map of South America.

Dr. Robertson

n.d. Carte du Golfe du Mexique, des Iles et des Pays Adjacens. edited by Dr. Robertson, Ambroise Tardieu, Paris.

Keywords: Mexico/Gulf of Mexico.

Call Number: 928

Notes: Additional copy on file.

Abstract: Map of the Gulf of Mexico. Shows also Central America, West Indies, Northern South America, and Eastern Mexico and Yucatan.

Thomas Jefferys Geographe du Roi a Londres

1772 Carte Generale des Decouvertes de l'Amiral de Fonte representatn la grande probabilite d'un Passage au Nord Ouest. edited by Thomas Jefferys Geographe du Roi a Londres, Paris.

Keywords: World/Explorers.

Notes: Map in 8 parts. From MARI director's office [no. 808].

Abstract: Ruins of Uaxactun, Department of Peten. Plan. Archeological, communicational, physical. Color, manuscript.

Department of Middle American Research

n.d. Uaxactun. edited by Department of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America/Guatemala/Peten.

Call Number: 818

Notes: from MARI director's office [no. 807].

Abstract: Cross section at Uaxactun, Department of Peten. Plan. Archeological, physical. Manuscript.

Tzotzkitam N.E. Peten Guatemala.

Keywords: Middle America/Guatemala.

Call Number: 817

Notes: from MARI director's office [no. 806].

Abstract: SEE CALL NO. 278.

Webster McBryde

1932 Solola, Guatemala, C.A. edited by Webster McBryde.

Keywords: Middle America/Guatemala/Solola.

Call Number: 816

Notes: from MARI director's office [no. 814]

One negative copy of each sheet on file. Map drawn in connection with McBryde's article on Solola. See McBryde, 1933, pp. 129, 152.

Abstract: Map in 2 sheets: (1) City of Solola. Plate. Communicational, physical.

Photostatic; (2) Various stalls at the Market Place, Solola. Plan. Photostatic.

El Peten Guatemala.

Keywords: Middle America/Guatemala.

Call Number: 815

Notes: from MARI director's office [no. 795].

Abstract: SEE CALL NO. 256.

O.G. Ricketson

n.d. Naranjo. edited by O.G. Ricketson.

Keywords: Middle America/Guatemala/Peten/Ruins/Naranjo.

Call Number: 814

Notes: from MARI director's office [no. 802].

Abstract: Ruins of Naranjo, Department of Peten. Plan. Archeological, physical. Color, photostatic.

F. Blom, D. o. M. A. R.

n.d. Ruins by Ixlu Peten Guatemala. edited by F. Blom, D. o. M. A. R., Tulane University, New Orleans.

Keywords: Middle America/Guatemala/Ruins/Peten.

Call Number: 813

Notes: Additional copy on file (negative). From MARI director's office [no. 800]

Map drawn in connection with the John Geddings Gray Memorial Expeditions, 1928.

Abstract: Ruins near Ixlu, Department of Peten. Plan. Archeological, communicational.

Manuscript. 1 photostatic copy on file.

Department of Middle American Research

n.d. The Department of Huehuetenango Guatemala and Adjacent Territory. edited by Department of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America/Guatemala.

Call Number: 812

Notes: from MARI director's office [no. 799].

Abstract: Cities, towns, ruins, railways, and route traversed in 1925 and in 1927 by expeditions conducted by the Department of Middle American Research, Tulane University. Archeological, communicational, physical, political. Manuscript.

Department of Middle American Research

n.d. Map of Region Visited (Cuchumatanes) In Department of Huehuetenango, Guatemala. edited by Department of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America/Guatemala.

Call Number: 811

Notes: Additional copy on file. From MARI director's office [no. 798].

Abstract: Route followed by the Ricketson and Walcott parties. Communicational, physical.

Honradez Peten, Guatemala.

Keywords: Middle America/Guatemala.

Call Number: 810

Notes: from MARI director's office [no. 797].

Abstract: SEE CALL NO. 241.

Frans Blom, D. o. M. A. R.

n.d. Lubaantun. edited by Frans Blom, D. o. M. A. R., Tulane University, New Orleans.

Keywords: Middle America/Ruins/Lubaantun.

Call Number: 809

Notes: from MARI director's office [no. 816].

Abstract: Ruins of Lubaantun. Plan. Archeological. Color, manuscript.

Frans Blom

n.d. Rio Grande Ruins. edited by Frans Blom, Tulane University, New Orleans.

Keywords: Middle America/British Honduras/Ruins.

Call Number: 809b

Notes: This map is the finished copy of #809. Map compiled from notes of R.E. Mervin Peabody Museum Expedition 1914-1915.

Abstract: Rio Grande Ruins, British Honduras. Located on Colombia Branch of the Rio Grande, about.5 miles west of the indian town San Pedro de Colombia.

n.d. Map of British Honduras.

Keywords: Middle America/British Honduras.

Call Number: 808

Notes: from MARI director's office [no. 844]

Photostat from Fowler, 1879.

Abstract: Illustrates Henry Fowler's route across previously unexplored territory. Archeological, communicational, physical, political. Photostatic Inset: Map showing Location of British Honduras in Central America.

Department of Middle American Research

1936 Theoretical First Voyage of Amerigo Vespucci to the New World. edited by Department of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America/Maya/Amerigo Vespucci.

Call Number: 807

Notes: from MARI director's office [no.847]

Preliminary map to illustrate article by Maurice Ries. See Ries, 1936, p. 38.

Abstract: Probable and possible route of Vespucci. Maya area and area inhabited by costal tribes. Communicational, ethnographic, historical. Mounted, manuscript.

Frans Blom

n.d. (After Capt. Vans Agnew, 1924) Uaxactun and Surrounding Area. edited by Frans Blom.

Keywords: Middle America/Mexico/Guatemala/Honduras.

Call Number: 806

Notes: from MARI director's office [no. 845].

Abstract: Southeastern part of the State of Campeche, Mexico, northern part of the Department of Peten, Guatemala, and western part of British Honduras. Archeological, communicational, physical. Color, manuscript.

Frans Blom, D. o. M. A. R.

1928 Corrections to Map of Rivers. edited by Frans Blom, D. o. M. A. R., Tulane University, New Orleans.

Keywords: Middle America/Rivers/Mexico/Guatemala.

Call Number: 805

Notes: from MARI director's office [no. 863].

Abstract: Cours of the Usumacinta, Lacantun, Pasion and Salinas rivers and route of the Tulane University Expedition, 1928, through eastern part of the State of Chiapas,

Mexico, and western part of the Department of Peten, Guatemala. Sketch.  
Archeological, communicational. Color, manuscript.

Capt. Vans Agnew

1924 Uaxactun and Surrounding Area. edited by Capt. Vans Agnew.

Keywords: Middle America/Mexico/Guatemala/Honduras.

Call Number: 805a

Notes: from MARI director's office [no. 811].

Abstract: Southeastern part of the State of Campeche, Mexico, northern part of the Department of Peten, Guatemala, and western part of British Honduras. Archeological, communicational, physical. Color, manuscript.

Frans Blom, D. o. M. A. R.

1928 Map of Rivers. edited by Frans Blom, D. o. M. A. R., Tulane University, New Orleans.

Keywords: Middle America/Rivers/Guatemala/Mexico.

Call Number: 804

Notes: from MARI director's office [no. 862].

Abstract: Course of the Usumacinta River and its tributaries through the eastern part of the State of Chiapas, Mexico, and the Department of Peten, Guatemala. Sketch.  
Archeological, political. Manuscript.

Map of Southern Quintana Roo.

Keywords: Middle America/Quintana Roo/Mexico.

Call Number: 803

Notes: from MARI director's office [no. 804].

Abstract: SEE CALL NO. 193.

P. W. Shufeldt Cio and Capt. F. Vans Agnew and N. Didier Masson  
1927 Map of the Northern Section of the Department of El Peten, Guatemala. edited by  
P. W. Shufeldt Cio and Capt. F. Vans Agnew and N. Didier Masson.  
Keywords: Middle America/Guatemala/El Peten.  
Call Number: 802  
Notes: from MARI director's office [no. 860].  
Abstract: Camps, ruins, trails. Additions and notes in ink and colored pencil by the John  
Geddings Gray Memorial Expedition, IV Tulane University Expedition, 1928.  
Archeological, communicational, physical.

Department of Peten Guatemala and Adjacent Regions.  
Keywords: Middle America/Guatemala.  
Call Number: 801  
Notes: from MARI director's office [no. 803].  
Abstract: SEE CALL NO. 185.

Department of Peten Guatemala and Adjacent Regions.  
Keywords: Middle America/Guatemala.  
Call Number: 800  
Notes: from MARI director's office [no. 861].  
Abstract: SEE CALL NO. 184.

Frans Blom  
1928 John Geddings Gray Memorial Expedition. edited by Frans Blom, Tulane University,  
New Orleans.  
Keywords: Middle America/John Geddings/Mexico.  
Call Number: 799  
Notes: from MARI director's office [no. 858].  
Abstract: Eastern Chiapas, Mexico. Archeological, communicational, physical, political.  
Color, manuscript.

Frans Blom, D. o. M. A. R.  
1928 John Geddings Gray Memorial Expedition. edited by Frans Blom, D. o. M. A. R.,  
Tulane University, New Orleans.  
Keywords: Middle America/John Geddings/Mexico/Guatemala.  
Call Number: 798  
Notes: from MARI director's office [no. 857].  
Abstract: Southeastern Chiapas, Mexico, and southwestern Guatemala. Sketch.  
Archeological, communicational, political. Manuscript.

Frans Blom, D. o. M. A. R.  
1928 John Geddings Gray Memorial Expedition. edited by Frans Blom, D. o. M. A. R.,  
Tulane University, New Orleans.  
Keywords: Middle America/John Geddings/Mexico.  
Call Number: 797  
Notes: from MARI director's office [no. 856].  
Abstract: Route followed by the John Geddings Gray Memorial Expedition from  
Tapachula to Comitán, State of Chiapas, Mexico. Sketch. Archeological,  
communicational, political. Color, manuscript.

Frans Blom, D. o. M. A. R.  
1928 John Geddings Gray Memorial Expedition Tulane University 1928. edited by Frans  
Blom, D. o. M. A. R., Tulane University, New Orleans.  
Keywords: Middle America/John Geddings/Mexico/Honduras.  
Call Number: 796  
Notes: from MARI director's office [no. 855]  
Map drawn in connection with the John Geddings Gray Memorial Expedition, 1928.  
Abstract: Southeastern Quintana Roo, Mexico, and northeastern British Honduras.  
Sketch. Communicational. Color, manuscript.

John Geddings Gray Memorial Expedition to Middle America.

Keywords: Middle America/John Geddings.

Call Number: 795

Notes: from MARI director's office [no. 772].

Abstract: SEE CALL NO. 172.

Gracida

1928 Pokyah or Tlachtli Ball Courts in the Maya Area. edited by Gracida, Department of Middle American Research, Tulane University of Louisiana, New Orleans.

Keywords: Middle America/Maya/Games.

Call Number: 794

Notes: from MARI director's office [no. 801].

Abstract: Ball courts located by the John Geddings Gray Memorial Expedition, conducted by the Department of Middle American Research, Tulane University of Louisiana, 1928. Archeological, ethnological, political. Manuscript.

Carta General de la Republica Mexicana.

Keywords: Middle America/Mexico.

Call Number: 794a

Notes: from MARI director's office [no. 867].

Abstract: SEE CALL NO. 28.

Lloyd M. Hendrick, Jr.

n.d. Map of the Principal Archaeological Sites of the Maya Area. edited by Lloyd M. Hendrick, Jr..

Keywords: Middle America/Maya/Mexico/Guatemala/Honduras/El Salvador.

Call Number: 793

Notes: from MARI director's office [no. 779]

Extracted from Spinden, 1913, pl. 30.

Abstract: Part of southern Mexico, Guatemala, British Honduras, El Salvador, and northwestern Honduras. Physical, political.

n.d. Maya Area.

Keywords: Middle America/Maya/Mexico/Guatemala/Honduras/El Salvador/Ruins.

Call Number: 792

Notes: from MARI director's office [no. 780].

Abstract: Unfinished map of southern Mexico, Guatemala, British Honduras, El Salvador, and northwestern Honduras. Indicates ruins in the States of Chiapas, Campeche, and Yucatan, Mexico. Archeological, political. Manuscript.

Map of the Maya Area and Adjacent Regions-Mexico-Guatemala-British-Honduras-Honduras-San-Salvador.

Keywords: Middle America/Maya.

Call Number: 792a

Notes: from MARI director's office [no. 868].

Abstract: See call no. 155.

J. Barrosa L.

1922 Mapa Ferrocarrilero de Guatemala y El Salvador. edited by J. Barrosa L..

Keywords: Middle America/Guatemala/El Salvador/Railways/Roads.

Call Number: 791

Notes: from MARI director's office [no. 796].

Abstract: Cities, towns, railways, roads. Communicational, political, statistical. Blueprint. 3 insets.

William Shawe

n.d. Map of Guatemala and Adjacent Countries from the "Biologia Centrali Americana". edited by William Shawe.

Keywords: Middle America/Guatemala/Railways.

Call Number: 790a

Notes: from MARI director's office [no. 777]

Extracted from Maudslay, 1899.

Abstract: Cities, towns, ruins, railways. Archeological, communicational, physical, political. Color, mounted. Inset: Limits of Maya Inscriptions.

n.d. Route from New Orleans, Louisiana, U.S.A., to Puerto Barrios, Guatemala, C.A., Through Southern Mexico, Guatemala and Return.

Keywords: New Orleans/Guatemala/Mexico.

Call Number: 790

Notes: from MARI director's office [no. 793].

Abstract: Communicational, political. Color, mounted.

1507 Waldseemuller World Map.

Keywords: World.

Call Number: 789

Notes: Penciled note in margin: cf. World Map by Glareus 1510. "Periplus", p. 173.

Abstract: Ethnography, ethnology, historical, physical. Photostatic.

n.d. Carta del Mundo según la proyección de Mercator, Que manifiesta la línea del camino de fierro de Tehuantepec, en conexión con las demas líneas de vapores ó buques de vela de los principales puertos del mundo. [Chart of the World on Mercator's Projection, Showing the Line of the Tehuantepec Railway with its Connections by Steamships and Sailing Vessels with the Most Prominent Ports of the World.]. Imprenta de Ignacio Cumplido, Mexico.

Keywords: World /Tehuantepec /Railways /Ports.

Call Number: 788

Notes: Published as a gift of the Editor to the subscribers of "Siglo XIX."

Abstract: Outline of the continents, showing the Isthmus of Tehuantepec at the center, with steamship lines shown in color. Communicational.

Vicente di Maiollo, 1.

1905 Map of the World. edited by Vicente di Maiollo, 1., The Hispanic Society of America, New York.

Keywords: World.

Call Number: 787

Notes: Reproduced in facsimile from photographs obtained by Arthur James Weise in the Biblioteca Ambrosiana of Milan in April, 1903.

Abstract: Map issued in 4 parts. Pictorial map of the world. Outline. Historical, physical. Color.

n.d. The World on Mercator's Projection.

Keywords: World/Race.

Call Number: 787a

Abstract: The approximate distribution of the three great groups of the human race, viz.: Caucasian, Mongoloid, and Negroid. Outline. Ethnography. Photostatic.

1482 World Map from the Ulm Ptolemy.

Keywords: World/Asia.

Call Number: 786

Notes: Manuscript note on map: cf. "Lolinus Ms Basileae 1538." "Periplus", 60, p. 137, part of Asia especially.

Abstract: The world as known in 1482. Outline. Historical. Photostatic.

n.d. Chart of the World Showing Distances Saved by the Maritime Canal of Nicaragua.

American Bank Note Co. (engr.), New York.

Keywords: World/Nicaragua/Canals/Ports.

Call Number: 785

Abstract: Present routes, and new routes by way of Nicaragua Canal to principal ports of the world. Table showing distances in miles between commercial ports of the world and distances saved by the Nicaragua Canal. Outline. Communicational. Color, mounted.

1931 Commercial Atlas of the World. Geographical Publishing Co., Chicago.

Keywords: World.

Call Number: 784

Abstract: 99 maps of all parts of the world. All maps are colored except 16, 118, 119, and 146. Contents of entry follow contents of the atlas.

1929 The Literary Digest Atlas of the World and Gazetteer. C.S. Hammond & Co., New York.

Keywords: World.

Call Number: 783

Abstract: 112 maps of all parts of the world. All maps are colored except 185, 186 and 187. Contents of entry follow contents of the atlas.

1919 Atlas America Latina [Including Map of the World]. General Drafting Co., Inc., New York.

Keywords: Latin America/World.

Call Number: 782

Abstract: A map of the world and 36 maps of Latin America, accompanied by charts illustrating the commercial progress of the Latin American countries, 1910-1917. All maps are colored except 1 and 2. Contents of entry follow contents of the atlas.

Paul Marie Joseph Vidal de La Blache

1890-1994 Histoire et Géographie. Atlas Vidal-Lablache [World]. edited by Paul Marie Joseph Vidal de La Blache, Armand Colin & Cie., Paris.

Keywords: World.

Call Number: 781

Notes: Atlas published in 24 parts with index.

Abstract: 385 colored maps of all parts of the world. Contents of entry follow contents of the atlas.

1894 Rand, McNally & Co.'s Library Atlas of the World. Rand McNally and Co., Chicago and New York.

Keywords: World.

Call Number: 781a

Abstract: 95 colored maps of all parts of the world. Contents of entry follow contents of the atlas.

Le Sage

1826 Atlas Historico, Genealogico, Cronologico, Geografico, etc. [World]. edited by Le Sage, Bossange Padre, Paris.

Keywords: World.

Call Number: 780

Abstract: 22 colored maps of all parts of the world, accompanied by genealogical charts. Contents of entry follow contents of the atlas.

Edme Mentelle

1804 Geographie Mathematique, Physique et Politique de Toutes les Part les du Monde [World]. edited by Edme Mentelle, J.B.P. Tardieu (engr.), Paris.

Keywords: World.

Call Number: 779

Notes: From drawings by J.B. Poirson, reviewed and corrected, from numerous authorities, by Edme mentelle.

Abstract: 45 maps of all parts of the world. All maps are colored except 1 and 2. Titles of 1, 2, 3, and 12 are as given in index to atlas. Contents of entry follow contents of the atlas.

1508 Atlas of Portolan Charts [World].

Keywords: World.

Call Number: 778

Notes: Several of the maps exhibit features which suggest the authorship of Vesconte de Maiollo; Indian peninsulas and the east coast of Asia resemble those regions as laid down by Canerio and by Waldseemuller in his Carta Marina, 1516.

Abstract: Reproduction of the 20 outline maps and 2 astronomical table in the Atlas of Portolan charts, Egertaon Manuscript No. 2803, in the British Museum. Titles are as listed in atlas. Contents of entry follow contents of the atlas.

n.d. Part of the Western Hemisphere.

Keywords: World/Western Hemisphere/North America/Newfoundland/Greenland.

Call Number: 777

Abstract: Alaska, Canada, Newfoundland, Greenland, and part of the United States of America. Cities, towns; route from Greenland to Newfoundland and along the coast of Labrador added in manuscript. Communicational, physical, political. Photostatic.

Hieronimi Marini fecit Venitia

1512 "Orbuis Typus Universlis Tabula". edited by Hieronimi Marini fecit Venitia.

Keywords: World/Africa/Asia/Europe/South America/North America.

Call Number: 776

Notes: additional copy on file (negative).

Abstract: Reproduction by Danesi Roma, from original at the Bibliothoque du Ministere des Relations Exteriures du Bresil. Africa, Asia, Europe, part of Brasil [South America] and India Nova [North America]. Outline. Historical, physical. Color, mounted, shaded.

Paulo Forlani Veronese

1565 Universale Descrittione di Tutta La Terra Conosciuta Fin Qui. edited by Paulo Forlani Veronese.

Keywords: World.

Call Number: 775

Notes: For enlargement of section showing Middle and South America, see call no. 46.  
Photostat from Muller, n.d.  
Abstract: The world as known in 1565. Outline. Historical, physical. Photostatic.

Giacomo

1546 Universale. edited by Giacomo, Venetia.

Keywords: World/North America/Asia.

Call Number: 774

Notes: 1 negative copy on file.

Abstract: Map of the world, showing the North American continent connected with Asia.  
Outline. Historical, physical. Photostatic.

1503 Chart of Pilestrina.

Keywords: World/North America/Brazil/Europe/Africa/Asia.

Call Number: 773

Notes: Manuscript note in margin: cf. King map "Nil sources". See call no. 740.

Abstract: Part of North America, the northeast coast of Brazil (the only known part of South America), Europe, part of Africa and Asia. The part of this map which shows Brazil is apparently the same as Kunstmann No. III.

Albert H. Bumstead, C. C.

1936 Pacific Ocean. edited by Albert H. Bumstead, C. C., National Geographic Society, Washington, D.C.

Keywords: World/Pacific Ocean/North America/Middle America/South America/Asia/Australia/Islands.

Call Number: 772

Notes: 73 bordering maps all with different sizes and scales.

Abstract: North and Middle America, western part of South America, eastern Asia, Australia and the Islands of the North and South Pacific Ocean. Cities, towns, airways, railways, roads, water routes (distances in nautical miles). Communicational, hydrological, physical, political. Color, mounted.

1503 Munich-Portuguese Chart.

Keywords: World.

Call Number: 771

Notes: Manuscript note in margin: Vespucci's Voyage. 1501. See call no. 739.

Abstract: The world as of 1503. The part of this map which shows Brazil is apparently the same as Kunstmann No. II.

n.d. Mappemonde D'un Auteur Inconnu, A Londres.

Keywords: World.

Call Number: 770

Notes: See call no. 778. Photostat from Denuce, 1908, f.p. 19.

Abstract: Copy of a map of the world, author unknown, with the Egerton Manuscript, 2803, British Museum, London. Outline. Historical. Photostatic.

Matthews-Northrup Works, B. N. Y.

1920 Map of Europe Showing Countries as Established by the Peace Conference at Paris. edited by Matthews-Northrup Works, B. N. Y., National Geographic Society, Washington, DC.

Keywords: Europe/Railways.

Call Number: 769

Notes: Graves, 1921, supplement. Map contains one inset of the Dardanelles.

Abstract: Cities, towns, railways. Communicational, historical, physical, political. Color.

Joh. Stobnicza

1512 Eastern Hemisphere. edited by Joh. Stobnicza.

Keywords: World/Eastern Hemisphere.

Call Number: 768

Notes: 1 negative copy on file. 26.7 x 35.8.

Abstract: Outline. Historical. Photostatic.

Giouani Andrea Vauassore ditto Vadagnino

n.d. Eastern Hemisphere. edited by Giouani Andrea Vauassore ditto Vadagnino.

Keywords: World/Eastern Hemisphere.

Call Number: 767

Notes: 1 negative copy on file.

Abstract: Historical, physical. Photostatic.

Bartholomaeus Columbus

1503 Sketch Map by Bartholomaeus Columbus. edited by Bartholomaeus Columbus.

Keywords: World/Spain/Africa/Asia/New World.

Call Number: 766

Notes: Map from Wieser. Photographic reproduction.

Abstract: Geographical relationship of southern Spain and northwestern Africa to Asia and the New World. Historical. Photostatic.

Alberto Cantino

1502 Parte Americana do Mappa de Alberto Cantino. edited by Alberto Cantino.

Keywords: Indies.

Call Number: 765

Notes: There seems to be some variation in the Cantino Chart, circa 1502, and this map of Alberto Cantino, 1502. The latter contains inscriptions which are omitted on the former. Additional copy on file (Negative).

Abstract: Navigation map of the New Islands in the Indies given by Alberto Cantino to the Sr. S. Duca Hercole. Outline. Historical, hydrological, physical. Mounted, shaded.

1502 The Cantino Chart.

Keywords: World.

Call Number: 764

Abstract: The world as known in 1502. Historical, hydrological, physical. Photostatic.

Nicolay de Canerio

1505 Part of Canerio Chart. edited by Nicolay de Canerio.

Keywords: World/Atlantic Ocean/Africa/Europe/North America/South America/West Indies.

Call Number: 763

Notes: Left half of chart, in 2 parts.

Abstract: Atlantic Ocean and bordering countries, northeastern Africa, Europe, North America, northern South America, and the West Indies. Outline. Historical, hydrological, physical. Photostatic.

Nicolay de Canerio

1505 Canerio Chart from a Photograph made by the French Government. edited by Nicolay de Canerio.

Keywords: World Map.

Call Number: 762

Notes: Manuscript note in margin: cf. "Periplus", p. 177 repr. in Ptolomaeus Argentorati [i.e. Argentoragi]: 1525.

Abstract: Map of the world as known circa 1505. Outline. Historical, hydrological, physical. Photostatic.

1884 The Channels of North of Baffin Bay, Between Greenland and North America. U.S. Hydrographic Office, Washington, D.C.

Keywords: Arctic Regions/Baffin Bay/Greenland/Explorers.

Call Number: 761a

Notes: Reproduced for Science by permission of the Navy Department, Gus. Herrle (del.). Science, 1884, supplement.

Abstract: Routes and points reached by explorers. Communicational, historical, hydrological, physical.

1885 Baffin Bay to Lincoln Sea. U.S. Hydrographic Office, Washington, D.C..

Keywords: Arctic Region/Greenland/Baffin Bay/Lincoln Sea/Ellesmere Island.

Call Number: 761

Notes: Map reproduced for Science by permission of the Navy Department, drawn by Fred D. Owen. Map No. 962. Sounding in fathoms; elevation in feet. Greeley, 1885.

Abstract: Northwestern coast of Greenland and the northeastern coast of Ellesmere Island, Arctic Region. Historical, hydrological, physical.

n.d. Atlantic Ocean.

Keywords: Atlantic Ocean/Africa/Europe/North America/South America/West Indies.

Call Number: 760

Abstract: Part of map showing the Atlantic Ocean and bordering countries, northwestern Africa, Europe, North America, northern South America and the West Indies. Outline. Historical. Photostatic.

A. Briesemeister (del.), A. M. o. N. H. a. t. A. G. S. N. Y.

1912 Map of the Arctic Regions. edited by A. Briesemeister (del.), A. M. o. N. H. a. t. A. G. S. N. Y., A. Hoen & Co., Baltimore, MD.

Keywords: Arctic Regions/Explorers.

Call Number: 759

Notes: Sounding in feet.

Abstract: Points reached by explorers. Outline. Historical, hydrological. Color.

National Geographic Society, W. D. C.

1925 The Arctic Regions. edited by National Geographic Society, W. D. C., A. Hoen & Co., Baltimore, MD.

Keywords: Arctic Regions/Railways/Explorers.

Call Number: 758

Notes: Map contains 2 insets: (1) Ellesmere Island Region; (2) Spitsbergen and Franz Josef Land. National Geographic Society, 1925, supplement.

Abstract: Cities, towns, railways, explorers routes. Communicational, historical, hydrological, physical, political. Color, mounted.

Albert H. Bumstead and James M. Darley, N. G. S. W. D. C.

1932 The Antarctic Regions. edited by Albert H. Bumstead and James M. Darley, N. G. S. W. D. C., A. Hoen & Co. (lith.), Baltimore, MD.

Keywords: Antarctic/Explorers.

Call Number: 757

Notes: Map contains 3 insets: (1) Antarctic Archipelago; (2) Byrd's South Pole Flight; (3) King Edward VII Land and part of Marie Byrd Land.

Abstract: Air and land routes of explorers. Communicational, historical, physical. Color, mounted.

n.d. Western and Southeastern Coast of Africa and Northeastern Brazil.

Keywords: Africa/Brazil.

Call Number: 756

Abstract: Sketch. Historical. Photostatic.

Indian Ocean.

Keywords: Indian Ocean.

Call Number: 756b

Notes: photograph of map.

Abstract: outline map of the Indian Ocean and the countries that border it.

n.d. Asia.

Keywords: Asia/Southern/Eastern.

Call Number: 756a

Notes: photographic reproduction.

Abstract: Sketch map of the coast of southern and eastern Asia. Historical.

Richard A. Martin

1938 Distribution of Tribes in Iraq. edited by Richard A. Martin.

Keywords: Asia/Iraq/Mesopotamia/Arabia/Turkey/Persia.

Call Number: 755

Notes: Issued separately as a part of Field, 1940.

Abstract: Part of Iraq [Mesopotamia], Arabia, Turkey and Persia. Ethnography, political.

Peter Gerhard

1938 Distribution of Tribes in Western Iran. edited by Peter Gerhard.

Keywords: Asia/Iran/Persia.

Call Number: 754

Notes: Issued separately as a part of Field, 1940.

Abstract: Western part of Iran [Persia]. Ethnography, political.

Gonzalo Fernandez de Oviedo y Valdes [c. 1533-36]

1852 Laguna de Maracaybo. edited by Gonzalo Fernandez de Oviedo y Valdes [c. 1533-36], F. Craus (lithographer).

Keywords: South America/Venezuela/Maracaiba Gulf.

Call Number: 752

Notes: Map used to illustrate an article in which Dr. Rudolph Schuller discusses the date of this map. See Schuller, 1917, p. 295. Photographic reproduction from Oviedo y Valdes, 1851-55, t.2, pl. 3.

Abstract: Gulf of Maracaibo and surroundings. Territory now comprises northwestern Venezuela. Outline. Historical, physical. Photostatic.

Gonzalo Fernandez de Oviedo y Valdes

1852 Cordillera o Costa de la Tierafirme a la Vanda del Polo Artico. edited by Gonzalo Fernandez de Oviedo y Valdes, J.J Martinez, Madrid.

Keywords: South America/Venezuela/Rivers/Orinoco River.

Call Number: 751

Notes: F. Craus (lithographer). Photographic reproduction from Oviedo y Valdes, 1851-55, t. 2, pl. 2.

Abstract: Course of the Orinoco River and its tributaries through territory which now comprises northern Venezuela. Outline. Historical, physical. Photostatic.

Julio Ramos Hernandez

1968 Mapa Arqueologico Pictografico del Departamento de Ica. edited by Julio Ramos Hernandez, Ica.

Keywords: South America/Peru/Provinces/Archeology.

Call Number: 750b

Abstract: Archeological map of Ica Peru showing ruins, the various types of pottery, etc. that can be found throughout the region.

Antonio Raimondi

n.d. Plano de dos Caminos entre Tayabamba y el rio Huallaga. edited by Antonio Raimondi, E. Prugue.

Keywords: South

America/Peru/Tayabamba/Rivers/Huallaga/Cajas/Mulatambo/Tocache/Mixiollo.

Call Number: 750

Notes: Sketch map.

Abstract: Cities and roads between the city of Tayabamba and the Huallaga River, along the Cajas, Mulatambo, Tocache and Mixiollo rivers. Communicational, physical, mounted.

\_\_\_\_\_ Alleon y Eugenio Schreiner

1859 Plano Topogrífico de la Ciudad de Ica, capital de la Provincia de su Nombre. edited by \_\_\_\_\_ Alleon y Eugenio Schreiner.  
Keywords: South America/Peru/Cities.  
Call Number: 750a

T.A. Corry  
1934 Industrial and Archaeological map of Southern Peru. edited by T.A. Corry, Servicio Geografico de Ejercito, edited by the Commission on Propoganda and Tourism, Cusco Centennial., Lima.  
Keywords: South America/Peru.  
Call Number: 749  
Notes: additional copy on file.  
Abstract: Cities, towns, ruins, mines, railways. Communicational, economic, physical, political. Colored and mounted.

R.E. Baluarte, t. L. G. I. G. P. & S. L.  
1903 Map of Peru. edited by R.E. Baluarte, t. L. G. I. G. P. & S. L., D.E. Larrabure y Unanue, Minister of Froegn Affairs, Lima.  
Keywords: South America/Peru/England/Wales/Indigenous Populations.  
Call Number: 748  
Notes: copy on file (map case 3). See also H755.  
Abstract: Cities, towns, location of Indian tribes, petroleum deposits, railways, roads, telegraph lines. Communicational, economic, ethnographic, physical, political, colored.  
Inset: England & Wales on same scale. Map issued by Eduardo Higginson, Consul of Peru, Southampton.

Servicio Geografico del Ejercito, M. d. E. P. 1.  
1936 Mapa del Peru Para las Escuelas Fiscales. edited by Servicio Geografico del Ejercito, M. d. E. P. 1., Talleres Graficos del Servicio Geografico del Ejercito, Lima.  
Keywords: South America/Peru/Fiscal.  
Call Number: 747  
Notes: Map contains inset: El Peru en Sud America.

Abstract: Map of Peru for the Fiscal Schools. Cities, towns, railways. Communicational, physical, political, colored, mounted.

D. Verem: Rossi M. V.

n.d. Plano Scenografico della citta dei Re, o sia di Lima Capitale del Regno del Peru tal quale era Prima che fosse distrutta dall' ultimo terremoto. edited by D. Verem: Rossi M. V..

Keywords: South America/Peru/Lima/Earthquake.

Call Number: 746

Notes: see note for map #741.

Abstract: City of Lima before it was destroyed by earthquake [October 1746?]. Plate, communicational, historical, physical, mounted, shaded.

n.d. View of Lima, "The City of Kings" before its destruction by the great Earthquake of 1746. Harper & Brothers, New York.

Keywords: South America /Peru/Lima /Earthquake.

Call Number: 746a

Notes: see map #741 and #746.

Abstract: Facsimile of the city of Lima before it was destroyed by the earthquake of 1746, including city walls, streets, houses, and identified public buildings.

G.M. Terreni

n.d. Pianta di Cusco Nel Tempo Della Conquista che ne Secro Gli Spagnoli. edited by G.M. Terreni.

Keywords: South America/Peru/Cusco/Conquest.

Call Number: 745

Notes: See note from call no. 741.

Abstract: City of Cusco at the time of the conquest by the Spaniard. Plate, historical, physical, mounted, shaded.

Antonio Raimondi

n.d. Plano del Camino Entre Balsapuerto y Moyobamba. edited by Antonio Raimondi.

Keywords: South America/Peru/Balsapuerto/Moyobamba.

Call Number: 744

Notes: Sketch.

Abstract: Towns and road between Balsapuerto and Moyobamba. Communicational, physical, mounted.

T. Jefferys

1762 Plan of Zisapata Bay. edited by T. Jefferys.

Keywords: South America/Colombia/Zisapata Bay.

Call Number: 743

Notes: Extracted from Jefferys, 1762.

Abstract: Zisapata Bay and surroundings. Settlements. Historical, hydrological, physical, mounted, shaded.

Banco de la Republica, B.

1931 Mapa Comerical de la Republica de Colombia. edited by Banco de la Republica, B., Graficas Reunidas, Madrid.

Keywords: South America/Colombia.

Call Number: 742

Notes: Map contains inset: Cartela del Archipelago de San Andres y Providencia perteneciente a la Republica de Colombia.

Abstract: Cities, towns, railways, roads, aerial and water routes. Communicational, economic, physical, political, colored, mounted.

1963 Republica de Colombia.

Keywords: South America/Colombia.

Call Number: 742a

Abstract: physical, political map.

D. Verem.

n.d. Pianta Della Citta di Sant'iago Capitale del Regno Del Chili. edited by D. Verem.,  
Rossi M. V..

Keywords: South America/Chile/Santiago.

Call Number: 741

Notes: These maps may be No. 41, 39, 38, respectively, of "Atlante del l'America," 1777, although they may have been issued separately, since Lange, 1926, catalogue 51, p. 24, articles 302 and 303, lists 2 other maps, 1760 and 1763, which were also included in this atlas. Inset: Veduta della piccola Montagna di Sa. Lucia.

Abstract: City of Santiago, Republic of Chile.

1503 Parte Sul-Americana do Mappa No. III do Atlas de Kunstmann.

Keywords: South America/Brazil.

Call Number: 740

Notes: Part of South America from Map no. III of the "Atlas de Kunstmann." This map is apparently the same as part of the chart of Salvat de Pilestrina, c. 1503. Photostat from Derby, 1903, back.

Abstract: Coast of Brazil. Outline, historical, photostatic.

British Guiana.

Keywords: Middle America/British Guyana.

Call Number: 740a

Abstract: cities and town, rivers, territories, roads, and crops.

1503 Parte Sul-Americana do Mappa No. II do Atlas de Kunstmann.

Keywords: South America/Brazil/Coast.

Call Number: 739

Notes: Note on back of map: Vespucci after 1504. Part of South America from Map No. II of the "Atlas de Kunstmann," 1859. This map is apparently the same as part of the Munich-Portuguese chart, c. 1503 (see entry 771). Photostat from Derby, 1903, back.  
Abstract: Coast of Brazil. Outline, ethnography, ethnology, historical, photostatic.

n.d. Descripcao dos rios Para, e Maranhao.

Keywords: South America/Brazil/Rivers/Para/Amazon/Indigenous Populations.

Call Number: 738

Notes: No. 41, stamped: Bibl. Nac. o Publ. da Cortes.

Abstract: Portuguese map showing the mouths of the Para and Amazon rivers. Location of Indian and Portuguese villages, forts. Outline, ethnography, historical, hydrographical, military, photostatic.

n.d. Discripcao dos Rios Para Curupa e Amazonas, Descuberto e sondado por Mandado de Sua Mag. de Por Ante.

Keywords: South America/Brazil/Rivers/Para/Curupa/Amazon/Settlements/Forts.

Call Number: 737

Notes: Map in 2 parts, each bearing title.

Abstract: Portuguese map showing the Para, Curupa and Amazon Rivers, discovered and sounded by order of His Majesty by Antonio Vicente Patrao de Pernambuco.

Settlements and forts at the mouth of the Amazon river, state of Para. Historical, hydrological, military, physical, photostatic.

n.d. Descripcao de costa que val do Rio Grande ao Rio la Guaribe e Dele ao Seara e Maranhao.

Keywords: South America/Brazil/Rio Grande/Rio La Guaribe/Serra do Geiname/Parauasu River.

Call Number: 736

Abstract: Portuguese map of the coast of Brazil from the Rio Grande to the Rio La Guaribe and from the Serra do Geiname to the Parauasu River. Outline, historical, hydrological, physical.

n.d. Maranhao Taboa Terceira.

Keywords: South America/Brazil/Amazon River/Belem/Ports/Settlements.

Call Number: 735

Notes: Third sheet.

Abstract: Portuguese map showing mouth of Amazon River, and neighboring provinces. Location of the city of Belem, settlements and ports. Historical, hydrological, military, physical.

n.d. Maranhao Taboa Segunda.

Keywords: South America/Brazil/Para River/Belem/Tacantinas/Tupinambas/Guajajaras/Lake Maracu.

Call Number: 734

Notes: Second sheet.

Abstract: Portuguese map showing mouth of the Para River and neighboring provinces, Tacantinas, Tupinambas and Guajajaras. Location of Indian and Portuguese villages, road from Lake Maracu to Belem. Communicational, ethnographic, historical, hydrological, physical, photostatic.

n.d. Maranhao e Taboa Primeira.

Keywords: South America/Brazil/Guajajaras/Tara Membez de Guerra/Indigenous Populations.

Call Number: 733

Notes: First sheet.

Abstract: Portuguese map showing the provinces of Guajajaras and Tara Membez de Guerra. Location of Indian villages. Ethnography, historical, hydrographical, physical, photostatic.

[Jacques de Vandeclyaye]

[1579] Geneure et du cap de Fric. edited by [Jacques de Vandeclaye], [Dieppe].

Keywords: South America /Brazil /Rio de Janeiro /Cape Fric.

Call Number: 732

Abstract: French map (reproduction) showing location of forts and villages in Geneure and the Cape of Fric. Rio de Janeiro and Cape Fric.

Jacques de Vaudeclaye

1579 Northeastern Coast of Brazil. edited by Jacques de Vaudeclaye.

Keywords: South America/Brazil/Northeast/Explorers.

Call Number: 731

Notes: Original manuscript in the Bibliotheque Nationale do Paris, Cares, C. 15.931.

Abstract: Discoveries of explorers and activities of the natives along the coast of Brazil.

Ethnography, ethnology, historical, physical, photostatic.

Guillaume Le Testu

1556 Brazil. edited by Guillaume Le Testu.

Keywords: South America/Brazil/Rio de Janeiro.

Call Number: 730

Notes: Original in the Bibliotheque de Guerra, Paris. Cartographer's name is spelled Fostu and Testin in the Historia da colonizcao portuguesa do Brasil; both HARRISSE and WINSOR give the spelling as Testu.

Abstract: Course of the Rio de Janeiro corresponds with cartography of about the end of the sixteenth century. Outline, ethnographic, ethnology, historical, physical, photostatic.

1536 Brazil.

Keywords: South America/Brazil/Southeastern.

Call Number: 729

Notes: Copy by K. Kretschmer, Giesecke & Devrient, Leipzig and Berlin, 1892. Photostat from Kretschmer.

Abstract: Southeastern coast of Brazil. Outline, historical, hydrological, photostatic.

n.d. Brazil.

Keywords: South America/Brazil/Northeast.

Call Number: 728

Notes: Copy by K. Kretschmer, Giesecke & Devrient, Leipzig and Berlin, 1892. Photostat from Kretschmer, 1892, tafel 38.

Abstract: Northeastern coast of Brazil. Outline, historical, hydrological, photostatic.

n.d. Brazil.

Keywords: South America/Brazil/Northeast.

Call Number: 727

Notes: Copy by K Kretschmer, Giesecke & Devrient, Leipzig and Berlin, 1892. Photostat from Kretschmer, 1892, tafel 21.

Abstract: Northeastern coast of Brazil. Outline, historical, photostatic.

Gaspar Viegas

1534 Brazil. edited by Gaspar Viegas.

Keywords: South America/Brazil/Northeastern.

Call Number: 726

Abstract: Northeastern coast of Brazil, Outlined, historical, hydrological, photostatic.

n.d. Tabula Hec Regionis Magni Brasilis est et ad Partem Occidentales Antilias Castelle Regis Obtinet. Gens Vero Ejus Nigrescentis Coloris. Fera et Immanissima Carnibus Humanis Vescitur. Hec Eadem Gens Arcu et Sagittis Egregie Utitur. Hic Psytagi Versicolores Alieque Innumere Aves Fereque Monstruose Et Scymuarum Plura Genera Reperiuntur Plurimaque Arbor Nacsitur que Brasil Nuncupata Vestibus Purpureo colore Tingendis Opportuna Censetur.

Keywords: South America/Brazil.

Call Number: 725

Notes: Photostatic from Denuce, 1908, back.

Abstract: Eastern part of Brazil, ethnographical, historical, physical, photostatic.

1937 Puerto Villa Urquiza. Ministerio de Obras Publicas, Direccion General de Navegacion y Puertos, Division del Parana Medio, Entre Rios; Argentina.

Keywords: South America/Argentina/Entre Rios/Provinces.

Call Number: 724

Notes: Seccion del camino.

Abstract: Port of Villa Urquiza, Province of Entre Rios, Plate, communicational, hydrological, physical, colored.

Manzana 91 Moron, 1929.

Keywords: South America/Argentina.

Call Number: 724a

Notes: Square 91, lots 627 to 641, city unidentified. Streets cut the land in the form of a trapezoid. Rivadavia is the only street name which appears on map.

Abstract: Plate, communicational, land tenure, colored, mounted, manuscript.

M.N. Alvarez (del)

1937 Avenida Costanera-Victoria. edited by M.N. Alvarez (del), Ministerio de Obras Publicas, Direccion General de Navegacion y Puertos, division del Parana Medio, Entre Rios; Argentina.

Keywords: South America/Argentina/Entre Rios/Provinces.

Call Number: 723

Abstract: Avenida Costanera, Victoria, Province of Entre Rios, Plate, communicational, Hydrological, colored.

1900a Plano del Partido de Villarino. Ministerio de Obras Publicas de la Provincia de Buenos Aires, Direccion de Geodesia, Catastro y Mapa, La Plata, Argentina.

Keywords: South America/Argentina/La Plata/Provinces.

Call Number: 723a

Notes: Map issued in 2 parts. Part 1, northern region and part 2, southern region. 2 insets: (1) District of Villarino, showing numbers under which the properties are listed in the Archives of the Direccion de Geodesia, Catastro y Mapa; (2) Plano de Ubicacion respecto a Cordoba. Inset: City of Buenos Aires and Surrounding Districts.

Abstract: District of Villarino, province of Buenos Aires, showing property holders (as of 1924). Towns, villages, railways, roads, telegraph and telephone lines. Communicational, historical, physical, political, statistical and land tenure.

Colored.

M.A. Roberto (del)

1937 Avenida Centenario-Victoria. edited by M.A. Roberto (del), Ministerio de Obras Publicas, Direccion General de Navegacion y Puertos, Division Parana Medio., Entre Rios, Argentina.

Keywords: South America/Argentina/Entre Rios/Provinces.

Call Number: 722

Notes: Insert corte transversal provisional; Physical, 1:100 (a x 27.2).

Abstract: Port of Victoria, Provincia de Entre Rios, Plate, communicational, physical, colored.

E. Metaire (del)

1937 Puerto Victoria. edited by E. Metaire (del), Ministerio de Obras Publicas, Direccion General de Navegacion y Puertos, Division Parana Medio, Entre Rios, Argentina.

Keywords: South America/Argentina/Entre Rios/Provinces.

Call Number: 721

Notes: Inset camino de acceso, profile.

Abstract: Port of Victoria, province of Entre Rios, Plate, Communicational, Physical, colored.

Ministerio de Obras Publicas, d. G. d. N. y. P. D. P. M.

1937 Puerto Santa Fe. edited by Ministerio de Obras Publicas, d. G. d. N. y. P. D. P. M., Santa Fe Argentina.

Keywords: South America/Argentina/Santa Fe/Provinces.

Call Number: 720

Abstract: Port of Santa Fe, Province of Santa Fe; plate, communicational, colored.

Luis J. Manganaro. Direccion de Geodesia, C. y. M.

1933 Plano del Partido de Suipacha. edited by Luis J. Manganaro. Direccion de Geodesia, C. y. M., Ministerio de Obras Publicas de la Provincia de Buenos Aires, Buenos Aires, La Plata.

Keywords: South America/Argentina/Buenos Aires/Provinces/Suipacha.

Call Number: 720a

Notes: Map issued in 2 parts. Part 1, northern portion and part 2, southern portion of the District of Suipacha, Province of Buenos Aires. 2 insets.

Abstract: Map shows property holders (as of 1933). Towns, villages, railways, roads, telegraph and telephone lines. Communications, Physical, historical, political, statistical, land tenure. Colored. 2 insets: (1) District of Suipacha showing numbers under which the properties are listed in the Archives of the Direccion de Geodesia, Catastro y Mapa. (2) Plano de Ubicacion from Buenos Aires. Inset: City of Buenos Aires and surrounding districts..

Ministerio de Obras Publicas, D. G. d. N. y. P. I. G. d. E. O. H. y. N. d. P.

1935 Mapa Fisico de la Provincia de Santa Fe. edited by Ministerio de Obras Publicas, D. G. d. N. y. P. I. G. d. E. O. H. y. N. d. P..

Keywords: South America/Argentina/Santa Fe/Provinces.

Call Number: 719

Notes: Map compiled by E. Ruibal and copied by I. Casella.

Abstract: Physical and political map of the Province of Santa Fe.

Ministerio de Obras Publicas, D. G. d. N. y. P. D. P. M.

1937 Puerto Sta. Elena. edited by Ministerio de Obras Publicas, D. G. d. N. y. P. D. P. M..

Keywords: South America/Argentina/Entre Rios/Port of Santa Elena/Ports.

Call Number: 718

Notes: Map No. 7045.

Abstract: Port of Santa Elena, Province of Entre Rios.

E. Ruibal

1935 Ria y Puerto Santa Cruz. edited by E. Ruibal, Ministerio de Obras Publicas, Direccion General de Navegacion y Puertos, Inspeccion General de Estudios Oceanograficos, Hidrograficos y Nivelacion de Precision.

Keywords: South America/Argentina/Santa Cruz/Rivers/Ports/Territories.

Call Number: 717

Abstract: Mouth of the River and Port of Santa Cruz, Territory of Santa Cruz.

E. Ruibal

1937 Puerto San Antonio. edited by E. Ruibal, Ministerio de Obras Publicas, Direccion General de Navegacion y Puertos, Inspeccion General de Estudios Oceanograficos Hidrograficos y Nivelacion.

Keywords: South America/Argentina/Rio Negro/Port of San Antonio/Ports.

Call Number: 716

Abstract: Port of San Antonio, Territory of the Rio Negro.

Ministerio de Obras Pulicas, D. G. d. N. y. P.

1933 Puerto de Rosario. edited by Ministerio de Obras Pulicas, D. G. d. N. y. P., Buenos Aires.

Keywords: South America/Argentina/Santa Fe/Port of Rosario/Ports.

Call Number: 715i

Abstract: Port of Rosario, Province of Santa Fe.

Ministerio de Obras Publicas, D. G. d. N. y. P. S. E. y. P. d. I. D. G.

1936 Puerto Rosario. edited by Ministerio de Obras Publicas, D. G. d. N. y. P. S. E. y. P. d. I. D. G..

Keywords: South America/Argentina/Santa Fe/Port Rosario/Ports.

Call Number: 715h

Notes: Map No. 1327.

Map contains 3 insets profiling sections of the port.

Abstract: Port Rosario, Province of Santa Fe.

Ministerio de Obras Publicas de la Provincia de Buenos Aires, D. G. C. y. M.

1930 Plano del Partido de Pergamino. edited by Ministerio de Obras Publicas de la Provincia de Buenos Aires, D. G. C. y. M., La Plata.

Keywords: South America/Argentina/Buenos Aires/Pergamino/Districts/Property Holders/Railways/Roads.

Call Number: 715e

Notes: Map issued in two parts: northern and southern portions of the District of Pergamino.

Map contains 3 insets.

Abstract: District of Pergamino, Province of Buenos Aires, showing property holders (as of 1924). Towns, villages, railways, roads, telegraph and telephone lines.

Ministerio de Obras Publicas de la Provincia de Buenos Aires, D. G. C. y. M.

1934 Plano del Partido de Patagones. edited by Ministerio de Obras Publicas de la Provincia de Buenos Aires, D. G. C. y. M., Taller de Impresiones Oficiales, La Plata.

Keywords: South America/Argentina/Buenos Aires/Patagones/Districts/Property Holders/Railways/Roads.

Call Number: 715d

Notes: Sounding in fathoms and meters; elevation in meters. Map contains 5 insets.

Map issued in 2 parts: (1) northern portion; (2) southern portion of the District of Patagones.

Abstract: District of Patagones, Province of Buenos Aires, showing property holders (as of 1934). Towns, villages, forts, railways, roads, telegraph and telephone lines.

Ministerio de Obras Publicas de la Provincia de Buenos Aires, D. d. G. C. y. M.  
1929 Plano del Partido de Saladillo. edited by Ministerio de Obras Publicas de la

Keywords: United States/Texas/Railways.

Call Number: 663

Notes: Extracted from Hammond, 1920, p. 324.

Abstract: Cities, towns, railways.

1920 Texas (Eastern Part). C.S. Hammond & Co., New York.

Keywords: United States/Texas/Railways.

Call Number: 662

Notes: Extracted from Hammond, 1920, p.325.

Abstract: Cities, towns, railways.

n.d. Rand McNally Indexed Map of the Southeastern States (Cotton States) of the United States. Rand McNally & Co., Chicago.

Keywords: United States/Southeastern/Railways/Water Routes.

Call Number: 661

Abstract: Cities, towns, railways, water routes.

1920 South Carolina. C.S. Hammond & Co., New York.

Keywords: United States/South Carolina/Railways.

Call Number: 660

Notes: Map includes one inset: South Carolina, Southern Part.

Map extracted from Hammond, 1920, p. 265.

Abstract: Cities, towns, railways.

Chs. F. Hoffman & J.T. Gardner, G. S. o. C.

n.d. Map of a Portion of the Sierra Nevada Adjacent to the Yosemite Valley. edited by Chs. F. Hoffman & J.T. Gardner, G. S. o. C..

Keywords: United States/California/Sierra Nevada/Yosemite/Roads.

Call Number: 659

Notes: Map made from surveys by Chs. F. Hoffman & J.T. Gardner, 1863-1867.

Abstract: Southeastern California. Settlements, ranchos, mines, roads.

T. Mitchell Prudden

1903 Map of the San Juan Watershed Showing the Location of Prehistoric Ruins. edited by T. Mitchell Prudden.

Keywords: United States/San Juan/Watershed/Ruins/Arizona/New Mexico/Colorado/Utah/Indigenous Populations.

Call Number: 658

Notes: Extracted from Prudden, 1903, f.p.224.

Abstract: Northeastern Arizona, northwestern New Mexico, southwestern Colorado and southeastern Utah. Settlements, Indian pueblos, ruins, railways, roads, trails.

F.H. Taylor

1881 A New and Accurate Detail (Nearly eight feet in length) of the St. Johns River, Florida, for the Use of Tourist Travelers. edited by F.H. Taylor, Leve & Alden's Tourist Publication Dept., New York.

Keywords: United States/Florida/St. Johns River/Tourist/Jacksonville/Mellonville.

Call Number: 657

Notes: Sketch Map.

Abstract: Course of the St. Johns River from Jacksonville to Mellonville P.O., distances from Jacksonville in miles.

Viol Vanni

n.d. Plano Della Citta, e Porto de Sant. Agostino. edited by Viol Vanni, Giusep Passi Scrisse.

Keywords: United States/Florida/St. Augustine/Indian/Ports.

Call Number: 656

Abstract: City and port of St. Augustine, Florida. Indian Settlements, ports.

1911 Pennsylvania. C.S. Hammond & Co., New York.

Keywords: United States/Pennsylvania/Railways/Water routes/Postal/Shipping.

Call Number: 655

Notes: Postal and shipping guide with the 1910 census.

Abstract: Cities, towns, railways, water routes through lake Erie.

Kirk Bryan

1924 Reconnaissance Geologic Map of the Papago Country, Arizona. edited by Kirk Bryan, U.S. Geologic Survey.

Keywords: United States/Arizona/Indian/Railways/Roads.

Call Number: 654

Notes: Extracted from Bryan, 1925, pl.9.

Abstract: Towns, mines, Indian reservations, railways, roads.

1920 Ohio (Southern Part). C.S. Hammond & Co., New York.

Keywords: United States/Ohio/Railways.

Call Number: 653

Notes: Extracted from Hammond, 1920, p.291.

Abstract: Cities, towns, railways.

1920 Ohio (Northern Part). C.S. Hammond & Co., New York.

Keywords: United States/Ohio/Railways.

Call Number: 652

Notes: Extracted from Hammond, 1920, p.290.

Abstract: Cities, towns, railways.

1899 New York. U.S. Geological Survey.

Keywords: United States/New York.

Call Number: 651

Abstract: Index to Topographic Atlas-Sheets of the United States Geological Survey.

Jh Cilié

1808 Plan de la Ville de la Nouvelle Orléans. edited by Jh Cilié, New Orleans.

Keywords: United States/Louisiana/New Orleans.

Call Number: 650

Notes: Copy of map by L. Pelletier, New Orleans, 1936. 1 copy on file.  
Abstract: City of New Orleans with the names of the property owners.

1919 The Times-Picayune's Map of New Orleans. Times-Picayune Publishing Co., New Orleans.

Keywords: United States/Louisiana/New Orleans.

Call Number: 649

Abstract: Communicational.

C.A. Robert

1924 Taylor's Map of New Orleans. edited by C.A. Robert, Sam W. Taylor, New Orleans.

Keywords: United States/Louisiana/New Orleans.

Call Number: 648

Notes: Taylor, 1926, back.

Abstract: Communicational.

A.H. Guillot and L.J. Adams

1923 Map of the City of New Orleans Showing the Streets-Wards. edited by A.H. Guillot and L.J. Adams, New Orleans.

Keywords: United States/Louisiana/New Orleans.

Call Number: 647

Abstract: Communicational, Political and Statistical.

A.H. Guillot and L.J. Adams

1925 Map of the City of New Orleans and Vicinity. edited by A.H. Guillot and L.J. Adams.

Keywords: United States/Louisiana/New Orleans.

Call Number: 646

Notes: Map includes two insets: (1) Map of New Orleans showing Districts; (2) Cross Section on Line A-A.

Abstract: Hydrological and Physical.

H.L. Thayer

n.d. Thayer's Map of New Mexico. edited by H.L. Thayer, Julius Bien & Co., New York.

Keywords: United States/New Mexico/Land/Indian/Military/Railways/Roads.

Call Number: 645

Abstract: Cities, towns, ranches, ruins, land grants, land offices, Indian and military reservations, railways and roads.

1901 Rand, McNally & Co's New Mexico. Rand, McNally & Co., Chicago.

Keywords: United States/New Mexico/Indian/Military/Railways.

Call Number: 644

Notes: Location of the Rio Grande Pueblos, 1630, according to the annotator's understanding of Benavides.

Abstract: Cities, towns, locations of Indian and military reservations, mines, railways.

Office of the Chief Engineer, D. o. t. M.

1885 Northwestern New Mexico. edited by Office of the Chief Engineer, D. o. t. M.,

Office of the Chief of Engineers, USA.

Keywords: United States/New Mexico/Indian Reservations/Railways/Roads.

Call Number: 643

Notes: Elevation in feet.

Abstract: Cities, towns, ruins, Indian reservations, railways, roads.

Jorgensen, 1.

1940 Official Road Map of New Mexico. edited by Jorgensen, 1., New Mexico State Highway Department, Santa Fe, New Mexico.

Keywords: United States/New Mexico/Indian/railways/roads.

Call Number: 643a

Abstract: Cities, towns, Indian pueblos, Indian reservations, railways, roads.

Wilfred Stedman, N. M. S. T. B.

1940 Historical Trails Through New Mexico the Land of Enchantment. edited by Wilfred Stedman, N. M. S. T. B., Bradford Robinson Printing Co., Denver, CO.

Keywords: United States/New Mexico/Cabeza de

Vaca/Coronado/Espejo/Oñate/Escalante/Comanche/Santa Fe/Butterfield/Goodnight-Loving/Chisum/Jim Stinson.

Call Number: 642a

Abstract: Cities, towns, army forts, ruins; routes: Cabeza de Vaca, Coronado, Espejo, Oñate, Escalante; old trails: Comanche, Santa Fe, Butterfield, Goodnight-Loving, Chisum, Jim Stinson.

U.S. Geological Survey

1916 Map of the Navajo Country, Arizona, New Mexico, and Utah. edited by U.S. Geological Survey, The U.S. Geological Survey.

Keywords: United States/Navajo/Arizona/New Mexico/Utah/Indian Reservations.

Call Number: 642

Notes: Base compiled by U.S. Geological Survey for map on scale 1:1,000,000 with additional information obtained by Herbert E. Gregory in 1908-1913.

Abstract: Hospitals, missions, schools, farmer stations, stores, ruins, mines, roads, and routes of scientific exploration (before 1909) in Indian Reservations.

1901 Map of Mt. Tamalpais and Surrounding Country. Mill Valley & Mt. Tamalpais Scenic Railway Co..

Keywords: United States/California/Mt. Tamalpais.

Call Number: 641

Abstract: Mt. Tamalpais and surroundings, California.

1907 Mississippi. Rand-McNally & Co., Chicago.

Keywords: United States/Mississippi.

Call Number: 640

Abstract: Cities, towns, railways.

1925 Rand McNally Standard Map of Louisiana. Rand McNally and Co, Chicago.

Keywords: United States/Louisiana/New Orleans.

Call Number: 639

Notes: Inset: Vicinity of New Orleans

Verso: Rand McNally Main Highway Map of Louisiana.

Abstract: Cities, towns, villages, mines, railways, water routes.

1920 New Commercial and Census Map of Louisiana. National Map Co., Indianapolis, Indiana.

Keywords: North America/United States/Louisiana.

Call Number: 638

Abstract: Cities, towns, villages, post offices, railways, roads. Charts giving distances between cities and ports by land and water, meteorologic and statistical data (according to the 1920 census). Communicational, physical, political. Color, mounted. Inset: Congressional Districts of Louisiana.

Jesse A. Marcell

n.d. Map of Louisiana Showing Principal Highways and Points of General and Historic Interest. edited by Jesse A. Marcell, Louisiana Highway Commission, Baton Rouge.

Keywords: United States/Louisiana/Highways.

Call Number: 637

Abstract: Cities, towns railways.

1920 Iowa. C.S. Hammond & Co., New York.  
Keywords: United States/Iowa.  
Call Number: 636  
Notes: Extracted from Hammond, 1920, p. 308.  
Abstract: Cities, towns, railways.

n.d. Greensburg Dist., LA.  
Keywords: United States/Louisiana/Greensburg District/Land Tenure.  
Call Number: 635  
Notes: Sketch.  
Abstract: Land Tenure.

1914 The Rand-McNally New Commercial Atlas Map of Georgia. Rand-McNally & Co.,  
Chicago.  
Keywords: United States/Georgia/Railways/Water Routes.  
Call Number: 634  
Abstract: Cities, towns, railways, water routes.

Thompson and Weyss  
1876 Sketch Showing Location of Section for Current Observations at Fort Yuma  
California. edited by Thompson and Weyss, Corps of Engineers U.S. Army, Flag Staff.  
Keywords: United States/California/Fort Yuma/Military.  
Call Number: 633  
Notes: Map under direction of 1st Lt. Bergland.  
Abstract: Communicational, hydrological, military, physical.

Bernard Romans

1774 Map of Florida. edited by Bernard Romans, Colombia Planograph Co., Washington, D.C.

Keywords: United States/Florida/Alabama/Mississippi/Louisiana.

Call Number: 632

Notes: Map inscribed to the Marine Society of the City of New York.

Map issued in 13 parts.

Territory now comprises the State of Florida, the southern parts of the states of Alabama, Mississippi, and Louisiana.

Abstract: Communicational, ethnographical, historical, hydrological.

1870 Colton's Florida. G.W. and C.B. Colton & Co., New York.

Keywords: North America/Florida/Keys/Canal/Indian/Railways.

Call Number: 631

Notes: Map contains an inset of the Plan of the Florida Keys.

Abstract: Cities, towns, locaton of Indian hunting grounds, railways, route of proposed Florida canal.

n.d. California.

Keywords: North America/California.

Call Number: 630

Notes: Unfinished Sketch.

1915 The Rand-McNally New Library Atlas Map of Arkansas. Rand-McNally & Co., Chicago.

Keywords: United States/Arkansas.

Call Number: 629

Abstract: Cities, towns, railways.

Harry King

n.d Map Showing Location of the Pueblos of Arizona and New Mexico. edited by Harry King, Smithsonian Institution, Bureau of Ethnology, New York.

Keywords: United States/Arizona/New Mexico/Pueblos/Indian Reservations.

Call Number: 628

Abstract: Cities, towns, inhabited, abandoned and ruined pueblos, Indian reservations, railways, roads.

1939 Official Highway Map of the State of Alabama. The Paragon Press, Montgomery.

Keywords: United States/Alabama/Roads/Birmingham/Gadsden/Montgomery/Mobile.

Call Number: 627

Notes: Copyright by the Alabama Highway Department

Map includes five insets: (1) The Principal Highways of the Southeastern States Traverse Alabama; (2) Birmingham; (3) Gadsden; (4) Montgomery; (5) Mobile.

Abstract: Cities, towns, first aid stations, railways, roads.

Edward Aberle

1923 Group Consolications of the Railroads of the United States with Important Railway Lines of Canada Based upon Tentative Railroad Conslication Plan of Interstate Commerce Commission. edited by Edward Aberle, Nutley, N.J.

Keywords: North America/United States/railways.

Call Number: 626

Notes: Map prepared for Spencer Trask & Co.

Abstract: Cities and towns served by railways.

J. Bartholomew

n.d. North America. edited by J. Bartholomew.

Keywords: North America.

Call Number: 625

Notes: photograph of map.

Abstract: Physical and political map.

Jacomo di Gastaldi

1550 New France. edited by Jacomo di Gastaldi.

Keywords: North America/Canada/New France/Newfoundland.

Call Number: 624

Notes: 1 negative copy on file.

Abstract: New France [Dominion of Canada, and Newfoundland].

Diego Gutierrez

1550 Labrador. edited by Diego Gutierrez.

Keywords: North America/Canada/Labrador/St. Lawrence River.

Call Number: 623

Abstract: Labrador, and the mouth of the St. Lawrence River, Canada.

Thos. Jefferys

1794 The Peninsula and Gulf of Florida, or New Bahama Channel, with the Bahama Islands. edited by Thos. Jefferys, Laurie & Whittle, London.

Keywords: North America/Florida/New Bahama Channel/Bahamas.

Call Number: 622

Abstract: Towns, Indian villiages, forts, roads.

n.d. Dominion Atlantic Railway and Steamship Lines and Connections.

Keywords: North America/Railway/Steamship lines/Land of Evangeline/Boston/Nova Scotia/New Brunswick/Prince Edward Island/Newfoundland.

Call Number: 621

Abstract: "Land of Evangeline" route from Boston, Mass., to points in Nova Scotia, New Brunswick, Prince Edward Island, and Newfoundland.

1881 Dawson's Map of the Dominion of Canada. Dawson Brothers and J. Bartholomew, Montreal and Edinburgh.

Keywords: North America/Canada, Dominion/British Columbia/Manitoba/Montreal.

Call Number: 620

Notes: Map includes the northeastern part of the U.S.

Map contains four insets: (1) Continuation of Map to the Pacific Showing British Columbia & Manitoba; (2) Manitoba & Connecting Territory; (3) Environs of Montreal; (4) Newfoundland.

Abstract: Cities, towns, railways.

Albert Bumstead

1936 Canada. edited by Albert Bumstead, National Geographic Society, A. Hoen & Co., Baltimore, MD.

Keywords: North America/Canada/Resources/Regions/Weather.

Call Number: 619

Notes: Map includes parts of Alaska and the U.S.

Map contains 3 insets: (1) Dominion of Canada, Main Natural Resources, Routes of Explorers, Time Zones; (2) Natural Regions; (3) Precipitation and Temperature.

National Geographic Society supplement, 1939.

Abstract: Cities, towns, railways, roads, water routes (distance between important ports in nautical miles).

n.d. Linguistic Map of British Columbia. Spottiswoode & Co, London.

Keywords: North America/Indian tribes/Language.

Call Number: 618

Abstract: Location of Indian tribes.

Wm. A. Briesemeister

1923 Map of Alaska. edited by Wm. A. Briesemeister, American Geographical Society and Alaska Road Commission.

Keywords: North America/Alaska.

Call Number: 617

Notes: Map issued in two parts: western portion and eastern portion.

Map has four insets: (1) Southeastern Alaska; (2) Index Map; (3) Relation of Alaska to North America and the Orient; (4) Aleutian Islands.

Abstract: Towns, settlements, forts, coal fields, railways, roads, cables, radio stations, telegraph lines, telegraph station.

La Martinique. Rambox et Laguillermie.

Keywords: Lesser Antilles/Martinique.

Call Number: 616k

Abstract: Map of Martinique showing cities and towns, rivers and mountains. Inset: Fort Royal.

N. de Fer

1704 L'Isle de la Martinique. edited by N. de Fer, Dans l'Isle du Palais chez le Sr. de Fer a la Sphere Royale avec privilege du Roy, Paris.

Keywords: Martinique.

Call Number: 616i

Notes: From L'Atlas curieux, Paris, de Fer 1700-[1704], no. 129?

Abstract: Shows towns, landmarks, natural features of the island. Attached page, "Description de l'Isle de la Martinique," includes a brief text on the island's geography.

N. de Fer

1714 L'Isle de la Jamaïque, divisée par paroisses. edited by N. de Fer, Chez l'auteur dans l'Isle du Palais sur le Quay de l'orloge a la Sphere Royale, Paris.

Keywords: Jamaica.

Call Number: 616s

Notes: From L'Atlas curieux, Paris, de Fer 1700-[1704], no. 128?; "Dressée sur des Memoires Anglois par le Sr. de Fer Geographe de sa Mté. Catolie...".

Abstract: Shows towns, landmarks, natural features of the island. Attached page, "Description de la Jamaïque," includes a brief text on the island's geography.

Mv. Bonne

Carte de l'Isle de la Martinique Colonie Francoise dans les Isles Antilles. edited by Mv. Bonne.

Keywords: Lesser Antilles/Martinique/French Colonies.

Call Number: 616m

Abstract: Map of Martinique showing cities and towns, mountains, rivers, and ports.

Mr. Bonne

Carte des Isles Antilles on dn Vent avec la partie orientale Des Isles Sous Le Vent. edited by Mr. Bonne.

Keywords: Lesser Antilles/Leeward Islands.

Call Number: 616q

Abstract: Islands of the Lesser Antilles.

M. Bonne

Les Isles Vierges, Supplement pour les Isles Antilles, Extrait des Cartes Angloises. edited by M. Bonne.

Keywords: Lesser Antilles/Leeward Islands.

Call Number: 616o

Abstract: Islands of the Lesser Antilles and Leeward Islands.

M. Bonne

Les Isles de la Guadeloupe de Marie Galante de la Desirade, Et Celles Des Saintes:  
Colonie Francoife dans les Antilles. edited by M. Bonne.

Keywords: Lesser Antilles/Guadeloupe.

Call Number: 616p

Abstract: Islands of Guadeloupe, mountains, rivers, ports and towns.

M. Bonne

Carte de L'Isle de la Jamaïque. edited by M. Bonne.

Keywords: Caribbean/Jamaica.

Call Number: 616r

Abstract: cities and towns, mountains, rivers, and ports.

M. Bellin

1758 Carte de L'Isle de la Martinique. edited by M. Bellin.

Keywords: Lesser Antilles/Martinique.

Call Number: 616j

Abstract: Topographical map of Martinique showing cities and towns, rivers and ports.

M.B.

1759 Carte de L'Isle de Sainte Lucie. edited by M.B., France.

Keywords: Lesser Antilles/St. Lucia.

Call Number: 616l

Abstract: Topographical map of Saint Lucia showing ports and rivers.

Eman. Bowen (d. 1767)

A New & Accurate Map of the Island of Jamaica, Divided into its Principal Parishes.

Drawn from Surveys and Regulated by Astronl. Observatns. edited by Eman. Bowen (d. 1767).

Keywords: Jamaica.

Call Number: 616g

Notes: Possibly from Emanuel Bowen, *A Complete atlas or distinct view of the known world*. (London, 1752). See Phillips (1901), *A List of Maps of America*, p. 756.

Abstract: Shows towns, geographical features of Jamaica. Includes insets of Port Royal, or Kingston Harbour; and of the Harbour of Port Antonio & St. Francis.

Eman. Bowen (d. 1767)

*A New & Accurate Map of Terra Firma and the Caribbe Islands, Drawn from the most approved Modern Maps & Charts, & adjusted by Astronomical Observations.* edited by Eman. Bowen (d. 1767).

Keywords: Colombia /Venezuela /Guianas /Caribbean.

Call Number: 616d

Notes: Possibly from Emanuel Bowen, *A Complete atlas or distinct view of the known world*. (London, 1752). See Phillips (1901), *A List of Maps of America*, p. 756.

Abstract: Shows towns, geographical features of Terra Firma (modern Guianas, Venezuela, Colombia) and the Caribbean Islands, including all the Windward and Leeward Islands but only the eastern half of Cuba.

Eman. Bowen (d. 1767)

*A New & Accurate Map of Bermudas or Sommer's Islands, taken from an Actual Survey; wherein the Errors of former Charts are Corrected.* edited by Eman. Bowen (d. 1767).

Keywords: Bermuda /St. Christopher.

Call Number: 616b

Notes: Attached to another Bowen map: *An Accurate Map of the Island of St. Christopher, vulgarly called St. Kits, containing all the towns, parishes, forts &c.* (10 x 14"; 1" = approx. 1.8 miles). Possibly from Emanuel Bowen, *A Complete atlas or distinct view of the known world*. (London, 1752). See Phillips (1901), *A List of Maps of America*, p. 756.

Abstract: Two attached maps show towns, geographical features of Bermuda and St. Christopher islands, respectively.

Eman. Bowen (d. 1767)

An Accurate Map of the Island of Barbadoes, Drawn from an Actual Survey and containing all the Towns Churches Fortifications Roads Paths Plantations &c. edited by Eman. Bowen (d. 1767).

Keywords: Barbados.

Call Number: 616c

Notes: Possibly from Emanuel Bowen, A Complete atlas or distinct view of the known world. (London, 1752). See Phillips (1901), A List of Maps of America, p. 756.

Abstract: Shows towns, geographical features, and parish boundaries of Barbados. Includes a table indicating the acreage of each of the island's parishes.

Edmonde Mentelle (1730-1815)?

Carte des Antilles. edited by Edmonde Mentelle (1730-1815)?, Paris?

Keywords: West Indies / Lesser Antilles.

Call Number: 616e

Abstract: Shows the lesser Antilles ("Isles Antilles ou Isles du Vent ou Caraibes"), including Porto Rico and all the islands in the chain to the south and east, down to Granada, Marguerite and Tabago.

1810 A New Atlas of the British West Indies, with a Whole Sheet General Map of the West India Islands, and a Whole Sheet Map of the Island of Hispaniola, or St. Domingo. Levis and Weaver, Philadelphia, PA.

Keywords: British West Indies/West India Islands/Hispaniola/St.

Domingo/Jamaica/Barbados/Grenada/St. Vincent/Dominicana/St.

Christophers/Antigua/Virgin Islands/Tobago.

Call Number: 616

Abstract: Atlas containing 11 maps of the British West Indies: (1) West Indies; (2) Jamaica; (3) Barbados; (4) Grenada; (5) St. Vincent; (6) Island of Dominica for the History of the West Indies; (7) Island of St. Christophers; (8) Island of Antigua; (9) Virgin Islands; (10) Island of Tabago; (11) St. Domingo.

Map of the Islands of Martinico, Domincio, Guardalupa, St. Christophers & c. Showing the place of Admiral Rodney's late Victory over the French Fleet.

Keywords: Leeward Islands.

Call Number: 616n

Abstract: Leeward Islands.

F.B. Essex

1917 Vieques I. edited by F.B. Essex, War College Division, General Staff; and Engineer Reproduction Plant, U.S. Army, Washington, D.C.

Keywords: West Indies/Vieques I/Puerto Rico.

Call Number: 615

Notes: Coast and Geodetic Survey Charts, 904 & 917. Progressive Military Map of the United States, Eastern Department, Porto Rico, Sheet 910 S IV, Vieques I.

Abstract: Cities, railway, roads.

1650 Ciuitas S. Dominici In Hispaniola.

Keywords: West Indies /Santo Domingo /Dominican Republic /Hispaniola.

Call Number: 614

Abstract: Shows buildings, streets, city walls and surrounding geographical features of the city of Santo Domingo (in the modern Dominican Republic).

1873 Map of the Island of Santo Domingo. Whiteman & Bass; and Harper & Brothers, London & New York.

Keywords: West Indies/Santo Domingo.

Call Number: 613

Notes: Photostat from Hazard, 1873.

Abstract: Cities, towns, roads.

General Casimiro N. de Moya

1906 Mapa de la Isla de Santo Domingo y Haiti. edited by General Casimiro N. de Moya, Rand, McNally and Co., Chicago and London.

Keywords: West Indies/Santo Domingo/Haiti/Port-Au-Prince.

Call Number: 612

Notes: Map includes two inserts: (1) Villa de Port-Au-Prince, 26.8 x 36.8. 1:10,000; (2) Ciudad y Contornos de Santo Domingo, 26.8 x 38.4. 1:10,000. Map officially adopted by resolution of the National Dominican Congress, 1905.

Abstract: Cities, towns, forts, railways, roads.

American Geographical Society of New York

1927 Santo Domingo-San Juan. edited by American Geographical Society of New York, A. Hoen and Company, Baltimore, MD.

Keywords: West Indies/Santo Domingo/San Juan.

Call Number: 611

Notes: additional copy on file.

Abstract: Cities, Towns, Railways, Roads, Telegraph Offices, Telegraph Stations, Cables.

M. Marin

1929 Plano de la Ciudad de Santiago de Cuba. edited by M. Marin, Libreria Renacimiento.

Keywords: West Indies/Santiago de Cuba.

Call Number: 610

Abstract: City of Santiago de Cuba.

F.B. Essex

1914 San Juan. edited by F.B. Essex, War College Division, General Staff; and Engineer Reproduction Plant, U.S. Army, Washington Barracks, Washington D.C.

Keywords: West Indies/San Juan.

Call Number: 609a.

Notes: Progressive Military Map of the United States, Eastern Department, Porto Rico, Sheet 908 S II, San Juan.

Abstract: Cities, towns, location of cultivated fields, railways, roads.

1924 Saint Croix. Engineer Reproduction Plant, U.S. Army, Washington D.C.

Keywords: West Indies/St. Croix.

Call Number: 609

Abstract: outline of the island with various bays named.

1898 Topographical Map of the Island of Porto Rico. Colton, Ohman & Co., New York.

Keywords: Puerto Rico/San Juan, Puerto Rico.

Call Number: 608

Notes: catalog #608 in MARI map collection inventory, v. 4. Cover title: New Map of Porto Rico. Faded and torn condition; notations: "Cadmus Book Shop Gift Dec. 1926"; "C.S. Stillwell Compliments J.L. Sherewood 1900".

Abstract: Shows cities, towns, railways, roads, and departmental boundaries; includes 3 inset maps: 1) Atlantic Ocean (10" x 20"); 2) The Greater Antilles Portion of West Indies (12" x 24"); 3) Plan of San Juan, Puerto Rico (13" x 34"). Color.

F.B. Essex

1914 Ponce. edited by F.B. Essex, War College Division, General Staff, Washington D.C.

Keywords: West Indies/Ponce.

Call Number: 607

Abstract: Cities, towns, location of cultivated fields, railways, roads.

F.B. Essex

1914 Pt. Tuna. edited by F.B. Essex, War College Division, General Staff, Washington D.C.

Keywords: West Indies/Pt. Tuna.

Call Number: 606

F.B. Essex

1914 Playa Ponce. edited by F.B. Essex, War College Division, General Staff, Washington D.C.

Keywords: West Indies/Playa Ponce.

Call Number: 605

Abstract: Cities, towns, railways, roads.

F.B. Essex

1914 Mayaguez. edited by F.B. Essex, War College Division, General Staff, Washington D.C.

Keywords: West Indies/Mayaguez.

Call Number: 604

Abstract: Cities, towns, location of cultivated fields, railways, roads.

D. Juan Lopez

Carta de la Isla de la Martinica. edited by D. Juan Lopez, Madrid.

Keywords: West Indies/Martinique.

Call Number: 603

Abstract: Map of the island of Martinique. Towns, villages, mills, roads.

The Leeward Islands. Stanford's Geographical Establishment.

Keywords: West Indies/Leeward Islands.

Call Number: 602

Abstract: Cities, towns, settlements, cables.

F.B. Essex

1914 La Parguera. edited by F.B. Essex, War College Division, General Staff, Washington D.C.

Keywords: West Indies/La Parguera.

Call Number: 601

Abstract: La Parguera and surroundings, road.

Aboriginal remains in Jamaica. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: West Indies/Jamaica.

Call Number: 600

Notes: Verso: Another unfinished map.

Abstract: Unfinished map of the island of Jamaica.

F.B. Essex

1914 Humacao. edited by F.B. Essex, War College Division, General Staff, Washington D.C.

Keywords: West Indies/Humacao.

Call Number: 599

Abstract: Cities, towns, railways, roads.

Roger Le Febure

1936 Monumental map of the city of Havana & Suburbs. edited by Roger Le Febure, Molina and Cia. Cuba.

Keywords: West Indies/Cuba/Havana.

Call Number: 598

Notes: Inset: Continuation of main map.

Abstract: Drawn especially for the "Blue Guide" to Cuba.

Santiago T. Kelly

1837 Plano de Habana. edited by Santiago T. Kelly, A.E. Baker, New York.

Keywords: Cuba/Cities/Havana/Ports.

Call Number: 597a

Abstract: Map of the city of Havana showing the streets and the port.

Roger Le Febure

1936 Plano pintoresco de la Habana con los numeros de las casas. edited by Roger Le Febure, Molina and Cia. Cuba.

Keywords: West Indies/Cuba/Havana.

Call Number: 597

Abstract: Pictorial plat of the city of havana, Cuba, showing the numbers of the houses.

Inset: Puerto y Cercanias de la Habana.

Sr. D'Anville

1731 L'Isle Espagnole sous le nom Indien D'Hayti, ou comme elle e'toit possesee par ses habitans naturels lors de la Decouverte, avec les premiers etablissemens des Espagnols. edited by Sr. D'Anville, Leparmentier.

Keywords: West Indies/Aguadilla.

Call Number: 580

Abstract: Cities, towns, location of cultivated fields, railways, roads.

William A. Briesemeister, F. L. U. a. M. L.

1925 Mapa de la Republica de Panama. edited by William A. Briesemeister, F. L. U. a. M. L..

Keywords: Panama.

Call Number: 579

Abstract: Cities, towns, mines, railways, roads, telegraph lines, telegraph offices, cables.

1906 Lock Canal Project Map Showing Line of Proposed Lock Canal with Summit Elevation at 85 feet.

Keywords: Panama/Canals.

Call Number: 579a

Abstract: Map showing the proposed route of the Panama Canal.

Portion of north coast of Isthmus of Panama.

Keywords: Panama.

Call Number: 578

Abstract: Route followed by Columbus, Oct. 17th, 1502 to May 1st, 1503.

American Geographical Society of New York  
1928 Panama. edited by American Geographical Society of New York, A. Hoen & Co.  
Baltimore.

Keywords: Panama.

Call Number: 577

Notes: additional copy on file.

Abstract: Cities, towns, railways, roads, telegraph lines, telegraph offices, wireless stations. Inset: San Jose-Cartago region.

Giusep. Pazzi Scrisse, V. V.

Piano della Citta Rada, e Porto di Chagre. edited by Giusep. Pazzi Scrisse, V. V..

Keywords: Panama/Chagre.

Call Number: 576

Abstract: City, port and roadstead of Chagre.

1931 Tunky. U.S. Marine Corps. Quantico, Va.

Keywords: Nicaragua/Tunky.

Call Number: 575

Abstract: Cities, towns, ranches, mines, railways, roads.

1931 San Miguelito. U.S. Marine Corps. Quantico, Va.

Keywords: Nicaragua/San Miguelito.

Call Number: 574

Abstract: Cities, towns, ranches, roads, telegraph and telephone lines.

1931 San Juan del Norte. U.S. Marine Corps. Quantico, Va.

Keywords: Nicaragua/San Juan del Norte.

Call Number: 573

Abstract: City of San Juan del Norte and surroundings, ranches.

1931 Rivas. U.S. Marine Corps. Quantico, Va.

Keywords: Nicaragua/Rivas.

Call Number: 572

Abstract: Cities, towns, railways, roads, seaplane anchorages, telegraph and telephone lines.

1931 Rio Grande. U.S. Marine Corps. Quantico, Va.

Keywords: Nicaragua/Rio Grande.

Call Number: 571

Abstract: Towns, ranches.

1931 Rama. U.S. Marine Corps. Quantico, Va.

Keywords: Nicaragua/Rama.

Call Number: 570

Abstract: Cities, towns, ranches, mines, roads, telephone and telegraph lines.

Quilali. U.S. Marine Corps. Quantico, Va.

Keywords: Nicaragua/Quilali.

Call Number: 569

Abstract: Cities, towns, ranches, mines, roads.

1931 Puerto Cabezas. U.S. Marine Corps. Quantico, Va.

Keywords: Nicaragua/Puerto Cabezas.

Call Number: 568

Abstract: Towns, ranches, railways, roads, seaplane anchorages.

Benjamin S. Ober

1933 Prinzapolka. edited by Benjamin S. Ober, Geographic Staff, Military Intelligence Division, General Staff, Washington D.C.

Keywords: Nicaragua/Prinzapolka.

Call Number: 567

Notes: additional copy on file.

Abstract: City of Prinzapolka and surroundings, ranches, railways.

1931 Perlas. U.S. Marine Corps. Quantico, Va.

Keywords: Nicaragua/Perlas.

Call Number: 566

Notes: Two insets: 1) Great Corn Island, 2) Little Corn Island.

Abstract: Cities, towns, ranches, seaplane anchorages.

1931 Ocotal. U.S. Marine Corps., Quantico, Va.

Keywords: Nicaragua/Ocotal.

Call Number: 565

Notes: Inset: Boundary from Portillo of Totecasinte to Poteca or bodega and to the Segovia as fixed by the King of Spain, Dec. 26, 1906.

Abstract: Cities, towns, ranches, mines, roads, telegraph lines.

Maximillian & Sonnenstern

Notes: 4 additional copies on file (2 neg & 2 pos).

Abstract: Surveyed by Robert H. Merrill.

Robert H. Merrill

1930 Mapa de la zona arqueologica de Uxmal, Yucatan. edited by Robert H. Merrill,  
Department of Middle American Research, Tulane University, New Orleans.

Keywords: Mexico/Yucatan.

Call Number: 512

Notes: 8 additional copies on file (3 neg & 5 pos).

Abstract: Ruins of Uxmal, State of Yucatan.

1900a Part of the ruins by Tortuguero, Tabasco. Department of Middle American  
Research, Tulane University, New Orleans.

Keywords: Mexico/Tabasco.

Call Number: 511

Abstract: Ruins near Tortuguero, State of Tabasco.

1900a Tonina Ocosingo Valley Chiapas. Dept. of Middle American Research, Tulane  
University, New Orleans.

Keywords: Mexico/Chiapas.

Call Number: 510a.

Abstract: Plan and profile of the ruins of Tonina, Ocosingo Valley, State of Chiapas.

1900a Tonina. Dept. of Middle American Research, New Orleans.

Keywords: Mexico/Chiapas.

Call Number: 510

Notes: additional copy on file.

Abstract: Plan and profile of the ruins of Tonina, Ocosingo Valley, State of Chiapas.

Pascual Almazan

Carta del Estado de Tlaxcala. edited by Pascual Almazan.

Keywords: Mexico/Tlaxcala.

Call Number: 509

Notes: Verso: Another copy of the same map. Pictures and descriptive text have been cut from map.

Abstract: Cities, towns, villages, railways, roads.

G. Velasquez

1939 Mapa arqueologico de Tlaxcala. edited by G. Velasquez, Secretaria de Educacion, Departamento de Monumentos.

Keywords: Mexico/Tlaxcala.

Call Number: 508a.

Notes: Map No. 28. Additional copy on file.

Abstract: Cities, towns, ruins, railways, roads.

D. Carlos de Siguenza

Mapa de las aguas que por eel circula de 90 leguas vienen a la Laguna de Tescuco y de la extension que esta y la de Chalco tenien. edited by D. Carlos de Siguenza.

Keywords: Mexico/Texcoco.

Call Number: 508

Abstract: Waters surrounding the Laguna de Texcoco, Province of Texcoco (Distrito Federal). Towns, settlements, mines.

Tlaltecahuacan, Tecontepec, Sochihuacan and surroundings.

Keywords: Mexico/Mexico.

Call Number: 507

Abstract: Copy of early map showing Tlaltecahuacan (Tlaltecahuacan?), Tecontepec (Tezontepequito?), Sochihuacan (Xochihuacan?), in the municipality of Otumba, District of Morelos, State of Mexico.

1900a Tenam ruins Comitán Valley Chiapas. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Mexico/Chiapas.

Call Number: 506

Abstract: Ruins of Tenam, State of Chiapas.

Justino Fernandez

1934 Tasco. edited by Justino Fernandez.

Keywords: Mexico/Guerrero.

Call Number: 505

Abstract: City of Tasco, State of Guerrero.

1902 Tampico to Progreso. U.S. Hydrographic Office, Washington D.C.

Keywords: Mexico/Eastern coast.

Abstract: Cities, towns, mines, railways, roads, telegraph lines, telegraph offices, telephone offices, wireless stations.

American Geographical Society of New York

1928 Baja California-Norte. edited by American Geographical Society of New York, A. Hoen & Co., Baltimore, Maryland.

Keywords: Mexico/Baja California.

Call Number: 335

Notes: additional copy on file.

Abstract: Cities, towns, mines, railways, roads, telegraph lines, telegraph offices, telephone offices.

John P. O'Neill

1900a-1934 Alata Mira. edited by John P. O'Neill.

Keywords: Mexico/Campeche.

Call Number: 334

Notes: 16th and 17th Carnegie Expedition, 1933-34.

Abstract: Ruins of Alta Mira, State of Campeche.

G. Velasquez C.

1935 Mapa arqueologico de Aguascalientes. edited by G. Velasquez C. Secretaria de Educacion Publica, Departamento de Monumentos.

Keywords: Mexico/Aguascalientes.

Call Number: 333a.

Notes: additional copy on file.

Abstract: Cities, towns, ruins, railways, roads.

1900a Agua Escondida Ruin, Chiapas. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Mexico/Chiapas.

Call Number: 333

Abstract: Plan and profile of the ruins of Agua Escondida, State of Chiapas.

1925 Rough plan of point of Agaltepec Island, T.U.X.

Keywords: Mexico/Vera Cruz.

Call Number: 332

Abstract: Eastern part of the Agaltepec Island in Lake Catemaco, State of Vera Cruz.

Jacques Nicolas Bellin

1900a Plan du Port D' Acapulco sopra la cote du Mexique dans la Mer du Sud. edited by Jacques Nicolas Bellin.

Keywords: Mexico/Guerrero.

Call Number: 331

Notes: same map as #330 but in French, instead of Italian.

Abstract: City and port of Guerrero, fort, road.

G.M. Terrini

Planta del Porto D' Acapulco sopra la costa de Messico nel Mar de Sud. edited by G.M. Terrini.

Keywords: Mexico/Guerrero.

Call Number: 330

Notes: same map as #331 but in Italian, instead of French.

Abstract: City and port of Acapulco, State of Guerrero, fort, road.

G.M. Terrini

Planta del Porto D' Acapulco sopra la costa de Messico nel Mar de Sud. edited by G.M. Terrini.

Keywords: Mexico /Guerrero.

Call Number: 330a

Notes: same map as #331 but in Italian, instead of French; handwritten on back: "Year 1793".

Abstract: Color map shows the city and port of Acapulco, State of Guerrero, fort, road.

Maya ruins in vicinity of Lake Yohoa, Spanish Honduras, reported by Frans Blom, Mar.-Apr. 1935, as a result of Danish National Museum-Tulane University Expedition.

Keywords: Honduras.

Call Number: 329

Abstract: Towns, railways.

1936 Ruins near Lago Yohoa, Honduras. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Honduras.

Call Number: 328a.

Notes: Inset: Islita seen from Jaral.

Abstract: Towns, ruins, roads.

Gerhardt Kramer

1937 Ulua valley- its limits and connections. edited by Gerhardt Kramer, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Honduras.

Call Number: 328

Abstract: Map section of Honduras, showing the location of Travesia.

John L. Hughes and Benjamin S. Ober

1934 Trujillo. edited by John L. Hughes and Benjamin S. Ober, Geographic Branch, M.I.D., Washington D.C.

Keywords: Honduras.

Call Number: 327

Abstract: Cities, towns, ranches, railways, roads, telegraph lines.

Gerhardt Kramer

1937 Plan of quadrangle & adjoining mounds Travesia ruins Ulua Valley. edited by Gerhardt Kramer, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Honduras/Travesia.

Call Number: 326

Notes: Map in five parts: 1) Original field survey, 2) Office tracing of field survey, 3) Photostatic reduction, 4) Tracing of reduction, 5) Printed map.

Abstract: Original, preliminary and final print of map of the quadrangle and adjoining ruins near Travesia, Ulua Valley.

C.B.W. Palmer

1936 Contour map showing locations and elevations of Indian mounds near Travesia Wye- Honduras, C.A. edited by C.B.W. Palmer, La Lima, Honduras.

Keywords: Honduras.

Call Number: 325

Abstract: United Fruit Company survey of ruins near Travesia Wye.

R.A. Steinmayer

1923 Mounds near the Travesia Wye. edited by R.A. Steinmayer.

Keywords: Honduras.

Call Number: 324

Notes: Published in Steinmayer, 1932.

Abstract: Mounds near the village of Traversia.

1935 Tegucigalpa. Geographic Branch, M.I.D., Washington D.C.

Keywords: Honduras.

Call Number: 323

Abstract: Cities, towns, villages, settlements, ranches, mines, roads, telegraph and telephone lines.

Lucas romero

1763 Mapa de la Jurisdiccion Qo. tiene la villa de San Miguel Thegpa Medida de Orden del Sr. Alco. Mor. y theniente de Capn. Gral de esta Proa. edited by Lucas romero.

Keywords: Honduras/Tegucigalpa.

Call Number: 322

Notes: 3 additional copies on file (2 pos. and 1 neg.).

Abstract: Map of the jurisdiction of Tegucigalpa.

T.F. Ballard

1923 Ruins of Tualabe. edited by T.F. Ballard.

Keywords: Honduras/Comayagua.

Call Number: 321

Abstract: Ruins of Tualabe, Department of Comayagua.

Departments of Santa Barbara and Yoro Spanish Honduras.

Keywords: Honduras.

Call Number: 320

Notes: Published in Steinmayer, 1932.

Abstract: Principle towns of the Department of Santa Barbara. Railway.

T.F. Ballard

1923 Ruins near Siguatepeque. edited by T.F. Ballard.

Keywords: Honduras/Comayagua.

Call Number: 319

Abstract: Group of mounds north of Siguatepeque, Department of Comayagua.

1923 Location near Santanna. edited by R.A. Steinmayer.

Keywords: Honduras.

Call Number: 318

Abstract: Location near Santanna, along the Ulua River, showing where burnt pottery and marble vases were found.

Vertical Section from San Pedro Sula to Rio Frio farm.

Keywords: Honduras.

Call Number: 317

Notes: Two additional copies on file.

Abstract: Elevation above sea level, between San Pedro Sula and Rio Frio farm.

R.A. Steinmayer

1923 Rio Frio location on the Rio Frio farm. edited by R.A. Steinmayer.

Keywords: Honduras.

Call Number: 316

Abstract: Location where copper and iron tools were found.

R.A. Steinmayer

1923 Mounds on the Rio Frio farm. edited by R.A. Steinmayer.

Keywords: Honduras.

Call Number: 315

Abstract: Mounds near the headwaters of the Cuyamel River.

Sarony, M. & K.

1900a Port Cortez, proposed northern terminus of the Honduras Interoceanic Railway.  
edited by Sarony, M. & K., New York.

Keywords: Honduras.

Call Number: 314

Notes: Extracted from Squier, 1858.

Abstract: Two discretional lines of railway.

R.A. Steinmayer

1923 Mounds on the Monte Cal (Seronne) farm. edited by R.A. Steinmayer.

Keywords: Honduras.

Call Number: 313

Notes: Published in Steinmayer, 1932.

Abstract: Mounds near La Lima.

1939 Indian mounds at La Lima-Honduras. United Fruit Company, La Lima, Honduras.

Keywords: Honduras.

Call Number: 312a.

Notes: For Mrs. W.E. Turnbull.

Abstract: Elevation in meters.

S.K. Lothrop

1917 Ruins near La Florida, Honduras. edited by S.K. Lothrop.

Keywords: Honduras.

Call Number: 312

Abstract: Towns, ruins, and route followed by Peabody Museum Expedition of 1917.

W. F. Hahneman

1924 Northern coast of Honduras and south to Comayagua & Juticalpa. edited by W. F. Hahneman.

Keywords: Honduras.

Call Number: 311a.

Notes: on map referred to as no. 946.

Abstract: Cities, towns, railways, roads.

Gerhardt Kramer

1938 Cultura Pre-Columbino de Honduras. edited by Gerhardt Kramer, Middle American Research Institute, Tulane University, New Orleans.

Keywords: Honduras.

Call Number: 311

Abstract: Location of eight pre-Columbian cultures of Honduras: Paya, Lenca, Maya, Pipil, Toqueguas (possibly Maya), Costa Rican Influence, Chorotega and Sula-Jicaque.

Gerhardt Kramer

1938 Cultura Pre-Colombino de Honduras. edited by Gerhardt Kramer, Middle American Research Institute, Tulane University, New Orleans.

Keywords: Honduras.

Call Number: 310

Abstract: Location of eight Indian cultures: Paya, Lenca, Maya, Pipil, Toquequas, Guetar, Chorotega, Sula.

N.A. Bustamente

Mapa Telegrafico de Honduras. edited by N.A. Bustamente.

Keywords: Honduras.

Call Number: 309

Abstract: Offices, telegraph and telephone lines.

Jesus Aguilar Paz

1933 Mapa General de la Republica de Honduras. edited by Jesus Aguilar Paz, Tipo-Lito. Ariston, Tegucigalpa.

Keywords: Honduras.

Call Number: 308

Notes: Additional copy on file in map case 1. 2nd additional copy on file in map case 4.

Photocopies of map in 4 parts. All are on file.

Abstract: Cities, towns, villages, estates, ruins, mines, railways, roads. Four insets: 1) Islas Santanilla o de El Cisne (Swan Islands), 2) Honduras en el mundo, 3) Honduras en el America Central, 4) Plano de las ciudades de Tegucigalpa y Comayagua.

Jesus Aguilar Paz

1933 Mapa General de la Republica de Honduras. edited by Jesus Aguilar Paz, Tipo-Lito. Ariston, Tegucigalpa.

Keywords: Honduras.

Call Number: 307

Notes: additional copy on file. Given the size of this map, it might be best to move it into the oversized section rather than leave it folded in map case 1.

Abstract: Cities, towns, villages, estates, ruins, mines, railways, roads. Four insets: 1) Islas Santanilla o de El Cisne (Swan Islands), 2) Honduras en el mundo, 3) Honduras en el America Central, 4) Plano de las ciudades de Tegucigalpa y Comayagua.

1940 Honduras. edited by Gerhardt Kramer, Middle American Research Institute, Tulane University, New Orleans.

Keywords: Honduras.

Call Number: 304a.

Notes: Manuscript on file.

Abstract: Cities, towns, ruins.

1929 Honduras. Tipo-Litografia y Fotograbado Nacionales, Tegucigalpa.

Keywords: Honduras.

Call Number: 304

Abstract: Cities, towns, ranches, mines, railways, roads. Three insets: 1) Islas Misteriosas, 2) Islas Santanilla (Swan Islands), 3) Islas y Cayos de Honduras.

1929 Honduras. Tipo-Litografia y Fotograbado Nacionales, Tegucigalpa.

Keywords: Honduras.

Call Number: 303

Abstract: Cities, towns, ranches, mines, railways, roads, water routes. Three insets: 1) Islas Misteriosas, 2) Islas Santanilla (Swan Islands), 3) Islas y Cayos de Honduras.

1929 Honduras. Lit. Nacional, Tegucigalpa.

Keywords: Honduras.

Call Number: 302

Notes: additional copy on file, map case 4.

Abstract: Cities, towns, ranches, mines, railways, roads, water routes. Three insets: 1) Islas Misteriosas, 2) Islas Santanilla (Swan Islands), 3) Islas y Cayos de Honduras.

1909 Honduras. August H. Ohman & Co., New York.

Keywords: Honduras.

Call Number: 301

Notes: extra copy on file--fragile--map case 3.

Abstract: Cities, towns, mines, railways, roads, telegraph lines, water routes.

Gerhardt Kramer

1900a Honduras. edited by Gerhardt Kramer, Middle American Research Institute, Tulane University, New Orleans.

Keywords: Honduras.

Call Number: 300

Abstract: Map showing drainage systems, towns, ruins.

Lito. and Foto. Nacional, O. T. d. I.

1927 Honduras. edited by Lito. and Foto. Nacional, O. T. d. I..

Keywords: Honduras.

Call Number: 299

Abstract: Cities, towns, railways, roads.

R.A. Stienmayer

1900a Cross-section of a mound on the Guachia Farms. edited by R.A. Stienmayer.

Keywords: Honduras.

Call Number: 298

Abstract: Mound near the village of Santanna.

Benjamin S. Ober

1934 Cabo Gracias a Dios. edited by Benjamin S. Ober, Geographic Branch, M.I.D., Washington D.C.

Keywords: Honduras/Gracias.

Call Number: 297

Notes: Supervised by Arch B. Williams, under the direction of Col. Henry T. Bull.

Abstract: Cabo Gracias a Dios and surroundings, ranches, road, wireless station.

Hervey

Plano que representa la superficie cuadrada del Departamento de Gracias, en Honduras, Federacion de Centro-America. edited by Hervey, Paris.

Keywords: Honduras/Gracias.

Call Number: 296

Abstract: Land areas by districts in the Department of Gracias.

R.A. Steinmayer

1923 Mounds on the De Currusette Farm. edited by R.A. Steinmayer.

Keywords: Honduras.

Call Number: 295

Abstract: Mounds near the town of San Pedro Sula.

Cuyamapa Valley.

Keywords: Honduras.

Call Number: 294

Abstract: Course of the Comayagua and Cuyamapa rivers, railway, roads.

John L. Hughes

1934 La Cieba. edited by John L. Hughes, Geographic Branch, M.I.D., Washington D.C.

Keywords: Honduras.

Call Number: 293

Abstract: Cities, towns, ranches, railways, roads, telegraph and telephone lines, wireless stations.

Frans Blom

1928 Ruins on north shore of Lake "Yaxha". edited by Frans Blom, Department of Middle American Research, Tulane University, New Orleans.

Keywords: Guatemala/Peten.

Call Number: 292

Notes: 3 additional copies on file (1 neg. and 2 pos.). See also #822.

Abstract: Rough plan of the ruins on north shore of Lake Yaxha, Department of Peten.

Carnegie Institute of Washington

1900a Map of Lake Yaxha showing the location of Topoxte and Yaxha. edited by Carnegie Institute of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 291

Notes: b) Sketch map of the Acropolis at Topoxte.

Abstract: After Lincoln. Lake Yaxha and surroundings, Department of Peten.

Carnegie Institute of Washington

1900a Map of Yaxha. edited by Carnegie Institute of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 290

Abstract: Ruins of Yaxha, on Lake Yaxha, Department of Peten.

Carnegie Institute of Washington

1900a Map of Xultun. edited by Carnegie Institute of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 289

Abstract: Ruins of Xultun, Department of Peten.

Teoberto Maler

1905 El Usumatzintla Superior. edited by Teoberto Maler.

Keywords: Guatemala.

Call Number: 288

Abstract: Upper Usumatsintla River.

Carnegie Institute of Washington

1900a Map of Uolantun. edited by Carnegie Institute of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 287

Notes: b) Map of El Encanto. After Merwin.

Abstract: Ruins of Uolantun, Department of Peten.

Carnegie Institute of Washington

1900a Map of Ucanal. edited by Carnegie Institute of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 286

Abstract: Ruins of Ucanal, Department of Peten.

Carnegie Institute of Washington

1900a Cross-sections at Uaxactun; Cross sections at La Honradez. edited by Carnegie Institute of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 285

Carnegie Institute of Washington

Keywords: Guatemala/Peten.

Call Number: 284

Notes: b) Map of Group E at Uaxactun showing the location of Stalae 18, 19, 20 and El.

Abstract: After Ricketson.

Carnegie Institute of Washington

1900a Map of the Acropolis Uaxactun (Group A and B). edited by Carnegie Institute of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 283

Abstract: Ruins of Uaxactun, Department of Peten.

Carnegie Institution of Washington

1900a Map of Uaxactun. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 282

Notes: After Blom and Amsden, 1924, with emendations by Ricketson and Smith, 1931.

Abstract: Ruins of Uaxatun, Department of Peten.

Frans Blom and Monro Amsden

1924 Uaxactun, Peten, Guatemala. edited by Frans Blom and Monro Amsden, Keuffel and Esser Co., New York.

Keywords: Guatemala/Peten.

Call Number: 281

Notes: Map in three parts.

Abstract: Ruins of Uaxactun, Department of Peten.

Frans Blom and Monroe Amsden

1924 Uaxactun Peten, Guatemala. edited by Frans Blom and Monroe Amsden, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 280

Abstract: Ruins of Uaxactun, Department of Peten.

Franz Blom

1900a Tzotzkitam N.E. Peten Guatemala. edited by Franz Blom, Department of Middle American Research, Tulane University, New Orleans.

Keywords: Guatemala/Peten.

Call Number: 279

Notes: additional copy on file.

Abstract: Ruins of Tzotzkitam (Chochkitam), Department of Peten.

Gerhardt Kramer

1935 Route of XVII Tulane University Expedition, Department of Middle American Research. edited by Gerhardt Kramer, Dept. of Middle American Research, New Orleans.

Keywords: Guatemala.

Call Number: 278

Abstract: Cities, places where textiles were collected, towns, railways.

Carnegie Institution of Washington

1900a Map of the Great Plaza at Tikal. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 277

Notes: After Merwin with additions by Morley.

Abstract: Ruins at tikal, Department of Peten.

Carnegie Institution of Washington

1900a Map of Tikal. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Peten.  
Call Number: 276  
Notes: After Merwin.  
Abstract: Ruins of Tikal, Department of Peten.

A.M. Tozzer and R.E. Merwin  
1900a Tikal. edited by A.M. Tozzer and R.E. Merwin, L.W. Foster.  
Keywords: Guatemala/Tikal.  
Call Number: 275  
Abstract: Ruins of Tikal, Department of Peten.

Carnegie Institution of Washington  
1900a Map of Tayasal. edited by Carnegie Institution of Washington, Washington D.C.  
Keywords: Guatemala/Peten.  
Call Number: 274  
Notes: After Guthe.  
Abstract: Ruins of Tayasal, Department of Peten.

F.W. McBryde  
1932 Topographic traverse map of Solola Guatemala, C.A. edited by F.W. McBryde.  
Keywords: Guatemala/Solola.  
Call Number: 273  
Notes: negative.  
Abstract: City of Solola and surroundings.

Webster McBryde  
1900a City of Solola, Guatemala, C.A. edited by Webster McBryde.  
Keywords: Guatemala/Solola.

Call Number: 272

Notes: additional copy (negative).

Josse Domingo Hidalgo

1793 Mapa chiriografico del sitio de Santo Domingo Uzumacinta Pueblo perdido con las bastas tierras realengas que le circundan y largas distancias destes pueblos colindantes. edited by Josse Domingo Hidalgo.

Keywords: Guatemala.

Call Number: 271

Notes: additional copy on file (tracing).

Abstract: Santo Domingo Uzumacinta and adjacent territory, Chiapas (now Guatemala). Towns, roads.

Carnegie Institution of Washington

1900a Map of San Clemente. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 270

Notes: b) Map of Itsimte.

Abstract: After Sapper with additions by Blom. Ruins of San Clemente, Department of Peten.

Carnegie Institution of Washington

1900a Sketch map of Group A at Quirigua showing the location of Stalae T and U. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Isabal.

Call Number: 269

Notes: b) Sketch map of Group B at Quirigua showing the location of Stelae S. c) Plan of the Temple Plaza and associated structures at Quirigua shoing the location of Altars Q and R, and the hieroglyphic step and cornice of Structure 1.

Keywords: Guatemala/Isabal.  
Call Number: 268  
Notes: After Adams.  
Abstract: Ruins of Quirigua, Department of Isabal.

Quirigua.  
Keywords: Guatemala/Isabal.  
Call Number: 267  
Abstract: Ruins of Quirigua, Department of Isabal.

Carnegie Institution of Washington  
1900a Map of Polol. edited by Carnegie Institution of Washington, Washington D.C.  
Keywords: Guatemala/Peten.  
Call Number: 266  
Abstract: Ruins of Polol, Department of Peten.

Carnegie Institution of Washington  
1900a Map of Structure R-5 at Piedras Negras showing the location of Stalae 33, 32, 34, 46, 35, 36, 37, and Lintel 4. edited by Carnegie Institution of Washington, Washington D.C.  
Keywords: Guatemala/Peten.  
Call Number: 265  
Notes: b) Map of Structure J-4at Piedras Negras showing the location of Stelae 1, 2, 3, 4, 5, 6, 7, 8, 43, Altar 1, and Lintel 13.

Carnegie Institution of Washington

Map of Structure J-3 at Piedras Negras showing the location of Stelae 9, 10, 11, 40, and Lintel 5. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 264

Notes: b) Map of Structure O-13 at Piedras Negras showing location of Stelae 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, Lintels 1, 2, 3, 12, and Miscellaneous Sculptures Stone No. 1.

Carnegie Institution of Washington

1900a Map of the Acropolis of the West Group at Piedras Negras showing the location of Throne 2 and Lintel 5. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 263

Carnegie Institution of Washington

1900a Map of Piedras Negras. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 262

Abstract: After Parris. Ruins of Piedras Negras, Department of Peten.

Carnegie Institution of Washington

1900a Ruins of Piedras Negras Department of Peten Guatemala. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 261

Abstract: Partially completed plan of principal groups, Eldridge r. Johnson Expeditions, 1931 and 1932, the University Museum, University of Pennsylvania.

Fred P. Parris

1900a Piedras Negras. edited by Fred P. Parris.

Keywords: Guatemala/Peten.

Call Number: 260

Abstract: Cross-sections through ruins, Piedras Negras, Department of Peten.

Carnegie Institution of Washington

Map of Lake Peten, Itza, Department of Peten, Guatemala. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Peten.

Call Number: 259

Abstract: Lake Peten Itza and surroundings.

1923 Map of Laguna de Peten Guatemala, C.A. A> Hoen & Co., Baltimore.

Keywords: Guatemala/Peten.

Call Number: 258

Abstract: Surveyed by J.O. Kilmartin, U.S. Geological Survey, 1923. Lake Peten and surroundings.

N-E corner of Department of Peten, Guatemala.

Keywords: Guatemala/Peten.

Call Number: 257

Abstract: Cities, towns, ruins, roads.

Hakon Wadell

1900a El Peten Guatemala. edited by Hakon Wadell, L.U. Geogr. Inst..

Keywords: Guatemala/Peten.

Call Number: 256

Notes: 2 additional copies on file (1 pos. and 1 neg.). See also #815.

Abstract: Towns, villages, houses, ruins.

L. Henri

1920 Peten. edited by L. Henri.

Keywords: Guatemala/Peten.

Call Number: 255

Abstract: Cities, towns, ruins, roads.

Carnegie Institution of Washington

1900a Map of the East Group at Naranjo showing the location of 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 35, C1, C2, C3, C4, and Altar C1. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Naranjo.

Call Number: 254

Notes: b) Map showing the itinerary of the First Central American Expedition to La Honradez in 1915.

Abstract: After Ricketson and Harvey.

Carnegie Institution of Washington

1900a Map of Naranjo. edited by Carnegie Institution of Washington, Washington D.C.

Keywords: Guatemala/Naranjo.

Call Number: 253

Abstract: After Ricketson and Harvey. Ruins of Naranjo, Department of Peten.

Carnegie Institution of Washington  
1900a Map of Nakum. edited by Carnegie Institution of Washington, Washington D.C.  
Keywords: Guatemala/Nakum.  
Call Number: 252  
Abstract: Ruins of Nakum, Department of Peten.

Canegie Institution of Washington  
1900a Map of Naachtun. edited by Canegie Institution of Washington, Washington D.C.  
Keywords: Gautemala/Naachtun.  
Call Number: 251  
Abstract: Ruins of Naachtun, Department of Peten.

1900a Naachtun. Dept. of Middle American Research, Tulane University, New Orleans.  
Keywords: Guatemala/Naachtun.  
Call Number: 250  
Abstract: Ruins of Naachtun, Department of Peten.

Carnegie Institution of Washington  
Map of Middle Motagua Culture Guatemala. edited by Carnegie Institution of Washington, Washington D.C.  
Keywords: Guatemala/Motagua River basin.  
Call Number: 249a.  
Notes: Inset: Guatemala, showing location of section covered by main map.  
Abstract: Culture in the Motagua River basin, departments of Progreso and Zacapa.  
Cities, towns, villages, ranches, mounds, ruins, railways, roads.

La Libertad (Guatemala).

Keywords: Guatemala.  
Call Number: 249  
Abstract: Archaeological sites.

Ruins of Kaminal Juyu, Carnegie institution of Washington, D.C. 1936-37.  
Keywords: Guatemala.  
Call Number: 248  
Abstract: Unfinished map of the ruins of Kaminal Juyu near Guatemala City.

Planta del Puerto de Iztapa, 1598.  
Keywords: Guatemala.  
Call Number: 247  
Abstract: Port of Iztapa and Guatemala City.

Mapa del Departamento de Izabal en la Republica de Guatemala con especial demarcacion de la zona libre a que se refiere el reglamento de 6 de Diciembre de 1882.  
Keywords: Guatemala.

Abstract: Department of Izabel in the Republic of Guatemala with special demarcation of the free zone following the order of December 6, 1882. Cities, towns, projected railway.

Columbia Planograph Co.  
1900a Map of Ixlu. edited by Columbia Planograph Co., Washiongtion D.C.  
Keywords: Guatemala.  
Call Number: 245  
Notes: b) Map of Chunhuitz.

Abstract: Ruins of Ixlu, Department of Peten.

Columbia Planograph Co.

1900a Map of Ixkun. edited by Columbia Planograph Co., Washington D.C.

Keywords: Guatemala.

Call Number: 244

Notes: b) Map of Cancuen.

Abstract: Ruins of Ixkun, Department of Peten.

O.G. Ricketson

1900a Map of region visited (Cuchamatanes Mts.) in Department of Huehuetenango, Guatemala. edited by O.G. Ricketson, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Guatemala.

Call Number: 243

Abstract: Route followed by the Ricketson party from Huehuetenango to Jacaltenango, and return via San Pedro Necta; and by the Walcott party from Huehuetenango to S. Miguel, and return via Soloma.

Columbia Planograph Co.

1900a Map of La Honradez. edited by Columbia Planograph Co., Washington, D.C.

Keywords: Guatemala/La Honradez.

Call Number: 242

Notes: b) Map of Chochkitam.

Abstract: After Tozzer with additions by Blom. Ruins of La Honradez, Department of Peten.

1928 Honradez Peten, Guatemala. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Guatemala/Honradez Peten.

Call Number: 241

Notes: additional copy on file. See also #810.

Abstract: Ruins of Honradez, Department of Peten.

Julio Alberto Rubio

1932 Plano de la Ciudad de Guatemala. edited by Julio Alberto Rubio, Guatemala.

Keywords: Guatemala/Guatemala City.

Call Number: 240

Notes: additional copy on file.

Abstract: Plan of Guatemala City.

Map of the main business section of Guatemala City, F.A. Sherwood, Guatemala.

Keywords: Guatemala/Guatemala City.

Call Number: 239

Notes: additional copy on file.

Abstract: Verso: Guatemala City.

Map of Guatemala City. United Fruit Co..

Keywords: Guatemala.

Call Number: 238

Notes: b) Map showing route from New Orleans, Louisiana, to Puerto Barrios, Guatemala.

Abstract: Principal points of interest.

Webster McBryde

1938 Topography of southwest Guatemala. edited by Webster McBryde.

Keywords: Guatemala.

Call Number: 237

Abstract: Cities, towns, villages, ruins, railways, roads.

1929 Mapa Catastral de la Region Nordeste de la Republica de Guatemala, C.A.

Comision de Limites, Guatemala.

Keywords: Guatemala.

Call Number: 236

Notes: Additions by Skinner Lee in 1931.

Abstract: Shows registration of properties in the Departments of Izabal, Zacapa, and Chiquimula; and cities, towns, railways, roads; includes inset of "Concesiones de Honduras en territorio de Guatemala en favor de la Cuyamel Fruit Co. y fincas de esta compania."

Direccion General de Caminos, B. Z. & Co.

1936 Mapa de vialidad de la Republica de Guatemala. edited by Direccion General de Caminos, B. Z. & Co..

Keywords: Guatemala.

Call Number: 235

Abstract: Cities, towns, railways, roads.

G. Kraetzer

1859 Mapa General de la Republica Guatemala. edited by G. Kraetzer, J. Rau, New York.

Keywords: Guatemala.

Call Number: 234

Notes: Six insets: 1) Plano de la Ciudad de Guatemala, 2) Corte del Camino desde el Puerto de S. Notes: copy in map case 4 (?).

Abstract: Territory conceded by the Federated States of Central America to the Directors of the British Company of Agriculture, Commerce and Colonization, and part of the surrounding country. Cities, towns, ruins, location of Indian tribes, roads.

Teoberto Malor

1900 Mapa arqueologico del territorio Usumatsintla, desde el afluente Lacantun hasta el afluente Chacamax. edited by Teoberto Malor, Holiotype Printing Co., Boston.

Keywords: Mexico/Guatemala.

Call Number: 202

Notes: 3 additional copies (1 neg., 1 blue print, 1 pos.).

Abstract: Central portion of Usumatsintla Valley which includes parts of the states of Campeche, Tabasco, Chiapas, Mexico and part of Guatemala.

American Geographical Society

Istmo de Tehuantepec. edited by American Geographical Society, A. Hoen & Co., Baltimore.

Keywords: Mexico/Tehuantepec.

Call Number: 201

Notes: additional copy on file.

Abstract: Cities, towns, villages, ranches, camps, ruins, oilwells, oil pipe lines, railways, roads, cables, telegraph offices, wireless stations.

American Geographical Society

1937 Tegucigalpa. edited by American Geographical Society, A. Hoen & Co., Baltimore, Md.

Keywords: Central America/Honduras.

Call Number: 200

Notes: additional copy on file.

Abstract: Cities, towns, villages, ranches, mines, railways, roads, cables, telegraph offices, wireless stations, ruins added in manuscript.

Jacques Nicoles Bellin

Carte des Provinces de Tabasco, Chiapa, Verapaz, Guatemala, Honduras et Yucatan. edited by Jacques Nicoles Bellin.

Keywords: Middle America.

Call Number: 199

Abstract: Cities, towns.

J.K. Fry

1933 Stann Creek. edited by J.K. Fry, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Guatemala/British Honduras.

Call Number: 198

Notes: additional copy on file.

Abstract: City, town, villages, settlements, ranches, ruins, railways, roads, telephone lines.

P.H.F. Follett

1900a Spanish Entradas 1524 to 1695. edited by P.H.F. Follett, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 197

Abstract: Cities, towns, ruins, and routes followed by Cortes, Davila, Barrios, Velasco and Fray Pedro.

Benjamin S. Ober

1934 San Pedro del Norte. edited by Benjamin S. Ober, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Nicaragua/Honduras.

Call Number: 196

Abstract: Villages, ranches, mines, roads.

B. Lawrason

1934 (Guatemala) San Jose. edited by B. Lawrason, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Guatemala/El Salvador.

Call Number: 195

Notes: additional copy on file.

Abstract: Village, settlements, ranches, railways, roads.

1931 San Carlos. U.S. Marine Corps., Quantico, Va.

Keywords: Central America/Nicaragua.

Call Number: 194

Abstract: Cities, towns, ranches, roads, telegraph lines.

Carnegie Institute of Washington

Southern section of Quintana Roo, Campeche & northern Peten. edited by Carnegie Institute of Washington, Washington D.C.

Keywords: Mexico/Guatemala.

Call Number: 193a.

Abstract: Ruins, routes.

J. Eric Thompson

1936 Map of southern Quintana Roo. edited by J. Eric Thompson.

Keywords: Mexico/Quintana Roo/Guatemala.

Call Number: 193

Notes: 2 additional copies on file (1 pos. and 1 neg.). See also 803.

Abstract: Southern Quintana Roo and Campeche, Mexico, and northern Peten, Guatemala.

Columbia Planograph Co.

1900a Map of Pusilha, British Honduras. edited by Columbia Planograph Co., Washington D.C.

Keywords: British Honduras/Guatemala.

Call Number: 192

Notes: B) Map of Seibal.

Benjamin S. Ober

1934 Punta Gorda. edited by Benjamin S. Ober, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Nicaragua/Honduras.

Call Number: 191

Abstract: Town, villages, ranches, roads, seaplane anchorage, wireless station.

Arch B. Williams

1930 Puerto Limon. edited by Arch B. Williams, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Nicaragua/Costa Rica.

Call Number: 190

Notes: 2 additional copies on file.

Abstract: Cities, twons, ranches, railways, roads, route of proposed Nicaraguan Canal in the San Juan del Norte region, telephone and telegraph lines, wireless stations.

U.S. Hydrographic Office

1886 Progreso to Belize with Yucatan Channel and Campeche Bank. edited by U.S. Hydrographic Office, Washington D.C.

Keywords: Central America/Mexico/British Honduras.

Call Number: 189

Abstract: Northeast coast of the Peninsula of Yucatan, from Progreso, State of Yucatan, Mexico, to Belize, British Honduras.

The alleged Pineda Map, of 1519, showing the discoveries of the Admiral (Columbus) and of Pinzon-Solis, in the years 1502-1503, and 1508-1509, respectively.

Keywords: Central America/Yucatan.

Call Number: 188

Abstract: Peninsula of Yucatan, and northern coast of Central America.

Columbia Planograph, Co.

1900a Map of the Drainage areas in the Department of Peten, Guatemala. edited by Columbia Planograph, Co., Washington D.C.

Keywords: Central America/Guatemala.

Call Number: 187

Abstract: Cities, towns, villages, camps, houses, ruins, roads, trails, telegraph lines, telegraph stations.

Columbia Planograph Co.

1933 Map showing the Department of Peten, Guatemala, and adjacent regions, showing routes of the Central American Expeditions of Carnegie Institution of Washington.

edited by Columbia Planograph Co., Washington D.C.

Keywords: Central America/Guatemala.

Call Number: 186

Abstract: Towns, villages, archaeological sites, chicle and mahogany camps, routes, trails.

F. Blom

1928 Department of Peten, Guatemala and adjacent regions. edited by F. Blom, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Central America/Guatemala.

Call Number: 185

Notes: 9 copies on file. See also 801.

Abstract: Cities, towns, ruins, and route of the John Gray Memorial Expedition, 1928. Archeological, communicational, political.

1927 Department of Peten Guatemala and adjacent regions. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Central America/Guatemala.

Call Number: 184

Notes: 5 additional copies on file (4 pos. and 1 neg.). See also 800. Very fragile.

Abstract: Cities, towns, ruins.

1900a Department of Peten, Guatemala. P.W. Shufeldt and Co., Belize, British Honduras.

Keywords: Central America/Guatemala/Mexico/British Honduras.

Call Number: 183

Abstract: Northeastern part of the Department of Peten, Guatemala, southern Campeche Mexico, and western British Honduras.

Frans Blom

1924 Department of Peten, Guatemala. edited by Frans Blom, Uaxactun.

Keywords: Central America/Guatemala/Mexico/British Honduras.

Call Number: 182

Notes: Mounted.

Abstract: Northwestern Department of Peten, Guatemala, southern Campeche, Mexico, and western British Honduras.

H.L. Flemer

1935 Payo Obispo. edited by H.L. Flemer, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/British Honduras/Mexico.

Call Number: 181

Notes: additional ocopy on file.

Abstract: Towns, villages, settlements, ranches, roads, telephone lines, wireless stations; railways added in manuscript.

J.K. Fry

1935 Ocoatepeque. edited by J.K. Fry, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Guatemala/Honduras/El Salvador.

Call Number: 180

Abstract: Cities, towns, villages, settlements, ranches, mines, railways, roads, telegraph and telephone lines.

U.S. Hydrographic Office

1886 Ocos River to San Juan del Sur. edited by U.S. Hydrographic Office, Washington D.C.

Keywords: Central america/Guatemala/Nicaragua.

Call Number: 179

Abstract: West Coast of Central America from the Ocos River, Guatemala to San Juan del Sur, Nicaragua.

American Geographical Society of New York

1937 Lago De Nicaragua. edited by American Geographical Society of New York, A. Hoen and Co., Baltimore.

Keywords: Nicaragua.

Call Number: 178a.

Notes: additional copy on file.

Abstract: Cities, towns, villages, ranches, railways, roads, telegraph and telephone lines, telephone and telegraph offices. Inset: Isla del Coco.

Thome de Gamond

1900a Carte d'etude dressee par Mr. Thome de Gamond pour servir a L'avant-projet du Canal Interoceanique de Nicaragua. edited by Thome de Gamond, Paris.

Keywords: Central America/Nicaragua/Costa Rica.

Call Number: 178

Notes: Two insets: 1) Carte de L'Amerique Centrale comprenant les 5 Republiques de Guatemala, San Salvador, Honduras, Nicaragua, et Costa Rica, 2) Profil du Canal des deux Oceans Etabli au Tirant d'Eau de Huit Metres.

Abstract: Study map of the proposed Nicaragua Canal, by way of the San Juan River and the Pass of Salinas, in execution of the treaty of concession concluded May 1, 1858, between the Governments of Nicaragua and Costa Rica, and Mr. Felix Belly.

Benjamin S. Ober

1934 Nacaome. edited by Benjamin S. Ober, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/El Salvador/Honduras/Nicaragua.

Call Number: 177

Abstract: Cities, towns, villages, settlements, ranches, mines, railways, roads, telephone and telegraph lines.

Columbia Planograph Co.

1900a Map of Motul de San Jose. edited by Columbia Planograph Co., Washington D.C.

Keywords: Central America/Guatemala/Belize/Motul de San Jose.

Call Number: 176

Notes: B) Map of the environs of Pusilha, British Honduras.

Abstract: Ruins of Motul de San Jose, Department of Peten, Guatemala.

1936 Itinerary of proposed libraries and archives survey of Middle America. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 175

Abstract: Air, land and water routes.

1936 Itinerary of proposed libraries and archives survey of Middle America. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 174

Abstract: Rough copy of map showing air, land, and water routes.

1900a Expeditions of Tulane University to Middle America. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 173

Notes: Map in two parts.

Abstract: Based on map of "Ruins in the Maya Area," revised by Frans Blom, 1929. Cities, towns, caves, mounds, ruins, railways, and air and land routes of 1st and 2nd-1925 (Gray Memorial Expedition) and 1929-30-32 expeditions.

1928 The John Geddings Gray Memorial Expedition to Middle America. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 172

Notes: 7 additional copies on file (6 pos. and 1 neg.). See also 795/772.

Abstract: Southern Mexico, British Honduras, Guatemala, El Salvador, and part of Honduras. Cities, towns, British Museum and Carnegie Institution excavations, ruins, railways. Inset: Route of the John Geddings Gray Memorial Expedition to Middle America, 4th Tulane University Expedition.

Mainland of Middle America. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 171

Abstract: Outline for use as a base map.

Gerhardt Kramer

1938 Middle America showing areas visited by M.A.R.I. staff, 1926-1939. edited by Gerhardt Kramer, Middle American Research Institute, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 170

D. Morris

Middle America. edited by D. Morris, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 169

Abstract: Map showing drainage system. Outline for use as a base map.

D. Morris

Middle America. edited by D. Morris, Dept. of Middle American Research, New Orleans.

Keywords: Middle America.

Call Number: 168

Abstract: Map showing drainage system. Outline for use as a base map.

D. Morris

Middle America. edited by D. Morris, Dept. of Middle American Research, New Orleans.

Keywords: Middle America.

Call Number: 167

Abstract: Map showing drainage system. Outline for use as a base map.

Gerhardt Kramer

1935 Middle America. edited by Gerhardt Kramer, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 166

Abstract: Form prepared for use in the displays at the Greater Texas and Pan American Exposition, Dallas.

Middle America. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 165

Abstract: Outline for use as a base map.

Middle America. Dept. of Middle American Research, New Orleans.

Keywords: Middle America.

Call Number: 164

Abstract: Outline for use as a base map.

Jaun de Gavarrete

1846 Southern Mexico and Guatemala. edited by Jaun de Gavarrete.

Keywords: Mexico/Guatemala.

Call Number: 163

Notes: .

Abstract: Shows cities, towns, ruins. Includes two insets: 1) Plano de los antiguos Edificios de Isinche o Tepan-Guatemala sacado fielmente del que levanto el ano de 1834 el Sor Rivera, 2) Old City of Guatemala and Surroundings.

1923 Map of central and southern Mexico and Guatemala, indicating archaeological sites. Direccion de Antropologica, Mexico City.

Keywords: Mexico/Guatemala.

Call Number: 162

Abstract: Cities, towns, ruins, railways.

Flight over Mayan ruins- 27 Feb. 1937. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America/Mayan region.

Call Number: 161

Abstract: Illustrates flight by Frans Blom from Puerto Barrios to Yaxha, Uaxactun, and return via Flores, Dolores and Livingston, Guatemala.

Frans Blom

1931 Trade Maya area. edited by Frans Blom, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America/Mayan region.

Call Number: 160

Abstract: Cities, towns, caves, mounds, railways, Indian trade routes. Archeological, communicational, economical, ethnological, physical, political. Color, manuscript.

Frans Blom

1929 Ruins in the Mayan area. edited by Frans Blom, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America/Mayan region.

Call Number: 159

Notes: After F. Blom and O.G. Ricketson, Jr., 1924, with some additions by H.J. Spinden, 1928. Drawn by E. Gracida. Map in 2 parts. There are at least 3 maps in the oversized area pertaining to this # and 3 more of part 1, and 1 of part 2 on top of the map file in the office. Copy of part 2 and 2 additional copies (1 pos. and 1 neg.) in map case 1.

Abstract: Cities, towns, caves, mounds, ruins, railways. Archeological, communicational, political.

Maurice Ries

Language groups in the Maya area. edited by Maurice Ries, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America/Mayan region.

Call Number: 158

Notes: Map in two parts.

Abstract: Location of the Maya, Cholti, Tzeltal, Mame, Pokum, Quiche and Huasteca language groups in the Mayan area. Ethnographical, ethnological. Color, manuscript.

Gerhardt Kramer

1940 Archaeological sites in the Mayan area. edited by Gerhardt Kramer, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America/Mayan region.

Call Number: 157

Notes: For use with the "Index of Maya Sites" (1940) in the Middle American Research Institute. Map in six sections. Preliminary manuscript and printed copies on file.

Abstract: Archeological, communicational, physical, political. Color, manuscript.

Columbia Planograph Co.

1933-1934 Archaeological map of the Mayan area. edited by Columbia Planograph Co. Washington D.C.

Keywords: Middle America/Mayan region.

Call Number: 156

Abstract: Southern Mexico, British Honduras, Guatemala, and northern Honduras.

Frans Blom and O.G. Ricketson, Jr.

1925 Map of the Maya Area and adjacent regions-Mexico-Guatemala-British Honduras-Honduras-San Salvador. edited by Frans Blom and O.G. Ricketson, Jr., Peabody Museum, Harvard University.

Keywords: Middle America/Mayan region.

Call Number: 155

Notes: Poor condition--fragile. In need of repair.

Abstract: Towns, mounds, ruins, railways. 2 copies containing corrections and additions and 1 negative copy on file. 1 mounted copy containing corrections and additions on file.

Herbert J. Spinden

1928 Map of the Maya area and adjacent regions. edited by Herbert J. Spinden.

Keywords: Middle America/Mayan region.

Call Number: 154

Notes: Map in two parts.

Abstract: Cities, towns, caves, mounds, ruins, railways.

P.H. Follett

1934 The Maya Area. edited by P.H. Follett, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 153

Abstract: Cities, towns, ruins; inset shows outline map showing geographical relationship between Louisiana and the Maya area.

F.H. Follett

1934 The Maya Area. edited by F.H. Follett, Dept. Of Middle American Research, Tulane University, New Orleans.

Keywords: Central America/Guatemala/Mexico/Belize/Honduras/El Salvador.

Call Number: 152

Abstract: Cities, towns, ruins; inset shows outline map showing geographical relationship between Louisiana and the Maya area.

1934 The Maya Area. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Mexico/Guatemala/Belize/Maya.

Call Number: 151

Notes: Map in six parts. Additional copy on file.

Abstract: Cities, towns, railways.

Gerhardt Kramer

1900a The Land of the Maya. edited by Gerhardt Kramer, Dept. of Middle American Research, New Orleans.

Keywords: Mexico/southern U.S.

Call Number: 150

Abstract: Map showing geographical relationship between New Orleans and the Maya Area.

Gerhardt Kramer

1900a The Land of the Maya. edited by Gerhardt Kramer, Dept. Of Middle American Research, Tulane University, New Orleans.

Keywords: Mexico/southern U.S.

Call Number: 149

Abstract: Map showing geographical relationship of New Orleans to the Maya Area.

C.W. Clarke

1936 The Early Maya. edited by C.W. Clarke.

Keywords: Central America/Mexico/Maya/Guatemala.

Call Number: 148

Abstract: Map indicates: 1) Home of the Huasteca Indians, 2) Site of Tuxtla Statuette, the oldest dated Maya inscription, 3) Uaxactun, city with an early dated monument, 4) Copan, next earliest Maya settlement and city, 5) Place where Leyden Plate was found. This, next to the Tuxtla Statuette, is the oldest dated inscription, 6) Last home of the Maya at Discovery, 7) Where Spanish first landed. Probable line of Migration-from Copan north over the Yucatan Peninsula.

U.S. Hydrographic Office

1885 Maldonado to Ocos River. edited by U.S. Hydrographic Office, Washington D.C.

Keywords: Mexico/Guatemala.

Call Number: 147

Notes: Four insets: 1) Vicinity of Tartar Shoal, 2) West of Chacahua Bay, 3) Vicinity of Port Angeles, 4) East of Chacahua Bay.

Abstract: West coast of Mexico from Maldonado, State of Guerrero, to the Ocos River, Guatemala.

Columbia Planograph Co.

1937 Map of Lubaantun, British Honduras. edited by Columbia Planograph Co., Washington D.C.

Keywords: Central America/British Honduras/Belize.

Call Number: 146

Notes: B) Map of the environs of Quirigua.

R.F. Daily

1934 Livingston. edited by R.F. Daily, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Guatemala/Honduras/Belize.

Call Number: 145

Notes: additional copy on file.

Abstract: Cities, towns, villages, settlements, ranches, mine, railways, roads, telegraph lines, wireless stations.

Benjamin S. Ober

1935 La Libertad. edited by Benjamin S. Ober, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Guatemala/Mexico.

Call Number: 144

Notes: additional copy on file.

Abstract: Villages, settlements, ranches, roads; additions and annotations in colored pencil.

Liberia. U.S. Marine Corps., Quantico, Va.

Keywords: Central America/Nicaragua.

Call Number: 143

Abstract: Cities, towns, ranches, roads, seaplane anchorages, telephone lines.

Arch B. Williams

1928 Liberia. edited by Arch B. Williams, Geographic Branch, M.I.D., Washington D.C.

Keywords: Nicaragua/Costa Rica.

Call Number: 142

Notes: additional copy on file.

Abstract: Cities, towns, ranches mines, railway, roads, telegraph and telephone lines.

Land measurement of 43.45 caballerias surrounding Las Limas adjacent to the Rio Grande.

Keywords: Mexico/Guatemala.

Call Number: 141

Notes: "La superficie es igual a 46 caballerías, 106 cuerdas y 457 ? cuadradas, igual a 43.45 caballerías del régimen de Guatemala."

Abstract: Territory formerly under the jurisdiction of the Government of Guatemala (part of the State of Chiapas, Mexico).

W. Rux

Department Huehuetenango der Republik Guatemala und die angrenzenden teile des Staates Chiapas. edited by W. Rux.

Keywords: Mexico/Guatemala.

Call Number: 140

Notes: 2 additional copies on file (1 pos. and 1 neg.).

Abstract: Department of Huehuetenango, Guatemala, and the bordering parts of the State of Chiapas, Mexico. Cities, towns, ranches.

J.K. Fry

1935 Huehuetenango. edited by J.K. Fry, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Guatemala/Mexico.

Call Number: 139

Notes: additional copy on file.

Abstract: Cities, towns, villages, settlements, ranches, railway, roads, telegraph lines.

T. Kitchin Sr.

1779 Map of the Bay of Honduras: Shewing the situation of the Spanish Town and Fort of St. Fernando do Omea, taken by the Hon(ble) John Luttrell & W(m) Dalrymple Esq.

Oct. 20th, 1779. edited by T. Kitchin Sr., London.

Keywords: Central America/Mexico/Guatemala/Honduras/Nicaragua.

Call Number: 138

Abstract: Southern Mexico, Guatemala, Honduras and northern Nicaragua.

Thos. Jefferys

1775 The Bay of Honduras. edited by Thos. Jefferys, Printed for Robt. Sayer, Map and Printseller, London.

Keywords: Honduras/Bay of Honduras.

Call Number: 137

Abstract: Mounted on cardboard and encased in plastic, map shows cities, towns, roads, water routes.

E.G. Squier

1854 Map of Honduras and San Salvador, Central America showing the line of the proposed Honduras Interoceanic Railway. edited by E.G. Squier, Sarony & Co., Lith., New York.

Keywords: Central America/Honduras/El Salvador.

Call Number: 136

Abstract: Cities, towns, ranches, ruins, location of Indian tribes, mines, proposed railway, roads, water routes.

Hakluyt Society

1900a Map of Guatemala and adjacent countries. edited by Hakluyt Society, London.

Keywords: Central America/Guatemala/southern Mexico.

Call Number: 135

Notes: Inset: Map showing limits of Maya inscriptions.

Abstract: Cities, towns, ruins, railways, and route followed by Hernando Cortes, return journey of Luis Marin and Bernal Dias from Naco to Mexico.

Julio Alberto Rubio and Luis Felipe Lopez

1933 Mapa de Guatemala, El Salvador y regiones fronterizas. edited by Julio Alberto Rubio and Luis Felipe Lopez, Guatemala.

Keywords: Guatemala/El Salvador.

Call Number: 134

Abstract: Color map shows cities, towns, ruins, railways, roads, water routes, elevations.

1919 Map showing the region of an economic survey in parts of Guatemala and Honduras. American Geographical Society, New York.

Keywords: Guatemala/Honduras.

Call Number: 133

Abstract: Map constructed by combining information shown on maps given to the Department of State of the United States by Representatives of the Governments of Guatemala and Honduras. Cities, towns, villages, houses, land grants, railways, roads, trails; additions and annotations in colored pencil.

Mapa de la Republica de Guatemala.

Call Number: 132a

Guatemala-Honduras, 1933. Aerial photographs approximately adjusted to American Geographical Society map.

Keywords: Guatemala/Honduras.

Call Number: 132

Abstract: Towns, villages, ruins, fences, trails.

Guatemala-Honduras, 1933. Aerial photographs approximately adjusted to American Geographical Society map..

Keywords: Guatemala,/Honduras.

Call Number: 131

Abstract: Towns, villages, fences, trails.

J. Gavarrete

Carta de la Republica de Guatemala en la America Central. edited by J. Gavarrete, Machado, Yrigoyen y Ca., Paris.

Keywords: Guatemala.

Call Number: 130

Notes: Two insets: 1) Mapa de la distribucion de los idiomas aborigenes en la Republica, 2) Mapa de las Lineas Telegraficas de la Republica.

Abstract: Cities towns, villages, estates, farms, mines, roads.

A. Hoen and Company

1935 Ciudad Guatemala. edited by A. Hoen and Company, American Geographical Society, Baltimore.

Keywords: Guatemala/Guatemala City.

Call Number: 129

Notes: additional copy on file.

Abstract: Cities, towns, villages, ranches, ruins, railways, roads, submarine cables, telephone and telegraph offices.

Benjamin S. Ober

1935 Guatemala City. edited by Benjamin S. Ober, Geographic Branch, M.I.D., Washington D.C.

Keywords: Guatemala/Guatemala City.

Call Number: 128

Notes: additional copy on file.

Abstract: Cities, towns, villages, settlements, ranches, mines, railways, roads, telegraph lines.

D. Morris

Guatemala. edited by D. Morris, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Central America /Guatemala.

Call Number: 127

Abstract: Guatemala, southern Mexico, British Honduras, part of El Salvador and Honduras. Cities, towns, ruins, railways.

Johannes van Keulen

Pas-Kaart van de Golf de Guaniaos met T' Canaal tusschen Yucatan en I. Cuba. edited by Johannes van Keulen, Amsterdam.

Keywords: Gulf of Mexico/Gulf of Honduras/Yucatan Channel.

Call Number: 126

Abstract: Gulf of Guanajos and canal between Yucatan and Cuba (Gulf of Honduras and Yucatan Channel).

Arch. B. Williams

1928 Granada. edited by Arch. B. Williams, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Nicaragua/Costa Rica.

Call Number: 125

Notes: additional copy on file.

Abstract: Cities, towns, ranches, railway, roads, route of the proposed Nicaraguan Canal, telephone and telegraph lines.

1931 Cabo Gracias. U.S. Marine Corps., Quantico, Va.

Keywords: Nicaragua/Cabo Gracias.

Call Number: 124

Abstract: Towns, ranches, railways, roads.

.

Lieut. W.N. Jeffers

1857 Bay of Fonseca. edited by Lieut. W.N. Jeffers, U.S.N..

Keywords: Honduras.

Call Number: 123

Abstract: Proposed Southern or Pacific terminus of the Honduras Interoceanic Railway.

Expeditions of D.M.A.R. New Orleans.

Keywords: Middle America.

Call Number: 122

Abstract: Routes followed by 21 expeditions sent out by the Dept. of Middle American Research to Middle America.

Columbia Planograph, Co.

1900a Map of El Pabellon, Mexico. edited by Columbia Planograph, Co., Washington, D.C.

Keywords: Mexico/ElPabellon/Aguas Calientes.

Call Number: 121

Notes: B) Map of Aguas Calientes.

Abstract: Ruins of El Pabellon, State of Chiapas, Mexico.

C.L. Lundell

1900a Areas of El Cayo District, British Honduras, visited by the 1936 Michigan-Carnegei Expedition. edited by C.L. Lundell.

Keywords: British Honduras.

Call Number: 120

Abstract: Towns, ruins, roads.

P.H.F. Follett

1900a Entradas of Fray Jose Delgado 1674 to 1695. edited by P.H.F. Follett, Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Mexico/Guatemala/British Honduras.

Call Number: 119

Abstract: Cities, towns houses, ruins, and routes follerd by Fray Jose Delgado, in the years 1674-1695, from Cahabon, Guatemala, through British Honduras, and along the coast to Bacalar, Quintana Roo, Mexico.

Arch B. Williams

1928 David. edited by Arch B. Williams, Geographic Branch, M.I.D., Washington D.C.

Keywords: Central America/Panama/Costa Rica.

Call Number: 118

Notes: 3 additional copies.

Abstract: Cities, towns, ranches, railways, roads, telegraph and telephone lines, wireless stations.

19311 Coseguina. U.S. Marine Corps., Quantico, Va.

Keywords: Nicaragua/Coseguina.

Call Number: 117

Abstract: Cities, towns, ranches, roads.

Copy of map to Merwin's unpublished Ph.D. at Peabody Museum, Harvard University.

Keywords: Mexico/Quintana Roo.

Call Number: 116

Abstract: Southern Quintana Roo, Mexico, and northern British Honduras.

Columbus' Itinerary (1502-1504).

Keywords: West Indies/Caribbean Sea.

Call Number: 115

Abstract: Routes followed by Columbus though the West Indies, along the coast of Central America and Panama; and route followed by Mendez from Jamaica, via Navosa, to Santo Domingo, in 1503.

1900a Part of the state of Chiapas, Mexico, traversed by T.U.X., 1925. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Mexico/Chiapas.

Call Number: 114

Notes: additional copy on file. See also no. 836.

Abstract: Principal towns, ruins, and route of the first Tulane Expedition to Middle America, 1925.

Mapa de las lineas del transporte... a Nuevo Orleans.  
Call Number: 113a.

Central America and Panama. Dept. of Middle American Research, Tulane University, New Orleans.  
Keywords: Central America.  
Call Number: 113  
Abstract: Unfinished map showing drainage systems.

Julius Bien Co.  
1900a Sketch map of a part of Central America showing location of Maya ruins. edited by Julius Bien Co., New York.  
Keywords: Central America.  
Call Number: 112  
Abstract: Southern Mexico, British Honduras, Guatemala, El Salvador, part of Honduras And Nicaragua. Cities, towns, ruins, railways.

John Stafford Eveline  
1932 Part of Central America. edited by John Stafford Eveline, Tegucigalpa, Honduras.  
Keywords: Central America.  
Call Number: 111  
Abstract: Monometer and trimotor airlines through El Salvador, southern Guatemala, western and central Honduras, and northwestern Nicaragua. Cities, towns, ruins, railways, roads.

1900a Route of Tulane University-Danish National Museum expedition, Central America, 1935. Dept. Of Middle American Research, Tulane University, New Orleans.

Keywords: Central America/Guatemala/Honduras.

Call Number: 110

Abstract: Southeastern Guatemala and northwestern Honduras.

1935 Route of the Tulane University-Danish National Museum Expedition, Central America, 1935. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Central America.

Call Number: 109

Abstract: Southern British Honduras, eastern Guatemala, and northwestern Honduras.

Rand McNally standard map of Central America. Rand McNally, Chicago.

Keywords: Central America.

Call Number: 108

Notes: Inset: Map of the Canal Zone (Isthmus of Panama).

Abstract: Cities, towns, ruins, mines, railways, water routes.

1935 Index to M.I.D. map of Central America. M.I.D., U.S. War Dept., Washington D.C.

Keywords: Central America.

Call Number: 107

1929 Index to map of Central America.

Keywords: Central America.

Call Number: 106

Abstract: Index to maps of the Military Intelligence Division.

J. Bien

1856 Map of Central America. edited by J. Bien, New York.

Keywords: Central America/Gulf of Mexico/Caribbean.

Call Number: 105

Notes: 4 copies in varying condition (c. 3 & 4 are in map case 1); notations-- c. 1-"Kendall 25 JI 1939 gift"; c. 2-"19 Feb 1935, NY Pub Lib, Exchg." Additional copy on file.

Abstract: Shows Central America and the entire shoreline of the Gulf of Mexico and the western Caribbean; includes historical notes on boundaries with tracing of their origin, projected railways on Isthmus of Tehuantepec and in Honduras, and 3 insets, Bay of Fonseca; Nicaragua from San Juan to Fonseca Bay; Port of San Juan de Nicaragua or Grey Town. Compiled from materials furnished by the Committee on Foreign Relations of the U.S. Senate and executed at the special direction of Captain W.R. Palmer.

T. Ettling

Central America (northern part) comprising Mexico, Guatemala, Honduras, San Salvador and Nicaragua. edited by T. Ettling, Holborn, London.

Keywords: Central America.

Call Number: 104

Abstract: Cities, towns, railways, proposed transcontinental railway from the Gulf of Fonseca on the Pacific coast of Honduras to the Gulf of Honduras.

J. and C. Walker

1842 Central America including Yucatan, Belize, Guatemala, Salvador, Honduras, Nicaragua and the southern states of Mexico. edited by J. and C. Walker, Chapman and Hall, London.

Keywords: Central America.

Call Number: 103

Notes: additional copy on file.

Abstract: Cities, towns, estates, farms, forts, ruins, roads.

H.J. Spinden

1928 Central America Rainfall Map. edited by H.J. Spinden, American Geographical Society, New York.

Keywords: Central America.

Call Number: 102a.

Notes: Inset: Central America.

Gerhardt Kramer

1940 Central America. edited by Gerhardt Kramer, Middle American Research Institute, Tulane University, New Orleans.

Keywords: Central America.

Call Number: 102

1892 Central America. Rand, McNally & Co. Chicago.

Keywords: Central America.

Call Number: 101

Notes: Inset: Showing proposed line of Nicaragua Canal.

Abstract: Cities, towns, railways.

Arch. B. Williams

1929 Cartago. edited by Arch. B. Williams, Geographic Section, Military Intelligence Division, General Staff, Washington D.C.

Keywords: Cartago, Costa Rica.

Call Number: 100

Notes: additional copy on file.

Abstract: Cities, towns, ranches, railways, roads, telegraph and telephone lines, wireless stations.

Based on Forestry Map, S. G. D. Bt. H.

1933 Map of British Honduras showing locations of ruins. edited by Based on Forestry Map, S. G. D. Bt. H..

Keywords: British Honduras.

Call Number: 99

Abstract: Ruins of British Honduras, southeastern Quintana Roo, Mexico and northeastern Peten, Guatemala.

Benjamin S. Ober

1934 Bocay. edited by Benjamin S. Ober, Geographic Branch, Military Intelligence Division, Waashington D.C.

Keywords: Bocay, British Honduras.

Call Number: 98

Notes: additional copy on file.

Abstract: City, village, settlements, ranches, mines, roads.

Bocay. The Division of Operations and Training Headquarters, U.S. Marine Corps., Quantico, Va.

Keywords: Bocay, British Honduras.

Call Number: 97

Abstract: Cities, towns, ranches, mines, roads.

Keywords: Benque Viejo, British Honduras.

Call Number: 96

Notes: Preprint, Morley, 1938, p. 191.

Abstract: Map in 3 parts: (a.) Plan. Archeological. Color and mounted. (b) Map of Altar de Sacrificios, (c) Map of Xmakabatun.

J.K. Frye

1935 Belize. edited by J.K. Frye, Geographic Branch, Military Intelligence Division, Washington D.C.

Keywords: Belize.

Call Number: 95

Notes: additional copy on file.

Abstract: City, villages, settlements, ranches, ruins, roads, telephone lines, wireless station.

American Geographic Society

1935 Belize. edited by American Geographic Society, A. Hoen and Company, Baltimore.

Keywords: Belize.

Call Number: 94

Notes: additional copy on file.

Abstract: Cities, towns, villages, ranches, camps ruins, railways, roads, telegraph lines and offices, wireless stations.

H.L. Flemer

1935 Balancan. edited by H.L. Flemer, Geographic Branch, Military Intelligence Division, Washington D.C.

Keywords: Central America.

Call Number: 93

Notes: additional copy on file.

Abstract: Towns, villages, settlements, ranches, roads, telephone lines.

L. Robelin

America Central. edited by L. Robelin, Monrocq Hermanos Imp. Editores, Paris.

Keywords: Central America.

Call Number: 92

Notes: Inset: Alturas do las principales montanas de la America Central.

Abstract: Cities, towns, location of Indian tribes, railways.

1900a The Wolfenbuttel-Spanish map.

Keywords: Middle America and adjacent areas.

Call Number: 91

Notes: Map in four parts.

Abstract: Territory comprising eastern coast of North America, Central America, and northern coast of South America.

Coast of Yucatan...

Keywords: mexico/yucatan/peninsula.

Call Number: 91a

Maurice Ries

1932 Distribution of Aboriginal Stamping in the Western Hemisphere. edited by Maurice Ries, Dept. Of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America and adjacent areas.

Call Number: 90

Abstract: U.S., Middle America, and northwestern part of South America.

West Indies and northern South America.

Keywords: West Indies and northern South America.

Call Number: 89

Abstract: Portolan chart.

West Indies and adjacent countries.

Keywords: West Indies and adjacent areas.

Call Number: 88

Notes: additional copy on file.

Abstract: Towns, settlements, Indian villages, forts, industries and natural resources, water routes. Two insets: 1) Cast: Isle of St. Jaun Delua, 2) A Draught of St. Augustin and its Harbour.

1794 Index to the following sixteen sheets, being a compleat chart of the West Indies with letters in the margin, to direct placing the different sheets in their proper places. Laurie & Whittle, London.

Keywords: West Indies.

Call Number: 87

Abstract: Towns, settlements, location of Indian tribes.

Mons. D'Anville

1794 A new and complete map of the West Indies comprehending all the coasts and islands known by that name. edited by Mons. D'Anville, Laurie and Whittle, London.

Keywords: West Indies.

Call Number: 86

Abstract: Towns, settlements, location of Indian tribes, land controlled by European governments.

N. Vischer

1740 A map of the West Indies; or the Islands of America in the North Sea: with adjacent parts, explaining what belongs to England, Holland, Spain, France & C. Also the several tracts made by the Gallions and Flota. edited by N. Vischer, London.

Keywords: West Indies.

Call Number: 85

Abstract: Towns, settlements, water routes. Four insets: 1) A draught of Bay & City of Havana, 2) The Bay of Porto Bella, 3) A draught of City of Cartagena its Harbour & Forts, 4) Cast: & Isle of San Jaun Delua.

Lapie

1806 A map of the West Indies and of the Mexican-Gulph. Carte des Indes Occidentales et du Golfe du Mexique. edited by Lapie, T.A.F. Tardieu, Paris.

Keywords: West Indies and Gulf of Mexico.

Call Number: 84

Abstract: Towns, settlements, land controlled by United States and European governments.

Thomas Jeffreys

The West Indies exhibiting the English, French, Spanish, Dutch and Danish settlements. edited by Thomas Jeffreys, R. Sayer, London.

Keywords: West Indies.

Call Number: 83

Abstract: Towns, settlements, location of Indian tribes.

The West Indies and the north coast of South America to the mouth of the Orinoco.

Keywords: West Indies and northern South America.

Call Number: 82

Abstract: Photographic reproduction from Maggiolo, 1911.

C. Dilly & G. Robinson

1785 The West Indies according to the best sources. edited by C. Dilly & G. Robinson, London.

Keywords: West Indies.

Call Number: 81

Abstract: Towns, settlements, land controlled by European governments, mines.

West Indies.

Keywords: West Indies and adjacent areas.

Call Number: 80

Abstract: West Indies, southern coast of Florida, and northern coast of South America.

Sidney Hall

1827 West Indies. edited by Sidney Hall, Longman, Rees, Orme, Brown & Green, London.

Keywords: West Indies.

Call Number: 79

Abstract: Towns, settlements, land controlled by European and independent governments.

T. Clerk

1900a West Indies. edited by T. Clerk, Edinburgh.

Keywords: West Indies.

Call Number: 78

Abstract: Towns, settlements, location of Indian tribes.

James Wyld

1841 Map of the West India & Bahama Islands with the Adjacent coasts of Yucatan, Honduras, Caracas & C. edited by James Wyld, London.

Keywords: West Indies and adjacent areas.

Call Number: 77

Abstract: Towns, settlements, location of Indian tribes, land controlled by European governments.

D. Lizars

West India islands & adjacent coasts of the United States, Mexico, Guatemala & Columbia. edited by D. Lizars, Edinburgh.

Keywords: West Indies and adjacent areas.

Call Number: 76

Notes: Inset: Jamaica.

Abstract: Towns, settlements, location of Indian tribes, land controlled by European and independent governments.

Insulae Americanae Nempe: Cuba, Hispaniola, Jamaica, Pto. Rico, Lucania, Antillae Vulgo Caribae, Barlo-et Sotto-vento, etc. Reiner & Josua Ottens, Amstedlodanum.

Keywords: West Indies.

Call Number: 75

Abstract: Towns, settlements, forts, location of Indian tribes, water routes.

Guiljemus Blaeu

1900a Insulae Americanae in Oceano Septentrionali cum Terris Adiacentibus. edited by Guiljemus Blaeu.

Keywords: West Indies.

Call Number: 74

Notes: Section of atlas, "Les Isles de l'Amerique, en l'ocean septentrional, au devant du Golfe de Méxique, & quelques provinces du continent," 4 fol. including map. Section comprises signatures C3 through C5 of the atlas. Apparently extracted from a French edition of Blaeu, 1638. 2 maps of the same title and size mentioned are listed in Maggs

Bros. Ltd., 1940, articles 1033 and 1034, p. 132. Maps published in Amsterdam in the years 1655 and 1665 respectively.

Abstract: West Indies and adjacent territories. Towns, settlements. Includes 6 pages text.

D. Veremondo Rossi Monaco Valo.

Nuova y corretta carta dell' Indie Occidentali cavata dalle Migliori Autorita. edited by D. Veremondo Rossi Monaco Valo..

Keywords: West Indies.

Call Number: 73

Abstract: West Indies. Towns, settlements, forts.

F. Handtke

Vereinigete Staaten von Nordamerika. edited by F. Handtke.

Keywords: North America.

Call Number: 72

Abstract: U.S. Canada, part of Mexico. Cities, towns, forts, location of Indian tribes, missions, railways.

1900a Southern part of the United States, Middle America, northern part of South America.

Keywords: Middle America and surrounding areas.

Call Number: 71

Notes: Inset: Passage by land to California.

Abstract: Towns, settlements, forts, location of Indian tribes, mines, water routes.

Southern part of the United States, Middle America, northern part of South America. Guill'. Delahaye.

Keywords: Southern U.S., Middle America, northern South America.

Call Number: 70

Abstract: Cities, towns, location of Indian tribes.

Southern part of United States, eastern part of Mexico, Central and South America.

Keywords: Southern U.S., Central and South America.

Call Number: 69

Notes: On reverse of map 7: (Goes with - papers) "Analises of Early American Maps. R. Schuller".

Abstract: Seven numbered maps showing early maps of America. The maps are identical, save for different notations of the routes of early explorations (drawn in red on each map).

Southeastern Coast of United States, Cuba, southern Mexico, Central America and South America.

Keywords: Industrial Canals of western hemisphere.

Call Number: 68

Abstract: Routes through the Industrial Canal and lakes, New Orleans, La., Florida Canal, Fla., and Nicaragua and Panama canals. Distance in miles.

United States, Mexico and West Indies.

Keywords: Unites States, Mexico and West Indies.

Call Number: 67

Gerhardt Kramer

1940 United States and Middle America. edited by Gerhardt Kramer, Middle American Research Institute of Tulane University, New Orleans.

Keywords: United States and Middle America.

Call Number: 66

Notes: Map showing the geographical relationship of southern U.S. to Middle America.

Abstract: Location of Huasteca culture, eastern coast of Mexico, and culture of Ulua valley, northern Honduras.

Rand McNally Standard Map of the United States. Rand McNally & Co. Chicago.

Keywords: North America.

Call Number: 65

Abstract: U.S., southern Canada and northern Mexico.

C.M. Sawyer

1900a International and Federal System of Highways to all capitals and important cities of the United States, Canada, Mexico and Cuba. edited by C.M. Sawyer, Raleigh, North Carolina.

Keywords: North America.

Call Number: 64

Abstract: Southern Canada, U.S., northern Mexico and Cuba.

Alexander Gross

1935 United States. edited by Alexander Gross, "Geographia" Map Co., New York.

Keywords: United States.

Call Number: 63a.

Notes: Verso, 2 maps: 1) Canada and Newfoundland, 2) North America.

Abstract: Cities, towns, railways, water routes (distances in nautical miles); Middle American Research Institute campaign route added in colored pencil.

Kermit Roosevelt Ray

1934 The Route of the Expedition of Hernando de Soto through the Southern States, 1539-1543. edited by Kermit Roosevelt Ray.

Keywords: North America/De Soto's Route.

Call Number: 63

Notes: Map bordered with pictures of activities of Indians and Spaniards, from drawings of Jacobo Le Moyne, 1691.

Abstract: Modern cities; Indian villages; probable site of Ayllon colony; land and water routes of the expedition, before and after De Soto's death.

1900a Anonymous Italian map of South and Central America.

Keywords: Eastern coastline of Central and South America.

Call Number: 62

Abstract: Parts of three maps have been placed together to form a continuous coast line of eastern Central America and northern South America.

Kenneth W. Thompson

On the Routes of the Flying Clipper ships. edited by Kenneth W. Thompson.

Keywords: Western Hemisphere.

Call Number: 61

Notes: Additional copy on file.

Abstract: Pictorial map of the U.S., Middle and South America, showing routes followed by the Pan American Airways System.

Sr. D'Anville

1730 Carte Particuliere de L'Isthme de Panama, GOLfe de Darien, Cote de Carthagene, Jusque Ste. Marthe. edited by Sr. D'Anville.

Keywords: Panama and surrounding areas.

Call Number: 60

Abstract: Isthmus of Panama, Gulf of Darien, and the northern coast of Columbia.

A new Map of y Isthmus of Darien in America, the Bay of Panama, the Gulph of Vallona or St. Michael, with its islands & countries adjacent.

Keywords: Panama.

Call Number: 59

Abstract: Settlements, Indian villages, forts.

G. Terreni

Carta Representante L'istmo di Darien o Sia di Panama. edited by G. Terreni.

Keywords: Sea of Panama, Darien.

Call Number: 58

Abstract: Southern Panama and Northwestern Columbia. Settlements.

1900a Map in the Biblioteca Oliveriana.

Keywords: Cuba, Jamaica and vicinity.

Call Number: 57

Notes: photograph of previous map (no.56).

Abstract: Half of map shows Cuba, Spagnola, Jamiaca and vicinity. The other half is a continuation of the coast of Brazil.

1900a Map in the Biblioteca Oliveriana.

Keywords: Cuba, Jamiaca and vicinity.

Call Number: 56

Abstract: Half of this map, published in HARRISSE has a note: "Conservee a Pesaro."  
Shows Cuba, Spagnola, Jamaica and vicinity. The other half is a continuation of the coast of Brazil.

Agustin Villagra

1936 Mapa Linguistico de Norte- y Centro America segun los ultimos estudios de Swanton, Kroeber y Dixon, Lehmann, Schmidt, Sapir, Mendizabal y Jimenez Moreno. edited by Agustin Villagra, Museo Nacional, Mexico.

Keywords: North America, Central America, northwestern South America.

Call Number: 55

Notes: Published by the Pan American Institute of Geography and History in collaboration with the Mexican Institute of Linguistic Investigations, Talleres de Fotozincografica, Mexico D.F., 1937. Additional copy on file.

Abstract: Linguistic map of southern Canada, U.S. Middle America, and northwestern part of South America.

Dept. of Middle American Research

North and Central America. edited by Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: North America,/Central America.

Call Number: 54

Notes: 2 additional copies on file.

Abstract: Outline, political, manuscript. Inset: Aleutian Islands.

North and Central America. Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: North America/Central America.

Call Number: 53

Abstract: Outline map showing geographical relationship of Costa Rica.

M. Burg

1900a A new map of North America shewing its principal divisions, chief cities, townes, rivers, mountinas & C. edited by M. Burg, Univ. Oxon..

Keywords: North America.

Call Number: 52

Notes: "Dedicated to His Highness William, Duke of Gloucester." 2 additional copies (photos).

Abstract: Cities, towns, Archbishops and Bishops See.

North America.

Call Number: 51a.

Redfield-Kendrick-Odell Co.

1924 North America. edited by Redfield-Kendrick-Odell Co., National Geographic Society, New York.

Keywords: North America.

Call Number: 51

Notes: additional copy on file.

Abstract: Cities, towns, railways, routes of explorers. Two Insets: 1) Aleutian Islands, 2) Eastern West Indies.

North America.

Keywords: North America.

Call Number: 50

Notes: mounted.

Abstract: Location of Indian tribes in Alaska, Canada, Mexico and the U.S.

Part of Nicaragua, Costa Rica and Panama.

Keywords: Nicaragua, Costa Rica and Panama.

Call Number: 49

Notes: photograph of map.

Abstract: Part of map bearing title "Description de la Prem... Partie du grand Gouffre d...".

La Gran Baya de S. Lorenzo I Puerto de Monte-rei.

Keywords: Monterey, California.

Call Number: 48

Notes: additional copy on file.

Abstract: Port of Monterey on the Bay of San Lorenzo. Inset: describes land and peoples.

P.F. Petrus Font

1777 Plan o mapa del viage hecho desde Monterey al gran puerto de San Francisco.

edited by P.F. Petrus Font, Tubutama.

Keywords: California.

Call Number: 47

Notes: additional copy on file.

Abstract: Road from Monterey to San Francisco.

Paulo Veronese

1565 Part of Middle and South America. edited by Paulo Veronese.

Keywords: Middle and South America.

Call Number: 46

Notes: negative copy on file.

Abstract: Copy of part of "Vniversale Descrittione di Tvтта la Terra Conoscivta Fin Qvi."

Middle and South America.

Keywords: Middle and South America.

Call Number: 45

Abstract: Important cities in South America.

Dept. of Middle American Research

1900a Key Map of the route of the first Tulane University expedition to Middle America, 1925. edited by Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 44

Abstract: Part of the gulf coast of the U.S., Mexico, Guatemala, British Honduras and El Salvador. Towns, ruins, routes.

Dept. of Middle American Research

Tulane Expeditions in Middle America. edited by Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 43

Abstract: Cities, towns, ruins, routes.

Dept. of Middle American Research

Familiarity Map of Middle America. edited by Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 42

Abstract: Areas visited by staff members of Dept. of Middle American Research.

Dept. of Middle American Research

Middle America. edited by Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 41

Abstract: Original manuscript for use in printing book-plate.

N. de Fer

1702 Le Vieux Mexique ou Nouvelle Espagne avec les costes de la Floride faisant de L'Amerique Septentrionale. edited by N. de Fer, Paris.

Keywords: Gulf of Mexico /Mexico /Central America.

Call Number: 40

Abstract: Territory comprising gulf states of the U.S. Mexico and Central America. Audiencia de "Guatimala" is outlined in yellow, Audiencia de Mexico is outlined in orange, Audiencia de Guadalajara is outlined in yellow, and Florida is outlined in green. Attached are two copies of a page of text, "Description du Mexique ou Nouvelle Espagne et de la Floride," par N. de Fer, apparently taken from an atlas (A New Atlas of the British West Indies..., #616 (?)).

Dept. of Middle American Research

Middle America. edited by Dept. of Middle American Research, Tulane University, New Orleans.

Keywords: Middle America.

Call Number: 40a

Abstract: Indian cultures of Mexico, Guatemala, El Salvadore, Honduras, Nicaragua, Costa Rica, and Panama.

Guillaume Del'Isle

1703 Carte du Mexique et de la Floride des terres Anglosoises et des Islad Antilles du Cours et des environs de la Riviere de Mississippi. edited by Guillaume Del'Isle, Paris.

Keywords: Western Hemisphere.

Call Number: 39

Abstract: Territory comprising parts of Canada, U.S., Middle America and part of South America. Towns, settlements, forts, location of Indian tribes, mines.

1900a Carte contenant le Royaume du Mexique et la Floride, dressez sur les meilleures observations & sur les memoires les plus nouveaux.

Keywords: Northern portion of Western Hemisphere.

Call Number: 38

Abstract: Territory comprising part of Canada, U.S., Mexico, Central America, and the West Indies. Towns, settlements, forts, location of Indian tribes, mines.

1863 Map of Mexico and California. Juls. Hutawa, St. Louis, Mo.

Keywords: Mexico and California.

Call Number: 37

Notes: Inset: Vicinity of Mexico.

Abstract: Western U.S. and northern Mexico. Cities, towns, ruins, location of Indian tribes, roads.

Official Road Map Mexico. H.M. Gousha Co., Chicago.

Keywords: Mexico and Southwestern U.S.

Call Number: 36

Notes: Inset: Mexico City and Official Road Map United States.

Abstract: Southern California, Arizona, New Mexico and Texas; Mexico; Guatemala; and part of Honduras.

A.K. Owen

1884 Nuevo mapa estadistico de Mexico, en que se marcan los productos de las diferentes zonas, las lineas de ferrocarriles actuales y proyectadas las lineas telegraficas cables, alturas y poblaciones. edited by A.K. Owen, J.L. Smith, Philadelphia.

Keywords: Southern U.S. and Mexico.

Call Number: 35

Notes: Inset: Cuadro de la Red Telegrafica Mexicana, Cristobal Ortiz, Mexico.

Abstract: Southern U.S. and Mexico. Cities, towns, agricultural and mineral products, railways, telegraph cables, water routes.

Balch and Stiles

1828 Mapa de los Estados Unidos de Mejico, segun lo organizado y definido por las varias actas de Congreso de dicha Republica: y construido por las mejores autoridades. edited by Balch and Stiles, White, Gallagher and White, New York.

Keywords: Western U.S./Mexico.

Call Number: 34

Abstract: Western U.S. and Mexico. Cities, towns, villages, ruins, location of Indian tribes, roads.

J. Finlayson

Mexico and Internal Provinces. edited by J. Finlayson, Young and Delleker.

Keywords: Mexico and southwestern U.S.

Call Number: 33

Abstract: Territory comprising the present states of Texas, Oklahoma, Kansas, southern Colorado and Utah, Arizonaand New Mexico; Mexico. Cities, towns, military posts, location of Indian tribes, roads, mines.

1900a Mexico. Rand McNally & Co., New York.

Keywords: Mexico.

Call Number: 32

Notes: Chart with historical and statistical data.

Abstract: Includes gulf states of U.S. Cities, towns, railways.

Mexico. Tip. y Lit., La Europa, Mexico.

Keywords: Mexico.

Call Number: 31

Abstract: Mexico and southern U.S.

J. Paul Goode

Mexico. edited by J. Paul Goode, Rand McNally & Co., Chicago-NewYork.

Keywords: Mexico.

Call Number: 30

Notes: Two insets. 1) Guadalupe Island, 2) Mexico City and surroundings.

Abstract: Cities, towns, railways, cables, water routes (distances in nautical miles).

Comision Nacional de Caminos

Carta de Caminos Carreteros de los Estados Unidos Mexicanos. edited by Comision Nacional de Caminos, 1930.

Keywords: Southern U.S., Mexico and Guatemala.

Call Number: 29

Abstract: Southern U.S., Mexico and Guatemala. Cities, towns, roads.

Secretaria de Agricultura y fomento

1924 Carta General de la Republica Mexicana. edited by Secretaria de Agricultura y fomento, Direccion de Estudios Geograficos y Climatologicos, Tacubaya, Tacubaya, Mexico.

Keywords: Mexico.

Call Number: 28

Notes: Map in 4 parts. Additional copy of parts 1, 2, and 4.

Abstract: Cities, towns, villages, ranches, estates, mines, railways, roads. Two insets. 1) Isla Clipperton, 2) Isla de Guadalupe.

Thomas Lopez and Juan de la Cruz

1755 Mapa Maritimo del Golfo de Mexico y Islas de la America, para el uso de los Navegantes en este parte del mundo. edited by Thomas Lopez and Juan de la Cruz.

Keywords: Gulf, Caribbean Sea and surrounding lands.

Call Number: 27

Abstract: Territory now comprises southeastern U.S., southern Mexico, Central America, the West Indies, and northern South America.

Thos. Kitchin, Sr.

1777 Map of the gulf of Mexico, the Islands and Countries Adjacent. edited by Thos. Kitchin, Sr., W. Strahan and T. Cadell, London.

Keywords: Gulf of Mexico.

Call Number: 26

Notes: Extracted from Robertson, 1777.

Abstract: Cities, towns, site of settlement of M. la Sale (La Salle) in 1685.

Map of the Gulf of Mexico and Adjacent Territories of the Yucatan, Mexico, Florida and Cuba.

Keywords: Gulf of Mexico.

Call Number: 25

Notes: additional copy on file.

Abstract: Original accompanied Landa's manuscript.

Gerard van Keulen

Pas Kaart van de Golf van Mexico. edited by Gerard van Keulen, Amsterdam.

Keywords: Gulf of Mexico.

Call Number: 24

Abstract: Gulf of Mexico with bordering parts of Mexico and southern U.S.

Johannes van Keulen

Pas Kart van de Golf van Mexico. edited by Johannes van Keulen, Amsterdam.

Keywords: Gulf of Mexico.

Call Number: 23

Abstract: Gulf of Mexico with bordering parts of Mexico and southern U.S.

Planisphere at Mantua, Seville 1525.

Keywords: Eastern portion of Western Hemisphere.

Call Number: 22

Abstract: Territory comprising the eastern coast of Canada, U.S., Mexico, Central America, the West Indies, and northeastern coast of South America.

Copy by K. Kretschmer

Planisphere at Mantua, Seville 1525. edited by Copy by K. Kretschmer.

Keywords: Spanish planisphere.

Call Number: 21

Notes: Legend on the Labrador Coast: "Tierra que descubrio Estevan Gomez este ano de 1525 por su mandado de su majestad."

Abstract: Spanish Planisphere of the Atlantic Coast of the Americas.

Department of Middle American Research, T. U.

Linguistic Stock Region represented by Collection. edited by Department of Middle American Research, T. U., Tulane University, New Orleans.

Keywords: Linguistic map.

Call Number: 20

Abstract: Form prepared for use in display cases.

American Geographical Society of New York

1922 Hispanic America. edited by American Geographical Society of New York, A. Hoen & Co., Baltimore, Md.

Keywords: Latin America.

Call Number: 19

Notes: additional copy on file in map case 3.  
Abstract: Map in three parts. Cities, towns, railways.

1900a Hispania Nova.  
Keywords: New Spain.  
Call Number: 18  
Notes: Extracted from Wytfliet, 1597, Map No. 12.  
Abstract: New Spain.

F.W. McBryde  
1900a John Geddings Gray Memorial Expedition-1928. edited by F.W. McBryde, Middle American Research Institute, Tulane University, New Orleans.  
Keywords: Mexico, Guatemala, Honduras.  
Call Number: 17a  
Abstract: Pictorial map showing route followed by the John Geddings Gray Memorial Expedition through southern Mexico, Guatemala and western British Honduras.

A draft of the golden and adjacent Islands, with part of the Isthmus of Darien as it was taken by Capt. Ienefer. Where Scots West-India Company were Settled.  
Call Number: 17  
Abstract: "Most humbly inscrib'd to John Haldane of Gleneagles Esq: one of the honorable Comisioners of Police & Customs for North Britain & c."

Terre de la Floride, la Covbe, Espaignoi, et Iamaïque.  
Keywords: U.S./West Indies.  
Call Number: 16  
Abstract: French map of the Eastern Coast of the U.S. and the West Indies.

Middle American Research Institute

Conquest Route of Cortez. edited by Middle American Research Institute, Tulane University, New Orleans.

Keywords: Mexico/Cortez' Route.

Call Number: 15

Notes: additional copy on file.

Abstract: Cortez' Route to Mexico City, 1519, and route by land to Nito, 1524. Gulf states of the U.S., Mexico and Cuba.

Otto Neussel

1892 Derrotas que siguio Christobal Colon en sus 4 viages para descubrir el nuevo mundo, segun los manscr, de Fr. Bartolome de las Casas. edited by Otto Neussel, Impr. Jul. Palacias Arenal N., Madrid.

Keywords: West indies/Caribbean Sea/Columbus' Routes.

Call Number: 14

Notes: photograph of map.

Abstract: Routes followed by Columbus in his four voyages to the New World, according to the manuscripts of Fr. Bartolome de las Casas. Inset: Derrotas que siguio Christobal Colon hasta su reclada a las primeras Islas que descubrio en el Nuevo Mundo.

Stanford's Geographical Establishment

Columbia, Ecuador and Peru. edited by Stanford's Geographical Establishment, London Atlas Series, London.

Keywords: Northwestern South America.

Call Number: 13

Notes: Two insets. 1) Panama Canal, 2) Galapagos Islands.

Abstract: Cities, towns, location of Indian tribes, railways, submarine cables. Elevation in feet.

James Wyld

Map of Central America, shewing the different lines of Atlantic and Pacific Communication. edited by James Wyld, London Atlas Series, London.

Keywords: Central America.

Call Number: 12

Notes: Inset: Isthmus of Panama.

Abstract: Cities, towns, ruins, roads. Proposed routes and profiles of routes across the Isthmus of Tehuantepec, Nicaragua and Panama; course of the Raspadura Canal, Columbia.

1882 Colton's Central America. G.W. and C.B. Colton & Co. New York.

Keywords: Cental America.

Call Number: 11

Notes: Five insets. 1) Isthmus of Panama, 2) Harbor of San Juan de Nicaragua, 3) The "Nicaragua Route", 4) Manzanilla I., Aspinwall City, Navy Bay, 5) City of Panama.

Abstract: Cities, towns, ruins, railways, route of proposed Honduras Interoceanic Railway.

1900a The Countries of the Caribbean. Redfield-Kendrick-Odell Co., New York.

Keywords: Caribbean Sea.

Call Number: 10

Notes: Three insets. 1) Guantanamo Bay, Cuba. 2) The Panama Canal. 3) Puerto Rico and the Virgin Islands.

Abstract: Cities, towns, railways, roads, water routes, telegraph stations.

Caribbean and Gulf Lands. Rand McNally & Co., Chicago.

Keywords: Caribbean, Gulf of Mexico.

Call Number: 9

Abstract: Cities, towns, railways, cables, water routes.

Mapa de Referencia Comercial de las Americas con un Mapa del Puerto de New Orleans.

General Drafting Co. New York.

Keywords: U.S., Middle and South America.

Call Number: 8

Notes: Inset of New Orleans.

Abstract: Cities, towns, railways, roads, water routes.

1900a Atlantic Ocean.

Keywords: Atlantic and surrounding lands.

Call Number: 8a

Notes: Ethnog., ethnol., hist., phy.

Abstract: Atlantic Ocean and bordering parts of Terra Frigida (eastern Canada), Terra Bimene (southeastern U.S.), Terra Firme (northeastern South America), and Terra Anteyllas (the west Indies).

Consulte este Mapa para la Ruta mas Rapida a todos los Puntos de la Latina America.

Pan American Airways.

Keywords: Southern U.S., Latin America.

Call Number: 7

Notes: Two insets. 1) Cuba. 2) Columbia.

Abstract: Pan Am Airways System and connections through the southern U.S. and Latin America.

America.

Keywords: America sketches.

Call Number: 6

Abstract: 33 misc. sketches from early maps of America.

A. Stieler

1900a Der Nordliche Stern-himmel. edited by A. Stieler, Justus Perthes, Gotha.

Keywords: Northern heavens.

Call Number: 5

Notes: New edition corrected by Dr. C. Bruhns.

Abstract: Northern starry heavens.

Dr. M. Zwink

Der Nordliche Sternhimmel. edited by Dr. M. Zwink, Anst. u. Steindr. C.L. Keller, Berlin.

Keywords: Northern heavens.

Call Number: 4

Notes: Astronomical Overlay.

Abstract: Map in two parts. Part 1, base outline map; part 2, transparent cover sheet showing northern starry heavens.

F. Rock

1917 Sternkarte Der Toltekischen Himmelhauser. edited by F. Rock.

Keywords: Toltec Calendar.

Call Number: 3

Notes: Location of the 20 day signs in the Toltec Calendar.

Abstract: Based on Littrow's map in "Die Wunder des Himmels."

Secretaria de Agricultura y Fomento, D. d. and Estudios Geograficos y Climatologicos

1900a Eclipse Total de Sol del 10 Septiembre de 1923. edited by Secretaria de

Agricultura y Fomento, D. d. and Estudios Geograficos y Climatologicos, Astronomical Observatory at Tacubaya, Tacubaya, Mexico.

Keywords: Mexico.

Call Number: 2

Abstract: Cities, towns, villages, estates, railways, roads. Astron., com., hydro., phy., pol.

Dr. M. Zwink

Die Sternbilder der Aequator-Zone. edited by Dr. M. Zwink, Anst. u. Steindr. C.L. Keller, Berlin.

Keywords: Equatorial region.

Call Number: 1

Notes: Astronomy overlay.

Abstract: Map in 2 parts. Part 1, base outline map; part 2, transparency showing stars in the equatorial zone.

McBride, F. W. g. and E.S. Kelley, A. A. a. E. M. c.

1956 Cuba / Urban and Rural Population / Municipios. edited by McBride, F. W. g. and E.S. Kelley, A. A. a. E. M. c., U.S. Bureau of the Census, Department of Commerce, in cooperation with International Cooperation Administration, Washington, D.C.

Keywords: Cuba /Population.

Call Number: K128

Notes: One of seven maps in Frank Keller Map Collection #377. For information about this series, see the yellow folder, "Census Atlas Maps of Latin America / Greater Antilles," housed in Map case 6 on top of these seven maps. Census Atlas Maps of Latin America; Map 7. Polyconic Projection.

Abstract: Coded map shows the population density in urban and rural areas of Cuba. Includes an inset map showing the average rural density and proportion of the population residing in urban and rural areas in each of the six provinces. Also includes a table showing population figures for Cuba and 6 subregions in several categories: total, density per sq. km., urban and rural.

McBride, F. W. g. and E.S. Kelley and Max Pierre-Noel, c.

1956 Hispaniola / Urban and Rural Population. edited by McBride, F. W. g. and E.S. Kelley and Max Pierre-Noel, c., U.S. Bureau of the Census, Department of Commerce, in cooperation with International Cooperation Administration, Washington, D.C.

Keywords: Haiti /Dominican Republic /Population.

Call Number: K127

Notes: One of seven maps in Frank Keller Map Collection #377. For information about this series, see the yellow folder, "Census Atlas Maps of Latin America / Greater Antilles," housed in Map case 6 on top of these seven maps. Census Atlas Maps of Latin America; Map 6. Polyconic Projection.

Abstract: Coded map shows the population density in urban and rural areas of the island of Hispaniola (Haiti and Dominican Republic). Also includes tables showing population figures for Haiti and 5 subregions, and Dominican Republic and 20 subregions, in several categories: total, density per sq. km., urban and rural.

McBride, F. W. g. and E.S. Kelley, c.

1956 Puerto Rico / Urban and Rural Population. edited by McBride, F. W. g. and E.S. Kelley, c., U.S. Bureau of the Census, Department of Commerce, in cooperation with International Cooperation Administration, Washington, D.C.

Keywords: Puerto Rico /Population.

Call Number: K126

Notes: One of seven maps in Frank Keller Map Collection #377. For information about this series, see the yellow folder, "Census Atlas Maps of Latin America / Greater Antilles," housed in Map case 6 on top of these seven maps. Census Atlas Maps of Latin America; Map 7. Polyconic Projection.

Abstract: Coded map shows the population density in urban and rural areas of Puerto Rico. Also includes a table showing population figures for Puerto Rico and 12 subregions in several categories: total, density per sq. km., urban and rural.

1956 Greater Antilles / Roads and Railroads. U.S. Bureau of the Census, Department of Commerce, in cooperation with International Cooperation Administration, Washington, D.C.

Keywords: Caribbean /Transportation.

Call Number: K125

Notes: One of seven maps in Frank Keller Map Collection #377. For information about this series, see the yellow folder, "Census Atlas Maps of Latin America / Greater Antilles," housed in Map case 6 on top of these seven maps. Census Atlas Maps of Latin America; Map 4. Parabolic Equal-Area Projection.

Abstract: Shows the main cities, roads and railroads in Cuba, Haiti, Dominican Republic, Jamaica and Puerto Rico.

McBryde, F. W.

1956 Greater Antilles / Natural Vegetation (Generalized). edited by McBryde, F. W., U.S. Bureau of the Census, Department of Commerce, in cooperation with International Cooperation Administration, Washington, D.C.

Keywords: Caribbean /Vegetation.

Call Number: K124

Notes: One of seven maps in Frank Keller Map Collection #377. For information about this series, see the yellow folder, "Census Atlas Maps of Latin America / Greater Antilles," housed in Map case 6 on top of these seven maps. Census Atlas Maps of Latin America; Map 3. Parabolic Equal-Area Projection.

Abstract: Coded map shows the various regions (in six generalized categories) of natural vegetation in Cuba, Haiti, Dominican Republic, Jamaica and Puerto Rico.

McBryde, F. W.

1956 Greater Antilles / Climatic Regions (Generalized). edited by McBryde, F. W., U.S. Bureau of the Census, Department of Commerce, in cooperation with International Cooperation Administration, Washington, D.C.

Keywords: Caribbean /Climate.

Call Number: K123

Notes: One of seven maps in Frank Keller Map Collection #377. For information about this series, see the yellow folder, "Census Atlas Maps of Latin America / Greater Antilles," housed in Map case 6 on top of these seven maps. Census Atlas Maps of Latin America; Map 2. Parabolic Equal-Area Projection.

Abstract: Coded map shows the various climatic regions of Cuba, Haiti, Dominican Republic, Jamaica and Puerto Rico. Accompanying bar graphs for each country indicate the mean annual temperature and rainfall in centimeters for selected towns or locations in each country.

Raisz, E.

1953 Greater Antilles / Land Forms. edited by Raisz, E., U.S. Bureau of the Census, Department of Commerce, in cooperation with International Cooperation Administration, Washington, D.C.

Keywords: Caribbean /Topography.

Call Number: K122

Notes: One of seven maps in Frank Keller Map Collection #377. For information about this series, see the yellow folder, "Census Atlas Maps of Latin America / Greater Antilles," housed in Map case 6 on top of these seven maps. Census Atlas Maps of Latin America; Map 1. Mercator Projection.

Abstract: Shows the main placenames and the topography of Cuba, Haiti, Dominican Republic, Jamaica, and the Bahama Islands. Includes a small inset map of Puerto Rico.

194? Guía Rapidol Carreteras del Peru. International Petroleum Company, Lima.

Keywords: Peru.

Call Number: K121

Notes: Frank Keller Map Collection #169.

Abstract: 24-page booklet containing eight road maps of Peru, from north to south. Includes "Desde la frontera con el Ecuador hasta Trujillo"; "Desde Trujillo hasta Lima"; "Desde Lima hasta Chala"; "Desde Chala hasta Tacna"; "Mapa de la carretera de Lima al Callejón de Huaylas" (including a longitudinal profile of the Pativilca-Huaras highway); "Mapa de la carretera central del Peru de Lima a Pucallpa" (including a longitudinal profile); "Mapa del gran circuito de Lima, via Arequipa, Puno, Cuzco, Abancay, Ayacucho, Huancayo, y La Oroya, regresando a Lima"; "Mapa de Lima y los lugares más próximos a la capital, con indicación de los lugares de reposo". The maps show roads, railroads, cities and towns, and departmental and international boundaries; and each map includes a longitudinal section of brief text about the geography of the region depicted. Booklet also includes a table of distances and elevations, a background text about the International Petroleum Company, and a guide to "scientific lubrication" of cars and trucks showing proper amounts of motor oil to use in 1940s-vintage cars and trucks.

Frank Keller(?)

19?? Estates and Communities in Relation to 13,000 Foot Contour. edited by Frank Keller(?).

Keywords: Bolivia /Elevation /Communities.

Call Number: K120

Notes: One of four maps in Frank Keller Map Collection #189. Written on outside of discarded manila envelope: "Keller Dissertation Maps."

Abstract: Shows estates and communities in relation to the 13,000 foot elevation contour line, as well as provincial capitals, main roads and railroads in the area between

Lake Titicaca and La Paz, Bolivia, including the provinces of Omasuyos, Los Andes and Ingavi.

Frank Keller(?)

19?? Lake Titicaca Basin. edited by Frank Keller(?).

Keywords: Bolivia /Elevation.

Call Number: K119

Notes: One of four maps in Frank Keller Map Collection #189. Written on outside of discarded manila envelope: "Keller Dissertation Maps."

Abstract: Shows topographical contour lines (contour interval: 2,000 feet) in the area between Lake Titicaca and La Paz, Bolivia, including the towns of Achacachi, Copacabana, Pucarani, Guaqui, Escoma, Viacha, Ulloma and Umala.

Frank Keller(?)

19?? Areal Distribution of Indian Communities. edited by Frank Keller(?).

Keywords: Bolivia /Indians.

Call Number: K118

Notes: One of four maps in Frank Keller Map Collection #189. Written on outside of discarded manila envelope: "Keller Dissertation Maps."

Abstract: Shows Indian communities, provincial capitals, main roads and railroads in the area between Lake Titicaca and La Paz, Bolivia, including the provinces of Omasuyos, Los Andes and Ingavi.

Frank Keller(?)

19?? Areal Distribution of Great Landed Estates. edited by Frank Keller(?).

Keywords: Bolivia /Land Use.

Call Number: K117

Notes: One of four maps in Frank Keller Map Collection #189. Written on outside of discarded manila envelope: "Keller Dissertation Maps." 2 copies.

Abstract: Shows great landed estates, provincial capitals, main roads and railroads in the area between Lake Titicaca and La Paz, Bolivia, including the provinces of Omasuyos, Los Andes and Ingavi.

Frank Keller(?)

19?? [Bolivia. Lake Titicaca Basin]. edited by Frank Keller(?).

Keywords: Bolivia /Transportation.

Call Number: K116

Notes: Frank Keller Map Collection #177. Written on outside of discarded manila envelope: "Keller Dissertation Maps."

Abstract: Shows the main roads and railroads in the area between Lake Titicaca and La Paz, Bolivia, including the towns of Achacachi, Puerto Perez, Pucarani, Guaqui, Tiahuanacu, Laja and Viacha. Includes two similar maps, one on cardboard and one on thin overlapping paper.

McBryde, F. W.

1955 Central America / Climatic Regions (Generalized) / Modified Koppen Classification. edited by McBryde, F. W., U.S. Bureau of the Census, Department of Commerce, in cooperation with the Foreign Operations Administration, Washington, D.C.

Keywords: Central America /Climate.

Call Number: K115

Notes: One of nine maps in Frank Keller Map Collection #376. For information about this series, see the green folder, "Census Atlas Maps of Latin America / Central America," housed in Map case 6 on top of these nine maps. Census Atlas Maps of Latin America; Map 3. Lambert Conformal Conic Projection.

Abstract: Shows the main climate types in the various regions of Central America.

McBryde, F. W.

1955 Central America / Natural Vegetation (Generalized). edited by McBryde, F. W., U.S. Bureau of the Census, Department of Commerce, in cooperation with the Foreign Operations Administration, Washington, D.C.

Keywords: Central America /Vegetation.

Call Number: K114

Notes: One of nine maps in Frank Keller Map Collection #376. For information about this series, see the green folder, "Census Atlas Maps of Latin America / Central America,"

housed in Map case 6 on top of these nine maps. Census Atlas Maps of Latin America; Map 3. Lambert Conformal Conic Projection.

Abstract: Shows the main types of vegetation (mangroves and palms; tropical rainforest; mixed pine and oak forests and woodlands; park-savanna; alpine bunchgrass; dry scrub, etc.) in the various regions of Central America.

1955 Central America / Roads and Railroads. U.S. Bureau of the Census, Department of Commerce, in cooperation with the Foreign Operations Administration, Washington, D.C.

Keywords: Central America /Roads /Railroads.

Call Number: K113

Notes: One of nine maps in Frank Keller Map Collection #376. For information about this series, see the green folder, "Census Atlas Maps of Latin America / Central America," housed in Map case 6 on top of these nine maps. Census Atlas Maps of Latin America; Map 4. Lambert Conformal Conic Projection.

Abstract: Shows the main roads, railroads, cities, towns, and international boundaries in Central America.

Raisz, E.

1953 Central America / Land Forms. edited by Raisz, E., U.S. Bureau of the Census, Department of Commerce, in cooperation with the Foreign Operations Administration, Washington, D.C.

Keywords: Central America /Topography.

Call Number: K112

Notes: One of nine maps in Frank Keller Map Collection #376. For information about this series, see the green folder, "Census Atlas Maps of Latin America / Central America," housed in Map case 6 on top of these nine maps. Census Atlas Maps of Latin America; Map 1. Lambert Conformal Conic Projection.

Abstract: Shows the main placenames and the topography of the isthmus of Central America.

McBryde, F. W. g. C. A. E. K. E. S. K.

1955 Panama Urban and Rural Population. edited by McBryde, F. W. g. C. A. E. K. E. S. K., U.S. Bureau of the Census, Department of Commerce, in cooperation with the Foreign Operations Administration, Washington, D.C.

Keywords: Panama /Canal Zone /Population.

Call Number: K111

Notes: One of nine maps in Frank Keller Map Collection #376. For information about this series, see the green folder, "Census Atlas Maps of Latin America / Central America," housed in Map case 6 on top of these nine maps. Census Atlas Maps of Latin America; Map 9.

Abstract: Shows the density of population in the regions of Panama and the Canal Zone, based on the 1950 census in Panama and the U.S. Includes tables showing figures for population, total area, and population density in each province of Panama and in the Canal Zone.

McBryde, F. W. g. C. A. E. K. C. E. S. K.

1955 Costa Rica Urban and Rural Population. edited by McBryde, F. W. g. C. A. E. K. C. E. S. K., U.S. Bureau of the Census, Department of Commerce, in cooperation with the Foreign Operations Administration, Washington, D.C.

Keywords: Costa Rica /Population.

Call Number: K110

Notes: One of nine maps in Frank Keller Map Collection #376. For information about this series, see the green folder, "Census Atlas Maps of Latin America / Central America," housed in Map case 6 on top of these nine maps. Census Atlas Maps of Latin America; Map 8.

Abstract: Shows the density of population in the regions of Costa Rica, based on the 1950 census. Includes tables showing figures for population, total area, and population density in each province of Costa Rica.

McBryde, F. W. g. C. R. C. R. V. K. A. C. E. S. K.

1955 Honduras and El Salvador Urban and Rural Population. edited by McBryde, F. W. g. C. R. C. R. V. K. A. C. E. S. K., U.S. Bureau of the Census, Department of Commerce, in cooperation with the Foreign Operations Administration, Washington, D.C.

Keywords: El Salvador /Honduras /Population.

Call Number: K109

Notes: One of nine maps in Frank Keller Map Collection #376. For information about this series, see the green folder, "Census Atlas Maps of Latin America / Central America,"

housed in Map case 6 on top of these nine maps. Census Atlas Maps of Latin America; Map 6.

Abstract: Shows the density of population in the regions of El Salvador and Honduras, based on the 1950 census. Includes tables showing figures for population, total area, and population density in each department of the two countries.

McBryde, F. W. g. C. R. C. R. E. S. K.

1955 Guatemala and British Honduras Urban and Rural Population. edited by McBryde, F. W. g. C. R. C. R. E. S. K., U.S. Bureau of the Census, Department of Commerce, in cooperation with the Foreign Operations Administration, Washington, D.C.

Keywords: Guatemala /British Honduras /Belize /Population.

Call Number: K108

Notes: One of nine maps in Frank Keller Map Collection #376. For information about this series, see the green folder, "Census Atlas Maps of Latin America / Central America," housed in Map case 6 on top of these nine maps. Census Atlas Maps of Latin America; Map 5.

Abstract: Shows the density of population in the regions of Guatemala and British Honduras, based on the 1950 census (1946 census in British Honduras). Includes a table showing figures for population, total area, and population density in each department or district of the two countries.

McBryde, F. W. g. C. A. E. K. C. E. S. K.

1955 Nicaragua Urban and Rural Population. edited by McBryde, F. W. g. C. A. E. K. C. E. S. K., U.S. Bureau of the Census, Department of Commerce, in cooperation with the Foreign Operations Administration, Washington, D.C.

Keywords: Nicaragua /Population.

Call Number: K107

Notes: One of nine maps in Frank Keller Map Collection #376. For information about this series, see the green folder, "Census Atlas Maps of Latin America / Central America," housed in Map case 6 on top of these nine maps. Census Atlas Maps of Latin America; Map 7.

Abstract: Shows the density of population in the regions of Nicaragua, based on the 1950 census. Includes a table showing figures for population, total area, and population density in each province of Nicaragua.

19?? Departamento de Alta Verapaz. Municipio de Cobán.

Keywords: Cobán.

Call Number: K106

Notes: Frank Keller Map Collection, #4, 4A and 4B (3 copies).

Abstract: Shows towns and villages, coffee fincas, roads, railroads, and departmental and municipal boundaries in the municipio of Cobán, in Alta Verapaz, Guatemala.

19?? Mapa Histórico de la Vida de Simón Bolívar. Creole Petroleum Corporation (Esso) / General Drafting Co., Caracas / New York.

Keywords: South America /Colombia /Venezuela /Simon Bolivar.

Call Number: K105

Notes: Frank Keller Map Collection #45 and #45A (2 copies).

Abstract: Main map, "Los sucesos más destacados de la vida de Simón Bolívar en Sur America," shows the main routes travelled by Bolívar in his five major military campaigns in Venezuela, Colombia, Ecuador, Peru and Bolivia, between 1813 and 1824. Includes Spanish text about the history of the campaigns, and brief annotations and pictorial depictions of major events of the campaigns. Includes pictorial depictions of monuments to the "Liberator" in Caracas, Venezuela. On reverse: "Viajes de Simón Bolívar: mapa de las principales jornadas del gran libertador durante los años de 1799 a 1830," and Spanish text about Bolívar as soldier, statesman and liberator.

1949 Gulf of Fonseca (710) / Central America. U.S. Air Force / Aeronautical Chart Service, Washington, D.C.

Keywords: El Salvador /Guatemala /Honduras /Nicaragua /Aeronautical.

Call Number: K104

Notes: Series: World Aeronautical Chart, #710. Frank Keller Map Collection #9.

Abstract: Shows topographical contours, landmarks, airports, emergency landing fields, etc., in southeast Guatemala, El Salvador, and parts of western Honduras and northwestern Nicaragua, and adjoining areas of the Pacific Ocean, including the Gulf of Fonseca. On reverse: legend and an index to all of the maps in the World Aeronautical Chart series.

19?? Puerto Rico Road Map. Esso Standard Oil / General Drafting Co., New York.

Keywords: Puerto Rico /San Juan.

Call Number: K103

Notes: Frank Keller Map Collection #66. Also see K101.

Abstract: Shows roads, placenames, landmarks, elevations, etc., in the island of Puerto Rico. Includes a placename index and inset map, "Pictorial Guide to Puerto Rico," showing main products and historical events in each region of the island. Both maps include handwritten annotations by Keller, indicating types of topography and products grown in the regions of Puerto Rico. On reverse: road maps of San Juan, Mayaguez and Ponce, including main roads in their metropolitan areas.

1947 The Orinoco-Ventuari Region, Venezuela. Phelps Expedition 1947. American Geographical Society of New York, New York.

Keywords: Venezuela (west) /Orinoco River /Ventuari River.

Call Number: K102

Notes: Frank Keller Map Collection #132 (3 copies). Lithographed by A. Hoen and Company, Baltimore. Published in *The Geographical Review*, Vol. XXXVII, No. 4, 1947, Pt. II.

Abstract: Shows roads, trails, rivers, mountains, telephone lines, radio stations, landing fields, international and approximate state boundaries and other landmarks in the Río Orinoco / Río Ventuari region of western Venezuela, along the border of Colombia, which was explored by the Phelps expedition of 1947. The Río Orinoco delineates the border between Venezuela and Colombia in much of the area shown. Includes an inset location map, and an inset map indicating source materials for the main map.

19?? Puerto Rico y sus carreteras. Esso Standard Oil / General Drafting Co., Convent Station, N.J.

Keywords: Puerto Rico /San Juan.

Call Number: K101

Notes: Frank Keller Map Collection #37 (2 slightly varying copies).

Abstract: Shows roads, placenames, landmarks, elevations, etc., in the island of Puerto Rico. Includes a placename index and inset map, "Guía Ilustrada de Puerto Rico," showing main products and historical events in each region of the island. On reverse:

road maps of San Juan, Mayaguez and Ponce, including main roads in their metropolitan areas.

19?? Esso Mapa de La Republica de Guatemala. Esso Standard Oil (Central America), S.A. / General Drafting Co., New York.

Keywords: Central America /Guatemala /Pan-American Highway.

Call Number: K100

Notes: Frank Keller Map Collection #39A.

Abstract: Shows roads, placenames, landmarks, and departmental and international boundaries of Guatemala, and parts of Mexico, El Salvador and Honduras. Includes handwritten annotations by Keller (outlining the department of Alta Verapaz); and a placename index and tourist information (in Spanish). On reverse: "Mapa de la America Central y Panama" and inset map of the Panama Canal Zone, with placename index, mileage table, and map and topographical profile of the Panamerican Highway.

19?? Esso Mapa de La Republica Oriental del Uruguay. Esso Standard Oil Co. (Uruguay) S.A. / General Drafting Co., New York.

Keywords: Uruguay /Montevideo.

Call Number: K99

Notes: Frank Keller Map Collection #6 (3 copies).

Abstract: Shows roads, placenames, landmarks, and departmental and international boundaries of Uruguay. Includes placename index and table of distances, and an inset map of the Playas del Rio de la Plata. On reverse: "Mapa Panorámico de la República Oriental del Uruguay," a detailed city map of Montevideo, and tourist information.

19?? Mexico / Info-Map. Rand McNally & Co., Chicago, Ill.

Keywords: Mexico.

Call Number: K98

Notes: Frank Keller Map Collection #125.

Abstract: Road map, shows placenames, landmarks, and state and international boundaries of Mexico, and parts of Guatemala and Honduras. Includes a mileage chart and a placename index. On reverse: tourist information (in English), translations of

Mexican road signs, and inset maps of the United States, Mexico City, Monterrey, Puebla, and the Central Mexico region including Mexico City, Veracruz, Acapulco, and Oaxaca.

19?? Esso Mapa de La Republica de Costa Rica. Esso Standard Oil (Central America), S.A. / General Drafting Co., New York.

Keywords: Central America /Costa Rica /Pan-American Highway.

Call Number: K97

Notes: Frank Keller Map Collection #41 and #64 (2 copies).

Abstract: Shows roads, placenames, landmarks, and departmental and international boundaries of Costa Rica, and parts of Nicaragua and Panama. One copy includes handwritten annotations by Keller (topographical contour lines?); and a placename index and tourist information (in Spanish). On reverse: "Mapa de la America Central y Panama" and inset map of the Panama Canal Zone, with placename index, mileage table, and map and topographical profile of the Panamerican Highway.

19?? Esso Mapa de La Republica de Nicaragua. Esso Standard Oil (Central America), S.A. / General Drafting Co., New York.

Keywords: Central America /Nicaragua /Pan-American Highway.

Call Number: K96

Notes: Frank Keller Map Collection #63.

Abstract: Shows roads, placenames, landmarks, and departmental and international boundaries of Nicaragua, and parts of Honduras and Costa Rica. Includes handwritten annotations by Keller (topographical contour lines?); and a placename index and tourist information (in Spanish). On reverse: "Mapa de la America Central y Panama" and inset map of the Panama Canal Zone, with placename index, mileage table, and map and topographical profile of the Panamerican Highway.

19?? Esso Mapa de La Republica de El Salvador. Esso Standard Oil (Central America), S.A. / General Drafting Co., New York.

Keywords: Central America /El Salvador /Pan-American Highway.

Call Number: K95

Notes: Frank Keller Map Collection #36 and #69 (2 copies).

Abstract: Shows roads, placenames, landmarks, and departmental and international boundaries of El Salvador, and parts of Honduras, Nicaragua and Guatemala. One copy includes handwritten annotations by Keller (topographical contour lines?); and a placename index and tourist information (in Spanish). On reverse: "Mapa de la America Central y Panama" and inset map of the Panama Canal Zone, with placename index, mileage table, and map and topographical profile of the Panamerican Highway.

19?? Esso Mapa de La Republica de Panama. Esso Standard Oil / General Drafting Co., New York.

Keywords: Central America /Panama /Topography /Pan-American Highway.

Call Number: K94

Notes: Frank Keller Map Collection #70. This is the same map as Frank Keller Collection #40, but with annotations.

Abstract: Shows roads, placenames, landmarks, and provincial and international boundaries of Panama, apparently annotated by Frank Keller to indicate topographical contours above 600' and above 5000'. Includes placename index and tourist information (in Spanish). On reverse: "Mapa de la America Central y Panama" and inset map of the Panama Canal Zone, with placename index, mileage table, and map and topographical profile of the Panamerican Highway.

19?? Esso Mapa de La Republica de Honduras. Esso Standard Oil (Central America), S.A. / General Drafting Co., New York.

Keywords: Central America /Honduras /Pan-American Highway.

Call Number: K93

Notes: Frank Keller Map Collection #34 (2 copies, one marked "34A").

Abstract: Shows roads, placenames, landmarks, and departmental and international boundaries of Honduras, and parts of El Salvador, Nicaragua and Guatemala. Includes placename index and tourist information (in Spanish). On reverse: "Mapa de la America Central y Panama" (Frank Keller Collection, #35) and inset map of the Panama Canal Zone, with placename index, mileage table, and map and topographical profile of the Panamerican Highway.

1950s Mapa de Carreteras del norte de los Estados Unidos de Venezuela. Creole Petroleum Corporation / General Drafting Co., Inc., Caracas, Venezuela / New York, N.Y. or Convent Station, N.J.

Keywords: Venezuela /Caracas.

Call Number: K92

Notes: "Obsequio del Distribuidor Esso de su vecindad y de la Creole Petroleum Corporation." (4 copies: Frank Keller Map Collection, #28 and 71) Copy 2 is annotated with Frank Keller's markings, identifying the Lake Maracaibo Basin, Andes, Llanos, and Guiana Highlands regions of the country. Copies 3 and 4 are the larger-sized 1952 edition (Frank Keller Collection, #182), which includes inset maps of Maracaibo, Valencia, Barquisimeto, Puerto Cabello, Maracay, and a physical map of Venezuela. See also map #1030.

Abstract: Road map shows towns, distances, railroads, state and international boundaries, mineral resources, and other landmarks, in northern Venezuela. Includes an index to place names. On reverse: mileage chart, basic maps of the city of Caracas and its surroundings and of central Venezuela, and a map of central Caracas showing main streets, landmarks, etc.

19?? Esso Mapa de La Republica de Colombia. General Drafting Co., New York / Convent Station, N.J.

Keywords: Colombia.

Call Number: K91

Notes: Frank Keller Map Collection #43, #72, #183 (4 slightly varying copies).

Abstract: Shows roads, placenames, landmarks, and departmental and international boundaries of Colombia. Includes placename index and table of distances, and an inset map of the Region Oriental de Colombia. On reverse: "Mapa Panorámico de Colombia," "Departamentos, Intendencias y Comisarias de Colombia" (political map), basic city maps of Bogotá, Medellín, Barranquilla, Cali, and Cartagena, and photographs and tourist information. Copy 4 include3s handwritten annotations by Keller indicating intermountain basins and mountain ranges.

1956 Mapa de la Republica de Venezuela con un plano de la ciudad de Caracas. Creole Petroleum Corporation / General Drafting Co., Inc., Convent Station, N.J.

Keywords: Venezuela.

Call Number: K90

Notes: Esso Touring Service, Foreign Department. Frank Keller Map Collection, #198.  
Abstract: Road map shows towns, distances, railroads, state and international boundaries, mineral resources, and other landmarks. Includes inset map, "Mapa Físico de Venezuela," and of the Territorio de Amazonas. On reverse: map of the city of Caracas, showing streets, landmarks, etc, including a indices to the neighborhoods and sites of interest.

19?? Esso Mapa Turístico de America del Sur. Esso Standard Oil / General Drafting Co., New York.

Keywords: South America.

Call Number: K89

Notes: Frank Keller Map Collection #30 and #30A (2 copies).

Abstract: Shows roads, placenames, landmarks, and international boundaries of South America. Includes placename index and inset map, "Mapa Físico de America del Sur" as well as small inset map of Chilean and Argentinian Antarctica. On reverse: "Mapa Panorámico de América del Sur" and tourist information about each country (in Spanish).

19?? Esso Mapa de La Republica de Panama. Esso Standard Oil / General Drafting Co., New York.

Keywords: Central America /Panama /Pan-American Highway.

Call Number: K88

Notes: Frank Keller Map Collection #40.

Abstract: Shows roads, placenames, landmarks, and provincial and international boundaries of Panama. Includes placename index and tourist information (in Spanish). On reverse: "Mapa de la America Central y Panama" and inset map of the Panama Canal Zone, with placename index, mileage table, and map and topographical profile of the Panamerican Highway.

Raisz, E.

1953 Greater Antilles. edited by Raisz, E..

Keywords: Central America /Landforms.

Call Number: K87

Notes: Frank Keller Map Collection #193.

Abstract: Shows placenames, landmarks, and topographical features of the Greater Antilles, including Cuba, Jamaica, and Hispaniola (Haiti and the Dominican Republic). Includes inset map of Puerto Rico.

1940 The Oil and Gas Journal 's Oil Map of South America. Petroleum Publishing Co., Tulsa.

Keywords: Central America /Landforms.

Call Number: K86

Notes: Supplement to The Oil and Gas Journal, December 26, 1940 Frank Keller Map Collection #391.

Abstract: Shows oil producing areas, refineries, oil pipelines, airways, main highways, tanker routes, placenames, and political boundaries in South America. Inset maps show closeups of southern Trinidad and northern Venezuela. Includes a key to refinery locations and a table showing crude oil production, petroleum consumption, and refining capacity in the South American countries.

Raisz, E.

1953 Landforms of Central America. edited by Raisz, E..

Keywords: Central America /Landforms.

Call Number: K85

Notes: Frank Keller Map Collection #192.

Abstract: Shows placenames, landmarks, and topographical features of Central America. Inset map shows political boundaries of Central America.

19?? Mapa Sinóptico de la Distribución Agrícola de Nicaragua.

Keywords: Nicaragua /Agriculture.

Call Number: K84

Notes: Frank Keller Map Collection #62.

Abstract: Color-coded map shows the distribution of various categories of agricultural production in regions of Nicaragua.

19?? Municipio de San Rafael del Sur.

Keywords: San Rafael del Sur, Nicaragua.

Call Number: K83

Notes: Frank Keller Map Collection #11.

Abstract: Shows towns, roads, landmarks, and departmental and municipal boundaries in the municipio of San Rafael del Sur, Nicaragua. Includes inset map, "Plano Urbano de la Cabecera Municipal."

19?? Municipio de El Carmen.

Keywords: El Carmen, Nicaragua.

Call Number: K82

Notes: Frank Keller Map Collection #10.

Abstract: Shows towns, roads, landmarks, and departmental and municipal boundaries in the municipio of El Carmen, Nicaragua. Includes inset map, "Plano Urbano de la Cabecera Municipal."

19?? [Routes of Keller in Central America].

Keywords: Cobán, Guatemala.

Call Number: K81

Notes: Frank Keller Map Collection #179.

Abstract: Apparently shows routes travelled by Keller in Central America, indicated as by plane, highway, boat, or rail.

19?? Coban.

Keywords: Cobán, Guatemala.

Call Number: K80

Notes: Frank Keller Map Collection #3.

Abstract: Shows main streets and landmarks in Cobán, Guatemala.

19?? Jamaica.

Keywords: Jamaica.

Call Number: K79

Notes: Frank Keller Map Collection #146.

Abstract: Road map showing towns, cities and landmarks of Jamaica. Inset map shows the location of Jamaica in relation to principal cities. Reverse contains text about Port Antonio, Montego Bay and the north coast area.

19?? Central America on McBryde Thomas Projection.

Keywords: Central America.

Call Number: K78

Notes: Frank Keller Map Collection #124.

Abstract: Shows main cities and international boundaries in Central America, and principal latitudes and longitudes.

Leppard, H. M. F. K.

1937 South America / Showing Distribution of Negro Population in Relation to Climatic Zones. edited by Leppard, H. M. F. K., University of Chicago Press, Chicago.

Keywords: South America /Population /Black /Climate.

Call Number: K77

Notes: Frank Keller Map Collection #123.

Abstract: Color-coded map shows the climatic zones of South America, in relation to the distribution of the Negro population. Base map of South America is by Leppard (University of Chicago Press); apparently the contribution of Keller was to identify and pencil in the physiographic regions and population distribution.

Leppard, H. M. F. K.

1937 South America / Showing Distribution of Negro Population in Relation to Natural Vegetation. edited by Leppard, H. M. F. K., University of Chicago Press, Chicago.

Keywords: South America /Population /Black /Vegetation.

Call Number: K76

Notes: Frank Keller Map Collection #123.

Abstract: Color-coded map shows the regions of natural vegetation in South America, in relation to the distribution of the Negro population. Base map of South America is by Leppard (University of Chicago Press); apparently the contribution of Keller was to identify and pencil in the physiographic regions and population distribution.

Leppard, H. M. F. K.

1937 South America / Showing Distribution of Negro Population in Relation to Physiographic Regions. edited by Leppard, H. M. F. K., University of Chicago Press, Chicago.

Keywords: South America /Population /Black /Landforms.

Call Number: K75

Notes: Frank Keller Map Collection #123.

Abstract: Color-coded map shows the physiographic regions of South America, in relation to the distribution of the Negro population. Base map of South America is by Leppard (University of Chicago Press); apparently the contribution of Keller was to identify and pencil in the physiographic regions and population distribution.

Leppard, H. M. F. K.

1937 South America / Landform Regions. edited by Leppard, H. M. F. K., University of Chicago Press, Chicago.

Keywords: South America /Landforms.

Call Number: K74

Notes: Frank Keller Map Collection #59.

Abstract: Color-coded map shows the principal landform types in regions of South America. Base map of South America is by Leppard (University of Chicago Press); apparently the contribution of Keller was to identify and pencil in the landform regions.

Leppard, H. M. F. K.

1937 South America / Soil Regions. edited by Leppard, H. M. F. K., University of Chicago Press, Chicago.

Keywords: South America /Soil.

Call Number: K73

Notes: Frank Keller Map Collection #58.

Abstract: Color-coded map shows the principal soil types in regions of South America.

Base map of South America is by Leppard (University of Chicago Press); apparently the contribution of Keller was to identify and pencil in the soil regions.

Leppard, H. M. F. K.

1937 South America / Predominant Economies. edited by Leppard, H. M. F. K., University of Chicago Press, Chicago.

Keywords: South America /Economy.

Call Number: K72

Notes: Frank Keller Map Collection #57.

Abstract: Map shows the principal economic activities in the main regions of South America. Base map of South America is by Leppard (University of Chicago Press); apparently the contribution of Keller was to identify and pencil in the economic activities.

Leppard, H. M. F. K.

1937 South America / Climatic Regions. edited by Leppard, H. M. F. K., University of Chicago Press, Chicago.

Keywords: South America /Climate.

Call Number: K71

Notes: Frank Keller Map Collection #56.

Abstract: Color-coded map shows the principal climatic regions of South America. Base map of South America is by Leppard (University of Chicago Press); apparently the contribution of Keller was to identify and pencil in the climatic regions.

Leppard, H. M. F. K.

1937 South America / Average Annual Precipitation. edited by Leppard, H. M. F. K., University of Chicago Press, Chicago.

Keywords: South America /Climate.

Call Number: K70

Notes: Frank Keller Map Collection #54.

Abstract: Color-coded map shows the average annual precipitation in the various regions of South America. Base map of South America is by Leppard (University of Chicago Press); apparently the contribution of Keller was to identify and pencil in the zones of average annual precipitation.

Leppard, H. M. F. K.

1937 South America / Temperature Map (Mean Annual Temperature). edited by Leppard, H. M. F. K., University of Chicago Press, Chicago.

Keywords: South America /Climate.

Call Number: K69

Notes: Frank Keller Map Collection #54.

Abstract: Color-coded map shows the mean annual temperatures in the various regions of South America. Base map of South America is by Leppard (University of Chicago Press); apparently the contribution of Keller was to identify and pencil in the zones of mean annual temperature.

Stose, G. W.

1950 Geologic Map of South America / Prepared under the direction of a committee of the Geological Society of America in cooperation with the American Geographical Society and the U.S. Geological Survey from maps contributed by government bureaus of South American countries and other sources. edited by Stose, G. W., Geological Society of America, Washington, D.C.

Keywords: South America /Geology.

Call Number: K68

Notes: Map printed by Williams & Heintz Co., Washington, D.C. Base compiled and drawn by American Geographical Society of New York; reproduced by A. Hoen & Co., Baltimore, Md. Atlas of the Americas, Sheet 3. Lewis B. Pusey, geologic cartographer. Frank Keller Map Collection #82.

Abstract: Color-coded map shows the geological features of the southern half of South America. See K67 for the companion sheet showing the northern half.

Stose, G. W.

1950 Geologic Map of South America / Prepared under the direction of a committee of the Geological Society of America in cooperation with the American Geographical Society and the U.S. Geological Survey from maps contributed by government bureaus of South American countries and other sources. edited by Stose, G. W., Geological Society of America, Washington, D.C.

Keywords: South America /Geology.

Call Number: K67

Notes: Map printed by Williams & Heintz C., Washington, D.C. Base compiled and drawn by American Geographical Society of New York; reproduced by A. Hoen & Co., Baltimore, Md. Atlas of the Americas, Sheet 3. Lewis B. Pusey, geologic cartographer. Frank Keller Map Collection #81.

Abstract: Color-coded map shows the geological features of the southern half of South America. See K68 for the companion sheet showing the southern half.

1951 Alto Ritacuva (828) / Colombia - Venezuela. U.S. Air Force / Aeronautical Chart and Information Service, Washington, D.C.

Keywords: Colombia /Venezuela /Aeronautical.

Call Number: K66

Notes: Series: World Aeronautical Chart, #828. Frank Keller Map Collection #286.

Abstract: Shows topographical contours, landmarks, airports, emergency landing fields, etc., in eastern Colombia, and western Venezuela. On reverse: legend and an index to all of the maps in the World Aeronautical Chart series.

1955 Lake Maracaibo (890) / Colombia - Venezuela. U.S. Air Force / Aeronautical Chart and Information Service, Washington, D.C.

Keywords: Colombia /Venezuela /Aeronautical.

Call Number: K65

Notes: Series: World Aeronautical Chart, #770. Frank Keller Map Collection #254.

Abstract: Shows topographical contours, landmarks, airports, emergency landing fields, etc., in northeast Colombia, northwest Venezuela, and adjoining areas of the Caribbean.

On reverse: legend and an index to all of the maps in the World Aeronautical Chart series.

1956 Cape San Francisco (890) / Colombia - Ecuador. U.S. Air Force / Aeronautical Chart and Information Service, Washington, D.C.

Keywords: Colombia /Ecuador /Aeronautical.

Call Number: K64

Notes: Series: World Aeronautical Chart, #890. Frank Keller Map Collection #251.

Abstract: Shows topographical contours, landmarks, airports, emergency landing fields, etc., in southwest Colombia, northern Ecuador, and adjoining areas of the Pacific. On reverse: legend and an index to all of the maps in the World Aeronautical Chart series.

1955 Cape Corrientes (829) / Colombia - Panama. U.S. Air Force / Aeronautical Chart and Information Center / Air Photographic and Charting Service, St. Louis, Missouri.

Keywords: Colombia /Panama /Aeronautical.

Call Number: K63

Notes: Series: World Aeronautical Chart, #829. Frank Keller Map Collection #253.

Abstract: Shows topographical contours, landmarks, airports, emergency landing fields, etc., in northwest Colombia, and adjoining areas of the Pacific (Bogotá is located in the bottom right corner). On reverse: legend and an index to all of the maps in the World Aeronautical Chart series.

1954 Gulf of Guayaquil (951) / Ecuador - Peru. U.S. Air Force / Aeronautical Chart and Information Center / Air Photographic and Charting Service, St. Louis, Missouri.

Keywords: Ecuador /Peru /Aeronautical.

Call Number: K62

Notes: Series: World Aeronautical Chart, #951. Frank Keller Map Collection #247.

Abstract: Shows topographical contours, landmarks, airports, emergency landing fields, etc., in coastal Ecuador and far northern Peru, and adjoining areas of the Pacific. On reverse: legend and an index to all of the maps in the World Aeronautical Chart series.

Leppard, H. M. F. K.

1937 South America / Original Natural Vegetation. edited by Leppard, H. M. F. K., University of Chicago Press, Chicago.

Keywords: South America /Vegetation.

Call Number: K61

Notes: Frank Keller Map Collection #53 .

Abstract: Color-coded map shows the types of natural vegetation which cover the ground in the various regions of South America. Base map of South America is by Leppard (University of Chicago Press); apparently the contribution of Keller was to identify and pencil in the zones of vegetation.

Spinden, H. J.

1928 Central America Rainfall Map. edited by Spinden, H. J., American Geographical Society of New York, [New York].

Keywords: Central America /Rainfall.

Call Number: K60

Notes: Published in The Geographical Review, Vol. 18, No. 4, 1928. Frank Keller Map Collection #134.

Abstract: Shows the amount of rainfall (in millimeters and inches) which falls in regions of Central America. Inset map shows elevations and main placenames.

1949 Cape Gracias a Dios (709) / Honduras - Nicaragua. U.S. Army Air Forces / Aeronautical Chart Service, Washington, D.C.

Keywords: Honduras /Nicaragua /Aeronautical.

Call Number: K59

Notes: Series: World Aeronautical Chart, #709. Frank Keller Map Collection #12.

Abstract: Shows topographical contours, landmarks, airports, emergency landing fields, etc., in eastern Nicaragua and Honduras, and adjoining areas of the Caribbean Sea, including San Andrés and Providencia islands. On reverse: legend and an index to all of the maps in the World Aeronautical Chart series.

Martin, F. O.

1929 Surveys in the Cordillera Oriental of Colombia / 1920-1926. edited by Martin, F. O., American Geographical Society, [New York].

Keywords: Cordillera Oriental /Colombia.

Call Number: K58

Notes: Published in The Geographical Review, Vol. 19, No. 4, 1929. Frank Keller Map Collection #138.

Abstract: Shows topographical contours, rivers, landmarks, and towns in the Cordillera Oriental region of Colombia (south of Bogotá). The author's route through the region is shown.

Wood, W. A.

1941 The Southern Slopes of the Sierra Nevada de Santa Marta, Colombia / Constructed at the American Geographical Society from the Aerial Survey of the Cabot Colombian Expedition, 1939. edited by Wood, W. A., American Geographical Society, [New York].

Keywords: Sierra Nevada de Santa Marta.

Call Number: K57

Notes: Published in The Geographical Review, Vol. 31, No. 4, 1941. Frank Keller Map Collection #140.

Abstract: Shows topographical contours, rivers, landmarks, and towns in the Sierra Nevada de Santa Marta region of Colombia. Also includes inset map locating the region within Colombia (southwest of Santa Marta); and a diagram showing flight line and distribution of air control in the region.

1928 Panama. American Geographical Society of New York, New York.

Keywords: Panama (region).

Call Number: K56

Notes: Series: Central America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore. Frank Keller Map Collection #78.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Panama region of southern Central America, between the Serranía del Sapo in the south to Bluefields along the Atlantic coast of Nicaragua in the north. Includes ocean soundings. Also includes an inset map of the San José-Cartago area of Costa Rica, a

synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1956 Panama Canal (769) / Canal Zone - Colombia - Panama. U.S. Air Force / Aeronautical Chart and Information Service, St. Louis, Missouri.

Keywords: Costa Rica /Panama /Colombia /Canal Zone /Aeronautical.

Call Number: K55

Notes: Series: World Aeronautical Chart, #769. Frank Keller Map Collection #287.

Abstract: Shows topographical contours, landmarks, airports, emergency landing fields, etc., in Panama (including the Canal Zone) and part of Colombia. On reverse: legend and an index to all of the maps in the World Aeronautical Chart series.

1955? Caribbean Area (LS-101). U.S. Air Force / Aeronautical Chart and Information Center / Air Photographic and Charting Service, St. Louis, Missouri.

Keywords: Caribbean Sea /Aeronautical.

Call Number: K54

Notes: Series: USAF Special Loran Chart. Frank Keller Map Collection #199.

Abstract: Shows Loran extension lines, landforms, airports, emergency landing fields, radio facilities, prohibited areas, etc., in the Caribbean Sea and surrounding coastal areas.

1921 Mexico / City Groups. American Geographical Society of New York, New York.

Keywords: Mexico /Population /Cities.

Call Number: K53

Notes: Published in The Geographical Review, Vol. 11, No. 2, 1921. Frank Keller Map Collection #133.

Abstract: Shows the general size of the population of Mexican cities in 1910, by dividing the cities into six different size groups. Indicates the population of Mexico City as 471,000.

1948 Lake Nicaragua (768) / Costa Rica - Nicaragua - Panama. U.S. Air Force / Aeronautical Chart Service, Washington, D.C.

Keywords: Costa Rica /Nicaragua /Panama /Aeronautical.

Call Number: K52

Notes: Series: World Aeronautical Chart, #768. Frank Keller Map Collection #8.

Abstract: Shows topographical contours, landmarks, airports, emergency landing fields, etc., in Costa Rica, southern Nicaragua, and northern Panama. On reverse: legend and an index to all of the maps in the World Aeronautical Chart series.

Hitchcock, C. B. and and William Briesemeister

1954 Part of the Eastern Slopes of the Sierra de Perijá Venezuela / Phelps Expedition, 1953. edited by Hitchcock, C. B. and and William Briesemeister, American Geographical Society, [New York].

Keywords: Sierra de Perijá.

Call Number: K51

Notes: Published in The Geographical Review, Vol. 44, No. 1. Frank Keller Map Collection #194. (2 copies).

Abstract: Shows topographical contours, rivers, landmarks, and towns in the Sierra de Perija region of Venezuela. Shows the route and camps of the Phelps Expedition of 1953. Also includes inset maps locating the region within the western hemisphere, and within Venezuela (southwest of Maracaibo); and a geological sequence, or timeline, for the Central Perijá Range.

1937 Tegucigalpa. American Geographical Society of New York, New York.

Keywords: Tegucigalpa (region).

Call Number: K50

Notes: Series: Central America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore. Frank Keller Map Collection #75.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the "Tegucigalpa" region of Central America (including all of Honduras, northern Nicaragua, all but far western El Salvador, and part of southeastern Guatemala). Includes ocean soundings. Also includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1938 Istmo de Tehuantepec. American Geographical Society of New York, New York.

Keywords: Istmo de Tehuantepec (region).

Call Number: K49

Notes: Series: North America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore. Frank Keller Map Collection #77.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the "Istmo de Tehuantepec" region of southern Mexico (including the north coast between Alvarado and Campeche, and part of the south coast near Salina Cruz); and a section of northwestern Guatemala (western Petén). Includes ocean soundings in the Golfo de Campeche. Also includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1937 Lago de Nicaragua. American Geographical Society of New York, New York.

Keywords: Lago de Nicaragua (region).

Call Number: K48

Notes: Series: Central America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore. Frank Keller Map Collection #76.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the Lago de Nicaragua region of southwestern Nicaragua and northwestern Costa Rica, along the Pacific coast. Includes ocean soundings. Also includes a small inset map of the Isla del Coca, a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1935 Ciudad Guatemala. American Geographical Society of New York, New York.

Keywords: Ciudad Guatemala (region).

Call Number: K47

Notes: Series: Central America 1:1,000,000. Photolithographed and printed by A. Hoen and Company, Baltimore. Frank Keller Map Collection #73.

Abstract: Color map shows roads, railways, towns, landmarks, and elevations in the "Ciudad Guatemala" region of Guatemala (including most of the southwestern part of Guatemala); and a section of southern Mexico along the Pacific coast. Includes ocean

soundings. Also includes a synoptical index, an index of relative reliability, and an index of adjoining maps in the series.

1948 Camino Cochabamba - Santa Cruz / Mapa de la Ruta Propuesta y Obras. Corporación Bolivia de Fomento / United States Public Roads Administration, Cochabamba.

Keywords: Cochabamba /Santa Cruz /Transportation /Road.

Call Number: K46

Notes: Frank Keller Map Collection #144. "Basado Sobre el Mapa Aproximado de Bolivia en 70 Hojas Editado por el Ministerio de Colonizacion, Junio de 1933." (2 copies).

Abstract: Shows the proposed route of the highway between Cochabamba and Santa Cruz, Bolivia. Identifies the main landmarks along the route, including towns, rivers, railroads, etc., and identifies each 10 kilometers of proposed road.

1942 Lago Titicaca / Regional Aeronautical Chart. Published for the United States Army Air Forces by the U.S. Coast and Geodetic Survey under authority of the Secretary of War and the Secretary of Commerce, Washington, D.C.

Keywords: Aeronautical chart /Bolivia.

Call Number: K45

Notes: Frank Keller Map Collection #18. Base information supplied by the American Geographical Society, New York. "Warning: Due to war conditions, lights, radiofacilities and other aids to navigation may be changed or discontinued without notice."

Abstract: Shows topographical contours, roads, towns, airports, and emergency landing fields in the area north and northeast of Lake Titicaca, in Peru, Brazil and (mostly) Bolivia. Includes a chart locating the area covered by this map within South America, and a guide to adjoining maps in the series ("Regional Aeronautical Chart"?).

1950 Esquemas de posibles rutas de acceso desde la carretera Cochabamba Santa Cruz a un puerto navegable del Río Ichilo. Corporación Boliviana de Fomento, Cochabamba.

Keywords: Cochabamba /Santa Cruz /Río Ichilo /Navigation /Transportation.

Call Number: K44

Notes: Frank Keller Map Collection #143.

Abstract: Shows possible access routes from the Carretera Cochabamba - Santa Cruz to a navigable port on the Río Ichilo, Bolivia. Identifies the main towns and landmarks in the region.

1948 La Paz SE. Army Map Service, Corps of Engineers, Department of the Army, Washington, D.C.

Keywords: La Paz (region).

Call Number: K43

Notes: Series: South America 1:500,000. World Plotting Base Maps. Copied in 1948 from La Paz, 1:1,000,000, American Geographical Society, 1922. Frank Keller Map Collection #120.

Abstract: Shows roads, railways, towns, landmarks, and elevations in the La Paz region of Bolivia, including the area to the southeast of the city, and a small section of Chile. Shows the towns of Huari, Huanuni, and Uncla; and the Lago de Poopo, Cordillera de los Frailes, and Lago de Coipasa, among other features. Includes an index of adjoining maps in the series.

1942 Mapa de los Yacimientos Minerales de Bolivia. Dirección General de Minas y Petroleo / Sección Geológica, La Paz.

Keywords: Bolivia /Geology /Minerals /Petroleum /Alloys /Ferro-Alloys.

Call Number: K42

Notes: Frank Keller Map Collection #154.

Abstract: Shows the geological resources, towns, rivers, roads, and other main landmarks of Bolivia. Indicates deposits of oil, copper, lead, zinc, etc., and shows tectonic features. International boundaries are not indicated, but the map appears to show most of the country. Includes an attached typewritten list of the names and locations of mines shown on the map.

1950 Carretera Cochabamba - Santa Cruz / Ruta de Reconocimiento de Monte Puncu al Río Ichilo. Corporación Boliviana de Fomento, Cochabamba.

Keywords: Hydraulic /Río Ibirizu.

Call Number: K41

Notes: Frank Keller Map Collection #142.

Abstract: Shows landmarks along the Carretera Cochabamba - Santa Cruz between Monte Puncu and the Río Ichilo, Bolivia, including the "zona de grandes posibilidades forestales."

1950 Carretera Cochabamba - Santa Cruz / Estudio Reconocimiento / Monte Puncu - Arepucho. Corporación Boliviana de Fomento, 1950.

Keywords: Hydraulic /Río Ibirizu.

Call Number: K40

Notes: Frank Keller Map Collection #141.

Abstract: Shows landmarks along the Carretera Cochabamba - Santa Cruz and the Río Ibirizu, Bolivia, including the "zona de posibilidades hidráulicas."

1944 Punata. Instituto Geográfico Militar, La Paz.

Keywords: Bolivia /Punata.

Call Number: K39

Notes: Hoja No. 478 del Mapa de Bolivia. Frank Keller Collection 21. (3 copies).

Abstract: Shows topographic contour lines, roads, towns, and geographical landmarks in the region of Punata, Bolivia. Shows the name of adjoining maps in the series.

1944 La Paz. Instituto Geográfico Militar, La Paz.

Keywords: Bolivia /La Paz.

Call Number: K38

Notes: Hoja No. \_\_\_\_ del Mapa de Bolivia. Frank Keller Collection 17.

Abstract: Shows topographic contour lines, roads, towns, and geographical landmarks in the region of La Paz, Bolivia. Shows the name of adjoining maps in the series.

1944 Sta. Veracruz. Instituto Geográfico Militar, La Paz.

Keywords: Bolivia /Santa Veracruz.

Call Number: K37

Notes: Hoja No. 477 del Mapa de Bolivia. Frank Keller Collection 126.

Abstract: Shows topographic contour lines, roads, towns, and geographical landmarks in the region of Santa Veracruz, Bolivia. Shows the name of adjoining maps in the series.

1944 Tarata. Instituto Geográfico Militar, La Paz.

Keywords: Bolivia /Tarata.

Call Number: K36

Notes: Hoja No. \_\_\_\_ del Mapa de Bolivia. Frank Keller Collection #22 (3 copies).

Abstract: Shows topographic contour lines, roads, towns, and geographical landmarks in the region of Tarata, Bolivia (near Cochabamba). Shows the name of adjoining maps in the series.

1944 Cliza. Instituto Geográfico Militar, La Paz.

Keywords: Bolivia /Cliza.

Call Number: K35

Notes: Hoja No. 478 del Mapa de Bolivia. Frank Keller Collection #23 (3 copies).

Abstract: Shows topographic contour lines, roads, towns, and geographical landmarks in the region of Cliza, Bolivia (near Cochabamba). Shows the name of adjoining maps in the series.

1944 Tolata. Instituto Geográfico Militar, La Paz.

Keywords: Bolivia /Tolata.

Call Number: K34

Notes: Hoja No. 478 del Mapa de Bolivia. Frank Keller Collection #20 (3 copies).

Abstract: Shows topographic contour lines, roads, towns, and geographical landmarks in the region of Tolata, Bolivia. Shows the name of adjoining maps in the series.

1944 Hacha Moko. Instituto Geográfico Militar, La Paz.

Keywords: Bolivia /Hacha Moko.

Call Number: K33

Notes: Hoja No. 478 del Mapa de Bolivia. Frank Keller Collection #19 (3 copies).

Abstract: Shows topographic contour lines, roads, towns, and geographical landmarks in the region of Hacha Moko, Bolivia (near Cochabamba). Shows the name of adjoining maps in the series.

1944 Cochabamba. Instituto Geográfico Militar, La Paz.

Keywords: Bolivia /Cochabamba.

Call Number: K32

Notes: Hoja No. 477 del Mapa de Bolivia. Frank Keller Collection #127.

Abstract: Shows topographic contour lines, roads, towns, and geographical landmarks in the region of Cochabamba, Bolivia. Shows the name of adjoining maps in the series.

1944 Angostura. Instituto Geográfico Militar, La Paz.

Keywords: Bolivia /Angostura.

Call Number: K31

Notes: Hoja No. 477 del Mapa de Bolivia. Frank Keller Collection #127.

Abstract: Shows topographic contour lines, roads, towns, and geographical landmarks in the region of Angostura, Bolivia. Shows the name of adjoining maps in the series.

1935 Coipasa. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Coipasa.

Call Number: K30

Notes: Hoja No. 43 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #100.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Coipasa, Bolivia. Also includes the towns of Jirira, Sabaya, Pachica, Todos Santos, and routes to the Pacific Ocean.

1933 Río Mulatos. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Río Mulatos.

Call Number: K29

Notes: Hoja No. 44 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #101.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Río Mulatos, Bolivia. Also includes the towns of Pampa Aullagas, Tahua, Culta, and Viloyo.

1933 Potosí - Sucre. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Potosí /Sucre.

Call Number: K28

Notes: Hoja No. 45 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #102.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Potosí - Sucre, Bolivia. Also includes the towns of Zudañez, Yotala, Puna, and Azurduy.

1933 Santa Cruz. Instituto Geográfico Militar y de Catastración Nacional / División Cartográfica, La Paz.

Keywords: Bolivia /Santa Cruz.

Call Number: K27

Notes: Hoja No. 34 (del "Mapa aproximado de Bolivia en 70 hojas"). Frank Keller Collection #129 (2 slightly varying copies).

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Santa Cruz, Bolivia. Also includes the towns of Portachuelo, Warnes, and Buena Vista.

1936 Calama. Estado Mayor General / Servicio Geográfico, La Paz.

Keywords: Bolivia /Calama.

Call Number: K26

Notes: Hoja No. 61 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #112.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Calama, Bolivia. Also includes the towns of San Pedro de Atacama and Sierra, and routes to the Pacific Ocean.

1933 Sud Lipez. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Sud Lipez.

Call Number: K25

Notes: Hoja No. 62 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #113.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Sud Lipez, Bolivia. Also includes the towns of Rinconada and Quetena (Chico).

1933 Villa Montes. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Villa Montes.

Call Number: K24

Notes: Hoja No. 58 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #111.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Villa Montes, Bolivia. Also includes the towns of Yacuiba and Camatindi.

1935 Chulumani - Coroico. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Chulumani /Coroico.

Call Number: K23

Notes: Hoja No. 26 (del "Mapa aproximado de Bolivia en 70 hojas"). Frank Keller Collection #118 (3 slightly varying copies).

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Chulumani - Coroico, Bolivia. Also includes the cities of La Paz and Inquisivi.

1936 Ollague. Instituto Geográfico Militar / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Ollague.

Call Number: K22

Notes: Hoja No. 55 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #108.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Ollague, Bolivia. Also includes the town of Ascotan and routes to the Pacific Ocean.

1936 Cuevo. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Cuevo.

Call Number: K21

Notes: Hoja No. 52 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #107.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Cuevo, Bolivia. Also includes the towns of Carandaiti and Itatique.

1933 Camargo. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Camargo.

Call Number: K20

Notes: Hoja No. 51 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #106.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Camargo, Bolivia. Also includes the towns of Azurduy, Cotagaita, and Vitichi.

1933 Poopo. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Poopo.

Call Number: K19

Notes: Hoja No. 38 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #197 (2 copies).

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Poopo, Bolivia. Also includes the towns of Oruro, Corque, Sacaca, Uncia, and Aullagas.

1933 Uyuni. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Uyuni.

Call Number: K18

Notes: Hoja No. 50 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #105.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Uyuni, Bolivia. Also includes the towns of Santiago, Rio Grande, and Chocaya.

1936 Iquique. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Iquique.

Call Number: K17

Notes: Hoja No. 49 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #104.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Iquique, Bolivia. Also includes the towns of Guatacondo, Gallinazos, and San Pedro de Quemes.

1933 Lagunillas. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Lagunillas.

Call Number: K16

Notes: Hoja No. 46 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #103.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Lagunillas, Bolivia. Also includes the towns of Charagua, Monteagudo, and Ipitá.

1933 Oruro - Cochabamba. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Oruro /Cochabamba.

Call Number: K15

Notes: Hoja No. 32 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #117 (2 copies).

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Oruro - Cochabamba, Bolivia. Also includes the towns of Capinota, Umala, and Independencia (Palca).

1933 San Pablo. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /San Pablo.

Call Number: K14

Notes: Hoja No. 56 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #109.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of San Pablo, Bolivia. Also includes the towns of Santa Catalina, Chiguana, and San Vicente.

1933 La Paz. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /La Paz.

Call Number: K13

Notes: Hoja No. 25 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #93.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of La Paz, Bolivia. Also includes the towns of Acacachi, Pizacoma, and San Antonio de Esquilache.

1936 Apolo. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Apolo.

Call Number: K12

Notes: Hoja No. 15 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #91.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Apolo, Bolivia. Also includes the towns of Pelechuco and Pucina.

1933 Rurrenabaque - Covendo - Huachi. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Rurrenabaque /Covendo /Huachi.

Call Number: K11

Notes: Hoja No. 16-21 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #92.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Rurrenabaque - Covendo - Huachi, Bolivia. Also includes the towns of Guanay and San Borja.

1933 Todos Santos. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Todos Santos.

Call Number: K10

Notes: Hoja No. 27 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #131 (4 copies of slightly varying size and color, one of them marked 131C).

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Todos Santos, Bolivia.

1933 Samaipata. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Samaipata.

Call Number: K9

Notes: Hoja No. 40 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #99 (3 slightly varying copies including two marked 99A and 99B).

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Samaipata, Bolivia. Also includes the town of Cabezas.

1933 Cuatro Ojos - Concepción. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Cuatro Ojos /Concepción.

Call Number: K8

Notes: Hoja No. 28 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #94 (3 slightly varying copies, two of which, marked 94A and 94B, are titled "Concepción: Mapa aproximado de Bolivia en 58 hojas").

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Cuatro Ojos - Concepción, Bolivia. Also includes the towns of Yotaú, La Estrella, and Palometa.

1933 Corocoro - Charaña. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Corocoro /Charaña.

Call Number: K7

Notes: Hoja No. 31 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #95.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Corocoro - Charaña, Bolivia. Also includes the towns of Tacna, Santiago, and Chacarilla.

1933 Arica - Carangas. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Arica /Carangas.

Call Number: K6

Notes: Hoja No. 37 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #96.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Arica - Carangas, Bolivia. Also includes the towns of Tacna, Turco and Huachacalla.

1933 Rio Secure-Trinidad-Misiones de Guarayos. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Rio Secure /Trinidad /Misiones de Guarayos.

Call Number: K5

Notes: Hoja No. 17-18-22-23 (del "Mapa aproximado de Bolivia en 70 hojas"). "Hoja excepcional para fines de encuesta." Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #115.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Rio Secure, Trinidad, and Misiones de Guarayos, Bolivia.

1933 Tarija. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Tarija.

Call Number: K4

Notes: Hoja No. 57 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #110.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Tarija, Bolivia. Also includes the towns of Entre Ríos, Paocaya, and Tupiza.

1933 Aiquile - Valle Grande. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Aiquile /Valle Grande.

Call Number: K3

Notes: Hoja No. 39 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #98 (3 slightly varying copies).

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Aiquile - Valle Grande, Bolivia. Also includes the towns of Sucre, San Pedro, and Mizque.

1933 Cochabamba - Pampa Grande. Ministerio de Colonización / Comisión Cartográfica, La Paz.

Keywords: Bolivia /Cochabamba /Pampa Grande.

Call Number: K2

Notes: Hoja No. 33 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #130 (4 copies of slightly varying size and color, two numbered 130A and 130C).

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Cochabamba - Pampa Grande, Bolivia. Also includes the towns of Mizque and Todos Santos.

1933 Villazón - Fortín Campero. Ministerio de Colonización / Comisión Técnica, La Paz.

Keywords: Bolivia /Villazón /Fortín Campero.

Call Number: K1

Notes: Hoja No. 63 (del "Mapa aproximado de Bolivia en 70 hojas"). Stamped "Department of State Map Division" Jun 12 1947" and "República de Bolivia \* Instituto Geográfico Militar." Frank Keller Collection #114.

Abstract: Photostat copy of a map showing main roads, towns, and geographical landmarks in the region of Villazón - Fortín Campero, Bolivia. Also includes the towns of Yacuiba, Humahuaca, Yavi and Oran.

1390 Zeno's Charts, Drawn about 1390.

Keywords: World/America.

Call Number: H852

Notes: The brothers Zeni. Bancroft, 1882, p. 82.

Abstract: Reduced copy of map showing what is now Greenland, Scandinavia, Nova Scotia, New England and Newfoundland. The first known map which shows any part of America. Outline. Historical.

F.A. Godoy

1910 Map of the World in Mercator Projection Showing Geographical Position of Mexico. edited by F.A. Godoy.

Keywords: World/Trade/Mexico.

Call Number: H851

Notes: Pan American Union, 1911, f.p. 374.

Abstract: Steamship routes from Mexico to the principal ports of the world. Locations of Mexican consulates, embassy and legations. Communicational, political. Color.

The World; The White Part as Known at the End of the Fourth Century, The Lightly Shaded Portions as Known at the End of the Fifteenth.

Keywords: World/Explorers.

Call Number: H850

Notes: Bancroft, 1882, p. 73.

Abstract: Explored regions of the world at the end of the fifteenth century. Outline. Historical.

1898 Along the Line of the Tropic of Cancer.

Keywords: World/Mexico/Conflict/Railways.

Call Number: H849

Notes: Mexican National Railroad, c. 1898, p. 26.

Abstract: Showing Mexico to be the only country on the line of the Tropic of Cancer which had not been vexed by war alarms in 1898. Outline.

U.S. Hydrographic Office

1890 Tracks for Full Powered Steam Vessels With the Shortest Navigable Distances in Nautical Miles from Anchorage. edited by U.S. Hydrographic Office, Washington.

Keywords: World/Ships/Transportation/Trade.

Call Number: H848

Notes: No. 1262, 17th ed., Feb. 1917.

Abstract: Coastal distances along eastern and western coasts of North and South America, shore of Gulf of Mexico and Caribbean Sea, Islands of Pacific, and the Orient. Chart of speed with daily and weekly distances in nautical miles. Comparative distance for auxiliary and full powered steam vessels and sailing vessels by way of Magellan Strait, Cape Horn, Cape of Good Hope, Suez Canal and Panama. Outline. Communicational, political. Color.

1871 Trans-Continental Isthmian and Oceanic Routes of Commerce.

Keywords: World/Trade.

Call Number: H847

Notes: Stevens, 1871, p. 63.

Abstract: Comparison of commercial route distances via Cape Horn, Darien, Honduras, Nicaragua, Panama, Tehuantepec, Suez, Union Pacific Railroad. Outline. Communicational.

Julius W. Adams

1868 Tehuantepec Railway Company's Chart of the World on Mercator's Projection Showing the Line of Its Railway, with its Connection by Steamships and Sailing Vessels with the Prominent Ports of the World. edited by Julius W. Adams, New York Lithographing, Engraving, and Printing, Co., New York.

Keywords: World/Trade/Transportation.

Call Number: H846

Notes: Tehuantepec Railway company, 1869, fp 50.

Abstract: Compiled under the direction of Simon Stevens by Julius W. Adams; Hamilton Ewen, draughtsman. Entered according to Act of Congress in the year 1868 by the Tehuantepec Railway Co. in the Clerk's Office in the District Court of the U.S., the Southern District of New York. Railways, sailing vessel routes and steamship routes of the world via the Isthmus of Tehuantepec, Mexico. Communicational, political. Color.

1880 Tehuantepec - Its Relative Relation to the World.

Keywords: World/Trade.

Call Number: H845

Notes: Anderson, 1880, f.p. 67.

Abstract: Navigation routes to important ports of the world via the isthmus of Tehuantepec. Outline. Communicational, political. Color.

John Schoner

1520 Schoner's Globe, 1520. edited by John Schoner.

Keywords: World.

Call Number: H844

Notes: Bancroft, 1882, p. 137.

Abstract: Reduced copy of map, showing concept of America and ASia. North America is shown as a very small island unconnected to South America. Outline. Historical.

Ruscelli

1544 Ruscelli's Map, 1544. edited by Ruscelli.

Keywords: World.

Call Number: H843

Notes: Bancroft, 1882, p. 148.

Abstract: Reduced copy. Geographical relation of western Europe and northwestern Asia to North America, which is conceived as being joined to Europe by Greenland and a continent called Terra de Bacalaos (Land of God). Outline. Historical.

Map from Ptolemy, 1513.

Keywords: World.

Call Number: H842

Notes: From Ptolemy, 1513. Map is said to have been made by Hylacomylus as early as 1508, but concerning which there seems to be some uncertainty.

Abstract: Reduced copy of map showing concept of geographical relationship of western Europe and Africa to North and South America. South America is joined to the main land of Asia. Outline. Historical.

Outline Map of (Approximate) Relative Sailing Distances via the Panama Canal and the Straits of Magellan.

Keywords: World/Transportation/Trade.

Call Number: H841

Notes: Collins, 1904, p. 642.

Abstract: Sailing distances in nautical miles to the principal ports of eastern U.S., South America, and Plymouth, England. Communicational.

Orontius Fino

1531 Orontius Fine's Map, 1531. edited by Orontius Fino.

Keywords: World/South America/Central America/Asia.

Call Number: H840

Notes: Bancroft, 1882, p. 149.

Abstract: Reduced copy of map showing western Europe in relation to South America, which is conceived as being joined to Asia by Central America. Outline. Historical.

The New World, From Ptolemy, 1530.

Keywords: World.

Call Number: H839

Notes: From the Ptolemy, 1530. Bancroft, 1882, p. 147.

Abstract: Reduced copy of map showing geographic conception fo North and South America and Asia at that date. Outline. Historical.

El Mundo. Sobre la Proyeccion de Mercator. Ackermann and Co., London.

Keywords: World/South America/Shipping/Trade.

Call Number: H838

Abstract: Relation of the proposed Tehuantepec Ship Canal to the rest fo the world.

Outline. Communicational. Mounted.

Martin Behaim

1492 Martin Behaim's Globe, 1492. edited by Martin Behaim.

Keywords: World.

Call Number: H837

Notes: Bancroft, 1882, p 93.

Abstract: Copy of Map showing the geographical position of Europe and Asia as they were believed to be prior to the discovery of America. Outline. Historical.

Mapa-Mundi.

Keywords: World/Migration/Peru.

Call Number: H836

Notes: Pesce, 1906, f.p. 48.

Abstract: Countries from which population is emigrating, countries receiving immigrants, steamer routes, transcontinental railways. Relation of Peru to the world. Communicational, political, statistical. Color.

Johann Ruysch

1508 Map by Johann Ruysch, 1508. edited by Johann Ruysch.

Keywords: World/South America/Asia.

Call Number: H835

Notes: Bancroft, 1882, p. 126.

Abstract: Concept of the geographical relationship between South American and Asia. Greenland is connected to ASia. With the exception of what in new Labrador and Newfoundland the North American continent is not shown. Outline. Historical.

Madision Grant

Present Distribution of European Races. edited by Madision Grant.

Keywords: World/Race/Population.

Call Number: H834

Notes: Grant, 1922, f.p. 272.

Abstract: Distribution of Alpines, Mediterraneans, and Nordics; Cro-Magnon area, Europe, northern Africa, and western Asia. Outline. Ethnographical, political. Color.

Madison Grant

Expansion of the Teutonic Nordics and Slavic Alpines, 100 B.C. - 1100 A.D. (European Races). edited by Madison Grant.

Keywords: World/Migrations.

Call Number: H833

Notes: Grant, 1922, f.p. 270.

Abstract: Distribution and migrations of Alpines, Mediterraneans, Continental Nordics; Cro-Magnon area; Tator invasions, Europe, northern Africa, and western Asia. Outline. Ethnographical, ethnological. Color.

Madision Grant

Expansion of the Pre-Teutonic Nordics, 1800-100 B.C. (European Races). edited by Madision Grant.

Keywords: World/Migrations.

Call Number: H832

Notes: Grant, 1922, f.p. 268.

Abstract: Distrubution and migrations of Alpines, Mediterraneans, Continental Nordics and Nordics; Cro-Magnon area, Europe, northern Africa, and western Asia. Outline. Ethnographical, ethnological. Color. Inset: Asia.

Madison Grant

Maximum Expansion of Alpines with Bronze Culture -- 300 to 1800 B.C. (European Races). edited by Madison Grant.

Keywords: World/Migrations.

Call Number: H831

Notes: Grant, 1922, f.p. 266.

Abstract: Distribution and migrations of Nordics, Continental Nordics, Alpines, Mediterraneans, Cro-Magnon area, Megaliths, Kurgans; Europe, northern Africa, and western Asia. Outline. Ethnographical, ethnological. Color.

1931 Chart Showing Proposed (Electric and Magnetic) Stations Above 55 degrees North Latitude.

Keywords: World/Industry.

Call Number: H830

Notes: Fleming, 1931, p. 378.

Abstract: Proposed location of 43 electric and magnetic observatories above 55 degrees north latitude. Meteorological. Shaded.

Thomas O. Wansleben

Coaling Station of the World. edited by Thomas O. Wansleben, U.S. Geological Survey, Washington.

Keywords: World/Mining/Coal.

Call Number: H829

Abstract: Principal ports, primary and secondary coaling stations of the world. Outline. Political. Mounted.

1830 Map of Route of Great Migration (Assyria to New Zealand). London.

Keywords: World/Migration.

Call Number: H828

Notes: Hohepa Te Rake, 1926, f.p. 3.

Abstract: Migration of the Maori from Assyria to New Zealand. Outline. Ethnological.

U.S. Hydrographic Office

1929 Tracks of Tropical Cyclones of North Atlantic, September 1-16, 1887 to 1924.

edited by U.S. Hydrographic Office, Washington.

Keywords: World/Weather.

Call Number: H827

Notes: U.S. Hydrographic Office, 1929, p. 31.

Abstract: Cyclones originating south of the West Indies and traveling through eastern part of the North American continent and the Atlantic Ocean, across southern part of Greenland. Outline. Meteorological.

U.S. Hydrographic Office

1929 Route Chart: Atlantic Ocean and Gulf of Mexico. edited by U.S. Hydrographic Office, Washington.

Keywords: World/Trade.

Call Number: H826

Notes: U.S. Hydrographic Office, 1929, f.p. 55.

Abstract: Illustrating steamer routes, on the Atlantic Ocean and Gulf of Mexico, in H.O. Pub. 129. Not to be used for navigation. Communicational, hydrographical. Color. Inset: Routes from the West Indies and Virgin Islands to northern coast of South America.

Entwicklung des Kartenbildes von Amerika I.

Keywords: World/Geographers.

Call Number: H825

Notes: Sievers, 1914, insert pp. 14-15.

Abstract: 6 reduced copies of old maps by early geographers showing various concepts of the relationships of Europe to America and Asia.

H.A. Milne

1886 Part of the Western Pacific. edited by H.A. Milne, Edward Weller, London.

Keywords: Oceania/Australia/Explorers.

Call Number: H824

Notes: Royal geographical society, 1886, f.p. 608.

Abstract: Illustrating the cruises of Captain Bridges, R.N., 1882-1885. Northeastern coast of Australia, neighboring islands. Outline. Color.

Oceania and the Pacific on Mercators Projection. C.S. Hammond and Co., New York.

Keywords: Oceania/Transportation.

Call Number: H823

Notes: Leyburn, 1931, back.

Abstract: Ocean steamer routes (distances in nautical miles), railways, submarine cables, telegraph lines. Communicational, physical, political. Color.

Cephalic Index and Stature of the Japanese.

Keywords: Japan.

Call Number: H822

Notes: Matsumura, 1925.

Abstract: Cephalic index and stature of men. 10 maps.

Emery Walker

1911 European Migrations. edited by Emery Walker, Cambridge University Press, Cambridge.

Keywords: Europe/Migration.

Call Number: H821

Notes: Haddon, 1912, map no. 2, back.

Abstract: Migration of 19 peoples in Europe. Outline. Ethnological.

A.H. Bumstead

1916 Western Europe During the Third Inter-Glacial Stage. edited by A.H. Bumstead.

Keywords: Europe.

Call Number: H820

Notes: Roosevelt, 1916, p. 118.

Abstract: Africa, the British Isles, and Iceland connected with the mainland and river channels much extended. Outline. Communicational, physical.

1924 Approximate Limits of "Northwestern Europe" According to Formula Number XIX.

Keywords: Europe/Immigration/Migration.

Call Number: H819

Notes: U.S. Congress. House Committee on immigration and naturalization, 1924, p. 1921.

Abstract: Map to illustrate immigration chart. Outline. Ethnological, political.

A.H. Bumstead

1916 An Outline Map of Europe at a Period When the British Isles and Scandinavian Peninsula Were a Part of the Mainland. edited by A.H. Bumstead.

Keywords: Europe/Migration.

Call Number: H818

Notes: Roosevelt, 1916, p. 113.

Abstract: Europe at the period of maximum continental elevation, coastlines widely extended, connection Africa and Europe affording migration routes for animal and human races. Outline. Communicational, ethnological, physical.

A.H. Bumstead.

1916 Map of Europe, Showing the Great Sheet of Ice that Covered the British Isles, Scandinavia, Germany, and Half of Russia During the Second Glacial Age. edited by A.H. Bumstead..

Keywords: Europe/Lakes/Ice Age.

Call Number: H817

Notes: Roosevelt, 1916, p. 115.

Abstract: Ice fields and glaciers reached their greatest extension, depression Europe to such an extent that the Black and Caspian and Aral seas formed on continuous body of water. Outline. Communicational, physical.

Europ. C.S. Hammond and Co., New York.

Keywords: Europe.

Call Number: H816

Notes: Leyburn, 1931, back.

Abstract: Capitals, principal cities and towns, ports of International Concern, railways and steamer routes. Communicational, physical, political.

William Z. Ripley

1899 Relative Frequency of Brunet Traits (Europe). edited by William Z. Ripley, D. Appleton and Co., New York.

Keywords: Europe/Population.

Call Number: H815

Notes: From "Races of Europe." Jackson, 1930, insert pp. 80-81.

Abstract: The gradual progression from the predominant blond population of northern Europe to the brunette of southern Europe. Outline. Ethnographical, ethnological.

William Z. Ripley

1899 Cephalic Index (Europe). edited by William Z. Ripley, D. Appleton and Co., New York.

Keywords: Europe/Population.

Call Number: H814

Notes: From "Races of Europe" Jackson, 1930, p. 81.

Abstract: Regions with broad heads in Central Europe, tending towards narrow heads in the north and south. Outline. Ethnographical, ethnological.

William Z. Ripley

1899 Average Stature, Europe. edited by William Z. Ripley, Appleton and Co., New York.

Keywords: Europe/Population.

Call Number: H813

Notes: From "Races of Europe." Jackson, 1930, insert pp. 80-81.

Abstract: Irregular transition from the taller population in the north to the shorter in the south. Outline. Ethnographical, ethnological.

Verteilung Des Langenbreitenindex in Europa.

Keywords: Europe.

Call Number: H812

Notes: After J. Deniker. Martin, 1914, p. 675.

Abstract: Cephalic index, showing the distribution of population with long, broad heads in Europe. Ethnographical, ethnological. Shaded.

Verteilung Der Mittlern Korpergrosse in Europa.

Keywords: Europe/Population.

Call Number: H811

Notes: After J. Deniker. Martin, 1914, p. 675.

Abstract: Distribution of large population in Europe. Ethnographical, ethnological. Shaded.

Verteilung des "Braumen" Typus in Europa.

Keywords: Europe/Race/Population/Migration.

Call Number: H810

Notes: After J. Deniker. Martin, 1914, p. 414.

Abstract: Distribution of the brown race in Europe. Ethnographical, ethnological. Shaded.

Plan of the Acropolis of Athens Showing the Extent of Recent Excavations and the Levels and Relative Bearings of the Principal Monuments with the Additions and Corrections of Mr. F.C. Penrose in 1847.

Keywords: Europe/Ruins/Archeology.

Call Number: H809

Notes: Cullum, 1882, f.p. 1.

Abstract: Location of buildings; existing pavement; original made ground; smoothed or leveled rock. Archeological, physical. Shaded.

Emery Walker

1911 Asiatic Migrations. edited by Emery Walker, Cambridge University Press, Cambridge.

Keywords: Asia/Population/Migration.

Call Number: H808

Notes: Haddon, 1912, map no. 1, f.p. 124.

Abstract: Migrations of 35 peoples in Asia. Outline. Ethnological.

Asia. C.S. Hammond and Co., New York.

Keywords: Asia.

Call Number: H807

Notes: Leyburn, 1931, back.

Abstract: Capitals, cities and towns, railways and steamer routes. Communicational, physical, political. Color.

Wm. Jno. Turner

1889 Map of South Western Morocco. edited by Wm. Jno. Turner, London.

Keywords: Africa/Explorers.

Call Number: H806

Notes: Illustrating Mr. Joseph Thompson's Journeys, 1888, compiled from his original surveys collated with the work of other travellers.

Abstract: Routes of explorers. Communicational, physical. Color.

F. Cope Whitehouse

1882 The Moeris Basin and Wadi Fadhi. edited by F. Cope Whitehouse.

Keywords: Africa/Rivers/Cities.

Call Number: H805

Notes: Whitehouse, 1882, f.p. 85.

Abstract: That part of Egypt lying to the south of Cairo and west of the Nile. Route of Dr. W. Junkers, 1875. Communicational, physical. Shaded.

Emery Walker

1911 African Migrations. edited by Emery Walker, Cambridge University Press, Cambridge.

Keywords: Africa/Migration/Population.

Call Number: H804

Notes: Haddon 1912, map no. 3, back.

Abstract: Migration of 31 peoples in Africa. Outline. Ethnological.

U.S. Treasury Dept., B. o. S.

Africa, It's Political and Commercial Routes. edited by U.S. Treasury Dept., B. o. S., Norris Peters Co., Washington.

Keywords: Africa/Countries/Population/Language/Religion.

Call Number: H803

Abstract: Area and population of countries, railways in operation and proposed, telegraph lines, proposed telegraph lines, steamship routes (distances in nautical miles). Communicational, physical, political. Color, mounted. 2 ethnological and ethnographical insets: Languages of Africa; and Religions of Africa.

Africa. C.S. Hammond and Co., New York.

Keywords: Africa/Colonies/Countries.

Call Number: H802

Notes: Leyburn, 1931, back.

Abstract: Colonies and countries of Africa. Capitals, cities and towns. Communicational, political. Color. Inset: Cape Verde Is.

1929 Map Showing Venezuelan Highways.

Keywords: South America/Venezuela.

Call Number: H801

Notes: Reid, 1929.

Abstract: 1st class, all year highways, 2nd class, interrupted in rainy season, 3rd class, seasonal and unimproved highways. Communicational, political.

H. Pittier

1920 Mapa Ecologico de Venezuela Que Demuestra Las Zonas Naturales, Los Cultivos, Las Vias de Comunicacion y Los Principales Centros Mineros, Etc. edited by H. Pittier, Litografia del Comercio, Caracas.

Keywords: South America/Venezuela.

Call Number: H800

Abstract: Capitals, cities and towns, asphalt, carbon, copper, gold, iron, and petroleum deposits, monsoon forests, rain, temperature and xerophious forests, savannas, land under permanent and periodical cultivation, mineral outcrops, pearl-beds, saltworks, national highways, highways under construction, highways where no railway facilities are available, railways, Communicational, economical, political. Color, mounted.

Venezuela, North.

Keywords: South America/Venezuela.

Call Number: H799

Notes: North C-D, 19-20. Preliminary edition, subject to correction.

Abstract: Cities and towns, railways, roads. Communicational, political. Mounted.

Delta of the Orinoco.

Keywords: South America/Venezuela.

Call Number: H798

Notes: Reid, 1929, p. 151.

Abstract: The delta of the Orinoco River and vicinity, northeastern Venezuela.

Communicational, physical, political.

Pan American Union

1911 The Trans-Uruguayan Railway from Colonia to San Luis, H.M.R. edited by Pan American Union, Washington.

Keywords: South America/Uruguay/Railways/Cities.

Call Number: H797

Notes: Richling, 1911, p. 584.

Abstract: An additional link in the proposed Pan American Transcontinental Railway.

Line under construction between Colonia and San Luis, Uruguay. Outline.

Communicational.

Uruguayan Railways and their Connections.

Keywords: South America/Uruguay/Railways/Cities.

Call Number: H796

Notes: Davies, 1930, p. 486.

Abstract: The Northern system connects at the northern frontier with a line to Santos and Rio de Janeiro; Northwestern System, skirting the Uruguay River, is roughly paralleled with lines on the Argentine bank; Northeastern system taps the northeastern half of the country; the chief State railway follows approximately the line of the coast eastward from Montevideo to Maldonado, San Carlos, and Rocha. Communicational, political.

Map of Uruguay, Showing Railways and Highways Radiating from Montevideo.

Keywords: South America/Uruguay/Railways.

Call Number: H795

Notes: Courtesy of La Manana. Reid, 1929, p. 173.

Abstract: Cities and towns, canals and navigable rivers, interdepartmental and national highways, railways in operation, primary lines and extensions. Communicational, political.

The London Geographical Institute

1910 Uruguay. edited by The London Geographical Institute, George Philip and Son, London.

Keywords: South America/Uruguay.

Call Number: H794

Notes: Domville-Fife, 1910, f.p. 208.

Abstract: Cities and towns, highways, lakes and rivers, railways in operation and under construction. Communicational, political.

Plano de la Region del Vilcanota y del Cuzco.

Keywords: South America/Peru/Railways.

Call Number: H793

Abstract: Railways in operation and projected, mule trails, rivers, towns. Map in 2 sections. Communicational. Mounted, photostatic.

Isiah Bowman

1916 Map to Show the Relation of Grasslands of the Dry Lower Portion of the Urubamba Valley to the Forested Lands at Higher Elevations. edited by Isiah Bowman.

Keywords: South America/Peru/Natural Resources.

Call Number: H792

Notes: Bowman, 1916, p. 81.

Abstract: Patches and slender tongues of woodland occur below the main timber land and patches of grassland above it. Urubamba Valley, southeastern Peru. Economical, physical.

Geologic Sketch Map of the Lower Urubamba Valley.

Keywords: South America/Peru/Natural Resources/Geology.

Call Number: H791

Notes: Bowman, 1916, p. 237.

Abstract: Geologic section of Urubamba Valley, southeastern Peru, distribution of basalt, granite, porphyry, sandstone, and schist strata.

Isaiah Bowman

1916 Rough Sketch Contour Map of the Urubamba Valley Between Rosalina and Pongo de Mainique. edited by Isaiah Bowman.

Keywords: South America/Peru/Explorers.

Call Number: H790

Notes: Bowman, 1916, p. 9.

Abstract: Route of Yale Peruvian Expedition in southeastern Peru, topography, trails. Communicational, hydrographical, physical. Inset: Location of section covered by main map.

Clements R. Markham

1873 Tahuantin-Suyu or the Empire of the Yncas (Except Quito and Chile) in its Four Great Divisions of Chinchu-Suyu, Anti-Suyu, Colla-Suyu with their Tribes and Ayllus or Lineages Also the Routes of the Ynca Conquerors. edited by Clements R. Markham, J. Murray, London.

Keywords: South America/Peru/Incas/Conflict/Territory.

Call Number: H789

Notes: Map made for the Journal of the Royal Geographical Society. Dedicated to His Excellency, Don Manuel Pardo, President of the Republic of Peru.

Abstract: Conquests and expansion of the tribes over all Peru from their original settlements in the country surrounding Cuzco, rivers, routes of author and conquerors,

towns. Communicational, ethnographical, physical. Color, mounted. Inset: An Enlarged Map of the Cradle of the Ynca Race. Cuzco and the Valley of the Vilca-Mayu.

Jose Clemente del Castillo

1786 Mapa Topografico del Obispado de Truxillo del Peru. edited by Jose Clemente del Castillo.

Keywords: South America/Peru/Religion.

Call Number: H788

Notes: Saavedra, 1906, v. 1, f.p. 55.

Abstract: Churches and missions, Episcopal cities, principal cities and towns, roads. Communicational, historical, physical, political, religious. Shaded.

E.L. Troxell

1911 Plan of the Ruins of the Temple of the Sun at Nusta Espana Formerly Yurak Rumi in Chuquipalpa Near Vitcos. edited by E.L. Troxell.

Keywords: South America/Peru/Ruins.

Call Number: H787

Notes: Bingham, 1912, p. 53.

Abstract: Drawn from measurements and photographs taken August 10, 1911 by Professor Hiram Bingham. Inca ruins near Vitcos, Province of Vilcapampa, Peru. Archeological.

1902 Croquis de la Voie Centrale Section de Sn. Luis a Pt. Bermudes. M. Badiola and Co..

Keywords: South America/Peru.

Call Number: H786

Notes: Peru. Ministerio de agricultura y trabajo publico, [1902], f.p. 52.

Abstract: Rivers, roads and mule trails, territory open to colonization, Department of Loreto, northern Peru. Communicational, physical. Color.

E.L. Troxell

1912 General Plan of the Ruins of Rosaspata or Vitcos. edited by E.L. Troxell.

Keywords: South America/Peru/Ruins/Explorers.

Call Number: H785

Notes: Bingham, 1912, p. 49.

Abstract: Drawn from measurements and photographs taken August 8 and 9, 1911 by Professor Hiram Bingham, Director of the Yale Peruvian Expedition. Ruins of Vitcos in the Province of Vilcapampa, Peru. Archeological, physical.

Pablo Jose Oricayn

1780 Quispicanchi. edited by Pablo Jose Oricayn.

Keywords: South America/Peru.

Call Number: H784

Notes: Sent by Governor Benito de la Mata to the Consejo de Indias.

Abstract: Copy of old Spanish map showing political boundaries of the Curate of Quispicanchi, Intendencia del Cuzco, southern Peru. Historical, physical, political. color, shaded.

Intercontinental Railway Commission

1892 Quiquijana to Cuzco. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Peru/Cities/Railways.

Call Number: H783

Abstract: Section of Intercontinental Railway survey map of Corps No. 3, Juliaca to Cuzco. Communicational, physical. Photostatic.

A.H. Bumstead

1912 Map showing Localities Inhabited by the Quichua Measured. edited by A.H. Bumstead.

Keywords: South America/Peru/Explorers/Indigenous Populations.

Call Number: H782

Notes: Ferris, 1916, f.p. 59.

Abstract: Localities inhabited by the Quichua Indians that were measured by the members of the Yale-National Geographic Society Peruvian Expedition in 1912.

Ethnographical, ethnological, political.

Eduardo Ydiaquez

1906 Mapa de la Intendencia de Puno en 1796. edited by Eduardo Ydiaquez.

Keywords: South America/Peru/Cities/Provinces.

Call Number: H781

Notes: Saavedra, 1906, v. 2, f.p. 46.

Abstract: Principal cities and towns in the State of Puno, southeastern Peru. Physical, political. Shaded. 3 photostatic copies on file.

U.S. Hydrographic Office

1890 Port Islay-Port Mollendo. edited by U.S. Hydrographic Office, Washington.

Keywords: South America/Peru/Ports.

Call Number: H780

Notes: No. 1183. Corrected to Feb. 24, 1920.

Abstract: 2 maps. 1) Port Islay. From a British Survey in 1836. Plan of port (houses are empty, the people have moved to Mollendo). Hydrographical, physical. Shaded. 2) Port Mollendo. Chiefly from a Peruvian Survey in 1871. Plan of port; railway to Arequipa. Communicational, hydrographical, physical. Shaded.

Pablo Jose Oricayn

1780 Paucartambo. edited by Pablo Jose Oricayn.

Keywords: South America/Peru/Cities/Territory.

Call Number: H779

Notes: Saavedra, 1906, insert pp. 152-153.

Abstract: Sent by Governor Benito de la Mata Lineres to the Consejo de Indias. Copy of old Spanish map showing political boundaries of the Curate of Paucartambo, Intendencia del Cuzco, southern Peru. Historical, physical, political. Color, shaded.

1930 The Peruvian Railway Systems.

Keywords: South America/Peru/Railways.

Call Number: H778

Notes: Davies, 1930, p. 442.

Abstract: 3 outline maps of Peruvian railways: 1. The Central Coastal Region; 2. The Northern Coastal Region; 3. Connections from the Southern Ports. Communicational, political.

Isiah Bowman and Kai Hendriksen

1911 The Yale Peruvian Expedition of 1911. edited by Isiah Bowman and Kai Hendriksen, The Topographic Engraving Co., Washington.

Keywords: South America/Peru/Explorers/Ruins.

Call Number: H777

Notes: Edition of 1916. Size and scale may vary between maps. Bowman, 1916, pp. 114-314.

Abstract: 8 maps showing route of the expedition. Communicational, physical.

Yale Peruvian Expedition 1911.

Keywords: South America/Peru/Explorers/Cities.

Call Number: H776

Notes: Bingham, 1912, f.p. 6.

Abstract: Cities and towns, railways, route of Yale Peruvian Expedition of 1911 from Camana to Province of Vilcapampa, Peru. Communicational. Inset: South America, region traversed by expedition.

A.H. Bumstead

1916 Route Map of the Peruvian Expedition of 1915, Under the Auspices of the National Geographic Society and Yale University. edited by A.H. Bumstead.

Keywords: South America/Peru/Explorers/Ruins.

Call Number: H775

Notes: Bingham, 1916, p. 434.

Abstract: Route followed by the National Geographic Society and Yale University in their work of exploring and mapping that section of the highland of Peru which has Machu Picchu for its center. Communicational, physical. Inset: Peru, location of area covered by the main map.

A.H. Bumstead

1916 Route Map of the Peruvian Expedition of 1915. edited by A.H. Bumstead.

Keywords: South America/Peru/Explorers/Indigenous Populations.

Call Number: H774

Notes: Route taken by the expedition under the auspices of the National Geographic Society and Yale University. Ferris, 1921, front.

Abstract: Regions where Quichua and Machiganga Indians were measured. Points located by astronomical observations, rivers, ruins, towns. Archeological, communicational, ethnographical, ethnological, physical. Inset: Relative location of Expedition in Peru.

Fray Manuel Sobreviela

1790 Plan de las Montanas y Fronteras de la Gentilidad, en los Confines del Virreinato del Peru. edited by Fray Manuel Sobreviela, Lima.

Keywords: South America/Peru/Religion.

Call Number: H773

Notes: Dedicated to the Viceroy Croix. Original in the Archivo General de Indias, Sevilla. Saavedra, 1906, v. 2, f.p. 288.

Abstract: Defining the boundary between the converted and infidel Indians in the district governed by the Viceroy in Peru from the Bishopric of Guamanga to Truxillo. Cities and towns, roads. Communicational, historical, physical, political, religious. Color.

Outline Sketch Showing the Principal Rock Belts of Peru Along the Seventy-Third Meridian.

Keywords: South America/Peru/Geology.

Call Number: H772

Notes: Bown, 1916, p. 235.

Abstract: Geologic formations and strata of the principal rock belts of Peru. Sketch. Geological.

Y.J. Kilgore

1909 Hydrologic Map of the Northern Division of the Pacific Slope of Peru. Departments of Tumbes, Piura, and Lambayeque. edited by Y.J. Kilgore.

Keywords: South America/Peru.

Call Number: H771

Notes: Based on Raimondi's Map. From George I. Adams, an outline review of the geology of Peru, Smithsonian Report for 1908.

Abstract: Cities and towns, deserts, hills and mountains, irrigated lands, plains, railways, rivers. Communicational, physical, political. Mounted, shaded.

G.R. Pierce

1909 Hydrologic Map of the South Central Division of the Pacific Slope of Peru.

Departments of Lima and Ica. edited by G.R. Pierce.

Keywords: South America/Peru.

Call Number: H770

Notes: After Raimondi's Map. From George I. Adams, an outline review of the geology of Peru, Smithsonian report for 1908.

Abstract: Cities and towns, hills and mountains, irrigated lands, plains, railways, rivers. Communicational, physical, political. Mounted, shaded.

Y.J. Kilgore

1909 Hydrologic Map of the North Central Division of the Pacific Slope of Peru.

Departments of Libertad and Ancachs. edited by Y.J. Kilgore.

Keywords: South America/Peru.

Call Number: H769

Notes: Based on Raimondi's Map. From George I. Adams, An Outline Review of the Geology of Peru, Smithsonian Report for 1908.

Abstract: Cities and towns, hills and mountains, irrigated lands, plains, railways, rivers. Communicational, physical, political. Mounted, shaded.

G.R. Pierce

1909 Hydrologic map of the Southern Division of the Pacific Slope of Peru. Departments of Arequipa, Moquegua, and Tacna. edited by G.R. Pierce.

Keywords: South America/Peru.

Call Number: H768

Notes: Based on Raimondi's map. From George I. Adams, An Outline Review of the Geology of Peru, Smithsonian Report for 1908.

Abstract: Cities and towns, hills and mountains, irrigated lands, plains, railways, rivers. Communicational, physical, political. Mounted, shaded.

Andres Baleato

1796 Plano General del Reyno del peru en la America Meridional. edited by Andres Baleato.

Keywords: South America/Peru/Natural Resources.

Call Number: H767

Notes: By order of Viceroy Fray Fancisco Gil y Lemos. Copy of original in the Archivo de Indias, Madrid. Saavedra, 1906, v. 2, f.p. 38.

Abstract: Capitals, cities, missions, and towns, mining centers, gold and silver deposits, highways and trails. Communicational, economical, physical, political, religious. 3 photostatic copies on file.

Stanford's Geographical Establishments

1885 The Railways of Peru. edited by Stanford's Geographical Establishments, London.

Keywords: South America/Peru/Railways.

Call Number: H766

Notes: Bates, 1885, f.p. 361.

Abstract: Cities and towns, railways, submarine telegraph cables. Communicational, physical, political. Color.

The Oil Fields of Peru.

Keywords: South America/Peru/Natural Resources.

Call Number: H765

Notes: Standard Oil Co., 1921, p. 8.

Abstract: Cities and towns, location of oil wells, railways. Communicational, economical, physical, political. Inset: Peru. Location of section covered by main map.

1902 Perou Croquis de la Voie Centrale. M. Badiola and Co..

Keywords: South America/Peru/Transportation.

Call Number: H764

Notes: Peru. Ministerio de agricultura y trabajo publico, [1902], f.p. 20.

Abstract: Navigation on rivers, railways, roads. Communicational, physical. Color.

Guggenheimer

Plan of the Central Route of Peru. edited by Guggenheimer, Weil and Co., Baltimore.

Keywords: South America/Peru/Transportation.

Call Number: H763

Notes: Peru. Ministerio de agricultura y trabajo publico, n.d., insert pp. 4-5.

Abstract: Railway from Callao to Grayo, bridle-path from Oroyo to Rio Chivis, near Pto. Bermudez. Communicational, physical.

A.H. Bustead

1916 Sketch Map of Southern Peru. edited by A.H. Bustead.

Keywords: South America/Peru.

Call Number: H762

Notes: Bingham, 1916, p. 435.

Abstract: That part of Peru in which the National Geographic Society-Yale-Peruvian Expeditions were particularly interested. Route of Expedition in 1915, from Mollendo to Cuzco, railways. Communicational, physical, political. Shaded.

Edward Weller

1874 Map of Southern Peru. edited by Edward Weller, John Murray, London.

Keywords: South America/Peru.

Call Number: H761

Notes: For the Journal of the Royal Geographical Society to accompany Mr. Markham's Paper.

Abstract: Cities and towns, railways. Communicational, physical. Color, mounted. Inset: Section of Railway from Arequipa to Puno.

Intercontinental Railway Commission

1898 Central Western Peru. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Peru/Railways.

Call Number: H760

Notes: From Intercontinental Railway Survey Map IV, Ecuador and Peru with Parts of Colombia, Brasil and Bolivia.

Abstract: Railways in operation and proposed. Communicational, physical. Photostatic. 2 additional copies on file.

1903 Mineralogical Map of Peru. Minister of Foreign Affairs.

Keywords: South America/Peru/Natural Resources.

Call Number: H759

Notes: Collins, 1904, p. 645.

Abstract: Cities and towns, location of minerals, railways, rivers of Peru according to a publication of the Minister of Foreign Affairs, 1903. Communicational, economical, political.

A. Raimondi

1875 Mapa Para la Historia de la Geografia del Peru, Hasta el Ano 1553. edited by A. Raimondi, V. Ravillon, Lima.

Keywords: South America/Peru/Indigenous Populations/Ruins.

Call Number: H758

Notes: Raimondi, 1876, v. 2, front.

Abstract: Ancient and modern capitals of Peru, cities and towns (dates of foundings), distribution of Indian tribes, ancient and modern highways, rivers. Communicational, ethnographical, historical, physical, political. Shaded.

Camilo Vallejos Z.

1906 Mapa del Peru. edited by Camilo Vallejos Z., Carlos Fabbri, Lima.

Keywords: South America/Peru.

Call Number: H757

Notes: Pesce, 1906, back.

Abstract: Departmental and provincial capitals, cities and towns; major and minor ports; highways, highways under construction, mule roads; limit of steam navigation; stretches of rivers navigable by steam in dry and wet seasons; railways in operation, under construction and projected. Communicational, hydrographical, physical, political. Color.

Map of Peru, Showing the Cordilleras of the Andes.

Keywords: South America/Peru/Mountains.

Call Number: H756

Notes: Adams, 1909, f.p. 430.

Abstract: Cities and towns, limit between coast and sierra. Physical, political.

R.E. Baluarte, L. G. I.

1903 Map of Peru. edited by R.E. Baluarte, L. G. I., D.E. Larrabure y Unanue, Minister of Foreign Affairs, Lima.

Keywords: South America/Peru/Trade/Indigenous Populations/Natural Resources.

Call Number: H755

Notes: Issued by Eduardo Higginson, Consul of Peru at Southhampton. copy on file. stored in oversized. (See also 748 of MARI collection.).

Abstract: Capitals, cities, havens, major and minor ports, towns; petroleum deposits; distribution of Indians, forests; railways in operation and projected, roads and telegraphs, rapids and falls, limits of steam navigation, steamer routes.

Communicational, economical, ethnographical, physical, political. Color, mounted. Inset: England and Wales on same scale.

H. Guillaume

1888 Map of Peru. edited by H. Guillaume, Wyman and Sons, London.

Keywords: South America/Peru.

Call Number: H754

Notes: Guillaume, 1894, front.

Abstract: Capitals, cities and towns; distribution of forests, Indians, mines; railways in operation and projected; river depth and width. Communicational, economical, ethnographical, hydrographical, physical, political. Shaded.

Camilo Vallejos Z

1913 El Peru en 1913. edited by Camilo Vallejos Z, Carlos Fabbri, Lima.

Keywords: South America/Peru.

Call Number: H753

Notes: Made by the Sociedad Geografica de Lima and ordered to be published for free distribution in commemoration of its 25th anniversary, by the Society's founder, Escmo. Sr. Guillermo E. Billighurst, President of the Republic.

Abstract: Capitals, railways, rivers. Communicational, physical, political. Color, mounted.

Peru.

Keywords: South America/Peru/weather/agriculture.

Call Number: H752

Notes: Bowman, 1916, p. 123.

Abstract: 4 maps of uniform size and scale showing: 1. The three chief topographic regions of Peru. 2. The wind belts of Peru and ocean currents of adjacent waters. 3. The climatic belts of Peru. 4. Belts of vegetation in Peru. Economical, hydrographical, meteorological, physical, political.

The London Geographical Institute

1910 Peru. edited by The London Geographical Institute, George Philip and Son, London.

Keywords: South America/Peru/Cities.

Call Number: H751

Notes: Domville-Fife, 1910, f.p. 160.

Abstract: Principal cities and towns, steamer routes (distances in nautical miles), submarine cables. Communicational, physical, political. Color, shaded.

The Projected Canal to Convey Water from the Atlantic Slope to the Pacific Slope of the Maritime Cordillera.

Keywords: South America/Peru/Canals.

Call Number: H750

Notes: From Boletín de Minas del Perú, 1906, no. 37, p. 84. Bowman, 1916, p. 118.

Abstract: Projected canal from Lake Choclococha to the source of River Ica. Sketch.

Map of Lima, Peru, Showing the Location of the Ruins, About 23 Miles Distant.

Keywords: South America/Peru/Ruins/Cities.

Call Number: H749

Notes: Currier, 1912, p. 302.

Abstract: Location of the dead city of Cajamarquilla near Lima, railways, roads, trail. Archeological, communicational, political.

J. Mynde

1772 Plan of Lima. edited by J. Mynde.

Keywords: South America/Peru/Cities.

Call Number: H748

Notes: Ulloa, 1772, v. 2, f.p. 30.

Abstract: The city of Lima in the Rimac Valley, southwestern Peru. Communicational, physical. Shaded.

City of Lima.

Keywords: South America/Peru/Cities/Trade.

Call Number: H747

Notes: U.S. Navy department. Bureau of navigation, 1920, back.

Abstract: Plat of the city of Lima. Communicational. 2 insets: Lima and Environs; and South America. Steamer distances to important ports.

Irrigated and Irrigable Land in the Ica Valley of the Costal Desert of Peru.

Keywords: South America/Peru/Agriculture.

Call Number: H746

Notes: From Bol. de Minas del Peru, 1906, no. 37, p. 82. Bowman, 1916, p. 118.

Abstract: Irrigated and irrigable land along the Ica River, railway from Ica to Pisco. Communicational, economical.

1788 Plan de las Conversiones Huanta.

Keywords: South America/Peru/Religion.

Call Number: H745

Notes: Copy of original in the Archivo General de Indias, Sevilla. Saavedra, 1906, f.p. 266.

Abstract: Principal cities and towns. Historical, religious. Color.

Manuel Sobreviela

1791 Plan del Curso de los Rios Huallaga y Ucayali y de la Pampa del Sacramento. edited by Manuel Sobreviela, La Sociedad de Amantes del Pais de Lima.

Keywords: South America/Peru/Indigenous Populations/Rivers.

Call Number: H744

Notes: Copy of original in the Archivo General de Indias. Saavedra, 1906, v. 2, f.p. 206.

Abstract: Cities, towns and villages, course of Huallaga and Ucayali Rivers and tributaries, distribution of Indians, location of Pampa del Sacramento, roads.

Communicational, ethnographical, physical, political.

Manuel Sobreviela

1791 Plan del Curso de los Rios Huallaga y Ucayali y de la Pampa del Sacramento. edited by Manuel Sobreviela, La Sociedad de Amantes del Pais de Lima.

Keywords: South America/Peru/Indigenous Populations/Rivers.

Call Number: H743

Notes: Raimondi, v. 2, f.p. 418.

Abstract: Cities, towns and villages, cours of Haullaga and Ucayali Rivers and tributaries, distibution of Indians, location of Pampa del Sacramento, roads. Communicational, ethnographical, physical, political.

Manuel Sobreviela

1790 Plan del Curso de los Rios Huallaga y Ucayali y de la Pampa del Sacramento. edited by Manuel Sobreviela.

Keywords: South America/Peru/Indigenous Populations/Rivers.

Call Number: H742

Notes: Added to and corrected by Amadeo Chaumette Des Fosses, 1830. Lithographed by A. Hoen and Co., Baltimore, 1854. Herndon and Gibbon, 1854, atlas.

Abstract: Cities, towns and villages, cours of Huallaga and Ucalyali Rivers and tributaries, distribution of Indians, location of Pampa del Sacramento, roads. Communicational, ethnographical, physical, political.

1808 Mapa Original de la Intendencia de Guamanga en el Peru.

Keywords: South America/Peru/Natural Resources.

Call Number: H741

Notes: Made by order of Demetrio O'Higgins. Original in the Archivo de Indias, Sevilla. Saavedra, 1906, v. 2, f.p. 36.

Abstract: From astronomical observations and is according to the general demarcation in the land in 1803 and 1804. The first map methodically made in South America.

Capitals, towns and villages, sugar and wheat estates, highways, principal mining products. Communicational, economical, physical, political. Color.

Plan of Ruins at Espiritu Pampa.

Keywords: South America/Peru/Archeology/Ruins.

Call Number: H740

Notes: Bingham, 1912, p. 57.

Abstract: Inca ruins at Espiritu Pampa, province of Vilcapampa, Peru.

Pablo Jose Oricayn

1780 El Collao. edited by Pablo Jose Oricayn.

Keywords: South America/Peru.

Call Number: H739

Notes: Sent to the Consejo de Indias by Governor Benito de la Mata Linares. Saavedra, 1906, v. 1, insert pp. 152-153.

Abstract: Copy of old Spanish map of the provinces of Azangaro, Carabata, and Lampa in the Curate of Collao, southern Peru. Historical, physical, political, religious. Color, shaded.

Jose Ramos de Figueroa

1787 Plano de Obispado del Cuzco. edited by Jose Ramos de Figueroa.

Keywords: South America/Peru/Churches.

Call Number: H738

Notes: Sent by Jose Ramos de Figueroa to the Consejo de Indias. Copy of the original in th Archivo General de Indias, Sevilla. Saavedra, 1906, v.1, f.p. 140.

Abstract: Diocese of the Bishopric of Cuzco. Location of churches and missions, roads. Communicational, historical, physical, political, religious. Color, shaded.

Pablo Jose Oricayn

1786 Intendencia General del Cuzco. edited by Pablo Jose Oricayn.

Keywords: South America/Peru.

Call Number: H737

Notes: Saavedra, 1906, v.1, f.p. 152.

Abstract: The state of Cuzco, southern Peru, with its political divisions in accordance with the best informants of its Capital, added to and corrected by Pablo Jose Oricayn. Principal cities and towns. Physical, political. Color.

Andres Baleato

1792 Plano de la Intendencia del Cuzco. edited by Andres Baleato.

Keywords: South America/Peru/Religion/Indigenous Populations/Conquest.

Call Number: H736

Notes: Made by order of Viceroy Fray Francisco Gil y Lemos. Original in the Deposito Hidrografico, Madrid. Saavedra, 1906, v. 1, f.p. 152.

Abstract: Capitals, towns and villages, locations of conversions, villages of infidel Indians, mining centers, roads. Communicational, economical, physical, political, religious. Shaded.

Eduardo Ydiaques

1906 Mapa de la Audiencia e Intendencia del Cuzco en 1787. edited by Eduardo Ydiaques.

Keywords: South America/Peru/States.

Call Number: H735

Notes: Saavedra, 1906, v. 1, f.p. 162.

Abstract: The state of Cuzco, with its political divisions, and vicinity, cities and towns. Physical, political. Shaded. 3 photostatic copies on file.

Departamento del Cuzco.

Keywords: South America/Peru.

Call Number: H734

Abstract: Cities and towns, railway of the provinces of the Department of Cuzco, southwestern Peru. Communicational, political. Color, manuscript.

Nuevo Hospital del Cuzco.

Keywords: South America/Peru/Hospitals.

Call Number: H733

Abstract: General Plan of the location of the new hospital at Cuzco. Plan. Color, mounted, manuscript.

R. Zarate

1921 Plano del Convento de Sto. Domingo del Cuzco. edited by R. Zarate, Lima.

Keywords: South America/Peru/Churches.

Call Number: H732

Notes: Zarate, 1921, f.p. 80.

Abstract: Plan No. 3. Outline of the detailed plan of the convent of Sto. Domingo in the City of Cuzco, southern Peru. Communicational, physical.

R. Zarate

1921 Cuzco. edited by R. Zarate.

Keywords: South America/Peru/Cities/Cuzco.

Call Number: H731

Notes: Zarate, 1921, f.p. 8.

Abstract: Plan No. 2. Modern Cuzco. Buildings of interest to the traveler, highways, railways, rivers. Archeological, communicational, physical. Shaded.

R. Zarate

1920 A Plan of Cuzco-Ancient and Modern. edited by R. Zarate, Cuzco.

Keywords: South America/Peru/cities/Cuzco.

Call Number: H730

Notes: Zarate, 1921, f.p. 8.

Abstract: Plan No.1. Ancient buildings and streets from the English original published in London, 1555. Ancient and modern Cuzco compared. Communicational, physical. Color.

Croquis del Cuzco.

Keywords: South America/Peru/Railways.

Call Number: H729

Abstract: Plan of 5 Military districts of Cuzco, location of railway station. Military. Color, manuscript.

Kai Hendriksen

1911 Cuzco and Environs. edited by Kai Hendriksen.

Keywords: South America/Peru.

Call Number: H728

Notes: Yale Peruvian Expedition 1911. Bingham, 1912, f.p. 297.

Abstract: Surrounding territory of Cuzco, railways, roads. Communicational, physical. Shaded.

Geologic Sketch Map And Cross Section in the Cotahuasi Canyon at Cotahuasi.

Keywords: South America/Peru/Geology.

Call Number: H727

Notes: Bowman, 1916, pp. 247-248.

Abstract: 2 sections of Cotahuasi Canyon, southeastern Peru at: 1. Cotahuasi and 2. Taurisma, above Cotahuasi. Physical.

Composite Geologic Section of the Northeastern Border of the Cordillera Vilcapampa, In the Vicintiy of Pampaconas, To Show the Deformative Effects fo the Granite Intrusion.

Keywords: South America/Peru/Geology/Rivers.

Call Number: H726

Notes: Bowman, 1916, p. 215.

Abstract: Granite, Porphyry and Sandstone strata of Cordillera Vilcapampa, Andes of Southern Peru in the vicinity of the Pampaconas River. Physical.

Glacial Features of the Eastern Slopes of the Cordillera Vilcapampa.

Keywords: South America/Peru.

Call Number: H725

Notes: Bowman, 1916, p. 210.

Abstract: In the vicinity of Chucuito Pass, between the ARma and Vilcabamba Valley. Communicational, physical. Shaded.

Glacial Sculpture in the Heart of the Cordillera Vilcampampa.

Keywords: South America/Peru.

Call Number: H724

Notes: Bowman, 1916, p. 212.

Abstract: In the vicinity of Arma. Communicational, physical. Shaded.

Regional Diagram of the East Andes (Here the Cordillera Vilcapampa) and the Adjacent Tropical Plains.

Keywords: South America/Peru/Agriculture.

Call Number: H723

Notes: Bowman, 1916, p. 22.

Abstract: Topography of Eastern Andes and Amazon Basin, location of rubber plantations and stations. Communicational, physical, economical.

Irrigated and Irrigable Land of the Coast Belt of Peru.

Keywords: South America/Peru/Weather/Agriculture.

Call Number: H722

Notes: Bowman, 1916, p. 113.

Abstract: Crest of Maritime Cordillera; desert plains; irrigated and irrigable land; limit between mountain zone of annual rains and coastal zone of rains at intervals of several years. Economical, meteorological, physical.

Erhard

1894 Map of the Caravaya Valley. edited by Erhard.

Keywords: South America/Peru.

Call Number: H721

Notes: Guillaume, 1894, f.p. 168.

Abstract: Forests, towns, topography of Caravaya Valley, southeastern Peru. Economical, physical.

Mapa Remitido por Fray Juan de Ojeda al Virrey Conde de Castellar Sobre Conversiones de Carabaya, 1677.

Keywords: South America/Peru/Religion/Conquest.

Call Number: H720

Notes: Original in the Archivo de Indias, Sevilla. Saavedra, 1906, v. 2, f.p. 62.

Abstract: Map which Fray Juan de Ojeda sent to Conde Castellar illustrating religious conversions in the lowland at the river junctions in the State of Carabaya, Peru. Location of churches and missions founded among the Indians. Historical, physical, religious. Color.

J. Mynde

1772 The Port of Callao. edited by J. Mynde.

Keywords: South America/Peru/Cities/Ports.

Call Number: H719

Notes: Ulloa, 1772, v. 2, f.p. 30.

Abstract: The port of Callao and city of Lima, roads. Communicational, physical. Shaded.

Kai Hendriksen

1911 Ayahuaycco Quebrada Near Cuzco, Peru. edited by Kai Hendriksen.

Keywords: South America/Peru/Cities.

Call Number: H718

Notes: Bingham, 1912, f.p. 304.

Abstract: Sketch map of the vicinity of Cuzco, southern Peru, showing the relation of the Ayahuaycco Quebrada to the well-known ruins in the neighborhood. Archeological, physical.

Ferro Carriles del Sur del Peru. Plano y Perofil de la Linea Entre Arequipa Y Puno.

Keywords: South America/Peru/Railways/Cities.

Call Number: H717

Abstract: Plan and profile of railway between Arequip and Puno, via Vincocaya and Juliaca, southern Peru. Communicational, physical. On verse: Plan and profile of railway between Mollendo and Arequipa.

Intercontinental Railway Commission

1896 Plano de la Linea Entre Arequipa and Puno. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Peru/Railways.

Call Number: H716

Abstract: Route of proposed line of Intercontineental Railway between Arequipa and Puno, southern Peru. Communicational, physical. Color, mounted. Inset: Profile of route. 3 photostatic copies on section between Cabanillas and Puno.

Geologic Sketch Map and Section, Antabamba Region.

Keywords: South America/Peru/Rivers.

Call Number: H715

Notes: Bowman, 1916, p 245.

Abstract: Geologic section of bedded strata cut by Antabamba River, southeastern Peru.

Ch. Wiener

1894 Map of the Ancachs Department. edited by Ch. Wiener, Erhard.

Keywords: South America/Peru/Ancash.

Call Number: H714

Notes: Guillaume, 1894, f.p. 152.

Abstract: Capital, cities, towns, villages, route of travel by Ch. Wiener in the department of Ancachs, northern Peru. Communicational, physical.

Francois Weines de Morgenstorn

1846-1853 Republique du Paraguay. edited by Francois Weines de Morgenstorn.

Keywords: South America/Paraguay.

Call Number: H713

Notes: Ponte, 1929, p. 8.

Abstract: Edited in 1873 and dedicated by its author to the Paraguayan Congress. Communicational, physical, political. Shaded.

The London Geographical Institute

1910 Paraguay. edited by The London Geographical Institute, George Phillip and Son, London.

Keywords: South America/Paraguay.

Call Number: H712

Notes: Domville-Fife, 1910, f.p. 178.

Abstract: Cities and towns; railways in operation and projected, roads and tracks, telegraph lines. Communicational, physical, political. Color, shaded.

T. Conder

1791 A Map of Surinam. edited by T. Conder, J. Johnson, London.

Keywords: South America/Surinam/Conflict/Race/Indigenous Populations.

Call Number: H711

Notes: Stedman, 1796, v. 1, f.p. 30.

Abstract: Encampments by Col. Fourgeoud and his troops, forts, military postes, negro settlements, Indian villages. Communicational, ethnographical, military, physical.

T. Conder

1791 Plan of the Town of Paramaribo. edited by T. Conder, J. Johnson, London.

Keywords: South America/Guyana/Cities/Rivers.

Call Number: H710

Notes: Stedman, 1796, v. 1, f.p. 288.

Abstract: Plan of Paramaribo on th River Surinam, Dutch Guiana. Communicational, physical.

Department of Commerce, G. S. R.

Guianas (British, Dutch and French) Regions within Climatic Conditions Seem Sufficiently Favorable for the Production of Hevea Rubber. edited by Department of Commerce, G. S. R., Drafting Division No. 2374.

Keywords: South America/Guyana/Agriculture.

Call Number: H709

Notes: Treadwell, 1926, p. 295.

Abstract: Principal ports, railways, Hevea rubber region. Outline. Communicational, economical, political.

Stanford's Geographical Establishment

1885 The Guianas. edited by Stanford's Geographical Establishment, London.

Keywords: South America/Guyana/Indigenous Populations.

Call Number: H708

Notes: Bates, 1885, f.p. 437.

Abstract: Cities and towns, distribution of Indians, rivers, submarine telegraph cables, British, Dutch, and French Guiana. Communicational, ethnographical, physical, political. Color.

J.G. Stedman

1793 A Map of Guiana. edited by J.G. Stedman, J. Johnson, London.

Keywords: South America/Guyana/Colonial Times.

Call Number: H707

Notes: Stedman, 1796, v. 1, front.

Abstract: The Guianas in 1793, territory under Dutch, Fench, Portugese and Spanish domination. Communicational, ethnographical, historical, physical, political. Shaded.

T. Conder

1791 Plan of the Principal Field of Action between the Rivers Cottica and Marawina. edited by T. Conder, J. Johnson.

Keywords: South America/Guyana/Conflict/Race.

Call Number: H706

Notes: Stedman, 1796, v. 2, f.p. 126.

Abstract: Creeks, demolished fields, points where troops were joined by black corps or rangers, posts, camping sites on the principal field of action against revolting negroes in Surinam, Dutch Guiana. Communicational, historical, military, physical.

T. Conder

1891 View and Plan of the Fortess Called Amsterdam. edited by T. Conder, J. Johnson, London.

Keywords: South America/Guianas/Forts/Cities.

Call Number: H705

Notes: Stedman, 1796, v. 1, f.p. 134.

Abstract: Location of Amsterdam on the banks of the Commewina and Surinam rivers. Communicational, military, physical.

Francisco Rquena

1779 Mapa que comprende todo el distrito de la Audiencia de Quito. edited by Francisco Rquena.

Keywords: South America/Ecuador/Regions.

Call Number: H704

Notes: Lithographed by J.M. Domingues, Universidad Central, Quito, Ecuador, 1894.

Abstract: Political boundaries of the Audiencia (court of jurisdiction) of Quito, cities, missions, villages, roads. Communicational, historical, physical, political. Color.

J. Mynde

1772 Plan of the City of Quito. edited by J. Mynde.

Keywords: South America/Ecuador/Cities.

Call Number: H703

Notes: Ulloa, 1772, f.p. 92.

Abstract: Plan of city of Quito, northwestern Ecuador. Communicational, physical. Shaded.

Victoria

1902 Map of the Guayaquil and Quito Railway from Duran to Guamote. edited by Victoria.

Keywords: South America/Ecuador/Railways/Cities.

Call Number: H702

Abstract: From Duran to Guamote, via Yagriachi, Naranjito, Supypungo, Pesqueria, Barraganetal, San Rafael, Bucay to Victoria and from Bucay, Huigra, Alausi, Pueblo Viejo, Palmira, Ecuador. Communicational, physical. Inset: Profile of the Guayaquil and Quito Railway from Duran to Vicotoria, and from Bucay to Guamote.

High H. Bennett

1926 Soil Reconnaissance in Western Ecuador. edited by High H. Bennett.

Keywords: South America/Ecuador/Land.

Call Number: H701

Notes: Treadwell, 1926, p. 262.

Abstract: Contours and soil formation of Lowland Western Region an Andean Highlands. Geological, physical. Shaded.

Hugh H. Bennett

1926 Western Ecuador. edited by Hugh H. Bennett.

Keywords: South America/Ecuador.

Call Number: H700

Notes: Base from Luis Tufino's Map of Ecuador, 1922. No. 2348. Treadwell, 1926, p. 251.

Abstract: Elevation from : 0-100m, 100-200 m, 200-500 m., over 500 m. Santa Domingo - Bucay Soil belt, moist throughout dry season. Geological, physical.

John Arrowsmith

1860 Sketch Map to Illustrate Explorations in Ecuador, In the years 1856 and 1857.

edited by John Arrowsmith, J. Murray, London.

Keywords: South America/Ecuador/Explorers.

Call Number: H699

Notes: Pritchett, 1860, f.p. 64.

Abstract: Principal cities and towns, route traveled by George James Pritchett. Communicational, physical, political. Shaded.

Department of Commerce, G. S. R.

1926 Ecuador, regions within which climatic conditions seem sufficiently favorable for the cultivation of hevea rubber. edited by Department of Commerce, G. S. R., Drafting Division N. 2411.

Keywords: South America/Ecuador/Natural Resources/Agriculture.

Call Number: H698

Notes: Treadwell, 1926, f.p. 247.

Abstract: Area with climatic conditions favoring the cultivation of Hevea rubber, principal cities and towns, railways. Communicational, economical, political. Shaded.

Intercontinental Railway Commission

1892 Sketch of Exploration of Quindio Pass. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Colombia/Railways.

Call Number: H697

Notes: Intercontinental railway commission, v. 2, f.p. 52.

Abstract: Line of Intercontinental Railway Survey of Quindio Pass, Department of Cauca, southwestern Colombia. Communicational, physical. Color. Elevations in meters.

Intercontinental Railway Commission

1892 Sketch of Probable Location, Popayan to La Plata. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Colombia/Railways/Cities.

Call Number: H696

Notes: Intercontinental railway commission, v. 2, insert pp. 52-53.

Abstract: Probable location of Intercontinental Railway between Papayan and La Plata, southwestern Colombia. Communicational, physical. Color. Elevations in meters.

Rail and River Routes in Colombia.

Keywords: South America/colombia/Rivers/Railways.

Call Number: H695

Notes: Davies, 1930, p. 268.

Abstract: Principal cities and towns, railways and connecting river routes of travel.

Outline. Communicational, political.

Department of Commerce, G. S. R.

1926 Colombia, Regions within which climatic conditions seem sufficiently favorable for the cultivation of hevea rubber. edited by Department of Commerce, G. S. R., Drafting Division No. 2224.

Keywords: South America/Colombia/Natural Resources/Climate.

Call Number: H694

Notes: Treadwell, 1926, p. 212.

Abstract: Principal cities and towns, railways, limits of Hevea region. Communicational, economical, political. Shaded.

Walter Barth Cali

1922 Departamento del Valle del Cauca. edited by Walter Barth Cali.

Keywords: South America/Colombia.

Call Number: H693

Notes: Drawn especially for Borne and Barth.

Abstract: Capitals, principal cities and towns, highways and roads, railways in operation and projected. Communicational, political. Color, mounted.

J. Mynde

1772 Plan of Cartagena. edited by J. Mynde.

Keywords: South America/Colombia/Cities/Cartagena.

Call Number: H692

Notes: Ulloa, 1772, f.p. 26.

Abstract: City of Cartagena on the north coast of Colombia. Location of the Cathdral, Port of St. Philip de Barras, and Hospital of St. Lazaro. Communicational, physical.

J. Mynde

1772 Bay of Cartagena. edited by J. Mynde.

Keywords: South America/Colombia/Bays/Cartagena.

Call Number: H691

Notes: Ulloa, 1772, fp 26.

Abstract: Plan of the Bay of Cartagena on the north coast of Colombia.

Communicational, physical. Shaded.

Intercontinental Railway Commission

1892 Sketch map of Cartago to Ambalema. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Colombia/Cities.

Call Number: H690

Notes: Intercontinental railway commission, v. 2, insert pp. 58-9.

Abstract: Line of Intercontinental railway survey from Cartago to Ambalema, barometric and proposed reconnaissance. Communicational, physical. Color. Elevations in feet and meters.

Intercontinental Railway Commission

1892 Sketch map of Caceres to Cartagena. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Colombia/Cities.

Call Number: H689

Notes: Intercontinental railway commission, 1895-98, v. 2, f.p. 82.

Abstract: Survey of country between Caceres and Cartagena, northern Colombia.

Communicational, physical. Color.

Intercontinental Railway Commission

1893 Section of Rio Atrato at Rio-Sucio. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Colombia/Rivers.

Call Number: H688

Notes: Intercontinental railway commission, 1895-98, v.2, f.p. 128.

Abstract: Sectional view of the junctino of Rio Atrato and Rio-Sucio, Department of Cauca, southwestern Colombia, showing stages of water in the Rio Atrato at differnt periods during the year. Communicational, hydrographical. color.

Intercontinental Railway Commission

1893 Sketch of surveys Anori to Caceres. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Colombia/Cities.

Call Number: H687

Notes: Intercontinental Railway Commission, 1895-98, v. 2, f.p. 80.

Abstract: Survey of country between Anoi and Caceres. State of Antioquia, northwestern Colombia. Communicational, physical. Color.

1889 Iquique Road. U.S. Hydrographic Office, Washington.

Keywords: South America/Chile/Roads.

Call Number: H686

Notes: No. 1147. Extensive corrections Sep. 1899. (Corrected to Mar. 1, 1921).

Abstract: Types of bottom, navigation lights, plat of Iquique, railways and submarine cables, northern coast of Chile. Communicational, hydrographical, physical. Mounted, shaded.

F.A. Godoy

1929 Map showing connection of Chilean railways with the numerous seaports. edited by F.A. Godoy.

Keywords: South America/Chile/Railways.

Call Number: H685

Notes: Map in 2 sections. Reid, 1929, p. 161.

Abstract: Railways in operation and projected. Communicational, physical, political. Inset: South America. Location of section covered by main map.

The Chilean Railways.

Keywords: South America/Chile/Railways.

Call Number: H684

Notes: Davies, 1930, p. 260.

Abstract: Principal railways of Chile from Arica to Castro. Outline. Communicational, political.

1890 Arica Road. U.S. Hydrographic Office, Washington.

Keywords: South America/Chile.

Call Number: H683

Notes: From British, French, and Chilean Surveys. No. 1203. Extensive corrections Nov. 1894, Oct. 1907. (Corrected to Mar. 11, 1921).

Abstract: Navigation lights, types of bottom, buoys, plat of Arica, railway and roads leaving city, northwestern coast of Chile. Communicational, hydrographical, physical. Mounted, shaded. Soundings in fathoms, elevations in feet.

1889 Antofagasta Road (Moreno Bay). U.S. Hydrographic Office, Washington.

Keywords: South America/Chile/Bays.

Call Number: H682

Notes: From a Chilean Survey in 1904. No. 1152. Extensive corrections Feb. 1898, Feb, 1907. (Corrected to Mar. 11, 1921).

Abstract: Types of bottom, navigation lights, plat of Antofagasta, railway, road, submarine cables entering city, northwestern coast of Chile. Communicational, hydrographical, physical. Mounted, shaded. Soundings in fathoms, elevations in feet. Inset: Abtao Cove.

Antofagasta (Chile) and Bolivia Railway. Waterlow and Sons, London.

Keywords: South America/Chile/Railways/Cities.

Call Number: H681

Abstract: Railways between Arica and Tacna, Piqua and Patillos, connections with the ports: Junink, Caro Buena, Iquique, Antofagasta, and to Collahuasi via Calama, Toeopilla and Toco. Communicational, physical, political. Color.

J. and C. Walker

1836 Plan of the Rivers Ucayali and Amazon from the Mission of Sarayacu to the Rio Negro. edited by J. and C. Walker, J. Murray, London.

Keywords: South America/Brazil/Rivers.

Call Number: H680

Notes: From the observations of Lieut. Wm Smyth and Mr. Fredk Lowe, 1835. Smyth and Lowe, 1836, back.

Abstract: Course of Amazon River from its junctino with the Ucayali through western Brazil to the mout of the Rio Negro; distribution of Indian tribes; settlements and Indian villages. Communicational, ethnographical, historical, hydrographical, physical. Inset: continued from the Map of Shpix and Martius to Para.

Algot Lange

1914 A sketch map of lower Tocantins and Moju Rivers. edited by Algot Lange.

Keywords: South America/Brazil/Rivers.

Call Number: H679

Notes: Lange, 1914, f.p. 94.

Abstract: Channels, rapids, course of rivers, towns, and villages, State of Para, northeast Brazil. Sketch. Hydrographical.

Lageplan von Santos.

Keywords: South America/Brazil/Ports/Cities.

Call Number: H678

Notes: Sievers, 1914, p. 195.

Abstract: City and port of Santos, railways and roads. Plat. Communicational, physical. Shaded.

Route of Corps No. 1 From San Patricio to Las Pedras.

Keywords: South America/Brazil/Railways/Rivers.

Call Number: H677

Notes: Craig, 1907, f.p. 332.

Abstract: Survey of Madeira and Mamore Railway, from San Patricio on Madeira River to Las Pedras on Jaci Parana River, western Brazil. Sketch. Communicational.

Theodore Roosevelt

1914 Sketch map of the unknown river christened Rio Roosevelt, and subsequently Rio Teodoro, by direction of the Brazilian Government. edited by Theodore Roosevelt.

Keywords: South America/Brazil/Rivers.

Call Number: H676

Notes: Roosevelt, 1914, f.p. 338.

Abstract: Course of Rio Teodoro and tributaries from its source to its confluence with Madeira River, rapids, telegraph road. Sketch. Communicational.

1915 Map of the Rio Roosevelt. The Royal Geographical Society, London.

Keywords: South America/Brazil/Rivers.

Call Number: H675

Notes: From surveys by the Roosevelt-Rondon Expedition, Feb 27-April 30, 1914.

Reduction of a 1:200,000 manuscript map supplied by Col. Theodore Roosevelt.

Abstract: Course of the Rio Roosevelt from its source to its junction with the Madeira. Map divide into 6 sections and an index. Houses and shelters, islands, lagoons, rapids, tributaries. Communicational, hydrographical, physical. Color, mounted. Inset: index.

Rio Roosevelt.

Keywords: South America/Brazil/Rivers.

Call Number: H674

Abstract: The so-called River of Doubt, tributary of the Madeira, State of Amazonas, western Brazil. Sketch. Photostatic. 7 copies on file.

Lageplan von Rio de Janeiro.

Keywords: South America/Brazil/Cities.

Call Number: H673

Notes: Sievers, 1914, p. 193.

Abstract: Railways and roads, topography of vicinity. Communicational, physical. Shaded. Inset: Location of Rio de Janeiro.

Bay of Rio De Janeiro.

Keywords: South America/Brazil/Bays/Cities.

Call Number: H672

Notes: Kidder, 1845, f.p 197.

Abstract: Anchorage for Men-of-War, merchant vessels discharging cargo, merchant vessels receiving cargo. Communicational, hydrographical, physical.

Map of the State of Para.

Keywords: South America/Brazil/Cities/States.

Call Number: H671

Notes: Para, Brazil (state), 1893, B.

Abstract: Principal cities and towns, road, northeastern Brazil. Communicational, physical, political.

William J. Wilson

1914 Map of the State of Para. edited by William J. Wilson.

Keywords: South America/Brazil/Indigenous Populations.

Call Number: H670

Abstract: Cities and towns, distribution of Indians, rivers, northeastern Brazil.

Communicational, ethnographical, physical, political. Mounted, shaded.

Mappa da distribuicao geographica das principaes arvores fornecedoras de gomma elastica no estado do Para, segundo os dados Fornecidos pelo museu Goeldi e Pela secretaria de fazenda de estado e organizado pelos Drs. Jose Picanco Diniz e Jacques Huber. Ernesto Lohse and Co., Para.

Keywords: South America/Brazil/Natural Resources/Rubber.

Call Number: H669

Abstract: Geographical distribution of the prinicpal rubber producing districts in the state of Para, northeastern Brazil. Communicational, economical, physical, political.

Color.

1911 Port of Para, Plan of the City of Para and of the Privileged Zone of the Port.

Waterlow and Sons, Ltd., London.

Keywords: South America/Brazil/Ports/Rivers.

Call Number: H668

Notes: Hale, 1912, f.p. 698.

Abstract: Limits of privileged zone, telegraph lines, railways, roads. Communicational.

Color. Inset: Para River, one of the mouths of the Amazon, between Para and the Atlantic Ocean.

1911 Port of Para, Sketch Plans of Port Works. Waterlow and Sons, Ltd., London.

Keywords: South America/Brazil/Ports.

Call Number: H667

Notes: Hale, 1912, f.p. 696.

Abstract: Cross section through warehouses, general plan of quays, general plan showing quays at Para and shipyard at Val-de-caes, privileged zone of port.

Communicational, hydrographical. Color.

1909 Port of Para, Brazil. The Engineering Magazine.

Keywords: South America/Brazil/Ports.

Call Number: H666

Notes: St. Clair, 1909, p. 4.

Abstract: Channel, docks, soundings of harbor, roads, power transmission and telephone lines. Sketch. Communicational, hydrographical.

Manoel Odorico Nina Ribeiro

1883-1986 Planta da Cidade do Para. edited by Manoel Odorico Nina Ribeiro, C. Wiengandt, Para.

Keywords: South America/Brazil/Cities/States.

Call Number: H665

Notes: Para, Brazil (state), 1893, f.p. 28.

Abstract: Made by order of Vereacao do Quatrienio. Plat of the city of Para, State of Para, buildings of interest, railways. Communicational. Color.

1893 Para River, Channel to Para. U.S. Hydrographic Office, Washington.

Keywords: South America/Brazil/Rivers.

Call Number: H664

Notes: No. 1375. Extensive corrections, Dec. 1912.

Abstract: Plat of the Port of Para telegraph cables, navigation ligts, railways. Communicational, hydrographical. Shaded, mounted. Soundings in fathoms.

1836 Rio Negro. Day and Haghe, London.

Keywords: South America/Brazil/Rivers.

Call Number: H663

Notes: Smyth and Lowe, 1836, f.p. 293.

Abstract: Course of Rio Negro in northwestern Brazil from its headwaters to its junction with the Amazon, falls, rapids, tributaries, towns. Sketch. Physical.

Algot Lange

The Connection between the Moju and the Tocantins Rivers. edited by Algot Lange.

Keywords: South America/Brazil/Rivers.

Call Number: H662

Notes: Lange, 1914, f.p. 77. From a sketch by Algot Lange.

Abstract: Location of neutral tidal zone of Jurana and Miritypuku Rivers, State of Para, northeast Brazil. Sketch. Hydrographical.

1917 Geographical Distribution of the Indians, Mattogrosso, Brazil.

Keywords: South America/Brazil/Indigenous Populations.

Call Number: H661

Notes: Pinto, 1917, p. 359.

Abstract: Distribution of Indians, rivers, telegraph lines. Communicational, ethnographical.

Noroeste do estado de Matto Grosso, 1918.

Keywords: South America/Brazil/Rivers.

Call Number: H660

Abstract: Northwestern part of the State of Matto Grosso, Brazil. Fiscal agencies and offices, projected fiscal agencies and offices railway, telegraph lines, offices.

Communicational. Blueprint. 1 additional blueprint and 5 photostatic copies of portion of map covering the fiscal agencies of Rio Jamary, Rio Namore, Rio Mutum Parana, and Part of Rio Guapore.

A.K. Anderson

1911 Mappa do Rio Madeira Desde a Foz Ate Porto Velho. edited by A.K. Anderson.

Keywords: South America/Brazil/Rivers.

Call Number: H659

Abstract: Course of the Rio Madeira. Communicational, ethnographical, hydrographical, physical. Blueprint, mounted. 5 sheets: 1. Rio Amazonas to Boca do Sampeia, Boca do Sampeia to Borba. 2. Borba to Sao Pedro, Sao Pedro to Rio Aripuana, Rio Aripuana to Rio Mataura. 3. Rio Mataura to Feliz Victoria, Feliz Victoria to Praceres de Gondamar, Praceres de Gondamar to Rao Rafael. 4. Sao Rafael to Calamar. 5. Calamar to San Luzia, San Luiza to Porto Velho. Location of region inhabited by the Parintintin Indians.

1882 The Madeira River from its mouth to the falls of San Antonio. U.S. Hydrographic Office, Washington.

Keywords: South America/Brazil/Rivers/Indigenous Populations.

Call Number: H658

Notes: Original survey by U.S.S. Enterprise in 1878. Corrected to Jan. 7, 1921.

Abstract: 5 sheets: 1. No. 893, from the mouth of the river to Trocana Id. 2. No. 894, from Trocana Id to Mataura Id. 3. No. 895, Mataura Id to Tapuru Id. 4. No. 896, Tapuru Id to Veados Id. 5. No. 897, Veados Id to San Antonio. Location of Parintintin Indians (cannibals).

W.C. Chandless

1869 Map of the river Jurua. edited by W.C. Chandless, Edw. Weller, London.

Keywords: South America/Brazil/Rivers.

Call Number: H657

Notes: Map for the Journal of the Royal Geographical Society.

Abstract: State of Amazonas, western Brazil. River Jurua for a distance of 890 geographical miles from its mouth. Distribution of Indians. Map in 2 sections. Communicational, ethnographical, hydrographical. Color, mounted.

Topographical and Archeological Sketch of Ilah Pacoval.

Keywords: South America/Brazil/Archeology.

Call Number: H656

Notes: Lange, 1914, f.p. 308.

Abstract: Flat low and pottery strewn beaches, ridge, low canarana - swamp or mondongo Pacoval island, Lake Arary, State of Para, northeastern Brazil. Sketch.

E. Benavides

Cobija (Igarape Bahia). edited by E. Benavides.

Keywords: South America/Brazil.

Call Number: H655

Abstract: Plan of the city of Cobija, Brazil, formerly Bolivian territory. Communicational. Color, mounted.

A. Lange

1910 Caoutchouc Region. edited by A. Lange.

Keywords: South America/Brazil/Indigenous Populations.

Call Number: H654

Notes: Lange, 1910, back.

Abstract: Area covered by the Algot Lange Expedition in 1910, showing deviations from Stiegler's Atlas, distribution of Indians, rivers. Sketch. Communicational, ethnographical.

Edwd. Weller

1870 Map of the Rivers Canuma, Abacaxis, and Maue-assu and its tributaries. edited by Edwd. Weller, J. Murray, London.

Keywords: South America/Brazil/Rivers.

Call Number: H653

Notes: Map for the Journal of the Royal Geographical Society. Reduced from the original map by Chandless.

Abstract: Latitude and longitude of various points along the rivers. Communicational, hydrographical, physical. Color, mounted. Inset: Sketch map showing the connection of the rivers Canuma and c. with the River Amazon.

H. Dengler

Reisewege von Theodor Koch-Grunberg in Northwest-Brasilien, 1903-1905. edited by H. Dengler.

Keywords: South America/Brazil.

Call Number: H652

Notes: Koch-Grunberg, 1921, f.p. 416.

Abstract: Territory on Rio Negro and tributaries, northwestern Brazil, settlements, Indian villages. Sketch. Communicational. Inset: Location of area explored in Brazil.

1853 Karte Zur Übersicht von H. Burmeister's Reise in Brasilien im Jahre 1850. H. Mahlmann.

Keywords: South America/Brazil/Explorers.

Call Number: H651

Notes: Compiled from the best sources. Based on Herman Burmeister's travels in Brazil. Burmeister, 1853, f.p. 608.

Abstract: Cities and towns, roads, route. Communicational, physical, political. Color, shaded.

The Principal Brazilian Railways.

Keywords: South America/Brazil/Railways.

Call Number: H650

Notes: Davies, 1930.

Abstract: Cities and towns, principal railways, rivers of east coast. Outline. Communicational.

Economic map of the United States of Brazil, 1912.

Keywords: South America/Brazil/Natural Resources.

Call Number: H649

Notes: Oakenfull, 1912, front.

Abstract: Specially drawn for Brazil in 1911. Principal cities and towns, distribution of agricultural and mineral products. Accompanying table giving time and mileage from Rio de Janeiro to important ports. Communicational, political.

1885 The Seaports of Brazil. Stanford's Geographical Establishment, London.

Keywords: South America/Brazil.

Call Number: H648

Notes: Bates, 1885, f.p. 427.

Abstract: Cities, ports, towns, railways, submarine telegraph cables, on the east coast of Brazil. Communicational, physical, political. color.

Sketch map of northeastern Brazil.

Keywords: South America/Brazil/Explorers.

Call Number: H647

Notes: Lange, 1914, f.p. 444.

Abstract: Region explored by Algot Lange. Political.

James W. Wells

1886 Physical Map of Brazil. edited by James W. Wells, Edwd. Weller, for the Proceedings of the Royal Geographical Society.

Keywords: South America/Brazil.

Call Number: H646

Abstract: A sketch indicating the surface configuration of the country. Forest, grass and scrub, arid sandy savannas or moorlands, railways. Communicational, economical, political.

Joao Crockatt de Sa Pereira de Castro and Eduardo A.G. Thomson

Official Map of Brazil. edited by Joao Crockatt de Sa Pereira de Castro and Eduardo A.G. Thomson, McCorquodale and Co., London.

Keywords: South America/Brazil.

Call Number: H645

Notes: Revised and brought up to date specially for the Brazilian Year Book, by E.A. Lassance Cunha.

Abstract: Cities and towns, navigable stretches of river, railways under construction, projected, surveyed and under survey, submarine cables. Communicational, physical, political. Color, mounted.

The London Geographical Institute

1910 Brazil. edited by The London Geographical Institute, George Philip and Son, London.

Keywords: South America/Brazil.

Call Number: H644

Notes: Domville-Fife, 1910, f.p. 74.

Abstract: Cities and towns, railways, roads, steamer routes (distances in nautical miles), submarine cables. Communicational, physical, political. Color, shaded.

R.D. Servoss

1879 Sketch map of the Amazons and its Tributaries, near the Mout of the Tapajos. edited by R.D. Servoss, New York.

Keywords: South America/Brazil/Rivers.

Call Number: H643

Notes: Based on maps by D.S. Ferreira-Panna and Joas Barboza Rodriguez. Smith, 1879, front.

Abstract: Course of rivers, islands, lakes. Physical. Inset: River Tapajos, from the Apuim Fall to the Mouth.

U.S. Hydrographic Office

1886 Mouth of the Amazon River and Vicinity, Marca Island to San Joao Islands. edited by U.S. Hydrographic Office, Washington.

Keywords: South America/Brazil/Rivers.

Call Number: H642

Notes: Compiled from latest French, Brazilian, and United States surveys, 1886. No. 886.

Extensive corrections Jan. 1909.

Abstract: North coast of Brazil. Anchorages, cities and towns, navigation lights.

Communicational, hydrographical, physical.

U.S. Hydrographic Office

1882 The Amazon River from Para to Manaus. edited by U.S. Hydrographic Office, Washington.

Keywords: South America/Brazil/Rivers.

Call Number: H641

Notes: Original survey by the U.S.S. Enterprise in 1878. (Corrected to Dec. 31, 1920).

Abstract: 6 Sheets: 1. Mouth of Para river. 2. Santa Cruz to Vierira Branch. 3. From Viera Branch to Maracas Id. 4. Maracas Id to Villa Bella. 5. Villa Bella to Serpa. 6. Serpa to Manaus.

W. and A.K. Johnson Ltd.

1899 Delta of the Amazon. edited by W. and A.K. Johnson Ltd., The Royal Geographical Society, London.

Keywords: South America/Brazil/Rivers.

Call Number: H640

Notes: From the Mappa do Estado do Para pelo Ingenheir H. de Santa Rosa.

Abstract: Mouth of the Amazon, northeastern coast of Brazil. Communicational, physical. color, mounted. 5 photostatic copies.

The Amazon Delta and Marajo Island.

Keywords: South America/Brazil/Rivers.

Call Number: H639

Notes: Lange, 1914, f.p. 342.

Abstract: Location of Amazon Delta and Marajo Island in Para, northeastern Brazil. Sketch.

1907 The Amazon Below Obidos.

Keywords: South America/Brazil/Rivers.

Call Number: H638

Notes: Craig, 1907, f.p. 116.

Abstract: Course of the Amazon River and its tributaries from Obidos, Brazil to the Atlantic Ocean. Outline. Communicational, physical. color.

Ermanno Stradelli

1906 Estado do Amazonas. edited by Ermanno Stradelli, Aillaud and Co..

Keywords: South America/Brazil/States.

Call Number: H637

Notes: Published during the administration of Governor A. Constantino Nery.

Abstract: Capitals, cities, estates, small farms, missions, towns. Communicational, physical, political. color, mounted. Inset: Planta Manaus e Arrabaldes. Plan of Manaus and suburbs.

Amazonas.

Keywords: South America/Brazil/Rivers.

Call Number: H636

Abstract: Rio Madeira and tributaries of Aripuana, State of Amazonas, western Brazil. Sketch. Mounted, photostatic.

J.H. Fawsett

1907 Alto Acre. edited by J.H. Fawsett, Imp. y Lit. Boliviana, La Paz.

Keywords: South America/Bolivia/Brazil/Rivers.

Call Number: H635

Abstract: Acre River from its source to Bella Flor, Department of Upper Acre, Territory of Acre, Southwestern Brazil along Boliviana border. Distribution of Indians.  
Ethnographical, political.

1916 Ferrocarril a Yungas. H. Heitmann and Co., La Paz.

Keywords: South America/Bolivia/Railways.

Call Number: H634

Abstract: Vertical profile of La Paz to Yungas Railway survey from 0 to 20 km. Pro.  
Communicational, physical. Photostatic.

1916 Ferrocarril a Yungas. H. Heitmann and Co., La Paz.

Keywords: South America/Bolivia/Railways.

Call Number: H633

Notes: Map in 3 sections.

Abstract: Horizontal plan of the La Paz to Yungas Railway survey from 0 to 9,700 km.  
Communicational, physical. Photostatic. 2 additional copies on file.

Rudolph Weber

1910 Map of the Island of Titicaca and Surroundings. edited by Rudolph Weber.

Keywords: South America/Bolivia/Peru/Lakes.

Call Number: H632

Notes: Bandelier, 1910, f.p. 6.

Abstract: Reduced and redrawn from original made by Adolph F. Bandelier. Island belonging to Bolivia in Lake Titicaca, between northwestern Bolivia and Peru. Physical. Shaded.

1889 Map of the Rio Tipuani with Its Principal Placer Basins. G.W. and C.B. Colton and Co..

Keywords: South America/Bolivia/Natural Resources/Mining.

Call Number: H631

Notes: Corning, 1889, p. 53.

Abstract: To accompany the Report of Frederick G. Corning. Location of gold deposits along the Tipuani River, western Bolivia. Communicational, economical, physical.

1927 Map of the Tin District of Bolivia Showing Principal Mines.

Keywords: South America/Bolivia/Natural Resources/Mining.

Call Number: H630

Notes: Tin production in Bolivia, 1927, p. 39.

Abstract: Tin districts of Caracoles, La Fabulosa, Oruro, Potosi, western Bolivia; railways. Outline. Communicational, economical, political.

Rio Tahuamanu.

Keywords: South America/Bolivia/Rivers.

Call Number: H629

Abstract: Course of the Tahuamanu River from Porvenir to Puerto Rico, northwestern Bolivia. Sketch. Mounted, manuscript.

Antonio Aymerich

1764 Mapa de las Misiones de la Compania de JHS en el Territorio de Moxo I Chiquitos, en la Guvernacion I Comandancia Gral. de Santa Crus de la Sierra, Marchando en el, el Terreno de S.M.C. que Ocupan los Portugeses. edited by Antonio Aymerich, La Plata.

Keywords: South America/Bolivia/Missions/Religion.

Call Number: H628

Notes: Original in the Archivo General de Indias, Sevilla. Saavedra, 1906, v. 2, f.p. 150.

Abstract: Jesuit Missions in the Commandancia General of Santa Cruz de Sierra and surrounding territories, Chiquitos and Moxos, of His Catholic Majesty occupied by the Portuguese. Road from Santa Rosa, Moxos to La Plata, capital of Characas. Communicational, historical, physical. Color.

Miguel Angel Rosales

1923 Plano de la ciudad de San Miguel. edited by Miguel Angel Rosales.

Keywords: South America/Bolivia/Cities.

Call Number: H627

Abstract: Woodcut executed by Francisco A. Moreno. Plat of the city of San Miguel. Communicational. Mounted, shaded.

Edwin R. Heath

Reyes to Junction with River Mamore and to Rio Yacuma on Mamore River, Also Yacuma River. edited by Edwin R. Heath, Kansas City.

Keywords: South America/Bolivia/Rivers.

Call Number: H626

Abstract: The course of the Yacuma river from Reyes to its junction with the Mamore river, and the Mamore river from its junction to the Yacuma River, 59 sections, bound in book form. Sketch. Communicational. Photostatic. 3 additional copies on file.

1911 Map of Quimza Cruz District. The Engineering and Mining Journal.

Keywords: South America/Bolivia/Natural Resources/Mining.

Call Number: H625

Notes: Armas, 1911, p. 360.

Abstract: Topography of Quimza Cruz mining district, northwestern Bolivia. Sketch. Economical, physical.

Reconocimiento Para un Ferrocarril en La Republica de Bolivia entre Salinas (Rio Beni) y Coripata (Rio Tamanpaya) Mostrando la Direccion Propuesta de Dicha Via.

Keywords: South America/Bolivia/Railways/Rivers.

Call Number: H624

Abstract: Preliminary survey for a railway in the Republic of Bolivia between Puerto Salinas on the Rio Beni and Coripata on the Rio Tamampaya, showing the proposed route for the line. Map in 13 sections. Communicational, physical. Photostatic.

1914 Mapa de Reconocimiento Para el Ferrocarril Potosi-Sucre. H. Heitmann and Cia., La Paz.

Keywords: South America/Bolivia/Railways.

Call Number: H623

Abstract: Reconnaissance map of the country between Potosi and Sucre, southwest Bolivia. Line recommended by the Bolivian Railway. Variations recommended by W.J. Milner, lines via Oroyo, Potolo, Nuccho, Obra de Pulqui, highways, mule trails. Communicational, physical. Color, mounted. Profile: Potosi to Sucre.

Rio Orton.

Keywords: South America/Bolivia/Rivers.

Call Number: H622

Abstract: Course of the Orton River from Puerto Rico to the Beni River in northeastern Bolivia. Sketch. Manuscript.

1910 Mapa de Reconocimiento del Ferrocarril La Paz-Yungas. H. Heitmann and Co., La Paz.

Keywords: South America/Bolivia/Railways.

Call Number: H621

Abstract: Reconnaissance map of the country between La Paz and Yungas. Proposed railway, alternative line, roads. Communicational, physical. Inset: Profile of route from La Paz to Coripata. 5 photostatic copies on file.

Engineering Dept.

1910 Reconnaissance Map Showing Country Between La Paz and Yungas. edited by Engineering Dept., Antofagasta a Bolivia Ry. Co. Ltd..

Keywords: South America/Bolivia/Railways.

Call Number: H620

Abstract: Alternative and proposed lines between La Paz and Yungas. Communicational, physical. Photostatic. Inset: Profile route from La Paz to Coripata. Scale applies to original copy only.

Mapa Topografico de la Laguna de La Paz y de Chucito con Todas sus Yslas y las Provincias que la Circulan, Como son Omasuyos, Pacajes Chucuito Puno y Guancane, Segun se Demuestra Por sus Respectivas Divisiones, 1873-1893.

Keywords: South America/Bolivia/Lakes.

Call Number: H619

Notes: Bandelier, 1910, f.p. 358.

Abstract: Exact copy of Manuscript map (full size) made in 1573 for the Viceroy Don Francisco de Toledo, (Original in Peru). Topographical position of Lake La Paz and Lake Chucuito, their islands and surrounding territories of Pacajas, Chucuito, Puno and Guancane, northwestern Bolivia. Communicational, physical, political.

Eduardo Idiaquez

Mapa del Departamento de La Paz. edited by Eduardo Idiaquez.

Keywords: South America/Bolivia.

Call Number: H618

Abstract: Southeastern part of the department of La Paz. Capitals, cities and towns, railways and roads. Map in 3 sections. Communicational, physical, political. Photostatic. 1 additional copy on file.

Juan Bettger

1912 Croquis de la Ciudad de La Paz Nuevo Radio Urbano. edited by Juan Bettger, Imp. y Lit. Boliviana, La Paz.

Keywords: South America/Bolivia/Cities.

Call Number: H617

Abstract: The City of La Paz and new suburbs. Plan. Communicational, physical. Color, mounted.

Mr. Arnold W. Hodson's Routes in the Kalahari Desert, 1905.

Keywords: South America/Bolivia/Explorers.

Call Number: H616

Notes: Hodson, 1910, p. 167.

Abstract: Southwestern Bolivia. Old and new routes of travel, water supply. Communicational. Photostatic. Inset: Location of section covered in main map.

1911 Rio Kaka. The Engineering and Mining Journal.

Keywords: South America/Bolivia/Rivers/Mining/Natural Resources.

Call Number: H615

Notes: Armas, 1911, p. 857.

Abstract: Topography of country traversed by the Kaka River, a tributary of the Beni, northwestern Bolivia. Location of gold mines. Economical, physical.

Inquisivi. National Geographic Society, Washington.

Keywords: South America/Bolivia.

Call Number: H614

Abstract: Department of Inquisivi, in the southwestern part of the state of La Paz. Communicational, physical, political.

1911 The River Heath and Adjacent Territory. The Royal Geographical Society, London.

Keywords: South America/Bolivia/Indigenous Populations/Rivers.

Call Number: H613

Notes: To illustrate the Paper by Major P.H. Fawcett, 1910.

Abstract: Rubber forests, towns, location of Indian tribes in northwestern Bolivia. Communicational, economical, ethnographical, hydrological, physical. Color, mounted. Elevations in feet. 2 insets: Geographical position of River Heath in Bolivia, and Section of the Inca Mining and Rubber Cos. Road.

F.S. Weller

1900 The Highest Part of the Cordillera Real. edited by F.S. Weller, The Royal Geographical Society, London.

Keywords: South America/Bolivia.

Call Number: H612

Notes: From a triangulation and plane table survey by Martin Conway, 1898, and various unpublished documents.

Abstract: Cities and towns of the provinces of Lambate, Larecap, Las Yungas, and Puna, highways, secondary roads. Communicational, physical. Color, mounted. Elevation in feet. 4 photostatic copies on file.

Antonio Salvatierra

1899 Plano de los Gomales de Conquista. edited by Antonio Salvatierra.

Keywords: South America/Bolivia/Natural Resources.

Call Number: H611

Abstract: Map of 171,153 hectareas (1 hectarea = 2.471 acres) in the rubber bearing district of Conquista between Puerto Rico and Rio Madre de Dios, Territorio de Colonios, northwestern Bolivia, boundary of section, centers of trapping, paths of exploration, paths and mule roads, swamps. Communicational, economical. Manuscript.

Sketch Map of Colquechaca Mining District, Showing the Location of the Principal Mines.

Keywords: South America/Bolivia/Mining/Natural Resources.

Call Number: H610

Notes: Singewald, 1920, p. 764.

Abstract: Location of tin and silver mines. Colquechaca district, Boliva; roads, topography. Sketch. Communicational, economical, physical. Inset: Railways between La Paz and Uyuni and the Pacific coast. Communicational, political.

Territorio Das Colonias.

Keywords: South America/Bolivia/Land/Conflict.

Call Number: H609

Abstract: Bolivian section of Acre Territory, site of battles between Bolivia and Brazil and Indian tribes, roads, trails. Communicational, ethnographical, military, political.

Mounted, photostatic. 3 unmounted copies on file.

1927 Map Showing the Route of the Cochabamba-Santa Cruz Railway.

Keywords: South America/Bolivia/Railways.

Call Number: H608

Notes: Ovando, 1927, p. 7.

Abstract: Departments of Cochabamba, Druro, and La Paz, route of proposed railway from Cochabamba to Santa Cruz, other railways proposed and in operation.

Communicational, political.

1903 Sketch Map of Caupolican and Adjoining Portions of Northern Bolivia. The Royal Geographical Society, London.

Keywords: South America/Bolivia/Explorers.

Call Number: H607

Notes: Compiled from the surveys of G.N. Watney, J.W. Evans, and others.

Abstract: Caupolican and adjoining territories of Larecaja and Munecas. Principal cities and towns, routes of members of the expedition. Communicational, physical. Elevations in feet. 4 photostatic copies on file.

1910 Geological Sketch Map of Carancas Copper Deposits. The Engineering and Mining Journal.

Keywords: South America/Bolivia/Mining/Natural Resources.

Call Number: H606

Notes: Hawhurst, 1910, p. 911.

Abstract: Section of copper deposits, Caranca, Department of Potosi, western Bolivia. Economical. Shaded.

W.T.T.

1921 Caracoles Mines. edited by W.T.T..

Keywords: South America/Bolivia/Mining/Natural Resources.

Call Number: H605

Abstract: Mines under development by Guggenhiem Brothers, Province of Inquisivi, Department of La Paz, western Bolivia. Capitals, cities, towns, and villages, railway, automobile and wagon roads, trails. Communicational, economical, physical, political. Blueprint.

1929 Service Postal Aerien de Bolivie.

Keywords: South America/Bolivia/Mail/Communication.

Call Number: H604

Notes: Bolivia, 1929a, pp. 14-15.

Abstract: Air mail routes in Bolivia, cities and towns. Communicational, physical, political. Inset: South America, extension of air mail service.

Chervin

1907 Carte Des Tribus Indiennes en Bolivie. edited by Chervin.

Keywords: South America/Bolivia/Indigenous Populations.

Call Number: H603

Notes: Chervin, 1907, p. 9.

Abstract: Distribution of Indian tribes in the departments of Bolivia. Outline. Ethnographical, physical, political.

Paul Walle

1914 La Bolivie. edited by Paul Walle.

Keywords: South America/Bolivia/Railways.

Call Number: H602

Notes: Walle, 1914, f.p. 240.

Abstract: Railways in operation, under construction, and projected. Communicational, political.

Huot

1914 Bolivia. edited by Huot.

Keywords: South America/Bolivia.

Call Number: H601

Notes: Walle, 1914, f.p. 408.

Abstract: Principal cities and towns, railways in operation, under construction and proposed. Communicational, physical, political. Shaded.

H. Sharbau

1882 Part of the Bolivian Table Land. edited by H. Sharbau, Edwd. Weller, London.

Keywords: South America/Bolivia.

Call Number: H600

Notes: Map for the proceedings of the Royal Geographical Society. From a trigonometrical survey executed for the National Government in 1882 by J.B. Minchin.

Abstract: Great salt plains, roads, watercourses. Communicational, economical, physical. Color, mounted. Elevations in feet.

F.A. Godoy

1909 Bolivian Railway System. edited by F.A. Godoy.

Keywords: South America/Bolivia/Railways.

Call Number: H599

Notes: Railways in Bolivia, 1909, f.p. 568.

Abstract: Principal cities and towns, railways in operation, under construction and proposed. Communicational, physical, political. Shaded.

H. Sharbeau

1881 Map of Part of Bolivia. edited by H. Sharbeau, Edwd. Weller, London.

Keywords: South America/Bolivia/Lakes/Peru.

Call Number: H598

Notes: Map made for the Royal Geographical Society. From the surveys of J.B. Minchin to illustrate the paper by G.C. Musters, Retired Commander, Royal Navy.

Abstract: Elevations, roads, city of La Paz, and Lake Titicaca region. Communicational, physical. Color, mounted.

H. Sharbeau

1881 Map of Part of Bolivia. edited by H. Sharbeau, Edward Weller, London.

Keywords: South America/Bolivia.

Call Number: H597

Notes: For the Royal Geographical Society. Compiled for the survey of J.B. Minchin, Esqr. engineer of the Bolivian Government.

Abstract: Principal cities and towns, roads. Communicational, physical, political. Color, mounted. Inset: Part of South America Showing the River Systems of the States adjoining Bolivia.

Edwd. Weller

1877 Map of Part of Bolivia. edited by Edwd. Weller, John Murray, London.

Keywords: South America/Bolivia.

Call Number: H596

Notes: Map made for the Journal of the Royal Geographical Society. From the surveys of J.B. Minchin, esqr., engineer of the Bolivian Government.

Abstract: Elevations of cities and towns, mountains. Communicational, physical. Shaded.

Map of North-Western Bolivia.

Keywords: South America/Bolivia/Chile.

Call Number: H595

Notes: By courtesy of the Antofagasta (Chile) and Bolivia Railway Co. Ltd. Guise, 1922, f.p. 246.

Abstract: Principal cities and towns, Antofagasta and Bolivia railways, under construction, in operation and proposed, other railways, rivers. Communicational, physical, political. Shaded.

Richard Mayer

Northwestern Bolivia. edited by Richard Mayer, New York.

Keywords: South America/Bolivia/Rivers.

Call Number: H594

Abstract: Course of Rio Beni, Rio Madre de Dios and their tributaries through northern Bolivia. Communicational, political. Photostatic. 3 additional copies on file.

1901 Northern Bolivia. The Royal Geographical Society.

Keywords: South America/Bolivia.

Call Number: H593

Notes: As corrected by Colonel Jose M. Pando from his explorations 1892-1898.

Abstract: Cities and towns, rivers. Communicational, physical. Color, mounted. Inset: South America, area covered by main map.

P.H. Fawcett

1915 Sketch Map To Illustrate the Explorations of Major P.H. Fawcett, R.G.A. in 1913-14 [Bolivia]. edited by P.H. Fawcett, The Royal Geographical Society.

Keywords: South America/Bolivia/Indigenous Populations.

Call Number: H592

Abstract: Reduced preliminary sketch of Major Fawcett's original drawing based on his recent surveys and more recent prismatic compass traverses, adjusted by astronomical

observations. Distribution of Indians, tramway line, location of ranches, rivers, towns. Communicational, economical, ethnographical. Mounted. 6 photostatic copies of section.

The Royal Geographical Society

1905 Sketch Map Illustrating Explorations in Boliva by Dr. Steinmann, Dr. Hoek & Dr. V. Bistram, 1903-4. edited by The Royal Geographical Society, London.

Keywords: South America/Bolivia/Explorers.

Call Number: H591

Abstract: Cities and towns, railways, route of expedition. Communicational, physical, political. Elevations in feet. Inset: Area covered by explorations in Argentina, Bolivia, Chile and Peru.

Luis Garcia Meza

1908 Mapa General de la Republica de Bolivia. edited by Luis Garcia Meza.

Keywords: South America/Bolivia.

Call Number: H590

Notes: very poor condition!

Abstract: Departmental, provincial, and state capitals; cities and towns; mineral deposits; distribution of Indians; missions; telegraph offices; post offices; railways under construction, in operation and proposed; hevea rubber regions; rivers, roads and highways. Communicational, economical, ethnographical, physical, political. Color, mounted. Inset: Perfil de Bolivia Segun el Plano Vertical de Proyeccion Ne-So de Cochabamba.

Eduardo Idiaquez

1901 Mapa de la Republica de Bolivia. edited by Eduardo Idiaquez, Erhard Brothers, Paris.

Keywords: South America/Bolivia.

Call Number: H589

Notes: Made by order of General Jose Manuel Pando, Constitutional President.

Abstract: Departmental and provincial capitals, cities and towns, railways.  
Communicational, physical, political. Color, mounted.

Richard Mayer

Republica de Bolivia. edited by Richard Mayer, New York.

Keywords: South America/Bolivia/Transportation.

Call Number: H588

Notes: Central section of map defaced.

Abstract: Cities and towns, mines, railways in operation, under construction and proposed, roads. Communicational, economical, political. Color, mounted.

1919 Mapa Telegrafico de Bolivia. La Paz.

Keywords: South America/Bolivia/Communications.

Call Number: H587

Notes: Made by order of Director General de Telegrafos Senor Emilio Zalles.

Abstract: Telegraphic headquarters, discontinued, ordinary and proposed offices, wireless stations in operation, under construction and proposed. Communicational, political. Color, mounted.

1927 Railroad Map of Bolivia.

Keywords: South America/Bolivia/Railways.

Call Number: H586

Notes: Marsh, 1927, p. 18.

Abstract: Operation and projected railways. Outline. Communicational, political.

Luis S. Crespo

1919 Mapa Postal de Bolivia. edited by Luis S. Crespo, Litografia e Imprenta "Moderna",  
La Paz.

Keywords: South America/Bolivia.

Call Number: H585

Abstract: 12 postal districts of Bolivia, 1st, 2nd, and 3rd class post offices, railways in operation and under construction, roads. Communicational, political. Color, mounted.

A. Tapia R.

1920 Mapa Petrolifero de Bolivia. edited by A. Tapia R., Taller de Fotolitografia-F.

Keywords: South America/Bolivia.

Call Number: H584

Notes: Based on the general chart of Eduardo Idiaquez.

Abstract: Map of the oil fields of Bolivia. Railways in operation, under construction and proposed. Communicational, economical, physical, political, land tenure. Color, mounted.

The Principal Mining Regions of Bolivia.

Keywords: South America/Bolivia/Natural Resources.

Call Number: H583

Notes: Singewald, Jr. and Miller, 1916, p. 1007.

Abstract: Location of mining regions in western Bolivia, railways. Outline. Communicational, economical, political.

Map of Bolivia Showing Principal Mining Centers.

Keywords: South America/Bolivia/Natural Resources.

Call Number: H582

Notes: Bliet and Sohnlein, 1916, p. 173.

Abstract: Western Bolivia from La Paz to Argentine border, location of mining regions, railways. Outline. Sketch. Communicational, economical, political.

1912 Map of Bolivia Showing Forest and Agricultural Areas, And Mineral Localities. The Eckert Lithographing Company, Washington.

Keywords: South America/Bolivia/Natural Resources/Farming/Mining.

Call Number: H581

Abstract: Cities and towns, railways in operation and proposed. Communicational, economical, political. Color, mounted.

1907 Map of Bolivia. The Mathews-Northrup Works, Buffalo.

Keywords: South America/Bolivia.

Call Number: H580

Notes: Crag, 1907, f.p. 30.

Abstract: Capitals, principal cities and towns, railways. Communicational, physical, political. Color.

General Direction of Statistics and Geographical Studies

1928 Map of Bolivia. edited by General Direction of Statistics and Geographical Studies, The Litografia "Moderna", La Paz.

Keywords: South America/Bolivia.

Call Number: H579

Notes: Saavedra, 1928, p. 20-21.

Abstract: Capitals, cities and towns, agricultural and mineral products, railways in operation, projected and under construction. Communicational, economical, political. Shaded.

Direccion General de Estadistica y Estudios Geograficos

1917 Mapa de Bolivia. edited by Direccion General de Estadistica y Estudios Geograficos, Imp. y Lit. Boliviana, La Paz.

Keywords: South America/Bolivia/Transportation.

Call Number: H578

Abstract: Departmental and provincial capitals, cities and towns, mining centers, rubber forests, principal mineral products, cattle ranges, railways in operation, under

construction and proposed, automobile roads. Communicational, economical, political. Color, mounted.

Javier Valdez Reynoso

1920 Mapa de Bolivia. edited by Javier Valdez Reynoso, Henrich y Ca., Barcelona.

Keywords: South America/Bolivia.

Call Number: H577

Abstract: Departmental provincial, and state capitals, cities and towns, salt deposits, highways, lakes, salt lakes, navigable rivers, county seats, swamps, foot and mule trails. Communicational, economical, physical, political. Color, mounted.

Eduardo Romecin

1928 Agricultural Regions of Bolivia. edited by Eduardo Romecin, New York.

Keywords: South America/Bolivia/Natural Resources/Farming.

Call Number: H576

Notes: Romecin, 1928, p. 14.

Abstract: Arid Andean grazing region, corn and general farming, eastern potential grazing rubber forests, the Yungas. Economical, political.

Bolivia, Lloy Aereto Boliviano.

Keywords: South America/Bolivia/Transportation.

Call Number: H575

Notes: Boliva, 1930, p. 27. L.A.B. No. 131.

Abstract: Route of flight as of 1930. Actual airways between principal cities of Bolivia, connection with Pan-American airways at Arica, Chile, proposed airway between Cobija and Riberalta; railways. Communicational, physical, political.

M. Boyd

1928 Bolivia, Economic Map. edited by M. Boyd, New York.

Keywords: South America/Bolivia/Natural Resources/Farming.

Call Number: H574

Notes: Bolivia, 1928a, pp. 20-21.

Abstract: Cacao, rice, sugar cane, forests. Outline. Economical, political. Shaded.

Bolivia, 1917.

Keywords: South America/Bolivia/Transportation/Railways.

Call Number: H573

Abstract: Two maps to illustrate Consular Service of Bolivia, a statistic areport which gives general information, guarantees conceded, customs regulations, exterior commerce, railway time table, transportation facilities by animal, carriage, and motor car. 1. Railways of Bolivia. Railways in operation and projected. Communicational, political. 2. Geographical Situation of Bolivia in South America. One additional copy on file.

Bolivia. Rand McNally and Co., Chicago.

Keywords: South America/Bolivia/Natural Resources/Indigenous Populations/Land/Conflict.

Call Number: H572

Notes: Schurz, 1921, f.p. 260.

Abstract: Prinicipal cities and towns, distribution of Indians, agricultural and mineral products, territory in dispute. Communicational, economical, ethnographical, political. Color.

Boliva. Rand McNally and Co., Chicago.

Keywords: South America/Bolivia/Natural Resources/Indigenous Populations.

Call Number: H571

Notes: Bolivia, 1932, p. 4.

Abstract: Cities and towns, distribution of Indians, agricultural and mineral products. Economical, ethnographical, political.

1928 Bolivia.

Keywords: South America/Bolivia/Railways.

Call Number: H570

Notes: Bolivia, 1928, pp. 20-21.

Abstract: Customhouses and railway system of Bolivia. Sketch. Communicational, political.

The London Geographical Institute

1910 Bolivia. edited by The London Geographical Institute, George Philip and Son.

Keywords: South America/Bolivia.

Call Number: H569

Notes: Domville-Fife, 1910, f.p. 102.

Abstract: Principal cities and towns, railways, steamer routes, submarine cables. Communicational, physical, political. Color, shaded.

Luis Garcia Mesa

1903 Mapa de los Rios Beni Y Yacuma. edited by Luis Garcia Mesa.

Keywords: South America/Bolivia/Rivers/Cities/Indigenous Populations.

Call Number: H568

Notes: According to the explorations of Dr. Eduardo R. Heath, 1879, 1880, 1881.

Abstract: Course of the Beni River from La Paz to its confluence with the Rio Madre de Dios, northern Bolivia. Distribution of Indians. Communicational, ethnographical, physical. Mounted, photostatic.

Rio Beni, Rio Madre de Dios and Their Tributaries.

Keywords: South America/Bolivia/Rivers.

Call Number: H567

Abstract: Course of the Beni and Madre de Dios Rivers and their tributaries through northern Bolivia to Brazilian border. Communicational, political. Color, mounted, manuscript.

Rio Beni, Rio Madre de Dios and Their Tributaries.

Keywords: South America/Bolivia/Rivers.

Call Number: H566

Abstract: Course of Beni and Madre de Dios Rivers and their tributaries through northern Bolivia to Brazilian border. On verso: Course of River Orton, from Palestine to River Beni, and course of River Tahuamanu from Porvenir to Naceve. Sketch. Political. Manuscript.

Edwin R. Heath

Beni and Bopi Rivers Between Reyes and La Paz, Bolivia. edited by Edwin R. Heath, Kansas City.

Keywords: South America/Bolivia/Rivers.

Call Number: H565

Abstract: Sketches of course of rivers, through northwestern Bolivia, currents, depths, obstructions, tributaries. 18 sections bound in book form. Hydrographical, physical. Photostatic. 3 additional copies on file.

H. Sharbau

1883 The Beni River. edited by H. Sharbau, Weller, London.

Keywords: South America/Bolivia/Rivers.

Call Number: H564

Notes: From a reduction of the original surveys of Dr. E. Heath supplied by himself. Heath, 1883, f.p. 376.

Abstract: Course of the Beni River through northern Bolivia from La Paz to the Mamore River. Communicational, physical. Inset: Part of Peru and Bolivia to illustrate the paper by Clements R. Markham, C.B. 3 photostatic copies on file. Scales apply to original only.

1911 Topographical Sketch of the Eastern Slopes of the Andes. The Engineering and Mining Journal.

Keywords: South America/Bolivia/Natural Resources.

Call Number: H563

Notes: Armas, 1911, p. 856.

Abstract: Gold and tin mines, railways, navigable rivers (tributaries of the Beni), roads and trails. Communicational, economical, political.

General Plan of Buenos Aires, Argentina.

Keywords: South America/Argentina/Cities.

Call Number: H562

Notes: Reid, 1929, p. 41.

Abstract: City of Buenos Aires, railways and roads entering and leaving the city. Plat. Communicational.

The Provinces and Territories of Argentina.

Keywords: South America/Argentina/Provinces/Natural Resources/Industry.

Call Number: H561

Notes: Davies, 1930, p. 82.

Abstract: Location of the states of Argentina. Accompanying table giving principal products and physical characteristics of states. Outline. Political.

1930 Argentine Railways.

Keywords: South America/Argentina/Railways/Cities.

Call Number: H560

Notes: Davies, 1930, pp. 60-72.

Abstract: 15 maps of routes of Argentine Railways. Sketch. Communicational.

The London Geographical Institute

1910 Argentina. edited by The London Geographical Institute, George Philip and Son, London.

Keywords: South America/Argentina.

Call Number: H559

Notes: Domville-Fife, 1910, f.p. 34.

Abstract: Cities, ports and towns; railways; steamer routes (distances in nautical miles); submarine cables. Communicational, physical, political. Color, shaded.

The Andes-Mendoza and its Suburbs.

Keywords: South America/Argentina/Cities.

Call Number: H558

Notes: Buenos Aires and Pacific railway, n.d., front.

Abstract: City of Mendoza and suburbs in northwestern Argentina. Communicational, physical. Color.

H.M.R.

1912 Radius of Communication Now Possible Through New Wireless Installations in Peru. edited by H.M.R., Pan American Union.

Keywords: South America.

Call Number: H557

Notes: Wireless telegraph in Peru, 1912, p. 83.

Abstract: Communications to Bolivia, Brazil, Chile, Colombia, and Ecuador, and Venezuela. Outline. Communicational. Inset: South America, location of section covered by main map.

Department of Commerce, G. S. R.

1926 Venezuela and Trinidad, Regions within Which Conditions seem Sufficiently Favorable for the Production of Hevea Rubber. edited by Department of Commerce, G. S. R., Drafting Division No. 2407.

Keywords: South America.

Call Number: H556

Notes: Treadwell, 1926, f.p. 316.

Abstract: Area with climatic conditions favoring the cultivation of Hevea Rubber, principal cities and towns, railways. Outline. Communicational, economical, political. Shaded.

W. Duval Brown

1925 Salesman Routing, Venezuela-Colombia. edited by W. Duval Brown.

Keywords: South America/Transportation.

Call Number: H555

Notes: Brown, 1925, p. 3.

Abstract: Route through northern Colombia and Venezuela; automobile roads, railways. Outline. Communicational, political. Mimeograph.

1910 The River Uapes. The Royal Geographical Society, London.

Keywords: South America/Rivers/Indigenous Populations.

Call Number: H554

Notes: From a survey by Hamilton Rice, Oct. 1907-April 1908.

Abstract: 3 maps: 1. Route between Puerto Alturo and Calamar, from Calamar to San Jose, and from San Jose to Guaviare; 2. River Uapes, from Calamer to Pedro Chico; 3. Continuation of River Uapes from Pedro Chico to its confluence with the Rio Negro. Course of the River Uaupes, depths, rapids, tributaries, large native houses, astronomical observations. Communicational, hydrographical, physical. Mounted. Elevations in feet. Inset: Location of region traversed by survey.

F.E. Mendez

1904 Mapa Itinerario Para-Viajeros Los Ferro-Carriles de Sur del Peru Carretera al Cuzco Lago Titicaca I Ferro-Carrile de Guaqui a La Paz. edited by F.E. Mendez.

Keywords: South America/Peru/Bolivia/Lakes/Transportation.

Call Number: H553

Abstract: Itinerary map for travelers on railways of southern Peru, Cuzco-Lake Titicaca Highway, and Guaqui-La Paz railway. Communicational, physical. Color, mounted.

James M. Darley

1927 A Sketch Map of the Lake Titicaca Region. edited by James M. Darley.

Keywords: South America/Lakes/Bolivia/Peru.

Call Number: H552

Notes: McMillin, 1927, p. 214.

Abstract: Principal cities and towns of Bolivia and Peru in the vicinity of Lake Titicaca, railways. Communicational, political, shaded. Inset: Railways from Pacific coast to Lake Titicaca: Mollendo to Puno, Peru; Arica, Chile to La Paz, Bolivia.

Alber H. Bumsted

Lake Titicaca and Vicinity. edited by Alber H. Bumsted.

Keywords: South America/Lakes/Bolivia/Peru.

Call Number: H551

Notes: Bathymetric data chiefly from Agassiz and Neveu-Lemair; other data from Raimondi, Markham, The Peruvian Corporation, and Gregory.

Abstract: Flats around lake shown by horizontal shading. Principal cities and towns, railways. Communicational, hydrographical, physical. Shaded.

A. Raimondi

Map of Lake Titicaca and Surroundings. edited by A. Raimondi.

Keywords: South America/Lakes/Bolivia/Peru.

Call Number: H550

Notes: Reduced copy from Atlas of Peru. Bandelier, 1910, f.p. 3.

Abstract: Principal cities and towns, roads. Communicational, physical, political. Shaded.

Lago Titicaca.

Keywords: South America/Lakes/Peru/Bolivia.

Call Number: H549

Abstract: Cities and towns; rivers; routes of railways from Puno to Cuzco, Juliaca to Arequipa, Cuaqui to La Paz; ruins. Archeological, communicational. Mounted, shaded.

Titicaca.

Keywords: South America/Bolivia/Peru/Lakes.

Call Number: H548

Notes: After Raimondi, Mapa del Peru, foja 30. Bennett, 1934, p. 717.

Abstract: Southern portion of Lake Titicaca, Bolivia and Peru. Locations of islands and sites visited by Wendell C. Bennett. Sketch. Inset: South America, showing location of Lake Titicaca.

Sud Amerika Fluss-Und Gebirgssysteme.

Keywords: South America/Rivers/Transportation.

Call Number: H547

Notes: Sievers, 1914, insert pp.93-99.

Abstract: Elevations above sea level, ocean depth, navigable streams, streams navigable only during the rainy season. Communicational, hydrographical, physical. Color.

F. Domingues

1920 The Southern Route Between Argentina and Chile. edited by F. Domingues, La Plata.

Keywords: South America/Southern Cone.

Call Number: H546

Notes: Reid, 1929, p. 60.

Abstract: Principal cities and towns, railway, roads, route between Bariloche, Argentina and Puerto Varas, Chile by automobile, and steamer over Lakes Llanquihue and Nahuel-Huapi. Communicational, physical, political. Shaded. Inset: Profile of route.

Emery Walker

1911 South American Migrations. edited by Emery Walker, Cambridge University Press, Cambridge.

Keywords: South America/Migration.

Call Number: H545

Notes: Haddon, 1912, map no. 5, back.

Abstract: Migrations of 10 peoples in South America. Outline. Ethnological.

1929 South American Map Showing the Exact Boundaries of Bolivia.

Keywords: South America/Territory/Borders.

Call Number: H544

Notes: Bolivia, 1929, p. 26.

Abstract: Cities, customhouses, railways in operation and under construction. Outline. Communicational, political. Shaded.

1914 Map Showing the Entire South American Journey of Colonel Roosevelt and Members of the Expedition. L.L. Poates and Co., New York.

Keywords: South America/Explorers.

Call Number: H543

Notes: Roosevelt, 1914, f.p. vii.

Abstract: The Roosevelt-Rondon Expedition left Asuncion, Paraguay on December 9, 1913, having traveled overland to that town from Rio de Janeiro by way of Buenos Aires. From Asuncion the expedition followed the Paraguay River northward to its headwaters and at Utianity, Brazil divided into three parties. One party, under Anthony Fiala, continued down the Pappagio (never before descended) and the Tapajos Rivers to the Amazon. On February 27, 1914, Theodore Roosevelt and his party started north on a hitherto unknown river (the River of Doubt) and, following its course, eventually reached the Amazon on March 19, 1914. The third party, under Lauro Miller, after Roosevelt's departure, continued westward and reached the Amazon by way of the Gy-Parana and Madeira Rivers. All three parties, after reaching the Amazon, continued on it to Para, Brazil. Communicational, physical, political.

1929 Southern Part of South America.

Keywords: South America.

Call Number: H542

Notes: Reed, 1929, p. 2.

Abstract: Locations of weather station in Argentina, the disputed territory of Bolivia, Chile, Paraguay, Uruguay, and Falkland and Staten Islands. Outline. Meteorological, political.

1912 Map of Part of South America. Chapman and Hall, Ltd., London.

Keywords: South America/Indigenous Populations.

Call Number: H541

Notes: Church, 1912, f.p. 302.

Abstract: Map includes Bolivia, Brazil, Ecuador, Paraguay, Peru, Uruguay, and parts of Argentina and Chile. Distribution of Indian tribes. Communicational, ethnographical, physical, political. Color.

Mr. Rogers's Route Through South America.

Keywords: South America/Explorers.

Call Number: H540

Notes: Rogers, 1912, p. 627.

Abstract: From Para to Buenos Aires, which, with the exception of a stretch of 180 miles, was made by Alexander P. Rogers's party in boats. Railway from Porto Velho, Brazil to Vila Bella, Bolivia. Communicational, political.

Alexander Gross

Railway Map of South America. edited by Alexander Gross, "Geographia" Ltd., London.

Keywords: South America.

Call Number: H539

Notes: Specially drawn for the publishers of the South American Year Book, The Lousi Cassier Co., Ltd., London.

Abstract: Cities and towns, railways, roads, steamer routes, submarine cables, wireless stations. Communicational, physical, political. Color, mounted. Elevations in feet. 3 insets: 1. Antofagasta to Concepcion, Chile; 2. Geographical position of Buenos Aires, La Plata, Rosario, and Santa Fe, Brazil; 3. South Atlantic Coast of Brazil in the vicinity of Rio de Janeiro. 1 photostatic copy on file. Scales apply to the original only.

1885 Physical Map of South America. Stanford's Geological Establishment, London.

Keywords: South America.

Call Number: H538

Notes: Bates, 1885, f.p. 195.

Abstract: Elevations above sea level, ocean currents, regions of prevailing winds. Hydrographical, meteorological, physical. Color.

The London Geographical Institute

Philips' Commercial and Railway Map of South America. edited by The London Geographical Institute, George Phillip and Son, Ltd., London.

Keywords: South America/Railways.

Call Number: H537

Abstract: Bays, sand banks, cities and towns, light houses and ships, salt pits and works, railways, rivers, steamer routes (distance in nautical miles), submarine cables, volcanoes. Communicational, economical, physical, political. Color, mounted.

New Map of South America. Rand McNally and Company, Chicago.

Keywords: South America.

Call Number: H536

Notes: For distribution through the newspapers represented by Frederic J. Haskin.

Abstract: International and territorial boundaries, canals, cities and towns, railways.

Cities are spelled in their correct local form for use in commerce and travel.

Communicational, physical, political. Color, mounted. 7 insets: 1. Buenos Aires y vecindad; 2. Bogota y vecindad, including the Medellin Valley; 3. Chile; 4. Archipelago de

Galapagos (Ecuador); 5. Principal commercial routes with the U.S. and Europe; 6. Rio de Janeiro e Vizinhanca; 7. Polar Regions.

1885 Ethnological and Philological Map of South America Showing the General Distribution of the Indigenous Races and the Position of the Various Linguistic Families. Stanford's Geographical Establishment, London.

Keywords: South America/Language/Indigenous Populations.

Call Number: H535

Notes: Bates, 1885, f.p. 443.

Abstract: Outline. Color.

John Bartholomew and Son

Bartholomew's General Map of South America. edited by John Bartholomew and Son, The Edinburgh Geographical Institute, Edinburgh.

Keywords: South America/Brazil/Argentina/Peru/Uruguay/Chile/Caribbean.

Call Number: H534

Abstract: Departmental and national capitals, principal cities and towns, railways, steamer routes. Communicational, physical, political. Color, mounted. 8 insets: Bahia or San Salvador; Buenos Ayres (Buenos Aires); Lima; Montevideo; Panama Canal; Rio de Janeiro; Trinidad; Valparaiso.

1912 Map of South America.

Keywords: South America/Rivers/Explorers.

Call Number: H533

Notes: Lange, 1912, back.

Abstract: Area covered by the Algot Lange exploration in Bolivia, Brazil, Ecuador, Paraguay, and Peru. Steamer route from New York to Iquitos, Peru through the Amazon River. Communicational, physical, political.

South America.

Keywords: South America/Disease.

Call Number: H532

Notes: Roesle, 1929, p. 29.

Abstract: Death rate per 10,000 in cities of over 10,000 population from tuberculosis during the years 1910, 1915, and 1925. The three periods are geographically compared.

Outline. Statistical.

South America.

Keywords: South America.

Call Number: H531

Notes: Reid, 1929, p. 4.

Abstract: Location and relative position of the countries of South America. Outline.

Political.

J. Bartholomew

1875 South America. edited by J. Bartholomew, Blackie and Son, Edinburgh.

Keywords: South America.

Call Number: H530

Notes: Marcoy, 1875, front.

Abstract: Ten maps from drawings by Paul Marcoy to illustrate his travels across the continent from the Pacific Ocean to the Atlantic Ocean. Sketch Map of South America.

Communicational, physical. Eight itinerary maps. Communicational, ethnographical, hydrological, physical. Inset: Lower Amazon region.

South America. C.S. Hammond and Co., New York.

Keywords: South America.

Call Number: H529

Notes: Leyburn, 1931, back.

Abstract: Capitals, principal cities and towns, railways and steamer routes.

Communicational, physical, political. Color. Inset on the same scale: Galapagos Islands.

L.L. Poates

1906 South America. edited by L.L. Poates, New York.

Keywords: South America.

Call Number: H528

Notes: Peck, 1916, f.p. 398.

Abstract: Capitals, principal cities and towns, railways, Communicational, physical, political. Color.

R.D. Servass

1912 South America. edited by R.D. Servass, New York.

Keywords: South America.

Call Number: H527

Notes: Copyright by Studen Volunteer Movement for Foreign Missions. Speer, 1912, f.p. 270.

Abstract: Capitals, principal cities and towns, Protestant missions, railways. Communicational, physical, political, religious. Color. Inset: Panama and United States Canal Zone.

Thos. Bowen

1772 South America. edited by Thos. Bowen.

Keywords: South America.

Call Number: H526

Notes: Ulloa, 1772, f.p. 270.

Abstract: Cities and ports, location of mines, ruins, Jesuit settlements as of 1772. Route taken by Com. Antonio de Uloa around Cap Horn to the South Seas. Outline. Archeological, communicational, economical, physical, political, religious. Shaded.

South America.

Keywords: South America/Indigenous Populations/Brazil.

Call Number: H525

Notes: Nordenskiöld, 1924, back.

Abstract: 30 maps of South America. Outline. Economical, ethnographical, ethnological.

Shaded. These maps note the indigenous economy, tools, crafts, and lifestyle.

1885 South America. Stanford's Geographical Establishment, London.

Keywords: South America.

Call Number: H524

Notes: Bates, 1885, f.p. 303.

Abstract: Principal cities and towns, railways, roads, submarine telegraph cables.

Communicational, physical, political. Color.

1915 South America. J.N. Matthews Co., Buffalo.

Keywords: South America.

Call Number: H522

Notes: Babson, 1919, f.p. 382.

Abstract: Capitals, cities and towns, railways of South America. Communicational, physical, political. Color. 3 insets: Galapagos Islands, The Isthmus of Panama,

Comparative area.

Eduardo Ydiaquez

1906 Mapa del Virreynato de Santa Fe o del Nuevo Reyno de Granada en 1739. edited by Eduardo Ydiaquez.

Keywords: South America/Virreynatos/Audiencias.

Call Number: H521

Notes: Saavedr, 1906, v. 1, f.p. 264.

Abstract: Audiencia de Charcas, Audiencia de los Reyes, Audencia de San Francisco, Audencia de Santa Fe, Virreynato del Peru. Communicational, historical, physical, political. Shaded. 3 photostatic copies on file.

Intercontinental Railway Commission

1898 Quito, Ecuador to Cuzco, Peru. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Railways.

Call Number: H520

Notes: Profile IV. Intercontinental railway commission, 1895-96, v. 1, back.

Abstract: From Quito, Ecuador to Cuzco, Peru. Elevation of route of proposed Intercontinental Railway, existing and projected railways. Pro. Communicational, physical. Elevations in feet.

1889 Sketch Map Showing Routes of Communication Between R.R. Terminus at Puno and the Gold Mines at Tipuani. G.W. and C.B. Colton and Co., New York.

Keywords: South America/Peru/Bolivia/Lakes/Railways.

Call Number: H519

Notes: To accompany the Report of F.G. Corning. Corning, 1889, p. 51.

Abstract: Principal cities and towns, railway, mule and stage roads, steamer route across Lake Titicaca. Communicational, economical, political.

1910 South Peru and North Bolivia Including the Rubber Yielding Montana. The Royal Geographical Society, London.

Keywords: South America/Peru.

Call Number: H518

Abstract: Capitals, cities, farms hamlets, towns and villages, railways in operation and proposed. Communicational, economical, physical, political. Color, mounted. Inset: Northern Bolivia, western Brazil, and southern Peru, showing points where adjustments were made in latitude and longitude by astronomical observations, regions mapped from triangulation and traverses, unexplored regions.

Guggenheimer

Peru in South America. edited by Guggenheimer, Weil and Co., Baltimore.

Keywords: South America/Peru.

Call Number: H517

Notes: Peru. Ministerio de agricultura y trabajo publico, n.d., front.

Abstract: Outline map showing position of Peru in South America. Bridle path and railway, rivers. Communicational, political. Color.

Intercontinental Railway Commission

1898 Parts of Peru, Chile, Bolivia, Argentina, and Brasil, With Paraguay and Uruguay, Showing Connection Between the Intercontinental Railway and the Existing and Projected Railroads. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: South America/Railways/Brazil.

Call Number: H516

Notes: Intercontinental railway commission, 1895-98, v. 1, back.

Abstract: Junctions of the Intercontinental Railway and the existing and projected railways. Communicational, physical, political. Color.

1902 Le Perou Dans L'Amerique du Sud. M. Babiola and Co..

Keywords: South America/Peru.

Call Number: H515

Notes: Peru. Ministerio de agricultura y trabajo publico, [1902], front.

Abstract: Map showing the relative position of Peru in South America; navigation, and railways of Peru. Outline. Communicational, political. Color.

Eduardo Ydiaquez

1906 Mapa que Demuestra la Linea de Frontera Entre el Peru y Bolivia Segun sus Titulos de Derecho. edited by Eduardo Ydiaquez, La Paz.

Keywords: South America/Borders.

Call Number: H514

Notes: Saavedra, 1906, v. 2, f.p. 286.

Abstract: Legal boundaries between Bolivia and Peru and between Bolivia and Brazil according to the treaties of 1777 and 1903. Historical, physical, political. Color.

Erhard

1894 Map of the Paucartambo and Carabaya Valleys. edited by Erhard.

Keywords: South America.

Call Number: H513

Notes: Guillaume, 1894, f.p. 288.

Abstract: Forests, limits of exploration, rivers. Economical, physical. Shaded.

Mollendo to Para.

Keywords: South America/Routes.

Call Number: H512

Abstract: Elevation in feet above sea level of route from Mollendo, Peru to Para, Brazil via Colca, Juliaca, Puno, La Paz, Pongo, La Asunta, Rurrenabaque, Lake Rogagua, Lake Roguaguado, Villa Bella, San Antonio, mouth of the Madeira River. Pro.

Communicational, physical. Manuscript, mounted.

Die Magalhaesstrasse.

Keywords: South America/Southern Cone/Tierra del Fuego.

Call Number: H511

Notes: Sievers, 1914, p. 56.

Abstract: Extreme southern portions of Argentina and Chile. Strait of Magellan and Cape Horn. Physical, political.

W.J. Turner

1889 Sketch Map Illustrating Col. A.P. Labre's Explorations in the Vicinity of the Madeira, Purus and Beni Rivers. edited by W.J. Turner, Royal Geographical Society, London.

Keywords: South America/Rivers/Explorers.

Call Number: H510

Notes: For the Proceedings of the Royal Geographical Society. Madeira River from surveys of Selfridges and J. and F. Keller; Beni and Mamore from Heath; Purus and Aquiri from Chandless.

Abstract: Proposed roads, navigable rivers, limits of steam navigation, towns, and villages. Communicational, hydrographical. Mounted. Inset: Parts of Argentina, Bolivia, Brazil, Chile, and Peru. 5 photostatic copies.

Map of the Madeira and Mamore Rivers, Between San Antonio and Guajara-Merim. The Matthews Northrup Works, Buffalo.

Keywords: South America/Rivers.

Call Number: H508

Notes: Craig, 1907, f.p. 50.

Abstract: Reduced form survey of Franz Keller. Madeira and Mamore Rivers through Bolivia and Brazil from the Falls of San Antonio to the Rapids of Guajara-Merim; falls, rapids, tributaries. Sketch. Color.

1908 Route of Railroad Around the Falls of Madeira.

Keywords: South America/Railways.

Call Number: H507

Notes: Tucker, 1908, p. 34.

Abstract: Northern Bolivia, northwestern Brazil, and eastern Peru. Principal cities and towns, rivers. Communicational, political.

E.F.G.

1907 Plan of the Madeira and Mamore Railway. edited by E.F.G..

Keywords: South America/Railways.

Call Number: H506

Notes: Craig, 1907, f.p. 464.

Abstract: Survey line of Madeira and Mamore Railway from San Antonio, Brazil to Estaco Mamore, Brazil, distance from San Antonio. Communicational.

1910 Map of the Madeira-Mamore Railway. Waterlow and Sons, London.

Keywords: South America/Bolivia/Brazil/Railways/Indigenous Population.

Call Number: H505

Notes: 3 copies with legend of conventional references in French, and 6 reduced photostatic copies.

Abstract: Area comprised in the Mutum-Parana Concession owned by Madeira-Mamore Railway in Brazil and Bolivia; cataracts of Madeira River; cities and towns; distribution of Indians; railways and roads. Communicational, ethnographical, physical, political. Color, mounted. Inset: Key map of south America, showing the Madeira-Mamore Railway. Transatlantic routes to important ports of the world.

1914 Madeira-Mamore Railway. Waterlow and Sons, London.

Keywords: South America/Railways.

Call Number: H504

Notes: Walle, 1914, p. 408.

Abstract: Principal cities and towns, route of Madeira-Mamore Railway from Porto Velho to Guajara Mirim, Brazil and Villa Bella to Riberalta, Bolivia, navigable rivers feeding the railway, other railways, steamer routes. Communicational, physical, political. Color.

J.C.R.

1913 E. de F. Madeira e Mamore. edited by J.C.R..

Keywords: South America/Railways.

Call Number: H503

Abstract: Northeastern Bolivia and western Brazil along the Madeira and Mamre Rivers. The existing railway between Porto Velho and Guajara Mirim, Brazil; projected railways between Guayaramerin and Riberalta, Bolivia and between Abuna, Brazil and Tambaqui, Bolivia. Communicational. Blueprint, mounted. Inset: South America, showing the location of area covered by main map.

F.A. Godoy

1910 Map of Route Followed by Lieut. Lardner Gibbon, U.S. Navy, 1851-52, on his Exploring Expedition from the Pacific to the Atlantic Ocean [Lima, Peru to Para, Brazil]. edited by F.A. Godoy.

Keywords: South America/Explorers/Rivers.

Call Number: H502

Notes: Lardner Gibbon's explorations in South America, 1910, p. 452.

Abstract: From Lima, Peru to La Paz, Bolivia, and along Madeira, Mamore, and Amazon Rivers to Para, Brazil. Outline. Communicational.

J. and C. Walker

1836 Map of the Route from Lima to the Mission of Sarayacu. edited by J. and C. Walker, John Murray, London.

Keywords: South America/Peru/Explorers/Missions.

Call Number: H501

Notes: Smyth and Lowe, 1836, back.

Abstract: Route taken along the Huallage River and its tributaries, cities and towns, roads. Communicational, physical. Shaded.

Joaquin Atos

1783 Demonstracion Geografica de las Provincias que Abraza cada Yntendencia de las Establecidas en la parte del Peru, Pertenecientes a el Virreinato del Rio de La Plata. edited by Joaquin Atos.

Keywords: South America/Viceroyalties/Territories.

Call Number: H500

Notes: Saavedra, 1906, v. 1, f.p. 300.

Abstract: Copy of old Spanish map made by order of the Viceroy, showing the provinces which comprise the Intendencia established in that part of Peru which comes under the rule of the Viceroy of Rio de la Plata. Territory at present comprised in northern portions of Argentina and Chile, and western Bolivia. Historical, political. Color.

1885 The Rio de la Plata. Stanford's Geographical Establishment, London.

Keywords: South America/Rivers/Argentina.

Call Number: H499

Notes: Bates, 1885, f.p. 385.

Abstract: Course of the Rio de La Plata and tributaries through Argentina, Brazil, Chile and Uruguay. Railways; submarine telegraph cables. Communicational, physical, political. Colored.

La Paz. The National Geographical Society, Washington.

Keywords: South America/Cities/Bolivia.

Call Number: H498

Abstract: Cities and towns, railways, roads, detailed topography of southwestern Bolivia, northern Chile and southern Peru. Communicational, hydrographical, physical, political. Color, mounted.

Isaiah Bowman

1909 The Lake Huasco Region of Chile and Bolivia. edited by Isaiah Bowman.

Keywords: South America/Lakes.

Call Number: H497

Notes: Based on Military maps of the Oficina de Limites, Chile, and on surveys of the Yale South America Expedition of 1907. Bowman, 1909, p. 273.

Abstract: Corrals, drainage, springs, trails. Communicational, physical, political. Photostatic. Elevations in feet.

Isaiah Bowman

1909 Trails and Corrals of the Lake Huasco Region. edited by Isaiah Bowman.

Keywords: South America/Lakes.

Call Number: H496

Notes: Bowman, 1909, p. 273.

Abstract: Old corrals, marsh and grass lands, springs, trails. Communicational, physical. Photostatic.

John Tyssowski

1854 Map of the Rivers Huallaga, Ucayali, and Amazon. edited by John Tyssowski, A. Hoen and Co., Baltimore.

Keywords: South America/Rivers.

Call Number: H495

Notes: Herndon and Gibbon, 1854, atlas.

Abstract: Course of the Huallaga, Ucayali, and Amazon Rivers and their tributaries from Lima, Peru to Para, Brazil; currents and depths of rivers; cities, estates, forts, towns, and villages; land route and survey stations of exploring expedition under command of Wm. L. Herndon. Communicational, hydrographical, physical. Mounted.

Hondius

1595 Section of Raleigh's Map of Guiana. edited by Hondius.

Keywords: South America/Guyana.

Call Number: H494

Notes: Zahm, 1917, p. 167.

Abstract: The northeastern part of South America. Location of Lake and City of Manoa or El Dorado, according to the geographer Hondius who based his map on Raleigh's explorations, 1595. Historical, physical.

Map of Guiana by Theodor de Bry, 1599.

Keywords: South America/Guyana.

Call Number: H493

Notes: Zahm, 1917, p. 187.

Abstract: Eastern Venezuela along the Orinoco River and its tributaries, region formerly known as Guiana. Map exhibits places mentioned by Raleigh in his Discoveries of Guiana. Reduced copy of old map showing gold bearing regions, regions thought to be inhabited by Amazons and a race of headless men, supposed location of El Dorado on Lake Manoa. Economical, ethnographical, historical, physical.

Guayaquil to Para.

Keywords: South America/Explorers.

Call Number: H492

Notes: Dickey, 1921, p. 5.

Abstract: Route taken by Herbert Spencer Dickey from Guayaquil to Para via Quito, Archedona, Iquitos, Loreto, Teffe, Manaos, Obidos, Marajo Island, in the northern part of South America. Communicational, physical, political.

J. and C. Walker

1836 Guayana and North Brazil. edited by J. and C. Walker, Baldwin and Gradock, London.

Keywords: South America.

Call Number: H491

Notes: Published under the superintendence of the Society for the Diffusion of Useful Knowledge. South America, Sheet II.

Abstract: Bays, capes, cataracts, cities, ports and towns, forts, islands, lakes, mountains, points, paths and roads. Communicational, physical, political. Shaded.

1930 The Disputed Gran Chaco.

Keywords: South America/Conflict/Land/Borders.

Call Number: H490

Notes: Knowles, 1930, p. 12.

Abstract: Territory of Gran Chaco or Chaco Boreal claimed by Paraguay, boundary between Bolivia and Paraguay as fixed by treaties of 1879, 1887, 1894, boundary claimed by Paraguay 1929. Historical, military, political. Shaded.

F.S. Weller

1889 The Grand Chaco, Argentine Republic. edited by F.S. Weller.

Keywords: South America/Land/Conflict/Borders.

Call Number: H489

Notes: To illustrate th journeys of Captain John Page, Argentine Navy. Page, 1889, p. 130.

Abstract: Disputed area between Argentina, Bolivia and Paraguay. Railways in operation and under construction. Communicational, physical, political. Photostatic.

E. Idiaques

1906 Mapa de la Gobernacion de Juan Alvarez Maldonado en 1567 Y 1568. edited by E. Idiaques.

Keywords: South America.

Call Number: H488

Notes: Photostatic copy of central portion of map from Bautista Saavedra, Defensa de los Derechos de Bolivia, V.1, f.p. 176.

Abstract: Communicational, historical, physical, political, land tenure. Photostatic.

E. Idiaques

1906 Mapa de la Gobernacion de Juan Alvarez Maldonado en 1567 Y 1568. edited by E. Idiaques.

Keywords: South America/Explorers.

Call Number: H487

Notes: Saavedra, 1906, v. 1, f.p. 176.

Abstract: Boundary of the Grant of Juan Alvarez Maldonado, in what is now norhtwestern Bolivia and western Brazil and eastern Peru. Routes followed by Manuel Escobar, J. Alvarez Maldonado, and Goes de Tordoya on their explorationsfrom Cuzco, Peru to the Madre de Dios and Beni Rivers, Boliva and Brazil. Communicational, historical, physical, political, land tenure. Shaded. Inset: South America.

Charles Wellington Furlong

1917 Map of Fuegia Showing Distribution of Autochthonous Tribes. edited by Charles Wellington Furlong.

Keywords: South America/Indigenous Populations.

Call Number: H486

Notes: Furlong, 1917, f.p. 224.

Abstract: Land occupied by the Alaculoof, Huash, Ona and Yahgan tribes. Outline, ethnographical, political.

Die Falkandinseln.

Keywords: South America/Argentina.

Call Number: H485

Notes: Sievers, 1914, p. 50.

Abstract: Falkland Islands off the southeast coast of South America. Cities, harbors, and towns, land elevations, minor islands. Physical. Inset: Fort Stanley.

James Orten

Map of Equatorial America. edited by James Orten.

Keywords: South America/Rivers/Indigenous Populations.

Call Number: H484

Abstract: Course of the Amazon River and its tributaries, cities and towns, distribution of Indian tribes. Communicational, ethnographical, physical, political. Mounted.

HMR

1912 Routes followed in the quest of El Dorado. edited by HMR, Pan American Union.

Keywords: South America/Explorers/Treasure.

Call Number: H483

Notes: Zahm, 1917, p. 77.

Abstract: Routes followed by: 1. P. de Ursua, from Lima, Peru down the Huallaga and Amazon Rivers, from thence the expedition commanded by L. de Aquirre, proceeded via the Casiquiare along the Negro and Orinoco Rivers to the island Margarita, northern coast of Venezuela, 1560. 2. M. de Proveda from Chachapoyas, Peru, along the route taken by Ursua as far as the Napo River, hence northward to Bogota. 3. P. de Silva: A. First expedition, from Barburata to Barquisimeto, Venezuela in a circular route. b. Second expedition, from the mouth of the Orinoco River to a place about ninety leagues

up the Orinoco. 4 G.J. de Quesada from Bogota to a point near the present Pueblo of San Fernando de Atabapo, at the confluence of the Guaviare and the Orinoco. Sketch. Communicational, historical, physical. Inset: South America, location of area covered by main map.

HMR

1912 Routes followed in the quest of El Dorado. edited by HMR, Pan American Union.

Keywords: South America/Explorers/Treasure.

Call Number: H482

Notes: Zahm, 1917, p. 53.

Abstract: Routes followed by: 1. G. Pizarro in Ecuador, from Quito, along the Coca River to its junction with the Napo River, 1541-42. 2. F. de Orellana, from the junction of the Coca River along the Napo and Amazon Rivers to Para, thence, to the island of Cubagua, off the north coast of Venezuela, 1541-42. 3. F.P. Quesada, from Tunja north of Bogota, Colombia to Pasto, eventually reaching the headwater of the Caqueta and returning to Bogota, 1545-46. 4. P. von Hutten, from Coro by sea to Burburata, Venezuela, through Venezuela, Brazil, and Colombia to Nuestra Senora, thence, to the land of the Omaguas between the Guaviare and the Caqueta or Japura, returning to Nuestra Senora, 1541. Communicational, historical, physical. Inset: South America, location of area covered by main map.

H.M.R.

1912 Route Followed by Sir Walter Raleigh in search of El Dorado. edited by H.M.R., Pan American Union.

Keywords: South America/Explorers.

Call Number: H481

Notes: Zahm, 1917, p. 149.

Abstract: Route followed by Walter Raleigh from the island of Trinidad, to the delta of the Orinoco River along its course to its tributary, the Caroni, eastern Venezuela. Communicational, physical.

H.M.R.

1912 Route Followed by the Franciscan Lay Brothers in Quest of El Dorado. edited by H.M.R., Pan American Union.

Keywords: South America/Explorers.

Call Number: H480

Notes: Zahm, 1917, p. 135.

Abstract: Route followed by the Franciscan Lay Brothers from Quito, Ecuador along the Napo and Amazon Rivers to Para, Brazil. Sketch. Communicational, historical, physical.

Inset: South America, location of area covered by main map.

H.M.R.

1912 Route Followed by Sebastian de Belalcazar in Quest of El Dorado. edited by H.M.R. Pan American Union.

Keywords: South America/Explorers.

Call Number: H479

Notes: Zahm, 1917, p. 33.

Abstract: Route followed by Sebastian de Belalcazar from Quito, Ecuador to Bogota, Colombia. Sketch. Communicational, historical, physical. Inset: South America, location of area covered by main map.

H.M.R.

1912 Route Followed by Antonio de Berrio in Quest of El Dorado. edited by H.M.R., Pan American Union.

Keywords: South America/Explorers/Rivers.

Call Number: H478

Notes: Zahm, 1917, p. 111.

Abstract: Route followed by Antonio de Berrio from San Jose, Trinidad to Santo Tome, Venezuela along the Orinoco and Casamare Rivers to Bogota, Colombia, 1584. Sketch.

Communicational, historical, physical.

J. and C. Walker

1841-1953 Ecuador, Granada, Venezuela and Parts of Brazil and Guiana. edited by J. and C. Walker, Charles Haght and Co..

Keywords: South America/Canals/Waterways.

Call Number: H477

Notes: This map could not have been published before 1841 because it incorporates results of Schomburgh's journeys, 1835-38, published in 1841. Must be earlier than 1853 because it is included in General Atlas Publishe Under the Superintendence of the Society for the Diffusion of Useful knowledge, George Cox, London, 1853.

Abstract: Cities, towns, villages (population of certain towns along the Rio Orinoco and Rio Negro), geological, historical, hydrographic and military data, roads. Projected waterway communication between the Atlantic and Pacific: 1. Canal of Panama, proposed as the shortest line for uniting thAtlantic and the Pacific by means of the Trinidad, or western branch of the River Chagre, and the River Chorrera. 2. Proposed Canal of Cupica, uniting all of Rspadura constructed in 1783 by a monk of Novita. It unites the S. Juan to the Atrato, and in the wet season still carries boats from one ocean to the other. Communicational, geological, historical, hydrographical, military, physical, political, statistical. Mounted.

Intercontinental Railway Commission

1898 Ecuador and Peru with Parts of Colombia, Brasil and Bolivia, Showing Connection Between the Intercontinental Railway and the Existing and Projected Railroads. edited by Intercontinental Railway Commission, A. Hoen and Company, Baltimore.

Keywords: South America/Railways/Borders.

Call Number: H476

Abstract: Intercontinental Boundaries (partly in dispute), principal cities and towns, proposed location of the INtercontinental Railway and extensions, existing and projected railways. Communicational, physical, political. Color, mounted.

Die Kordilleren Von Colombia und Venezuela.

Keywords: South America/Mountains/Topography.

Call Number: H475

Notes: Sievers, 1914, p. 407.

Abstract: The Central, Coast, East and West mountain ranges of Colombia and Venezuela. Physical.

Northern Chile, Southwest Bolivia.

Keywords: South America/Chile/Bolivia.

Call Number: H474

Abstract: Antofagasta section, railways in operation and under construction, roads, state and provincial capitals, cities and towns, estates, hamlets, major and minor ports.

Communicational, physical, political. Photostatic.

Richard Mayer

1912 Richard Mayer's Commercial Map of Northern Chile-Bolivia and Southern Peru.  
edited by Richard Mayer, London.

Keywords: South America/Natural Resources/Industry/Geology.

Call Number: H473

Abstract: Borax and nitrate deposits; mines; railways in operation, under construction and proposed; roads; steamer routes; volcanoes. Peruvian provinces in possession of Chile. Communicational, economical, political. Color, mounted.

1885 Chile and Patagonia. Stanford's Geographical Establishment, London.

Keywords: South America/Chile/Argentina.

Call Number: H472

Notes: Bates, 1885, f.p. 373.

Abstract: Capitals, principal cities and towns, railways, rivers, roads of Chile and the Confederation of Argentina. Communicational, physical, political. Color.

Chile-Argentina, South.

Keywords: South America/Chile/Argentina.

Call Number: H471

Notes: South K-L, 19-20. Preliminary edition, subject to correction.

Abstract: Principal cities and towns, railways, roads. Communicational, political.  
Mounted.

Chile-Argentina, North.

Keywords: South America/Chile/Argentina.

Call Number: H470

Notes: South G-H, 19-20. Preliminary edition, subject to correction.

Abstract: Principal cities and towns, railways, roads. Communicational, political.  
Mounted.

Chile-Argentina, Extreme South.

Keywords: South America/Chile/Argentina.

Call Number: H469

Notes: South M-N, 19-20. Preliminary edition, subject to correction.

Abstract: Principal cities and towns, railways, roads. Communicational, political.  
Mounted.

Chile-Argentina, Central.

Keywords: South America/Chile/Argentina.

Call Number: H468

Notes: South I-J, 19-20. Preliminary edition, subject to correction.

Abstract: Principal cities and towns, railways, roads. Communicational, political.  
Mounted.

Bolona i Ossandon

Republica de Chile. edited by Bolona i Ossandon, Oficina de Mensura de Tierras,  
Sociedad Imprnta i Litografia Universo, Santiago.

Keywords: South America/Chile/Weather/Railways/Astronomy.

Call Number: H467

Abstract: Parts of Bolivia and Chile. Report provides meteorological data and  
astronomical observations. Railway time table shows stations, altitude and distance of

various railways. Map composed of 8 sections. Communicational, physical, political. Photostatic. 1 additional copy on file.

Estanislao S. Zeballos

1894 Map Showing the Lands Granted by Spain to Portugal on the West of the Line of the Treaty of Tordesillas. 1494. And the Territorys Acquired by Brazil on the West of the Boundary Fixed by the Treaty of Boundary Fixtd y the Treaty of 1777. edited by Estanislao S. Zeballos, Washington.

Keywords: South America/Brazil/Borders.

Call Number: H466

Notes: Saavedra, 1906, f.p. 80.

Abstract: Boundaries according to the Treaty of Tordesillas, Treaty of 1777, and actual boundary of Brazil; ciites and towns; rivers. Communicational, historical, political. Color.

Algot Lange

1910 Brazil and Peru. edited by Algot Lange.

Keywords: South America/Brazil/Peru/Gold.

Call Number: H465

Notes: Lange, 1912, back.

Abstract: Sketch map of the region explored by Algot Lange showing deviations from Steiler's Atlas, location of gold deposit in the Caoutchouc Region. Sketch. Economical.

Lieutenant Lyra

1914 Schema de Carto do Brazil Mostando o Itinerario de Expedicao Roosevelt-Rondon. edited by Lieutenant Lyra, Escripatorio Central da Commissao Telegraphica.

Keywords: South America/Brazil/Explorers/Rivers.

Call Number: H464

Notes: Roosevelt, 1914, back.

Abstract: To illustrate the Roosevelt-Rondon Expedition from Asuncion, Paraguay to Para, Brazil. Routes followed by: 1. Fiala, along the course of the Papajaio and Tapajos Rivers to the Amazon. 2. Theodore Roosevelt, along the River of Doubt to the Amazon. 3. Miller, down the Madeira River to the Amazon. Outline. Communicational, Political.

Rand McNally Popular Map of Brazil and Guianas. Rand McNally and Co., Chicago.

Keywords: South America/Brazil/Guyana.

Call Number: H463

Notes: Cooper, 1917, back.

Abstract: Capitals, principal cities and towns; railways; roads. Communicational, political. Color.

1911 Brazil and Guiana. Rand McNally and Co., Chicago.

Keywords: South America/Brazil/Guyana/Indigenous Populations.

Call Number: H462

Abstract: Capitals, principal cities and towns, railways, roads. Distribution of Indian tribes. Table giving population of states and towns. Communicational, ethnographical, physical, political, statistical. Color.

1855 Colton's Brazil and Guayana. G.W. and C.B. Colton and Co., New York.

Keywords: South America/Brazil/Mining/Conflict/Borders.

Call Number: H461

Notes: Kidder and Fletcher, 1866, front.

Abstract: Capitals, cities and principal towns; distribution of Indian tribes; location of diamond region; railways; rivers; territory under dispute. Communicational, economical, ethnographical, physical, political. 2 insets: 1. Rio de Janeiro. 2. Pernambuco.

1855 Brazil. J. Colton and Co., New York.

Keywords: South America/Brazil.

Call Number: H460

Notes: Kidder and Fletcher, 1857, front.

Abstract: Capitals, cities and principal towns,; distribution of Indian tribes; location of diamond region; railways; rivers; territory under dispute. Communicational, economical, ethnographical, physical, political. 2 insets: 1. Rio de Janeiro. 2. Pernambuco.

Major P.H. Fawcett

1910 Maps to Illustrate a Paper on Explorations and Boundary Surveys in Bolivia by Major P. H. Fawcett, R.A. [Ret'd]. edited by Major P.H. Fawcett, Royal Geographical Society, London.

Keywords: South America/Explorers/Rivers.

Call Number: H459

Abstract: Route followed by Major Fawcett in his explorations from Puno, Peru to La Paz, Bolivia, and along the Beni River, the ascent of the Alto Acre, search for the sources of the Iquiy Rapiuran Rivers and the descent of the Abuna to its confluence with the Madeira, the Guapore to the source of the Verde, thence to Corumba.

Communicational, physical, political. Color, mounted. Two maps on larger scale showing section covered in explorations and boundary surveys: 1. Bolivia, Brazil and Peru. 2. Bolivia and Brazil.

J.C. Concha

1932 Map of the Bolivian Gran Chaco. edited by J.C. Concha.

Keywords: South America/Bolivia.

Call Number: H458

Notes: Decker, 1932, pp. 16-17.

Abstract: Bolivian forts and outposts unlawfully built in Bolivian territory, cities and principal towns, highways, missions, roads, routes followed by explorers, trails. Communicational, military, physical.

Eduardo Idiaquez

1901 Parts of Bolivia, Chile, Brazil. edited by Eduardo Idiaquez.

Keywords: South America/Bolivia/Chile/Brazil.

Call Number: H457

Notes: From map made by order of General Jose Manuel Pando. To accompany Letter No. 100 from Dr. Frederick L. Hoffman's Letters of South American Trip. Nos. 1-100, 1921.

Abstract: Cities and towns, railways. Communicational, physical, political. Photostatic. 4 additional copies on file.

Eduardo Idiaquez

1901 Parts of Bolivia and Brazil. edited by Eduardo Idiaquez.

Keywords: South America/Bolivia/Brazil.

Call Number: H456

Notes: From map made by order of General Jose Manuel Pando.

Abstract: Communicational, political. Photostatic. 3 additional copies on file.

Mapa Que Manifiesta la Region Norte de Bolivia en Cuyo Extremo Occidental se Encuentra la Zona en Litigio.

Keywords: South America/Land/Conflict/Borders.

Call Number: H455

Notes: Saavedra, 1906, v. 1, f.p. 20.

Abstract: Boundary disputed with Peru in the extreme northwestern portion of Bolivia.

Railways, distribution of Indian tribes. Communicational, ethnographical, political.

Shaded.

Bolivia seeks Outlet to Sea.

Keywords: South America/Land/Conflict/Borders.

Call Number: H454

Abstract: Comparative length of coast line of Chile, Peru, and coast line claimed by Bolivia; territory taken from Bolivia and Peru; provinces of Arica and Tacna disputed by Chile and Peru. Communicational, political. Shaded.

J. and C. Walker

Bolivia and Peru with a Part of Brazil. edited by J. and C. Walker, Society for Diffusion of Useful Knowledge..

Keywords: South America/Bolivia/Peru/Brazil.

Call Number: H453

Notes: South America, sheet VI.

Abstract: Bays, bridges, capes, cities and towns, forts, hills, inns, islands, lakes, mountains, ports, roads, volcanoes. Distribution of native tribes. Communicational, ethnographical, military, physical, political. Mounted, shaded.

Kartenskizze die Verbreitung der Indianerstamme in den Grenzgebieten Bolivias und Argentiniens Darstellend.

Keywords: South America/Indigenous Populations.

Call Number: H452

Notes: Nordenskiöld, 1912, back.

Abstract: Distribution of Indian families on boundary dividing Bolivia and Argentina, military posts, missions, paths, roads. Communicational, ethnographical, military, physical, political. Shaded. Inset: South America, location of region.

1910 Railroad map of Bolivia and Adjacent Country. The Engineering and Mining Journal.

Keywords: South America/Railways.

Call Number: H451

Notes: Hawxhurst, 1910, p. 910.

Abstract: Cities and towns; mining regions; A. and B. railroad; Bolivia Railroad, existing and proposed; Huanchaca Railroad; other railways; roads; stations. Communicational, physical, political.

W. J. Turner

1879 Map of the District of Atacama Showing the Territory in Dispute Between Chili and Bolivia. edited by W. J. Turner, The London Geographical Society.

Keywords: South America/Borders.

Call Number: H450

Abstract: Cities and towns, railways of western Bolivia, northern Chile, and southern Peru. Communicational, physical, political. Color, Mounted.

Edwd. Weller

1877 Map of Part of the Desert of Atacama. edited by Edwd. Weller, John Murray, London.

Keywords: South America/Deserts/Minerals.

Call Number: H449

Notes: Published for the Journal of the Royal Geographical Society, to accompany the Paper by Mr. Joiah Harding.

Abstract: Lead mines, railways and roads, rivers, towns of southwestern Bolivia and northeastern Chile. Communicational, economical, physical, political. Color, mounted.

Argentina, East-Uruguay, South.

Keywords: South America/Argentina/Uruguay.

Call Number: H448

Notes: South I-J, 21-22. Preliminary edition, subject to change.

Abstract: Principal cities and towns, railways, roads.

Argentina-Brazil-Uruguay, North.

Keywords: South America/Argentina/Brazil/Uruguay.

Call Number: H447

Notes: South G-H, 21-22. Preliminary edition, subject to correction.

Abstract: Principal cities and towns, railways, roads. Communicational, political. Mounted.

The Antofagasta (Chili) and Bolivia Rly. Coy. Ltd. Waterlow and Sons., London.

Keywords: South America/Railways.

Call Number: H446

Abstract: Parts of Argentina, Brazil, Bolivia, Chile, and Peru. Cities and towns; route of Antogagasta Railway; Bolivia Railway in operation and under construction; other railways in operation and proposed. Communicational, physical, political. Color, mounted. 1 additional copy and 1 photostatic copy on file.

Mapa en Relieve de la Cordillera de los Andes.

Keywords: South America/Railways/Mountains.

Call Number: H445

Notes: Buenos Aires and Pacific railway, n.d., back.

Abstract: The Andes between Mendoza, Argentina and Valparaiso, Chile on the Pacific Coast; elevation of mountains; route of Buenos Aires and Pacific Railway.

Communicational, physical. Color.

George M. von Hassel

1905 Corte Traversal de los Andes y Cuenca del Amazonas. edited by George M. von Hassel, Carlos Fabbri, Lima, Peru.

Keywords: South America/Travel routes.

Call Number: H444

Notes: From the Boletin de la Sociedad Geografica de Lima.

Abstract: Elevation above sea level of the Andes between Mollendo and Pto. Yupanqui.

Continuation of profile to Para, Brazil on smaller scale (.01m=10km). Pro.

Communicational, physical. Mounted, photostatic.

Carlos E.C. Hoempler

1906 Plano del Rio "Amazonas" Desde Iquitos Hasta Manaus. edited by Carlos E.C. Hoempler, Iquitos.

Keywords: South America/Rivers.

Call Number: H443

Notes: Made by order of Coronel D. Pedro, President of the Department of Loreto, according to the plan loaned by the Compania de Vapores "Booth & Co., Iquitos-Liverpool."

Abstract: Course of the Amazon from Iquitos, Peru to Manaus, Brazil. Communicational, hydrographical. Photostatic.

Ludwig Koegel

1914 Die Amazonas-Waldbiete. edited by Ludwig Koegel.

Keywords: South America/Rivers/Amazon.

Call Number: H442

Notes: From Petermanns, Geogr. Mitteilungen.

Abstract: Course of the Amazon and its tributaries, forests, savanna land, steamer routes between principal ports. Communicational, economical, political. Color, mounted.

Hydrographic Office

1919 The Amazon River and Tributaries, Para to Iquitos. edited by Hydrographic Office, Washington.

Keywords: South America/Rivers/Amazon.

Call Number: H441

Notes: Portion between Para and Manaus reduced from detailed charts of U.S. Hydrographic Office in to which the results of the observations of the officers of the U.S.S. Wilmington have been incorporated. The portion between Manaus and Iquitos, and all tributaries of the river were compiled from surveys and exploration to 1917. No. 1926. 3 sheets: 1-2-3.

Abstract: Cities and towns, railways. Owing to continual changes in the stage of the river, no soundings are given, but 14 feet can be carried up to Iquitos at any time, and vessels of the heaviest draft can proceed to Manaus. Communicational, hydrological, physical, political. 9 photostatic copies of a section of sheet 2 on file.

Thomas W. Whiffen

The Amazon River with its Northern Affluents. edited by Thomas W. Whiffen, Stanford's Geographical Establishment, London.

Keywords: South America/Rivers.

Call Number: H440

Notes: Reproduced with the permission of Captain W. Whiffen, from his book, North Western Tributaries of the Amazons.

Abstract: Area of Brazil, Colombia, Ecuador, the Guianas, Peru, and Venezuela drained by the northern tributaries of the Amazon. Communicational, physical, political.

The Royal Geographical Society

1914 The N.W. Amazon Basin. edited by The Royal Geographical Society, London.

Keywords: South America/Explorers/Rivers.

Call Number: H439

Notes: From surveys by Hamilton Rice, 1907-08 and 1912-13.

Abstract: Eastern Colombia, southwestern Venezuela, northern Ecuador, and northwestern Brazil. Route of geographic and hydrographic survey from Puerto Espana, Colombia to San Joanquim, Brazil; course of rivers with their breadths, depths in fathoms, rapids, and tributaries; latitude and longitude of principal towns and settlements. Communicational, hydrological, physical. Color, mounted. 2 insets: 1. Continuation of main map to Bogota, Colombia. 2. Northern part of South America showing location of region covered by main map.

Lieut. Lardner Gibbon

1854 Map Drawn by Lieut. Lardner Gibbon, U.S. Navy, To Accompany His Report [Exploration of the Valley of the Valley of the Amazon]. edited by Lieut. Lardner Gibbon, A. Hoen and Co., Baltimore.

Keywords: South America/Indigenous Populations/Minerals/Primary Goods.

Call Number: H438

Notes: Herndon and Gibbon, 1854, back.

Abstract: Titicaca and Madeira Basins in Bolivia, Brazil and Peru. Capitals, cities and towns; distribution of Indians; fortifications; roads; copper; gold mines and washings; lead; quicksilver; silver; tin. Communicational, economic, ethnographical, geological, hydrological, military, physical, political. Inset: Continuation of course of Mamore River and Madeira River to its confluence with the Amazon.

H.C. Elliot

1854 Map of the Valley of the Amazon. edited by H.C. Elliot, A. Hoen and Co., Baltimore.

Keywords: South America/Travelers.

Call Number: H437

Notes: To accompany Lieutenant Herndon's Report. Herndon and Gibbon, 1854, atlas.

Abstract: Routes traveled by Herndon and Gibbon from Lima, Peru to the Amazon by its northern and southern tributaries, respectively, and along the Amazon to Para, Brazil.

Communicational, physical, political. Color. Inset: Vertical section of route from Callao to Para.

Joao Alberto Maso

1907 Territorio do Acre. edited by Joao Alberto Maso, Francisco Alves and Co., Rio Janeiro.

Keywords: South America/Cities/Territories/Amazon.

Call Number: H436

Abstract: Ucayali, Peru, and territory of the colonies, northwestern Bolivia, east of the Madeira Mamore Railway, and the Matto Grosso Plateau. Cities and towns; distribution of Indian tribes; radio towers; telegraph lines and wireless communication; railways in operation and projected. Communicational, ethnographical, physical, political. color, mounted. Altitude in meters. 2 insets: 1. Amazonia Vias de Comunicacao Parao Territorio do Acre. 2. America do Sul Situacao Geographica do Territorio de Acre.

The Royal Geographical Society

The Acre Territory and the Cacutchouc Region of South Western Amazonia Showing Frontiers According to the Treaty of 1903 Between Brazil and Bolivia. edited by The Royal Geographical Society.

Keywords: South America/Treaties/Borders.

Call Number: H435

Abstract: Frontier according to Treaty of 1867, modification of frontier by Treaty of 1903, territory transferred by Bolivia to Brazil, territory transferred by Brazil to Bolivia.

Communicational, historical, physical, political. Color, mounted.

Acre Territory.

Keywords: South America/Conflict/Indigenous Populations.

Call Number: H434

Notes: 3 additional copies on file and 1 copy of section.

Abstract: Site of battles between Bolivia and Brazil and Indian tribes, missions, roads, trails. Communicational, ethnographical, political. Mounted, photostatic.

Acre River.

Keywords: South America/Rivers.

Call Number: H433

Notes: Map to accompany letters 131-139 of Dr. Frederick L. Hoffman's Letters of South American Trip, Nos. 101-210 & Conclusions, 1921. 3 additional copies (4 sheets mounted) on file.

Abstract: 14 sections or sheets tracing the course of the Acre River, which forms a boundary between Bolivia and Brazil. 1-3, San Miguel Sheets. 4-7, San Vincente Sheets. 8-10, Buenos Aires Sheets. 11-14, Santa Cruz Sheets. Communications, political. Photostatic.

The Ward-McIlhenny and the Louisiana Refuges for Game Birds.

Keywords: United States/Fauna.

Call Number: H432

Notes: Cooke, 1913, p. 373.

Abstract: Location of area covered by Ward-McIlhenny wild fowl refuge and Louisiana State wild fowl refuges on the Gulf coast of Louisiana. Physical, zoological. Shaded.

H. Ruh

1932 Precipitation Map of the Western Part of the United States. edited by H. Ruh.

Keywords: United States/Weather.

Call Number: H431

Notes: U.S. Congress. Senate. Committee on Indian Affairs, 1932a.

Abstract: Annual precipitation, Indian reservations, railways. Communicational, ethnographical, meteorological, political. Color.

1917 Map Showing the Foreign Stock in the Population of the United States.

Keywords: United States/Ethnicity.

Call Number: H430

Notes: Our foreign-born citizens, 1917, p. 96.

Abstract: Percentage of foreign born and children of foreign-born father or mother living in the United States. Political, statistical.

1920 Distribution of Races in the United States, U.S. Census 1910. A. Hoen and Co..

Keywords: United States/Race.

Call Number: H429

Notes: Love and Davenport, 1920, front.

Abstract: Austrian and Russian; Canadian; English; German; Hungarian; Indians, Chinese and Japanese; Irish; Italian; Mexican and West Indian; native white; negro; other foreign white; Scandinavian; Scotch, living in the United States. Outline. Ethnographical.

1920 Defects found in drafted men in the United States.

Keywords: United States/Health/Military.

Call Number: H428

Notes: Love and Davenport, 1920, pp. 85-100.

Abstract: 96 maps giving statistics concerning the number of cases of various important diseases and defects found in the population of military age in the United States. Political, statistical.

Characteristics of Population of Different Sections in United States.

Keywords: United States/Regions.

Call Number: H427

Notes: Love and Davenport, 1920, f.p. 209.

Abstract: Map to illustrate chart giving characteristics and composition of the population of the various sections of the United States. Political, statistical.

U.S. Geological Survey

1916 Map of Tuba and Vicinity, Showing Distribution of Springs. edited by U.S. Geological Survey.

Keywords: United States/Geology.

Call Number: H426

Notes: Gregory, 1916, f.p. 144.

Abstract: Distribution of springs, land under cultivation and capable of reclamation, proposed dam site on Moenkopi Wash, roads, school, northeastern Arizona. Communicational, economic, geological, physical.

Roy Nash

1930 Approximate Location of Permanent Seminole Camps. edited by Roy Nash.

Keywords: United States/Indigenous Populations.

Call Number: H425

Notes: Nash, 1931, f.p. 88.

Abstract: Distribution of Seminole Indian Camps in Florida. Communicational, ethnographical, physical, political.

U.S. Dep. Surveyor, W. V. H.

1905 Map of the Santo Domingo Pueblo Grant. edited by U.S. Dep. Surveyor, W. V. H..

Keywords: United States/New Mexico/Land Grants.

Call Number: H424

Notes: Plat of the 92, 398, 382 acre Santo Domingo Pueblo Grant, Santa Fe and Sandoval Counties, Ne Mexico as resurveyed, Sep. 17-Nov. 30, 1907, under contract No. 380, Dated Oct. 3, 1905.

Abstract: Railway, roads, and telephone line. Communicational, physical, land tenure. Photostatic.

1924 Santa Fe. Poole Bros., Chicago.

Keywords: United States/Railways.

Call Number: H423

Notes: Santa Fe railway co., 1926, pp. 61-62.

Abstract: Lines under construction, route of Santa Fe and connections from Chicago and New Orleans through the Western States of the United States. Communicational.

U.S. Department Surveyor, W. V. H.

1907 Plat of the San Felipe Pueblo Grant in Sandoval County, New Mexico. edited by U.S. Department Surveyor, W. V. H..

Keywords: United States/New Mexico/Land.

Call Number: H422

Notes: Plat of the 33,692,360 acre San Felipe Pueblo Grant as resurveyed Sep. 25-Oct. 15, 1907. Under contract No. 403, dated Feb. 1, 1907.

Abstract: Railway, roads, Rio Grande, telephone lines. Communicational, physical, land tenure. Photostatic.

A.F. Dinsmore and Wm. Bauman

1912 State of New Mexico. edited by A.F. Dinsmore and Wm. Bauman, Ekert Lithographing Co., Washington.

Keywords: United States/New Mexico.

Call Number: H421

Notes: Compiled from official records of the General Land Office of the Department of the Interior and other sources under the direction of I.P. Berthrong, by A.F. Dinsmore, traced and lettered by Wm. Bauman.

Abstract: Capital, cities and towns, counties, county seats, private land grants, U.S. Land office, forest, Indian and Military reserves, national monuments, bird reservations. Communicational, economic, ethnographical, physical, political, land tenure. Color, mounted.

1876 Newark Earthworks, Ohio.

Keywords: United States/Archeology.

Call Number: H420

Notes: Wilson, 1876, v. 1, p. 269.

Abstract: Earthworks found near Newark. Canal, creeks, highway, railway. Archeological, communicational, physical.

U.S. Geological Survey

1916 Geologic Sections Across the Navajo Country. edited by U.S. Geological Survey.

Keywords: United States/Indigenous Populations/Geology/Land.

Call Number: H419

Notes: Gregory, 1916, f.p. 80.

Abstract: 2 geological sections of Navajo country: A. Section from Colorado River through Lohali to Chaco River. B. Section from Colorado River through Navajo and Carrizo Mountains to Chaco River. Pro. Physical. Color.

U.S. Geological Survey

1916 Forest Map of the Navajo Country, Arizona, New Mexico and Utah. edited by U.S. Geological Survey.

Keywords: United States/Indigenous Populations/Natural Resources/Forestry.

Call Number: H418

Notes: Gregory, 1916, f.p. 74. Based from U.S. Geological Survey Map of the United States in preparation in 1916. Forest areas by G.A. Gutches.

Abstract: Distribution of National Forests; Hopi and Navajo Reservations; merchantable yellow pine; scattered yellow pine; pin'on and scattered juniper; scattered juniper and pinon spruce in Navajo country. Communicational, economical, political.

U.S. Geological Survey

1916 Location of Navajo Country. edited by U.S. Geological Survey.

Keywords: United States/Indigenous Populations.

Call Number: H417

Notes: Gregory, 1916, p. 14.

Abstract: Location of Navajo country in southern Utah, northern Arizona and New Mexico. Communicational, political.

Map Showing the Location of 46 out of the 56 National Bird Reservations.

Keywords: United States/Fauna/Birds.

Call Number: H416

Notes: Cooke, 1913, p. 369.

Abstract: Locations of National Bird Reservations in North and South Dakota, Florida, Louisiana, off the coast of Mississippi, Lake Michigan, Lake Superior, and the Western States. Political, zoological.

The National Geographic Society

1925 Maryland, Delaware and District of Colombia. edited by The National Geographic Society, A. Hoen and Co., Baltimore.

Keywords: United States/Cities/States.

Call Number: H415

Notes: The National Geographic Society, 1927, Supplement.

Abstract: Capitals, cities and towns, county seats, canals and rivers, highways, railways and tram lines, elevation of country. Communicational, physical, political, statistical.

Color. 3 insets: 1. Baltimore and vicinity; 2. Washington and vicinity; 3. Wilmington and vicinity.

1886 Ground Plan of Marriott Mound, No. 1.

Keywords: United States/Geology/Archeology.

Call Number: H414

Notes: Metz and Putnam, 1886, p. 450.

Abstract: Plan of mound found in Little Miami Valley in Ohio. Archeological. Section of Marriott Mound, No. 1. Geological.

1934 The Relative Position of the Linguistic Groups at the Beginning of the Sixteenth Century.

Keywords: United States/Indigenous Populations/Language.

Call Number: H413

Notes: Bushnell, 1934, map no. 4 back.

Abstract: Distribution of Algonquia, Caddoan, Iroquoian, Muskogean, Proto-Muskogean, Siouan, and Uchean Indian tribes. Ethnographical, political. Shaded.

1934 The Northern Thrust of the Iroquoian Peoples Resulted in the Separation of the Siouan and Algonquian Tribes.

Keywords: United States/Indigenous Populations.

Call Number: H412

Notes: Bushnell, 1934, map no. 3, back.

Abstract: Position of Indian tribes after northern migration. Ethnographical, political. Shaded.

1934 After the Iroquoian and Muskogean Tribes had Arrived East of the Mississippi.

Keywords: United States/Indigenous Populations.

Call Number: H411

Notes: Bushnell, 1934, map no. 2, back.

Abstract: Territory occupied by Algonquian, Cadoan, Iroquoian, Muskogean, Proto-Muskogean, Siouan, and Uchean Indian Tribes. Ethnographical, political. Shaded.

1934 Map Intended to Visualize the Position of the Several Linguistic Stocks During the Earliest Period.

Keywords: United States/Language/Indigenous Populations.

Call Number: H410

Notes: Bushnell, 1934, map no. 1, back.

Abstract: Position of linguistic groups after the Proto-Muskogean tribes had crossed the Mississippi and while the Iroquoian and Muskogean peoples were still on the right bank of the river with Caddoan adjoining them to the westward. Ethnographical, political. Shaded.

1916 Map of Proposed Irrigation Works at Leupp, Arizona. U.S. Geological Survey.

Keywords: United States/Arizona.

Call Number: H409

Notes: Gregory 1916, p. 111.

Abstract: Dam and reservoir site on Little Colorado River, Arizona, cultivatable ground. Economic, physical.

Various

Land which is Included between the one hundred and first and one hundred and third meridians west of Greenwich and the Red and Canadian Rivers. edited by Various.

Keywords: United States/Louisiana.

Call Number: H408

Notes: U.S. Congress. Senate. Committee on Indian affairs, 1931, pp. 5573-5590.

Abstract: 18 Maps proving this land was part of Louisiana. Sketch. Historical.

1894 Plan of the Lake Superior Iron and Copper Region.

Keywords: United States/Indigenous Population/Labor/Mining/Natural Resources/Minerals.

Call Number: H407

Notes: Brine, 1894, p. 35.

Abstract: Iron and copper deposits in northern Michigan mined by the aboriginal Indians. Economic.

1931 Indian Tracts.

Keywords: United States/Indigenous Populations/Territory.

Call Number: H406

Notes: U.S. Congress. Senate. Committee on Indian affairs, 1931, p. 5521.

Abstract: Land between the Canadian River and Red River, in Oklahoma claimed to have been conveyed to Choctaws, 1820, by the United States. Sketch. Land Tenure.

H. Ruh

1932 Regional Map of Indian Reservations of Major Range Importance. edited by H. Ruh.

Keywords: United States/Indigenous Populations/Land.

Call Number: H405

Notes: U.S. Congress. Committee on Indian Affairs, 1932a, f.p. 12252.

Abstract: Indian reservations in the Northern Great Plains, Intermountain, and Southwest Regions. Communicational, ethnographical, political. Color.

H. Ruh

1932 Key Map of Vegetation Districts in Relation to Indian Range Lands. edited by H. Ruh.

Keywords: United States/Flora/Vegetation.

Call Number: H404

Notes: U.S. Congress. Senate. Committee on Indian affairs, 1932a, f.p. 12264.

Abstract: Vegetation districts in the western part of the United States. Communicational, economic, political. Color.

Indian Population per square mile in Counties Including Reservations or Former Reservation Sites, 1930 Census.

Keywords: United States/Indigenous Populations/Census.

Call Number: H403

Notes: U.S. Congress. Senate. Committee on Indian Affairs, 1932, p. 14168.

Abstract: Distribution of Indians in Washington, Oregon, Montana, North and South Dakota, Minnesota and Wisconsin. Sketch. Ethnographical, statistical. Shaded.

Increase or Decrease of Indian Population from 1920 to 1930 in Counties Including Reservations or Former Reservation Sites.

Keywords: United States/Indigenous Populations/Demography.

Call Number: H402

Notes: U.S. Congress. Senate. Committee on Indian Affairs, 1932, p. 14170.

Abstract: Distribution of Indians in the States of Washington, Oregon, Montana, North and South Dakota, Minnesota and Wisconsin. Sketch. Ethnographical, statistical. Shaded.

Percentage of Indians in the Population of Counties Including Reservations or Former Reservation Sites, 1930 Census.

Keywords: United States/Census/Indigenous Populations.

Call Number: H401

Notes: U.S. Congress. Committee on Indian Affairs, 1932, p. 14171.

Abstract: Distribution of Indians in the States of Washington, Oregon, Montana, North and South Dakota, Minnesota, and Wisconsin. Sketch. Ethnographical, statistical. Shaded.

Distribution of Indian Population with Respect to the Various Courts.

Keywords: United States/Minnesota/Wisconsin/Indigenous Populations.

Call Number: H400

Notes: U.S. Congress. Senate. Committee on Indian Affairs, 1932, f.p. 14248.

Abstract: Indian agencies, county and reservation boundaries, U.S. District Courts, Indian population, roads, county seats in the States of Minnesota and Wisconsin. Sketch. Communicational, ethnographical, political, statistical.

The Indian Detour and Optional Side Trips.

Keywords: United States/Railways/Southwest.

Call Number: H399

Notes: Santa Fe railway Co., 1926, pp. 55-56.

Abstract: Route of the Atchison, Topeka and Santa Fe Railway and connections through New Mexico from Raton to Acoma Indian Pueblo; ruins. Archeological, communicational, physical.

1894 Inclosures near Newark, Ohio.

Keywords: United States/Ohio/Indigenous Populations/Ruins.

Call Number: H398

Notes: Brine, 1894, pp. 66, 97.

Abstract: 2 plans of Indian earthworks near Newark, Ohio. 1. Plan of Indian Inclosures and Parallel Embankments near Newark, Ohio. Archeological, physical. 2. Octagonal and Circular Inclosures near Newark. Archeological, physical.

Charles Whittlesea

1837 Inclosures at Marietta, 1837. edited by Charles Whittlesea.

Keywords: United States/Ohio/Ruins/Archeology/Indigenous Populations.

Call Number: H397

Notes: Brine, 1894, p. 71.

Abstract: A reduction from survey of Charles Whittlesea of part of the ruins of Indian fortifications and graves at Marietta, Ohio, estimated as of the fifteenth century. Archeological, physical.

Atwater

1820 Inclosures at Circleville. edited by Atwater.

Keywords: United States/Ohio/Indigenous Populations/Ruins/Archeology.

Call Number: H396

Notes: Brine, 1894, p. 81.

Abstract: Reduced copy from the survey of Mr. Atwater published in the first volume of the *Archaeologia Americana*. Plan of ruins of earthworks and graves of aboriginal Indians at Circleville, Ohio. Archeological.

Hornstone Quarries and Workshops in Harrison County, Ind.

Keywords: United States/Indiana/Geology.

Call Number: H395

Notes: Fowke, 1928, p. 523.

Abstract: Flint quarries and village sites along the Ohio River and between Buck Creek and Blue River, Harrison County, Indiana. Sketch. Archeological, geological.

Map of a Part of the Hoppi Buttes Province, Showing the Distribution of Lava and Sedimentary Rock with Reference to the Position of Springs.

Keywords: United States/Arizona/Geology.

Call Number: H394

Notes: Gregory, 1916, p. 140.

Abstract: Lava, sedimentary rock, springs and wells, Hoppi Buttes Province, northeastern Arizona. Geological, physical.

1894 Fort Ancient.

Keywords: United States/Ohio/Indigenous Populations/Archeology.

Call Number: H393

Notes: Brine, 1894, p. 88.

Abstract: Remains of settlement of aboriginal Indians at Fort Ancient, Ohio. Archeological, physical.

E.C. Baer

1906 Map of the City of El Paso, Texas. edited by E.C. Baer, The Norris Peters Co., Washington.

Keywords: United States/Cities/U.S. Mexico Border.

Call Number: H392

Notes: U.S. War Department, 1912, back.

Abstract: Plan of city of El Paso, Texas. Avenues and streets, Mexican border, bridges, factories and mills, railways and roads, subdivisions. Communicational, economic, political.

U.S. Geologic Survey

1916 Map of Echo Cliffs Between Lyon Ranch and Willow Springs, Showing Distribution of Springs. edited by U.S. Geologic Survey.

Keywords: United States/Geology.

Call Number: H391

Notes: Gregory, 1916, p. 145.

Abstract: Road from Lyon Ranch to Willow Springs, seeps, springs. Communicational, geological, physical.

1894 Plan of the Region within which are the Earthworks of the Mound Builders.

Keywords: United States/Archeology/Indigenous Populations.

Call Number: H390

Notes: Brine, 1894, p. 54.

Abstract: Sketch map indicating locations of mounds on Brush Creek, Licking Creek, Little Miami, Miami, Muskingum and Scioto Rivers in Ohio. Archeological.

1926 Group of Earthworks Near Marksville, LA.

Keywords: United States/Louisiana/Archeology.

Call Number: H389

Notes: Fowke, 1928, f.p. 412.

Abstract: Plan of the Marksville earthworks. Embankments, mounds, lodge sites along Old River. Archeological, physical.

1932 Earthworks, Mounds State Park, Indiana.

Keywords: United States/Archeology/Indiana.

Call Number: H388

Notes: Smith, 1932, p. 19.

Abstract: Main group of earthworks found in Madison County near Anderson, Indiana. Archeological, communicational, physical.

E.G. Howe

1901 Map of Douglas Townsites. edited by E.G. Howe.

Keywords: United States/Arizona/Cities.

Call Number: H387

Notes: U.S. War Department, 1912, back.

Abstract: Plan of Douglas Townsite, Cochise County, Arizona. Avenues and streets, depots and freight yards, railways, roads. Communicational.

Section of the Conservancy District Plan Which Affects the Pueblo Indians.

Keywords: United States/New Mexico/Indigenous Populations/Development projects.

Call Number: H386

Notes: Eastern Association on Indian affairs, inc., 1928.

Abstract: Rio Grande River from the proposed Cochiti Division Dam, Sandoval County to Valencia County, New Mexico. Communicational, political.

1931 The Old Choctaw Country, Mississippi.

Keywords: United States/Indigenous Populations.

Call Number: H385

Notes: Swanton, 1931, f.p. 55.

Abstract: Rivers; towns belonging to the Central, Eastern, Southern, and Western division of the Choctaw nation. Ethnographical, political.

(?) J.K. Harrington

1901 Contour Map of the Burton Mound. edited by (?) J.K. Harrington.

Keywords: United States/California/Archeology.

Call Number: H384

Notes: Harrington, 1928, p. 69.

Abstract: Contour and location of Burton Mound, Santa Barbara, California. Sketch. Archeological, physical.

1882 Map Showing the Acquisition of Territory and its Distribution among Political Divisions. 1776-1874. Julius Bien and Co..

Keywords: United States/Territory/Land/States.

Call Number: H383

Notes: Viele, 1882, f.p. 166.

Abstract: Area of the original thirteen states. Territory acquired by: Connecticut Cession, 1786-1800; Gadsden Purchase, 1853; Georgia Cession, 1802; Louisiana Purchase, 1803; Massachusetts Cession, 1785; Mexican Cession, 1848; North Carolina Cession, 1790; South Carolina Cession, 1787; Spanish Cession, 1819; Texas Annexation, 1845; Texas Cession, 1850; Virginia Cession, 1784. Historical, physical, political.

1895 Map of Nova Scotia. Moss Engraving Co., New York.

Keywords: Canada/Provinces.

Call Number: H382

Notes: Corthell, 1895, f.p. 25.

Abstract: Ports, towns, ship railway. Outline. Communicational.

James White

1902 Manitoba. edited by James White, Department of the Interior, Quebec.

Keywords: Canada/Land.

Call Number: H381

Abstract: Real estate map for homesteading purposes, railways, roads.

Communicational, physical, political, land tenure. Color, mounted.

H.W. Hall

1911 Sketch Showing Where San-Augustin-Guadalupe Road Crosses U.S. Territory.

edited by H.W. Hall.

Keywords: North America/Mexico-US border/Roads.

Call Number: H380

Notes: U.S. War department, 1912, f.p. 51.

Abstract: Boundary between the U.S. and Mexico in 1854, monuments, section of the San Augustin-Guadalupe Road crossing into United States territory. Communicational, political.

Map Showing the Principal Winter Resorts of the Wild Ducks and Geese.

Keywords: North America/Migrations/Birds/Fauna.

Call Number: H379

Notes: Cooke, 1913, p. 368.

Abstract: Principal winter resorts of wild ducks and geese along the Atlantic coast, Mississippi River, Gulf Coast of the United States and Mexico. Outline. Political, Zoological.

Emery Walker

1911 North American Migrations. edited by Emery Walker, Cambridge University Press, Cambridge.

Keywords: North America/Migration Routes.

Call Number: H378

Notes: Haddon, 1912, map. no. 5, back.

Abstract: Migration of 23 peoples in North America. Outline. Ethnological.

North America. C.S. Hammond and Co., New York.

Keywords: North America.

Call Number: H377

Notes: Leyburn, 1931, back.

Abstract: Capitals, principal cities and towns, lakes, rivers of North America.

Communicational, political. Color. 2 insets on same scale. 1. Aleutian Islands. 2. West Indies.

Natural Resources Intelligence Service

1926 Sectional Map Indicating Main Automobile Roads Between Canada and United States (Pacific Sheet). edited by Natural Resources Intelligence Service, Department of the Interior, Quebec.

Keywords: North America/Roads.

Call Number: H376

Notes: 5 additional copies on file.

Abstract: Main automobile roads between Pacific States of Canada and of the United States. Communicational, political. Color.

Natural Resources Intelligence Service

1926 Sectional Map Indicating Main Automobile Roads Between Canada and United States (Middle West Sheet). edited by Natural Resources Intelligence Service, Department of the Interior, Quebec.

Keywords: North America/Canada/United States/Roads.

Call Number: H375

Notes: 5 unmounted copies on file.

Abstract: Main automobile roads between the Middle West States of Canada and of the United States. Communicational, political. Color, mounted.

Breeding Grounds of Wild Ducks and Geese in Canada-United States.

Keywords: North America/Fauna/Birds.

Call Number: H374

Notes: Cooke, 1913, pp. 362, 364, 365, 367.

Abstract: 4 maps indicating the principal breeding ranges, migration routes, and winter homes. 1. Map showing the breeding ground of wild ducks and geese. 2. map showing the almost undisturbed breeding ground of ducks and geese in northern Canada. 3. Map showing breeding grounds, winter home, and curious migration routes of white-winged scoter. 4. the breeding ground and winter home of the Ross Goose. Outline. Political, zoological.

1915 West Indies. J.N. Matthews Co., Buffalo.

Keywords: West Indies/Cities.

Call Number: H373

Notes: Babson, 1919, fp. 1.

Abstract: Capitals of countries, of colonies, railways, submarine telegraph lines. Communicational, political. Color.

1925 Railroad Map of Trinidad. Department of Commerce, Transportation Division.

Keywords: West Indies/Trinidad/Railways.

Call Number: H372

Notes: Long, 1925, p. 360.

Abstract: Railways, tramways, and towns of the island of Trinidad off the north coast of South America. Outline. Communicational, political.

1925 Railroad Map of Porto Rico. Department of Commerce, Transportation Division.

Keywords: West Indies/Puerto Rico/Railways.

Call Number: H371

Notes: Long, 1926, p. 336.

Abstract: Principal cities and towns, railways: American Railroad Co.; Fajardo Railroad; Ferrea Line to the West, Humacao Railroad; Northern Railroad of Porto Rico; Ponce and Guayama Railroad; Ponce Light Co. Railroad, Porto Rico Railway, Light and Power Co.; San Juan and Carolina Railroad; and 30 railroads of Centrals. Outline. Communicational.

Porto Rico.

Keywords: West Indies/Puerto Rico.

Call Number: H370

Notes: North E-F, 19-20. Preliminary edition, subject to correction.

Abstract: Cities and towns, railways, roads. Communicational, political. Mounted.

1925 Railway Map of Jamaica. Department of Commerce, Transportation Division.

Keywords: West Indies/Jamaica.

Call Number: H369

Notes: Long, 1925, p. 327.

Abstract: Principal cities and towns, railways and stations, main roads of the counties of Cornwall, Middlesex, and Survey, Jamaica. Outline. Communicational, political.

1925 Railroad Map of the Republic of Haiti. Department of Commerce, Transportation Division.

Keywords: West Indies/Haiti/Railways.

Call Number: H368

Notes: Long 1925, p. 284.

Abstract: Principal cities and towns, railways: Haitian American Railroad, National Railway Co. of Haitin in operation, proposed and under construction, Plaine du Cul de Sac Railroad. Outline. Communicational, political.

1925 Railroad Map of the Dominican Republic. Department of Commerce, Transportation Division.

Keywords: West Indies/Dominican Republic/Railways.

Call Number: H366

Notes: Long, 1925, p. 296.

Abstract: Cities and towns, railways in operation and proposed. Outline.  
Communicational, political.

1926 Dominican Republic. Department of Commerce, Geographic Section, Research,  
Drafting Division.

Keywords: West Indies/Dominican Republic.

Call Number: H365

Notes: No. 2389. Treadwell, 1926, p. 335.

Abstract: Principal cities and towns, railways of Dominican Republic. Outline.  
Communicational, political.

1925 Railroad Map of the Republic of Cuba. Department of Commerce, Transportation  
Division.

Keywords: West Indies/Cuba/Railways.

Call Number: H364

Notes: Long, 1925, f.p. 157.

Abstract: Principal cities and towns, railways. Camaguey and Nuevitas Railroad, Caracas  
Railroad, Caradenas and Jucaro Railroad, Cienfuegos, Palmira and Cruces, Cuba Norther  
Railroad, Cub Railroad Co., Cuban Central Railroad, Gibara and Holguin Railroad,  
Guantanamo Railroad, Guantanamo and Western Railroad, Habana Central Railways,  
Habana Electric Railway Light and Power Co., Habana Terminal Co., Hershey Cuban  
Railroad, Mariano and Habana Railroad, United Railways of Habana and Regla  
Warehouses, Ltd., Western Railway of Habana. Outline. Communicational.

Cuba.

Keywords: West Indies/Cuba/Cities.

Call Number: H363

Notes: North E-F, 17-18. Preliminary edition, subject to correction.

Abstract: Includes a portion of Haiti and the Bahama Islands. Cities and towns, railways,  
roads. Communicational, political. Mounted.

J. Mynde

1772 Plan of Cape of St. Francois. edited by J. Mynde.

Keywords: West Indies/Cities.

Call Number: H362

Notes: Ulloa, 1772, v. 2, f.p. 240.

Abstract: Plan of the town of St. Francois, Santo Domingo. Physical. Shaded.

1926 Reconnaissance Soil Map Tuyra Valley Region, Panama. Department of Commerce, Drafting Division.

Keywords: Panama/Soil/Geology.

Call Number: H361

Notes: Treadwell, 1926, f.p. 169.

Abstract: Alluvial soil, high and low hill, mountainous regions, swamps. Geological, physical. Shaded.

J. Mynde

1772 Plan of the Harbour and Town of Porto Bello. edited by J. Mynde.

Keywords: Panama/Harbors/Cities.

Call Number: H360

Notes: Ulloa, 1772, v. 1, f.p. 92.

Abstract: Location of Gloria Castle, Castle of St. Jerome, Iron Castle in the Harbor of Porto Bello. Outline. Physical. Shaded.

W.E. Belanske

1924 Map of Western Panama. edited by W.E. Belanske.

Keywords: Panama/Explorers.

Call Number: H359

Notes: Griscom, 1924, p. 509.

Abstract: Route of Expedition of the American Museum under Ludlow Griscom, February-March, 1924. Communicational, physical, political.

1925 Railroad Map of Panama. Department of Commerce, Transportation Division.

Keywords: Panama/Railways/Companies.

Call Number: H358

Notes: Long, 1925, p. 121.

Abstract: United Fruit Co. Railway (Changuinola Railroad Lines), Cintriqui Railway, Delvalle-Henriquez and Co. Railroad, Nombre de Dios Railroad under construction, Pan American Lumber Corp. Railroad, Panama Railroad, Panama Sugar Co. Railroad, concession for railway from Tuira River to the Colombian frontier. Cities and towns, Panama canal. Outline. Communicational, political.

1926 Panama, Regions within which Climatic Conditions seem Favorable for Cultivation of Hevea Rubber. Department of Commerce, Geographic Section, Research, Drafting Division.

Keywords: Panama/Agriculture/Weather.

Call Number: H357

Notes: Treadwell, 1926, p. 159. No. 2313.

Abstract: Fixed and unsettled international boundaries, Panama Canal, cities and towns, railroads, regions favorable to Hevea Rubber. Outline. Communicational, economic, political. Shaded.

Der Panama Kanal.

Keywords: Panama/Canal/Railways.

Call Number: H356

Notes: Sievers, 1914, p. 523.

Abstract: Cities and towns in the Canal Zone, route of Panama Canal and Railway. Communicational, political.

Aerial View of the Panama Canal.

Keywords: Panama/Canals/Railways.

Call Number: H355

Notes: Reid, 1929, p. 118.

Abstract: The Panama Canal Zone, railway from Panama to Colon. Communicational, physical. Shaded.

The Canal Zone: The Panama Canal and Railroad.

Keywords: Panama/Canal Zone.

Call Number: H354

Notes: Davies, 1930, p. 422.

Abstract: Route of the Panama Canal and Railway; towns in the Canal Zone. Outline. Communicational, political.

Canal Zone and Contiguous Territory.

Keywords: Panama/Soil/Geology.

Call Number: H353

Notes: Soils by H.H. Bennett, Department of Agriculture.

Abstract: Alhajucla clay; Ancon clay; fills and excavations; Frijoles clay; Gatun clay; Limestone hills (largely in military reservation); marsh; Paraiso clay; Savana clay; unclassified alluvium. Geological, physical.

General Location of Some Important Soil Areas in Eastern Nicaragua.

Keywords: Nicaragua/Agriculture/Soil/Land.

Call Number: H352

Notes: Based on map published by Pan American Union. Soils by H.H. Bennett. No. 2348-C.

Abstract: Regions suitable for the cultivation of Hevea Rubber, location of principal soil areas, railroads. Communicational, economic, geological, physical. Shaded.

1925 Railroad Map of Nicaragua. Department of Commerce, Transportation Division.

Keywords: Nicaragua/Railways/Companies.

Call Number: H351

Notes: Long, 1925, f.p. 80.

Abstract: Brangmans Bluff Lumber C. Railroad; Cuyamel Fruit Co. Railroad; Pacific Railway of Nicaragua, concession of Pacific Railroad; Prestinary Railroad concession; proposed route for railway to the Atlantic; Wawa Railroad line in operation and proposed; cities and towns; concession for road to Nicaraguan frontier from El Viejo via Playa Grande; Nicaraguan Sugar Estates Ltd. Outline. Communicational, political.

Die Landenge de Nicaragua.

Keywords: Nicaragua.

Call Number: H350

Notes: Sievers, 1914, p. 494.

Abstract: Cities and towns, railways of Nicaragua. Communciational, physical, political. Shaded.

1926 Nicaragua, Regions within which Climatic Conditions Seems Sufficiently Favorable for Cultivation of Hevea Rubber. Department of Commerce, Geographic Section, Research, Drafting Division, No. 2393.

Keywords: Nicaragua/Agriculture/Weather.

Call Number: H349

Notes: Treadwell, 1926, p. 134.

Abstract: Boundaries settled and in dispute, cities and towns, regions suitable for cultivation of Hevea Rubber. Communicational, economic, political.

Map Showing the Route of the Corwith Expedition and the Caves Explored in the Sierra de Yucatan in January and March of 1895.

Keywords: Mexico/Archeology/Explorers.

Call Number: H348

Notes: Mercer, 1896, front.

Abstract: Route from Progreso to Sabaca. Caves, ruins, and surface pools. Archeological, communicational. Shaded.

1925 Skizze des Halsinsel Yukatan Nach Einer Skizze des Mexikanischen Generalstabes.

Keywords: Mexico/Provinces/Cities/Indigenous populations/War.

Call Number: H347

Notes: Sapper, 1905, p. 166.

Abstract: Cities, railways and, telegraph lines; scene of Mexican campaigns against Indian tribes of Quintana Roo, peninsula of Yucatan. Communicational, military, political. Photostatic.

Sketch (with english translation) of a Map of Yucatan, Circa, 1566, Found with the Landa Ms.

Keywords: Mexico/Provinces.

Call Number: H346

Notes: Means, 1917, back.

Abstract: 2 reduced copies of manuscript maps. Northeastern coast of Yucatan in the vicinity of the mouth of the Mazatlan River and Ascension Bay. Land to west and south marked as unexplored wilderness.

1904 Map of Yucatan.

Keywords: Mexico/Territory/Provinces.

Call Number: H345

Notes: Seler, 1904, f.p. 17.

Abstract: Boundaries of districts under Mexican government, boundaries of uninhabited lands. Cities, towns and villages, railways operating and projected, roads, ruins. Route of Dr. C. Sapper. Archeological, communicational, political.

F. Catherwood

1843 Map of Yucatan. edited by F. Catherwood, Charles Copley, New York.

Keywords: Mexico/Ruins/Provinces.

Call Number: H344

Notes: From John L. Stephens, Incidents of Trave in Yucatan, 1843, v. 1, f.p. 9.

Abstract: Outline of the Coast taken from English and Spanish Charts. Cities and towns, roads, ruins, unexplored areas. Outline. Archeological, communicational, physical.

Mounted.

Ward Line Mexican Southern RY. Connecting at Puebla with Mexican and Interoceanic R'Ys. To and From Vera Cruz. American Bank Note Co., New York.

Keywords: Mexico/Railways/Cities.

Call Number: H343

Abstract: Mexican Southern Railway from the city of Puebla, Puebla to the city of Oaxaca, Oaxaca.

Intendencia de Vera Cruz.

Keywords: Mexico/Colonial/Cities.

Call Number: H342

Notes: La Republica Mexicana, 1912, p. 12.

Abstract: Reduced copy of old map of seventeenth century of early Spanish settlement at Vera Cruz, eastern coast of Mexico. Historical.

Lit. de Salazar

1839 Carta de los Fondeaderos de Vera Cruz, Isla Verde, Sacrificios y Anton Lizardo. edited by Lit. de Salazar.

Keywords: Mexico/Cities/Harbors.

Call Number: H341

Notes: La Republica Mexicana, 1912, p. 19.

Abstract: Reduced copy of map ordered made by Rear Admiral C. Bandin, commander of the French Navy in the Gulf of Mexico, April and May, 1839, giving directions for entering the harbor of Vera Cruz. Hydrographical, physical.

U.S. Hydrographic Office

1916 Approaches to Vera Cruz and Anton Lizardo Anchorage. edited by U.S. Hydrographic Office, Washington.

Keywords: Mexico/Cities/Ports.

Call Number: H340

Notes: No. 2606, 6th ed., Nov. 1923. (Corrected through Notice to Mariners, No. 47, Nov. 21, 1925).

Abstract: East coast of Mexico. Types of Bottom, navigation lights, plan of Vera Cruz, railways and roads. Communicational, hydrographical. Soundings in fathoms.

J. Besson

1912 Veracruz. edited by J. Besson, Paris.

Keywords: Mexico/Cities.

Call Number: H339

Notes: La Republica Mexicana, 1912, front.

Abstract: State capital, cities, towns and villages, hamlets, farms, mines, ports, railways, railway stations, roads. Communicational, economic, physical, political. Color. Insets: 1) Plano de la ciudad y puerto de Veracruz; 2) Plano de la ciudad de Xalapa.

1930 The Nunnery Quadrangle at Uxmal.

Keywords: Mexico/Ruins/Archeology.

Call Number: H338

Notes: Merrill, 1930, p. 1.

Abstract: Plan of Mayan ruins at Uxmal, Yucatan; contours of surrounding country. Plan. Archeological, physical.

F. Catherwood

1841 Plan of a Large Stone Building at Uxmal in Yucatan. edited by F. Catherwood.

Keywords: Mexico/Ruins/Archeology.

Call Number: H337

Notes: Stephens, 1841, v. 2, f.p. 428.

Abstract: The ground-plan of the Casa del Gobernador, with the three ranges of terraces on which it stands.

1926 Haiti. Department of Commerce, Geographic Section, Research, Drafting Division.

Keywords: West Indies/Haiti.

Call Number: H337

Notes: No. 2413. Treadwell, 1926, p. 338.

Abstract: Principal cities and towns, railways of Haiti. Outline. Communicational, political.

F. Catherwood

1841 General Plan of the Ruins at Uxmal. edited by F. Catherwood.

Keywords: Mexico/Ruins/Archeology.

Call Number: H336

Notes: Stephens, 1843, v. 1, f.p. 165.

Abstract: Plan of the Mayan ruins at Uxmal, State of Yucatan.

William H. Holmes

1895 Ruins of Uxmal. edited by William H. Holmes.

Keywords: Mexico/Ruins/Archeology.

Call Number: H335

Notes: Holmes, 1895-97, pt. 1, insert pp. 96-7.

Abstract: Sketch of the ruins of Uxmal, State of Yucatan. Archeological, physical.

William H. Holmes

1895 Panorama of Uxmal. edited by William H. Holmes.

Keywords: Mexico/Ruins/Archeology.

Call Number: H334

Notes: Holmes, 1895-97, pt. 1, insert pp. 96-7.

Abstract: View of the ruins of Uxmal, State of Yucatan. Archeological, physical.

J. Mc. L. Murphy

1851 Map of the River Uspanapa, to the Playa del Tigre. edited by J. Mc. L. Murphy, Sarony and Major, New York.

Keywords: Mexico/Railway/Agriculture/Primary Resources.

Call Number: H333

Notes: Entered according to Act of Congress in the year 1852 by B. Fallon of New Orleans, Sect., Tehuantepec Railroad Co. in the Clerk's Office of the District Court for the Engineering District of Louisiana. Tehuantepec Railway Survey. Additional copy on file.

Abstract: Regions producing cedar, guapaque, mahogany, oranges, India rubber, sapote, sarsaparilla, and vanilla. Communicational, economic, historical, hydrographical, physical. Mounted, shaded. Soundings in feet. Insets: 1) Map of the Tancochapa River, from the Hacienda of San Jose to La Isla de Xucupa. 2) Map of the Village of Minatitlan.

Hydrographic Party under command of Lieut. Commr. Norman H. Farquhar, U. S. N. T. E.  
1871 Reconnaissance of the Uspanapa River. edited by Hydrographic Party under command of Lieut. Commr. Norman H. Farquhar, U. S. N. T. E..

Keywords: Mexico/Rivers.

Call Number: H332

Abstract: Survey of Uspanapa River, tributary of Coatzacoalcos. Banks, huts, ponds, tributaries. Communicational, hydrographical, physical. Mounted, shaded.

Hydrographic party under command of Alfred Hopkins, T. E.  
1871 Chart of the Upper Lagoon. edited by Hydrographic party under command of Alfred Hopkins, T. E..  
Keywords: Mexico/Regions.  
Call Number: H331  
Notes: Hydrography by C.B. Gill.  
Abstract: Huts, towns, and roads of country surrounding Upper Lagoon.  
Communicational, hydrographical, physical. Mounted, shaded.

H.B. Lloyd  
1902 The Tribes of Mexico According to Orozco Y Berra and the Best Known Ruins.  
edited by H.B. Lloyd, The Matthews-Northrup Works, Buffalo.  
Keywords: Mexico/Indigenous Populations/Ruins.  
Call Number: H330  
Notes: Lumholtz, 1902, v. 2, f.p. 488.  
Abstract: Regions occupied by the Cora, Huichol, Pima Bajo, Tarahumare, Tarasco, Tepecano, Tepehuane, and Tubar tribes; ruins. Route traveled by Carl Lumholtz.  
Archeological, communicational, ethnographical, political. Color.

1902 Map to Illustrate Carl Lumholtz's Travels in Mexico. Matthews-Northrup Works, Buffalo.  
Keywords: Mexico/Travel.  
Call Number: H329  
Notes: Lumholtz, 1902, v. 1, back.  
Abstract: Capitals, operation and projected railways, route traveled, ranches visited, towns, and villages. Communicational, physical, political. Color. 4 photostatic copies on file.

Hector Lazo  
1925 Suggested Commerical Traverler's Routes in Mexico. edited by Hector Lazo.  
Keywords: Mexico/Travel.  
Call Number: H328

Notes: Lazo, 1925a, p. 3.

Abstract: Commercial traveler's route in Mexico. Communicational. Mimeograph.

Hydrographic party under command of N.H. Farquhar, T. E.

1871 Chart of the Shore Line from Tonalá to Barilla. edited by Hydrographic party under command of N.H. Farquhar, T. E..

Keywords: Mexico/Coast.

Call Number: H327

Notes: Shore line by E.W. Henricks and J.M. Miller; soundings by U.S. Steamer Mayflower, E.W. Henricks commanding.

Abstract: Hydrographical, physical. Mounted, shaded.

Localización de 16 Excavaciones in Teotihuacán.

Keywords: Mexico/Ruins.

Call Number: H326

Notes: Gamio, 1917, p. 365.

Abstract: Map of excavations, Teotihuacán, Mexico. Sketch. Archeological, communicational.

1921 Mean Annual Temperature. The Geographical Review.

Keywords: Mexico/Weather/Climate.

Call Number: H325

Notes: Preliminary map. Based almost entirely on the map by P.P. Calvert in F. D. Codman: *Biologia Centrali-Americana, Zoology, V. Neuroptera (Odonata)*, London, 1892-1908. The data on which this map was based were published in the *Monthly Weather Review*, v. 36, 1908, pp. 93-97. Huntington, 1921, p. 254.

Abstract: Outline. Meteorological, political. Shaded.

1921 Average Monthly Temperatures. The Geographical Review.

Keywords: Mexico/Weather.

Call Number: H324

Notes: Sanders, 1921, p. 214.

Abstract: 2 diagrammatic maps of mean monthly temperatures in Mexico in January and July. Outline. Meteorological. Shaded.

1843 Plano de la Parte Austral del Istmo de Tehuantepec desde la Costa de Oceano Pacifico Hasta la Llanura del Coatzacoalcos. F.P. Becker and Co., London.

Keywords: Mexico/Region.

Call Number: H323

Abstract: Plan of the southern part of the Isthmus of Tehuantepec from the coast of the Pacific Ocean to the Plains of Coatzacoalcos. Capitals, estates, small farms, isolated habitations, foot paths, mail route, settlements, towns, trigonometrical points (1st, 2nd, 3rd class). Communicational, hydrographical, physical. Mounted, shaded. Inset: Proyeccion Vertical Sobre un Plano Perpendicular al Meridiano.

1843 Plano Geologico de la Parte Austral del Istmo de Tehuantepec, Ano 1843. F.P. Becker and Co., London.

Keywords: Mexico/Geology.

Call Number: H322

Notes: Garay, 1844, front.

Abstract: Geological plan of the southern region of the Isthmus of Tehuantepec. Communicational, geological, physical. Color.

J.C. Spear

1871 Geological Map of the Isthmus of Tehuantepec. edited by J.C. Spear, T. Sinclair and Son, Philadelphia.

Keywords: Mexico/Minerals/Natural Resources.

Call Number: H321

Notes: U.S. Navy department, 1872.

Abstract: Alluvium, asphaltum and petroleum, calcareous tufa, granulite, hypersthene, jasper, kaolin, porphyry and syenite, sandstone, shale (above) and gneiss (below), tertiary limestone, trachyte. Physical. Color.

1851 Plan of the Part of the Isthmus of Tehuantepec, Between the Jaltepec River and the Pacific Plains; Embracing all of the Engineering Difficulties on the Route of Survey. Endicott and Co..

Keywords: Mexico/Railways.

Call Number: H320

Notes: Entered according to Act of Congress in the year 1852 by B. Fallon, Sect., Tehuantepec Railroad Co. of New Orleans in the Clerk's office of the District Court of the Eastern District of Louisiana.

Abstract: Communicational, physical. Mounted, shaded. Inset: Profile on the Line as Surveyed in 1851.

1868 Map of the Isthmus of Tehuantepec Showing the Lines of Wagon Road, telegraph and Railroad Proposed to be Constructed under the La Sere Grant, 1868. The New York Lithographing, Engraving and Printing Co., New York.

Keywords: Mexico/Railways.

Call Number: H319

Notes: Entered according to Act of Congress in the year 1868 by the Tehuantepec Railway Co. in the Clerk's Office of the District Court of the United States for the Southern District of New York. Tehuantepec railway company, 1869, f.p. 51.

Abstract: Cities, towns, proposed railways, wagon road and telegraph.

Communicational, physical. Color.

1871 Map Showing the Route for Supplying Water the Summit Level of the Tehuantepec Ship Canal.

Keywords: Mexico/Canals.

Call Number: H318

Abstract: Survey of the Tehuantepec Expedition. Communicational, physical. Mounted, shaded.

1871 Map of the Isthmus of Tehuantepec, Embracing all the Surveys of the Engineering and Hydrographic Parties and Showing the Proposed Route of the Tehuantepec Ship Canal, Its Feeder and Harbors.

Keywords: Mexico/Railways/Harbors.

Call Number: H317

Abstract: Lines explored and surveyed by the Tehuantepec Expedition. Huts, plantations, roads, settlements, towns, and villages. Communicational, hydrographical, physical.

Shaded.

Chas. C. Smith

1851 Map of the Isthmus of Tehuantepec, Embracing all the Surveys of the Engineering and Hydrographic Parties and Showing the Proposed Route of the Tehuantepec Railroad. edited by Chas. C. Smith, Sarony and Major, New York.

Keywords: Mexico/Railways.

Call Number: H316

Notes: Survey under the direction of Maj. J.G. Barnard, U.S. Engineers, Chief Engineer. Entered according to Act of Congress in the year 1852 by B. Fallon, Sect., Tehuantepec Railroad Co. of New Orleans in the Clerk's office in the State of Louisiana, Southern District of New York.

Abstract: Lines proposed and surveyed. Communicational, physical. Inset: Profile of the railroad route from Minatitlan to La Ventosa. Elevation of grade line above high tide of La Ventosa.

1880 The Isthmus of Tehuantepec. Russel and Struther, New York.

Keywords: Mexico/regions.

Call Number: H315

Notes: Anderson, 1880, f.p. 19.

Abstract: Atlantic Plains, mountainous district, Pacific Plains, route of Tehuantepec Railroad. Communicational, physical, political. Color.

1880 Tehuantepec--Its Relation to Mexico. Russel and Struthers, New York.

Keywords: Mexico/Cities.

Call Number: H314

Notes: Anderson, 1880, f.p. 47.

Abstract: Existing railways in 1879; Tehuantepec Interocean Railroad. Communicational, physical, political. Color.

Padro C. Sanchez and Manuel Rangel

1897 Croquis de la Parte Destruida de la Ciudad de Tehuantepec. edited by Padro C. Sanchez and Manuel Rangel, Mexico.

Keywords: Mexico/Cities/Disasters.

Call Number: H313

Notes: Sanchez and Rangel, 1897, f.p. 22.

Abstract: Sketch of the porotion of the city of Tehuantepec destroyed by earthquake in 1897.

1872 From Tarifa to the Upper Lagoon, by way of Tarifa Pass.

Keywords: Mexico/Canals.

Call Number: H312

Notes: Contributed by the Mexican Commissioners. Profile No. 4, Tehuantepec Expedition.

Abstract: Survey for a ship-canal. Pro. Communicational, physical. Mounted.

1871 From Tarifa to the Corte River, by way of the Feeder Route.

Keywords: Mexico/Canals.

Call Number: H311

Notes: Profile No. 2, Tehuantepec Expedition. Obtained from points of Profile No. 1, from measured slope angles, side levels and barometrical observations.

Abstract: Survey for a ship-canal. Pro. Communicational, physical. Mounted.

1871 From Tarifa to the Corte River, By way of Cofradia and Sta. Maria.

Keywords: Mexico/Canals.

Call Number: H310

Notes: Profile No. 1, Tehuantepec Expedition.

Abstract: Survey for a ship canal. Pro. Communicational, physical. Mounted.

1871 From Tarifa to the Atrafesado Mountain by way of Tierra Blanca and Chicapa Valley.

Keywords: Mexico/Canals.

Call Number: H309

Notes: Profile No. 6, Tehuantepec Expedition.

Abstract: Survey for a ship canal. Pro.Communicational, physical. Mounted.

U.S. Hydrographic Office

1902 Tampico to Progreso. edited by U.S. Hydrographic Office, Washington.

Keywords: Mexico/Ports.

Call Number: H308

Notes: No. 2056, 45th ed., Dec. 1924. From Surveys by U.S.S. Wyoming, 1873-74, U.S.S. Fortune, 1874, and survey of Bay of Campeche by the British Admiralty, 1844.

Abstract: East coast of Mexico. Beacons, types of bottom, navigation lights, railways and towns. Communicational, hydrographical, physical. Soundings in fathoms, elevations in feet. 6 photostatic copies on file.

H. Demoulin

Puerto de Tampico. edited by H. Demoulin.

Keywords: Mexico/Ports/Railways.

Call Number: H307

Notes: La Republica Mexicana, 1910, p. 44.

Abstract: Cours of the Panuco River from La Barra on the Gulf of Mexico to Tampico.

Plats of La Barra and Tampico, State of Tamaulipas; railways, roads. Sketch.

Communicational.

U.S. Hydrographic Office

1897 Tampico Harbor. edited by U.S. Hydrographic Office, Washington.

Keywords: Mexico/Railways/Ports.

Call Number: H306

Notes: From surveys to 1898 by the Mexican Central Railway Co. with additions from other sources. No. 1577, 26th ed., October 1922. (Corrected through Notice to Mariners, No. 44, Oct. 31, 1925, Hydrographic Office, Navy Department).

Abstract: Gulf of Mexico, Tampico Harbor. Navigation lights, tides, plans of La Bara and Tampico, with connecting railways and roads. Communicational, hydrographical.

Sounding in fathoms. Insets: Panuco river; Lobos Island.

J. Besson

Tamaulipas. edited by J. Besson, Paris.

Keywords: Mexico/Cities.

Call Number: H305

Abstract: State capital, cities, ports, towns, and villages; estates, farms, hamlets, mines, navigable rivers, railways and stations, cart roads and mule trails. Communicational, physical, political.

E. de la Portilla

1913 Planta Y Corte Del Subsuelo de la Casa No. 22 de la 1a Calle de Sta. Teresa. edited by E. de la Portilla, Mexico.

Keywords: Mexico/Ruins.

Call Number: H304

Notes: Gamio, 1917, f.p. 368.

Abstract: Plan and cross-section of the sub-soil of house No. 22 First Street, Santa Teresa, Mexico. Sketch. Archeological.

Department of Commerce, T. D.

1925 Southern Pacific Railroad of Mexico and Connecting Roads of Other Systems.

edited by Department of Commerce, T. D..

Keywords: Mexico/Railways.

Call Number: H303

Notes: Long, 1925a, f.p. 180.

Abstract: Southern Pacific Railroad of Mexico and connecting roads: Kansas City, Mexico and Orient Railroad; Manzanillo Port Works Railway; Mexican Northwestern Railway; Mexican Union Railway Co.; Nacozari Railroad; proposed Naco-to-Guzman Railway; proposed Tepic-San Blas Railroad; Rio Mayo Railway; Western Railway of Mexico. Communicational, political.

Hans Gadow

1908 Sketch Map of Southern Mexico to Show Places Visited by the Author. edited by Hans Gadow.

Keywords: Mexico/Travel.

Call Number: H302

Notes: Gadow, 1908, f.p. 1.

Abstract: Outline of route taken by Hans Gadow, 1908, through southern Mexico.

H.A. Horsfall

1909 Map of Southern Mexico. edited by H.A. Horsfall, The Engineering and Mining Journal, New York.

Keywords: Mexico/Southern.

Call Number: H301

Notes: Horsfall, 1909, p. 667.

Abstract: Principal cities and towns, lakes and rivers, railways and roads. Communicational, physical, political.

A.H. Bumstead

1927 A Map of Southern Mexico. edited by A.H. Bumstead.

Keywords: Mexico.

Call Number: H300

Notes: Corey, 1927, p. 504.

Abstract: Capital, cities and towns, railways of Oaxaca and neighboring states of southern Mexico. Communicational, physical, political.

Department of Commerce, G. S. R.

1926 Southern Mexico, Regions with Which Conditions Seem Sufficiently Favorable for the Cultivation of Hevea Rubber. edited by Department of Commerce, G. S. R., Drafting Division No. 2409.

Keywords: Mexico/Agriculture.

Call Number: H299

Notes: Treadwell, 1926, f.p. 23.

Abstract: Limits of Hevea region, railways, rivers, towns, and villages. Communicational, economic, political.

Direccion de Estudios Biologicos

Carta Biologica del Estado De Sonora. edited by Direccion de Estudios Biologicos, Tallers Graficos de la Nacion, Mexico City.

Keywords: Mexico/States/Agriculture/Natural Resources.

Call Number: H298

Abstract: Department of the State of Sonora and their animal, vegetable, and mineral products. Outline. Economic, political.

J. Besson

1908 Sonora. edited by J. Besson, Paris.

Keywords: Mexico/Cities.

Call Number: H297

Notes: La Republica Mexicana, 1908, front.

Abstract: Estates, hamlets, highways and mule trails, industrial centers, large and small farms, mines, ports of coastal trade, post offices, railway stations, railways projected and under construction, towns of 1,000-3,000 inhabitants and villages.

Communicational, economic, physical, political. Color, shaded.

1873 Map de la Sierra Gorda y Costas del Seno Mexicano.

Keywords: Mexico/Colonization/Cities.

Call Number: H296

Notes: La Republica Mexicana, 1910, p. 4.

Abstract: Copy of old Spanish map of Colony of New Santander and its Jurisdictions settled by Don Joseph de Escandon, Count of the Sierra Gordas, in what are now the States of Coahuila, Nueva Leon, San Louis Potosi, and Tamaulipas, northeastern Mexico.

Early Spanish cities, missions, towns, and villages. Communicational, historical, political.

F. Catherwood

1841 Santa Cruz del Quiche. edited by F. Catherwood, J.H. Colen.

Keywords: Mexico/Ruins/Archeology.

Call Number: H295

Notes: Stephens, 1841, v. II, f.p. 171.

Abstract: The ruins of Santa Cruz del Quiche, Mexico. Fortress, palace, and Palace of Sacrifice, small stream. Archeological, physical.

The Hydrographic Party under the command of Alfred Hopkins

1871 Chart of the Roadstead of Salina Cruz. edited by The Hydrographic Party under the command of Alfred Hopkins.

Keywords: Mexico/Cities.

Call Number: H294

Notes: Tehuantepec Expedition. Hydrography by Lieut. C.B. Gill, U.S.N.

Abstract: Soundings of roadstead, types of bottom, proposed breakwater, Salina Cruz, State of Oaxaca, Pacific coast of Mexico. Communicational, hydrographical, physical.

Mounted. Shaded.

U.S. Hydrographic Office

1907 Port of Salina Cruz. edited by U.S. Hydrographic Office, Washington.

Keywords: Mexico/Ports.

Call Number: H293

Notes: No. 2424, 12th ed., Nov. 1925. (Corrected through Notice to Mariners, No. 51 Dec. 19, 1925, Hydrographic Office, Navy Department.).

Abstract: Breakwater and lighthouses, plan of Salina Cruz, railways and warehouses, west coast of Mexico. Communicational, hydrographical. Soundings in feet. 7 reduced photostatic copies on file.

1922 Salina Cruz and Vicinity.

Keywords: Mexico/Railways/Cities.

Call Number: H292

Notes: Kamar Al-Shimas, 1922, f.p. 28.

Abstract: Railway from Salina Cruz to La Chrela via San Geronimo, and from San Geronimo to Reforma via Juchitan. Communicational, physical.

William H. Holmes

1897 Panoramic View of San Juan Teotihuacan. edited by William H. Holmes.

Keywords: Mexico/Ruins/Archeology.

Call Number: H291

Notes: Holmes, 1895-97, pt. 2, f.p. 298.

Abstract: Panoramic view, looking south, of Pyramid of the Moon, Pyramid of the Sun, Court of the Battered Goddess, Pathway of the Dead, Citadel, course of Rio San Juan, location of San Juan Village near Mexico City. Archeological, physical.

Plano de Castillo de San Juan de Ulua.

Keywords: Mexico/buildings.

Call Number: H290

Notes: Taken from Sr. Lerdo de Tejada, La Heroica Ciudad de Veracruz, v. 1, insert pp. 148 and 149. L Republica Mexicana, 1912, p. 11.

Abstract: Architectural plan of the fortress of San Juan de Ulua, harbor of Vera Cruz, latter half of seventeenth century. Plan.

Map Showing Sacred Places Visited by the Huichol Indians.

Keywords: Mexico/Indigenous populations/Railways.

Call Number: H289

Notes: 5 photostatic copies on file. Lumholtz, 1902, v. 2, pp. 176-77.

Abstract: Northwestern Mexico. Line of the Mexican Central Railway. Archeological, communicational, ethnographical.

1919 Map Showing the Distribution of the Annual Rainfall (in inches).

Keywords: Mexico/Weather.

Call Number: H288

Notes: Hitchcock, 1919, p. 132.

Abstract: Rainfall increases toward the south and reaches a maximum in the Isthmus of Tehuantepec. Yucatan is drier. Outline. Meteorological, political.

1919 Map Showing the Annual Rainfall (In Millimeters) For Several Stations in Mexico.

Keywords: Mexico/Weather.

Call Number: H287

Notes: Hitchcock, 1919, p. 133.

Abstract: Location of stations. Outline. Meteorological, political.

1919 Map Showing the Annual Rainfall by Months.

Keywords: Mexico/Weather.

Call Number: H286

Notes: Hitchcock, 1919, pp. 134-35.

Abstract: 12 maps indicating average rainfall in millimeters by months. Outline. Meteorological, political.

1921 Average Annual Rainfall. The Geographical Review.

Keywords: Mexico/Weather.

Call Number: H285

Notes: Preliminary map. Based on all the data which were available in 1919 in the files of the U.S. Weather Bureau. Huntington, 1921, p. 255.

Abstract: Outline. Meteorological, political. Shaded.

1921 Average Annual Rainfall. The Geographical Review.

Keywords: Mexico/Weather.

Call Number: H284

Notes: Sanders, 1921, p. 255.

Abstract: Diagrammatic map of mean annual rainfall in Mexico. Outline. Meteorological. Shaded.

1908 Puerto Mexico (Coatzacoalcos Harbor). U.S. Hydrographic Office, Washington.

Keywords: Mexico/railways/Ports.

Call Number: H283

Notes: No. 2478, 8th edition, Dec. 1922. (Corrected through Notice to Mariners, No. 39, Sep. 27, 1924, Hydrographic Office, Navy Department). 7 photostatic copies on file.

Abstract: East coast of Mexico. Coatzacoalcos Harbor, navigation lights, plan of Puerto Mexico, railways, breakwaters, tides, existing and projected warehouses.

Communicational, hydrographical. Color. Sounding in feet, reduced to plane of low water.

1911 Sketch map showing location of the proposed Puebla and Pacific R.R., Mexico.

Engineering News, New York.

Keywords: Mexico/Railways.

Call Number: H282

Notes: Roberts, 1911, p. 287.

Abstract: Route of proposed Puebla and Pacific Railway from Puebla, State of Puebla to Pacific coast, State of Oaxaca; other railways.

1908 Distribution of Principal Nations Before 1000 A.D.

Keywords: Mexico/Indigenous Populations.

Call Number: H281

Notes: Gadow, 1908, p. 296.

Abstract: Distribution of the Maya, Misteca, Naho, Otomi, Tarasco, Zapoteca races prior to 1000AD. Ethnographical, historical.

1908 Distribution of Principal Nations After 1300 A.D.

Keywords: Mexico/Indigenous Populations/Pre Colombian.

Call Number: H280

Notes: Gadow, 1908, f.p. 297.

Abstract: Distribution of Huasteca, Huave, Maya, Mexicanos, Misteca, Otomi, Tarasco, Zapoteca races after 1300 A.D. Ethnographical, historical.

Sidney Hall

1828 Map of Routes to the Principal Mining Districts in the Central States of Mexico.

edited by Sidney Hall, Henry Colburn.

Keywords: Mexico/Cities/Mining/Natural Resources.

Call Number: H279

Notes: Ward, 1829, v. 2, back.

Abstract: Principal cities and towns, rivers, routes to the principal mining districts in the central states of Mexico. Communicational, economic, physical, political. Shaded.

F.A. Godoy

1911 Density of Population (1910). edited by F.A. Godoy.

Keywords: Mexico/Population/Demography.

Call Number: H278

Notes: Pan American Union, 1911, f.p. 52.

Abstract: Density of population from 3 to 50 inhabitants per square kilometer; location of state capitals. Political, statistical. Color. Inset: Area of Mexico compared with that of the British Isles.

Edm. de la Portilla

1913 Plano Topografico de la Plaza de la Constitucion y de sus Inmediaciones. edited by Edm. de la Portilla, Mexico.

Keywords: Mexico/Ruins/Cities.

Call Number: H277

Notes: Gamio, 1917, f.p. 369.

Abstract: Topographical plan of the Central Square of La Constitucion and surroundings, showing archeological finds to date (1913). Sketch. Archeological.

Antonio Garcia Cubas

1884 Peregrinacion de los Aztecas en el Valle de Anahuac. edited by Antonio Garcia Cubas.

Keywords: Mexico/Pilgrimage/Indigenous Populations.

Call Number: H276

Notes: Cubas, 1884, f.p. 353.

Abstract: Peregrination of the Aztecs, Aztec towns in Valley of Anahuac. Outline. Communicational, ethnographical, physical. Shaded.

Intercontinental Railway Commission

1898 Part of Mexico, Showing Connection between the Intercontinental Railway and the Existing and Projected Railroads. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: Mexico/Railways/Territory.

Call Number: H275

Notes: Map No. V.

Abstract: Boundaries (partly in dispute); proposed location of Intercontinental Railway, surveys made and projected, railways in operation and projected. Communicational, political. Color.

Intercontinental Railway Commission

1898 Part of Mexico, Showing Connection between the Intercontinental Railway and the Existing and Projected Railroads. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: Mexico/Railways.

Call Number: H274

Notes: Elevations in feet.

Abstract: Proposed extensions, surveys and proposed surveys. Communicational, political. Color.

1904 Parral Mining District, State of Chihuahua, Mexico.

Keywords: Mexico/Mining/Natural Resources.

Call Number: H273

Notes: Mexican standard mining co., 1904.

Abstract: Mines, railways, roads in the Parral Mining District. Communicational, economic, physical. Shaded.

William H. Holmes

1896 Panoramic View of Palenque. edited by William H. Holmes.

Keywords: Mexico/Ruins.

Call Number: H272

Notes: Holmes, 1895-97, pt. 2, f.p. 209.

Abstract: Palace, Temple of Inscriptions, Temple of the Beau Relief, Temple of the Cross, Temple of the Cerro, Temple fo the Sun; opening of waterway, washed opening into waterway; upper end of waterway, Usumasinta River, eastern Mexico. Archeological, physical. Shaded.

F. Catherwood

1841 General Plan of the Ruins of Palenque. edited by F. Catherwood.

Keywords: Mexico/Ruins.

Call Number: H271

Notes: Stephens, 1841, v. 2, f.p. 337.

Abstract: Ruins of Palenque, State of Tabasco, Mexico.

William H. Holmes

1896 Sketch Map of Palenque. edited by William H. Holmes.

Keywords: Mexico/Ruins.

Call Number: H270

Notes: Holmes, 1895-97, pt. 2, f.p. 208.

Abstract: Plan of the ruins of Palenque, Usumasinta River, State of Tabasco, eastern Mexico. Archeological, physical.

John Arrowsmith

1860 Map to Illustrate a Journey to the North Western Provinces of Mexico; By Ch. Sevin, Esqr., 1856. edited by John Arrowsmith, J. Murray.

Keywords: Mexico/Explorers/Cities.

Call Number: H269

Notes: Sevin, 1860, f.p. 1.

Abstract: Capitals, cities, route taken by Ch. Sevin on his travels in the Mexican states of Cinaloa (Sinaloa), Sonora, and Zalisco (Jalisco) in 1856. Communicational, physical, political. Shaded.

Map of New Spain Under the Viceroy.

Keywords: Mexico/Colonization/Viceroy.

Call Number: H268

Notes: Bancroft, 1883-87, v. 3, front.

Abstract: States and territories of Mexico under the rule of Viceroy, seventeenth century. Outline. Historical.

New Spain During the Sixteenth Century.

Keywords: Mexico/Colonization.

Call Number: H267

Notes: Bancroft, 1883-87, v. 2, f.p. 1.

Abstract: The states and cities of Mexico as explored and settled by the Spaniards in the sixteenth century. Historical, political.

New Spain as Known to the Conquerors in 1521.

Keywords: Mexico/Indigenous populations.

Call Number: H266

Notes: Bancroft, 1883-87, v. 1, f.p. 1.

Abstract: The Mexican Empire, its cities and tribes prior to Spanish colonization. Historical, physical.

1922 Mining Regions of Nayarit and Jalisco in Nayarit Mountains. The Engineering and Mining Journal.

Keywords: Mexico/Minerals/Natural Resources/Mining.

Call Number: H265

Notes: Payne, 1922, p. 10.

Abstract: Location of silver mines on border line and in States of Jalisco and Nayarit; railways and roads. Communicational, economic, political.

1925 Map of National Railways of Mexico and Operated Lines (Government Administration). Department of Commerce, Transportation Division.

Keywords: Mexico/Railways.

Call Number: H264

Notes: Long, 1925a, f.p. 33.

Abstract: Independent, national railways and railways operated by Mexican Free Ports Commission. Communicational, political.

William H. Holmes

1896 Sketch Map of Summit Remains of Monte Alban. edited by William H. Holmes.

Keywords: Mexico/Ruins.

Call Number: H263

Notes: Holmes, 1895-97, pt. 2, inset pp. 226-27.

Abstract: Main Southern Terrace with Pyramids, Grand Plaza, Central Group of Northern Group of Pyramids, State of Oaxaca, southwestern Mexico. Archeological, physical.

William H. Holmes

1896 Panoramic View of Summit Remains, Monte Alban. edited by William H. Holmes.

Keywords: Mexico/Ruins.

Call Number: H262

Notes: Holmes, 1895-97, pt. 2, insert pp. 226-27.

Abstract: View of Ruins looking north, State of Oaxaca, southwestern Mexico. Archeological, physical. Shaded.

William H. Holmes

1896 Panoramic View of Summit Remains, Monte Alban. edited by William H. Holmes.

Keywords: Mexico/Cities/Ruins.

Call Number: H261

Notes: Holmes, 1895-97, pt. 2, f.p. 226.

Abstract: View of Monte Alban from Lesser Alban looking west. Main Southern Terrace and Pyramids, Great Plaza, Central Group of Pyramids. Spur with Ruins, the Lesser Alban, city of Oaxaca, hills covered with ruins, State of Oaxaca, southwestern Mexico. Archeological, physical. Shaded.

William H. Holmes

1896 Sketch Map of Monte Alban and Vicinity. edited by William H. Holmes.

Keywords: Mexico/Cities.

Call Number: H260

Notes: Holmes, 1895-97, pt. 2, p. 210.

Abstract: Great Plaza occupying middle portion of the main summit of Monte Alban, two pyramid-crowned terraces, crest of the Lesser Alban, outer quadrangle of lesser ridge, State of Oaxaca, southwestern Mexico. Archeological, physical. Shaded.

Expedition of Montano.

Keywords: Mexico/Explorers.

Call Number: H259

Notes: Bancroft, 1883-87, v. 2, p. 46.

Abstract: Country of Michoacan, west coast of Mexico; illustrates expedition of Montano, 1521. Historical, physical. Shaded.

1910 Map of the Mixteca Country, States of Oaxaca and Puebla, Mexico, Showing Coal Basins, Iron-ore Deposits and Existing and Proposed Railroads.

Keywords: Mexico/Natural Resources/Mining/Minerals.

Call Number: H258

Notes: Birkinbine, 1910, p. 668.

Abstract: Capitals and towns. Communicational, economic, geological, political.

William H. Holmes

1896 Panoramic View of Mitla. edited by William H. Holmes.

Keywords: Mexico/Ruins.

Call Number: H257

Notes: Holmes, 1895-97, pt. 2, insert pp. 312-13.

Abstract: View looking west. Group of Catholic establishment, group of the Columns, Arroyo group, Adobe group, South Side group, Fortified Hill, Rio Mitla, Mitla, State of Oaxaca, southwestern Mexico. Archeological, physical.

William H. Holmes

1896 Sketch Map of the Ruins of Mitla. edited by William H. Holmes.

Keywords: Mexico/Ruins.

Call Number: H256

Notes: Holmes, 1895-97, pt. 2, f.p. 279.

Abstract: Ruins of Mitla, State of Oaxaca, southwestern Mexico. Archeological, physical.

Ruins of Mitla.

Keywords: Mexico/Ruins.

Call Number: H255

Notes: Tempsky, 1858, f.p. 250.

Abstract: First and second group of ruins at Mitla, Oaxaca. Plan. Archeological.

Charles Grove Johnson

1904 General Plan of the Mitla Ruins. edited by Charles Grove Johnson.

Keywords: Mexico/Ruins.

Call Number: H254

Notes: Johnson, 1904, p. 514.

Abstract: The ruins of Mitla, Oaxaca. Archeological.

Plan of Mitla Ruins, Oaxaca.

Keywords: Mexico/Ruins.

Call Number: H253

Notes: Seler, 1904, f.p. 251.

Abstract: Mayan ruins at Mitla, State of Oaxaca, southwestern Mexico. Archeological.

R.M. Parker

1919 A Sketch Map of the West Coast of Mexico and the Peninsula of Lower California.  
edited by R.M. Parker.

Keywords: Mexico/Railways.

Call Number: H252

Notes: Simpich, 1919, p. 310.

Abstract: Cities and towns, railways of the States of Chihuahua, Durango, Sinaloa, and Sonora, and peninsula of Lower California. Communicational, political.

1925 West Coast of Mexico and Lines of Southern Pacific Railroad Company of Mexico.

Keywords: Mexico/Railways.

Call Number: H251

Notes: Bell, 1925, back. One additional copy on file.

Abstract: Lines in operation and under construction. Outline. Communicational, political.

James M. Darley

1922 The West Coast of Mexico. edited by James M. Darley.

Keywords: Mexico/Cities.

Call Number: H250

Notes: Corey, 1922, p. 452.

Abstract: Cities and towns, railways of western Mexico. Communicational, political.

Inset: Mexico.

1853 Map of the Valley of Mexico with a Plan of the Mexican Defences and Line of U.S. Army's Operation. Sherman and Smith, New York.

Keywords: Mexico/Military.

Call Number: H249

Notes: Meyer, 1853, f.p. 381. From the survey of Lieut. M.L. Smith and Brevt. Capt. Hardcastle, U.S. Top. Engrs.

Abstract: Cities and towns, high water line, roads, route of U.S. Army, Mexican works. Communicational, military, physical. Shaded.

1914 Map of the Valley of Mexico.

Keywords: Mexico/Transportation.

Call Number: H248

Notes: Joyce, 1914, p. 13.

Abstract: Cities and traditional route of the Aztec in the Valley of Mexico. Outline. Communicational, ethnographical.

Lit. de Salazar

1896 Carta Hidrografica del Valle de Mexico Conteniendo el Trazo del Gran Canal y Tunel para el Desague del Mismo Valle y del la Ciudad de Mexico, Conforme al Proyecto en Ejecucion, 1896. edited by Lit. de Salazar, Mexico.

Keywords: Mexico/Drainage.

Call Number: H247

Abstract: Canal and tunnel for the drainage of the Valley and City of Mexico according to a project in operation in 1896. Capital, cities and towns; estates and farms; narrow and wide guage railways. Communicational, hydrographical, physical. Mounted, shaded.

Alfred Martinez

1896 Desague del Valle de Mexico. edited by Alfred Martinez, Mexico.

Keywords: Mexico/Drainage.

Call Number: H246

Notes: Report on the valley drainage works and sanitation works of Mexico City, 1896, f.p. 8.

Abstract: Longitudinal profile of the Gran canal for the drainage of the Valley and City of Mexico. Pro. Physical. Color, shaded.

Alfredo Martinez

1896 Desague del Valle de Mexico. edited by Alfredo Martinez, Mexico.

Keywords: Mexico/Cities/Drainage.

Call Number: H245

Notes: Report on the valley drainage work and sanitation works of Mexico City, 1896, f.p. 8.

Abstract: Longitudinal profile of the Tequixquiac Tunnel for the drainage of the Valley and City of Mexico. Pro. Physical. Color, shaded.

1921 Mexico City Groups. The Geographical Review.

Keywords: Mexico/Cities/Populations.

Call Number: H244

Notes: Cushings, 1921, f.p. 242.

Abstract: Geographical grouping of Mexican cities, population (1910) indicated, 2,000-50,000 and over 50,000. Outline. Political, statistical.

1925 Communications Between Mexico City and the Archaeological City of Teotihuacan.

Keywords: Mexico/Transportation/Ruins/Cities.

Call Number: H243

Notes: Gamio, 1925, front.

Abstract: Auto roads and railway from Mexico City to Aztec ruins at Teotihuacan. Sketch. Archeological, communicational.

Roberto Gayol

1895 Plano General del Proyecto Para los Alineamientos y Distribucion de las Vuevas Atarjeas de la Ciudad de Mexico. edited by Roberto Gayol, "La Europea" Santa Isabel, Mexico.

Keywords: Mexico/Cities/Sanitation/Drainage.

Call Number: H242

Notes: Report of the valley drainage works and sanitation works of Mexico City, 1896, f.p. 8.

Abstract: Plan of the projected drainage of Mexico City. Physical, political. Color.

Map of the City of Mexico.

Keywords: Mexico/Cities.

Call Number: H241

Notes: Janvier, 1893, front.

Abstract: Plan of the City of Mexico, authorized for publication with the Mexican Guide, by General Carlos Pacheco, Minister of Public Works, 1885. Plan. Communicational.

1919 Map Showing Where Collections Were Made During the Summer of 1910.

Keywords: Mexico/Vegetation.

Call Number: H240

Notes: Hitchcock, 1919, p. 136.

Abstract: Localities visited by A.S. Hitchcock while collecting grasses in Mexico. Outline. Botanical, political.

1921 Vegetation Map of Mexico. The Geographical Review.

Keywords: Mexico/Natural Resources/Vegetation.

Call Number: H239

Notes: Sanders, 1921, p. 218.

Abstract: Alkaline wastes; deciduous trees; jungle; pin forests; scrub--chiefly agave cactus, mequite, yucca; tropical rain forests. Outline. Communicational, economic, political. Shaded.

A.H Bumstead

1923 A Sketch Map of Mexico Showing the Route of the Old Spanish Road. edited by A.H Bumstead.

Keywords: Mexico/Transportation/Cities.

Call Number: H238

Notes: Corey, 1923, p. 230.

Abstract: Road from San Blas, Nayarit through Guadalajara, Jalisco. Communicational, physical, political.

Map of the Republic of Mexico.

Keywords: Mexico/Minerals/Mining/Chihuahua.

Call Number: H237

Notes: Mexican standard mining company, 1904, front.

Abstract: Capitals, cities and towns, railways, location of Mexican standard mines in the State of Chihuahua. Communicational, economic, physical, political.

General Staff, W. C. D.

1915 Railroad Map of Mexico. edited by General Staff, W. C. D., U.S. War Department, Washington.

Keywords: Mexico/Railways.

Call Number: H236

Notes: Reprinted by the Pan American Union, The Eckert Lithographing Co.

Abstract: Cities and towns, railways. Communicational, physical, political. Color, mounted. Inset: enlarged map. State of Mexico and surrounding country.

1925 Railroad Map of Mexico. Department of Commerce, Transportation Division.

Keywords: Mexico/Railways/Cities.

Call Number: H235

Notes: Long, 1925a, f.p. 220.

Abstract: Communicational, political. Inset: Mexico City and vicinity.

1910 Outline Map of Mexico.

Keywords: Mexico.

Call Number: H234

Notes: Galloway, 1910, p. 1050.

Abstract: States and territories of Mexico, with their capitals, principal cities and towns, railways. Communicational, political.

1921 Natural Regions of Mexico. The Geographical Review.

Keywords: Mexico/Regions.

Call Number: H233

Notes: Sanders, 1921, p. 216.

Abstract: Coastal plains, desert of Sonora and Lower California, dry northeastern plateau, great central plateau, highlands of Chiapas. Outline. Physical. Shaded.

Joseph T. Annin

1919 Murder Map of Mexico Showing the Location of 550 Killings of Americans in Mexico and by Mexicans Along the American Border During Four Periods--November 20, 1910--September 30, 1919. edited by Joseph T. Annin, Washington.

Keywords: Mexico/Homicide/Violence.

Call Number: H232

Notes: U.S. Congress. Senate. Committee on foreign relations, 1920, v.1, f.p. 845. Made for Joseph T. Annin, under his personal direction.

Abstract: Map accompanied by chart giving authorities used. Communicational, political, statistical.

1925 Meteorological maps of Mexico. Servicio Meteorologico Mexicano.

Keywords: Mexico/Weather.

Call Number: H231

Abstract: 12 maps, 3 each from April - June: Average temperature; Total Precipitation; Temperature and precipitation on the sixth hour, 105° meridian. Meteorological, shaded.

1925 Meteorological Maps of Mexico. Servicio Meteorologico Mexicano.

Keywords: Mexico/Weather.

Call Number: H230

Notes: Mexico. Secretaria de agricultura y fomento, 1925, nos. 2, 3, back.

Abstract: 8 maps, 2 each of: Average temperature, February-March; Total precipitation, February-March; Precipitation of rainfall, February-March; Average temperature and precipitation on the sixth hour, 105° meridian, February-March. Meteorological. Shaded.

1922 Meteorological Maps of Mexico. Servicio Meteorologico Mexicano.

Keywords: Mexico/Weather.

Call Number: H229

Notes: 2 maps. Mexico. Secretaria de agricultura y fomento, 1922, no. 1, back.

Abstract: Precipitation for 1922. Average rainfall for January 1922. Meteorological.

1925 Meteorological Maps of Mexico. Servicio Meteorologico Mexicano.

Keywords: Mexico/Weather.

Call Number: H228

Notes: Mexico. Secretaria de agricultura y fomento, 1925, back.

Abstract: 15 maps: Isothermals for the year 1922; isothermals for the months of October, November, and December, 1922. Meteorological, political. Precipitation and rainfall maps for the year 1922; precipitation and rainfall for the months of October, November, and December.

1925 General Map of Mexico.

Keywords: Mexico/Cities.

Call Number: H227

Notes: Made especially for Terry's Mexico, 1925.

Abstract: Capitals, cities and towns (population indicated), railways, steamer routes to and from principal ports. Communicational, physical, political, statistical, mounted.

1919 Maps of Mexico. British Admiralty, London.

Keywords: Mexico/Cities/Railways/Telegraph.

Call Number: H226

Notes: 10 sheets containing maps and plans.

Abstract: (I) Maps: Northern Vera Cruz; Mexico Naval Staff I.D., railway system of Mexico; Naval Staff I.D., Location of telegraph lines and wireless stations; Rivers of Tabasco. (II) Plans of various cities and towns.

Joseph T. Annin

1919 Map of Mexico Location 317 Instances of Major Disorders as Reported in Mexican Newspapers for Four Months, April-July, 1919. edited by Joseph T. Annin, Washington.

Keywords: Mexico/Politics/Violence.

Call Number: H225

Notes: U.S. Congress. Committee on foreign relations, 1920, v. 1, f.p. 715.

Abstract: Map accompanied by tabulation giving numbers, date, details, and authority for each entry. Communicational, political, statistical.

Lit. de Salazar

1876 Carta Ethnografica de Mexico. edited by Lit. de Salazar.

Keywords: Mexico/Indigenous populations.

Call Number: H224

Notes: Cubas, 1876, back.

Abstract: Distribution of Indian tribes of Mexico.

Military Intelligence Section of the War Plans Division of the General Staff  
1919 Areas in Mexico Showing Sway of Various Factions. edited by Military Intelligence  
Section of the War Plans Division of the General Staff, United States Army, Washington.

Keywords: Mexico/Politics.

Call Number: H223

Notes: U.S. Congress. Hous, 1919, f.p. 140.

Abstract: States of Mexico showing domination of various factions in 1919. Political,  
statistical. Shaded.

E.E. Court

Mexico, showing railways built and projected. edited by E.E. Court, The Norris Peters  
Co., Washington.

Keywords: Mexico/Railways.

Call Number: H222

Notes: S. Ex. 125. 51 1. To accompany the Report of the United States Delegates.

Abstract: Railways in operation and proposed; proposed intercontinental lines.

Communicational, physical, political. Mounted, shaded. Inset: South Eastern Part of  
Mexico.

Mexico, Southwest.

Keywords: Mexico/Southwest.

Call Number: H221

Notes: North E-F, 13-14. Preliminary edition, subject to correction.

Abstract: Principal cities and towns, railways, roads. Communicational, political.  
Mounted.

Mexico, Southeast.

Keywords: Mexico/Southeast.

Call Number: H220

Notes: North E-F, 15-16. preliminary edition, subject to correction.

Abstract: Principal cities and towns, railways, roads. Communicational, political.  
Mounted.

Mexico, Northwest.

Keywords: Mexico/Northwest.

Call Number: H219

Notes: North G-H, 11-12. Preliminary edition, subject to correction.

Abstract: Principal cities and towns, railways, roads. Communicational, political.  
Mounted.

Mexico, Northeast.

Keywords: Mexico/Northeast.

Call Number: H218

Notes: North G-H, 13-14. Preliminary edition, subject to correction.

Abstract: Principal cities, towns, railways, roads. Communicational, political. Mounted.

1921 Mexico, Distribution of Rural Population. The Geographical Review.

Keywords: Mexico/Demography/Population.

Call Number: H217

Notes: Cushings, 1921, f.p. 232.

Abstract: Distribution of rural population density per square km. Communicational,  
political, statistical. Shaded.

Mexico.

Keywords: Mexico/Indigenous populations.

Call Number: H216

Notes: Starr, 1902, p. 5.

Abstract: Location of 23 tribes in southern Mexico. Sketch. Ethnographical.

1925 Mexico.

Keywords: Mexico/Health/Infection/Disease.

Call Number: H215

Notes: Warren and Carr, 1925, p. 59.

Abstract: 2 maps indicating regions in which hookworm was prevalent in the states of Mexico in 1925. Outline. Political, statistical. Shaded.

1889 Mexico. Wm. M. Bardley and Bro..

Keywords: Mexico/Railways/Cities.

Call Number: H214

Notes: One additional copy on file.

Abstract: Narrow and standard gauge railways, projected railways; submarine telegraph cables. Communicational, physical, political. Color, mounted. Insets: 1. Southeastern part of Mexico including British Honduras and part of Guatemala. 2. Veracruz to Mexico.

1921 Mexico.

Keywords: Mexico/Health/Diseases/Mortality.

Call Number: H213

Notes: Huntington, 1921, pp. 249, 250, 251.

Abstract: 6 maps illustrating the percentage of reported deaths at various ages in Mexico due to: 1) Malaria, 1901-03; 2) Dysentery, 1901-03; 3) Respiratory diseases other than tuberculosis, 1901-03; 4) Tuberculosis, 1901-03; 5) Typhus, 1899-1903; 6) Smallpox, 1899-1903. Political, statistical. Shaded.

Sidney Hall

1829 Mexico. edited by Sidney Hall, Henry Colburn, London.

Keywords: Mexico/Cities.

Call Number: H212

Notes: Ward, 1829, v. 1, back.

Abstract: Cities and towns, mines, railways, roads. Communicational, economic, physical, political. Shaded.

1914 Mexico. Rand, McNally and Co., Chicago.

Keywords: Mexico/Roads.

Call Number: H211

Notes: Three maps: Mexico; Rand-McNally Standard Map of Mexico; and The Rand-McNally New Commercial Atlas Map of Mexico.

Abstract: Capitals, cities and towns (population indicated), railways. Communicational, physical, statistical. Color, mounted. Inset: state of Mexico and Surrounding Country.

1925 Mexico.

Keywords: Mexico/Railways/Cities.

Call Number: H210

Notes: With the exception of nos. 13 and 17, all maps, plats, and plans were made especially for Terry's Mexico. 2 maps, 21 plats, 5 plans.

Abstract: (I) Mapa de los Ferrocarriles de la Republica Mexicana. Capitals, principal cities and towns, steamer routes, railway systems. Communicational, political. Color. (II) Plan of the City and Valley of Mexico. Canals, railways, rivers, roads. Communicational, physical. Color.

1914 Mexico. Matthews-Northrup Works, Buffalo.

Keywords: Mexico/Railways.

Call Number: H209

Notes: Mexico Today, 1919, f.p. 78.

Abstract: Capitals, railways in operation and projected. Communicational, political. color.

Mapa del Imperio Mexicano.

Keywords: Mexico/Pre Colombian.

Call Number: H208

Notes: La Republica Mexicana, 1912, p. 2.

Abstract: Reduced copy of an old map of Empire of Mexico prior to the Spanish Conquest, native cities and states. Historical, physical, political.

1923 Ferrocarril Mexicano y Connecciones.

Keywords: Mexico/Railways/Transportation/Companies.

Call Number: H207

Notes: Castillo, 1923, B.

Abstract: Route of Mexico Railway from Tampico to Mexico City, Mexico City to Vera Cruz. Connecting lines: Interoceanic, Mexican, Mexican National, Otros, San Rafael and Atlixco, Souther, Tehuantepec, Vera Cruz. Communicational, political. Color. 3 Insets: 1. Profile, Mexico City to Vera Cruz. 2. Mapa del F. C. Pan American. Railway from San Geronimo to Guatemala. 3. Plano que indica de pendiente de Orizaba del Valle de Encinar a Boca del Monte.

F. de Montessus de Ballore

1892 Carta Seismica se la Republica Mexicana. edited by F. de Montessus de Ballore.

Keywords: Mexico/Seismic.

Call Number: H206

Notes: Sanchez and Rangel, 1897, f.p. 22.

Abstract: Trend and intensity of the earthquake of June 1897, in the isthmus of Tehuantepec drawn in by Pedro C. Sanchez and Manuel Rangel. Outline. Seismological. Photostatic.

1921 La Republica Mexicana. Secretaria de Agricultura y Fomento, Direccion de Estudio Geograficos y Climatologicos, Tacubaya.

Keywords: Mexico/Atlas.

Call Number: H205

Abstract: (I) 32 maps, each accompanied by a physical outline and 1 geological map of Mexico. (II) 33 additional copies, mounted, extracted from another copy of the Atlas Geografico de la Republica Mexicana. With the exception of one, all maps are accompanied by mounted physical outlines. Communicational, physical, political. Color. (III) 88 photostatic copies (22 negative and 66 positive) comprehending 22 maps, each accompanied by a physical outline. Communicational, physical, political. 1 additional copy of Atlas, 1919-1921, on file in map case 1.

1910 Republica Mexicana. Servicio Meteorologico, Mexico.

Keywords: Mexico/Weather/Climate.

Call Number: H204

Notes: Mexico. Secretaria de agricultura y fomento, [1910.].

Abstract: 17 maps accompanying meteorological charts. Iso thermal readings for spring, summer, autumn, and winter, 1906-1910. Maximum and minimum annual temperature, 1906-1910. Minimum temperature for January-December, 1906-1910. Meteorological. Color.

J. Winsor Ives

Mexican West Coast. edited by J. Winsor Ives, Mexico.

Keywords: Mexico/Railways/Trade.

Call Number: H203

Abstract: Route of the Southern Pacific Railway. Carload movements of perishable exports from the west coast of Mexico during the shipping seasons. Nov. 1 - June 1, 1920-25. Communicational, economic, political, statistical. Blueprint.

C.E.

1876 Plan and Profile of the Mexican Railway and Former Project of Colonel Talcott.  
edited by C.E..

Keywords: Mexico/Railways/Cities.

Call Number: H202

Notes: Baz and Gallo, 1876, f.p. 192.

Abstract: Principal cities and towns, route of Mexican Railway from Mexico City to Vera Cruz, track in operation and projected by Talcott's survey, stations, tunnels.

Communicational, physical. Shaded.

Map of Tampico Division, Mexico Central Railway.

Keywords: Mexico/Railways.

Call Number: H201

Notes: Rogers, 1893, f.p. 242. One additional copy on file.

Abstract: From Tampico to Guanajuato via Chicalote; Chicalote to Gutierrez.

Communicational, physical, political. Color.

Map of Guadalajara Division, Mexican Central Railway.

Keywords: Mexico/Railways.

Call Number: H200

Notes: Rogers, 1893, f.p. 221. One additional copy on file.

Abstract: From Mexico City to Guadalajara via Irapuato; Irapuato to San Blas.

Communicational, physical, political. Color.

1892 Map of the Mexican Central Railway and Connections. Poole Brothers, Chicago.

Keywords: Mexico/Railways/Ports/Travel.

Call Number: H199

Abstract: Capitals, principal cities and ports, route of Mexican Central Railway from Juarez to Mexico City and Tampico, steamer routes from Tampico to United States and Europe. Communicational, physical, political. Color, mounted. 3 Insets: Profile from Irapuato to Guadalajara. Profile to Tampico. Profile of the Mexico Central Railway from Ciudad Juarez to Mexico City.

Vadillo

1930 Plano de la Ciudad de Merida y sus Principales Colonias. edited by Vadillo, Merida.

Keywords: Mexico/Cities.

Call Number: H198

Notes: Gutierrez G., 1930, f.p. 40.

Abstract: Municipal districts, avenues and streets, buildings of interest in the city of Merida, Yucatan. Airport of La Cia. Mexicana de Aviacion. Plat. Communicational.

Plan of the Modernized city of Merida, Yucatan, Mexico.

Keywords: Mexico/Cities.

Call Number: H197

Notes: Young, n.d., back.

Abstract: Avenues and streets, buildings of interest to the visitor, municipal districts. Communicational.

1910 Harbor of Mazatlan. U.S. Hydrographic Office, Washington.

Keywords: Mexico/Mazatlan/Cities.

Call Number: H196

Notes: From a Mexican survey in 1907. No. 1024, 9th ed., Mar. 1922.

Abstract: Beacons, buoys, navigation lights, plan of Mazatlan and harbor, connecting railways and roads. Communicational, hydrographical, physical. Sounding in fathoms, elevations in feet. 7 reduced photostatic copies (1 mounted) on file.

1918 Mazatlan. Ordinance Survey.

Keywords: Mexico/Cities/Mazatlan.

Call Number: H195

Abstract: Plan of location of civil and military hospitals, customhouse, fort, town hall, boat landings, warning lights, powder magazine, wireless station, tramway, warehouses, water works. Physical. Color, mounted.

1888 Manzanillo and Santiago Bays. U.S. Hydrographic Office, Washington.

Keywords: Mexico/Waterways.

Call Number: H194

Notes: Original survey by the U.S.S. Ranger in 1882. No. 915, 24th ed., Oct. 1921. (Corrected through Notice to Mariners No. 51, Sep. 19, 1925, Hydrographic Office, Navy Department.).

Abstract: West coast of Mexico. Navigation lights, railway, trails, towns.

Communicational, hydrographical, physical. Shaded. Sounding in fathoms, elevations in feet.

J. Schedler

1851 Charts of the Ports of Laventosa and Salina Cruz. edited by J. Schedler, Sarony and Major, New York.

Keywords: Mexico/Tehuantepec/Waterways.

Call Number: H193

Notes: additional copy on file.

Abstract: According to the survey made in December 1850 for the Tehuantepec Railroad Company, New Orleans, by their engineer, P. E. Trastour. Entered according to Act of Congress in the year 1852 by B. Fallon of New Orleans, Sect., Tehuantepec Railroad Co. in the Clerk's office of the District Court for the Eastern District of Louisiana.

Communicational, hydrographical, physical. Mounted, shaded. Sounding in feet, reduced for low water, December.

1909 Map and Section of Portion of Las Esperanzas and Sabinas Coal Basin. The Engineering and Mining Journal, New York.

Keywords: Mexico/Geology/Minerals.

Call Number: H192

Notes: Ludlow, 1909, p. 661.

Abstract: Geological formations, principal coal mines in the State of Coahuila.  
Communicational, economic, geological, physical.

1898 Lake Patzcuaro. Mexican R.R.

Keywords: Mexico/Railways/Lakes.

Call Number: H191

Notes: Mexican national railroad, c. 1898, pp. 40-1.

Abstract: Route of Mexican National Railroad from Tzintzuntzan through San Bartolo.

Principal cities and towns in the Lake Patzcuaro region. Communicational, physical.

John L. Stephens

1843 General Plan of the Ruins of Kabah. edited by John L. Stephens.

Keywords: Mexico/Mayans/Ruins/Archeology.

Call Number: H190

Notes: Stephens, 1843, v. 1, f.p. 384.

Abstract: Mayan ruins at Kabah, Yucatan.

Professors M. Gph. Torres Veliz and Tomas L. Rubalcaba (copyright by)

1925 Directorio: Mapa del Estado de Jalisco. edited by Professors M. Gph. Torres Veliz and Tomas L. Rubalcaba (copyright by), Ancira, Mexico.

Keywords: Mexico/Cities/Jalisco.

Call Number: H189

Abstract: Capitals, congressional districts, hamlets, highways, telegraph and telephone lines, railways, mountain ranges, rivers, towns in which schools exist. Communicational, physical, political. Color, mounted.

Section Showing the Principal Mines on the Veta Madre (Mother Lode) of Guanajuato.

Keywords: Mexico/Cities/Mining/Minerals.

Call Number: H188

Notes: Struthers, 1901, p. 534.

Abstract: Geologic section of the Mother Lode of Guanajuato, State of Guanajuato, shafts and workings of principal silver mines. Economic, geological. Shaded.

1909 Geological Map of Guanajuato District. Engineering and Mining Journal, New York.

Keywords: Mexico/Cities/Geology.

Call Number: H187

Notes: Villarello, Flores, and Robles, 1909, p. 673.

Abstract: Geologic formation of Guanajuato District, central Mexico. Communicational.

Direccion General de Obras Publicos

1920 Plano de la Ciudad de Guadalajara. edited by Direccion General de Obras Publicos, Tip. y Lit. Sucs. de Loreto y Ancira, Guadalajara.

Keywords: Mexico/Cities.

Call Number: H186

Notes: Santana, 1920, back.

Abstract: Plan of the city of Guadalajara, highways, railways. Communicational. Color.

1915 Port of Frontera. U.S. Hydrographic Office, Washington.

Keywords: Mexico/Ports/Canals/Waterways.

Call Number: H185

Notes: No. 2753, 6th ed., Oct., 1923. (Corrected through Notice to Mariners No. 50, Dec. 13, 1924).

Abstract: Grijalva Canal, lighthouse, navigation lights, plan of Frontera, roads. Communicational, hydrographical. Color. Sounding in feet.

1919 Map Showing the Approximate Location of the 500-meter Interval Contour Lines.

Keywords: Mexico.

Call Number: H184

Notes: Hitchcock, 1919, p. 129.

Abstract: 1,500-meter line outlines the plateau region which culminates in vicinity of Mexico City where there is considerable area above the 2,500-meter line. Sketch.

1904 Map of the State of Durango, Mexico.

Keywords: Mexico.

Call Number: H183

Notes: Farrington, 1904, front.

Abstract: Route taken in the Sierra Madre by Oliver Cummings Farrington, railways and roads. Communicational, physical, political.

1902 Map Showing Country of the Huichol and Cora Indians and Adjacent Territory.

Keywords: Mexico/Indigenous populations.

Call Number: H182

Notes: Lumholtz, 1902, v. 2, back.

Abstract: Mines, ranches, ruins, temples, towns, and Indian Villages of Northwestern Mexico. Archeological, communicational, economic, ethnographical, physical.

The Hydrographic Party under the command of Norman H. Farquhar, T. E.

1871 Reconnaissance of the Coatzacoalcos River from the Town of Minatitlan to the Island of Tacamichapa. edited by The Hydrographic Party under the command of Norman H. Farquhar, T. E..

Keywords: Mexico/Rivers.

Call Number: H181

Abstract: River depths, physical features of banks. hydrographical, physical. Mounted.

1847 Sketch from the Mouth of the Coatzacoalcos River, to the Town of Mina-Titlan, 1847.

Keywords: Mexico/Rivers/Agriculture/Land/Farms.

Call Number: H180

Notes: Soundings by Lieuts. Alden, Blunt, and May. Made by order of Commodore M.C. Perry, Comdg. Home Squadron.

Abstract: Course of the Coatzacoalcos River. Cattle, horses, grass, fine meadow land, savanna. Communicational, economic, hydrographical, physical. Mounted. Inset: View of the entrance of the Coatzacoalcos River.

1843 Plano del Curso del Rio Coatzacoalcos desde la Confluencia del Malatengo hasta su Boca en el Seno Mexicano. F.P. Becker and Co., London.

Keywords: Mexico/Rivers.

Call Number: H179

Abstract: Coatzacoalcos River from its tributary, the Malatengo River, to its mouth on the Mexico coast of Mexico, State of Vera Cruz, river depth, physical features of banks. Communicational, hydrographical, physical. Mounted. Inset: Plano de la Boca del Rio Coatzacoalcos.

1887 Plano de la Boca del Rio Coatzacoalcos. Hydrographic Office.

Keywords: Mexico/Rivers.

Call Number: H178

Notes: La Republic Mexicana, 1912, p. 35.

Abstract: Mouth of Coatzacoalcos River to show changes in channel and depth since 1870-71, Tehuantepec Expedition. Chart of river published by Hydrographic Office in 1887, the mouth probably in 1906, since there are indications that a bank was formed in 1900. Plan of Coatzacoalcos City, railways and roads. Communicational, hydrographical, physical.

The Hydrographic Party under the Command of Lieut. Comdr. Norman H. Farquhar, U. S. N.

1871 Mouth of the Coatzacoalcos River. edited by The Hydrographic Party under the Command of Lieut. Comdr. Norman H. Farquhar, U. S. N..

Keywords: Mexico/Rivers.

Call Number: H177

Abstract: From Survey of the Tehuantepec Expedition. Anchorages, types of bottom, lighthouse, high and low water. Communicational, hydrographical, physical. Mounted, shaded.

U.S. Hydrographic Office

1848 Mouth of the Coatzacoalcos River. edited by U.S. Hydrographic Office, Sherman and Smith, New York.

Keywords: Mexico/Rivers.

Call Number: H176

Notes: additional copy on file. very fragile condition.

Abstract: Old and new channels of river, mud flats, State of Vera Cruz. hydrographical, physical. Mounted, shaded.

Louis R.C. Townsend

1851 Map of the Coatzacoalcos River, From Mina-Titlan to the Isla Del Suchil, and of the Jaltepec River, From its Junction to the Railroad Crossing. edited by Louis R.C.

Townsend, Sarony and Major, New York.

Keywords: Mexico/Rivers/Railways.

Call Number: H175

Notes: additional copy on file.

Abstract: Tehuantepec Railroad Survey made by the Hydrographic Party under the command of Wm. G. Temple. Entered according to Act of Congress in the year 1852 by B. Fallon of New Orleans, Sect., Tehuantepec Railroad Co. in the Clerk's office of the District Court. Soundings are expressed in feet and show the greatest depth in channel reduced to the lowest stage of the river. Communicational, hydrographical, physical. Mounted, shaded.

The Hydrographic party under the command of N.H. Farquhar

1871 Chart of the Coatzacoalcos River. edited by The Hydrographic party under the command of N.H. Farquhar.

Keywords: Mexico/Tehuantepec/Rivers.

Call Number: H174

Abstract: Tehuantepec Expedition chart of the course of the Coatzacoalcos River from Coatzacoalcos to Minatitlan. Communicational, hydrographical, physical. Shaded.

Charts of the Coatzacoalcos Bar Showing the Changes that have Taken Place From 1848 to 1871.

Keywords: Mexico/Tehuantepec.

Call Number: H173

Abstract: Isthmus of Tehuantepec, southeast coast of Mexico, showing changes since the survey of 1848 by M.C. Perry, to survey of 1871 by the Tehuantepec Expedition. hydrographical, physical. Mounted.

Plano de la Costa Este de Mexico.

Keywords: Mexico/Ports/Cities.

Call Number: H172

Notes: La Republica Mexicana, 1912, p. 9.

Abstract: The east coast of Mexico in the vicinity of the port of Vera Cruz and Anton Lizardo, islands, towns. Historical, physical.

The Hydrographic Party under the command of Norman H. Farquhar, T. E.

1870 Reconnaissance of the Coachapa River. edited by The Hydrographic Party under the command of Norman H. Farquhar, T. E..

Keywords: Mexico/Rivers.

Call Number: H171

Abstract: Survey of the Coachapa River, a tributary of the Coatzacoalcos River; river depth, section of bank subject to overflow. Huts, paths, and roads, villages. Communicational, hydrographical, physical. Mounted, shaded. Soundings in feet.

F.A. Godoy

1911 Climatological Chart. edited by F.A. Godoy, Ekert Lithography Co., Washington.

Keywords: Mexico/Climate/Weather.

Call Number: H170

Notes: Pan American Union, 1911, f.p. 16.

Abstract: Cross Section Through Mexico Illustrating Climatic Conditions. Pro.

Meteorological. Color. Climatic map showing also the area through which cross section is taken.

1871 From Chivela to Salina Cruz by way of Chivela Pass, 1871.

Keywords: Mexico/Waterways/Cities.

Call Number: H169

Abstract: Profile No. 3, Tehuantepec Expedition. Survey for a ship-canal across the Isthmus of Tehuantepec. Elevation from Chivela to Salina Cruz. Pro. Communicational. Mounted.

William H. Holmes

1895 Ruins of Chichen-Itza. edited by William H. Holmes.

Keywords: Mexico/Ruins/Yucatan.

Call Number: H168

Notes: Holmes, 1895-97, pt. 1, insert pp. 96-97.

Abstract: Sketch map of the ruins of Chichen-Itza, Yucatan, Mexico. Archeological, physical.

William H. Holmes

1895 Panorama of Chichen-Itza. edited by William H. Holmes.

Keywords: Mexico/Yucatan/Ruins.

Call Number: H167

Notes: Holmes, 1895-97, pt. 1, back.

Abstract: View of the ruins of Chichen-Itza, Yucatan, Mexico. Archeological, physical.

J. Besson

1911 Chiapas. edited by J. Besson, Paris.

Keywords: Mexico/Chiapas.

Call Number: H166

Notes: Stantibanez, 1911, front.

Abstract: Capital, cities and towns, estates, farms, hamlets and villages, highways, railways, and stations of the State of Chiapas. Communicational, physical, political. Color.

1908 Map of Central and Southern Mexico.

Keywords: Mexico/Central/Southern.

Call Number: H165

Notes: Presbyterian church in U.S.A., [1908], p. 314.

Abstract: Principal cities and towns, railways, roads, steamer route from Vera Cruz. Communicational, political.

H.A. Horsfall

1909 Map of Part of Central Mexico. edited by H.A. Horsfall, The Engineering and Mining Journal, New York.

Keywords: Mexico/Central.

Call Number: H164

Notes: Horsfall, 1909, p. 666.

Abstract: Principal cities and towns, lakes and rivers, railways and roads. Communicational, physical, political.

1891 Bay of Campeche. U.S. Hydrographic Office, Washington.

Keywords: Mexico/Waterways/Bays/Campeche.

Call Number: H163

Notes: From a British survey in 1852 with additions from a survey by U.S.S. Fortune in 1874. No. 1295, 24th ed., Oct.1925. (Corrected through Notice to Mariners Sep. 26, 1926).

Abstract: Lights, soundings, tides and types of bottom, towns. Communicational, hydrographical, physical. Soundings in fathoms, elevations in feet.

1852 Chart of the Entrance and Channel of Boca-Barra. Endicott and Co., New York.

Keywords: Mexico/Railways/Waterways/Cities.

Call Number: H162

Notes: additional copy on file.

Abstract: According to the survey made in November 1850 for the Tehuantepec Railroad Company of New Orleans, by their engineer, P.E. Trastour. Entered according to Act of Congress in the Year 1852 by B. Fallon, Sect. of the Tehuantepec Railroad Co. of New Orleans in the Clerk's Office of the District Court of the Eastern District of Louisiana. hydrographical. Mounted. Inset: The relation of Boca-Barra to the Isthmus of Tehuantepec.

William Miller

1889 Map of Road from Bacalar to Santa Cruz. edited by William Miller, Wm. Jno. Turner.

Keywords: Mexico/Cities.

Call Number: H161

Notes: Miller, 1889, p. 24.

Abstract: Houses, old coffee plantation, ruins, and wells between Bacalar and Santa Cruz, peninsula of Yucatan. Archeological, communicational, hydrographical.

1917 Zona Arqueologica de Azcapotzalco.

Keywords: Mexico/Ruins.

Call Number: H160

Notes: Gamio, 1917, f.p. 372.

Abstract: Archaeological zone of Azcapotzalco. Churches; Asteca, Montana, and Teotihuacana cultures; excavations under exploration and unexplored; explored and unexplored monuments. Sketch. Archeological, physical.

1871 From the Almoloya River to Tarifa Pass by way of Chivela Plains.

Keywords: Mexico/Canals.

Call Number: H159

Abstract: Profile No. 5, Tehuantepec Expedition. Survey for a ship canal through the Isthmus of Tehuantepec. Pro. Communicational, physical. Mounted.

1924 Agricultural Map; National Railways of Mexico and Operated Lines.

Keywords: Mexico/Railways/Agriculture.

Call Number: H158

Notes: Abbott, 1924, f.p. 32.

Abstract: Capitals, cities and towns; distribution of agricultural products raised in various climatic areas, railway. Communicational, economic, meteorological, political. Color.

1925 Map of the Tela Railroad Co. Lines. Department of Commerce, Transportation Division.

Keywords: Spanish Honduras/Primary goods/Railways.

Call Number: H157

Notes: Long, 1925, p. 70.

Abstract: Freight and passenger, oil, water stations, line of the Tela Railway Co., farm tramways. Outline. Communicational.

J. Walker

1823 Plan of the Bay of St. Salvador De Jiquilisco, Anciently Called the Bay of Fonseca. edited by J. Walker, J. Hearne, London.

Keywords: Spanish Honduras.

Call Number: H156

Notes: Juarros, 1823, f.p. 32.

Abstract: Soundings from the survey by Vinc.te Rodriguez del Camino, by order of the Royal Consulate of Guatemala, 1798. Communicational, hydrographical, physical. Shaded.

1853 Port of Caballos; Proposed Northern Terminus of the Honduras Interoceanic Railway. Sarony and Co., New York.

Keywords: Spanish Honduras/Railways.

Call Number: H155

Notes: Surveyed by Lieut. W.N. Jeffers, additional sounding by Capt. T. Lewis. Squier, 1854, f.p. 8.

Abstract: 3 discretional lines of railway; soundings of the Bay of Honduras; types of ground on shores. Communicational, hydrographical, physical. Shaded.

1857 Port Cortez, Proposed Northern Terminus of the Honduras Interoceanic Railway. Sarony, Major and Knapp, New York.

Keywords: Spanish Honduras/Railways.

Call Number: H154

Notes: Squier, 1858, f.p. 76. Surveyed by J.C. Trautwine.

Abstract: Discretional line of railway; sounding of bay of Honduras; towns in vicinity. Communicational, hydrographical, physical. Shaded.

1860 Sketch Showing the Position of Lake Yojoa or Taulebe, Also the Proposed Railway Between the Bay of Honduras and the Bay of Fonseca, To Illustrate a Paper by E.G.

Squier, Esqr, 1859. J. Arrowsmith, London.

Keywords: Spanish Honduras/Railways.

Call Number: H153

Notes: Squier, 1854, f.p. 58.

Abstract: Route of the proposed railway between the Bay of Honduras and the Bay of Fonseca. Communicational, Physical. Shaded.

1854 Preliminary Map of Surveyed Line of the Proposed Honduras Interoceanic Railway.

Keywords: Spanish Honduras/Railways.

Call Number: H152

Notes: Squier, 1854, f.p. 7.

Abstract: Proposed line commencing at Puerto Caballos, on the Atlantic, 15°48' latitude N. and 87°50' longitude W. of Greenwich and terminating at the Bay of Fonseca via two lines from Coascoran: Comayagua, 14°28' latitude N. and 87°36' longitude W. of Greenwich. Population of towns indicated, rivers, roads. Communicational, physical, statistical.

Alfred K. Moe

1904 Telegraph Lines in the Republic of Honduras. edited by Alfred K. Moe, Andrew B. Graham Co., Washington.

Keywords: Spanish Honduras/Telegraph/Communications.

Call Number: H151

Notes: Moe, 1904, f.p. 167.

Abstract: Telegraph lines and connections in the Republic of Honduras. Outline. Communicational, political.

Alfred K. Moe

1904 Economical Map of the Republic of Honduras. edited by Alfred K. Moe, Andrew B. Graham Co., Washington.

Keywords: Spanish Honduras/Primary goods.

Call Number: H150

Notes: Moe, 1904, front.

Abstract: Districts yielding: Bananas and plantains, cattle, cabinet woods, coffee, coal, copper, corn, gold and silver, iron, opals, rubber, sugar cane, tobacco, wheat. Cattle ranges, grazing lands, principal ports, railways, rivers. Sketch. Communicational, economic, political. Shaded.

1925 Railroad Map of Honduras. Department of Commerce, Transportatoin Division.

Keywords: Spanish Honduras/Railways/Transportation.

Call Number: H149

Notes: Long, 1925, p. 54.

Abstract: Cuyamel Fruit Co. Railway, Honduras National Railway, International Railways of Central America, Standard Fruit and Steamship Co. Railway, Tela Railroad, Truxillo Railway Co. Outline. Communicational, political.

Department of Commerce, G. S. R. D. D. No. 2.

1926 Honduras. edited by Department of Commerce, G. S. R. D. D. No. 2..

Keywords: Spanish Honduras/Territory/Land.

Call Number: H148

Notes: Treadwell, 1926, p. 119.

Abstract: Boundary claimed by Nicaragua. Principal cities and towns, railways. Communicational, political.

1920 Honduras. Ohman Map Co., New York.

Keywords: Spanish Honduras.

Call Number: H147

Abstract: Provincial and district capitals, hamlets, ranches, towns and villages, mines, railways, cart roads, mule trails, navigable rivers, telegraph lines. Communicational, economic, physical, political. Mounted.

Edward Weller, I.

1886 Plan of the Principal Group of Ruins at Copan. edited by Edward Weller, I..

Keywords: Spanish Honduras/Copan/Ruins/Mayans.

Call Number: H146

Notes: Royal geographical society, 1886, back.

Abstract: Principal group of ruins, location of various buildings. Archeological. Color.  
Inset: Sketch map of the Site of the Ruins at Copan.

J.L. Stephens and F. Catherwood

Plan of Copan. edited by J.L. Stephens and F. Catherwood.

Keywords: Spanish Honduras/Copan/Ruins/Mayans.

Call Number: H145

Notes: Stephens, 1841, v. 1, f.p. 133.

Abstract: Remains of Mayan temples and buildings at Copan. Archeological. Shaded.

A.M. Tozzer and R.E. Merwin

1911 Tikal. edited by A.M. Tozzer and R.E. Merwin.

Keywords: Guatemala/Ruins/Tikal.

Call Number: H144

Notes: Tozzer, 1911, back.

Abstract: Preliminary study of the Ruins of Tikal. Archeological, physical. Includes on a separate sheet -- Tikal: Cross-section, showing Northern City, Northern, Central, and Southern Acropoleis, and Great Plaza.

1881 San Jose. U.S. Hydrographic Office, Washington.

Keywords: Guatemala/Ports.

Call Number: H143

Notes: Soundings in fathoms, elevations in feet.

Abstract: Navigation light, plan of the city and port, telegraph cable to Salina Cruz.  
Communicational, hydrographical. Shaded.

1913 Map of the Ruins of Quirigua, Guatemala.

Keywords: Guatemala/Ruins/Indigenous peoples.

Call Number: H142

Notes: Morley, 1913, p. 349.

Abstract: Plan of the Mayan ruins of Quirigua. Archeological.

1924 Map Showing the Location of Pantalon.

Keywords: Guatemala/Parasites/Health.

Call Number: H141

Notes: Waterman, 1924, p. 353. One additional copy on file.

Abstract: Location of Mayan ruins at Pantalon, western Guatemala; area indicating the occurrence of what is supposedly a modern parasite (filaria) causing blindness. Outline. Archeological, biological.

Jalapa to Coban.

Keywords: Guatemala/Railways.

Call Number: H140

Notes: Seler-Sachs, 1900, p. 306.

Abstract: Railways between Jalapa, Guatemala City, and Cuban vicinity. Communicational, physical. Photostatic.

Guatemala to San Jose.

Keywords: Guatemala/Railways.

Call Number: H139

Notes: Seler-Sachs, 1900, p. 224.

Abstract: Railways between Guatemala and San Jose; vicinity. Communicational, physical. Photostatic.

Guatemala to Malacatan.

Keywords: Guatemala/Railways.

Call Number: H138

Notes: Seler-Sachs, 1900, p. 182.

Abstract: Railways between Guatemala and Malacatan; vicinity. Communicational, physical. Photostatic.

1926 General Location of Some Important Soil Areas in Guatemala. Department of Commerce.

Keywords: Guatemala/Agriculture.

Call Number: H137

Notes: Base from map published by Pan American Union. Soils by H.H. Bennett.

Treadwell, 1926, f.p. 109.

Abstract: Elevations above sea level, types of soil in various regions. Geological, physical. Shaded.

1910 Map of the Republic of Guatemala. American Bank Note, Co., New York.

Keywords: Guatemala/Transportation.

Call Number: H136

Notes: Guatemala central railroad co., 1910.

Abstract: Cities, mines, principal agricultural products of various regions, Guatemala Central Railway Lines in operation under construction, and projected, other railway lines, steamer routes from principal ports, submarine cables. Communicational, economic, political. Inset 1: Maps showing route of Pan American Railway through Central America from Tehuantepec to Panama. Inset 2: Profile from Pacific Ocean to Guatemala showing height above sea level.

1925 Railroad map of Guatemala. Department of Commerce, Transportation Division.

Keywords: Guatemala/Railways.

Call Number: H135

Notes: Long, 1925, f.p. 4.

Abstract: International railways of Central America in operation and proposed; Quezaltenango to Huehuetenango Line; Verapaz Railway Co., line in operation; Concession for Peten to Belize railway.

J. Walker

1823 A Map fo the Kingdom of Guatemala. edited by J. Walker, J. Hearne, London.

Keywords: Guatemala.

Call Number: H134

Notes: Juarros, 1823, f.p. 1.

Abstract: Early map of Kingdom of Guatemala. Historical, physical, political. Shaded.

Claudio Urrutia

1923 Mapa del Estado de Guatemala, Republica de Centro America. edited by Claudio Urrutia, L. Freiderichsen y Cia., Hamburg.

Keywords: Guatemala/Land/Territory.

Call Number: H133

Notes: J. Kohler (lith.).

Abstract: Recognized and undetermined boundaries; capitals, ranches, towns, and villages; mines; 1st, 2nd, and 3rd class post offices; telegraph and telephone offices; railways in operation, proposed, and under construction; railway stations; cart and mule roads; ruins; seaports; volcanoes. Archeological, communicational, economic, physical, political. Color, mounted. 5 insets.

1895 La Ciudad de Guatemala.

Keywords: Guatemala/Guatemala City.

Call Number: H132

Notes: Seler-Sachs, 1900, p. 201.

Abstract: Plan of the City of Guatemala. Communicational, physical. Photostatic.

Comercial Mapa de Guatemala. Rand McNally and Co., Chicago.

Keywords: Guatemala/Commercial.

Call Number: H131

Abstract: National and provincial capitals, cities and towns, railways in operation, projected, and under construction, roads. Communicational, physical, political. Color, mounted.

1887 A Map of Guatemala.

Keywords: Guatemala/Explorers.

Call Number: H130

Notes: Brigham, 1887, f.p. 444.

Abstract: Route traveled by William T. Brigham, cities and towns, mountains, railways. Communicational, physical, political. Color, shaded.

Mapa de Guatemala.

Keywords: Guatemala.

Call Number: H129

Notes: Guatemala, 1922, back.

Abstract: Cities and towns, hydrographic and terrestrial communications, lakes, rivers of Guatemala. Communicational, political.

F. Castellanos B.

1910 Mapa de Guatemala. edited by F. Castellanos B..

Keywords: Guatemala/Railways.

Call Number: H128

Notes: Castaneda, 1909, f.p. 272.

Abstract: Provincial capitals, cities and towns, mines, ruins, seaports, volcanoes; Guatemala, Central, Western and Verapaz railway systems; railways under construction and projected. Archeological, communicational, economic, political. Color.

Ethnographic Chart of Guatemala, After Otto Stoll.

Keywords: Guatemala/Indigenous populations.

Call Number: H127

Notes: Brigham, 1887, f.p. 270.

Abstract: Locaton of 19 indigenous tribes.

Departemento Necrologico

1926 Guatemala. edited by Departemento Necrologico, Guatemala.

Keywords: Guatemala/Mortality.

Call Number: H126

Notes: Guatemala. Secretaria de fomento, 1926, p. 78.

Abstract: Death rate per square mile in Guatemala for the year 1924. Outline. Political, statistical. Shaded.

M. Hendges

1902 Guatemala. edited by M. Hendges, Andrew B. Graham, Washington.

Keywords: Guatemala/Agriculture/Climate.

Call Number: H125

Notes: From official and other sources, prepared in the Bureau of the American Republics. Agricultural features are taken from Dr. Carl Sapper's *Das Nordlichs Mittelamerika*, 1897.

Abstract: Elevations: Hot, temperate, and cold zones; agricultural regions.

Communicational, economic, physical, political.

The London Geographical Institute

1910 Guatemala. edited by The London Geographical Institute, George Philip and Son.

Keywords: Guatemala.

Call Number: H124

Notes: Domville-Fife, 1910, f.p. 224.

Abstract: Cities and towns, ports, railways. Communicational, political. Color.

Young Anderson

1840 Map of the District of Santo-Tomas, With the Line of Steam Navigation from the Mouth of the River Dulce, Through the Golfete, and Lake of Ysabal, Along the Course of the River Polochic, to the New Settlement of Abbottsville in the Territories Conceded by the Government of Guatemala to the Central America Commercial and Agricultural Company. edited by Young Anderson, S. Straker, London.

Keywords: Guatemala/Land/Territory.

Call Number: H123

Notes: Memoire contenant un apercu statistique de l'etat de Guatemala..., f.p. 21.

Abstract: Lands conceded and reserved by the government; lands purchased by Messrs. Bennet and Meany. Communicational, hydrographical, physical, political, land tenure.

Shaded. Inset: Plan of proposed town of Santo-Tomas.

1925 Railway Map of Salvador. Department of Commerce, Transportation Division.

Keywords: El Salvador/Railways.

Call Number: H122

Notes: Long, 1925, p. 36.

Abstract: International Railways of Central America, lines in operation and proposed; Salvador Railway Co., line of operation. Outline. Communicational, political.

1926 Mapa de El Salvador (America Central).

Keywords: El Salvador.

Call Number: H121

Notes: Fonseca, 1926, back.

Abstract: Departmental and district capitals, cities, towns and ports, railways in operation and under construction. Communicational, political. Shaded.

1926 General Soil Regions of Eastern and Northern Costa Rica.

Keywords: Costa Rica/Soil/Agriculture.

Call Number: H120

Notes: Treadwell, 1926, f.p. 74.

Abstract: Elevations above sea level, railways, types of soil in various regions.

Communicational, geological, physical. Shaded.

1925 Railroad Map of Costa Rica. Department of Commerce, Transportation Division.

Keywords: Costa Rica/Railways.

Call Number: H119

Notes: Long, 1925, f.p. 98.

Abstract: Railways of Costa Rica: Northern Railway, Changuinola Railway, Pacific Railroad, Northern Railroad, Guanacaste Concession. Outline. Communicational, political.

1926 Costa Rica, Regions within which Climatic Conditions Seem Sufficiently Favorable for the Cultivation of Hevea Rubber. Department of Commerce, Drafting Division.

Keywords: Costa Rica/Agriculture/Weather/Climate.

Call Number: H118

Notes: Treadwell, 1926, p. 66.

Abstract: Railways, regions suitable for cultivation of Hevea rubber. Outline.

Communicational, economic, political. Shaded.

1893 Sketch Map of Boca del Portalon to David. A. Hoen and Co., Baltimore, MD.

Keywords: Costa Rica/Railways.

Call Number: H117

Notes: Intercontinental railway commission, v. 2. f.p. 92.

Abstract: Route of proposed Intercontinental Railway. Communicational, physical. Color.

G.A. Elliott

1925 Part of Lubaantun. edited by G.A. Elliott.

Keywords: British Honduras/Ruins.

Call Number: H116

Notes: Gann, 1925, f.p. 216.

Abstract: Relative position of Amphitheater and ruins of other buildings of Mayan city of Lubaantun, British Honduras. Plan. Archeological.

1925 Railroad Map of British Honduras. Department of Commerce, Transportation Division.

Keywords: British Honduras/Railways/Railway Companies.

Call Number: H115

Notes: Long, 1925, p. 30.

Abstract: Routes of following railways in British Honduras: Belise Estate and Produce Railroad; British Honduras Syndicate Tramway; Stann Creek Railway; Victoria Falls Lumber Co. Railroad, proposed railway Belise to Peten. Outline. Communicational, political.

G.A. Elliott

1927 Map of British Honduras. edited by G.A. Elliott, Ordnance Survey.

Keywords: British Honduras/Central America.

Call Number: H114

Notes: Burdon, 1927, f.p. 5.

Abstract: Lighthouses, railways, telegraph lines, principal trails, principal towns, and towns with police stations. Communicational, political. Inset: Central America showing relative position of British Honduras.

E. Lassen

1921 Map of British Honduras. edited by E. Lassen, Ordnance Survey Office, Southampton.

Keywords: British Honduras.

Call Number: H113

Notes: Elevations in feet.

Abstract: Canals, lighthouse, light on mast-heads, railways, roads, telegraph lines.  
Communicational, physical, political. Color, mounted, shaded.

1883 Colony of British Honduras. Harrison and Son, London.

Keywords: British Honduras/Explorers.

Call Number: H112

Notes: Morris, 1883, front.

Abstract: Cities and towns; physical features; route taken by D. Morris in his travels on the coast, and to the source of the Belize River. Communicational, physical, political.  
Color.

Waterlow and Sons Ltd.

Colony of British Honduras. edited by Waterlow and Sons Ltd., Dustable and Watford, London.

Keywords: British Honduras.

Call Number: H111

Notes: Compiled from records in the Survey Department, 1909; additions 1921.

Hummel, 1925, f.p. 122.

Abstract: Lighthouses, police stations, principal towns, railways in operation, roads, telegraph line. Communicational, physical, political. Color.

Waterlow and Sons Ltd.

1909 Colony of British Honduras. edited by Waterlow and Sons Ltd., Dunstable and Watford, London.

Keywords: British Honduras.

Call Number: H110

Notes: Metzgen and Cain, 1925, front. Compiled from the records in the Survey Department, 1909; additions 1921.

Abstract: Lighthouses, police stations, principal towns, railways, roads, and telegraph lines. Communicational, physical, political. Color.

Tektonische Karte Von Zentral Amerika.

Keywords: Middle America/Volcanoes/Weather.

Call Number: H109

Notes: Sievers, 1914, p. 490. After C. Sapper.

Abstract: Hurrigan chart of Central America; distribution of active and extinct volcanoes on Pacific coast. Outline. Meteorological, seismological.

1885 West Indies and Central America. Stanford's Geographical Establishment, London.

Keywords: Middle America/West Indies.

Call Number: H108

Notes: Bates, 1885, f.p. 141.

Abstract: Principal cities, railways, and steamer routes, submarine telegraph cables. Communicational, physical, political. Color.

Alfred Adlard

1840 The Territory of Verapas. edited by Alfred Adlard, London.

Keywords: Middle America.

Call Number: H107

Notes: Compiled and corrected from the latest authorities and original surveys never before published.

Abstract: Territory conceded by the Federal Government of Central America to the Directors of the British Company of Agriculture, Commerce and Colonization, with part of the surrounding country. Roads, ruins, towns, and villages. Archeological, physical, political, land tenure. Color, mounted.

Sketch Map Showing Routes Through Nicaragua, Costa Rica and Panama.

Keywords: Middle America.

Call Number: H106

Notes: Dun, 1920, p. 15.

Abstract: Travelers' routes. Communicational, political. Color.

Map of Southern Mexico and Central America.

Keywords: Middle America/Indigenous populations.

Call Number: H105

Notes: Courtesy of the Carnegie Institution of Washington. Morely, 1927, p. 109.

Abstract: Region of the Maya civilization in Guatemala, Honduras, and southern Mexico. Archeological, ethnographical.

1923 Map of Southern Mexico and Central America, Showing the Principal Maya Sites.

Keywords: Middle America/Ruins.

Call Number: H104

Notes: Joyce, 1923, back.

Abstract: Principal Maya sites in Guatemala, Honduras, and southern Mexico of: The Old Empire, Early, Middle and Late periods. Archeological, ethnographical.

Edward Weller

1858 Route Through Mexico, Guatemala and S. Salvador by G.F.V. Tempsky. edited by Edward Weller, Longman and Co., London.

Keywords: Middle America/Explorer.

Call Number: H103

Abstract: Route of travel by G.F.V. Tempsky through Mexico, Guatemala, and S. Salvador. Communicational, physical, political. Color, shaded.

Map of Mexico and Central America Showing the Principal Archaeological Sites with a Detail Inset of the Valley of Mexico.

Keywords: Middle America/Archeology/Ruins.

Call Number: H102

Notes: Inset of the Valley of Mexico.

Abstract: Principal archaeological sites of Guatemala, Honduras, and Mexico. Outline, Archeological.

1914 Mexico and Central America.

Keywords: Middle America.

Call Number: H101

Abstract: Cities and towns of British Honduras, Guatemala, Honduras, Mexico and Salvador. Physical, political.

Moises Herrera

1922 Mapa de la Distribucion Geografica del Megasoma Elephas Gemm. edited by Moises Herrera.

Keywords: Central America/Insects.

Call Number: H100

Notes: Herrera, 1922, fig. 9, back.

Abstract: Distribution of above insect (a type of beetle) in Mexico and Central America; area where it has been found and identified, and doubt-areas. Outline. Biological. Color.

1917 The Maya World in the New Empire -- Just After End of the Toltec Period, Katun 8 Ahau, Approximately 1190 A.D.

Keywords: Central America/Maya/Ruins.

Call Number: H99

Notes: Morley, 1917, p. 206.

Abstract: New sites: Corozal, Flores, Mani, and Sotuta; old sites still occupied: Ichcansihoo, Izamal, Holactun, and Kabah; abandoned sites. Archeological, ethnographical, physical.

1917 The Maya World in the New Empire --End of Renaissance Period, Katun 8 Ahau, Approximately 940 A.D.

Keywords: Central America/Maya/Ruins.

Call Number: H98

Notes: Morley, 1917, p. 205.

Abstract: Location of new sites: Ake, Chacmultun, Dsibilnocac, Dsilbiltun, Elemax, Hochob, Holactun, Ichcansihoo, Izamal, Kabah, Kewik, Labna, Mayapan, Santa Rosa Xlapak, Sayil, Tuluum, Uxmal, Xul, and the resettlement of Chichen Itza. Old site: Chaken Putun. Abandoned sites: Bakhallal, Nohcacab, Porvenir, Quen Santo, Ramonal, and Rio Beque. Archeological, ethnographical, physical.

1917 The Maya World in the New Empire -- End of Transitional Period, Katun 8 Ahau, Approximately 940 A.D.

Keywords: Central America/Ruins/Maya.

Call Number: H97

Notes: Morley, 1917, p. 204.

Abstract: New sites: Chakan Putan, Nohcacab, Porvenir, Ramonal, and Rio Beque; abandoned site: Chichen Itza. Archeological, ethnographical, physical.

1917 The Maya World in the New Empire -- End of the Colonization Period, 10.2.10.0.0, or Katun 3 Ahau, Approximately 610 A.D.

Keywords: Central America/Maya/Ruins.

Call Number: H96

Notes: Morley, 1917, p. 203.

Abstract: Location of new site: Quen Santo; old site: Chichen Itza; abandoned site: Bakhallal. Archeological, ethnographical, physical.

1917 The Maya World in the Old Empire -- Toward the End of the Great Period, 10.1.0.0.0, Approximately 580 A.D.

Keywords: Central America/Ruins/Maya.

Call Number: H95

Abstract: Location of new, old, and abandoned sites of Maya cities at the end of the Old Empire. Archeological, ethnographical, physical.

1917 The Maya World in the Old Empire -- Height of Great Period, 9.18.0.0.0,  
Approximately 520 A.D.

Keywords: Central America/Ruins/Maya.

Call Number: H94

Notes: Morely, 1917, p. 199.

Abstract: Location of new sites: Aguas Calientes, Cancun, Chichen Itza, El Cayo, Ixkum, La Honradez, La Mar, Nakum, and Seibal. Old sites of the archaic and middle periods; abandoned sites. Archeological, ethnographical, physical.

1917 The Maya World in the Old Empire -- End of the Middle Period, 9.15.0.0.0,  
Approximately 460 A.D.

Keywords: Central America/Ruins.

Call Number: H93

Notes: Morley, 1917, p. 197.

Abstract: Location of new sites: Altar Sacrificios, Bakhhalal, Itsimite, Palenque, Quirigua, Tzendales, Yaxchilan, and Yaxha. Archaic sites which carried over: Copan, Naranjo, Piedras Negras, and Tikal. Abandoned sites: El Pabellon and Graciosa. Archeological, ethnological, physical.

1917 The Maya World in the Old Empire -- End of the Archaic Period, 9.10.0.0.0,  
Approximately 360 A.D.

Keywords: Central America/Ruins.

Call Number: H92

Notes: Morley, 1917, p. 195.

Abstract: Location of archaic sites: Copan, El Pabellon, Graciosa, Naranjo, Piedras Negras, and Tikal. Copan and Tikal being the largest and most important of the Old Empire. Archeological, ethnographical, physical.

1914 Linguistic Map of Maya Tribes.

Keywords: Central America/Languages/Maya.

Call Number: H91

Notes: Joyce, 1914, p. 201.

Abstract: Distribution of the Nahuatl, Maya, and Zoquean tribes in British Honduras, Guatemala, Honduras, and the States of Campeche, Chiapas, Tabasco, and Yucatan in Mexico. Seven dialects are spoken. Ethnographical, political.

1923 Maya Territory, Showing Locations of Principal Cities. Bureau of American Ethnology, Smithsonian Institution, Washington.

Keywords: Central America/Maya.

Call Number: H90

Notes: Gregory, 1923, f.p. 44.

Abstract: Location of principal Mayan cities in Guatemala, Honduras, and southeastern Mexico. Ethnographical, political.

Map of the Maya Region.

Keywords: Central America/Maya.

Call Number: H89

Notes: Kidder, 1930, p. 194.

Abstract: British Honduras, northern Guatemala, and Yucatan, Mexico. Course of the day-by-day flights of Colonel Lindburgh's party and the location of ruins observed and photographed. Archeological, communicational, political.

Map Showing Entradas to Lake Peten.

Keywords: Central America/Explorers.

Call Number: H88

Notes: Means, 1917, back.

Abstract: Guatemala and Yucatan. Map is designed to show the entrances of : Cortez, 1524-1525; Fuensalida and Orbita, 1618; Gallegos and Delgado, 1675; President Barrios, 1694-1695; Padre Cano, 1695; Padre Andres de Avendano y Loyola, 1695, 1696. Distribution of Indian tribes. Communicational, ethnographical, historical, physical. Shaded.

1914 Das Karaibische Meer Und Sein Umrandung.

Keywords: Central America/Caribbean/Volcanoes.

Call Number: H87

Notes: Souding in meters.

Sievers, 1914, p. 450.

Abstract: Caribbean Sea and surroundings. Distribution of active and extinct volcanoes in Central America. Communicational, hydrographical, seismological. Color.

Jalapa to Los Amates.

Keywords: Central America/Railways.

Call Number: H86

Notes: Seler-Sachs, 1900, p. 320.

Abstract: Railways between Jalapa, Chiquimula, Zacapa, Sta. Madalena, Los Amates, Guatemala; Ipala to Chiquimula, Guatemala by way of Copan, Honduras; ruins. Archeological, communicational, physical, political. Photostatic.

Intercontinental Railway Commission

1891-1993 Intercontinental Railway Survey. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: Central America/Railways.

Call Number: H85

Abstract: Principal line of survey of Corps No. 1. 31 maps and 1 profile sheet. Proposed location of Intercontinental Railway, railways in operation. Primary and secondary cart roads, topography of the country covered by sections. Each map bears an inset profile of elevation of existing railways and of line of survey of proposed Intercontinental Railway.

No. XIX accompanied by profile on separate sheet. Communicational, physical, political. Color.

D.C. Hitchcock

1858 Map of Honduras and San Salvador, Central America Showing the Line of the Proposed Honduras Interoceanic Railway by E.G. Squier. edited by D.C. Hitchcock, Major and Knapp, New York.

Keywords: Central America/Honduras/Railways.

Call Number: H84

Notes: Squier, 1858, f.p. 758.

Abstract: Honduras, northern Nicaragua, and San Salvador; departmental and national capitals, distribution of Indian tribes, gold bearing districts of Honduras, mines, paths and roads, proposed route of Honduras Interoceanic Railway from Port Caballos, Atlantic Coast of Honduras to the Bay of Fonseca on Pacific, ruins, steamer routes, towns and villages. Archeological, communicational, economic, ethnographical, physical, political. Shaded.

D.C. Hitchcock, J. S.

1856 Map of Honduras and San Salvador, Central America Showing the Line of the Proposed Interoceanic Railway by E.G. Squier. edited by D.C. Hitchcock, J. S., Sarony and Co., New York.

Keywords: Central America/Honduras/Railways/Indigenous Populations.

Call Number: H83

Notes: From reconnaissance survey of the Honduras Interoceanic Railway by W.N. Jeffers, W.S. Woodhous, E.G. Squier, and D.C. Hitchcock.

Abstract: Honduras, northern Nicaragua, and San Salvador; departmental and international capitals, distribution of Indian tribes, mines, paths and roads, proposed route of Honduras Interoceanic Railway from Port Caballos, Atlantic Coast of Honduras to the Bay of Fonseca on Pacific, ruins, steamer routes, towns and villages. Archeological, communicational, economic, ethnographical, physical, political. Mounted, shaded.

1896 Gulf of Honduras with the Zapotillos Cays. U.S. Hydrographic Office, Washington.

Keywords: Central America/Water.

Call Number: H82

Notes: sounding in fathoms and elevation in feet.

Abstract: From British surveys between 1835 and 1841. The Bay of Honduras and Port Cortes are from surveys by the officers of the U.S.S. Dolphin in 1896. Currents, cays, navigation lights, tides, types of bottoms. hydrographical, physical, political.

1889 Gulf of Honduras and Approaches. US Hydrographic Office, Washington.

Keywords: Central America/Water.

Call Number: H81

Notes: Sounding in fathoms, elevation in feet.

Abstract: East coast of Central America. Bays, beacons, buoys, currents, navigation lights, tides, types of bottoms. Communicational, hydrographical, physical.

1926 Guatemala and British Honduras, Regions within which Conditions Seem Sufficiently Favorable for the Production of Hevea Rubber. Department of Commerce, Geographic Section, Research, Drafting Division.

Keywords: Central America/Agriculture/Hevea Rubber.

Call Number: H80

Notes: Treadwell, 1926, f.p. 101.

Abstract: Area with climatic conditions favoring the cultivation of Hevea rubber; settled and unsettled boundaries; railways. Communicational, economic, political.

Capt. Sir Edward Belcher (Surv.)

1838 Bay of Fonseca, Proposed Southern or Pacific Terminus of the Honduras Inter-oceanic Railway. edited by Capt. Sir Edward Belcher (Surv.), C.B..

Keywords: Central America/Bay of Fonseca/Railways.

Call Number: H79

Notes: Squier, 1854, f.p. 19. Soundings in fathoms.

Abstract: El Salvador, Honduras, and Nicaragua, showing the proposed southern or Pacific terminus of the Honduras Inter-oceanic Railway on the Bay of Fonseca; two

discretionary lines, to Garova and to Sacate Grande islands. Capes, islands, rivers, roads, volcanoes. Communicational, hydrographical, physical, political. Shaded.

W. N. Jeffers

1857 Bay of Fonseca, Proposed Southern or Pacific Terminus of the Honduras Interoceanic Railway. edited by W. N. Jeffers.

Keywords: Central America/Bay of Fonseca/Railways.

Call Number: H78

Notes: Squier, 1858, f.p. 78.

Abstract: El Salvador, Honduras, and Nicaragua, showing the proposed southern or Pacific terminus of the Honduras Interoceanic Railway on the Bay of Fonseca; two lands, rivers, roads, volcanoes. Communicational, hydrographical, physical, political.

1922 The Countries of the Caribbean, Including Mexico, Central America, The West Indies and the Panama Canal. Redfield, Kendrick, Odell Co..

Keywords: Central America/Caribbean.

Call Number: H77

Notes: Prepared especially for the Geographic Magazine.

Abstract: Capitals, cities and towns; heads of navigation; highways; railways in operation and under construction; steamer routes; telegraph stations; U.S. Consular agencies and offices. Approximate land elevations and ocean depth. Communicational, hydrographical, physical, political. Color, mounted. 3 Insets: (1) Guantanamo Bay, Cuba; (2) The Panama Canal and the Canal Zone; (3) Porto Rico and the Virgin Islands.

Central America, West.

Keywords: Central America.

Call Number: H76

Notes: North C-D, 15-16. Preliminary edition, subject to correction.

Abstract: Principal cities and towns, railways and roads of southern Mexico, Guatemala, Honduras, El Salvador, Nicaragua, and Costa Rica. Communicational, political.

Central American Volcanoes.

Keywords: Central America/Volcanoes.

Call Number: H75

Notes: Brigham, 1887, f.p. 377.

Abstract: Distribution of volcanoes in Central America. Outline. Seismological.

J. and C. Walker

1842 Central America, Including Yucatan, Belize, Guatemala, Salvador, Honduras, Nicaragua, and the Southern States of Mexico. edited by J. and C. Walker, Chapman and Hall, London.

Keywords: Central America/Land.

Call Number: H74

Notes: Elevations above sea level in yards.

Abstract: Published under the superintendence of the Society for Diffusion of Useful Knowledge. Bays, capes, islands, lakes, mountain ranges, rivers, streams, volcanoes; cities, estates, farms, forts, towns and villages. Communicational, physical, political. Shaded.

James M. Darley

1925 An Outline Map of Central America and Southern Mexico. edited by James M. Darley.

Keywords: Central America/Maya.

Call Number: H73

Notes: Morley, 1925, p. 64.

Abstract: Region occupied by the Mayan civilization during the first fifteen centuries A. D., in territory now comprising southern Mexico, northern Guatemala, and northeastern Honduras. Extension of Maya civilization to Yucatan and northwestern Honduras about 500-700 A.D. Ethnographical, historical, political.

1925 Central America and Islands of the Caribbean. Department of Commerce.

Keywords: Central America/Caribbean.

Call Number: H72

Notes: Long, 1925, f.p. 1.

Abstract: Geographical relationship of the countries of Central America, Greater and Lesser Antilles, and Bahama Islands. Outline. Political.

1841 Map of Journey in Central America, Chiapas and Yucatan.

Keywords: Central America/Explorers.

Call Number: H71

Notes: Stephens, 1841, v. 1, f.p. 1.

Abstract: Route traveled by John L. Stephens in Costa Rica, Honduras, Mexico, and Salvador. Communicational, physical, political.

S. Straker

1840 Map of Republic of Central America. edited by S. Straker, London.

Keywords: Central America/Colonies/Land tenure.

Call Number: H70

Notes: Memoire contenant un apercu statistique de l'etat de Guatemala... 1840, f.p. 4.

Abstract: Territory of Vera Paz and the British settlements in British Honduras for the purpose of colonization by the Compagnie Commerciale et Agricole des cotes Orientales de l'Amerique Centrale. Outline. Land tenure.

J. Barrasa L.

1915 International Railways of Central America. edited by J. Barrasa L..

Keywords: Central America/Railways.

Call Number: H69

Notes: Exhibit "A".

Abstract: Cities and towns; copper, gold, and silver deposits; International Railways of Central America in operation and projected. Communicational, economic, political. Shaded. Contains 3 Insets: Department of Peten, Guatemala; Profile from Ayutla

Mexican Frontier to Puerto Barrios; Profile from Zacapa, Guatemala to Cutuco, La Union Harbor.

1925 Central America Showing Route of Proposed Pan American Railroad. Department of Commerce, Transportation Division.

Keywords: Central America.

Call Number: H68

Notes: Long, 1925, p. 155.

Abstract: Route of constructed and proposed Pan American Railway from Ayutla, Guatemala through Panama City, Panama, via El Salvador, Honduras, Nicaragua, Costa Rica, and Panama. Communicational, political.

Hector Lazo

1925 Commercial Traveler's Route, Central America. edited by Hector Lazo.

Keywords: Central America.

Call Number: H67

Notes: Lazo, 1925, p. 4.

Abstract: Commercial traveler's routes in British Honduras, Costa Rica, El Salvador, Guatemala, Honduras, Nicaragua, and Panama.

Sarony

1858 Map of Central America Showing its Political Divisions, Principal Towns and Leading Geographical and Topographical Features. edited by Sarony, Major and Knapp, New York.

Keywords: Central America/Ruins/Railways.

Call Number: H66

Notes: Squier, 1858, front.

Abstract: Cities and towns; projected canals from Chinedega on west coast to Lake Managua, Nicaragua; railways; ruins. Archeological, communicational, physical, political. Inset: United States and Central America, showing communications between Atlantic and Pacific seaboard via Isthmus of Panama and Tehuantepec and Honduras Interoceanic Railway.

1870 Map of Central America, Shewing its Political Divisions and Interoceanic Communications Projected and in Progress. Trubner and Co., London.

Keywords: Central America/Railways.

Call Number: H65

Notes: Squier, 1870, front.

Abstract: Honduras Interoceanic Railway as a connecting link between Atlantic and Pacific steamer routes. Communicational, physical, political. color. Inset: United States and Central America, illustrating lines of communications between Atlantic and Pacific seaboards via Honduras.

Intercontinental Railway Commission

1898 Central America, Showing Connection Between the Intercontinental Railway and the Existing and Projected Railroads. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore, MD.

Keywords: Central America/Railways.

Call Number: H64

Notes: Intercontinental Railway Commission, 1895-98, v. 1, back.

Abstract: Completed and projected survey lines of Intercontinental Railway and extensions through Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua. Communicational, physical, political. Color.

Sketch Map of Central America.

Keywords: Central America/Explorers.

Call Number: H63

Notes: Putnam, 1913, back.

Abstract: Capitals, cities, and towns, route followed by G. P. Putnam in his travels. Communicational, physical, political.

A.H. Bumstead

1919 A Map of Central America. edited by A.H. Bumstead.

Keywords: Central America.

Call Number: H62

Notes: Spinden, 1919, p. 194.

Abstract: Distribution of volcanoes that have caused loss of life and property damage.

Outline. Political, seismological.

1856 Map of Central America. L.D. Williams, J. Bien, New York.

Keywords: Central America/Land/Territory.

Call Number: H61

Notes: Compiled from materials furnished by the Committee on Foreign Relations of the Senate of the United States. Executed at the Office of the U.S. Coast Survey, A.D. Bache, Superintendent, under special direction of Captain W.R. Palmer.

Abstract: Includes Belize, Costa Rica, El Salvador, Guatemala, Honduras, Mosquito Coast, and Nicaragua. Historical notes on boundaries are given, tracing their origin from early settlements and treaties. Projected railways on Isthmus of Tehuantepec and in Honduras. Communicational, historical, physical, political. Color. Insets: Bay of Fonseca; Nicaragua; Port of San Juan de Nicaragua or Grey Town.

Emery Walker

Central America. edited by Emery Walker.

Keywords: Central America/Honduras/Costa Rica/El Salvador/Guatemala/Nicaragua.

Call Number: H60

Notes: Central America, 1910-11, f.p. 674.

Abstract: Capitals, cities and towns, canals, mountains, railways of British Honduras, Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua. Communicational, physical, political. Color.

Central America. The Matthews-Northrup Co., Buffalo.

Keywords: Central America.

Call Number: H59

Notes: From the Century Atlas, The Century Co., New York, c. 1897.

Abstract: Capitals, cities and towns (population indicated), canals under construction, highways, islands, mountains (elevations given in English feet), railways in operation and proposed, rivers, steamer routes to and from principal ports, submarine telegraph cables, volcanoes active during nineteenth century. Communicational, physical, political, seismological. Color, mounted. Inset: The Country Around Lake Nicaragua, Showing the Route of the Nicaragua Canal, now under construction.

1887 Central America.

Keywords: Central America.

Call Number: H58

Notes: Brigham, 1887, f.p. 6.

Abstract: National capitals, principal cities and towns, physical features, railways. Communicational, physical, political.

Ordinance Survey Office

1908 Central America. edited by Ordinance Survey Office, G. Phillip and Son, London.

Keywords: Central America/Land/Territory.

Call Number: H57

Abstract: National and provincial capitals, railways in operation and under construction, proposed line of Intercontinental railway, roads, telegraph offices, harbors, limits of canoe and steam navigation. Boundaries determined by treaty of: Guatemala and Mexico; Guatemala and British Honduras; Nicaragua and Costa Rica; Costa Rica and Panama. Communicational, physical, political. Color.

1884 Western Shore of the Caribbean Sea From Serrana Bank to Chinchorro Bank. U.S. Hydrographic Office, Washington.

Keywords: Central America/Caribbean Sea.

Call Number: H56

Notes: Soundings in fathoms, elevations in feet.

Abstract: Currents, islands, navigation lights, types of bottom. hydrographical, physical, political. Color.

1885 Cape Gracias a Dios To Gulf of Darien. U.S. Hydrographic Office, Washington, DC.

Keywords: Central America/Nicaragua/Costa Rica/Panama.

Call Number: H55

Notes: Compiled from British Surveys. No. 945, 52d ed., VIII'15. Extensive corrections November 1900, Sep. 1905, May 1911.

Abstract: East coast of Nicaragua, Costa Rica, and Panama. Capes, harbors, islands, navigation lights, proposed route of Panama Canal, railways, rivers, and streams.

Communicational, hydrographical, physical.

Sketch Map Showing Routes Through British Honduras, Guatemala, Salvador, and Honduras.

Keywords: Central America/Explorers.

Call Number: H54

Notes: Dun, 1920, p. 9.

Abstract: Traveler's routes. Communicational, political. Color.

Intercontinental Railway Commission

1898 Ayutla, Guatemala, o Rio Savegre, Costa Rica. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: Central America/Railways.

Call Number: H53

Notes: Intercontinental railway commission, 1895-98, v. 1, back.

Abstract: Profile II. Elevation of surveys on line of proposed Intercontinental Railway; existing and projected railways from Ayutla, Guatemala to Rio Savegre, Costa Rica. Pro.

Communicational, physical, political.

Mapa de Partes de la America Central que Manifiesta el Punto de la Proyectada Comunicacion entre la Bahia de Vera Cruz en el Seno Mejicano y el Golfo de Tehuantepec en el Pacifico. Ackermann and Co., London.

Keywords: Central America/Mexico/Guatemala/Honduras/Nicaragua.

Call Number: H52

Abstract: Includes Mexico, Guatemala, Honduras, and Nicaragua. Site of proposed line of communication between Vera Cruz on the Gulf of Mexico and the Gulf of Tehuantepec on the Pacific Coast. Outline. Communicational, Political.

America Central.

Keywords: Central America.

Call Number: H51

Notes: Mejia, 1922, f.p. 34.

Abstract: Costa Rica, Guatemala, Honduras, Nicaragua, and Panama, with their capitals, principal cities and towns, railways. Communicational, physical, political.

Western United States and Northern Mexico. Rand McNally and Co., Chicago.

Keywords: America/Railways.

Call Number: H50

Notes: Bourdon, n.d., p. 31.

Abstract: National Railway of Mexico, Oregon and Washington, Oregon R.R. and Nav. Co., Oregon Short Line, Southern Pacific, Sunset Route in the states west of the Mississippi River, and northern Mexico. Outline. Communicational, political.

1859 Map of the United States and Mexico. Johnson and Browning, New York.

Keywords: America/Water routes/Railways/Explorers.

Call Number: H49

Notes: Published under the direction of Col. Carlos Butterfield and entered according to Act of Congress in the year 1859 by Johnson and Browning in the Clerk's office of the District Court of the United States for the Southern District of New York.

Abstract: The United States, Mexico, Central America, Panama, and northern coast of South America, with capitals, principal cities and ports, railways of United States and Mexico, route of United States and Mexican Mail Steam Ship Line, steamer routes, routes traveled by Columbus on his first voyage to West Indies, 1492, and by Ojedo and Vespucci to West Indies and the Gulf of Maracaybo, South America, 1500. Communicational, historical, physical, political. Color, mounted. Inset: Map Showing the Routes of the Ocean Steamers.

1895 Comparison of the Tehuantepec, Nicaragua and Panama Routes. E.F. Fisk, New York.

Keywords: America/Water Routes.

Call Number: H48

Notes: Corthell, 1895, f.p. 12.

Abstract: Comparison of routes of travel from New York, New Orleans and Galveston to San Francisco by way of the isthmuses of Nicaragua, Panama, and Tehuantepec, and around Cape Horn.

1880 Tehuantepec - Its Relation to the United States. Russell and Struthers, New York.

Keywords: America/Water routes.

Call Number: H47

Notes: Anderson, 1880, f.p. 58.

Abstract: Routes from New York, New Orleans, Galveston, and Mobile to the Pacific coast, Australia, the Orient, west coast of South America, and from San Francisco to the Atlantic coast and Europe via the Isthmus of Tehuantepec. Outline. Communicational, political. Color. Inset: Table of comparative distances via Tehuantepec and Panama.

Verkehrskarte Von Sud-Und Mittel-Amerika.

Keywords: America/Trade Routes.

Call Number: H46

Notes: Sievers, 1914, between pp. 92-3.

Abstract: Central and South America and the West Indies. Cities and towns, consulates, principal products of export, foreign and South American operated railways and steamer

routes, submarine and telegraph cables, wireless stations. Communicational, economic, political. Color. 7 Insets: Buenos Aires, Callao-Lima, Georgetown, Kleine Antillen, Montevideo, Para (Belem), Valparaiso.

Th. Koch-Grunberg, a. S.

Die Huetige Verbreitung Die Sud-Und Mittelamerikanishen Indianer. edited by Th. Koch-Grunberg, a. S..

Keywords: America/Languages.

Call Number: H45

Notes: Sievers, 1914, f.p. 81.

Abstract: 36 linguistic groups of Middle and South America. Outline. Ethnographical. Color.

Geologishe Karte Von Sud-U. Mittel-Amerika.

Keywords: America/Geologic formations/Mineral deposits.

Call Number: H43

Notes: After Steinmann, Brackebusch, Stubel, Sapper, and others. Sievers, 1914, f.p. 52.

Abstract: Distribution of alluvium and diluvium formations, mesozoic, paleozoic, and tertiary formations, and archaeozoic formations from volcanic eruptions. Location of coal, copper, gold, iron, lead, nickel, silver, petroleum deposits, salt beds, and mineral water springs in Central and South America. Economic, geological. Color. Inset: Argentinische Kordillere.

Karte Der Forschungsreisen In Sud-Und Mittel-Amerika Bis Zur Gegenwart.

Keywords: America/Explorers.

Call Number: H42

Notes: Sievers, 1914, f.p. 7.

Abstract: Principal routes traveled and dates of establishment of towns along the routes; routes taken by Columbus on his first voyage, 1492-93; second voyage, 1493; third voyage, 1498; fourth voyage, 1502-04; Americus Vesputius, 1499-1500, 1501-02; Pinzon Dias de Solis, 1508-09; Magellan, 1519-22; others. Communicational, historical. Color. Inset: Neuere Reisen in Paragonien.

W. Sievers

Regenkarte Von Sudamerika. edited by W. Sievers.

Keywords: America/Weather.

Call Number: H41

Notes: After Berhaus' Physical Atlas and various sources. Sievers, 1914, p. 61.

Abstract: Annual rainfall in Central and South America, precipitation in millimeters. Meteorological. Shaded.

Southern Pacific Lines and Connections. Rand McNally and Co., Chicago.

Keywords: America/Railways.

Call Number: H40

Notes: New York commercial, 1921, back.

Abstract: Southern Pacific and Connecting railways in United States and Mexico. Steamer routes from Galveston and New Orleans to Cuba. Outline. Communcational, political.

1930 South and Central America, Mexico, and Cuba. The London Geographical Institute, London.

Keywords: America/Land/Territory.

Call Number: H39

Notes: Specially drawn for the South American Handbook, 1930.

Davies, 1930, f.p. 1.

Abstract: The international boundaries adopted are given under reserve and without prejudice irrespective of the unsettled claims existing between Peru and Ecuador, Bolivia and Paraguay. Approximate boundaries of the disputed areas are indicated by dotted lines, and those of political occupation, by colors. The arbitrary line dividing Bolivia and the Paraguayan Chaco is that of the annulled 1894 treaty. Inset: British Isles.

MJ. Meehan

1925 Salesman Routing. edited by MJ. Meehan.

Keywords: America/Sales Routes.

Call Number: H38

Notes: Meehan, 1925, p. 3.

Abstract: Salesman's routing to and from New York, Colon, Miami and the West Indies.  
Outline. Communicational. Mimeograph.

Intercontinental Railway Commission

1898 Rio Savegre, Costa Rica, To Quito, Ecuador. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: America/Railways.

Call Number: H37

Notes: Profile III. Intercontinental railway commission, 1895-98, v.1, back.

Abstract: Elevation of existing and projected railways, and of the survey of the proposed Intercontinental Railway's line from Rio Savegre, Costa Rica to Quito, Ecuador, via Panama and Colombia. Pro. Communicational, physical.

1854 Map Showing the Proposed Routes of Interoceanic Communication. Sarony and Co., New York.

Keywords: America/Water Routes.

Call Number: H36

Notes: Squier, 1854, f.p. 62.

Abstract: Comparative sailing distances from new York to San Francisco via: Tehuantepec, Honduras, Nicaragua, Panama. Communicational, political.

Peter Martyr

1511 Peter Martyr's Map, 1511. edited by Peter Martyr.

Keywords: America/Explorer.

Call Number: H35

Notes: Bancroft, 1882, p. 127.

Abstract: Reduced copy of map of the American continent showing only Spanish discoveries. This map is the most accurate made to that date. Outline. Historical.

Panama-Colombia, North.

Keywords: America/Panama/Colombia.

Call Number: H34

Notes: North C-D, 17-18. Preliminary edition, subject to correction.

Abstract: Principal cities and towns, railways. Communicational, political. Mounted.

1929 Characteristic Track and Wind System of Tropical Cyclones of Northern Hemisphere. U.S. Hydrographic Office, Washington, DC.

Keywords: America/North/Weather.

Call Number: H33

Notes: US Hydrographic office, 1929, p. 29.

Abstract: Velocity along track in high, middle, and low latitudes. Outline. Meteorological.

North, Central and South America. Pan American Union.

Keywords: America/Cities/Ports.

Call Number: H32

Notes: 3 additional copies on file.

Pan American Union, 1922, back.

Abstract: Principal cities and ports. Outline. Political.

1885 Ethnological and Philological map of North America Showing the General Distributions of the Indigenous Races and the Position of the Various Linguistic Families. Stanford's Geographical Establishment, London.

Keywords: America.

Call Number: H31

Notes: Bates, 1885, p. 442.

Abstract: Includes Alaska, Canada, United States, Mexico, and Central America. Outline. Color.

Intercontinental Railway Commission

1898 New York, United States, to Buenos Aires, Argentina. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: America/Railways.

Call Number: H30

Notes: Intercontinental Railway Commission, 1895-98, v. 1, back.

Abstract: Profile I. Elevation in feet of existing and projected railways, and of survey of line of proposed Intercontinental Railway from New York to Buenos Aires, via Mexico, Guatemala, El Salvador, Nicaragua, Costa Rica, Honduras, Colombia, Ecuador, Peru, Bolivia, Chile, and Argentina. Pro. Communicational, physical, political.

Map of New Spain Under the Viceroy.

Keywords: America.

Call Number: H29

Notes: Bancroft, 1883-87, v. 3 front.

Abstract: Cities and towns of North America, Mexico, and Central America under the rule of the Spanish Viceroy. Historical.

Northeastern Mexico and Gulf States of United States.

Keywords: America.

Call Number: H28

Abstract: Cities and towns, hydrographic and terrestrial communication. Communicational, hydrographical, political. Color. On Verse: Southeastern Mexico. Cities and towns, terrestrial communication. Communicational, physical, political.

1924 Comparative Map of Mexico and the United States East of the Mississippi River.

Keywords: America.

Call Number: H27

Notes: Abbott, 1924, p. 6.

Abstract: Republic of Mexico comprising 28 states and 2 territories is about equal to that part of the United States lying east of the Mississippi River minus the New England States and the State of Wisconsin. Outline. Political, statistical.

F.A. Godoy

1911 Area of Mexico Compared with Part of the United States. edited by F.A. Godoy.

Keywords: America/Mexico/New York.

Call Number: H26

Notes: Pan American Union, 1911, p. 52.

Abstract: Mexico compared with area of the states east of the Mississippi River and south of New York State. Outline. Political, statistical.

U.S. Hydrographic Office

1929 East and North Coasts of Mexico, Central and South America. edited by U.S. Hydrographic Office, Washington, DC.

Keywords: America/Water Routes.

Call Number: H25

Notes: U.S. Hydrographic Office, 1929, front.

Abstract: Index to U.S. Hydrographic Office Charts, corrected to July 1929. Outline. hydrographical. Color. 3 insets: (1) general charts; (2) Panama; (3) West Indies, Lesser Antilles and Venezuela.

1885 Mexico. Stanford's Geographical Establishment, London.

Keywords: America.

Call Number: H24

Notes: Bates, 1885, f.p. 1.

Abstract: Includes the Gulf States of the United States, British Honduras, Guatemala, Honduras, and Salvador. Communicational, physical, political. Color.

Mexico.

Keywords: America/Honduras/Guatemala/Railways.

Call Number: H23

Notes: Conkling, 1884, front.

Abstract: A railway map including the Gulf States of the United States, British Honduras, part of Guatemala. Communicational, physical, political. Color.

1898 Camino de Fierro Nacional Mexicano.

Keywords: America/Mexico/Texas/Railways.

Call Number: H22

Notes: Mexican national railroad, c. 1898, f.p. 78.

Abstract: Route of Mexican National Railway from Corpus Christi, Texas to Mexico City. Capitals, principal cities and towns, Communicational, political.

1518 Map in Munich Atlas.

Keywords: America.

Call Number: H21

Notes: Bancroft, 1882, p. 133.

Abstract: Reduced copy. North and Central America, northern coast of South America as known in 1518. Outline. Historical.

unknown

1532-1940 Manuscript Map. edited by unknown.

Keywords: America.

Call Number: H20

Notes: Bancroft, 1882, p. 154.

Abstract: Southwestern part of North American continent. Yucatan is represented as an island. Outline. Historical.

1920 Maps of Latin America. Department of Commerce.

Keywords: Latin America.

Call Number: H19

Abstract: 30 maps of Latin America. Boundaries fixed and in dispute; capitals, cities and towns; railways in operation and projected, wagon roads, trails; canals, lakes, marshes, navigable and unexplored rivers, water falls. Communicational, political.

Juan de La Casa

1500 Juan De La Casa's Map, 1500. edited by Juan de La Casa.

Keywords: America.

Call Number: H18

Notes: Bancroft, 1882, p. 115.

Abstract: Reduced copy. Southern coast of North America, West Indies, and northern coast of South America as known at that date. Outline. Historical.

Intercontinental Railway Commission

1891-1993 Intercontinental Survey. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore.

Keywords: America/Railways.

Call Number: H17

Notes: The reports of Corps 2 and 3. Corps 2 has 4 Divisions (A-D).

Abstract: Line of survey of proposed Intercontinental Railway, existing and projected railways, topography of country covered by survey. Profiles of line of survey, railways existing. Communicational, physical. Color.

1923 Grace Line and Connectin Lines Including Transandine Railroad. Wendell P. Colton Co., New York.

Keywords: America/North/South/Railways.

Call Number: H16

Notes: Grace Line, 1923, f.p. 10.

Abstract: Steamer routes of Grace Line from New York to west coast of South America via Panama Canal; route of Transandine Railway from Valparaiso, Chile to Buenos Aires, Argentina; conectin steamer route from Buenos Aires to New York. Communicational, political. Color.

Diego Ribero

1529 Diego Ribero's Map 1529. edited by Diego Ribero.

Keywords: America/North/South/Central.

Call Number: H15

Notes: Bancroft, 1882, f.p. 146.

Abstract: Reduced copy of early Spanish map of North, Central and South America. Outline. Historical.

1882 Map of Darien and Tierra Firme. Bancroft.

Keywords: America/South/Central.

Call Number: H14

Abstract: Bays, capes, islands, rivers, and towns of what is now Guatemala, Honduras, Nicaragua, Coasta Rica, Panama, and Columbia. Outline. Historical.

Intercontinental Railway Commission

1898 Colombia and parts of Costa Rica, Ecuador and Venezuela, Showing Connection between the Intercontinental Railway and the Projected Railroads. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore, MD.

Keywords: America/Railways.

Call Number: H13

Notes: Intercontinental Railway Commission, 1895-98, v. 1, back.

Abstract: Proposed location of the Intercontinental railway, surveys made; proposed extensions, survey projected; railways in operation and projected. Communicational, physical, political. Color, mounted.

Emery Walker

Central America, Panama, West Indies, Mexico, Gulf States of the United States and Lower California. edited by Emery Walker.

Keywords: America/Geology.

Call Number: H12

Notes: Central America, 1910-11, p. 675.

Abstract: Principal geological formations. Outline. Geological.

J. and C. Walker

1842 Central America, Including Texas, California, and the Northern States of Mexico. edited by J. and C. Walker, Chapman and Hall, London.

Keywords: America/California/Mexico/Aztecs/Indigenous Populations.

Call Number: H11

Notes: Published under the Superintendence of the Society for the Diffusion of Useful Knowledge.

Abstract: Early explorations on coast of California by Juan Cobrillos (i.e., Juan Cabrillo), 1542; Francis Drake, 1578. Areas to west of the Colorado River traversed by Padres Garces and Font, 1775, and by Padres Escalante and Domingo, 1777. Supposed site of the Aztec civilization in the twelfth century AD. Aztec ruins discovered by Graces in 1773 on Gila and San Pedro Rivers. Distribution of Indian Tribes. Bays, capes, oforts, islands, lakes, mountains, ports, rivers, roads and trails, towns (population given when over 3,000), volcanoes. Archeological, communicational, ethnographical, historical, physical, political, statistical. Mounted, shaded. Elevations above sea level in yards.

Castillo

1541 Castillo's Map, 1541. edited by Castillo.

Keywords: America/Mexico/California.

Call Number: H10

Notes: Bancroft, 1882, p. 153.

Abstract: Western coast of Mexico and California as known to the Spanish in 1541.

Intercontinental Railway Commission

1898 Ayutla, Guatemala, To Tucuman, Argentina. edited by Intercontinental Railway Commission, A. Hoen and Co. (lith.).

Keywords: America/Guatemala/Argentina/Railways.

Call Number: H9

Notes: Intercontinental railway commission. 1895-98, v. 1, back.

Abstract: Elevation of surveys on line of proposed Intercontinental Railway; existing and projected railways from Ayutla, Guatemala to Tucuman, Argentina. Pro. Communicational, physical.

1891 Atchison, Topeka and Santa Fe Railroad. Poole Brothers, Chicago.

Keywords: America/United States/Mexico/Railways.

Call Number: H8

Notes: Beatty, 1891, f.p. 7.

Abstract: Western United States and northern Mexico. Outline. Communicational.

Distribution of Archaic Culture.

Keywords: America/Culture.

Call Number: H7

Notes: Spinden, 1922, p. 6.

Abstract: Distribution of archaic culture in North, Central, and South America: distribution of archaic figurines; extension of pottery; ultimate extension of pottery. Outline. Ethnographical.

American Continent.

Keywords: America/Migration.

Call Number: H6

Notes: Spinden, 1922, f.p. 228.

Abstract: Accompanying a diagram of American Chronology. Primary invasion from Asia via Alaska or upper paleolithic or lower neolithic, without agriculture, pottery or weaving. 15,000 - 10,000 B.C. Outline. Communicational, ethnographical.

Karte der Isothermen und Isobaren von Amerika. From Berghaus' Physikal Atlas u. J. V. Hann.

Keywords: America/Weather.

Call Number: H5

Notes: Sievers, 1914, insert pp. 58-9.

Abstract: 4 maps giving isothermic and isobaric readings for North, Central and South America for the months of January and July. Outline. Meteorological. Color.

J. B. Homann and A. Stieler

1823 Entwicklung des Kartenbildes von America II. edited by J. B. Homann and A. Stieler.

Keywords: America.

Call Number: H4

Notes: Sievers, 1914, f.p. 19.

Abstract: 2 maps of North and South America as originally printed by Homann and Stieler. Historical, physical, political. Color.

Intercontinental Railway Commission

1898 America, Showing Connection Between the Intercontinental Railway and the Existing and Projected Railroads of North, Central and South America. edited by Intercontinental Railway Commission, A. Hoen and Co., Baltimore, MD.

Keywords: America/Railways/Land.

Call Number: H3

Notes: Intercontinental railway commission, 1895-98, v. 1, back.

Abstract: Proposed location of the Intercontinental Railway, surveys made; proposed extensions; surveys projected; railways in operation; railways projected. Boundaries (partly in dispute), capitals, cities and towns. Communicational, physical, political. Color.

1922 Distribution of Agriculture in the New World. Spinden, p. 62.

Keywords: America/Agriculture/Lands.

Call Number: H2

Abstract: Distribution of archaic agriculture: arid regions of considerable altitude with irrigation; humid lowlands; temperate zones of North, Central, and South America.

Outline. Ethnographic.

The West Indies Pilot, H. D.

1929 Index to Admiralty Published Charts Alluded to in this Work. edited by The West Indies Pilot, H. D., Admiralty, Davies and Co., London.

Keywords: America/Water routes.

Call Number: H1

Notes: British Admiralty, 1929, v. 1, f.p. 1.

Abstract: Index to British Admiralty charts of gulf states of the United States, east coast of Central America, north coast of South America. Outline. hydrographical.
